

Dolly
Christmas!

Ho-ho-ho!
I wish you a dolly
Christmas!

...

Oh, darn. Did I
say dolly again? I
wanted to say
jolly...

It's too late for this
house now, Santa.
Let's go to the next
... and maybe you
just stick with the
classics?

Dear Santa, for this year's Christmas I wish for:

- My big sister to stop shouting at me so much*
- A doll*

Oh, for fucks sake... That damn Grinch! Yeah, I had wished for a sex doll for Christmas... but not for one that looked like my god-damn sister!

Maybe I can trade with my friends...

What's that over there, mommy?

I guess that's your brother's present...

*Dear Santa, for this year's Christmas
I wish for a sex doll that looks like
Jenny Reynolds from my class!*

Holy shit,
Jenny?!

Jenny wants
to play.

Jessica had been a naughty girl all year, so this Christmas she would not only not get any presents, she was a present!

A woman with long blonde hair, wearing a red and white Santa hat and a shiny red bikini, is lying on her back on a large green foil balloon. She is positioned in front of a Christmas tree decorated with white lights, red ornaments, and a red garland. Several wrapped gifts in red paper are scattered on the floor around her. The scene is lit with warm, festive lights.

Holy shit, bro!
Look at all the presents. Which one you'd like to unwrap first?

Let me see,
Santa... err...
sex doll.

Ho-ho-ho.
Alright. What did
this one wish for?

Another one?
Damn, these go
out well this
year!

Okay, last house.
Let me guess,
this guy wished
for another sex
doll?

No Santa!
He wished for a
wand that could
turn people into
sex dolls!

Oh... a gift
that keeps on
giving...

A wise
choice!
