A PRICE MUST BE PAID.

It was one thing to be late every now and then, but Zack was late at least once every week, and Tessa, his manager, was at her wit's end.

Tessa and Zack worked at a clothing store. It wasn't the fanciest job in the world, but she was proud of always giving her all and setting a good example for her employees. Unfortunately, Zack's tardiness was starting to affect everyone's morale and the overall productivity of the store was going down.

She had to do something, but she wasn't sure exactly what.

The young man was used to getting away with it because of his good looks: his chiseled jaw, big hands, and fit body usually gave him a free pass, and his brown hair and eyes always mesmerised whoever laid eyes upon him.

Tessa wasn't a bad-looking woman herself. Her beautiful face crowned by black, slightly curly hair was something out of a fairy tale. Her delicate facial features hid a strong character that got her to where she was, and the cherry on top was her curvaceous body. She took good care of her feet, using creams and getting pedicures often, but she didn't tell anyone about that.

The woman didn't realize it at first, but she was starting to resent Zack's lack of professionalism. Ultimately, she settled for having a talk with him and hoping that he would snap out of it. She called him into her office after his shift was over.

"Come in," said the woman after she heard the knock on her office's door.

"Thanks. You wanted to see me?" asked Zack while walking into the office.

"Yes. Have a seat, please."

The young man was so casual about everything and even oblivious about his situation that it irked her. She was in a bad mood right off the bat, but she tried her best to not let it show on her face.

"What's up, Tess?"

"It's Tessa, not Tess, and we need to talk about how late you've been arriving lately."

"Yeah, I'm sorry about that, I know I'm late sometimes but I promise that I'll do better."

It was an empty promise. Tessa was looking into his eyes, but she didn't see any commitment and his words sounded empty. She was sure that he wouldn't deliver on that, and it wouldn't surprise her if he started trying his luck even more if he wasn't appropriately punished.

"An empty apology won't do it."

Zack feared that she wouldn't buy it, and she didn't. The thing was that the young man really needed the job, and even though he got complacent and a bit lazy, he couldn't afford to lose it.

"I'm sorry that it had to come to this, but I think I'll have to let you go," continued Tessa.

Zack's face contorted a little as the panic took over right after those words escaped her lips. He knew that he slipped up, but he was expecting to get away with it or to get a slap on the wrist, not this.

“No, wait,” he said, still shaking from the panic. “Wait, please. Don’t fire me. I promise that I’ll do better.”

“I’ve heard that story a million times from a million different people, but the ending is always the same,” she replied. “You’ll work hard for a few days, maybe a couple of weeks, and then you’ll start doing the same thing all over again.”

“I’m serious, I promise I’ll be the perfect employee. I’ll do anything you say.”

Those last words got Tessa thinking. There was something that she wanted to try with him since he was an attractive man, but she didn’t know how to bring it up. Thankfully, he had just offered to do anything she wanted him to do.

“Well, maybe there’s something...”

“Yes, I’ll do it,” he interrupted her.

Tessa smiled because he already agreed without even hearing the offer, which meant that he was truly desperate to keep his job. Maybe he had debts or something like that, but it didn’t matter. Whatever it was, he was about to become her property. The young man caught a glimpse of that smile and it made him think that she was going to give him a second chance. She was, but for a price.

“Very well,” said Tessa. “If you’re so adamant in keeping your job, and I’ll give you the opportunity to keep it.”

“Thank you, really,” he said.

“However,” she continued, “this second and last chance will come at a price, and if I’m not satisfied with your... performance, you’ll be out on the streets looking for another job.”

“Got it. Don’t worry, I’m sure I’ll do a great job and keep you happy.”

“We’ll see.”

Zack looked at her expectantly, but she didn’t say what his task would be.

“What do you need me to do?”

“It’s quite simple, really. You’ll become my slave.”

Her words caught him by surprise, and he wasn’t sure if she was kidding or not.

“Your... slave?”

“Yes, you’ll be my foot slave starting from today, and you’ll be able to keep your job if I’m satisfied with how you do it.”

No, she wasn’t kidding, and he could see it in her body language and hear it in her voice. To be fair, she had given him plenty of opportunities to get his act together, but she was tired of his antics.

“I...”

Zack was at a loss for words, which only made Tessa smile wider. The cocky man was reduced to a mumbling mess.

“Come here and prove to me that you’re worthy of this second chance,” she said while taking off her shoes.

He never expected her feet to be so cute and attractive. She knew that she took good care of them, and was happy to show them off to her newly acquired slave.

The young man stood up and walked up to her, and she pointed at the floor in front of her with her index finger, signaling him that he had to kneel.

“Give me a nice foot massage, right now” she demanded.

“Okay.”

He took her right foot in his hands. Her skin was smooth and her nails were painted with a bright red. You wouldn’t be able to tell that the foot belonged to a clothing store manager at all.

Zack got to work. He didn’t have any lotion at hand, but her feet were slightly sweaty, which helped him rub them without it being

uncomfortable for her. He started off with a general massage, just covering the whole foot and ankle, gently pressing with his palms and fingers on her arch, sole, and sides. The young man had the special ability that his motions didn't tickle her, which she appreciated silently.

After the initial massage, the young man focused on rubbing specific areas, alternating them so she could rest between each one. He paid special attention to the underside, giving her slow strokes that went from her arch to her toes. She was honestly impressed because she never expected such a carefree (and admittedly, handsome) man to give such amazing massages.

He recognized the situation he was in, and that's why he was trying his hardest. He also thought to himself that her feet were gorgeous, and he was secretly glad that she decided to make him her slave. It was a treat to touch such beautiful feet with the skin of a goddess.

"You're not too shabby," she said.

"Thanks. I knew that I'd leave you with a smile on your face."

The young man stood up with a cocky smile of his own, but she couldn't help but let out a quick laugh. He was right; she was feeling good and relaxed. She wanted him to do more, much more, but there was no reason to rush things since he now belonged to her and she could use him whenever she wanted.

"That would be all for today," she said.

"Okay. May I go then?"

"Yes, you may. Don't forget that you belong to me now and that I may call for you whenever I feel like it."

"Yes, master."

And with that, he turned around and left her office. Both the man and the woman were content that day: he managed to keep his job and she found a

new playtoy to pass the time. She put her shoes back on thinking about how good he was at it, and she closed her eyes to visualise his big hands working on her feet once again. A wet spot appeared on her panties as she kept thinking about him.

The days passed, and work continued normally. Zack actually arrived early to his shifts, and Tessa was happy about it. She didn't call him to her office for the rest of the week, but it was only because she wanted to let the desire build up a little more before indulging in it.

Zack behaved like a model employee, which brought up the morale of the whole team. Tessa, proud of her decision, decided that it was time to indulge again. She arranged their schedule in a way that she would be alone with her slave one afternoon.

Tessa chose a Thursday because those were the slowest days of the week. Zack wasn't dumb, so he realized what was happening as soon as he noticed that they were the only ones left at the store, with a few hours of his shift still to go. Tessa acted oblivious at first, working in her office, but she walked up to the sale's floor after a while where Zack was folding some clothes.

He continued working, but he felt her eyes on him.

"I have to congratulate you," she said.

"Yeah? Why is that?"

"I was checking our metrics and you've been working harder lately, selling more, and you've had no customer complaints since our last chat."

Zack left a piece of clothing after he folded it and turned to look at her.

"You motivated me last time we... talked," he said.

"Mhm. That's good, and I'm proud of you, but I think it's time to fulfill your other duties."

“What do you want me to do today, master?”

Master. That didn't sound bad at all, but Tessa didn't show on her face how much she liked hearing it, especially coming from such a gorgeous man. A gorgeous man that was hers to control and order him around as she liked.

“Drop to the floor and lick my feet clean, after you do the same to my heels.”

The young man instinctively looked towards the store's entrance. A customer could walk into the store at any given time, but Tessa had positioned herself in such a way that some displays and furniture in the store would partially block the view and cover them. Regardless of their location, he knew that he had to obey her.

Tessa noticed his hesitation and it upset her a little.

“What are you waiting for? You don't want me to issue the same order twice, so you better do as I say already.”

A chill went down his spine. He was distracted thinking about the possibilities and analyzing the variables, which made him forget for a moment that the woman was in complete control. He promptly dropped to his knees and hands and stuck out his tongue to clean her black heels. The woman smiled; she liked how the power felt.

It was the first time that a man was on the floor licking her shoes. It was a spur-of-the-moment thing, as she was thinking about having her feet licked clean, but she blurted out the part about her shoes when it came to mind. Some extra humiliation would serve to remind her slave what his place was.

“Am I doing a good job, master?”

His voice came out softer and slightly higher pitched. He was remorseful about not following her orders the second she issued them, so he wanted to act meek for her. It worked because it lightened her mood.

“Keep going. Don't talk unless I tell you that you can.”

Her words weren't harsh, and she was smiling while she said them. He wasn't looking at her face, but he could notice the smile in her voice. The young man continued working until her black heels were spotless, and it wasn't until that happened that he took them off to treat her feet.

The smell of her slightly sweaty and swollen feet entered his nostrils because of how close he was to them this time. He didn't get her scent when he gave her the massage in her office last time, but he sure did now. It wasn't unpleasant, and it was a testament to how well she took care of them. It was faint, but he could detect some lotion mixed with her smell.

He gently placed his tongue on her big toe and slowly dragged it on her foot, towards her ankle. His tongue was warm and wet, and it made her heart race a little. She was so distracted by the power and control of the situation that she forgot how good it felt to have her feet worshipped like that. He was an expert, and her only regret was not making him her slave sooner.

She was brought back to reality by the young man as he took her foot in his big, strong hands to work it better. Once he licked the entirety of it, he focused on her toes. After gently working them with his tongue, one by one, he licked the space between them. She was impressed because he didn't forget any spots. Her foot was covered by a thin coat of saliva that glistened under the store's lights.

He was about to get started with the second foot when the entrance door opened. A customer walked in, which was exactly what he feared. Someone was about to see him on the floor, worshipping his manager's feet. However, Tessa was already prepared for such an occurrence, and she was even happy that a customer walked in because it sent a rush of adrenaline through her veins.

Tessa threw a piece of clothing to the floor next to Zack, and he understood what her plan was. He quickly grabbed it and stood up, hitting it with his open palm to dust it off.

What the customer saw was a store clerk picking up something that must have fallen, and cleaning it off to put it back to its place. While that happened, Tessa, put her feet back in he heels and greeted the customer.

“Hello, ma’am. How can we help you today?”

“Hi, I’m looking for something for my daughter.”

“I’ll be happy to help you find the perfect gift,” said Zack, as he nodded towards Tessa.

“That would be wonderful, thank you.”

The manager headed to her office with a smile on her face and a subtle blush on her cheeks. She wasn’t even upset that her little adventure got interrupted by a customer. Zack was a bright man, and he quickly understood what she wanted him to do. On top of that, he got into his “customer service mode” right away despite being sucking her toes one second before.

It was almost time to close the store when the lady left. Zack helped her find the perfect gift, of course, and he headed to his master’s office after he was done, just in case that she wanted him to continue where they left off.

“Did you close the front door?” she asked.

“Yes, I did.”

Good. They both knew that it was time to finish it off.

Zack walked up to her and Tessa was happy to realize that he didn’t need any new orders issued. He promptly took her black heels off and put them to the side. As the young man continued licking her other foot, she noticed that there was a bulge in his pants. There was no mistake: touching and licking her feet made his cock hard. His caressing and warm breath on her skin got her wet too, and she decided that she would give him a treat at the end.

Tessa felt like she was floating on a cloud up in the sky. Everything else faded as her slave lovingly worshipped her feet as she deserved.

Meanwhile, Zack was also enjoying himself. He never expected to be turned on by her feet, but there he was, hard as could be. He finished licking her feet and he sat on the floor, awaiting further instructions. His cock was hard and eager in his pants, and his jaw was sore from all the work he just did.

“Open that drawer,” Tessa said while pointing at her desk.

He did, and he found a small bottle of red nail polish.

“Paint my toes again, I want the color to be vibrant and alive.”

He nodded and took the bottle. He had painted toes once or twice in his life, but that should suffice to do a decent enough job.

The look of seriousness on his face as he worked amused his manager, who leaned back in her chair and just enjoyed the pampering. One by one, her beautiful toes were painted with a fresh coat of red, giving them back their life and color. She was so pleased with his job that she decided to carry one with that treat that she wanted to give him.

“You did well today, and I see that you enjoyed yourself as well,” she said while raising her eyebrows at his hard cock.

“Thank you.”

“I’m so impressed that I’m going to reward you. Unzip your pants.”

He was surprised but happy to hear that request. He quickly unzipped his pants, and his hard cock sprung free. It was hard and slightly curved upwards, with its veins popping out so much that it looked like it was about to burst. She thought that it must have been difficult for him to be like that, with a hard cock and nothing to relieve himself with.

“Come closer,” she said.

Once he did, his cock was within the reach of her feet. She gently placed one of them on the tip of his cock, almost getting a moan out of him. She slowly rubbed both feet against his cock, making his breathing go faster with every movement. It wasn’t long before a bit of precum left the tip, and

she gladly spread it on his shaft to aid with the movements. That smooth, amazing skin that she had worked wonders on his cock, and it actually took all of his strength to not cum immediately.

His master was rewarding him, and he wanted this to last forever.

Unfortunately for him, she was also an expert and knew how and where to touch him. The pleasure proved to be too much when the orgasm built up to the point where he couldn't control himself anymore. With a low moan and a grunt, his cock shot her feet with his warm cum, covering them completely. He emptied himself on her, unable to resist more of her caresses.

Panting, the young man almost fell to his back as the powerful orgasm left him light-headed. She smirked when she saw his reaction, as this handsome and cocky man was reduced to a twitching mess because of her feet. She wiggled her freshly painted toes while the semen dripped from them.

"I can tell that you liked that," she said with a mischievous smile.

Zack was so overwhelmed that he couldn't say anything back. He nodded because he didn't want her to think that he was ignoring her.

"Clean me up with your shirt."

The young man did as he was told, and soon enough her feet were clean again. He never imagined that things would end up like this when she made him her slave but turns out that this was all he ever wanted. That day, Zack was the happiest man in the world.

For my fellow sexual deviants.. Keep having fun ;)
