AGENTS FOR HIRE

Welcome to Random Play! What can I...

Nicole!

Why hello there dear Proxy I'm here becuase of the commission you made

I see so you're not the real Nicole but the infamous chameleon

BINGO! You catch on quick!

I couldn't
believe
my own eyes
when I saw
that the
famous proxy
Phaethon wanted
to commission
me

I'll be honest I didn't believe the rumors at first... But you really can become anyone you want

Thats my speciallity I provide a lot of different services

How about we move somewhere private so I can fulfill that commission you made... Even if it was meant to just confirm the rumors

I can even cut you a great deal! If you give the real Nicole 50% off on all her future commissions... I'll give you 50% off as well

A few moments later in Wise's room

Mhmm...
Mmmm...
Uhmm

OMG!
This is incredible...
I've never felt
this good before...
Your mouth feels
soo good around
my cock

Mhm...
Mhmm...
Mmmm

I can't...
Hold it in...
I'm going to cum inside your mouth!
Hmm...
Mhmm...
Mmm

He really did not hold back at all he came soo much in my mouth

Wait! Did you really just swallow all of that!?

Phew! That was a lot to swallow

I have to admit that it was worth me taking that deal and the pay for sure

But
I have to admit
I'm still very
curious about
how you can perfectly
mimic another
person's complete
appearance and
voice

Hehe~
Who knows
maybe you will
find out one day
my dear
Proxy

That was quite the fun and fruitful visit

A few moments later in an alley

There you are! Right on time

Huh!?
Is that...
It's me!

Tell me!
How did it go
Chameleon! Did
you manage to
get the discount
I asked for!

Woah!
Calm you
tits hot stuff!
I got you 50% off
all of your
future
commissions
from
Phaethon

The Chameleon never fails a commission no matter what!

I knew you could do it! Lets be besties... You can surely give your new best friend Nicole a discount right!

Of course! I'll give you a nice 1% discount! I'll make sure to send you the full invoice later bestie!

You really are just like me wow...

WAIT! Only 1%

Hehe~
Figuring out how to use DNA to create these perfect replica skinsuits has been the best decision ever

A lot of people send me commissions me about wanting to spend some private time with Nicole

but I think I've done enough as Nicole for the day

In the Outer Ring

Phew riding the motorcycle all the way out here as Nicole was quite the ride with her huge tits bouncing around

Time to get this suit off

Being Nicole was a lot of fun!

But it is also very nice to be Burnice again

Now
lets see if
I've recieved
any new and
interesting
commissions

Huh!
Wait that
can't be from...
It seems
legit enough

Looks like I just got my next commission sorted!

2 days later
at Yunkui
Summit

I'm
a bit desperate
to have done
this... But if
the rumors
are true...

Hi there
Yi Xuan shifu!
The Chameleon
is at your
service!

Huh!
You... You look and sound identical to myself

I know I'm super impressive! The rumors you heard were true

I can become a perfect clone of absolutely anyone

It's like I'm looking into a mirror but I can reach out and feel my own reflection

Oh feel free to touch me as much as you like... You would essentially be touching your own body after all

Enough!
I don't have time for your silly games and distractions!

I need to head out immidiately so you are to fill my role here at the temple until I get back

As you wish! The Chameleon never fails their commissions after all

If you do anything weird or get exposed I will make sure you pay the price

Aww
at least have
faith in me
my dear
Shifu~

Well now that the real Yi Xuan has left I guess I'm the acting Shifu

There is no way I'll get exposed as long as I'm wearing this disguise

Out of all the women I've had to disguise myself as in the past... Yi Xuan 100% has the biggest tits

How did her tits get this big?

1 hour later

Soo many people willing to commission a single night with Yi Xuan for insane amounts of Dennies... But I can't leave

Hi
Shifu!
Hope I'm not
interupting
you or anything!
I was in the
area and
wanted to
say hi

Huh
Thats Wise....
So he knows
Yi Xuan

Oh
hi there Wise...
What a
pleasant
surprise

WAIT! He might just be my ticket out of here

Your timing is impecaple my dear student

How would you like to help your dear Shifu with something of utmost secrecy!

Uhh... Sure I do have a decent bit of free time

For some reason I have a bad feeling about this

Surely you don't intend for me to wear this thing... Right Shifu

Very observant! I will have you wear this suit that perfectly mimics my appearance and voice when worn

I have some important and secret erands I need to do... So I trust you to fill in for me Wise

I'm not sure if I should be excited or nervous about filling in for Yi Xuan Shifu

I guess it will be interesting to see things from Shifu's perspective

Just
the face left...
A few pulls and
streches...

A little more and I think it should be perfect

Uhmm....
I think I
did it
right

Alright!
It seems like
it worked...

WOAH!
My voice really does sound like Shifu's voice...
And also...

My body looks exactly like hers!

This is too surreal! I've really become Shifu

I...
I even have her huge breasts! And they feel 100% real

Woah!
These things
jiggle and bounce
like crazy without
any support

Wait!
I have Shifu's body and I'm all alone...
I could do whatever I want with this body

KNOCK
KNOCK

Shifu!
Are you
in there!

Oh no
that sounds
like Ju Fufu!
I need to
do something
quick

Shifu!
It's me Ju Fufu
you promised to
help me practice
my divination
remember

I need to get changed quick

Hurry up and come out already Shifu! The day doesn't wait for anyone

I will be out in a moment seni... Ju Fufu

I need to remember that I'm Shifu now... I shouldn't call anyone senior

Mhpm... What is taking her so long?

Sorry for the wait Ju Fufu! However do kind to remember that patience is the key to learning divination

Come on Wise you can do this!

Just act like Yi Xuan Shifu and do not get distracted by your new female body

Lets begin your lesson Ju Fufu

I know
I need to
work on my
patience!
I'm just soo
excited

Meanwhile at a shipping port

I need to get this investigation done and return beore that Chameleon does something to ruin my reputation

The report mentioned that the workers kept hearing strange noises and that the place is supposedly haunted

There are no signs of miasma or any strange sounds... I do sense something coming from within here

Mhmm...
Mphmm
Huh!
A person!?
What is
going on here!?
Hold on I'll
get you
free

Meanwhile
at a fancy bar

Oh my~
You finally
arrived!
Bold of you
to make a lady
like me
wait

BY TSF AI

Sorry!
The moment I saw that the Chameleon accepted my request I rushed to get ready

It's fine cutie~
I hope you're ready for an unforgettable night with Yi Xuan

To Be Continued?
