

YOU TWO!?!

HOW COULD YOU DO THIS TO ME?
Oh shit.
Oh God, we're dead.

HOW COULD YOU BETRAY ME LIKE THIS?!? HAVING DIRTY, SWEATY LESBIAN SEX IN MY HOUSE?!?!

Pack your things, and get
the hell out of my house.
I am disinheriting you, and
you will have absolutely nothing.
This will be the last time I see
the both of you, or...

Or how about you invite me to your sweaty lesbian sex? Mommy has needs too, you know!

What.

Oh man, I had the both of you going. Look at you, shocked, confused, thinking it's all over!

I GOT YOU GOOD, SISSY!

Sissy? That can't be...
IRENE, WHAT THE HELL! WHERE DID YOU GET THAT MOM SUIT FROM?! IF SHE CATCHES YOU... IT'S ALL OVER!

BWAHAHAHA!

You know, even though this is my voice now, I still can't hear Ma yap without feeling annoyed. I'll just take the face off, give me a moment.

Wine

So what do you think of the new and improved Ma? No more bitching from her, I promise you!

You should leave, before the real mom shows up and...
Honestly, you have no idea how glad I am that you're not actually her.

You two can relax, I didn't just buy a Ma suit like Calvin bought one of mine. I bought a skinsuit gun and ambushed Ma at her Thursday spa appointment. I'm not wearing a suit, I am wearing her directly! What better way to get back at her, than to actually be her! Ma is out of the picture.

Well, that's one less problem.
Not having your mother on our back
will make things a lot easier.

That's the mistake you made:
you shouldn't have replaced me, you
should've gone straight for the problem
and replaced ma.

I can imagine it, yeah.
You know Calvin, you should've seen Ma in her last moments before I suited her. One big outragous screech after another, and I just got to taunt her before zapping her right between the eyes! It was just hilarious.

Now give me a second to get this crappy outfit off, it just doesn't fit me at all.

She looks good on you.
So, what do you think?

Now I do wonder:
Who of us has the
biggest tits right now?

I bet you that you can't beat these two beauties.

Hey, come on fake me,
get over here, let's compare!
