
It looks like we're evenly matched, then.

Yeah, I think so, Irene. They feel fantastic!
Have you gotten used to them yet, Calvin?

Okay, now I have to know the truth:
Are you two dating behind my back
or what is this exactly?

Nah, Cedes. We weren't going behind your back,
However, I do want in on what you two have got going on.
You already had sex with my fake self,
so why not go ahead and include the original?
Plus, it means you get to deal with
a chill version of mom for the future.

I guess I should be offended by the idea but...I'm not. What do you think, Calvin?

Yeah, I'm happy with it. Irene's a lot of fun, and taking your mother out of the picture is such a relief! I was so worried she'd start another stupid lecture about class and dignity. Now we can just have fun together and not worry about a damned thing, Mercedes. All I see to this are upsides, really.

Give me some space you two,
I want to take the rest of her off.

Looks weird, doesn't it, Cedes?
And yet, seeing Ma humiliated like that,
surely that must feel as good to you
as it does to me, doesn't it?

I guess so, yeah.

It was fun being Ma, you should try it sometimes, Cedes, I bet you can have a ton of fun ruining her life in public or something like that.

I hadn't thought about that yet,
I was more thinking about using her for
something else instead, actually.

Using her for what, exactly?
Cleaning out her bank account?

No, not like that, instead I was thinking about having Calvin be the one who puts her on next, and then the two of us could finally have some fun with Mom!

Wait, what? Me as HER?!?
I mean, I guess if that's what you two want. I'd be fine with playing your mother for the time being, sure. That's a better option than dealing with the real woman, any day of the week.

I don't exactly know what will happen when you layer two suits over each other, so I think I'll take Irene off first.

Once you break open the skin, it's just as difficult as taking off a piece of clothing, really.

So how does it feel to be yourself once again, Calvin?

It feels very strange, even though
I'm back to normal my balance just feels off.

I guess I'm now lacking two counterweights, eh?

Ma's much better balanced,
more weight in the back for sure.
Hell, more weight all over!

You do know that Dad's going to come back from his buisiness trip next week, right? How long are you going to stay as Mom for, or...?

I don't know, we'll see, I guess. But if we need to we can just lie and say that she's off on some spa trip, or something like that.

I won't lie though,
the idea of pretending to be your
mother in front of others does
sound pretty amusing to me.

I don't know how to feel about that, to be truthful. You playing Irene is one thing, but playing Mom might be a bit more difficult, don't you think?

How hard could it possibly be to fake being a snobby bitch?
All you have to do is complain at us and I'm sure that the rest will come naturally.
