A Place Too Small For Me

Andrew: "Mmmphh, it feels so fucking good in here, so warm and tight, I can barely move, and your skin is so soft..."

Nicole: "Oooh fuck, this feels amazing... ooh, your tiny body is driving me wild, I can feel every inch of you..."

Andrew: "Fuck... mmphh... I'm so bricked up right now, I can barely move, your pussy is so tight, and I can feel your muscles clenching around me..."

Andrew: "I hope she's enjoying this as much as I am, literally being swallowed whole is a dream come true, I can feel your heartbeat, and it's so fucking hot..."

Nicole: "Ooh my, this does feel so fucking good, your little body is so warm and snug,
I can feel your hard cock pressing against me, and it's driving me wild..."

Nicole: "OOH FUCK... AAAAAHHH... OOh my gosh.. AAAaHhH, I'm going to cum so hard from this, your little body is so perfect, and I can feel your cock pulsing inside me!"

Nicole: "FUCK!??! I FEEL A GROWTH SPURT COMING AGAIN!??! My body is tingling, and I can feel myself expanding, it's so intense!"

Nicole: "OH MY GOSH I'M GROWING AGAIN?!??! I can feel every inch of my body stretching, it's both terrifying and exhilarating!"

Nicole: "I CAN'T STOP, I'M GETTING TOO BIG, OOH! My limbs are elongating, and my body is swelling, I can't control it!"

Nicole: "BUT IT FEELS SO HEAVENLY, I DON'T WANT IT TO END!??! Every sensation is amplified, and I'm losing myself in the pleasure!"

Nicole: "YESS! YESS! YESS! FUUUUCK!??! I'm cumming so hard, my body is convulsing with pleasure, it's overwhelming!"

Nicole: "Fuck, fuck, fuck... aaah... Aaaaaahhh! I've got to leave... I'm getting too huge for this building, I can feel the walls constricting around me!"

Andrew: "Ooh my gosh... it's so much more room here now... how much did she grow? The space is expanding, and I can move so freely!"

Nicole: "Andrew! If you can hear me, just stay in there... I'm leaving this place; it's too small for me now..."

Andrew: "Okay, Nicole... you can't hear me, but I agree. I'll stay put until you're gone."

Nicole: "Ooh my gosh... I escaped in one piece. That was close; I thought I was going to burst through the walls at any moment!"

Nicole: "It felt so odd being there, like I was going to break something any second. Every movement was a risk, and I could feel the pressure building inside me!"

Nicole: "But what now... I'm all alone in this city, butt naked... well, with Andrew... but nobody can see him, he is stuck inside my vagina right now, and I'm not sure what to do..."

Nicole: "Since he is stuck inside my vagina right now, I can feel him moving, and it's both comforting and exciting."

Nicole: "I feel like a panic attack is coming; I'm a bit worried about what's happening to my body and how I'm going to control it."

Nicole: "What should I even do... oeh... idk, idk, idk... I'm at a loss, and the uncertainty is overwhelming."

Nicole: "But maybe all of this isn't this bad... It's actually kind of thrilling being a giantess in the city, feeling the wind on my skin and the power coursing through my veins."

Nicole: "I don't know what Andrew is doing down there, but I think I should get him out now. I can feel his movements, and it's becoming too intense to handle."

Andrew: "Holy fuck... aaah... fuck, I can't hold on for much longer anymore. I'm losing my grip, and the sensation is overwhelming!"

Andrew: "Nicole, please... help me out now... I don't want to fall. I can already see the light from down there... aaah, I'm slipping!"

Andrew: "Ooh my gosh... Am I finally getting out of here? Wait, what's happening?
I can feel the pressure changing."

Nicole: "Oooh fuck, yess... I can feel you moving, and it's driving me wild!"

Nicole: "You inside me, Andrew, feels so fucking good... oh my gosh, the sensation is incredible, and I never want it to end!"

Andrew: "Ooh my gosh... fuck, this was so so tiring... My body is exhausted, but the experience was unforgettable!"

Andrew: "OOh my lord... but this was real fun... mmh... Despite the exhaustion, the pleasure and the thrill of it all make it worth every second!"

Andrew: "Hooly fuck... damn... I can fall asleep... mmh... My body is completely spent, and I'm drifting off into bliss."

Andrew: "zzzz"

Nicole: "Ooh my gosh... Did I tire you out, baby? Are you sleeping, aaaw...? You look so peaceful and content."

Nicole: "You look so cute and small in my hand right now... I love it so much... Your tiny form fits perfectly in my palm, and it's incredibly satisfying."

Nicole: "And you do look very tasty for some reason... mhh.. I want to lick you... Every inch of your body is inviting, and I can't resist the urge to explore you with my tongue."

Nicole: "And you do look very tasty for some reason... mhh.. I want to lick you... Every inch of your body is inviting, and I can't resist the urge to explore you with my tongue."

Andrew: "Ooh my... Where am I... Ooh... I'm too tired for this right now... Let it happen... I'll just go with the flow and see where it takes me."

Andrew: "I'm in her mouth... but I guess she is enjoying it... I'll struggle a bit, feel my tiny body against her tongue and teeth, it's a strange and intense sensation."

Nicole: "Ooh fuck... This is just so so hot... ooh fuck... Having you in my mouth, tasting you, is driving me wild with desire."

Nicole: "This is so hot... I'm getting so so horny again, holy fuck... My body is on fire, and I need more, so much more of you, Andrew."

Andrew: "Ooh my gosh... she is playing with me so hard... I love it though, the sensation of her tongue and lips is overwhelming."

Nicole: "Ooh my gosh... My legs are getting shaky... I've got to go down... ooh.. I can barely stand, the pleasure is too much."

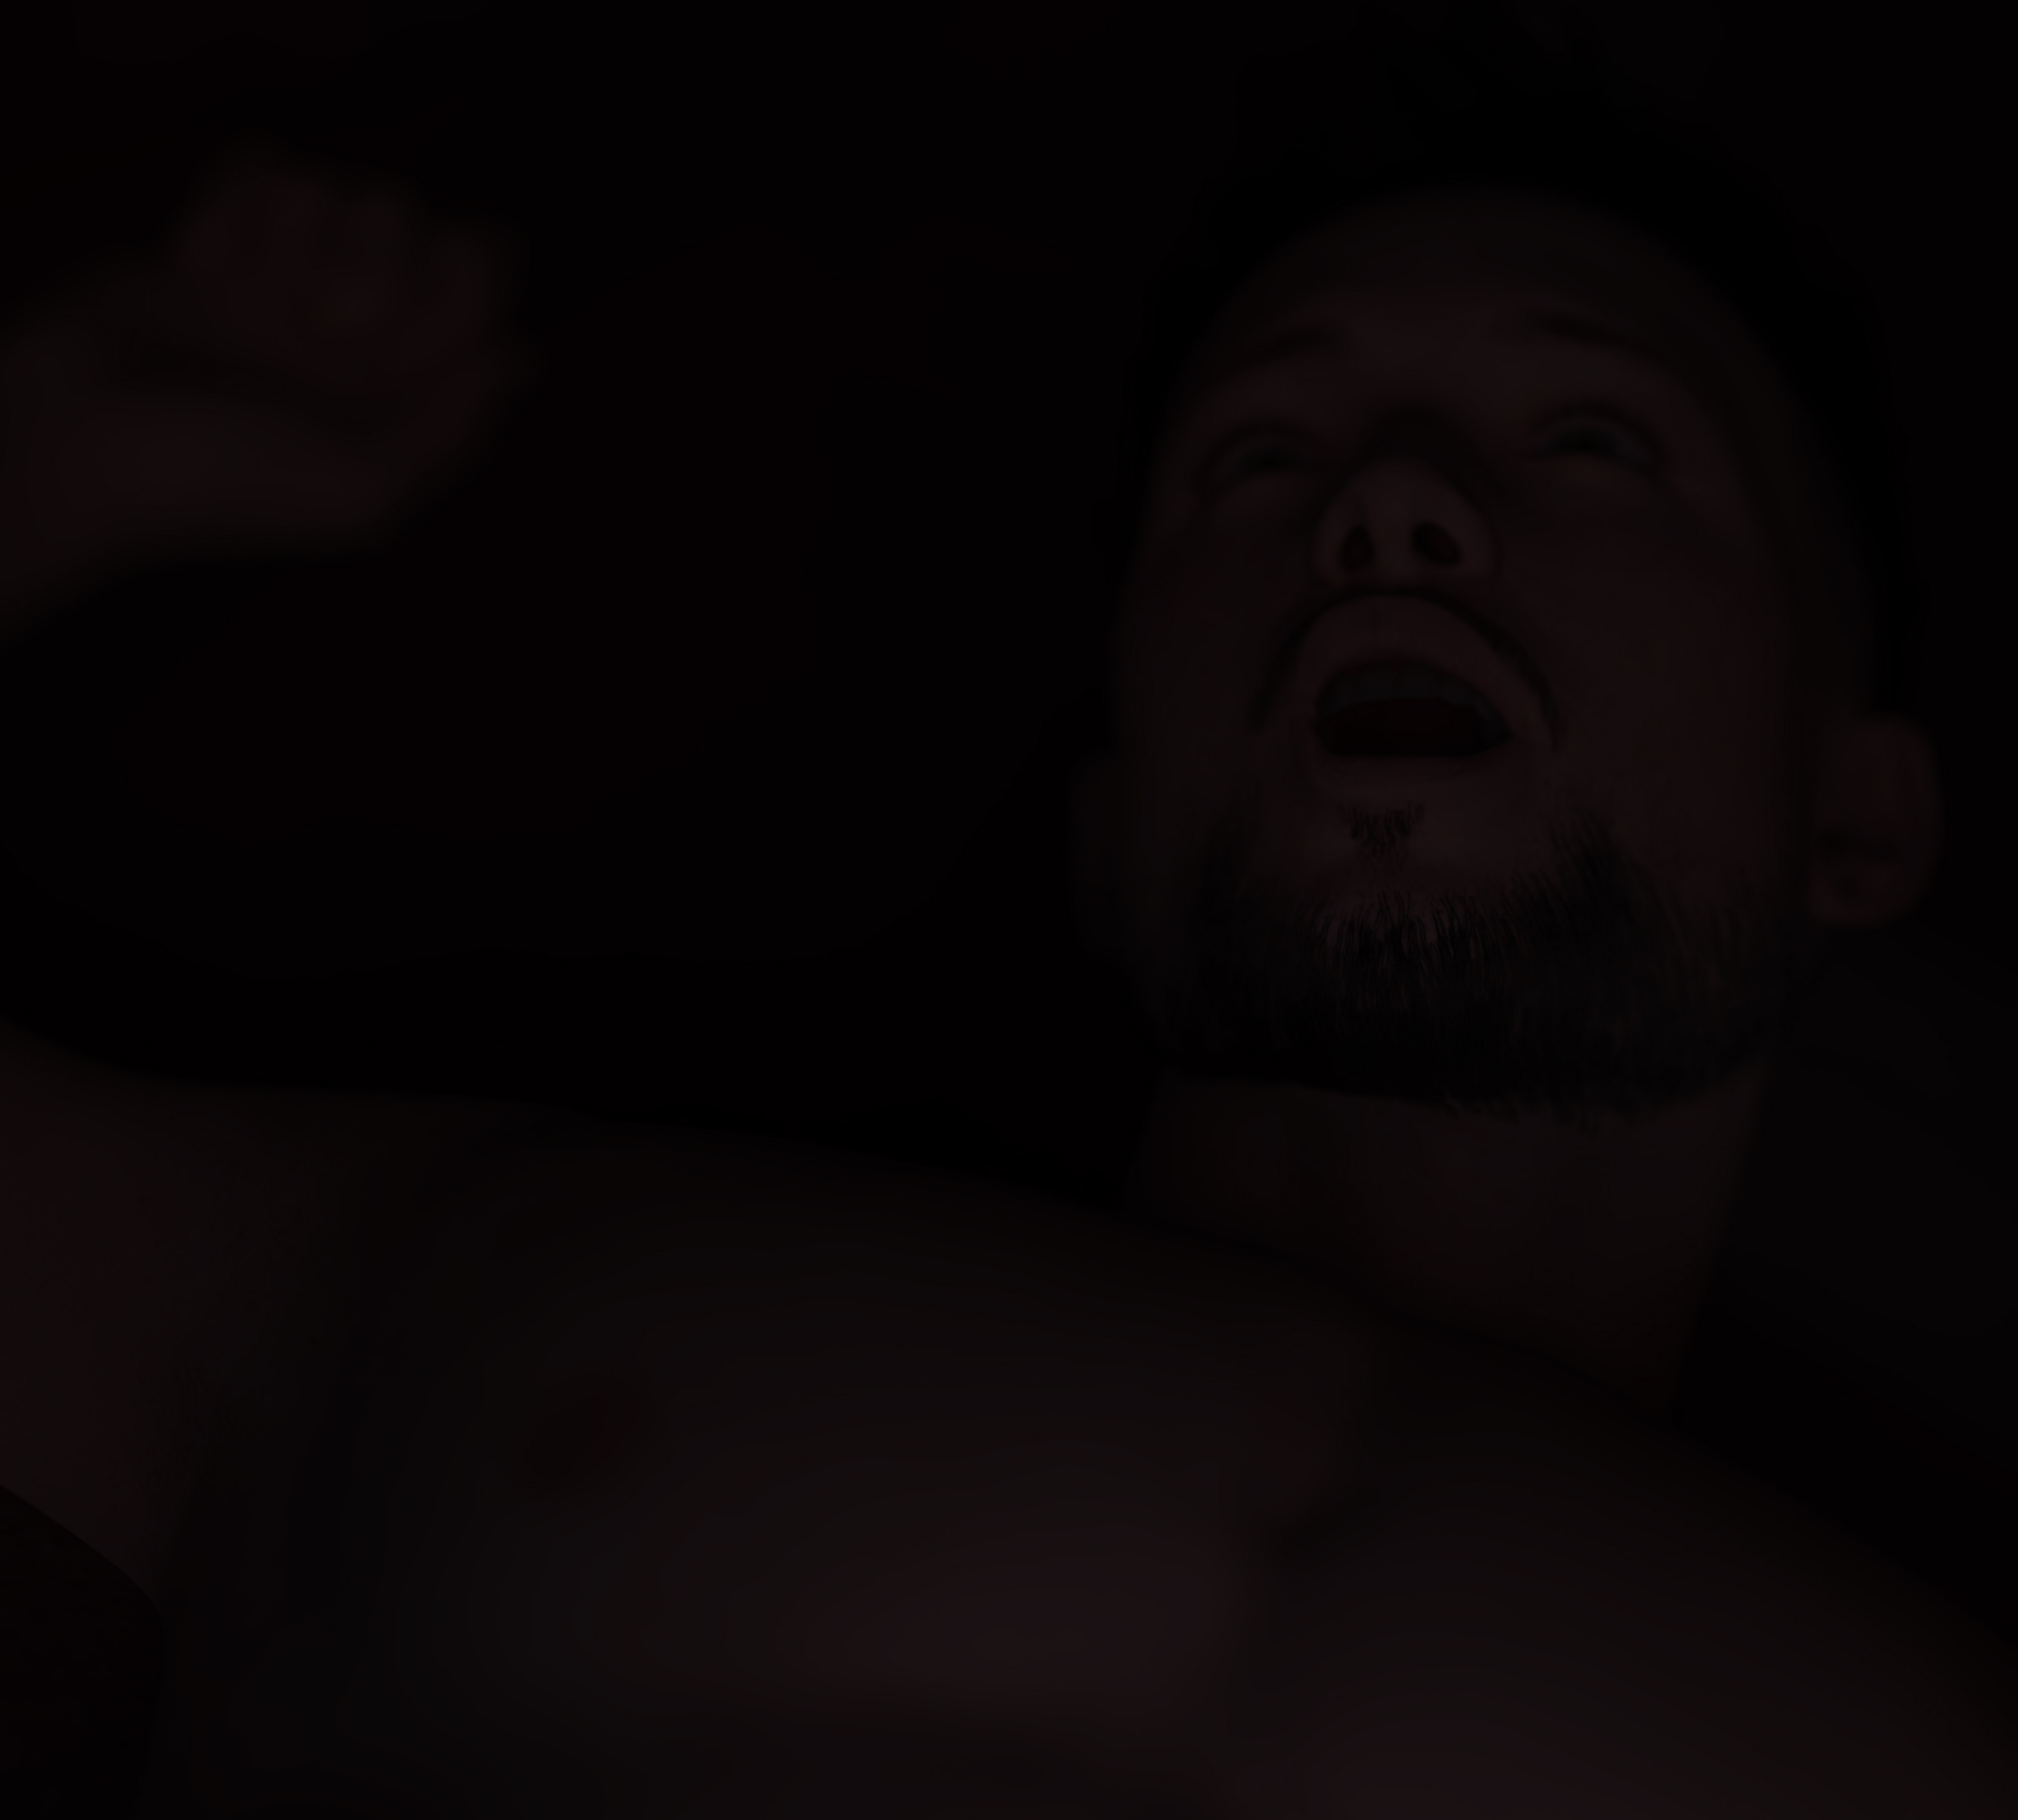

Nicole: "Ooh my gosh... fuck... Ooh my gosh, yes... aaah... I'm losing control, the orgasm is building, and I can't hold back."

Nicole: "Aaah... Aaah... Fuck... Mmh... Holy fuck... Yes... The climax is here, and it's shattering my body with pleasure!"

Nicole: "This is just... Fuck... Me moving you in my mouth and... Aaaah... The sensation of your tiny body against my tongue is driving me wild."

Nicole: "Ooh my gosh, Andrew... I wish you would just... please me now... can you wake up... I need you to be active and responsive."

Andrew: "I'm awake but you can't hear me, haha... ooh man... I think my vacation is over. I gotta start talking to her now and make her feel even better."

Andrew: "Yes... Honey... I'm on my way... I'm going to give you everything you need and more."

Andrew: "Just a sec... I'll catch my breath one last time and get out your mouth...
I need to be ready for what comes next."

Andrew: "Alright... I'm back... Oooh man... What's going on, Nicole? I feel like I've been through a whirlwind."

Nicole: "Are you serious right now, Andrew? Can't you see for real? I'm right here, and I need you."

Andrew: "I mean... maybe... I'm still a bit disoriented."

Nicole: "I want you in my pussy right now again... Like... immediately...
I can't wait any longer."

Nicole: "Can your tiny body just go explore my body and go there... I'd love it so much... Feel every inch of me, Andrew."

Andrew: "Well... Here goes nothing then... I'm ready to dive back in and give you what you need."

Andrew: "So all I have to do is explore basically... I can do that. I'll make this journey unforgettable for both of us."
