A NECESSARY EVIL.

It looked like Bryan had a perfect life from the outside: a high-paying job, a big house, and a gorgeous wife. The reality was that his wife, Margot, was with him only for his money. The woman was a goddess: a stunning blonde with a beautiful face and curves in the right places that could get her any man that she wanted.

Bryan wasn't as graced in the looks department. He wasn't hideous, but he was well below average. The woman couldn't get sexual with her husband because she wasn't attracted to him in the slightest, leaving him touch deprived and with his sexual needs unfulfilled. The poor man resorted to constantly masturbating to fill the void that his wife left.

It started with tame porn, but Bryan became addicted to it. He grew numb to vanilla videos after masturbating to them every single day and went into the rabbit hole to find new and exciting ones that would arouse him. He would have preferred his wife's touch, but things didn't go his way. It worked for the time being, and the perverse videos satiated his cravings, but his preferences became distorted and perverted as the years passed.

The obsession followed him to his workplace. He would take breaks constantly to watch the newest video he could find. It got to the point where his boss took note of it and summoned him to his office.

Bryan knocked on the door.

“Come in.”

The man meekly opened the door and sat down in front of his boss after he signalled him to do so.

“What can I do for you, sir?”

“Bryan, it has come to my attention that you’re taking more breaks than usual. Many more, I should say.”

The man was nervous, but he tried his best to keep his cool and to come up with an excuse on the spot. He didn’t realise that he was being so obvious, so he didn’t have anything planned.

“Yes, sir. I’m sorry, it won’t happen again, it’s just that-”

“Don’t misunderstand me, I’m not scolding you; I’m worried about you.”

“Thank you. To be completely honest, I haven’t been feeling great. I think I probably have a stomach bug and it won’t go away, forcing me to go to the bathroom often.”

“Mhm. Have you seen a doctor?”

“I haven’t.”

“You’ll see one then. It’s true that your breaks have multiplied, but your efficiency hasn’t been affected.”

“I’ll do that, sir. Thank you.”

“Okay, good. Let me know if you need anything.”

“Will do.”

Bryan left the office with a long sigh. He dodged a bullet, and even though he promised himself that he would change, he went straight to the bathroom and pulled out his phone. He looked for a video where a beautiful brunette forced a skinny man to drink her piss and eat her shit. His cock grew as the man in the video gulped down the urine, and he jerked off as the man consumed the beautiful girl's shit.

If anything, he had become efficient when it came to jerking off as well. Since his wife wouldn't touch him with a ten-foot pole, he had to find a way to relieve himself. He was scared of his wife finding out about his forbidden fetish if he did it at home, so he avoided it as much as he could. As an extra layer of protection, the videos on his phone were hidden, and his wife would never find them.

He overestimated how much she cared about him, though. She saw him as an instrument to be used to live a comfortable life and nothing else, especially now that her birthday was drawing closer.

She brought it up when they were about to sleep later that night. She wanted to throw a big party, and she needed his wallet to make it happen.

"It's going to be one that people will talk about for a long time," said the woman to her husband while they were in bed, about to fall asleep.

"What are you talking about?"

"My birthday party. Are you stupid?"

"Oh, it's soon, isn't it?"

His wife squinted her eyes at him in disgust, but he couldn't see it because the lights were off.

"Yes, it's soon. As I was saying, the celebration must be massive."

"Okay."

“I’ll invite all my friends and a few neighbours. Make sure to have money on the spending account so I can set things up.”

Bryan didn’t want to be there. He loved his wife, but her social circle was of no interest to him, and he didn’t interact much with the neighbours. He knew that missing her birthday would make her angry, though.

“You better be here early that day,” she said as if she was reading his mind. “It’s an important day to me and that makes it important to you.”

“I’ll be here in time.”

Lucky for the man, he was able to keep his promise. He asked permission to leave the office early, which was easily granted.

“Sir,” said Bryan to his boss early that day.

“Yes, Bryan? What’s wrong?”

“Nothing, but I have an appointment to see a doctor later today and I was wondering if it’s okay with you if I leave a couple of hours earlier than usual.”

“This is about your stomach bug, I’m guessing.”

“Indeed it is.”

“Of course you can leave early. You don’t even have to ask, you’re a good employee and that comes with benefits.”

“Thank you. I’ll let you know what they say.”

Bryan left the office, thankful that he didn’t have any issues getting his request granted because of how good of a worker he was. He figured that he should get a doctor’s note just in case to back up his alibi, but that was something for another day.

He pulled up to his driveway, and he could hear the music all the way over there. His wife had gone above and beyond to make sure that the party would be remembered. She had live music, a catering service, and she was wearing the most beautiful dress. The cake was also a pretty penny, but that one would come later.

He said hello to a few people he knew and nodded with an awkward smile as he passed many people he didn't know. Margot never brought him along when she went out with her friends, even if they brought their own husbands, so he didn't know most of them.

Margot was cordial and acted close to him during these events just to keep the facade. She still couldn't stand him, but her status demanded that she projected a loving relationship with Bryan. An empty smile, a kiss, a touch, but nothing more.

The party left Margot in a good mood, and Bryan was thankful for that. He would have to clean everything up, but she agreed to leave it for the next day or even the weekend; that's the kind of good mood she had.

That night, after everyone left and they were in bed ready to go to sleep, she dropped a bomb on him.

“Bryan.”

“Yes, my love?”

“I want to have a baby.”

Bryan was *stunned*. Words escaped him as he tried to wrap his head around his wife's request. It had been years since she last touched him sexually, and now she was saying that she wanted to have a baby.

“You don't have anything to say about it?” she asked.

“No, it's not that. I don't know what to say, it took me by surprise.”

“Well, your cock still works, doesn’t it?”

“Yeah.”

Margot reached for his cock and rubbed it through his pyjama pants. Bryan gasped at the sudden touch, and his cock reacted instantly by getting rock hard. The woman smiled, satisfied and at the same time pitying him because of how easily he got aroused.

The woman climbed on top of him, grinding against his hard cock. She moved her hips around, but her face scrunched up.

“Fuck, I can’t even get wet with you. Grab the lube.”

Bryan reached for the bedside table’s top drawer and took out a small bottle. She snatched it from his hands and poured some of its contents on her hand to apply it on his cock and her pussy. She put his cock inside of her and kept moving her hips, trying to enjoy herself but failing to do so because of how unattractive she found him.

The woman kept going despite everything because she was determined to reach her goal. Minutes passed, but the man didn’t cum. She pulled out all her guns, moving in ways that would the most stoic of men squirm and whimper, punishing his cock and riding him with such enthusiasm that anyone would swear that she was having the time of her life.

However, he didn’t cum. His semen, which is all she wanted, remained to be seen.

“What the fuck is wrong with you, Bryan?”

“I...”

“This is the only thing that you should be good for, but you can’t even do this right.”

“Honey...”

Margot climbed down and sat on the edge of the bed with her arms crossed. She was too upset to listen to him, so she went downstairs to the kitchen

and poured herself a glass of wine. Bryan was too embarrassed to admit that he couldn't finish because of his new tastes.

He went to sleep, knowing that it was useless to continue trying that night. Margot eventually went to bed as well, still fuming about the whole thing. He went to work feeling guilty, and she didn't even say goodbye in the morning. He came back home to clean up after the party, and Margot was nowhere to be seen. He diligently carried on with his assigned duty and ensured that the house was spotless for when his wife came back.

The woman showed up late at night, and she went directly to her room, where her husband was watching TV. He turned it off as soon as she walked in.

"Thank you for cleaning the house; it looks nice," she said.

He was surprised that she even talked to him since it wasn't unusual for her to give him the cold shoulder. He felt relieved, at least a little bit.

"No problem. It was your birthday; it was only fair that I left the house looking even better than before."

She wasn't back to normal, and he could see it in her face, so he sucked up to her a little to get on her good side. She didn't react.

"Let's try again tonight. I want to get pregnant."

Bryan started sweating. He knew that he wouldn't be able to ejaculate without the proper stimulus. It was evident by then that his wife was adamant about her decision to have a baby, and it was a matter of time before he had to come clean because otherwise, they would get nowhere.

Margot took off her clothes and dropped them on the floor. She looked terrific under the room's dim light, but it only got him semi-hard. She climbed on the bed and took his cock out of his pyjama pants to massage it. It took a couple of minutes for him to get hard because, on top of only being

able to get off with his fetish, he was nervous because of the imminent outcome.

The woman smirked when he finally got an erection and tried the same thing from the night before: riding him and hoping for the best. She knew that she was sexy and that any man would kill to sleep with her even at her age. The fact that once again, the minutes passed, and nothing happened, was a blow to her ego. When she had her mind on something, no human power would deter her, and her useless husband not being able to cum inside her was driving her crazy.

He was tired, and his pelvic area was sore from the punishment that his wife submitted him that night and the one before. As much as he wanted to ejaculate to get it done, he couldn't. Margot was done doing this dance.

“Listen up. I don't know what's going on in that head of yours but you're getting on my nerves. Are you keeping yourself from cumming just to be with me for longer?”

“No, it's not that.”

“Then if your beautiful wife is on top of you literally asking for you to cum, you do it.”

“I can't.”

She threw her hands in the air and stomped downstairs after slamming the door shut. She came back a few seconds later, remembering that she wasn't the one that needed to leave the room.

“Get out. Now,” she ordered.

Bryan took his pillow and a blanket and headed downstairs to sleep on the couch. She slammed the door again as soon as he left the room. It took her a while to fall asleep because of how upset she was.

The following night came, and Bryan figured that he should come clean. The same scenario would play out, and he didn't know what Margot would do next after she realised that it was impossible to make him cum with conventional means.

“Look,” he said, “I think I know what’s wrong.”

“And what is it?”

“Lately there’s only a certain... way for me to orgasm.”

“I’m listening.”

“There’s a type of porn that gets me off, and that’s the only thing that works for me nowadays.”

“Fine, whatever. Put some on and let’s get this done.”

He paused and looked at her with a serious face.

“It’s not regular porn.”

“What do you mean? It can’t be that bad. Let’s watch some to get you in the mood.”

“It’s toilet slavery porn.”

Margot didn’t know if she heard correctly, but he was serious, and she could tell.

“No. I’m not watching that. Absolutely not.”

The look of disgust on her face hit Bryan directly in the heart. She was ready to kick him off the room when he gave her the other option.

“The only other way that I can think of is if you shit on me as we’re having sex.”

It was blunt and to the point, but it was the only way for him to make it happen. The woman considered her options, but she was adamant against watching porn like that with him, even if that meant that he could finally ejaculate. She reached a decision.

“Okay,” she said. “I’ll do it. I’ll shit on you.”

Those sweet words were enough for Bryan to get rock solid. She widened her eyes because it was as if his cock grew larger than she remembered. It

was settled. She was going to do it, and she would fulfil his deepest fantasy in the process. Fortunately for her, that day's meal was abundant, and there was plenty to use.

Bryan was almost hyperventilating from the excitement. Was it possible that she was going to do it? He stressed so much about coming clean that he never considered that she would agree to do it. He figured that she would agree to watch porn, but now the real thing was coming.

She squatted over his chest, looking away from him and giving him the best view possible in the process. Her ass cheeks looked wonderful under the dim light, and his heart skipped a beat when she used her hands to spread her cheeks. It wasn't something that Margot saw herself doing, but it wasn't so bad.

The first piece of shit to come through her asshole was small, and it dropped on the man's chest. His cock was convulsing to the point where she thought that he would cum by himself without being touched. He kept it together to avoid ruining the night.

She pushed again, giving way to another piece that fell on him. The third one was the most impressive: a log that seemed to come out in one swift push and landed heavily on him. The pungent smell invaded his nostrils soon enough. It was so much better than watching a video of it happening to someone else. He got to experience it through his own senses and in his own skin.

He touched it and rubbed a small piece between his fingertips. It was as soft and smooth as he thought, surpassing any expectations. He deposited the piece in his mouth, slowly chewing on it and letting it roll around his tongue. The flavour was like nothing else that he tried before.

The man was euphoric. The shit kept coming from her wife's asshole, and she pissed on him too, a product of all the grunting and effort. He gladly received the precious liquid that splashed on the shit and his body.

Margot kept it going until she emptied her bowels on him. The small mountain of waste stood proud on his chest, and he couldn't take his eyes

off it. The weight and the smell were almost overwhelming.

Margot stood up and jumped down to the floor.

“I’ll go clean myself. Don’t move.”

She went to the bathroom to wipe and left the man unable to move or do anything per her request. She went downstairs and came back holding a cup.

“I’m not going to have sex with you while you have that on your chest, just so you know.”

She put on a robe and leaned in.

“You’ll give me a child,” she whispered.

Margot reached for his cock, throbbing and on the brink of orgasm. She massaged it, going from the base of the shaft to the head, and back down again. Bryan tried his hardest to last as long as possible because it was the best night of his life, and he wanted it to last forever.

The woman was an expert when it was about pleasuring a man. Her hand slid up and down with grace, and she grabbed the bottle of lube to make things easier. It wasn’t about saving him from friction burns but about getting this done. She teased his cock’s head with her now lubed-up hand, which made the man squirm and almost cry. He focused on what his wife left on his chest, and that’s when the pleasure got too intense.

“There we go,” she said.

He convulsed as his cock shot thick ropes of cum. She reacted quickly, pointing his cock towards the cup and getting all his precious seed in it. She had never seen him ejaculating so much. It was as if it would never end. He filled the cup with his essence, which brought a smile to her face, the first genuine one that he had seen in a long time.

The woman lay down on her side of the bed and dipped her index and middle finger in the cup, swirling them around and making sure that they were coated in the man’s semen. She spread her legs and put those two

fingers in her pussy, getting them as deep as possible and spreading his semen inside of her. She repeated the process a few times until she was satisfied.

Bryan didn't know what to say, and he couldn't form a coherent sentence anyway, even if he tried. Even though he was already empty, his heart kept beating fast and hard. His dreams came true, and it was all thanks to the beautiful woman next to him. She fell asleep after she was done applying the semen and left him to his devices. He enjoyed himself for longer and barely got any sleep that night.

He finally closed his eyes and drifted off to sleep with the widest smile on his face.
