A woman with short, wavy brown hair and purple eyes is wearing a black latex suit with a high collar and long gloves. She is looking slightly to the right with a smug expression. A speech bubble is positioned to her right, containing text. The background is dark with a teal light source on the left and some bokeh lights on the right.

AHH, SEE?  
THERE WE GO, JUST  
AS I TOLD YOU.  
ALL DONE!

A woman with dark hair, seen from the side, is wearing a black dress with a prominent white zipper down the front. She is holding a shiny, black, futuristic helmet with a white visor. The background is a dark, out-of-focus space with some blue and purple light streaks.
