A man with short dark hair and a beard is sitting on a grassy area in a forest. He is wearing a black t-shirt, black shorts, and white sneakers. He is looking upwards with a frustrated expression. A white speech bubble with a jagged, starburst-like border is positioned above his head, containing the text "Fuckkkk!". The background consists of dense green trees and foliage, with some rocks visible on the ground. The lighting is natural, suggesting an outdoor setting during the day.

Fuckkkk!

A few minutes later..

*Good! We can see his face clearly  
Now I want you to cut every other part of the video  
except the part when he jerking-off*

No problem!

I hope this will be enough to prevent him from coming near Yuri again

A 3D rendered character with a beard and short black hair, wearing a dark t-shirt, looking surprised and touching a wall. The character is positioned in the center-left of the frame, with their right hand resting on a light-colored wall. The background shows a multi-story building with many windows and a yellow structure in the lower-left corner. A speech bubble is located in the upper right quadrant of the image.

What the hell is that?! She's.. a guy?!
