Do you understand now?

Whoa! It's really you.. How did this happen!

A woman with short, wavy blonde hair and a white tank top stands in a bookstore aisle. She has a somber expression and her eyes are closed. A speech bubble above her head contains the text "It's a long story..". The aisle is filled with shelves of books, including children's books and Crayons. The floor is tiled, and a trash can is visible in the background.

It's a long story..

A man with blonde hair and blue eyes, wearing an orange polo shirt, is speaking to a woman whose back is to the camera. She is wearing a grey dress with a black strap. They are in a grocery store aisle. A speech bubble is positioned between them.

*Wow, this is awesome! but can you transform back to her..
It's kinda weird seeing your face on her body..*
