A futuristic female character with a multi-armed robotic body stands in a high-tech environment. She has a human-like face with short brown hair and blue eyes, and a metallic, silver and white suit. Her body is augmented with several mechanical arms, each ending in a complex, multi-fingered hand with red glowing elements. A glowing purple sphere with white hexagonal patterns floats in the air to her left. The background is a dark, industrial space with blue and purple lighting and various mechanical structures.
