

Whenever her Uncle Frank was out, Dee Dee found herself at the mercy of her cousin Bubba. He'd never miss a chance to bully her around, or use her as his personal slave. Today he had her on her hands & knees cleaning his room.

"Hey squirt!" he barked at her, "you missed a spot!"

"Sorry Bubba," she apologized. Bubba had three years and fifty pounds over her. It wasn't all muscle, but it was muscle enough.

"Sorry won't cut it!" he said. "WEDGIE!" he laughed, yanking up her underpants as high as he could. Finally he left to leave her to her task.

She was still trying to pull down her panties when the doorbell rang. "Get the door if you know what's good for ya!" Bubba yelled from the family room.

AMAZON-GIRL GUIDES!

Story: Lenny
Art: Billy Quick

Dee Dee opened the door to see a little girl—the BIGGEST little girl she'd EVER seen. Every muscle bulging inch of her was tightly packed into a scout's uniform, stretching the fabric to the breaking point.

"Hi there," the girl said in a happy girlish voice, "my name's Becky! I'm from the AMAZON GUIDES!"

"I'm going door to door selling boxes of Amazon Guide super muscle-building cookies!" Flexing her massively peeked right arm as Dee Dee just stared in shock.

"Who the fuck is it, squirt!?" Bubba yelled down from upstairs.

"Uh ... just some girl scout selling cookies..." Dee Dee called back.

"Well?! Get rid of her and get you ass back to cleanin' my room!"

"Hmm... You know, you should think about joining the Amazons," Becky advised Dee Dee, "It's done wonders for me!"

With that Beck went into a massive crab-flex! Her entire body seemed to bulge and swell to twice its size.

"And bear in mind," she added, "I'm only 13!"

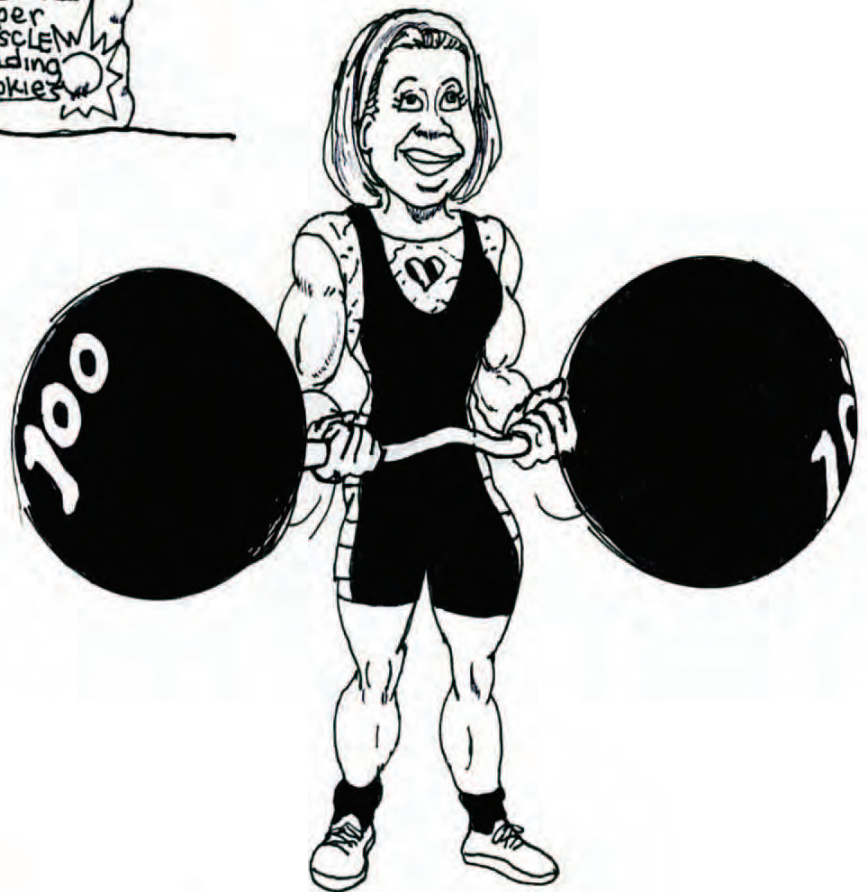

"Wow!" exclaimed Dee Dee, "I'LL DO IT!"

That night, Dee Dee ate the whole box of cookies, and worked out. She noticed immediate results! Her Uncle's once totally unliftable barbells became as light a feathers to her.

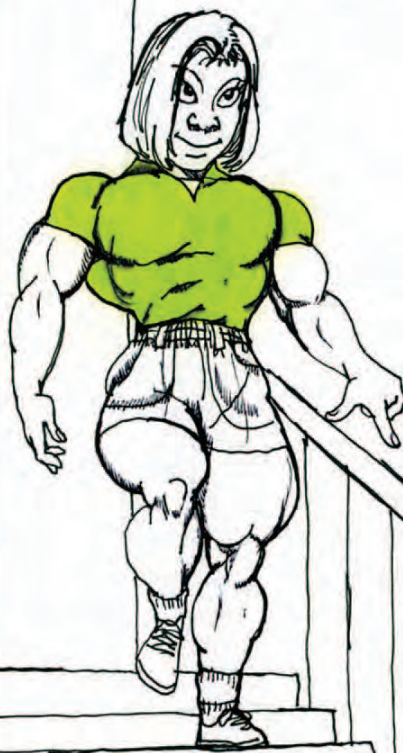

Afterwards, she became ravenously hungry. Going to the kitchen fridge she began emptying it out and eating everything in sight!

The next morning, her Uncle Floyd was blaming Bubba for all the missing food.

"I swear son, you're eating me out of house and home!"

"It wasn't me Pa! I swear!"

"Bubba's right," said Dee Dee, "It's my fault. I got real hungry after working out last night."

Uncle Floyd jokingly made her make a bicep. "Hey!" he said, mighty impressed. "you have been working out! Bubba! Come over here and check out your cousin's muscle!"

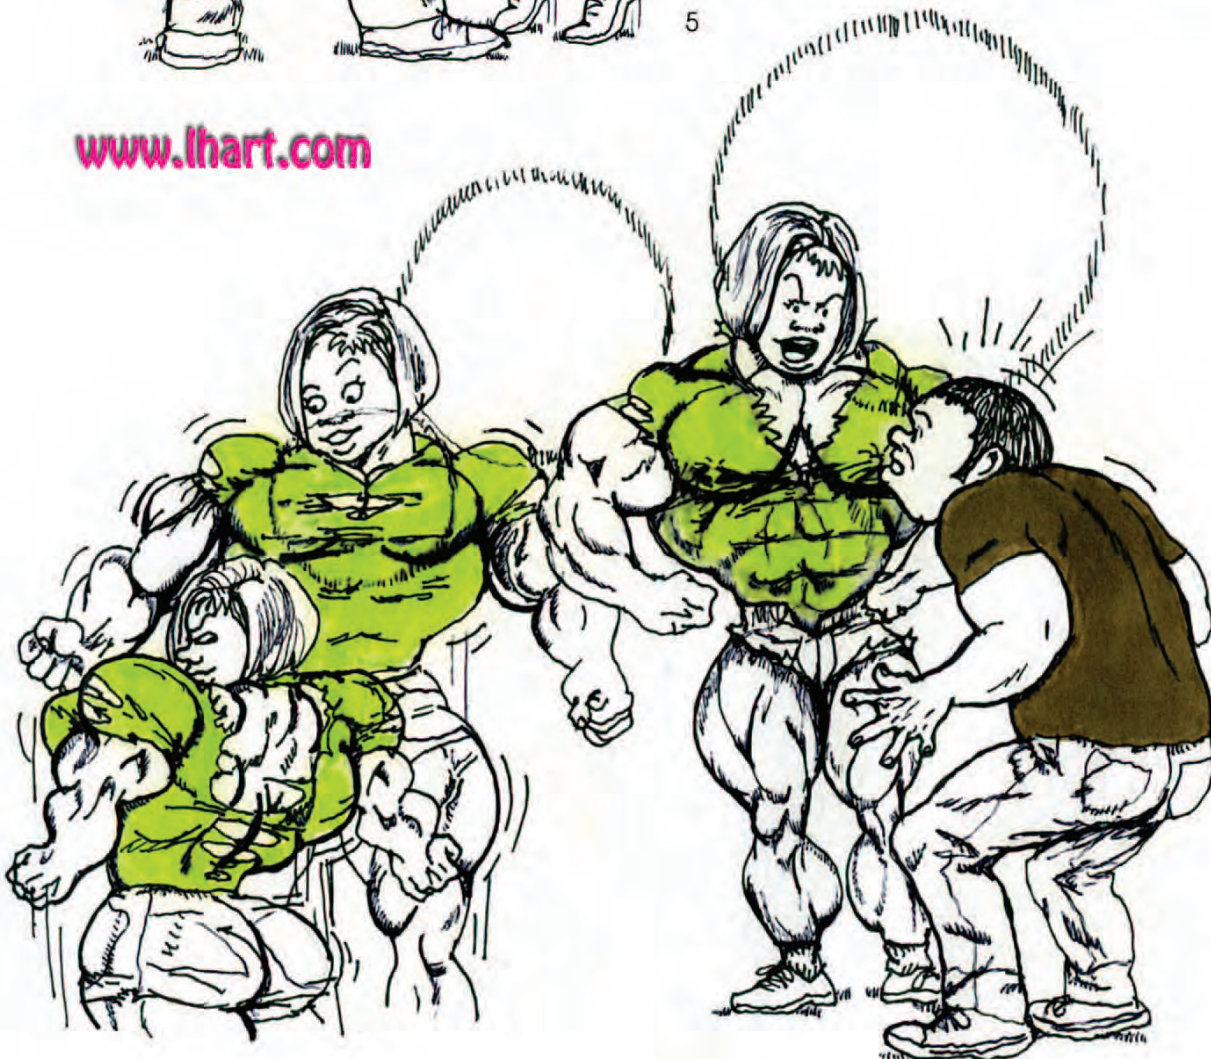

Bubba did whatever his father told him to, but the second Uncle Floyd was out of the room, he turned to Dee Dee and told her, "So, you're getting a little buff. Big Deal! Just remember squirt, I'm still bigger than you!"

Suddenly, felt her entire body begin to pulse and throb. It seemed to directly relate to the emotions she was feeling at that moment. Her clothes felt tighter and tighter as new found muscles expanded and grew. Seams ripped and buttons flew as shoulders broadened, lats extended, and pecs & breast swelled upwards. The floor boards creaked as Dee Dee continued to gain mass. Her arms rippling outwards. Her legs ballooned. Dee Dee could feel her entire posture changing: abs firming, back bursting, and chest swelling. Now she was standing in a position of POWER!

"Correction Bubba," said Dee Dee thrusting her big, new chest against Bubba's, "you were bigger!"

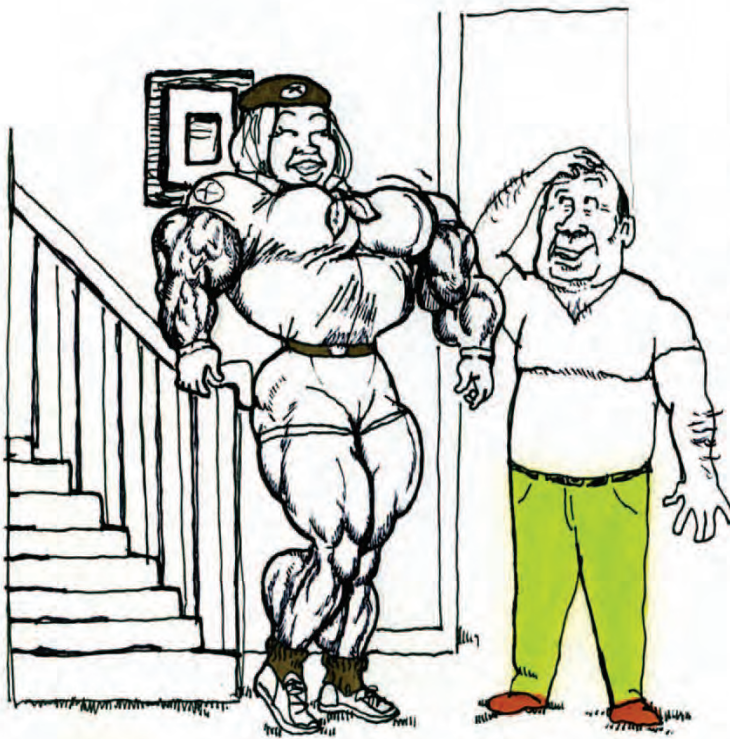

"Uh... you don't scare me! I can still take you!"

"I'd like to see you try!"

Bubba threw a punch, but Dee Dee caught it with ease. With very little effort she tightened her grip, threatening to crush his fist right there and then. Dee Dee couldn't help but laugh as she forced Bubba down to his knees in front of her.

"HA! What a wimp!" she chuckled, "Y'know cousin. I think there's going to be some changes around her. BIG CHANGES!"

Come Monday morning Dee Dee was all excited to go to school. She couldn't wait to show off her big new body. She put on her new Amazon Guide uniform and raced down the stairs.

"Hey Uncle Floyd!" she greeted her uncle. "Anything for breakfast?"

"Not likely honey. Not since you cleaned out the fridge... again!"

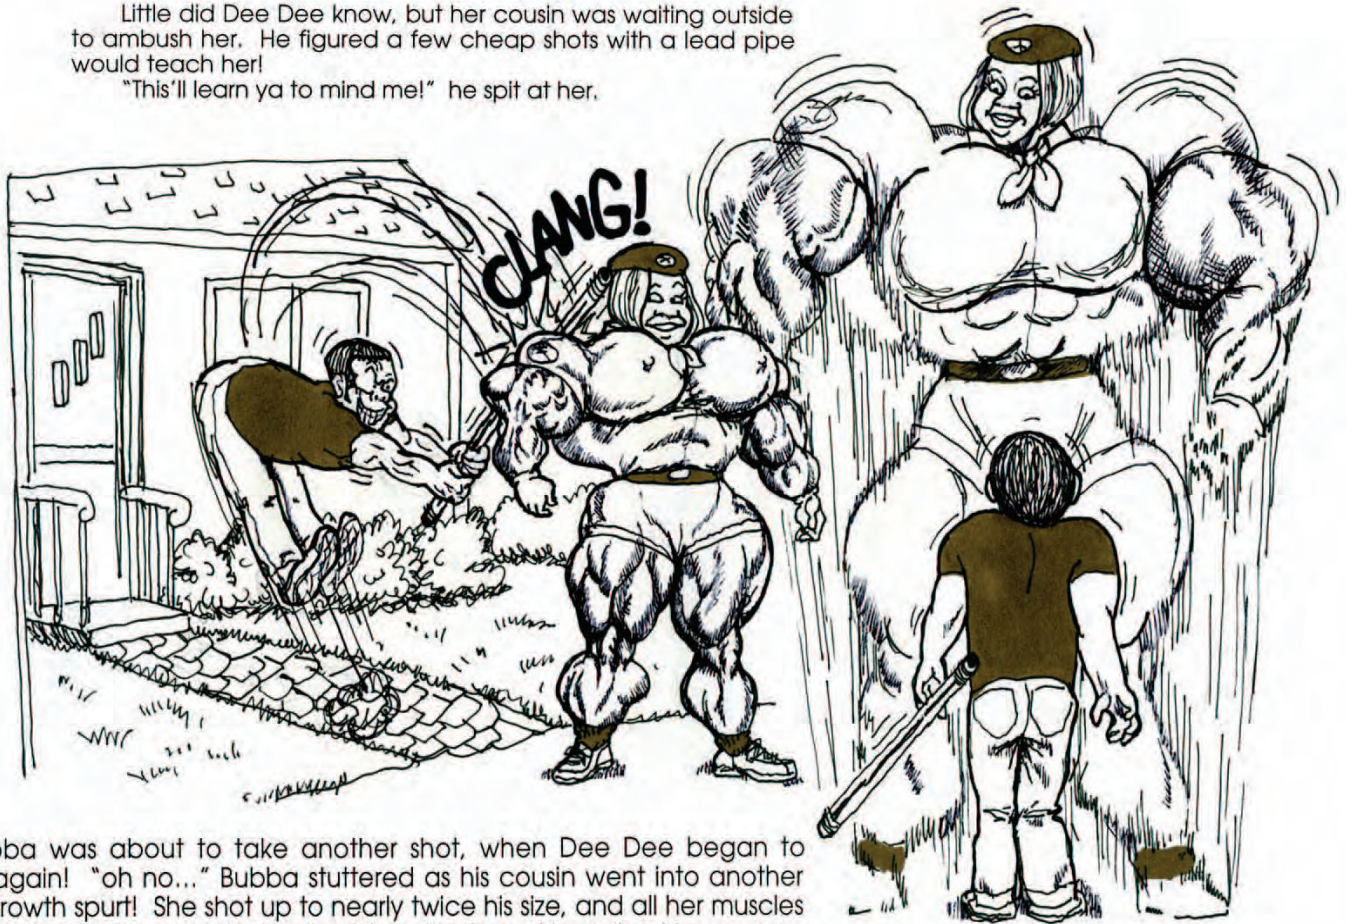

"What can I say? I'm a growing girl!"

"You got that right!"

Little did Dee Dee know, but her cousin was waiting outside to ambush her. He figured a few cheap shots with a lead pipe would teach her!

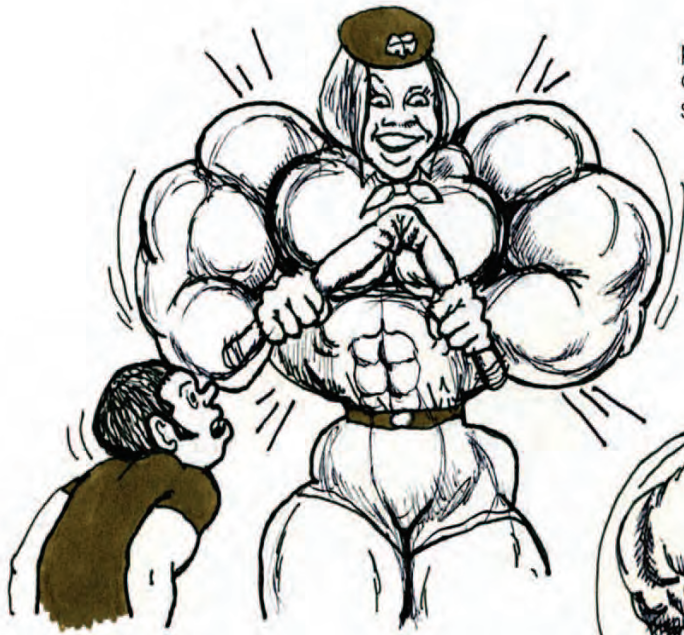

"This'll learn ya to mind me!" he spit at her.

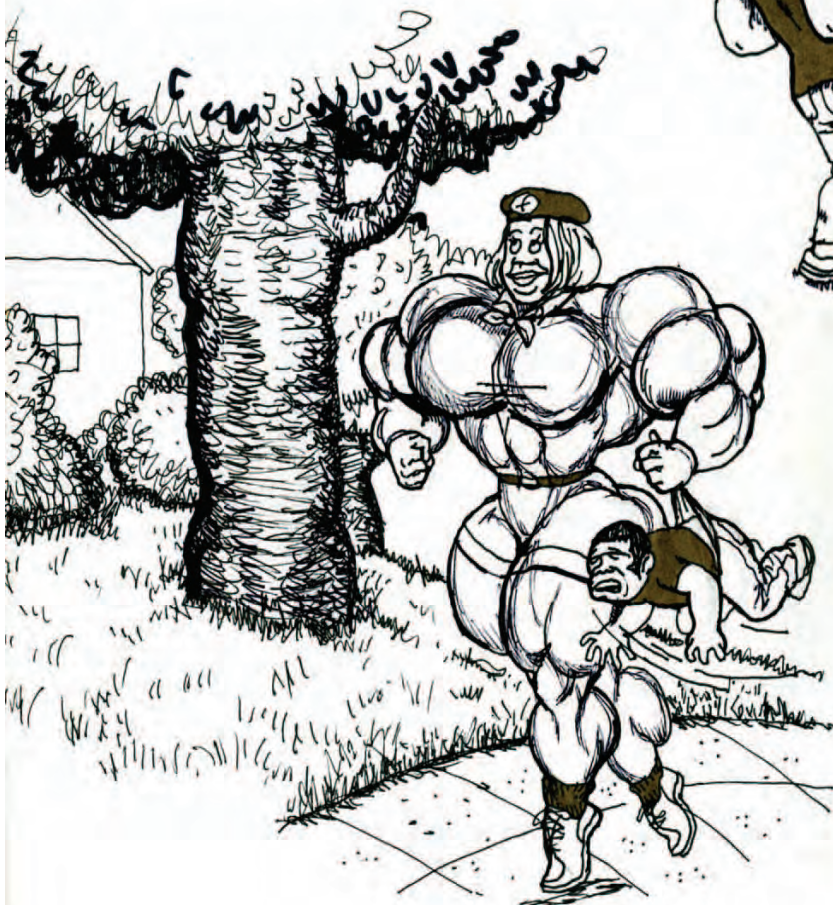

Bubba was about to take another shot, when Dee Dee began to throb...again! "oh no..." Bubba stuttered as his cousin went into another mega-growth spurt! She shot up to nearly twice his size, and all her muscles grew to UNREAL dimensions! He shuddered in fear. Never had he seen so many muscles on one person-not even in pictures of professional bodybuilders!

Dee Dee reached down and picked up the lead pipe that Bubba dropped when he nearly wet his pants at the sight of his cousin's astounding muscles. With the slightest bit of effort she tied the metal bar into knots!

"Hey Bubba, guess what?"

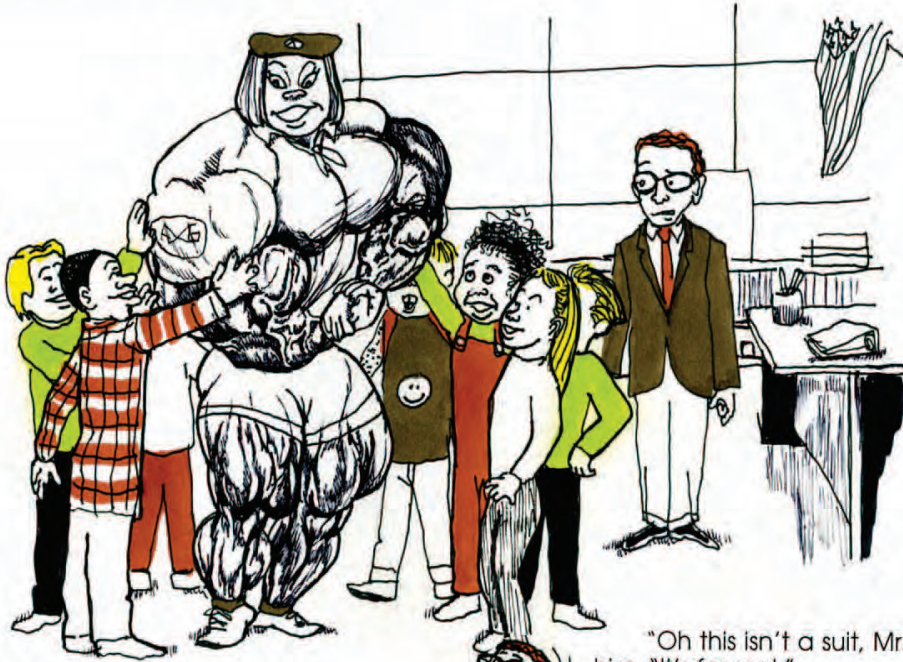

www.lhart.com

She reached down the back of his pants and yanked. "Atomic Wedgie!" she laughed. "C'mon *squirt*! I'm giving you a LIFT to school!"

She briskly jogged all the way to school keeping Bubba aloft with just one hand! It would take him two whole class periods to get his underwear dislodged from his crack!

At school, Dee Dee's physique was causing a stir. Everyone wanted to see her flex. And *then* everyone wanted to feel how hard she was. Dee Dee felt weird as countless hands began squeezing her bulging muscles..... Until she realized she was getting off on it!

Her homeroom teacher, Mr. Dink, came over to see what all the commotion was about.

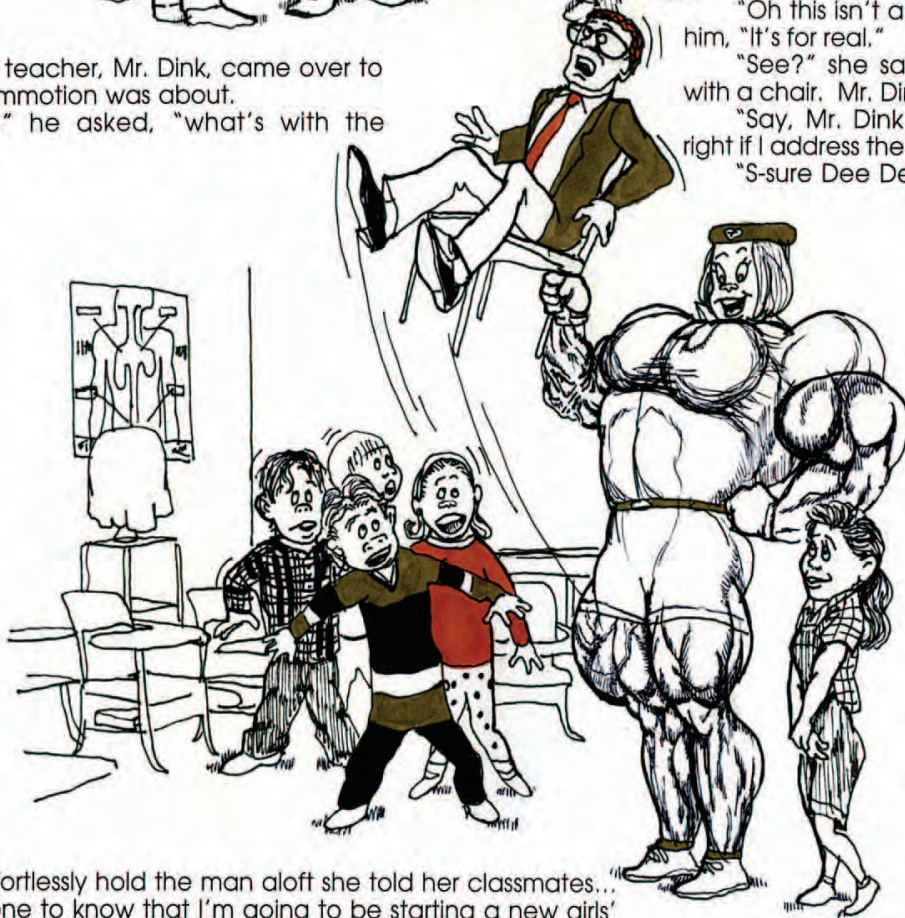

"So Dee Dee," he asked, "what's with the muscle suit?"

"Oh this isn't a suit, Mr. Dink," she informed him, "It's for real."

"See?" she said as she scooped him up with a chair. Mr. Dink was dumbfounded.

"Say, Mr. Dink..." she asked him. "Is it all right if I address the class?"

"S-sure Dee Dee...G-go right ahead..."

Continuing to effortlessly hold the man aloft she told her classmates... "I just wanted everyone to know that I'm going to be starting a new girls' club after school: the Amazon Guides!"

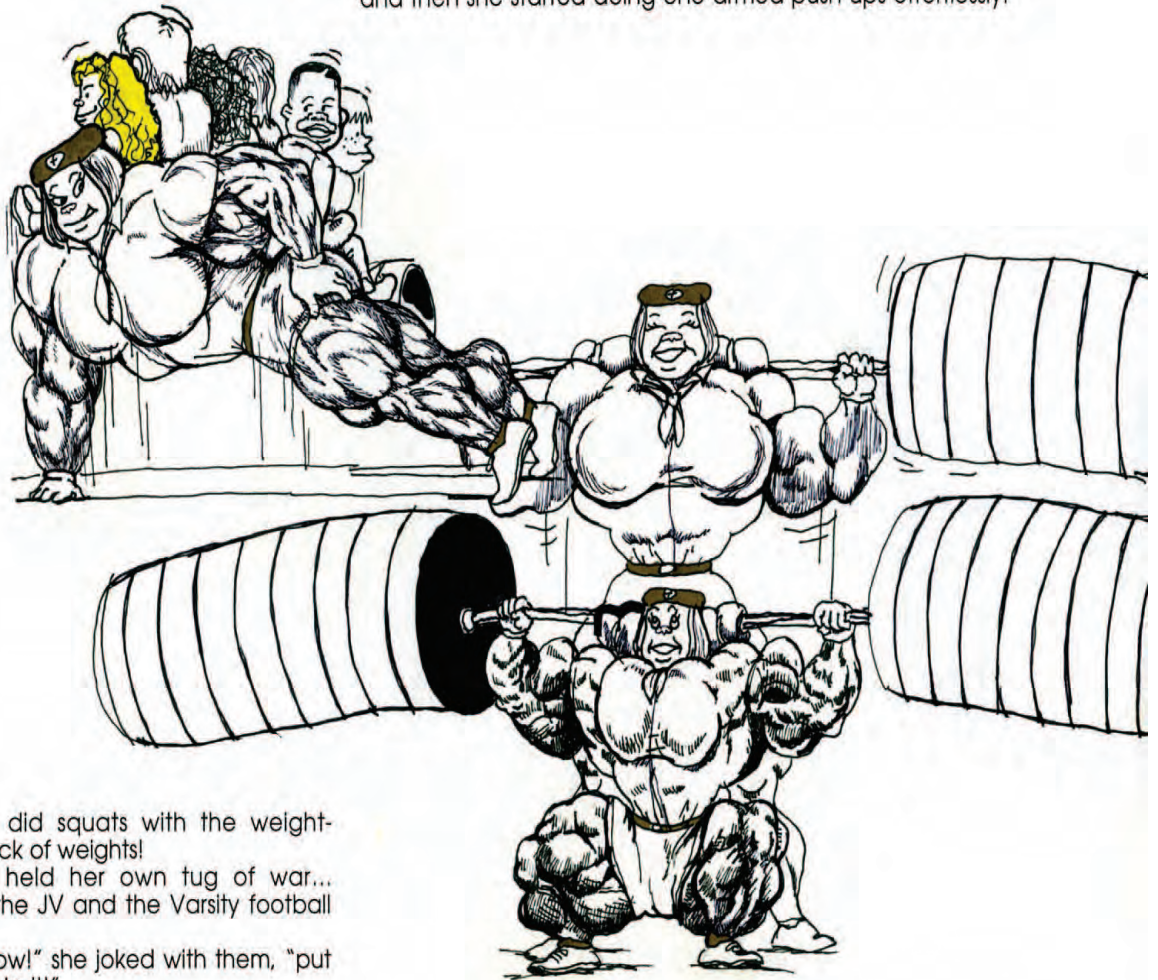

One of the girls in the class seemed to melt as she stared at Dee Dee's massive physique.

"If we joined..." the girl asked, "...how BIG could we get? How STRONG could we get?"

"I'll show you." Dee Dee said with a wink.

She lead them to the gym where she wowed them all with amazing feats of strength. She told the bunch to pile onto her back and then she started doing one-armed push ups effortlessly!

Next, she did squats with the weight-rooms entire rack of weights!

Then she held her own tug of war... against BOTH the JV and the Varsity football teams!

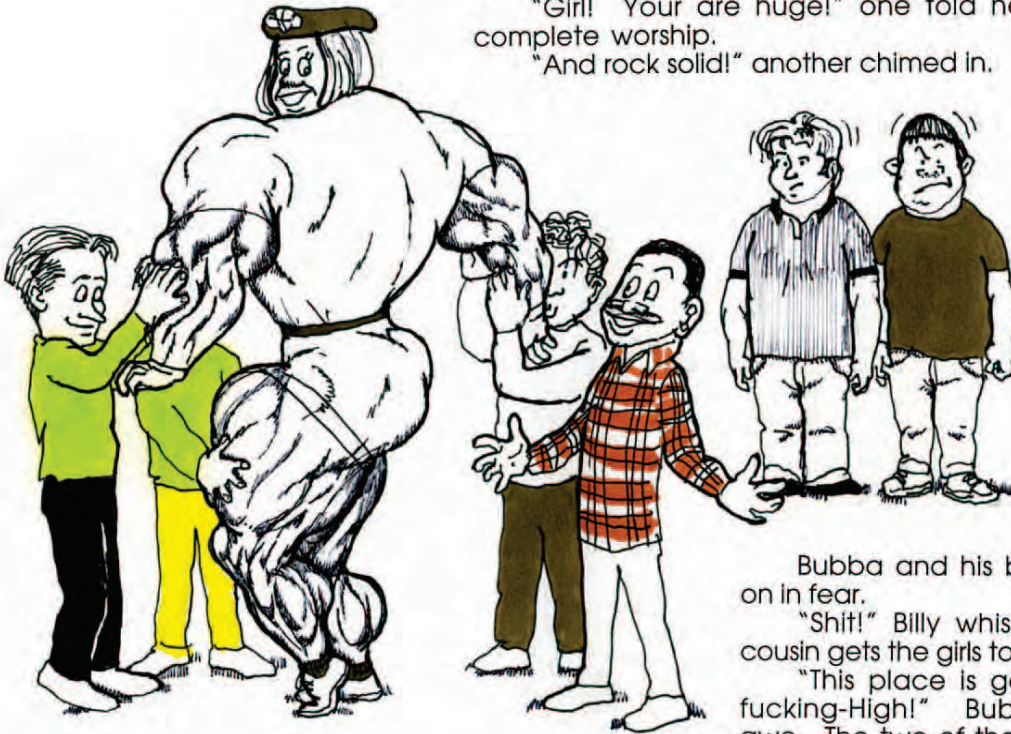

"C'mon now!" she joked with them, "put some muscle into it!"

Everyone was impressed. Especially the guys!

"Girl! You are huge!" one told her in complete worship.

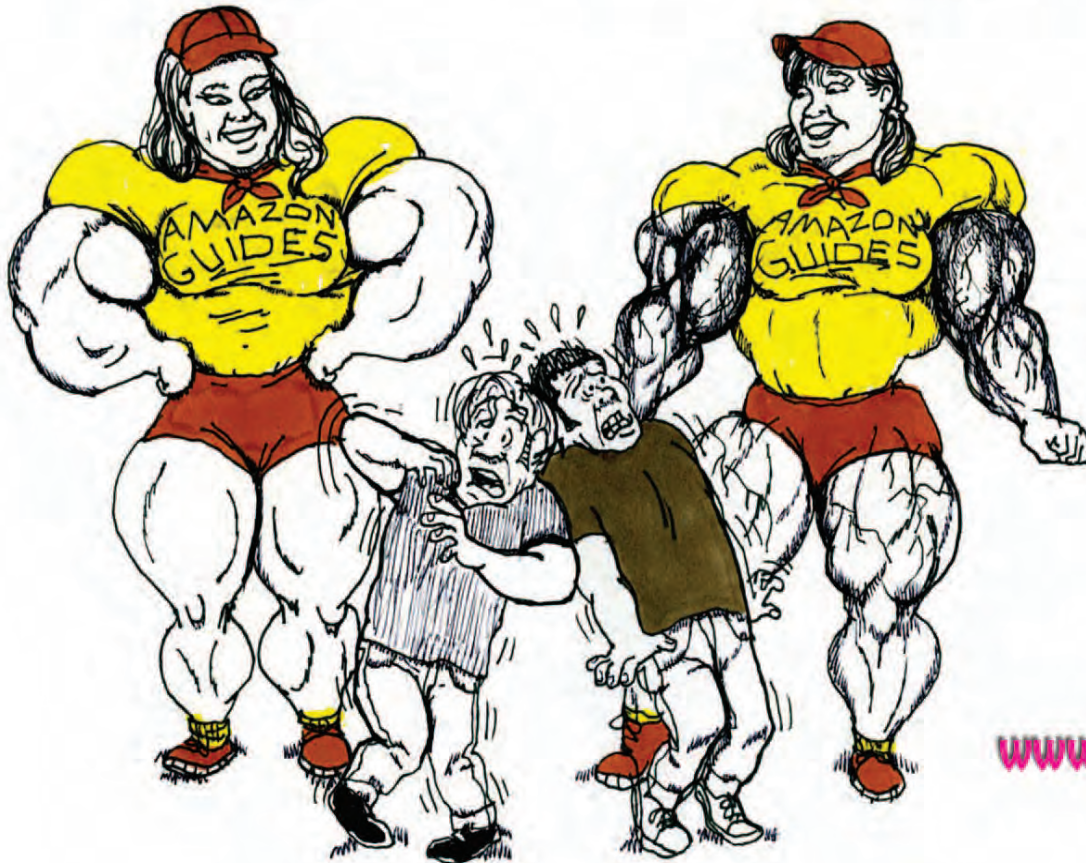

"And rock solid!" another chimed in.

Bubba and his best friend Billy watched on in fear.

"Shit!" Billy whispered to him. "If your cousin gets the girls to join her club..."

"This place is gonna turn into Amazon-fucking-High!" Bubba whispered back in awe. The two of them began to picture it in their mind's eye.....

www.lhart.com

Girls, all around them, growing tall,
growing big, growing buff!

"Why look girls, it's Bubba and Billy!"

"Hmm... They don't look so tough now!"

"In fact, they look down right PUNY!"

"This is for peeking in the girls' shower!" Meg told them, ripping off their clothes with her powerful hands!

"And this is for groping my legs in the cafeteria!" Allison would tell them, crushing Billy's head between her mammoth thighs.

"And this is for copping a feel at the dance!" Katie would tell them, hoisting Bubba high up over her head...!

Snapping out of their disturbing fantasies, the two of them realized that Dee Dee's Amazon Guide Club HAD to be stopped. It was time to come up with a plan!

The next morning, Uncle Floyd is pleading with Dee Dee to stop emptying out the fridge.

"This is a temporary thing, right? Your muscles aren't gonna stay that BIG and that THICK are they?"

"Of course not, Uncle Floyd," she told him.

"Few!"

www.lhart.com

"They're gonna get WAY BIGGER and WAY THICKER! Oh, and about the fridge... that's not my fault this time. All I've been eating are my new AMAZON GUIDE MASS BUILDING SHAKES!"

"You mean this stuff?" smirked Billy, holding up an empty can of the stuff. "It was delicious!"

"You're in for it now, girl!" added Bubba with a shit-kicking grin.

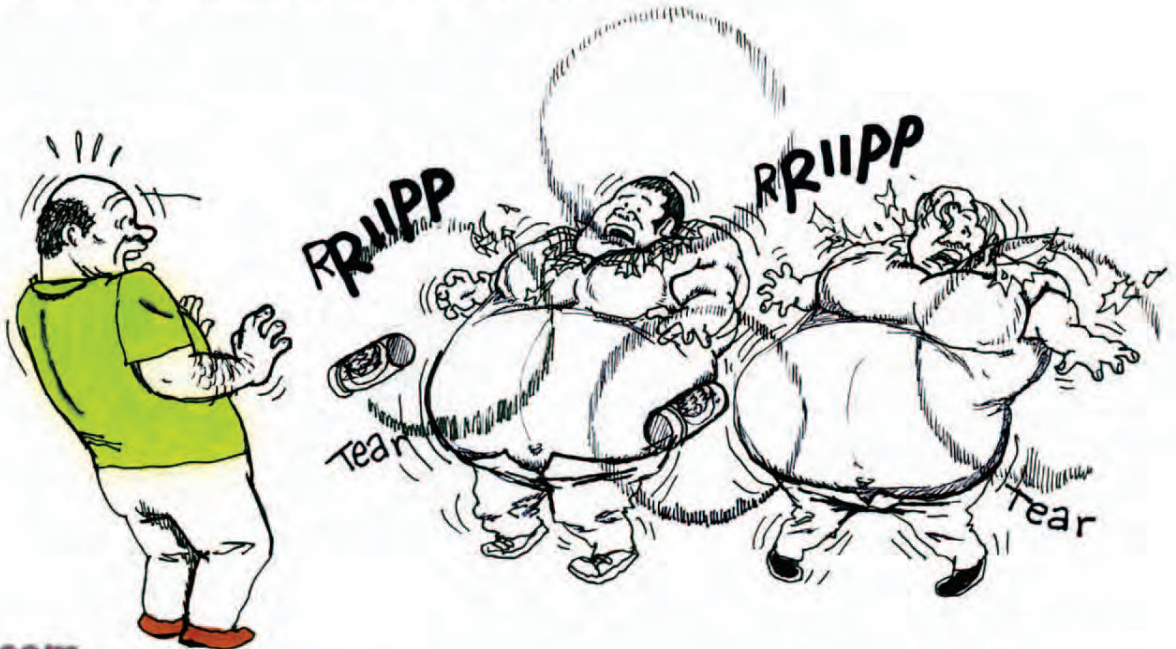

Buttons begin to fly as the two boys began to expand...

"Heh heh! We're gettin' HUGE, Billy!" chuckled Bubba.

"Damn HUGE, Bubba!" added Billy.

The boys were growing all right—but not muscle. Instead, they were growing FAT!

"What the hell?" screamed Bubba, "What's happening?!"

www.lhart.com

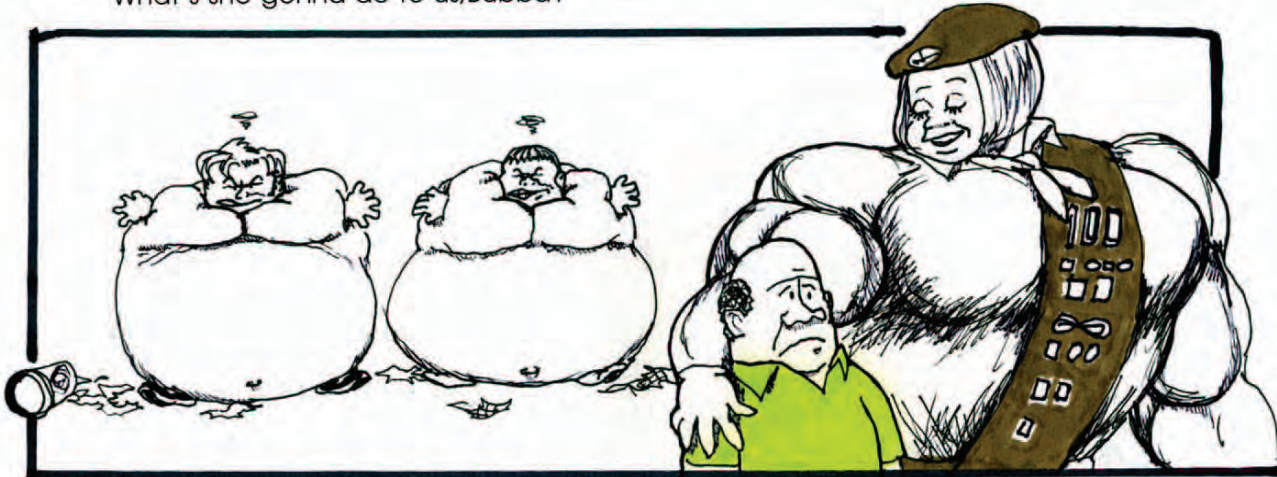

"We're turning into freaking butterballs!" yelled Billy.

Uncle Floyd gasped in shock as the two boys swelled up to giant beach balls with heads, hands and feet.

"Boys!" he screamed. "What have you done?!"

"Don't worry, Uncle Floyd, "Dee Dee consoled him, while guiding him out the back door, "I'll work that blubber off of 'em in no time!"

"What's she gonna do to us, Bubba?"

"Jack shit, Billy! We must weigh a ton apiece! She ain't budging us an inch!"

"Think again, *squirt*," Dee Dee told them. "You see, I drank all of my super-shake too!"

Dee Dee's frame began to throb and grow YET AGAIN! This time rocketing her skyward, blasting her well past seven feet! Muscles Bulging off her physique!

www.lhart.com

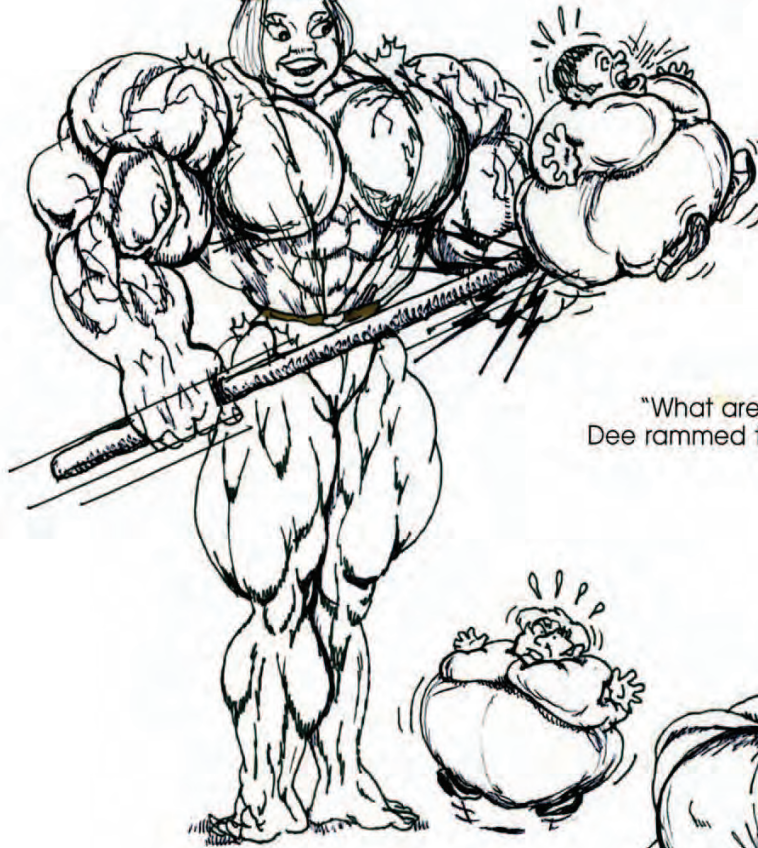

Her mammoth body continued to stretch, swell, and harden with NO END IN SIGHT!

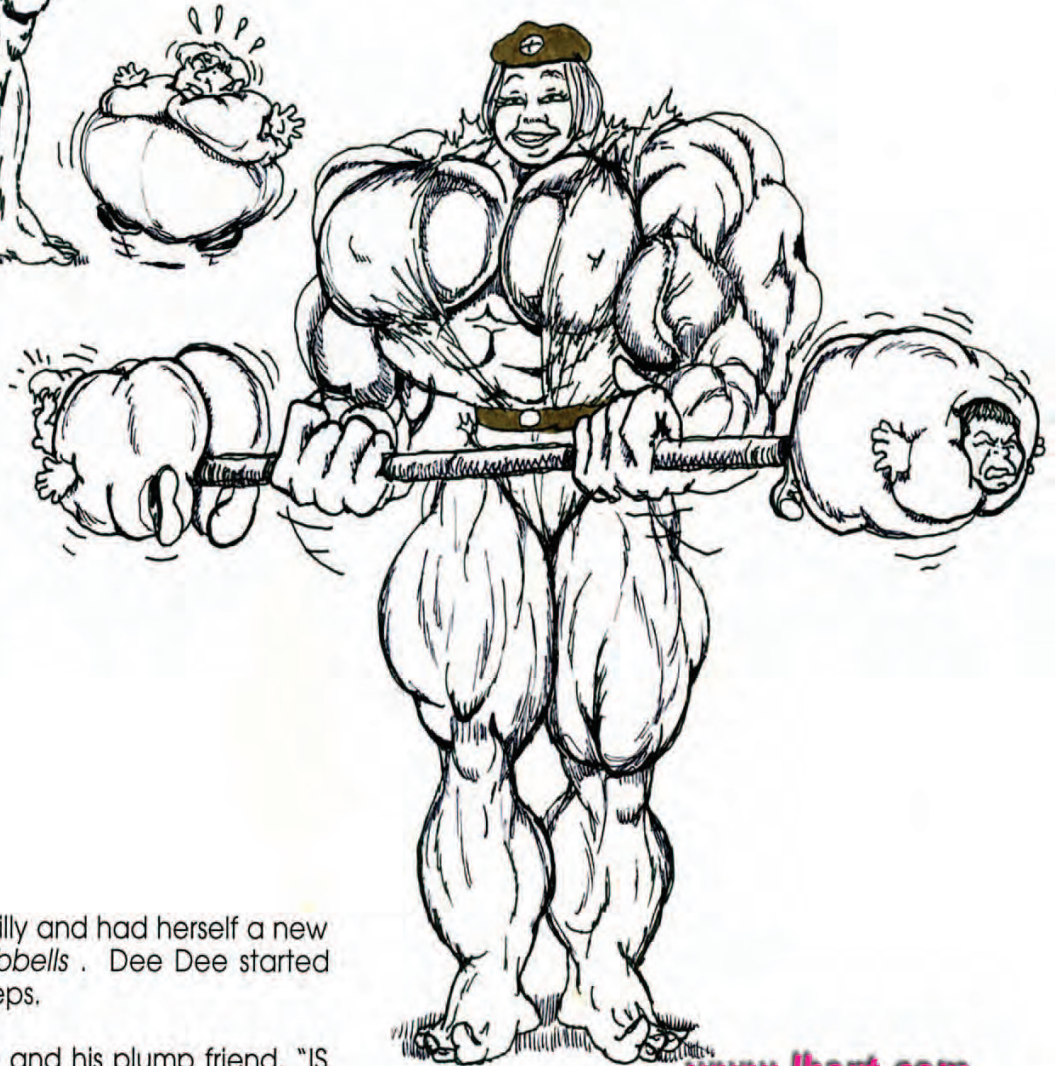

"Ohmigod..." Bubba blurted out, "She's HUGE!"

"NO," Dee Dee bellowed back, "YOU'RE HUGE, I'M COLOSSAL!"

"HEY BUBBA," she said grabbing a thick metal rod, "SAY 'AHH!'"

"What are you?..." was all Bubba could get out before Dee Dee rammed the bar home up his enormous butt-hole!

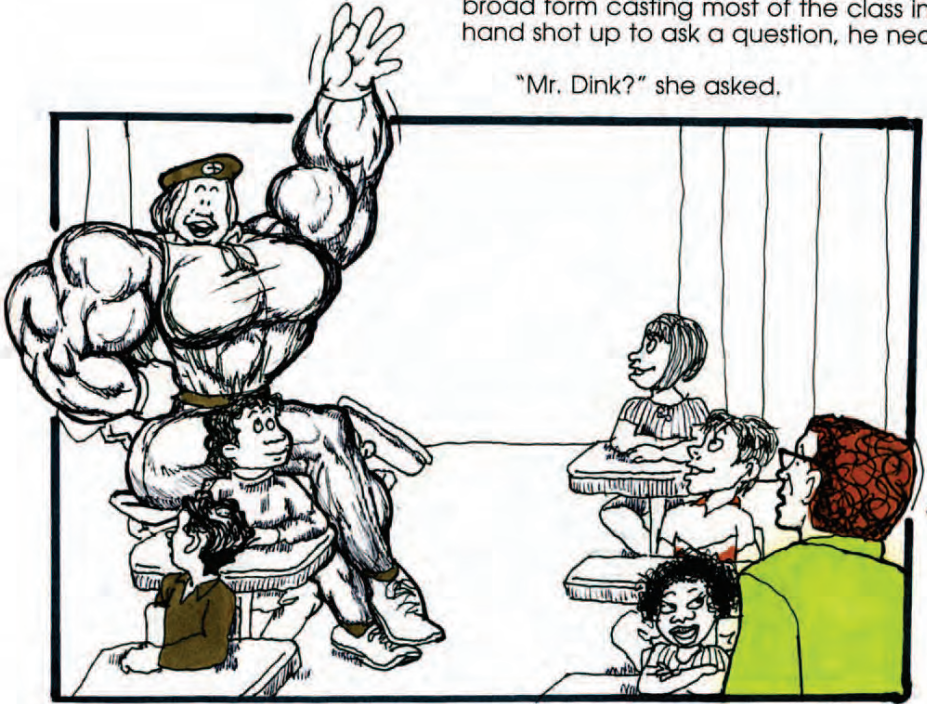

She then did the same with Billy and had herself a new set of living and squealing *dumbbells*. Dee Dee started blasting off her unbelievable biceps.

"THIS," she said to her cousin and his plump friend, "IS WHAT WE CALL THE BIG STEEL WEDGIE! HA! HA!"

www.lhart.com

The next day at school, Dee Dee's new gargantuan body wasn't causing a stir, it was almost causing a religion. Mr. Dink looked nervously towards the towering girl, her broad form casting most of the class in shadow. When her hand shot up to ask a question, he nearly passed out.

"Mr. Dink?" she asked.

"I'll answer your question Dee Dee, but first you'll have to sit down... Your... um... *stature* is making it hard for the other students to concentrate.

"Actually, I was wondering if it's okay if I stand UP during class. You see, I don't think this chair I'm sitting in can handle a girl of my *stature*!"

"B-but you *can't* be sitting down... Y-y-you're practically six feet right now!"

"Six feet? Don't make me laugh! I'm over ten feet tall! Watch. I'll show you."

And with that, Dee Dee got to her feet...

www.lhart.com

"See," she told him. "But I may be wrong cause I'm still growing!"

Mr. Dink felt a chill as her shadow eclipsed him. All around him were giant rolling planes of muscular thighs and calves—each leg larger than his entire body.

"Yoo hoo," she chirped, "up here!"

"So, how about it?" Dee Dee chuckled, "After all you're in charge here, Mr. *Dink*."

THE END!
