Tyler awoke in pain. Amber, naked, sitting on his back. She had her hands under his chin as she pulled back. He screamed in pain

“Fuck”

The pain was like a hot knife against him. He was moaning in pain as she was doing that.

“Fuck...fuck”

“I am Just getting started sug” She laughed

Amber was showing on mercy. She pushed her chest out as she added pressure. Her pussy was dripping on him

“Fuck yea” Amber

He was trapped in this cabin with no way to escape. She was enjoying it

“That its little boy. Take this ass beating. This how it like to be with a FUCKING AMAZON. You’re not escaping here. Your mine”

Amber wraps her legs around his neck and pulled his arms. His body bend as she squeezed. She is looking in the mirror as she is doing this
"OPEN YOUR EYES!!!" She demanded
A wave of fear and pain went through him. She twisted his wrist as she begged for Mercy. She made her tits bounce as she did this. Veins went up her arms as her 66-inch thighs squeezed the life out of him. She let go
She changes to a scissor hold around his chest. He screamed as he heard a rib snapped.

"Fuck"
"Oooo MISS that sound"
Amber Said
"Please Mercy"
"Love the sound of your begging. See how wet it makes my pussy little man. You're only making it worst for yourself"
She then got on top of him and performed a storm of punches. Blood splattered against her tits. She punched Tyler again knocking him out. She wiped her chest enjoying the sight of blood

Tyler awoke see Amber's bare back. She was lifting a heavy weight showing off her back muscles. She looked back "Don't worry going to be over soon" she Said
She lifted faster feeling the burn in his body. Tyler dragged himself to the door. Amber just laughed.
"Damn that's fucking cute. Crawl back here!" She demanded
She grabbed him by the hair and sat him on the chair. She added some weight to a machine. She pulled on the string lifting it up. Tyler was amazed at how much it was. It was about 1000 lbs. She pulled on the bar lifting it up. She grunted as her pussy dripped

"Look at me"
His cock got hard
"What do you see"
He hesitated
"Answer me"
The shadows in the room dance around her. She looked demonic. She was a Goth queen
"A Goddess.... from Hell"
"Yea like the sound of that? A Fucking Goddess from hell" she said

She flexed her arm showing a rock hard bicep. She grabbed him by his hair forcing him lips against it
"Go ahead WORSHIP IT"
His hand shook as she felt her muscles. It was bigger than his head
"Holy Fuck"
"Nothing Holy about its little man. Kiss it"

He did as told giving her biceps little kiss. She smirked
"You're going to die little man. Die after I am fucking rape you. You dirty fucking slut" she Said
"What"
"Don't run. You won't get anywhere. That it go ahead and cry! Kind of love it when they cry!"
"Why you are doing this"
"It quite simple. Because I am fucking LOVE it. Always did. Killed when I was young. Found power in it. Feels very orgasmic" she Said
She was staring through him
"Going to fuck you like the piece of meat you are and toss you away" she Said

She grabbed him and tossed him down. She slipped his cock into her pussy and squeezed around. She was soaking wet

“That’s a good boy”

She was riding him up and down. She pulled on his shaft nearly ripping it out. Her pussy crushed his cock like some toothpaste. He moaned in pain and pleasure

“That it boy give it. GIVE IT TO ME!!!”

He was being tossed around like a rag doll. He was moaning as her fist came down like a sledgehammer bashing him. Blood splattered against her chest. She felt him cum. His cock sprayed long ropes of cum into her pussy

“Fuck.fuck” he Said

Tyler was crying with pain and pleasure. She somehow kept his cock hard as he was cumming again and again

“That it scream for me you little sissy”

She was choking the life out of him. He was moaning. His knees went weak, and his toes curled. He closes his eyes. The strong legs were closing around him making his bones crack. He was begging for mercy

“Please NO more”

“Please...please No more. Stop. Your to strong Amber. Have Mercy” She Said in a mocking turn “They beg and beg. They always missed the fact that begging only makes me wet. I would say I am lioness but a Lioness doesn’t play with her food. Oh I will eat you little man. I am going to eat you up. Your going to be my snack. Right after I drain your cock for ever drop”

“Ohhhhhh fuck” She Said

She stood him to his feet fucking him senseless. It was like he was riding a hurricane as she was fucking him hard. She grind against him as he buried his face into her tits. He could barely breath as she crushed his body. She held him into a bear hug

“Give it me my little pet. I can feel your lust. I can smell your fear. It makes the meat taste so much sweeter. It melts in your mouth. Oooo love it when a man fills my pussy with cum
He crumbled underneath her. He felt like a tiny little doll. She had him lick her sweat off her tits. His arms and legs were going limp as he was filling her up with cum. It was an odd mixture of insane lust and fear.

She slammed him into the wall.

The wall shook as she growled. She buried his face into her tits smothering him

“Fuck going to cum” she Said

She held his hand to the wall and kissed him roughly.

She squeezed his hands cracking the bones. He cried out as she came.

“Fuck yesss”

She slammed him against the wall smothering him with her breast. He could barely breath
"You going to die little man" She Said
He could feel the heat from her body and hear the drum like beat of his heart. It was powerful and tribal
"But first your going to bring me pleasure" Amber Said
He screamed as her pussy continued to milk his cock

She was cumming as the cock was pumping into her. Her pussy was massaging his shaft and stretching. The climax was intense and wrecking his body
"Ohhh fuck" She moaned
She was dripping with sweat very Satisfied
"Time to die"

She grabbed him and did another headlock and held him toward the mirror. She heard a car coming up
“That your friend. Don’t worry he going to Join you in Death very soon”
His legs dangled as she held him. She squeezed his biceps against his neck. She watches his face turn blue. She flexed his arms
“Can smell your fear. Always could smell fear”

Her tongue ran across his face as she licked the tears. She was flexing her strong biceps as her muscles glisten. She licked her lips savor the death that was coming
“Bye Bye” she Said

She snapped his neck leaving his dead body on the ground. She carried him and put him in a closet. She peeked out the door seeing the car. She walked out into the woods as Jack walked with a case of beer. He was on the walkie Talkie.

"Where you at buddy.

She stalked him. He had no idea what was coming. She moved like a cat.

"Dammit going to freeze my balls out here."

TO BE CONTUNIED...
