

Thursday afternoon, spa time. Mom's always going to the same place, same time. This is going to be easy.

It's time to for me to step in and become a much better mother myself.

Nothing's quite as good as a good steam bath, it really makes my pores open up so well.

And now that that gold digger has been dealt with, things will go back to as they were before.

Not if I can help it.

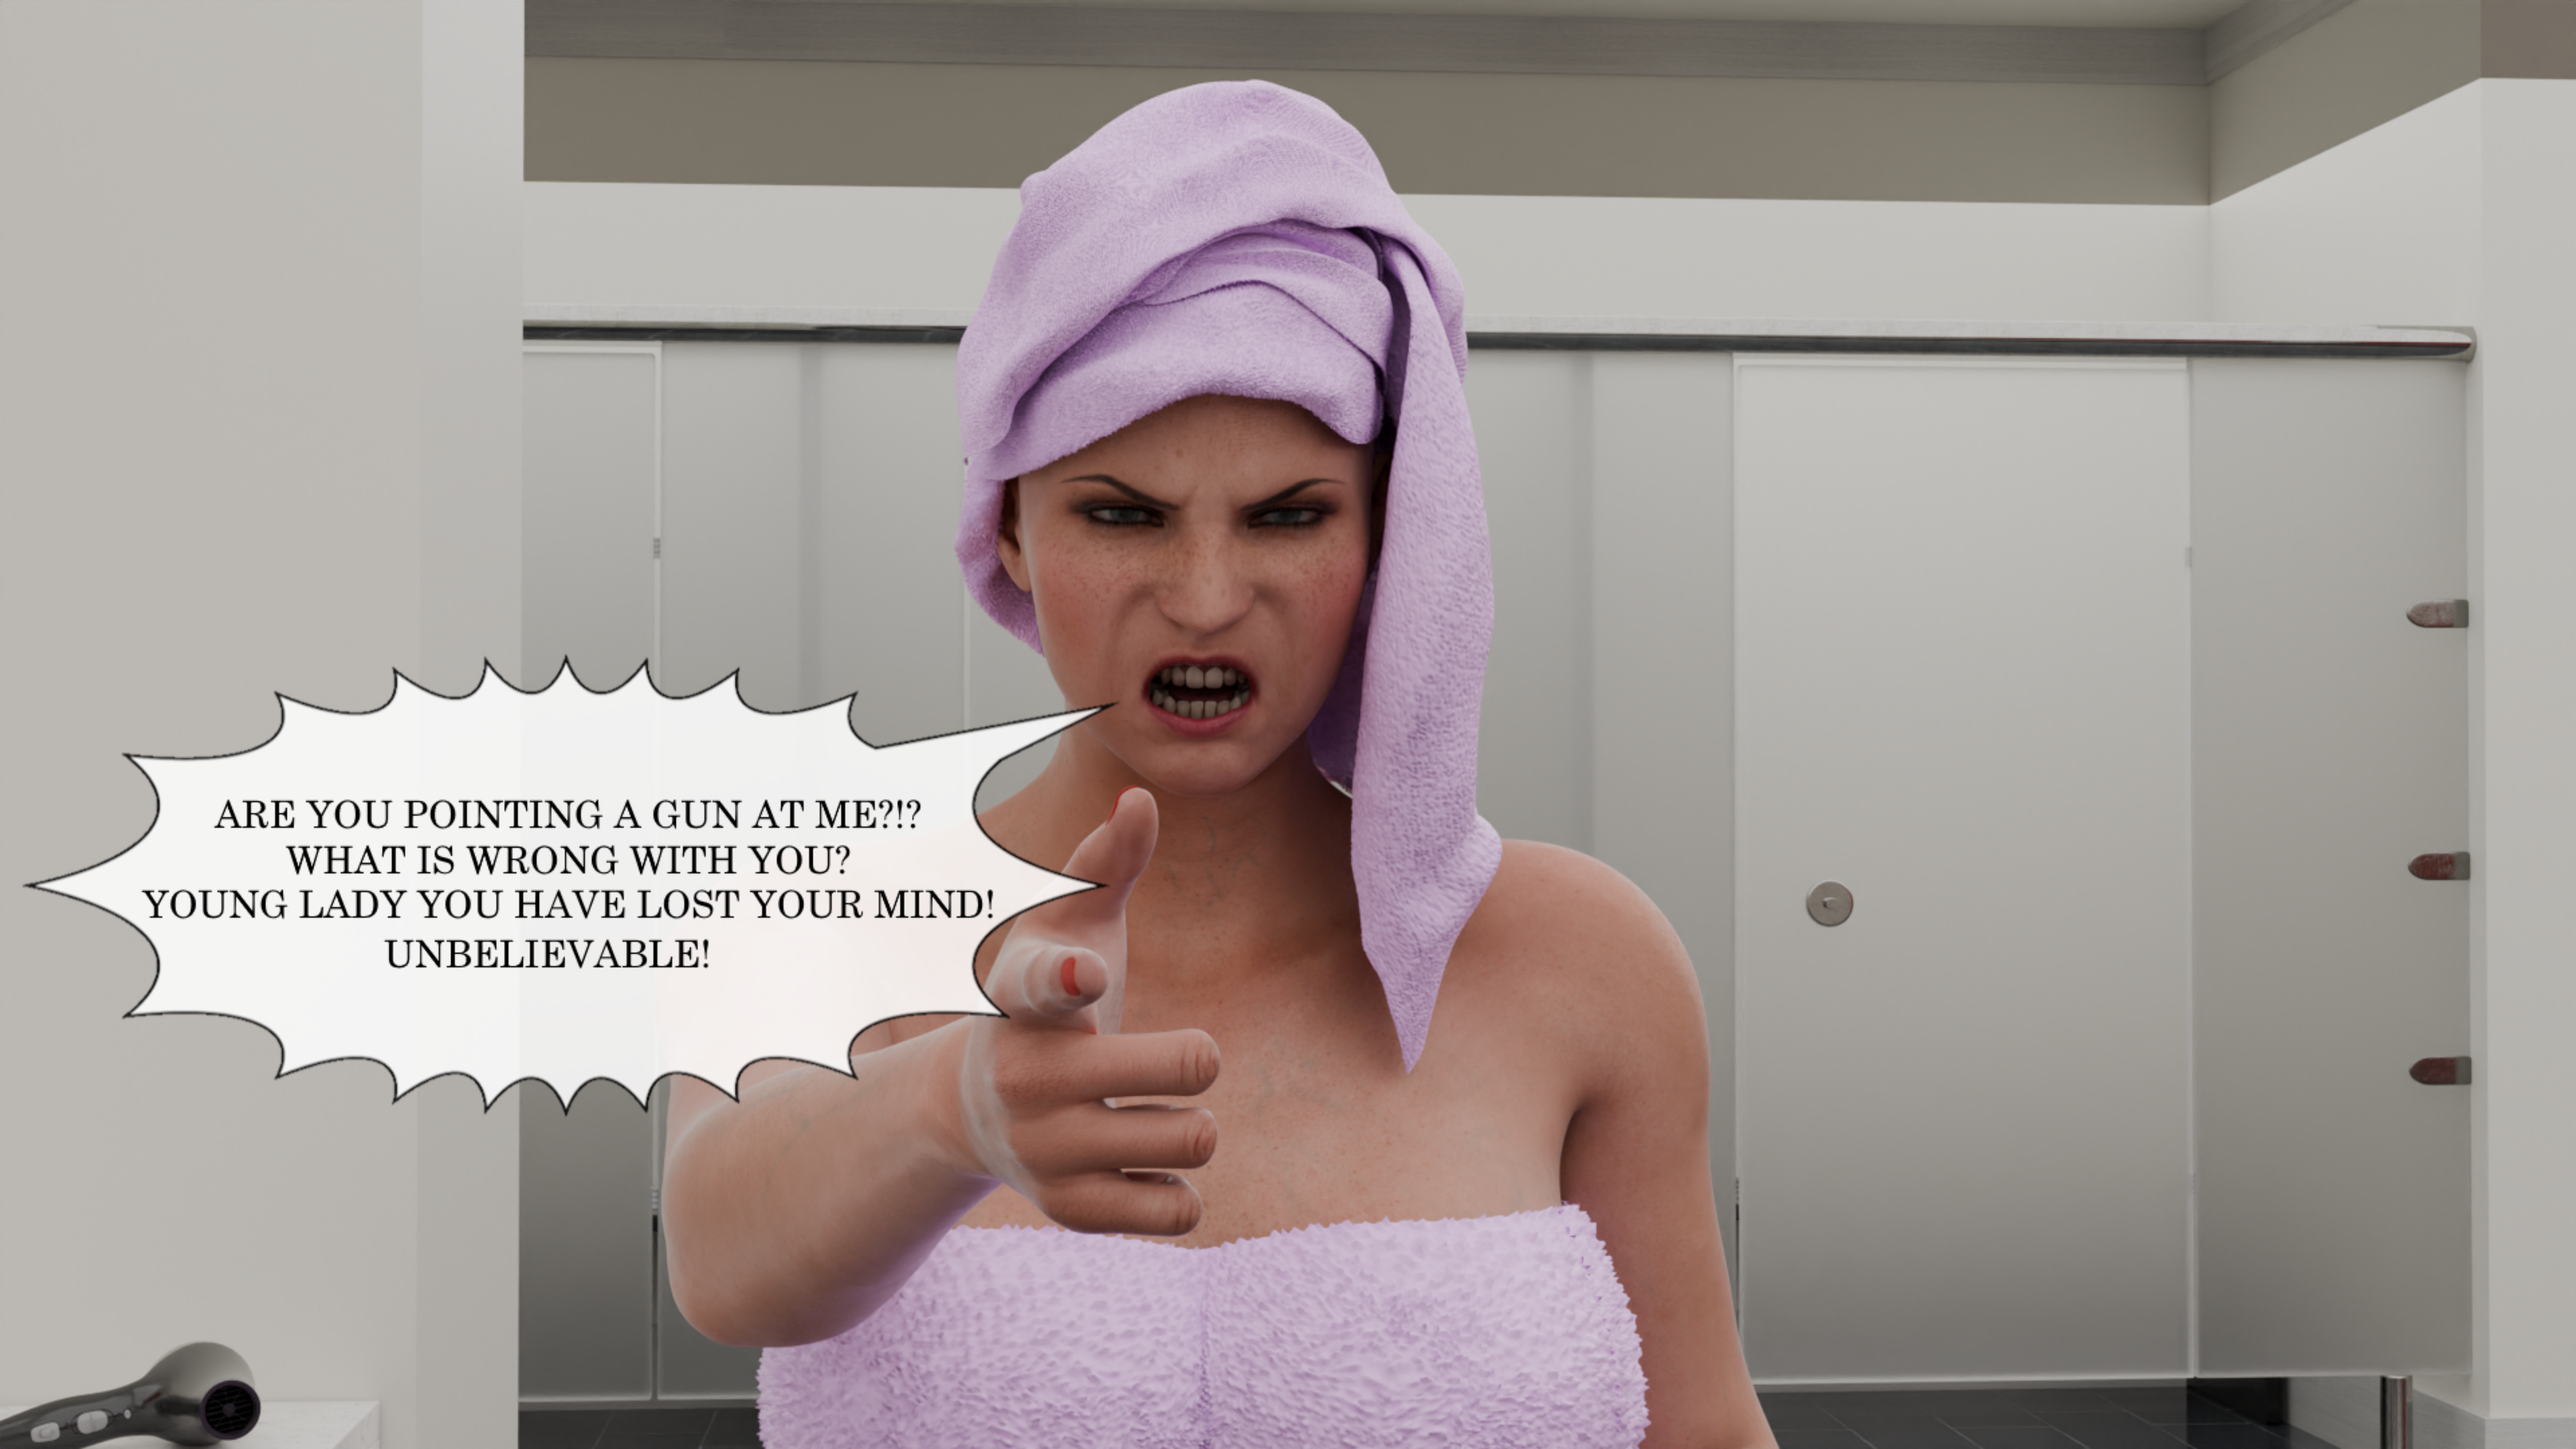

Hey, bitch! Look at me.

WHAT THE HELL?!?

HRRGH!

Hey ma.

ARE YOU POINTING A GUN AT ME?!?
WHAT IS WRONG WITH YOU?
YOUNG LADY YOU HAVE LOST YOUR MIND!
UNBELIEVABLE!

Wait, that's some kind of... childrens toy? Irene, what in GOD's name are you doing, girl?

Ever since you came back from
that drive you have been acting off!
I can't believe it, what has gotten into you?
Have you been taking drugs, Irene?!?

Oh, I'm just here to get even, "Ma". First, I'll take your body for a joyride, then I'll take the car we were never allowed to touch, and then I'll go and max out all your credit cards.
I've always despised you. Now, bye, bitch!

AFTER ALL I HAVE
DONE FOR YOU -

What?

NO!

HOLY SHIT!
THAT WAS
AWESOME!

Time to get dressed.

Well, ma, looks like somebody finally got you to shut up. Don't worry, I'll get you talking again in no time.

Talking on my terms...

Now how do I put this thing on?

Finally someone's putting these two beauties to good use. Been wasted all those years...

Now this is how it's done!
The new and upgraded Ma,
or maybe should I say,
the new and upgraded me!

Now I'm the one in charge,
and I'll make good use of it too!

Can't believe that this bitch wears a suit to a spa;
I bet she has a suit for every day of the week!
Later I should go and see just how she looks
wearing one of her daughter's sluttiest outfits.

SMACK!
KICK!

That's right! Ma's back in town, and she's all new!

Now to head back home, and
I sure do hope that both of my beautiful
daughters aren't in the middle of a
passionate incestous lesbian makeout
session, that would be horrible!

What a ride, what a ride!
Wasted on a bitch like Ma for years and years. And now, it's all mine.

Can't wait for the looks on their faces when Mom barges in on them in the middle of doing it.

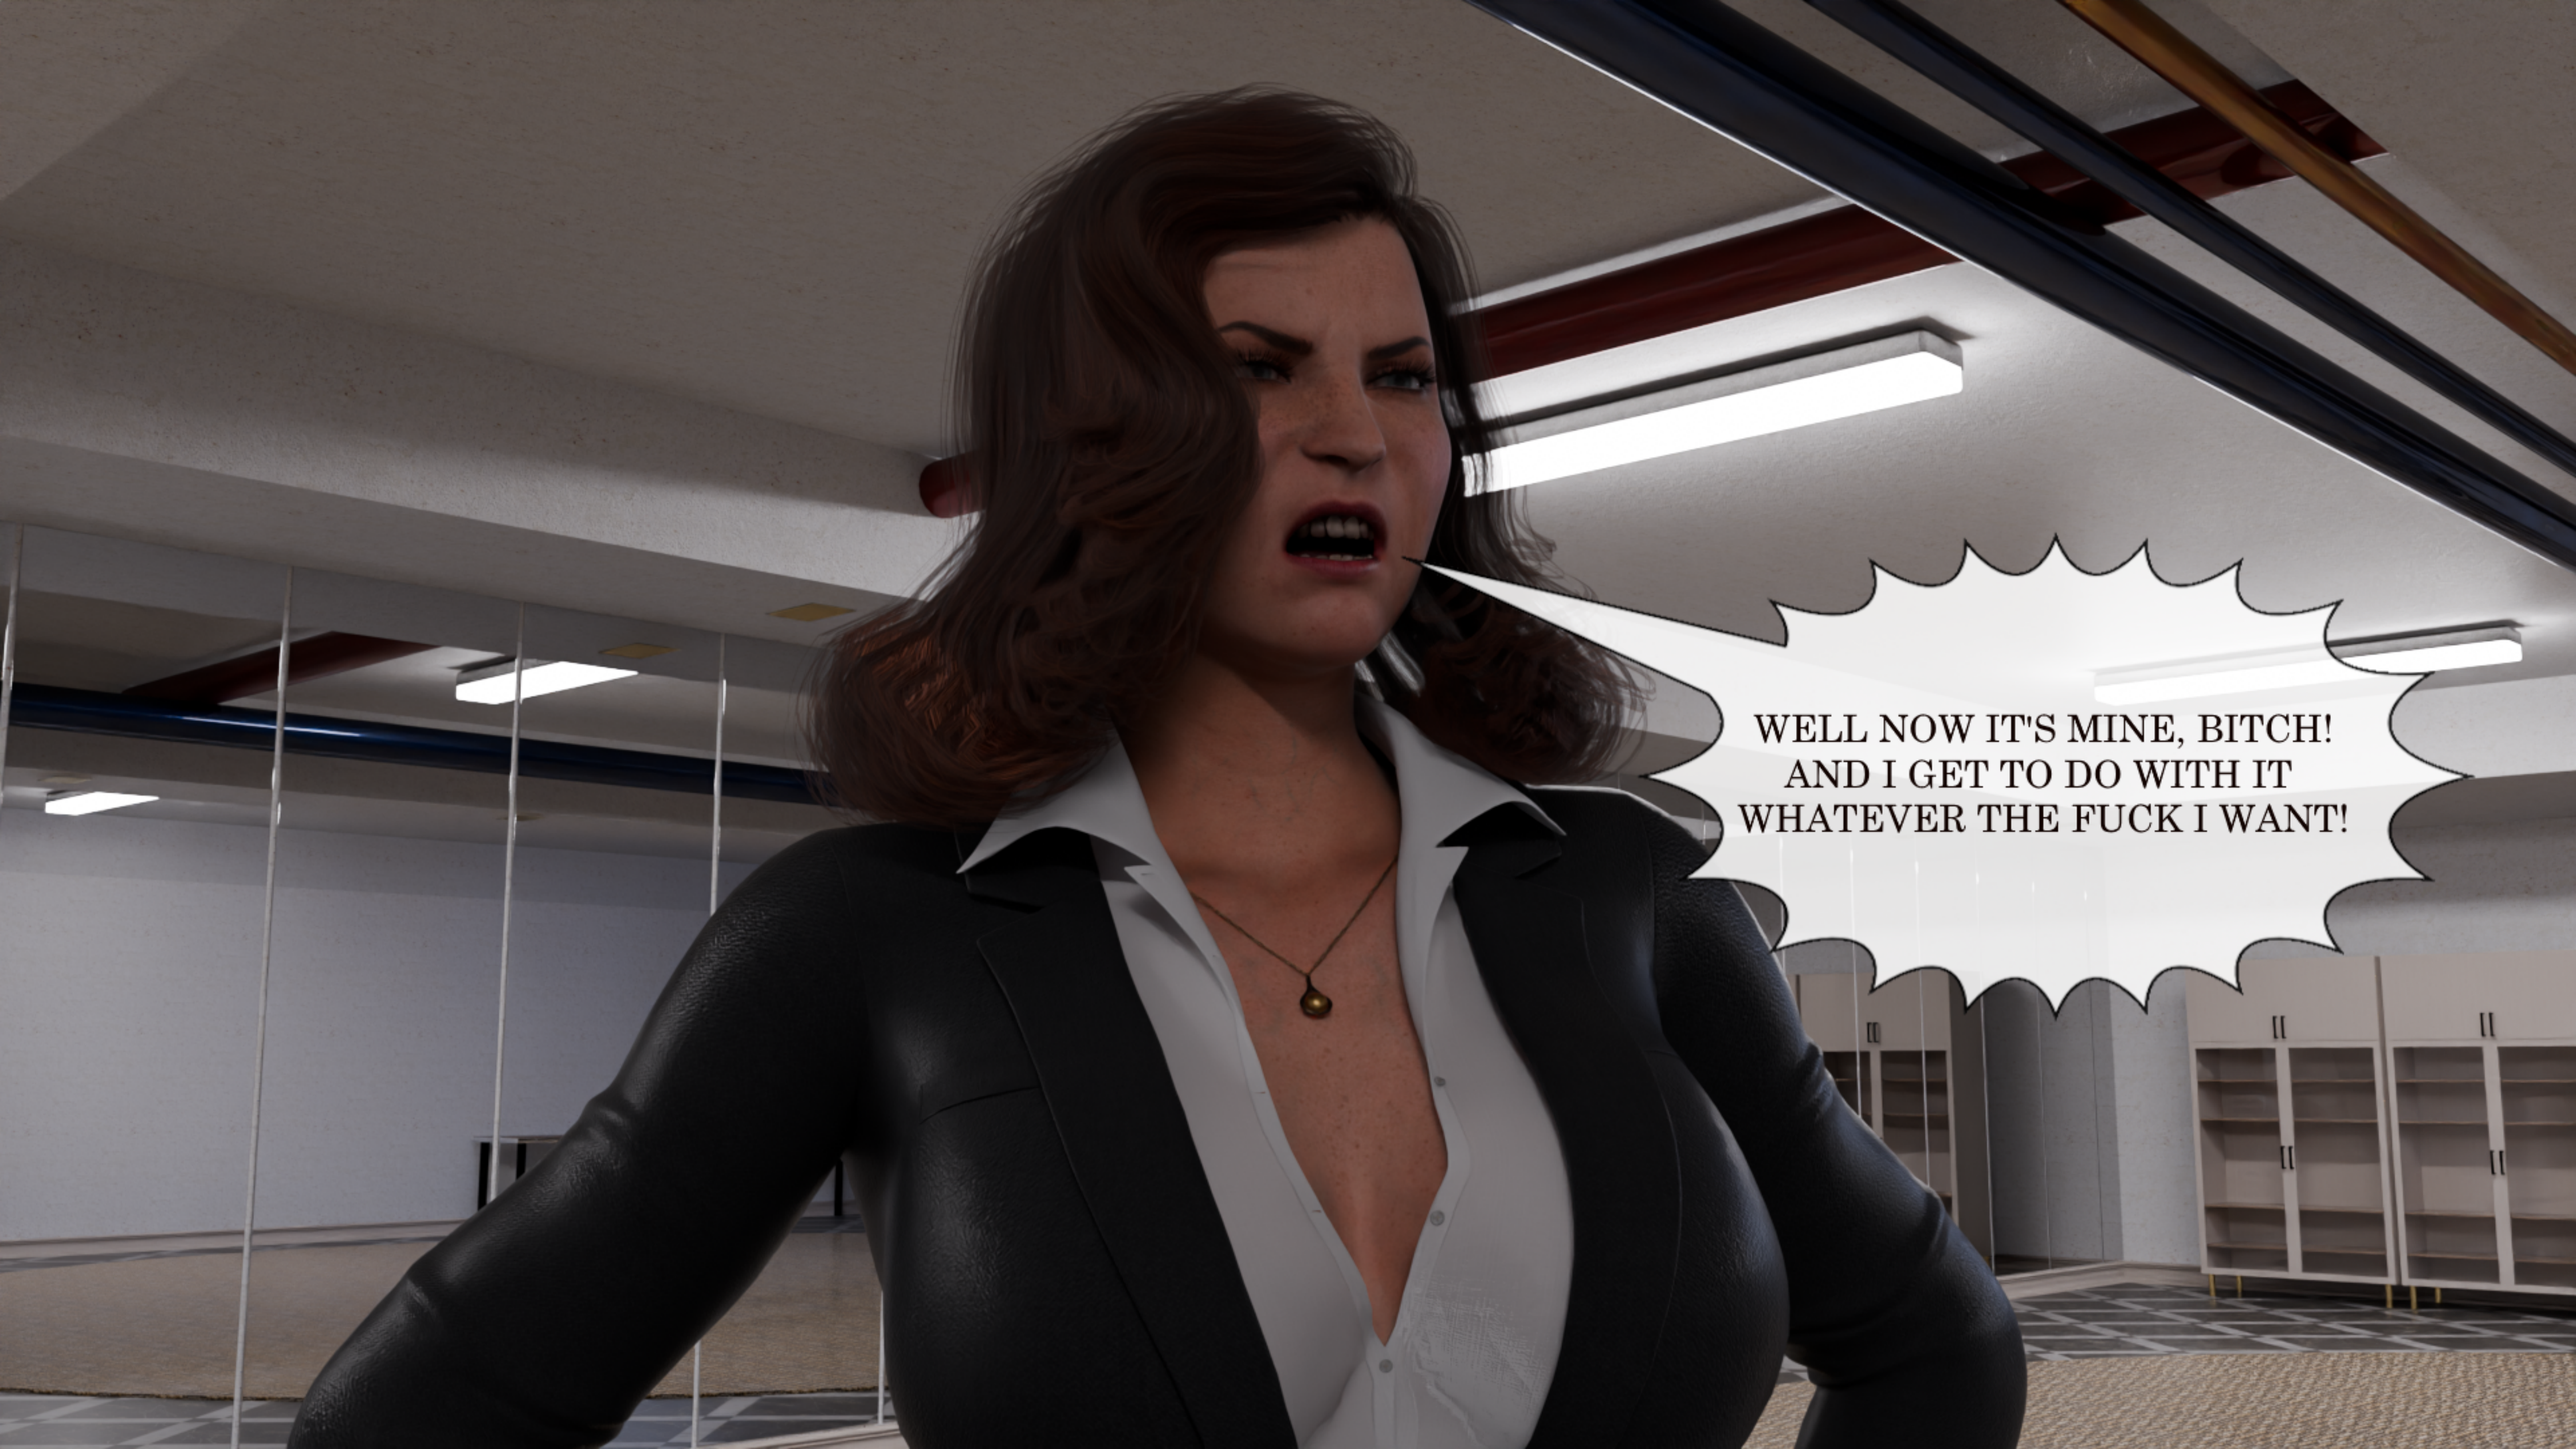

For years I had to look at this thing, watch Ma take it shopping, well, now it's officially my car...I should take it out west and see just how fast it can go.

Ma always gloated about this car too.
I remember her shouting that we weren't even allowed to touch it, let alone even sit in it. Ridiculous woman.

WELL NOW IT'S MINE, BITCH!
AND I GET TO DO WITH IT
WHATEVER THE FUCK I WANT!

BUGARTY

WHY COULDN'T YOU JUST
BE A BETTER MOTHER, BITCH!

Whatever.

BUGARTY

She's gone now.
