

ONE LUCKY MAN (Redux)

(amysconquest.com)

"That's it baby.....Uhhhhhh.....you just relax and let.....Ohhhhhh....let Carmen do all the work lover.....Mmmmm.....yeah baby.....yeah honey, that's it.....just relax and feel it, feel it all lover....." sexily cooed out Carmen as she lay on her full luxurious bed, cuddling with her man Dave.

Her arms and legs completely wrapped around his body, as he lay totally on top of her. Her hard, muscular body held his weight effortlessly. Gently, though very firmly, holding his body utterly still. Completely immobile. Her strength was vastly greater than his own, and that was one of the many reasons he loved her so, as she loved him.

"Mmmmm, yessss my love, just lie still, and let Carmen take care of her little man.....Ohhhhhh yes, that's it.....get that cock hard and thick.....Uhhhhhhh.....feel Carmen's tight wet pussy envelope it whole and milk.....Mmmmm.....and pulse.....Ohhhhhh Yesssssss.....don't move a muscle, my darling, Carmen will take take of that big thick cock of yours baby.....Mmmmm Yesssssss....."

Moving a muscle was the farthest thought from Dave's mind. Even his lustfull thrusts and gyrations were countered, held fast by his love's firm tight embrace. There they lie, as they have many a night before, totally naked, his head on her full firm breasts, his cock deep inside her tight moist pussy. No movements were aloud by him during these sessions, Carmen made sure of that. The only sturring that was happening was the flexing, the massaging, the milking of Dave's cock by Carmen's muscular cunt.

They had perfected this type of fucking years ago, when at a friend's house for the weekend. with a blanket over them, they looked like just another couple cuddling on the couch. Their friends were totally unaware that Dave's zipper was undone underneath, his throbbing cock inside Carmen, as she used her pussy to milk him dry. She had been heavy into weight training since high school, and has spent the last ten years developing the complete muscle control she had with every single power packed muscle in her body.

"Yessss my love, my honey, my man.....feel my cunt pulse and throb all over your hardness..... Mmmmmm.....feel my tits softly....Ohhhhh.....so erotically massaging your face baby..... Uhhhhh yeah.....dont move baby, just lie on Carmens strong and sexy body baby.....Ohhhh Yeah, thats it, I feel you dripping my love.....Mmmmmm.....you like having your cock milked.....Mmmmmm, so do I baby.....so do I lover.....Ohhhhh, you like resting your head on Carmens big hard tits, dont you baby.....Oooohhhh God.....Yes,Yes I can feel that you do darling.....you like it when I flex them, make them bounce.....Uhhhhh.....make them dance.....you like it when I massage your head inside them.....Come closer, baby.....let Carmen snuggle you....Mmmmmm.....milk you.....massage you, baby....."

Like her pussy, Carmen could move and control her breasts just as easily. Her many years of weight training, and long hours practicing her muscle control over and over, have given her the ability to move, bounce and ripple any part of her body just by flexing. Dave nearly cummed in his pants the first time he saw his amazon girlfriend bounce her large breasts up and down for him, and DID in fact cum when he saw her crush a walnut between them to dust.

Carmen loved teasing and taunting Dave with her hard powerful sexy body. Whether it be by crushing a large watermelon between her thighs, and having him come over and lick all the juices off her, OR by bending steel bars over on themselves, making her large thick chest and arms expand even more with female muscle, OR by just lifting him up, as easily as a bag of groceries, and fucking him senseless in mid air. Dave simply couldnt get enough of his beautiful, sexy muscle girl, and she truly couldnt get enough of him. Dating for over 5 years, and engaged for alittle under 1, they knew they were a perfect match for one another, and that they would make each other happy for the rest of their lives.

"Oooooohhhh honey.....that's it.....I can feel your cock getting bigger.....Mmmmm.....getting harderYes my love.....Yes.....give it to me baby.....Uhhhhhh.....give it all to Carmen baby.....cum inside my muscle hole, lover.....feel my hard body.....Ooooooo.....all around you.....holding you.....protecting you.....Uhhhhhh.....loving you.....YES!!!!.....That's it baby....Cum baby.... CUM FOR ME, LOVER!!!.....YES.....YESS.....YESSSSSSS!!!!!"

With that, Dave shot an incredible load inside Carmen's pussy, causing her to thrust and gyrate wildly, throwing the bed up and down, lifting both their bodies off of it as if it was nothing. True this wasnt as quiet and secretive an ending as some of their other "Hidden Pussy Milkings", but they had no need to hide tonight. They were not at a friend's house, but at their own, and that meant there was no need to hold back, even an ounce.

"Uhhhhhhh baby.....God.....you are so fucking unreal, baby.....Ohhhhhh God....." Dave finally spoke out, his body feeling utterly drained, as he lie limp on his hardbodied fiancee. His cock still locked inside Carmen's cunt, just as his body was locked inside her mighty limbs.

"That was amazing baby.....Mmmmmmm.....you're so amazing, my love....." Carmen cooed back, as she leaned down to lick his ears.

"Honey, I didn't move a muscle, you did all the work"

"Shhhhh baby, if I say youre amazing, then youre amazing. Don't want to argue with me, now do you?" she teased, as she give his body a gentle, though very powerful, squeeze.

"Ufffff....no baby, whatever you say" Dave joked back.

They spent the next hour locked in one another's embrace, a place where neither of them would ever wish to leave. Carmen, holding him tight, rubbing his back, caressing his head. Dave, cuddling into his fiancée's thick shapely body with all the love he had. They were indeed perfect for one another, and truly couldn't wait to spend the next 60 or 70 years with one another, and eternity after that.

"I love you, honey" she softly breathed into his ears, brushing his hair gently with her fingertips.

"I love you MORE, baby" Dave joked back, with a quiet smile on his face. On ongoing joke between them both for as long as they could remember. Each one professing greater love than the other, when deep down they both knew their love for one another was limitless.

"Don't get me riled, Poofie Boy. You know what this body of mine can do when I get going" she breathed teasingly, as she constricted her vagina muscles around his still enveloped cock, causing him to both yelp in pain and pleasure. "Happy Birthday, lover"

"Thanks, baby. Thanks for everything tonight. The dinner, the gifts.....the muscle fucking" Dave laughed.

"HA, you think that was muscle fucking, eh? That was NOTHING, my dear. If I gave you a nice muscle fucking before, you'd still be unconscious now" Carmen replied, as she reached down and started kissing his eager lips. "And dont thank me yet, lover, your Birthday isn't over yet"

"Huh? What do you mean?"

"Well, as they often say, I've saved the best for last. And if my hearing is right....." DING DONG
".....then your final gift has finally arrived"

"Baby? What's going....."

"Shhhhhhhh, just relax darling, I'll be back in a bit" Carmen then lifted Dave's body off her and made her way out of their bedroom, grabbing a sexy see-through kimono to throw around her as she did.

Dave lie still, anxious as a little boy on Christmas morning. He had no idea what this final present could be, but knowing Carmen as he did, it was bound to be out of this world. She never ceased to amaze him with her gift ideas to him. He was far from a greedy or selfish man though, and always gave back to her in kind, but he knew when she set her mind to getting him something special, that it was going to be that, at the very least.

Minutes later, he could hear footsteps approaching their room. He quickly grabbed a thin layer of sheets to help cover his naked body, not knowing who else was returning with his beautiful baby.

"Oh, don't be shy baby, that's just going to ruin the enitre surprise" Carmen breathed sexily as she entered the room. Behind her was another woman, another Female Bodybuilder from the look of her in her scantily clad outfit. Much to his embarassment, Dave's erection sprang forth again, easily lifting the thin layer of sheets around it as it did. "Mmmmmm, see Jen, I told you he just loves a hard powerful sexy woman" she cooed.

"Mmmmm yeah, and he looks as delicious as you said, Carmen" Jen replied, a large smile across her beautiful face.

"Well lover, you always said you wanted to try a little threesome. Who better to join us than Jen here. Another shapely, hard and muscular amazon girl" Carmen teased, as Jen started to sexily strip from her incredibly tight outfit. "Jen has been training at my gym for about the past 3 years now, and being an athlete all her life before that, it didn't take her long to get that ultra strong and shapely look I know you love, baby" As Carmen spoke erotically to Dave, his cock stiffening even further at the sight before him, Jen would start flexing, posing, and moving her thick muscles in every FBB pose imaginable.

"Baby? You're kidding.....you're not planning to.....I mean, you two.....and me.....???"

"Mmmmm, like I said before my darling, Happy Birthday" she continued, blowing him a kiss as she did, before removing her soft silken robe. "But first, I want you to just lie back, cause we also have a little show for you before we start in with you" Carmen added, licking her luscious lips as she did. "Jen, if you'd be so kind?"

"Yes, of course Carmen" Jen added with a seductive wink, as she sexily sauntered out of the room. The sounds of a slight struggle were briefly heard, followed by a set of single light footsteps returning to their room. Jen returned with a man, dazed and limp, draped over her large firm shoulders.

"Baby, this is Russell, Jen's soon to be ex-boyfriend. You see, he was stupid enough to try and two-time Jen here without her knowing. Too bad the girl he was trying to get with was also a regular at our gym, and quickly told her what was going on"

"Yeah, too bad is right. Cause one thing you dont want to do with a girl who can bench press 350 lbs is cheat on her" Jen continued, as she dropped Russell onto the ground with a huge THUD. "Now you two just sit back and get comfy.....this is going to be fun" she cooed.

Carmen then strolled over to the bed, where Dave still lie shocked at the incredible events happening before him. She gently guided him to a sitting position, facing Jenny and her unlucky ex, and then sat directly behind him. Her legs wrapped tightly around his waist, her arms coiled under his arms, holding him close and fast. She could literally rip him in two in this position, crush and shatter every bone in his body, but Carmen would never do that to her true love. Her hard sexy muscles could be as gentle as they were devastating, as soft as they were rough.

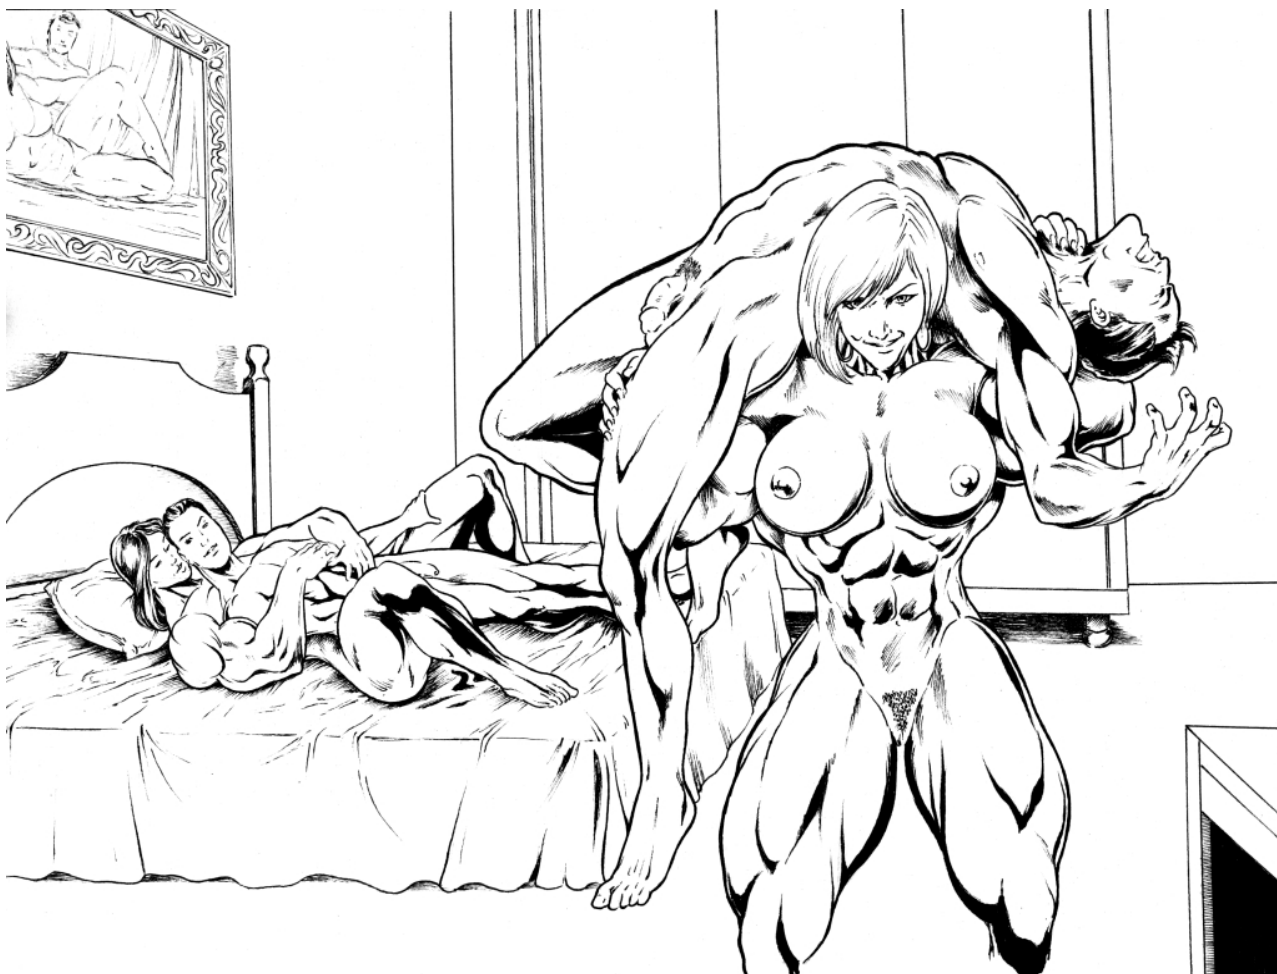

"Now just sit back onto Carmen baby...." she breathed into his Dave's ear, pulling him closer as she did ".....just relax and enjoy the show, my love. Anytime you're ready Jen"

Jen acknowledged the bedside couple with an excited smile, which then quickly turned to a very serious and intimidating scowl. "How dare you try and cheat on me!" she scolded Russell, as she bent down to pick up back up off the ground. She effortlessly draped him over her shoulders yet again, this time in the opposite direction for a back breaker. "How could you think I wouldn't find out! How could you think that I wouldn't be doing this to you when I did!!!" she growled, pulling down on his neck and ankles, bending him backwards over her shoulders.

"ARRRRGHHHHHH!!!!!!!" he screamed at the top of his lungs. "PLEASE, PLEASE STOP. YOU'RE KILLING ME!!!"

"Oh no, not even close. But I might just do that before we're done, you lying fuck!!!"

"AHHHHHH!!! NO MORE, NO MORE I CAN'T....."

"No more? Come now Russ, this is just the beginning. We have an audience today. And if you think the little tussles we used to have were rough on you before, then my stupid little man, you ain't seen nothing yet" Jen taunted Russell, as she bent him down further over her back and shoulders. "I could kill you like this you know. Snap your spine in half, and make you crippled for life. And I should too, for even thinking about what you were doing!!!"

"ARRGGHGHHHHHH!!!!"

"Look at this body you could have had" she spoke out, as she stepped in front of the room's full length mirrored wall. "Look at these legs. See how shapely and sexy they are" she continued, as she posed and moved her legs in a variety of sexy leg shots, all the while holding Russell easily aloft. "See how smooth and silky they are. See how HARD and RIPPED and THICK they get when I flex them!!!"

"AAAAHHHHHHHHH!!!!" screamed Jen's outclassed victim, as she again pulled down on him across her thick back.

"Mmmmm, I see you like watching this baby" breathed out Carmen into Dave's ears, all the while using her hands to massage and tease his quickly growing cock. "Get hard for me baby....." she whispered further ".....Show me how much you LOVE strong sexy amazon girls, my honey" Her expert hands, her breath on his neck and this amazing muscle show in front of him, were driving Dave absolutely insane with lust.

"Oh God baby, Oh God I love you.....uhhhh.....love you so much, my honey" he softly spoke back, tilting his head behind him where a very passionate loving kiss awaited him.

"You see that? You see what you could have had? You see how amazing it can be for a man that loves female muscle? But no, you had to be stupid, and try to disrespect me like you did. Now you're going to wish you'd never been born a man, you cheating bastard!!!" Jenny growled, as she lifted him straight over her head, holding him there in total fear for 30 seconds, and then throwing slamming him HARD onto the ground.

"Uggghhhhh!!! I think you broke something!!!"

"Awwww, do you think that? Here, come here baby, and let me take a look" she mockingly spoke as she bent down to where he lie, and wrapped her arms around Russells chest. "Do you really think I broke something, baby?" she continued, as she flexed and straightened her thickly muscular legs, carrying him completely off the ground in a crushing bearhug. "Hmmm, let me just feel a little closer baby"

CRACK

CRACK

CRACK

"AARRGGHHHHH!!!! OH MY GOD, YOU'RE KILLING ME!!! STOP!!!!!!!!!"

"Awww, I'm sorry, I was just trying to see if I had broken anything. You were right, I think you have 3 broken ribs. hee hee hee" she giggled.

Dave's cock jumped and throbbed tremendously at the sight before him, especially at the sounds of Russell's screams and newly breaking bones. Feeling his amazon girl's unreal body wrapped around him, causing him such intense pleasure, all the while seeing Jen totally destroy this man in front of him, was almost more than his senses could bare.

"Ooooo, Dave likes it when you break bones Jen. What say we get a little more broken? For his Birthday?" Carmen teasingly asked.

"NO!!! NO, Please....Please I'll.....hmmmmffffff!!!!"

"Quiet you" Jenny breathed, as she stuffed his face into her full hard tits. "When it's your birthday, you can get what you want, but since it's Daves big day, and he loves it when your bones snap.....Well Dave, Happy Birthday" she spoke, as she harshly thrust Russell's face further into her meaty muscular chest. His nose snapped in a split second, followed quickly by other crackling sounds coming from his jaw. Russell's exhausted screams could barely be heard from inside her enveloping chest muscles.

"Ooooo yeah, you like a nice tit crush, don't you lover" Carmen made out, flexing her thick beefy chest up and down across the back of Dave's head and neck. "You remember how I made you cum in your pants the first time you saw me crush a nut to pieces in these pecs, my love? Remember how I used them to massage your face before while my tight muscle cunt was milking you dry, baby?"

"Oh God.....yes.....Yes, I remember it all.....God you're so amazing Carmen.....ughhhhh.....I love you so much baby.....uhhhhhh.....so much....." Dave replied, as little drops of pre cum started to drip down his erect penis across Carmen's massaging fingers.

"Hey, dont start without me, lovers" Jen spoke out. "Just give me a sec with this guy.....Ughhhh" she growled, and with an intense burst of pressure from her muscle packed tits, she knocked Russell completely unconscious. She then relaxed her chest and released her arms, which caused him to fall limply to the ground with yet another echoing THUD. "Got room in there for one more?" Jen cooed, as she started licking her lips, her eyes seductively half closed.

"Anytime for you, girl" teased Carmen back, as Jen gave a large sexy smile. "Just relax darling, I promise you'll love what we have in store for you" she breathed into Dave's awaiting ears. She then maneuvered Dave into a combination full nelson and body scissors hold, from behind. No pressure was applied, for fear of really hurting Dave, but he was held totally immobile and helpless. His body stretched almost to its maximum, his thick throbbing cock sprang at full attention above him.

"Stay hard for Jenny. Don't be afraid, I won't hurt you" Jen cooed as she slowly approached the lust filled couple. Licking her lips with excitement, Jen slowly leaned down to his cock, gave it a long slow lick and then softly nestled in snug and firm in between her large meaty tits. "Hold on tight Carmen, this is sure to get him going" With that, Jen started pulsing her tits, rolling and bouncing them all around Dave's cock. Gently, softly, massaging his dripping member just with the movements of her chest muscles alone.

Dave tried jumping and moving with all the strength he had, but it was nothing next to his Amazon fiancée's powerful hold on him. "Told you this would get him going" Jen breathed softly to Carmen, as she increased the speed of her pec flexes. "You see Davey, a strong sexy woman can use her body for pleasure, and not just pain, as you saw earlier"

"Uhhhhhh....God.....God.....Uggghhhh, I can't hold out baby.....Ughhhhhh.....Please....."

"Shhhh, it's alright my love. Cum for us, my honey. Cum all over Jen's beefy tits. Show us how much you love a hardbodied amazon girl baby. Cum, cum for Carmen!"

With that, Dave let out a huge lust filled groan as he shot his full load of juices all over Jen's massaging breasts. "Yes! More Davey boy, shoot more on these big thick melons of mine. Yeah, that's it!!" Jen erotically growled as she took her hands and began rubbing his juices into her chest, twisting her erect nipples hard as she did. Making them shine and glow, showing off every inch of her amazingly hard and voluptuous breasts.

"That's it lover, give it all to us baby. That's it my love" spoke Carmen, as she erotically licked and kissed Dave's ear from behind.

"God baby.....God, that was so.....Uhhhhh.....so Amazing baby" Dave barely had the breath to make out.

"Anything for you, my darling. Anything. Now you just rest up, relax, and watch your two sexy muscle girls put on a little show for you, baby" softly spoke Carmen, as she placed Dave's body up against the head of their bed. She then seductively sauntered on over to Jen, arms outstretched towards her as she did. The two of them then began touching, and licking, and kissing, and sucking one another. Every inch of both of their hard, shapely muscular bodies were being erotically tickled and teased by the other. Their eyes, half closed, filled with muscle lust. Their tongues licking their own lips in passion just as often as they would lick one another's gorgeous bodies.

Dave had little time to rest his raging hard-on, since this unreal muscle display was driving his cock to full erection yet again. First slowly gyrating up and down where he lie, he then started stroking his cock and moaning little moans of sexual erotic pleasure. Seeing these two incredibly beautiful women, with such amazingly sexy physiques, playing with one another as they were was truly every muscle lover's dream come true.

The girls moans increased in volume and intensity, as Daves did. They loved putting on a show for him. From light girlish tickles to hard rough gropes, these two muscular amazons explored each others bodies to the fullest. Touching each other was causing them more erotic pleasures than either of them thought possible. Though a few seconds later, a fourth voice moaning could be heard in the room.

Russell was coming to, and moaning in pain and agony at the damage his ex-girlfriend had just caused him. Dazed and confused, he could only get to his knees, and try to get his head to stop spinning, his limbs to stop aching, his bones to stop screaming.

"Mmmmmm, looks like we got.....Oooooooo.....got more company Jenny" Carmen breathed, as she was licking Jens hard nipples.

"Uhhhhh, yeah.....Oh yeah.....what say we show Davey our "Double Muscle Fuck Lock", my beautiful amazon lover?" Jen replied.

"Ooooooo, sounds yummy" Carmen cooed, licking her lips. "Hold on to that load baby, you're going to want to save it for what we've got in store for you" she spoke out to Dave, who was furiously stroking his hard dripping cock.

With that, the two muscle girls reluctantly split apart from one another, and sexily made their way over to where Russell lie. His face down, his vision still a blur, he couldnt make out the sight of the two Amazons heading his way.....not that he could have done anything to stop them if he could.

Roughly, savagely, primally both Carmen and Jen grabbed Russell's beaten form, to his screams and pleads to stop, and positioned him into their favorite double hold. They straddled him, shoving his cock inside Jen's tight moist pussy, as they pushed his face into Carmen's dripping cunt. They then stood up, holding Russell totally off the ground with both pairs of their thick meaty thighs, and began to flex and pump and squeeze both his body and his head to their breaking points.

"Mmmmm, better get that tongue working Russ....."

"Ooooooh, and that cock hard....."

"Or we're going to crush you until.....Uhhhhhhh.....you explode!!!" they both concluded together as they gave him a rough mangling squeeze.

Facing one another as they mercilessly raped Russell, they reached forward and continued touching and groping each other's powerful bodies. Russell's screams of pain and terror served only to excite them even further, causing them to thrust to and fro, stretching his body as well as crushing it between their beautiful beefy thighs.

"More licksMore tongue.....Oh God, YES!!!"

"Get that cock harder.....Mmmmm.....Deeper.....Yeah, that's its....THAT'S IT!!!"

As they both continued to erotically scream out, completely deafening out Russell's pain filled moans, Dave still laid on his bed, stroking his dripping thick cock harder and more passionately then ever before. This utterly unreal site before him was threatening to again completely shut down his senses. Both his amazing Amazon fiancee, and a new equally incredible muscle girl, were tearing this man's body to pieces, all the while giving one another the most intense orgasms hed ever seen.

"HARDER CARMEN.....OH GOD.....FLEX HARDER.....SQUEEZE HIM HARDER!!!"

"GOD YES!!! HARDER AND STRONGER!.....MORE JENNY.....MORE MUSCLE!!!"

CRACKLE

SNAP

POP

Then, in that one orgasmically ultimate instant, all three of them cummed forth a great stream of thick love juices, greater than any of them had seen before. Dave shooting all over his exhausted hand, neck and chest, Carmen and Jen drenching the again unconscious Russell with their hot wetness. With a slight seperation of both of their crushing thighs, Russell fell to the ground yet again. His destroyed body looked like it had gone 12 rounds with a heavy weight boxer, rather than a primally charged muscle fucking from a pair of sexy hardbodied girls.

"Oh God.....that was unreal Jenny" cooed Carmen, bringing herself down from her erotic heights.

"Mmmmm, you're not kidding, baby girl. Don't think he'll be giving us any more trouble any time soon" Jen spoke, as she gently nudged Russell's limp body with her foot, which caused both girls to giggle and laugh.

"Happy Birthday, Tiger" Carmen sexily spoke out to Dave, as they both hit mammoth double bicep shots at him, causing their muscle to swell and harden and ripple even more than before.

Dave looked physically and mentally drained. The muscle shows and displays these girls were performing, solely for him, was like nothing Dave had ever dreamt of. Sure he'd done so many incredible things with Carmen, and they were nothing less than perfection. But adding in another sexy hardbody, all the while totally destroying this man right in front of him, FOR HIM, just blew his mind to pieces.

"Awww, your little boy looks pooped, Carmen" Jen teased, as she walked behind her, stroking and tickling her muscles as she did so.

"Shhhhh, don't worry baby, we'll take a little break now. Let my big strong man rest up for later" Carmen softly made out to Dave with a kiss.

"Later?" Dave added.

"Of course, my love....." Carmen softly continued, as both she and Jen made their way to join Dave on their soft full bed, completely snuggling him on every side with full, thick female muscles. ".....we still have so much more for you, my baby.....hope you're ready for us"
