Lara Croft

Life as a slave

A woman with her hair in a bun, wearing a black backless dress and black gloves, stands with her back to the camera. She is holding a glass of red wine. She is in a museum gallery with Egyptian artifacts, including a large stone block with hieroglyphs and a wall painting of a pharaoh. Other guests in formal attire are visible in the background.

Very nice party, but
I hope I don't have to
wait too long to see
the artefake!

The red wine tastes very good but where is the assistant who should take me to the artifact.

15 minutes later

A woman with long dark hair, wearing a black strapless dress with a high slit and black gloves, stands in a museum hallway. She is holding a glass of red wine. A man in a black suit and white shirt stands facing her. The background features stone walls and a display case on the left.

Excuse me, Lady Croft,
for waiting so long,
I'm Chase's assistant
to the museum curator

No problem, but
now I would love
to see the artifact!

Of course Lady Croft
please follow me!

Again 15 minutes later!

A woman with long dark hair in a ponytail, wearing a black backless dress, black gloves, and high heels, is walking away from the camera. Next to her is a man in a black suit, also walking away with his hands behind his back. They are in a hallway with white and blue brick walls and a white tiled floor. A blue door is visible on the right.

Okay I understand
and will hurry!

Lady Croft for the security of the
artifact we have two security men
ready until they have seen the
artifact and we can then exhibit
it in the museum next week.

Here is the artifact
Lady Croft!

Then I want
to have a look!

You are right this is not an artifact this is an Impaler Tower especially for you Lady Croft for her secure transport to her new home!

I this a bad joke?

Go over there and take off all your clothes, we want a little show. Now strip!

They won't get away with that. They're all going to jail!

You understand something wrong Lady Croft, my client promised us a lot of money if we would bring you naked to him in the Impaler Tower.

Well, they had their fun, now they give me my clothes back!

Asshole!

Yes, Sir!

Yes, Sir!

Yes Sir we have the bottles set perfectly then stowed right and left next to Lady Croft in the box that is not the first time that we do that. Sir!

Do you have the oxygen and the sleep gas set so that it is enough for the more day trip we do not want that Lady Croft wakes up and makes difficulties.
