

AMAZONA

I'm Stu, and I'm a 45 year old guy. I'm quite short, and ironically, I love very tall, strong women (see my wallpaper?). I often search for them on the web, mostly looking at pictures or videos of them. One night, to my surprise, I was able to start a chat with one of them on Facebook...

Her nick was Amazona, and though there were apparently no pictures on her Facebook profile, she told me she was very tall, quite a lot heavier than me, muscular and dominant...

The web is full of fakers so at first I wasn't really thinking she was real, but after chatting a bit, I started to become more and more convinced. In any case, fake or not, she managed to turn me on masterfully, appearing to read my mind...

Since I am so big and strong, and you are so small, you are now obeying everything I say, right, little one? Say "yes, mistress".

Oooh... yes, Mistress...

To prove that you are serious, take out your credit card and transfer 50 dollars to me through paypal. Right now, don't make me wait.

I get a kick out of obeying strong women, even though I don't always want to, like now. It's horrible to give away your money to someone unknown, just because she says so, but it's very exciting at the same time. So I did, and this is how I started to become her slave.

Ok, I received the transaction, good boy. You pleased your mistress. You belong to her now.

Yes, Mistress, I do.

We chatted a bit longer, and also the next day and the next, and I was hooked. At one point, I said I did not know if I would be online much the next week because I had to make a business trip to London. She said she'd join me in my hotel if I paid her trip...

You understand I had still no way of knowing - she had refused to show herself - so it was quite a risk to invest the 1000 \$ for her flight but...

... she made sure I was unable to resist... And I paid...

Obviously, on the day Amazona arrived at my hotel, I was very excited... And also a bit nervous. Finally, there was a call from reception. She came up, I opened the door and...

H-hi... W-welcome to London... H-how was your trip?

Hi little one! You are even smaller than I expected, wow!

I mean look at you. I think we're gonna have a lot of fun together. I just have to be careful that I won't break you. You look very fragile...

Not that that will hold me back, of course. Now how about I give you a little arrival present? You said you like being lifted, huh?

Yes, I like that v-very much...

Good, because I like to show of my strength and lift little boys like you...

For instance like this, with
one arm... You like, little
boy?

Oooh yessss...

Hey hey, you're not gonna cum
in your pants are you? That
would be a bit premature...

Cause I have no problem holding you up like this all day, you know...

How much do you weigh again? 50?

Eh, closer to 60 kg.

Haha, feels lighter than that...

You know we could go out tonight and dance like this, what do you think?

Eh... you're hurting my arm...

I know, that's the idea...
Just to show you that you
are under my control now...

And to warn you that from now on you do **exactly** what I ask, always. Clear?

Eh, yes... please...

Good boy. Then I'll drop you, watch out...

There. Now take off all your clothes, except your underpants. Say "yes mistress".

Yes, Mistress...

Good. Now stay facedown
till I say so.
Boy, you are one little
bastard.

A woman with blonde hair, wearing a light blue spaghetti-strap crop top and a black and white plaid mini skirt, stands in a doorway. She is looking down at a person whose head and shoulders are visible in the foreground. The person is on the floor, and the woman's right hand is resting on the door handle. A speech bubble is positioned to the right of the woman.

You can look up now. Stay on your knees.

Oh my god, you look... amazing!

SHUT UP! You don't speak unless spoken to!

Now take down my skirt.

There. Do you like abs like these, boy?

Yes I do, Mistress...

Feel them! Feel how rock-solid they are. Trace the contours with your little fingers, yes...

Now, I hope you're ready for the first real lesson. Let me just get a little bit closer...

And gotcha baby!

Hope you can still hear me, but THIS is the place where you belong. Between my well trained, strong thighs. You belong to me 100% for the time I am with you.

You are a tiny little worm
and you say, do or
decide **NOTHING**
without my approval. IS
THAT CLEAR?

Mmmmm

I'm gonna take that as a yes.
Now let's see if how much
you're enjoying this. Hmm,
pretty well I'd say...
Ok, I'll release you now, and
you'll take off my shoes. Then
we'll have some real fun.

That's a good boy. Now, let me show you how a powerful woman can play with a midget like you...

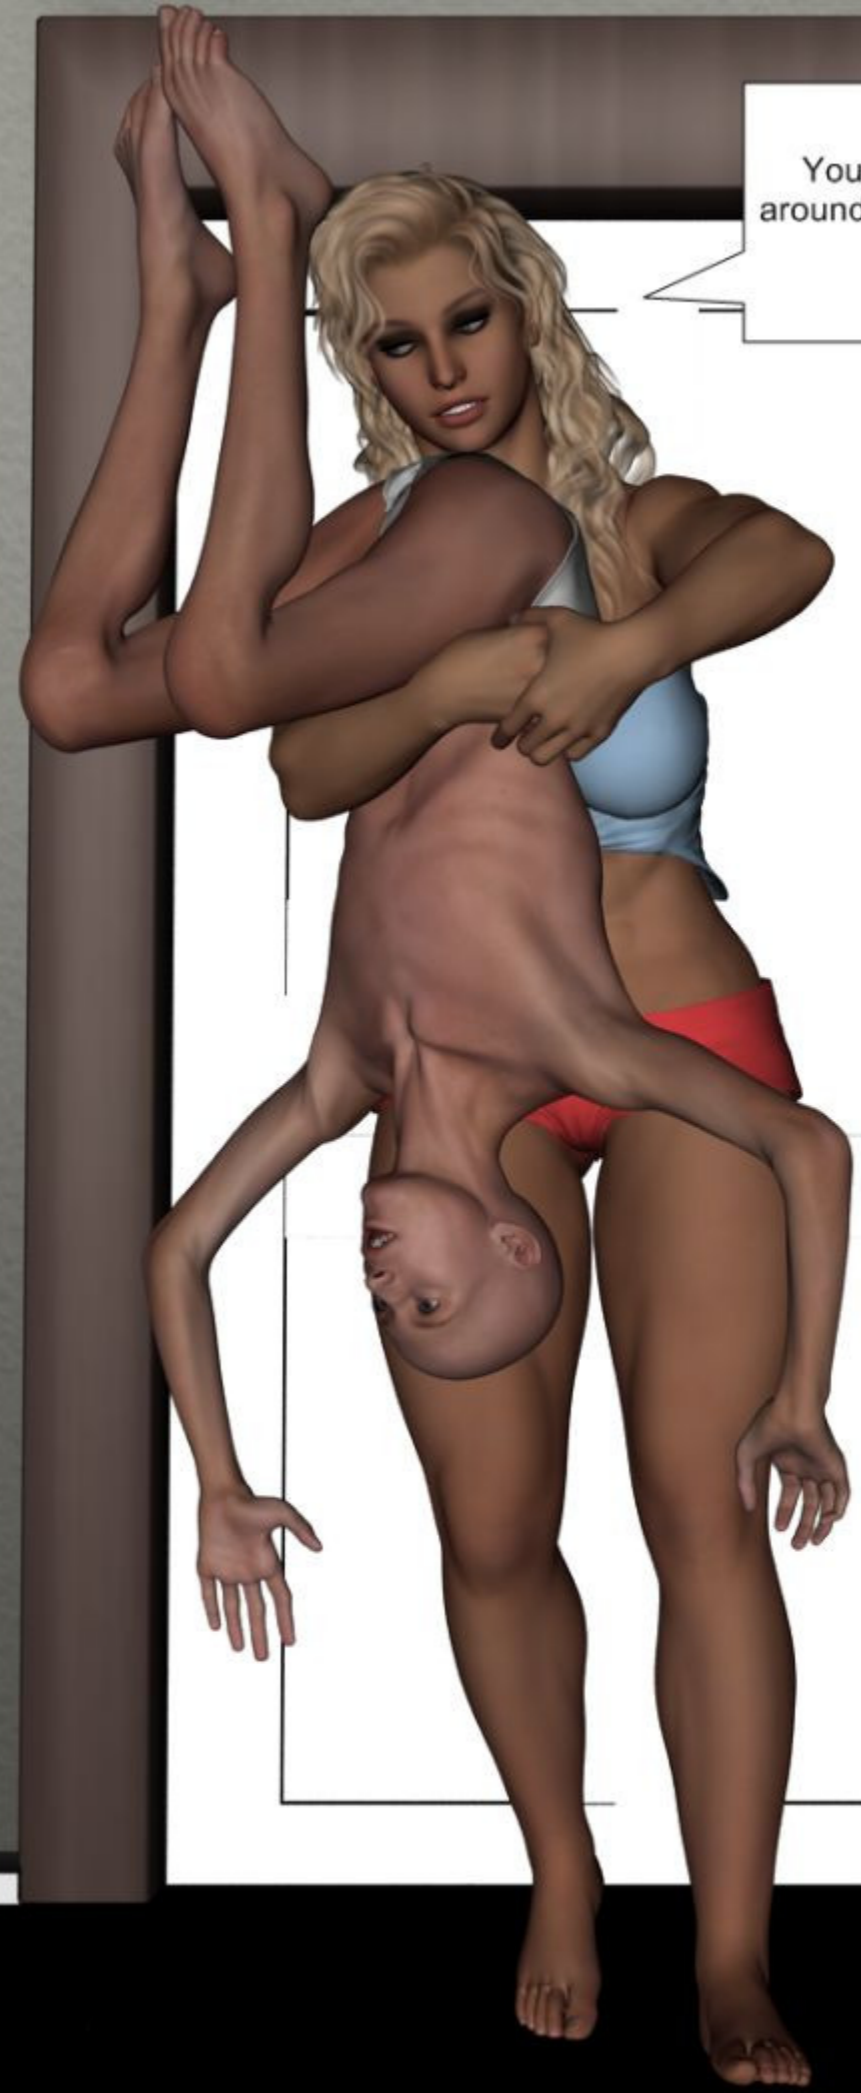

I just lock my hands under your tiny belly...

... and up you go...

Your mistress can just throw you around the room like a rag doll. A very little ragdoll...

Then she pulls you up...

... and with a little help from one of her powerful legs...

... gets you in a light cradle-squeeze...

She carries you over to the bed...

... and releases the ragdoll...

Now you're gonna get me a little pleasure, tiny one. Let me just tie my hair together...

Let me show you some more, huh...

Let's take off these shorts, so you can get to work...

And there we are. Boy, your body sure looks measly, from close by. Quite a contrast between us, huh?

Oh I love how there's no way for you to go now. I outweigh you by quite a lot, I'm faster than you, I'm stronger than you. You're trapped like a little, worthless rat...

That's where all the gym work pays of most: I get to do with men what I want... Even with not submissive ones...

A close-up, high-resolution digital rendering of a woman's face. She has fair skin, bright blue eyes with long, dark, thick eyelashes, and full, pinkish-red lips. Her blonde hair is styled in a short, wavy bob. The background is a plain, light gray. A white speech bubble with a black border is positioned on the left side of the image, containing text.

Your little arms are stuck baby, but I bet you'd like to touch me, wouldn't you?

Would you like to touch these firm breasts?

Or maybe these even further biceps?
But you can't, can you? You will only
be able to when I say you can. Maybe
tomorrow...

Now start working baby. As hard
and as deep as you can! NOW!

Faster baby, faster! Yes, yes,
that's it, Go! Faster!

Keep going! Keep going, you
little shit! You fucking midget!
Keep going!

Yes, yes yes YES Oooh Yes...

Little... fucking... Worm... Yes
yes ooh

AAAAAAAAAAAAAHHH

Oh. my. god. That was... a good job, little one! Phew!

Ok, gonna take a shower and get into some fresh clothes...

What? I don't get anything?

Oooh, poor boy, did you want something too?

Do you want me to play with your little man here?

Oh yes, please...

I thought so, but that's not gonna happen, unfortunately...

Oh my god, why not?

Is "because I say so" not enough
reason for you?

Of course, mistress....

Good. And don't speak out of turn anymore, or I'm really gonna have to hurt you, ok?

Yes, Mistress, I'm sorry.

Good, now I'll shower. Don't touch yourself. Ever, without my permission.

Ok, have you been a good boy?

Yes I have...
Mistress...

You're *my* boy now, aren't you?

Yes, mistress

Tell me why that is. Why you are mine...

Because you're bigger, taller, stronger, more muscular...

IT DIDN
[Logo]

Very good. Now, what happens when you don't obey?

Eh... you punish me?

Yes... I hurt you. Without thinking about it even... It's so easy...

Are you committed to obeying and serving your mistress?

Yes, Mistress!

Ok, let's put your commitment to the test then...

Get dressed. We're going shopping with your credit card.

Yes, mistress...

I'm sure... It's a very expensive one...

Did you think serving an amazon is cheap? And don't speak out of turn, ok?

Yes mistress

What do you think of this shirt,
little one?

EXIT

EXIT

Ah it's nice... but it's... 300 £ ??

Little man, let me explain something...

I'm a big, strong girl. What are you again?

Eh... a small, weak man?

Now big girls take what they want from small guys. Is that clear?

Yes... Mistress...

Your money is not your concern.
Your only worry is to please your
mistress. You don't want to find out
what happens if you don't...

Now let's try the shirt...

Eh, there's fitting rooms here...
You want...

For the last time: don't speak out of turn! I'm not saying it again.

EXIT

SEEN NOT
OR
DON'T HAVE
[Hand gesture]

Fitting rooms, hah. Do you think I should not show off this body?

You're right mistress... you should show it off...

What do you think, little boy?

It's... very beautiful, mistress...

Maybe just button it up, so I can better...

Oh god, you're irritating the hell out of me now!

You're so fucking concerned about your surroundings... I think I should teach you a lesson...

P-plea...

Open my shirt. Now!

You're such a pathetic little worm,
look at you, you barely reach up to
my tits...

That's it boy. See any reason to hide these babies?

No mistress...

Now suck!

Quick, or I break your hand!

Aaargh

That's it, little one. Now feel my abs!

yes, feel how hard my abs are...
All muscle. Equipped to dominate!

Aaah, domination, little boy... you should feel how it feels, some time...

But ok, we can continue our games later... Let's see what else I want...

How does my butt look in this?

Ah... it looks great...

Hey, I'm just suddenly curious if you could ever take me from behind. Clome closer...

Eh...

Just what I thought, not tall enough... by a long shot...

I'd have to come down, I guess, like this...

You like the view, little boy? Big solid ass,
big back... In fact...

Why don't you climb on my back. Let's walk around like that a little bit...

Oh please... I can't...

Ok little boy, did you think I was kidding when I said your only concern should be to please me?

No, mistress...

Yet you are thinking of other things again. I hope you understand the need for some punishment here...
Do you?

Eh... Yes... mistress...

Put these clothes on

You can use the fitting cabins. But come back with only these clothes, nothing else. If you don't do exactly what I say, I swear I will do right here what I did to you our hotel room. Clear?

Yes, Mistress

Three minutes later...

EXIT

I'm here, Mistress...

Yes, I know, I'm thinking...

Can you check for me if they have these red ones in larger sizes?

Yes, Mistress...

No, I'm afraid that's the largest size. Is it for that tall girl? I'm actually surprised she's finding any clothes that fit her...

But ah... you do realize you are trying out women's clothes...?

Yes...

Ok... Any reason? I mean, not that it's any of my business...

She's making me...

Huh? The tall girl is making you wear these clothes?

Yes... I can't talk about it...

So, what's taking you so long boy? Do they have the shoes or not?

No, sorry, we don't, I'm afraid...

Ok, then I guess we're done here...
You can keep your new clothes on...

Did you tell the beautiful girl why you are wearing women's clothes, boy?

No...

"No, mistress." Never forget the mistress, especially when there's people around. Now tell her...

I was... punished... because...
I didn't do what... my mistress
asked...

Oooh, I seeeee. And do you think it is ok for small boys to disobey much taller girls?

Answer her, tiny.

No, it's not...

Actually you know your collar is not right... Eh... can I?

By all means...

There, that's better. Man you are tiny! I think there's nothing else for you to do in your life than to obey girls... Have you actually ever met girls smaller than you?

Yes I have...

No you haven't.

I mean, no, not really...

Wow, really cute, you trained him well. I want one like this!

You're welcome to play with him a little bit...

Aww, that's so nice of you. But really I shouldn't. I'm kinda heavy into martial arts and I'm afraid I would... break him...

But you know... Yes, I do want... It's just too tempting. Let me put a BRB note on the shop door and let's go to the storage room...

Awesome! I wanna see what you can do to him!

Right. I'm just afraid that he
will like it that much...
But I'll try to restrain myself a
bit. Let's go!

So, nobody will come here today, we can play all we want, what do you think?

Looks great!

Good, I got my martial arts clothes in the car, let me just get them and change real quick. Won't be a minute.

Hmm, she sounds kinda dangerous, don't you think, little worm?

P-please don't let her hurt me..

Don't let her hurt you yourself. Defend yourself, little man...

I'm back and all ready!

Oh god... why is this happening to me

What do you think huh?

You got some nice legs.
That all from fighting?

A screenshot from a video game showing two female characters in a conversation. The character on the left has short black hair and is wearing a black martial arts gi. The character on the right has blonde hair in a ponytail and is wearing a black crop top with a pink skull design. They are standing in a room with stone walls and a metal grate in the background. Two speech bubbles are visible, one from the black-haired character and one from the blonde character.

Yeah, and some gymwork. I mainly do legs there. Kicking is important...

I see. Well, knock yourself out with the boy...

You ready to take me on,
little man?

I definitely am not...

Now are you sure I can do whatever I want with your guy?

Please no, don't...

He's not my guy babe. I'm just using him a little. Go ahead, I don't care what happens to him and I will enjoy the show...

Seems you're out of luck baby. You're in a basement with a Japanese martial artist with quite some muscles in her legs. And another big girl that enjoys seeing little men suffer... Hmm...

Please... W-why are you doing this?

Because I can baby.
And because I like it.
Defend yourself!

D-don't...

Hiyaaaaaaaaa!

BAM!

Oh my god, he's down already!
Isn't that pathetic. Did I hurt you,
little boy?

Yes, you hurt me... Aaaargh

Please, stop this... I'll give you money...

I can take your money anyway baby, don't be stupid. And anyway, I'm more interested in having fun with you...

Does it hurt when I press my big leg on your wimpy chest?

Aaaargh, yes!

Or when I give a slight pull at your arms? Maybe I should tear them off, huh?

AAAAAARGH!

Don't scream too much baby, it makes me so horny and I get more dangerous when I'm horny...

STOOOOOP!!!

Let me get you in a bit of a more comfortable position huh...

There all trapped in my legs. Do you think you can get out baby? Try it...

Please... I can't...

Of course you can't baby. You're entirely helpless. I can do with you what I want. I can hurt you any way I want...

I know... Mistress... please, I'm begging you not to...

Haha, begging is not gonna help you. I'm gonna give your balls a little squeeze, little man. Hold on tight, this may hurt a little...

Scream for me baby!

AAAAAARGH!!!!

Oh yes! That's it!

Ooooooh yes...

Pleeeeeaaa...AAAARGHHH

That wasn't very pleasant, was it, little boy? Awww, don't cry now...

Oh god.... Please stop...

So what shall we do with the little man now...

Please, do anything but don't hurt me anymore! Please!

You're right. Enough pain for now.
What if...

... you suck me a little bit, huh? I think you would like that better...

Yes... good boy... Suck on my hard nipples like a little baby...

Hey big girl, why don't you join us?

Was just thinking the same thing...

Why don't you make some room
for me little girl?

What if I take his lower half and you take his upper body, huh?

It's a deal baby. There's a lot of fun I can have with that little head...

So when did you found out you like to dominate men?

Oh, I think I was a young girl. But I strated working out and training only much later though...

It really turns me on to outsize and outmuscle my little victims....

This is a fucking nightmare... I'll be glad if I get out of here alive...

I love it when they have kind of no way to move...

Start licking baby, give it to me!

Oh wow! Awesome position!

I think I'm gonna get me
some too... Let's check out
his little thing...

Oh yes! He's all ours now! Oooh

Wanna feel these biceps baby?

Oh yeah!

You like?

Mmmm, rock hard, like my legs!
Come a bit closer...

Mmmmmmm

AAAAAAAAAAHHH

That was awesome! You alive
down there baby?

mmmm

Let's give him a little break to find his
breath... He didn't come, did he?

Not that I noticed...

Let's see what else we can make him do... Why don't you start by licking my feet little worm?

That's it...

Why don't you move a little closer, little girl?

Yeah, maybe...

Any other game you like to play?

Tell me what's on your mind...

So nothing is off limits?

Well I won't kill him, but otherwise... What are you thinking about?

Well, what about...

A close-up, high-angle shot of a woman's face. She has short, dark, wavy hair with bangs and is looking slightly to the right. Her expression is neutral. The background is a dark, industrial-looking space with rusted metal beams and pipes. A single light fixture is visible on the left. A white speech bubble with a tail pointing to the left contains the text.

Breaking a little something? Like...
one or two bones in his hand

A close-up, high-resolution digital rendering of a young woman's face. She has short, layered blonde hair, light blue eyes with dark eyeliner, and a soft, slightly open-mouthed smile. The background is a dark, textured wall with a brick pattern and a metal grate. A small, metallic, spherical object hangs from a thin wire on the left side of the frame. A white speech bubble with a tail pointing to the woman's mouth contains the text.

Mmmm, twisted! And fun! You have my blessing dear...

Great! Let's go for the right hand...

NOOOOOOOO!!!

AAAAAARGH!!!

CRACK

CRACK

CRACK

Wow, that was awesome... Such a feeling of power...

Oh god... I love this... To be able to do with a guy what I want, and there being nothing whatsoever he can do about it...

Want me to make him scream a little more, baby?

Please no-o-o-o-o... stop... you broke my hand...

Oh yes, please...

Let's mangle that little hand
just a bit more huh...

Aaaaarghhhh

CRACK

Ooooh god!!

Ok, now get off him and let me have him one more time, and then he's yours forever. I don't want him anymore... Turn him over and put his head between my legs baby, will you?

Sure, one second...

I never went as far as you did, breaking his bones, but I must say you inspired me. Thank you for that...

Welcome!

Ok baby, this is not gonna be pleasant,
but if you do as I say we can try to
make it not last too long...

I'm gonna clasp you between my thighs, and you will lick, hard and deep. In the meantime I will squeeze your other hand, and I won't stop until I come. Is that understood?

No... more... please..

I said: is that UNDERSTOOD?

yes...

Faster! Deeper! Yes, yes yes!!

AAAAAAAAAAAAAH

All yours now baby... I gotta go...

Oh yeah baby... I've got lots of ideas
already...

Put this worm to good use, ok?

He'll live with me and be my toy. Until he breaks...

The end
