A Suitable Christmas

Mhm...
who
is there?

Ohh...
I'm sorry
Timmy
did mommy
wake you
up

Huh? What are you doing down here mom?

Mommy was just helping Santa deliver your Christmas presents dear

I see!
Thank you
for helping
Santa mom!
I'll go back to
bed now
goodnight

Phew!
That was
a close call
little Timmy
almost
caught
me

Thank heavens for these disguises that my elfs made for me just in case

That is another house done!

Time to remove this disguise and get the next one on

Ho Ho Ho! These things sure are handy for staying hidden

Lets see...
Then next one is this one right here!
Lets put it on before putting the other one away

Ho Ho
Ho!
My elfs really
outdid
themselves
with these
suits

Simply put it on... Then align the face

Arghh...
I feel so
young again
wearing these
fantastic
suits
