Am I Too Heavy For You?
5

Imane: HOoly fuck... I'm about to grow again... mmmh... holy fuck... I can feel my body swelling, every muscle stretching.

Me: Mmmpphh... Your pussy is clenching around me, pulling me deeper. It's so tight and wet.

Imane: Holy fuck, you feel so good inside me... mmh... Your tiny body is hitting all the right spots. I can feel every inch.

Imane: Holy fuck... you are so close to me, ooh fuck... I can feel your heartbeat against my skin. It's driving me wild.

Imane: Mmmh... Oh my gosh.. aahh fuck... Honey... The pleasure is overwhelming. I need more of you.

Me: Mmpph.. fuck... It's so hot and tight in here... Your pussy is like a furnace, burning me alive. I can't take it much longer.

Me: Fuck... How long am I still in her... mmmhpph... The sensation of being trapped inside her massive, wet pussy is intense. I can feel every pulse and contraction, driving me closer to the edge.

Imane: Ooh fuck... Mmphh... I'm growing again... I can feel my body expanding, becoming even more massive. The power surging through me is incredible.

Imane: Your tiny body is so helpless under me... I love feeling you squirm and struggle. It makes me even wetter.
Me: Mmmph... Your weight is crushing me, but the pleasure is insane. I can feel every inch of your massive form pressing down on me.

Imane: Mmmh... Look at you, so tiny and pathetic... You're completely at my mercy now. I can do whatever I want with you.

Me: Aah... Imane... Your dominance is overwhelming. I'm completely yours to command.

Imane: Let's see how much more you can take... I want to push you to your limits. Feel every inch of my massive body.

Imane: Good... Because I'm not done with you yet.
I want to feel you writhing and begging for more.
Your tiny body is mine to play with.

Imane: ooh fuck... Ooh fuck... Aaaaah... Oooh... I'm getting so big, it's like my body is on fire with pleasure. Every inch of me is stretching and growing.

Imane: Ooh my gosh... ooh... this right now felt so good... Your tiny body inside me is like a little toy, and I'm loving every second of it.

Me: Mmpppph... I'm drowning in your wetness. It's so intense, I can barely think straight.

Me: Hooly fuck... I need to get out ASAP. I feel like I'm being squeezed to death. It's both terrifying and insanely hot.

Me: Wooah... fuck... Man.. Fresh air... holy... Getting out of there was like being reborn.
I can finally breathe again.

Me: Damn... It was like a sauna in there... in a good way... The heat and tightness were overwhelming, but it felt amazing.

Me: But fresh air for a change is nice... ooh man... Breathing normally again feels so good after being trapped in your massive pussy.

Imane: Mmh... Honey, is everything okay? Let me take a look at you... I want to make sure you're alright after that intense session.

Imane: Come here... Walk into my hand... I want to get a closer look at you, little one. Let me see how tiny and helpless you really are.

Me: Yeah, wait... Ooh... just a sec... I'm still trying to catch my breath.

Me: Fuck, this was tiring... ooh fuck... Every movement feels like a struggle, but it's worth it to be close to you.

Me: Let me take a breather for a second... I need to catch my breath after that intense experience.

Me: Ooh man... fuck... Here we go then... she is waiting... I can feel her anticipation, and it's both exciting and nerve-wracking.

Imane: Alright, honey... where are you...? I want to see you, to feel you in my hand. Don't keep me waiting.

Me: Okay. I'm here... you can grab me... I'm ready for whatever you have in store for me.

Imane: Perfect... I can see you now. You look so tiny and adorable. Let's see how you fit in my hand.

Me: Ooh wow... I fit so much easier into your hand now. I imagine... It's like I was made to ‘be here, completely at your mercy.

Me: And your huge behind... it's so fucking big... man... The sight of it is overwhelming.
I can't believe how massive you've become.

Me: Ooh my... Now looking at you... The sheer size difference is mind-blowing. You're like a towering giantess compared to me.

Me: Size difference between us is pretty huge already... I can barely see the top of your head from down here. It's insane.

Imane: Mmmhmm... Yes, it is, honey... You look so cute from up here. Like a tiny little plaything. Haha...

Imane: Ooh.. my. Let me stretch a little... I'll put you on the roof here... I want to feel you up high, where I can see you better.

Me: Mmhmm... Okay... I'm ready for whatever you have planned. Your touch is electric.

Imane: Ooh fuck... MMh... This feels great right now...

Imane: Ooh my... I feel so big and powerful... ooh fuck... The sensation of growing and dominating is intoxicating. I can feel the strength coursing through my veins.

Imane: Wow... You really are tiny... Like... really small next to me... It's amazing how tiny you look from up here. I love seeing you so small and helpless.

Imane: And it all happened quite fast as well... just a couple of hours... The transformation was swift and intense. I can barely believe how massive I've become.

Me: Oh indeed... I didn't know you had it in you... this is really fun indeed...

Me: You are definitely a giantess sized to me now... like really big... Your massive form is overwhelming.

Imane: Mmmh... Maybe not as if you were your normal size, but definitely...
You're tiny enough to be my little toy now. It's perfect!

Imane: This is definitely great... Don't you think, honey...? You look so cute and helpless. I love it!

Me: Definitely very adventurous... This is wild and exciting. I never thought I'd be in this situation.

Imane: Ooeh... It's getting quite hot outside... Hmm... The sun is beating down, and I'm feeling the heat. Let's cool off.

Imane: That pool right there does look very inviting right now... The water looks refreshing, and I want to dive in.

Imane: What do you think, honey... shall we go into the pool...? It'll be fun to splash around with you in my hands.

Me: Hmm... Might be a good idea indeed... The water will feel great, and I can't wait to see what you have in store for me.

Imane: Let's make it interesting then... A little competition never hurt anyone.

Imane: Whoever gets in there first... wins... and might get a prize from someone else...
How about that for motivation?

Imane: And I'm quite... close to it already, honey... hehe... Will you let me win...? Or are you going to try and beat me to it?

Me: This right now seems so unfair... You're already so much closer. It's like racing a mountain.

Me: I've got distractions all over... massive butts... and all... It's hard to focus when you're so damn tempting.

Me: It's not over yet... I will make it... I'm not giving up that easily.

Me: Fuck... It's not even that big of a distance... It's tiring, but I can push through.
I won't let you win so easily.

Me: I will win you, Imane... I've got a perfect path for it... I just need to focus and keep moving.

Imane: Ooh my... someone is sprinting for their life, haha... You look so cute trying to outrun me.

Imane: There is a dead end there, honey... You can't even do anything... You're trapped!

Me: There is a dead end you say? Shit, I didn't see that coming.

Me: You think I'm scared of heights, Imane... haha... You're wrong. I might be tiny, but I'm not afraid of a little jump. I'll show you what I'm made of.

Me: I will dive... if I need to... and I will... There's no way I'm losing this race to you. I'll take any risk to beat you.
Imane: Oh my... Is he really about to...? This is crazy. I can't believe he's actually going to jump from up there.

Me: Fuck... It's so high... It feels like I'm up here forever... The ground looks so far away, and the wind is rushing past me. But I can do this.

Me: Mmphh... I made it... I won... The splash was worth it. The water feels amazing, and I can't believe I actually did it.

Me: haha... you might be bigger than me... but I still got it... I proved it. Size doesn't always matter when you've got guts and determination.

Imane: Oh so now you had to embarrass me like that, huh, honey... how rude of you... I can't believe you pulled that off.

Me: What do you mean rude, haha... You just got beat by a tiny guy like me.
How does that feel?

Me: Haha, how does it feel... and when will you make it in here... I'm waiting for you...
Come on, giantess, don't be a sore loser.

Imane: Oh so you think you are funny now... You're pushing your luck, little one.

Imane: Let's be honest... I just let you win really... I could've won if I wanted to. I was just having some fun.

Me: Haha... Why didn't you do it then, huh... Excuses, excuses... You're just trying to save face now.

Imane: Okay, whatever... I'll just get in here... mmmh... The water looks inviting, and I need to cool off after that race.

Imane: Mmmh... How relaxing it is in here... ooh fuck... The water feels amazing on my skin. I could get used to this.

Imane: I guess I owe you something now, honey... Since you won fair and square, I should reward you.

Imane: What would you like from me, honey... huh...? Name your prize, and I'll make it happen.

Me: Hmm... haven't thought so far yet, but... Let me swim closer... I want to see your face when I tell you.

Me: Hmm... Let's just make it simple... I want to... do something that will really satisfy me.

Me: I want to suck your gigantic nipple, Imane... Just stand still and let me have my way with it.

Imane: That's all you need? Really? Okay... That's your choice... I'll give you what you want.

Me: It is indeed a simple request, but... why not? It's something I've always wanted to try.

Me: Whenever I could do it again... and wrestle with a giant nipple... it would be an unforgettable experience.

Me: Gosh, it does look inviting, I must say... Your nipple is massive and enticing. I can't believe I'm actually going to do this.

Me: Looks so biteable... drinkable... I can already imagine how it would feel in my mouth. It's like a giant, juicy treat just waiting for me.

Imane: It is all yours, honey. Just go at it... I'm all yours to explore. Suck, lick, and nibble to your heart's content. I want to feel your tiny mouth all over me.

Me: Mmmh... Ooh... The sensation is incredible. It's so soft and warm, and it fills my entire mouth. I can feel every pulse and movement, driving me wild with desire.

Me: It's quite a workout to get up here, mmh... and hold on... But the effort is worth it. The thrill of being so close to you, and the taste of your skin, is unbelievable. I can feel my cock getting harder with every suck and lick.

Imane: Oooh... It's making me so wet down there, ooh... Watching you struggle and suck on my nipple is driving me crazy. I can feel the heat building between my legs.
Me: Imane, please help me a bit... so I could... keep going. I want to make you feel even better.

Imane: Ooh my gosh... Fuck... I can't control myself... Mmmh... The sensation is too intense. I need more.

Me: Imane, what are you... No... Are you going to... squirt all over me? The thought of it is both terrifying and incredibly hot.

Imane: You struggling makes me so horny... fuck... Am I growing again...? I can feel my body expanding, and it's making me even more aroused.

Imane: Ooh... Look at you, so tiny and helpless... I love seeing you squirm and struggle under my nipple. It's such a turn-on.

Me: Mmmh... Your nipple is so massive, it's overwhelming. But I love every second of it. The taste and texture are driving me wild.

Imane: Mmmh... I think I am growing... I can feel my body stretching and expanding.
It's an incredible sensation. You're going to feel even smaller now.

Imane: Yes, honey... I'm growing. And you're going to experience every inch of it. Feel my power and my dominance. You're completely at my mercy now.

Me: Mmmh... I can feel it... Your nipple is stretching, and it's so intense. I'm drowning‘ in your massive form, and it feels amazing.

Imane: That's it, honey... Suck harder. Make me feel even more pleasure. I want to feel your tiny mouth working desperately on my giant nipple. It's so hot.

Me: Mmmh... I'm trying my best... Your nipple is so big, but I want to please you. The taste and sensation are overwhelming, but I love every moment of it.

Me: Fuck... Imane... You grew so much again... Mmophh... Your nipple is now a massive, towering peak. I can barely keep my mouth around it.

Me: I can't hold on any longer... mmphh... ooh shit... My arms are shaking, and I'm losing my grip. The struggle is too intense.

Me: Fuck... I'm falling again... noo... Where... Aaah... The world is spinning, and I'm plummeting down. I can't believe this is happening.

Me: Ooh no... Where am I headed... ooh... It's getting dark... The light is fading, and I'm falling into the unknown. This is terrifying and exhilarating at the same time.

Me: OOoh no... not again... is this happening again?!?! I can't believe I'm falling into your massive pussy. This is insane.

Imane: Ooh yess... perfect... honey... I like this choice of yours... round 2... You're right where I want you. Now let's see how you handle being trapped near my massive, wet pussy.

Me: AAAAAHHH!?!?! The heat and scent are overwhelming. I can feel your soft, warm flesh all around, and it's both terrifying and incredibly arousing.

To Be
