The image shows two action figures in a city street setting. On the left, a male figure in a black and gold costume is holding a female figure in a black and gold costume. On the right, another male figure in a black costume with a red visor is holding a female figure in a black costume with a red visor. The background features a brick wall and a metal shutter. The ground is cracked and yellowed.

Get down from
me heroes
burdock!

You shouldn't
underestimate us
just because we
are women!

AAAAAAHHHH!
Heroine -Bitch
that hurts!

How is that,
does that tickle
even big boy?

A woman in a gold and silver metallic suit stands over a man in a black tactical suit lying on the ground. She is looking down at him with a stern expression. The background is a brick wall with a graffiti-covered metal shutter door.

I told you, don't underestimate us!

A woman in a black tactical suit with red eye coverings and a green 'JAHN' logo on her leg is crouching over a man in a black tactical suit lying on the ground. She is looking at him with a determined expression. The background is a brick wall with graffiti.

You go to jail!
You will never treat a woman so disrespectfully again.

You have the right to remain silent. Anything you say can and will be used against you in court. You have the right to call a defense attorney for any questioning. If you can't afford a defense attorney, you will be provided with one

You are going to jail for a long time!

We will see!

But if not, Mistress Venom and Master Scorpion will make some nice fuck dolls out of you two.

Come on let's go!
It's time to bring you
and your friend to
your new home.
" The prison! "

HAA..HAA..HAA..!
I do not think so! ...

What did I tell you!

Yeah, and I'll stick it up her royal ass!

Let our brothers go!
We're not going to hurt you two too much either!

Hey Queen, I have to tell you about this gas the gas paralyzes your vocal cords so you can't call any of your other heroine friends for help at first, but don't worry, after 3 hours the effect will wear off.

That was a nice plan by Master Scorpio with the woman on our side to lure you into the trap.

KCHHH... KCHHH

KCHHH... KCHHH

Take that little
heroine bitch. ...
Hey brother

A 3D rendered scene set in a brick-walled room. A male character in a black tactical suit with red glowing eyes is carrying a female character in a black and yellow superhero costume. The female character has a red rose emblem on her chest and is wearing thigh-high boots. A speech bubble from the male character contains the text: "Hey guys brings the Narcotics ago who knows how long it is still dazed".

Hey guys brings the Narcotics ago who knows how long it is still dazed

Oh god he's too strong
and he's right I can't break
free and I'm slowly
running out of breath.

Little girl playing the
heroine! Give it up you will
soon run out of breath and
then you will pass out it is
only a matter of time.

Hey look, our little heroine is awake again!

Yes, but not for long.

Light out!
My little heroine, you gave
me a good fight but it
was too weak for you.

The image shows two action figures of Master Scorpion from the Mortal Kombat series. They are in a room with brick walls and a cracked stone floor. The figure on the left is carrying the figure on the right. Both are wearing their signature black, scorpion-like armor with glowing red eyes. The figure on the right is also wearing a black cape and high-heeled boots.

Master Scorpion's plan was perfect and these stupid heroines fall for this simple trick.

Yes, you are right, it was a good idea to make a willing victim from the master, but that's it, let's bring these two to Master Scorpion first.
