\*\*\*\*\*

It took a while, but eventually the ladies managed to tire Mike out.

After he had pumped a first massive load of cum inside his mom's epic ass, Mike just kept going, and so did Julia. While he humped his unyielding boner into the squeezing depths of her buttery rectum, Julia continued riding him hard and fast, bouncing her gorgeous mommy-rump on his lap with wild, cock-hungry passion. More than the desire to celebrate Julia's triumph in the naughty challenge that Jennifer had thrown, the uninterrupted intensity of their coupling came from the deep loving lust that bonded mother and son together, but of course the thrill of victory was a nice bonus.

However, Jennifer took her loss in stride. Never one to dwell on the negative side of a situation as long as there was something positive to grab onto, Jennifer quickly found solace from her defeat in a steamy lesbian threesome with her nieces. Licking and fingering and making good use of their numerous phallic toys, Lyla and Lori took great care of their aunt's naughty holes, and of course Jennifer returned the favor with much pleasure.

The three of them were still caught up in their pussy-munching, asshole-rimming and dildo-wielding antics when Julia, having recklessly ridden her son's horsecock with her big juicy booty until Mike once again flooded her bowels with his youthful seed, finally collapsed onto his chest, blissfully spent.

Panting and moaning, Julia gasped for air as her umpteenth assgasm rolled over her. She had cum anally countless times during that wild gallop, but feeling her already cum-lubed anal walls getting splashed with jet after massive jet of her son's sperm for the second time was such a powerful rush of endorphins that she simply couldn't handle it. Drowning in pleasure, with her huge mommy-boobs squashed against Mike's chest, the voluptuous mother clung to her handsome boy, hugging him tight as his arms wrapped her in a possessive, loving embrace and his huge dick throbbed and pulsed deep inside her thoroughly creampie'd ass, filling her full of his warm liquid essence.

To Julia's delirious joy, once Mike was done roaring in climax and painting her anal passage white with his cum, he rolled them both over until she was lying on her back and he was on top of her, missionary style. Julia's squeals and giggles of delight turned into lusty moans the moment Mike swiftly withdrew his sperm-dripping dong from her well-fucked asshole and quickly slotted it into her gushing wet mommy-slit. The feel of her son's massive slab of dickmeat entering her pussy and

lustfully pushing balls-deep inside her, stuffing her vaginal passage to utter perfection, took Julia's breath away and instantly re-triggered her latest earth-shattering climax, propelling her straight into a dazing orgasmic state before Mike even started fucking her. And as soon as he did start pounding her pussy, her pleasure flared up even brighter.

With her legs locked around his midriff and her huge melons wobbling away in time with his crazy humping rhythm, Julia wailed and sighed and gasped incessantly while Mike proceeded to plow her juicy, shaft-caressing mommy-pussy like a lovestruck, rut-crazed caveman. By the time he finally came, spraying her soft vaginal walls and filling her womb with another monumental load of cum, Julia was a smiling, sweaty, ecstatic mess. Lying on top of her, panting and groaning in pleasure as her divine slit milked every last drop of cum from his flexing schlong, Mike instinctively smooched and lapped and sucked on Julia's fabulous tits as the two of them held each other in the glorious sweetness of their shared afterglow.

Exhausted as she was, Julia was at the same time feeling more alive and energized than ever. It was a warm tranquil sensation that she loved, one she had come to know very well, since it never failed to wash over her every time she was joined with her adored son like that, truly and completely.

Eventually, while she was still floating off on the fluffy clouds of her post-orgasmic trance, Julia felt Mike's big chubby cock slide out of her cozy, cum-drooling pussy. Groggy as she was, she just batted away any emerging trace of disappointment with a long, deeply sated sigh. Yes, of course Julia would have preferred it if her beloved boy had remained jammed deep inside her mommy-hole a little longer, or forever, for that matter. But the voluptuous mother wasn't greedy, nor was she jealous. Her son had other holes to fuck, she knew, and since those holes belonged to her own sister and daughters, whom she loved too, Julia understood and let it happen.

Besides, Julia thought even as she dazedly opened her still unfocused eyes to see Jennifer and Lyla descend upon Mike's half-hard cum-dripping sausage and start slurping and sucking away at it like it was their last meal on earth, there was no need to be jealous nor greedy. Her relationship with Mike was special and unique beyond description, and powerful enough for Julia to relax and enjoy the fact that her horse-cocked boy was virile enough to give Lyla and Jennifer some of his manly dickmeat and potent creamy seed, even after satisfying her and bathing her holes with a total of three huge loads like he had just done.

In truth, on top of the primal emotional bond she shared with Mike, the massive rivulets of his thick white cum oozing from her pussy and asshole were just one more among many other signs that marked Julia as the alpha female in the family hierarchy. And of course, as the queen, she knew when and how to be gracious with the other lionesses in the pride.

While Jennifer and Lyla sucked Mike back to rock hardness and then got on all fours, offering him their lovely holes for a thorough pounding, Lori got busy too. Biting her lips in anticipation, she slid between her gorgeous mom's legs and began greedily devouring her pussy and asshole.

Julia moaned with a mixture of pleasure and surprise as Lori lapped away at her freshly creampieped and copiously sperm-leaking holes, since she knew that Lori wasn't too keen on male seed. And indeed, Lori's goal wasn't to slurp up her brother's abundant cum, like her twin or her aunt might have done in that type of situation. All that Lori wanted was to go to town on Julia's irresistible pink holes, and that's just what she did, with gusto. In Lori's mind, it was such a rush to eat her sexy mom out that Mike's seed dripping from her pussy and butthole didn't dissuade her from her oral worship in the least. Besides, she had a plan.

Lori's initial incursion on Julia's holes was, much to Julia's shock, a veritable cum scooping mission,

but as soon as Lori had sucked up a good dose of Mike's sperm into her mouth, she promptly crawled up her mom's voluptuous body, locked her seed-glossy lips with Julia's, and then proceeded to spit her brother's milky seed into their mouth in a lewd jizz-sharing smooch. Receiving that snowball kiss from Lori thrilled Julia immensely, as was the case for the subsequent three similar sperm-transferring kisses that Lori planted on her eagerly receiving lips. At that point, having licked and slurped and vacuumed both of her mother's holes clean of every trace of Mike's loads, Lori really got to work.

While Mike rammed his huge dong into his sister's and aunt's pussies and assholes in turn, making it up to them by fucking their holes with all the youthful vigor he was capable of, Lori treated herself to the forbidden feast that her mom's freshly plowed slit and anus offered. It was such a turn on for Lori to go down on her mother that she fingered herself to climax repeatedly while making Julia cum over and over again with her devoted clit-nibbling and sphincter-rimming attentions.

Eventually, after Julia was close to passing out from having too many orgasms and Mike had filled Lyla's tight asshole and Jennifer's juicy pussy with a big load of cum each, the lust-daze that had descended on them all began to dissipate.

It had taken a while indeed, but finally Mike's energies were spent, his balls were drained of cum and his huge dick lost its raging hardness and began to soften.

Panting and yet smiling from ear to ear as he gloried in the orgasmic sounds escaping his sister's, aunt's and mother's mouths, Mike plopped down on a lounge and exhaled. Sweaty, sated and deeply proud of himself, he smiled as he basked in the priceless melody of feminine pleasure whimpers and moans emanating from all around him.

At that point, the sunny summer afternoon was turning into warm evening, and everybody was glowing with satisfaction. Happy and yet quite depleted, Mike was glad when Lyla gathered her wits enough to speak.

“Man, that was fun! But I'm kinda hungry now... Anybody else hungry?”

A chorus of panting, breathless assent rose from the rest of the family.

“Okay, let's order dinner!” Lyla brightly said, grabbing her phone.

\*\*\*\*\*

While waiting for dinner, Mike had taken a nice shower. Alone.

Not trusting her older sister to behave (and rightly so), Julia had made sure that her boy was allowed some recuperation time on his own by forcing Jennifer to share a shower with her. That Julia would be able to keep an eye on her saucy older sister and prevent her from sneaking into Mike's shower. The grumpy sighs with which his aunt had followed his mom into her bathroom had made Mike chuckle. Apparently, his mom was right: his aunt had indeed been planning no sneak into the shower with him for some extra curricular shenanigans!

On the one hand, Mike was sure that showering with Jennifer would have been interesting to say the least, but he really couldn't complain about his mom stepping in and preventing that naughty plan from coming to fruition. It wasn't like he was short on sexy opportunities anyways, far from it! Indeed, the mere thought of his mom and aunt showering together, much like Lyla and Lori must

definitely be doing as well in their shared bathroom, gave Mike a solid semi-boner all through his own lonely shower. Understandably, his mind was filled with a plethora of sexy images involving the gorgeous females of the family, and yet, despite all that inspiring material, he resisted the temptation of rubbing one out.

His mother had a point, Mike thought, and he could really use some recuperation. After all, who knew what might happen after dinner? Also, Mike recalled with a chuckle, Lyla too had been very clear earlier that afternoon, when she had told him in no uncertain terms to save his precious loads for them and not to waste a single drop of cum jerking off.

It was a naughty and twisted kind of wisdom that he was receiving from his mother and big sister, Mike considered, but wisdom it was nonetheless. And so he saved his energies and patiently waited.

As was always the case when Lyla was given free rein with the choice of restaurant and the specifics of the menu, dinner was a sumptuous affair.

Lyla had ordered a lavish banquet from her favorite Chinese place in town, and she had accurately picked each family member's favorite dishes, plus quite a few extras of her choosing for the table. The result was a great meal for everyone involved, and especially for Mike, towards whom Lyla kept pushing this or that thing all through dinner, sometimes even playfully feeding him morsels with her own chopsticks, dumping treat after deliciously nutritious treat right into his chomping maw over and over again.

At some point, a smiling Julia ironically pointed out that not even when they were little had Lyla been so interested in making sure that Mike ate his fill, to which Lyla replied between giggles: "I know, Mom, but now it's important! And it's for a good cause!"

"Oh really, sweetie?" Julia chuckled in turn, already sensing a naughty punchline coming.

"Of course! He needs his strength so he can fuck me, you and aunt Jenny, and pump us all full of cum!" Lyla replied, eliciting a peal of general laughter.

Smiling placidly and savoring the ladies' hilarity, Mike just nodded and kept systematically stuffing his face with food.

\*\*\*\*\*

By the time the meal was over, Mike was pleasantly sated and felt full of energy again.

Lyla, Lori and Jennifer had moved to the living room and were enjoying their postprandial buzz lounging on the couch. Jennifer was sipping wine while watching TV, while Lyla and Lori were putting after-sun lotion on each other's shoulders while chitchatting back and forth in the typical hushed tones that they used when they were engrossed in a reciprocal task and synced in full twin mode.

Meanwhile, Mike was still in the kitchen. In recent months, he had become much more aware of all the stuff that his mom did for him, and of all the work it took to keep things on track at the house. That realization had made him much more eager to lend a hand, and that eagerness was further boosted by the sexual favors that Julia never failed to treat him to as a reward for his help.

In general, Mike did enjoy spending time with his mother, and especially so since they had started

having sex. There were always many perks to being around a voluptuous MILF like Julia, ranging from ogling her big juicy tits and round bouncy bubble-butt to brushing up against those matronly curves in an innocent or not so innocent manner. As Mike had learned all too well at that point, once some rubbing and caressing and fondling action started, it was often the case that one thing led to another, much to his own and his mom's enjoyment. And that time turned out to be no different.

Since it was a warm summer evening, Mike had only put on a pair of boxers and a T-shirt after his shower, while Julia wore a light blue summer dress with thin shoulder straps, a simple yet classy little outfit that hugged and enhanced her matronly curves and barely reached to her mid-thighs, showing her shapely legs in a most inviting way. The low neck line of her dress allowed her big mommy milkers to be generously showcased, and the heavy, persistent wobbling of those giant melons left no doubt about the fact that Julia wasn't wearing a bra.

Unsurprisingly, Mike was sporting a huge bulge as he stepped behind Julia to put away the last of the dishes in the cabinet above the sink. While they cleared the table, Mike had already brushed up against his mom's big juicy ass a few times to let her feel his bulging boner, and, as he sat at the table drying the dishes, she had repeatedly leaned close to him until her massive boobs were practically in his face. However, beside some giggling and gasping, nothing much had happened so far. But once the work was done, mother and son were more than ready to play.

Pressing himself against her soft curvy body, Mike assertively pulled up Julia's dress to reveal her fabulous mommy-rump. The sexy black panties she was wearing covered none of the fleshy expanse of her protruding asscheeks, the minuscule amount of cloth having completely disappeared in the lush cleft of her butt-crack. The way that flimsy thong bit into her juicy hips made the roundness of Julia's plump booty stand out even more, causing Mike's boxer-clad erection to flex at the sight. In a single motion, he pressed his thick bulge right between his mom's asscheeks while wrapping his arms around her, holding her tight in a loving boob-pawing embrace.

If Julia's eager giggles and husky purrs weren't clear enough signs of her appreciation of her horny boy's actions, she gave him further confirmation by immediately pushing her big ass back against his tenting crotch. Rotating her bubble-butt and grinding sexily against his boner, Julia made sure that her boy's rod was nicely wedged between her plump asscheeks and then began gently humping back, undulating her booty up and down, massaging his boxer-trapped dick with her meaty globes. As a final indication of her sinful willingness, Julia pulled down the thin straps of her dress, unveiling her big mommy tits in all their naked glory and allowing Mike to fill his needy palms with them.

As he pawed her magnificent jugs and bucked his clothed dong along her luscious ass-cleavage, Mike leaned closer until his lips met Julia's in a torrid kiss. As they started making out, Julia reached between them and freed Mike's hugely swollen schlong from the confines of his boxer. The feel of his mom's hand stroking and pumping his hard dick made Mike moan louder into Julia's smooching mouth, and his cock throbbed with desire in her caressing grasp as he looked down to see that she was urgently pulling down her panties with her free hand.

The fact that she was removing all the obstacles between his precum-leaking glans and her lovely mommy-holes on her own, thus allowing him to keep kneading away at her massive boobs, made Mike wild with lust. As he kissed her soft lips like his life depended on it, Julia guided his rock-hard pole deep into her butt-cleavage, until Mike felt the warm, juice-drooling softness of her welcoming pussy lips enveloping his glans. Mike was about to push himself inside his mother's eager slit and cram his dong balls-deep within the wet warmth of her divine pussy, when he was yanked out of the lustful fog that had descended upon him and Julia by a loud voice.

“Don't think we don't know you're fooling around in there! We can totally tell!” Lyla hollered from the living room, her words dripping with giggles. “At least come here, so we can all see it!”

“Yeah, Jules!” Jennifer echoed her niece, chuckling teasingly. “Just because you won the bet, doesn't mean you can hog Mike's dick!”

“Actually, Aunt Jenny, it kinda does. I mean, she did win...” Lori pointed out.

“Yeah, I know, but don't tell her that!” Jennifer quipped back, causing Lyla's giggles to burst up into laughter.

“She already knows, obviously!” Lori retorted with an snarky scoff.

“Well, just... Don't remind her, okay?” Jennifer exhaled in exasperation.

As soon as she was able to speak through her laughter, Lyla ended that silly back and forth between her twin and her aunt by yelling out again. “Just come here already you two! Come on! Sharing is caring, and all that kinda stuff!”

Sighing and yet smiling, Julia broke their kiss and looked into Mike's lust-glazed eyes.

“Well, baby... Our presence is requested in the living room, apparently!”

“It sure looks that way, Mom,” Mike replied with a grin as he gave her tumid lips a final smooch and let go of her beautiful big tits.

Once she was free of her son's affectionate bear hug, Julia proceeded to take off her panties and summer dress, remaining fully and gorgeously naked. Mike's dick was flexing with hardness as he removed his own clothes like they were on fire. His mouth was drooling and precum was dripping from his bloated glans as he followed his mom's swaying, deliciously plump bubble-butt out of the kitchen and into the living room.

At that point, given all that had happen already, seeing Julia and Mike walking in buck naked didn't shock Jennifer nor Lyla nor Lori, not at all, but it certainly turned them on. While Jennifer and Lyla's eyes went straight to Mike's enormous, precum-leaking and throbbing hard erection, Lori licked her lips at the sight of Julia's glorious MILFy curves and moist pussy lips.

“Here we are!” Julia said, smiling knowingly at Lyla. “Any particular reason for calling us here, honey?”

“Yeah, Mom,” Lyla replied with a giggle even as she got rid of the tank top she was wearing, thus letting her huge melons jiggle away freely, much to Mike's visual delight. “Just one big, hard, juicy reason, right there!” she concluded, pointing at her brother's thick dong.

Chuckling in agreement, Jennifer slipped out of the skimpy top and miniskirt. Licking her lips and eyeing her nephew's monumental dick with undisguised lust, she cast Julia a quick sidelong glance and smirked. “Don't worry, Jules, you'll still get your share. Mike's got more than enough to go around!”

Placing her hands on her hips and glaring daggers at her mouthy big sister, Julia thought about giving Jennifer some sass back in kind, but then she just rolled her eyes and sighed. “You're lucky that I love you Jenny... So, so lucky...”

Letting out a throaty chuckle, Jennifer, now fully naked, sat up straight and smiled innocently at Julia, all the while making sure to jut out her huge tits and angle her matronly ass so that Mike couldn't help but drink that all in. "Aw, Jules... Love you too, sis!"

Within a few more moments, nobody in the room was wearing a stitch of clothing. Even though it wasn't exactly new to him, seeing his mother's, aunt's and sisters' beautiful naked bodies all at once still hit Mike really hard, boosting his already sizzling libido through the roof. So many big tits, plump asses and wet pussies, all concentrated in one place, were a mind-melting spectacle indeed. Lori too, whose slender body type was decidedly different from the voluptuous figure characteristic of the women in the family, was a beauty to behold. Even though he knew that she wasn't interested in getting plowed by him, Mike enjoyed having Lori around, because her normal curves served as a reminder of just how magnificently voluptuous the rest of the ladies were, thus reminding him of his crazy good luck.

Caught up as he was in admiring all those beautiful tits, round asses and sweet pussies, Mike barely heard the conversation going among Lyla, Julia and Jennifer.

His indecently swollen dick was reclaiming a significant portion of his blood flow, which meant that his brain, already in caveman mode, didn't have the necessary bandwidth to multitask. Sure, he was aware that the ladies were talking about something, but all his limited attention was devoted to staring at their mouthwatering feminine curves.

Indeed, given his lust-addled state and the plentiful choice of gorgeous targets onto which to orient his ogling eyes, Mike had trouble picking something to stare at fixedly: there were just so many options!

Breathing hard and consciously making an effort not to drool at the sight, he greedily shifted his gaze from his mom's massive melons wobbling side to side, to his aunt's puffy nipples drawing circles in the air as her large tits swayed heavily in time with her breathing, to Lyla's big bubble-butt jiggling gorgeously all over the place as she jumped in place, for some reason. And then he was back to ogling his mom's booty as she walked right in front of him, facing away and thus offering him a perfect view of her bouncy mommy-rump. Then, as soon as Jennifer stood up and turned around, Mike's gaze was captured by her big juicy ass, but only until Lyla's huge gravity-defying tits entered his field of vision and captured his attention, at least for the moment.

His staring frenzy went on for a while, being constantly fed by the plentiful outpouring of cock-hardening visions provided by his ladies. Mike was finally snapped out of that ogling trance only when he felt someone tapping him on the shoulder.

Blinking in surprise, he turned to see Lori standing beside him, looking at him with a slightly critical but mostly amused frown on her face and a thin smile on her lips.

"Mike? Mike, did you hear any of that?" Lori asked, her arms crossed under her perky, flawless titties. While she snickered at her little brother's lust-induced confusion, she nodded her head toward the couch. "Is that okay with you, or..."

"Uh? Whaaa..." Mike began, trying to regain some focus and maybe figure out what Lori was talking about. However, his efforts were crushed as soon as he turned toward the couch and realized what Lori was alluding to. "Whoa! Holy fuck!"

Somehow, in the few seconds that Mike had spent emerging from his tit-staring and ass-admiring

trance and acknowledging Lori's presence, Julia, Jennifer and Lyla had positioned themselves on the couch, so that they were all on their knees and bent over couch's backrest. In that position, facing away with their chins resting on their folded arms and their backs enticingly arched, the ladies were ensuring that their big gorgeous asses were perfectly showcased and pointed right at Mike and Lori.

“Jesus! Wow!” Mike exclaimed, blinking again to make sure that he was indeed seeing what he thought he was seeing. And indeed he was.

Mike's raging hard boner was leaking precum in a steady stream at that point and he was so hard that he could barely stand it. His breath caught in his throat as he feasted his eyes on that epic vision of callipygian glory. His mother's epic booty was at the center, flanked by Lyla's plump bubble-butt on the right and Jennifer's sweet round rump on the left. All three women were tittering and looking over their shoulders, wiggling their glorious asses at Mike and basking in his stunned, devouring stares and his adoring expression.

“Mikey, you have heart-shaped cartoon eyes right now!” Lyla giggled as she gave her big ass an extra twerk, making the perfect fleshy globes of her buttocks shake magnificently, much to her brother's ogling and moaning delight.

“Talk about heart-shaped...” Mike managed to murmur, straining his eyes in an attempt to drink in every detail of that scene, from the dick-hardening undulation of those three big beautiful asses to the dewy drops of girl-juice that glazed the ladies' offered pink pussies, and including everything else beside.

“So, like we were saying...” Lori resumed, only to be interrupted by Mike's enthusiastic, impulsive answer.

“Yes! Yes, I'm in! Whatever you girls decided, I'm in! And whatever *this* is,” he said, practically screaming with lustful joy as he pointed in awe at the three beautiful plump rumps lined up before him, all three wobbling and wiggling side to side as if beckoning him to get up there and ride them hard, “I'm totally in!”

From their enticing position ass-up on all fours on the couch, Julia, Lyla and Jennifer let out a collective giggle whose mixed tones blended together in a delicious chorus of naughty delight. That three-way girly laughter, so vibrant with forbidden desire and sweet playful naughtiness, fired up Mike libido even more.

“Alright then,” Lori said, shrugging her slim shoulders and nodding at her super horny brother with a wry smile. “So I guess you go ahead and I'll just go upstairs real quick to get my...”

Lori's voice trailed off rapidly as she watched Mike dashing straight for the couch, jumping on the middle cushion and quickly crouching over their mom's huge matronly booty. His horsecock was already sliding into Julia's drenched pussy even as Lori snickered, rolled her eyes and swiftly left the room.

Oblivious to all of it, and indeed to anything that wasn't his mom's welcoming, sinfully juicy pussy, Mike let out a growl of primal satisfaction as he crammed the full meaty length of his boner all the way into the wet warmth of Julia's vaginal passage.

“Holy fuck, Mom!” he grunted in a daze as he immediately started pounding her pussy, slamming his dong in and out of her dewy folds with steady, powerful thrusts that made the large globes of Julia's luscious asscheeks ripple beautifully under his bewitched stare.

“Uuhhh yes, baby! Yeeess!” Julia moaned in response, melting inside as she gloried in the rising waves of pleasure that smashed into her in time with the pussy-stuffing slams that her beloved boy was treating her mommy-hole to.

Pushing himself deep into her molten core at every in-stroke, Mike was reminding Julia once again of how perfect his dick was for her, how tailor-made it felt as it slid fluidly in and out of her shaft-smothering pussy. It barely took a minute of those deep plowing thrusts to bring Julia on the verge of a big climax, but, right then, Mike suddenly pulled out.

For a moment Julia felt unnervingly empty and was about to let out a groan of disappointment, but that sensation was over in the blink of an eye. Leaking precum and slick with her pussy juices, Mike's huge purple cockhead was pressing urgently against the puckered entrance of her anus, making Julia smile and purr with slutty anticipation. It was at that moment, while Mike's fat glans bulged out against Julia's eager sphincter and persuaded that miniature opening to widen and relax enough to let him pop inside, that Lyla's laughing voice rang out.

“Yep, I knew it! Not even two minutes in her pussy, then he's up her butt!” Lyla exclaimed, obviously amused. “I knew he could resist Mom's ass!”

“I wish he couldn't resist *my* ass...” Jennifer exhaled wistfully.

“Don't worry, Aunt Jenny,” Lori said as she entered the living room again, smiling from ear to ear and wearing a huge cock-shaped strap-on that wobbled heftily in front of her as she approached the couch on Jennifer's side. “I'll take good care of your asshole while you wait for Mike to be done with Mom!”

“Thanks, Lori, that's very sweet of you,” Jennifer scoffed, meaning to convey some measure of sarcastic gratitude, but only succeeding in the sarcasm department. “But I kinda need the real deal right now...”

“Okay,” Lori tersely replied, changing direction and heading toward Lyla's side of the couch instead. “Suit yourself.”

Even as Lori lined up her thick cock-shaped dildo with Lyla's eager pink pussy, a deep groan of forbidden pleasure filled the room. In truth, that lustful cry was the mingled joining of Mike's and Julia's entwined vocalizations, brought on by the penetration of his massive horsecock into her needy little asshole.

Glazed with her juices and his dribbling precum, Mike's huge dong eased its way into his mother's tight anus with the sort of fluid smoothness that came from repeated and frequent practice. Relaxing completely and opening up with indecent eagerness before her handsome boy's extra large sausage, Julia's tiny butt-ring dilated docilely, widening to indecent proportions to gobble him inside the cozy snugness of her rectum.

Loving how his mom's cute little bootyhole somehow managed to accommodate his rock-hard monstercock even without any lube apart from their mingled juices, Mike pushed forward steadily yet unhurriedly. Keeping his asslust in check for the time being, he packed inch after fat inch of dickmeat into his mom's ass almost effortlessly, such was the level of perfect sexual sync that the two of them had achieved at that point.

As Mike's giant cock bottomed out inside Julia's narrow rectum and her velvety smooth anal walls

tightened around him in a steamy shaft-engulfing hug, another wail of pleasure erupted, this time from Lyla's smiling lips.

“Oohh fuck yes! Yes, Lo, fuck me! Fuck meeee!” Lyla was moaning as Lori started slamming her pussy from behind at a frantic pace right after stuffing the thick dildo all the way inside her dripping wet slit.

On top of the fast pounding beat caused by Lori's toned thighs impacting against her twin sister's plump bubble-butt, the slower and steadier but already louder ass-clapping tempo produced by Mike's powerful booty-plundering thrusts into Julia's butthole added another layer to the taboo symphony echoing in the living room. Moans and grunts and the sexy slapping of flesh against flesh filled the air, while Julia and Lyla's pleasure-dripping voices grew louder and hotter with each second they got fucked.

With those stimulating background sounds filling her ears, not to mention the sight of her little sister's big round mommy-booty being crammed to the limit by Mike's raging horsecock while Lori drove her huge fake phallus in and out of Lyla's sweet pink pussy, Jennifer couldn't help but let out a groaning sigh.

“Damn it...” the sassy MILF exhaled grumpily as she waited for her turn. “This is definitely not my lucky day.”

Hearing that, Julia and Lyla couldn't help but chuckle in amusement. They each cast Jennifer a half-sympathetic half-amused glance, but their eyes were back to fluttering closed with pleasure in no time flat, their momentary chuckles immediately turning back to lustful moans. Julia in particular was breathing raggedly and letting out ever more incoherent sounds of ecstasy.

Pressing his chest onto her back as he crouched over her big bouncy mommy-rump and plowed away, Mike had wrapped his arms around Julia and was avidly cupping her huge swaying tits in his hands, pawing and mauling her massive melons as his rammed his dick in and out of her tiny little asshole with increasing urgency at each pass. The powerful and rapidly accelerating thrusts that her horse-cocked son was imparting on her narrow anal tunnel were making Julia see stars, causing a steady dripping stream of girlcum to overflow from her empty pussy.

Mike was pushing his huge dong so amazingly deep inside her receptive asshole that Julia was having a toe-curling mini climax every time he plunged balls deep into her rippling rectum. On top of that, the way he was holding possessively onto her big melons, squeezing her abundant boob-flesh and pinching her nipples while leaning onto her, with his muscular chest draped over her back and his grunting mouth close to her ear, was making her sizzle all over with pleasure.

Dizzy with sinful joy, Julia knew that a nice big assgasm was just around the corner. Any moment now, Mike would slam his fat slab of dickmeat all the way into the deepest depths of her asshole and hit just that special spot that only he could reach, and he would hit it just the right way, the way she loved, the way she had taught him to do in order to give her the best anal orgasm. He had learned so well, Julia thought, and he had practiced a lot, at least once a day ever since she had first let him buttfuck her, much to their shared sinful delight. And he was about to do it again, he was going to hit that deep hidden spot, and the orgasmic wave that his huge sphincter-stretching dong was about to trigger was going to be amazing. It was going to give her the kind of mind-melting tsunami of pleasure that she never failed to receive every time her beloved horse-cocked boy sodomized her, stuffing her asshole with all that passion, cramming her mommy-booty full of his giant dick like his life depended on it, just like he was doing once again at that precise moment.

Julia got so impossibly aroused by her own naughty thoughts that she couldn't wait a second longer. And so, knowing just how to motivate her horny boy, she talked to him. Dirty, of course.

“Uuuuhh babyyyy, yeeees! Yyyyyeeesss, more, baby! Uuhh! Give me moooore! Mommy needs your big fucking cock deep in her ass! Uuhhh I love it sooo much when you fuck my ass, baby! Uuhhh you're so deep in Mommy's ass! You're gonna make me cum, baby, yeeesss! My tight little asshole is sooo fucking full! Uuhh fuuuuck yeeesss!”

Julia's delirious words had their desired effect. Fueled by his mother's irresistible and perfectly sincere dirty talk, Mike redoubled his butt-splitting efforts, pounding his mom's spasming little asshole without restraint.

Julia loved it. Indeed, she was so overwhelmed with joy that she had to stop talking, she was just too pleasure-stunned to form coherent sentences. The increased intensity of Mike's powerful rectum-cramming in-strokes also accelerated the frequency of the back-to-back preorgasmic bursts that had been hitting Julia so far, causing those cascading mini-climaxes to explode more rapidly and violently. In a matter of moments, she could feel the looming presence of the huge anal orgasm she had been anticipating. It was close, and getting quickly closer.

Barely heard by Julia, whose whole being was projected toward her incoming anal ecstasy, and completely ignored by Mike, who was too busy relentlessly plunging his fat dick balls-deep into his mom's squeezing little asshole while he pawed her fleshy melons and rabidly kissed her neck, Jennifer clicked her tongue and snapped out of her brief moment of self-commiseration. It was time to act, and to turn things around in her favor, finally. And she knew exactly how to do that.

With a roguish smile on her lips, Jennifer quickly shifted position and slid underneath her sister's bent over frame. Lying on the couch with her face placed right under Julia's leaking pussy, Jennifer snickered as she mumbled: “Let's see if I can speed things up a little...”

Mere instants before Jennifer's lips made contact with her younger sister's drooling labia, Julia's massive assgasm hit her, hard. With his umpteenth butt-stuffing thrust, Mike jammed his dong balls-deep inside her rippling rectum, filling Julia's tightest and deepest anal recesses to utter perfection, hitting her most secret and sensitive pleasure spot just the right way, and thus triggering her much anticipated, giant butt-centric climax.

“Fuuuck! Yeeees, babyyyy, yeeees! Oowwhhhh fuuuckk... Cummmiiiiing!”

Julia's yells coincided with the surging of wave upon wave of sweet pleasure spasms that coursed potently through her dick-crammed rectum, making her velvety soft anal walls squeeze and release like crazy, trapping Mike's extra large cock in the most delicious anal vise ever. Well attuned to the ebb and flow of his mom's assgasms, Mike groaned in delight as he paused his rump-impaling cavalcade and let his boner soak in the heavenly tightness and warmth of her pulsating, shaft-tugging anal passage.

While Mike let Julia milk him from tip to root with her orgasming anus and Julia kept wailing out her indecent ecstasy, Jennifer furrowed her brow in disappointment.

“Jeez, so much for speeding things up... No need for *me* to do that, clearly,” she mumbled with a hint of bitterness in her hushed voice. But it faded quickly. As her eyes took in the succulent sight of her little sister's swollen, juice-slick mommy-pussy, the first dribbles of Julia's gushing orgasm began trickling down on Jennifer's face. Immediately, lust regained full rulership over Jennifer's mood, and dictated her next obvious action.

“What the hell. I might as well just roll with it!” Jennifer said to herself, and sprung into action.

The next moment, Julia yelled out even louder. “Fuuuuuck! Ooowwwhh! Uuhhh fucking fuuuuck, yeeees! Yeeees!”

Breathless and already orgasm-high, Julia was suddenly wide-eyed with surprise as she felt a wet smooching mouth sucking avidly on her drooling pussy lips and a hot wriggling tongue making its way into her soaked folds. Those oral attentions were as welcome as they were unexpected, and they added an extra boost of vaginal pleasure to Julia's already crazy assgasm.

At the same time, as he felt his mom's shaft-suctioning anal walls starting to pulsate even more intensely around his schlong, Mike realized what Jennifer was doing. A big goofy grin spread on his face as he silently appreciated his aunt's lascivious move, whose immediate effect for him was to receive an even more sinfully delicious anal blowjob from his climaxing mom.

Julia's protracted and maniacal pleasure screams made Lyla and Lori turn too, only to realize that their aunt was making out with their mom's empty pussy while Mike remained blissfully still, smiling and moaning, with his whole monumental shaft buried to the hilt inside Julia's tight little asshole. On top of the thorough pounding that her own dewy slit was receiving from Lori, that debauched sight did the trick, pushing Lyla over the edge.

“Fuuck! Holy fuck that's hot! Sooo hot! Uuuhh fuck, Lorii, yes! Yyyeeess!”

Lyla's whimpering moans of release joined Julia's delirious vocalizations, creating a beautiful song of pleasure that increased everybody's enjoyment of that forbidden moment.

As he savored the cock-milking spasms of his mom's narrow rectum, Mike feasted his eyes on Lyla's big round booty, which Lori was caressing reverently while also parting those plump cheeks widely, so that she could play with her twin's rosy little asshole while still humping her robust dildo into her gushing, climaxing pussy. The sight of Lori's thumbs toying with Lyla's butt-ring, pulling it open and gaping it enough for Lori to slide first one then the other thumb into that inviting little orifice, made Mike grin with approval and desire, which in turn made him laugh at his own ass-obsessive greed.

It was so crazy that he would be covetously staring at Lyla's asshole and wishing that he could fuck it, while his whole huge cock was currently crammed balls-deep inside his mother's velvety smooth anal passage! And yet, Mike reasoned with a grin, it wasn't all that crazy: after all, he had no doubt that he would get to pound his big sister's bouncy bubble-butt soon enough and stretch her lovely little hineyhole with his fat cock, so his voracious stares were at least somewhat justified. Or so Mike thought.

However, Lyla's squeezing pink anus wasn't going to be the next sheath for Mike's schlong. Not if Jennifer had a say in it, and she most certainly did.

Nursing on Julia's engorged clit and covering her soft pussy lips with lewd girlcum-slurping kisses, Jennifer eagerly lapped up every last dribble of nectar that squirted from her sister's slit. Indeed, her labia-munching attentions protracted Julia's assgasm by a good margin, so much so that, finally, Julia couldn't take it anymore. With her voice cracking and her whole curvy body shaking, Julia was forced to ask for a break.

“Uuuhh... S-s-stop, please! Enough, Jennyyy! Uuhhh fuuck! I... I can't, Jenny... It's too much! I can't

cum anymore... Ooowhhh it's... Too much!”

As much as she was enjoying making out with Julia's pussy, drinking her sweet love juices and making her lose her mind with pleasure, once those words were out of Julia's mouth Jennifer didn't waste another second. Smiling with anticipation, the sassy MILF unglued her suckling mouth from her sister's pussy, disentangled herself from her position underneath Julia's bent-over body and sat up on the couch with her huge boobs jutting proudly out and a feral grin on her tumid, nectar-glossy lips. Her eyes instantly locked with Mike's and she spoke in no uncertain terms.

“Alright, stud, you can pull that big dick out of your mom's ass now. It's Aunty's turn!”

Mike chuckled, appreciating the invitation very much. But before giving an answer, he cast a quick glance at his mother. Resting her head on her forearms, leaning heavily against the backrest of the couch, Julia had a blissfully dazed look on her face and a sweet vacant smile on her parted lips. Her obvious pleasure-sated vibe, and the fact that her whole curvy body was still visibly shaking and shivering with the power of the huge orgasm that had just blazed through her, testified to the intensity of her still rolling climax, and to the fact that she probably wouldn't mind a little break to recuperate.

Doing her best to catch her breath and to keep her eyes from fluttering fully closed, Julia nodded at Mike, smiling her yes do his unasked question. Only then did Mike address Jennifer again.

“Sure, Aunt Jenny! Your turn,” he said, meanwhile still leaving his giant cock sheathed all the way inside the cozy, heated snugness of Julia's anal passage.

Licking her lips as she nodded and grinned, Jennifer turned her voracious gaze toward Lori.

“And that goes for you too, missy! I want *both* of you to give me a good time. Aunty is in the mood for a good double fucking!”

“Oh, okay!” Lori said with a chuckle while planting a nice parting slap on Lyla's plump bubble-butt before slowly extracting her girlcum-dripping dildo from her twin's tight pussy.

While a still orgasm-dazed Lyla moaned in at the disappointing feel of Lori's plastic dong sliding out of her drenched folds, Lori turned toward Jennifer and eagerly asked: “So, how do you wanna do this, Aunt Jenny?”

Grinning from ear to ear, Jennifer patted the seat next to her on the couch, inviting Lori to sit there. As soon as her niece sat down, Jennifer straddled her and urgently impaled her needy pussy on the huge cock-shaped dildo jutting up from Lori's lap.

Moaning with satisfaction as her hungry slit molded itself around the huge toy, Jennifer pushed her massive tits right into Lori's face, smothering her niece with her big pillowy jugs. Far from bothered by Jennifer's aggressive approach, Lori immediately began sucking and slurping and nibbling away at the glorious expanse of boob-flesh that her aunt was offering her. Over the wet tit-smooching sounds coming from Lori's busy mouth, Jennifer looked over her shoulder at Mike.

Flashing him one of her signature mischievous smiles, the kind that promised all sorts of debauched delights and guaranteed full carnal satisfaction, Jennifer sultrily said: “Come on, Mike... Aunty's hungry little asshole needs a big fat cock...”

As she spoke, Jennifer arched her back even more, offering her big bouncy rump even more

explicitly. As she did so, she reached back with both hands and parted her cushiony buttocks wide apart, revealing the pink little pucker of her asshole. Immediately, Mike noticed that Jennifer's tiny sphincter was shiny with lube. That sight made him salivate and caused his rock-hard shaft to flex with horniness within his mom's tight, warm rectum.

“That's right, stud,” Jennifer said in a husky purr, wiggling her bouncy bubble-butt and spreading her cheeks open even more, all the while winking her tiny, lube-glazed sphincter at Mike for additional emphasis. “While you were busy riding your mom's rump, I lubed up real nice for you. And now you can give me the serious assfucking that I need so, so bad... Just plow my asshole as hard and fast as you want, Mike. I know I'm gonna love it.”

Mike's buttlust couldn't have been stoked more fiercely.

At that moment, he was staring at a deliciously pink, perfectly greased up, welcoming and well-trained asshole literally begging him to be fuck it with its every lewd twitching spasm, and he was doing so while his dong was still immersed in the buttery heat of the best ass in the world. And the most epic part of that whole crazy thing was that the lube-shiny asshole begging to be fucked belonged to his sassy cougar of an Aunt, while the magnificently snug dick-holster inside which he was currently sheathed belonged to none other than his awesome mom!

That situation was so mind-blowingly hot that Mike started to laugh out loud, such was the degree of his brain-scrambling excitement.

Even as Lyla glanced at him with unfocused eyes but still arching her eyebrows in doubt, vaguely wondering if her brother had finally gone crazy from persistent and aggravated overexposure to pure sexual awesomeness, Julia called Mike back to earth and to the lascivious task at hand. Over the sound of Lori's tit-munching moans and Jennifer's cooing gasps of pleasure, a still climax-dazed Julia softly spoke.

“Go ahead, baby. Show your aunt what Mommy taught you!”

Called back by those words, Mike kept smiling even as he regained some semblance of composure and then nodded at his beaming, orgasm-glowing mom. Having received a proper maternal blessing on the butt-pounding he planned to treat Jennifer to, Mike slowly but surely extracted his firmly buried schlong from the rippling, steamy depths of Julia's narrow rectum.

Mother and son moaned together as he vacated the steamy coziness of her anal depths, pulling more and more of his thick dickmeat out of the snug ring of her asshole. When his fat glans was about to pop out of her pulsating sphincter, Julia squeezed her anus around her boy's cockhead one final time, treating his knob to a debauched parting kiss.

Buzzing with horniness, Mike drank in the ego-boosting sight of his mom's gaping butthole, a perfectly round and rosy ring: it was the tightest, hottest, most deliciously addictive hole he had ever been blessed to fuck, and no matter how many times he had already plunged inside it, he still couldn't believe his luck. Savoring that lovely image, Mike exhaled and paused for a second, reverently caressing his mom's beautifully round asscheeks. Then he breathed in and moved over to stand right behind Jennifer's large, eagerly offered booty.

While Lori kept grinding into Jennifer's slit and stirring that soaked pussy with her huge strap-on dildo while slurping away on those huge meaty tits, Jennifer was sitting still, her buxom rack smushed into her niece's face, her back arched, her hands holding her big juicy asscheeks wide open, so as to make sure that Mike didn't miss his target. And of course he didn't.

Letting out a bestial grunt that was in fact just a pale indication of his raging buttlust, Mike lined up his achingly stiff dong with Jennifer's winking asshole and quickly slotted his bloated mushroom head inside that welcoming orifice.

Being the experienced anal queen that she was, Jennifer had no problem relaxing her anal muscles enough to let even Mike's huge glans pop easily past the twitching ring of her sphincter. On top of her debauched anal skills, Jennifer had greased herself up more than sufficiently, allowing her nephew's massive shaft to slide effortlessly into her snug bootyhole.

“Oooohh fuuuck, yes! Yeeesss, finally!” Jennifer exhaled with satisfaction as Mike's horsecock fluidly disappeared deeper and deeper inside her anus. Her whole curvy body was feverishly shaking, such was the intensity of that initial rush of anal pleasure. And of course, that first hit only made her want more. “Keep going, stud, don't you dare stop! Uuhhh yees! Balls-deep, baby, I want you balls-deeeeeeep! Uuhh fuck yeahhh! Jam that fucking dick all the way up Aunt's ass!”

Bucking his hips forward, Mike gladly complied. To his growling, wide-eyed joy, it took just a single slick push for his huge dong to be swallowed whole by Jennifer's wantonly eager, dick-starved asshole. Moaning and grinning from ear to ear, he stared in awe at the amazing sight of his aunt's lube-shiny and widely stretched sphincter encircling the very base of his pole. As a bonus, he could also see her drooling labia wrapped around Lori's big plastic dildo, whose presence inside Jennifer's pussy was causing her cozy anal passage to feel even tighter around his fat schlong. Jennifer's husky, already pleasure-shaky voice interrupted Mike's contemplative moment.

“Come on, stud, don't just stare at my ass! Uuuhhh... Fuck it, and fuck it hard! Don't hold anything back! Oowhhh fuck, sooo good... I want you to really ream my asshole! Okay?”

“As you wish, Aunt Jenny!” Mike responded with a huge smile. The next moment, he was already going to town on Jennifer's ass.

With his hands holding onto that magical point where Jennifer's waist flared out into her broad hips and then blossomed into her luscious ass, Mike began humping away at his aunt's juicy booty with unbridled gusto, buttfucking hard and fast with no preamble at all. His horsecock glided perfectly in and out of her thoroughly lubed asshole, and yet its snugness was not diminished at all. In fact, the pussy-stretching girth of Lori's plastic dong jammed inside Jennifer's vaginal tunnel made her smooth rectum feel even narrower than usual. Far from impeding Mike's butt-splitting rampage, that added snugness impelled him to drill away at Jennifer's bootyhole as forcefully as he could, which was indeed her desire from the beginning.

“Fuuuuck! Yes, yeeesss, baby! Uunnghhh... Fuuuuck yeaahh!” Jennifer howled with shameless pleasure as her first orgasm already rushed toward her, brought on as intended by the wild assault that Mike was unleashing on her ass.

His powerful ass-cramming strokes would have been more than intense enough to stimulate her anal walls into a delicious climax even under normal conditions, so their orgasm-triggering effectiveness was vastly multiplied by the fact that her pussy was nicely stuffed by Lori, who was also making her shiver with delight through her persistent tit-worshiping attentions. Even as she teetered over the edge and then plummeted headlong into a toe-curling orgasm, Jennifer still made sure to give Mike further instructions, just to make sure that that initial climax was just the first of many.

“Uuhhh fuuuck yes! Fuuucking cummmmiing, yeeees! Uuunnghh, don't stop! Don't fucking stop! Give me more, moooooore! Oowwwhhh fuuuck yeeeeeess!” Jennifer screamed over the fleshy

beat of Mike's thighs slamming relentlessly against her thick bubble-butt, barely managing to let out all she needed to say before her anal climax really hit her hard and took her breath away.

Grinning and grunting and bucking his hips without pause, Mike kept slamming his schlong balls-deep into Jennifer's convulsing asshole, much to her incoherent, screaming delight.

Pushing himself deep inside the awesome rippling heat of her buttery bowels and then pulling out until just his glans was tightly held in the twitching grip of her rosy sphincter, Mike savored every sensation that coursed through his rock-hard schlong as he rammed it savagely in and out of Jennifer's cock-engulfing anus. Now that she was cumming as well, her velvety anal walls felt even snugger around his shaft, and her tightly dilated asshole, which she had initially squeezed and released voluntarily around his pistoning shaft to further entice him into sodomizing her without restraint, was clamping erratically in sync with the ebb and flow of her climax, milking Mike's dong with the same intensity of the orgasmic waves that were ravaging his aunt's curvy body.

On top of the delicious shaft-nursing feeling he got from Jennifer's asshole, Mike was also basking in the glorious sight before him.

Once his giant dong was safely ensconced within her narrow rectum, Jennifer had let go of her buttocks, leaving her bouncy rump free to jiggle and shake in time with Mike's fast rump-riding pace. The sound of his crotch slapping incessantly against her thick bubble-butt was intoxicating in itself, but it was nothing compared to the fantastic image of the round, plump globes of his sexy aunt's big ass rippling and undulating and bouncing away in time with his savage assfucking thrusts.

High on that priceless sensory overload, Mike kept sodomizing his aunt with such joyous savagery that he soon lost himself completely in that amazing act.

Underneath Jennifer's voluptuous body, Lori did some humping herself, stirring her strap-on dildo inside Jennifer's gushing pussy, but for the most part she merely sat back and enjoyed the plush, meaty expanse of her aunt's offered tits. Jennifer's huge fun bags were amazing, so big and soft, so warm and pillow, and her gummy pink nipples were just too irresistible and too succulent for Lori to be even remotely inclined to stop licking and sucking and nibbling and smooching away at them.

Right by the trio, Julia and Lyla were lounging on the couch side by side, enjoying the spectacle of Jennifer being DP by Mike and Lori. The vigorous pounding that Mike was imparting on Jennifer's big juicy ass was so steamy that Julia and Lyla were languidly fingering themselves and each other while they watched that huge thick cock plunging at breakneck speed in and out of that widely stretched, lube-slippery pink asshole.

As Julia's fingertips rubbed and tweaked her daughter's turgid clit and Lyla repeatedly sank two fingers knuckle-deep into her mom's dripping folds only to then lick those sweet juices off them, Mike relentlessly fucked Jennifer's ass, bringing her to climax after ever more powerful climax.

In his lustful stupor, Mike didn't even try to keep track of how many times he made his aunt's sweet little butthole cum on his booty-plundering dick. All he needed to know was that she was cumming anally almost non stop, and that was great news, for her and for him too. He loved hearing his aunt's wailing screams of orgasm, and he was completely hooked on the feeling of squeezing, spasming tightness that enveloped his boner as he rammed it balls-deep into Jennifer's narrow rectum over and over again.

Her anal walls were so perfectly lubed that he could fuck her ass as hard and fast as he wanted, and yet she felt so insanely tight due to the presence of Lori's plastic phallus remaining deeply crammed

inside Jennifer's pussy all the while. Indeed, even if it wasn't something he intentionally meant to do, Mike's strong butt-slamming thrusts and the rocking motions that they caused were in fact making Jennifer's voluptuous body slide rhythmically back and forth along Lori's strap-on dildo, giving the sassy MILF the impression that her pussy was in fact being fucked too. That was a huge and very positive side effect of Mike's sodomizing barrage, and, to some extent, even if he didn't quite realize it, he was benefiting from it too, since the bigger the climax was for Jennifer, the tighter her shaft-caressing anal walls were squeezing his pistoning dick.

It was after an unclear amount of time, and with a certain degree of surprise, that Mike was finally snapped out of his ass-plowing rampage by the clear and powerful sensation that he was on the verge of cumming.

The immediacy and intensity of his surging ejaculation called him completely back to the present moment, but that neither stopped nor slowed down his breakneck rump-riding gallop. In fact, a fit of preorgasmic frenzy hit him, impelling him to shorten his strokes while also accelerating his furious butt-stuffing rhythm to a completely insane level. That ass-drilling burst of speed made Jennifer cum on the spot, adding yet another toe-curling assgasm to the list.

Savagely slamming his throbbing hard schlong in and out of Jennifer's well-stretched asshole, powerfucking his way through her umpteenth shaft-gripping anal climax, Mike finally tightened his possessive grip on her juicy hips and blurted out: "I'm gonna cum! Ooohh fuck! I'm gonna cum so fucking hard, Aunt Jenny!"

That growl-interspersed announcement made Lyla jump off her seat and yell out: "Mine! I call dibs on Mike's load!"

"Would you be willing to share, honey? After all, I'm the one who got your brother all riled up before he even started stretching your aunt's ass..." Julia said, glancing hopefully at Lyla. In truth, Julia didn't really expect her daughter to give in so easily, and she could sympathize with her desire to keep Mike's delicious cum all to herself, but still, it was worth a try.

"But Mom! I didn't even get fucked, unlike you and Aunt Jenny! At least I should have Mike's load, that's only fair!" Lyla predictably argued.

"Well, I guess, sweetie..." Julia sighed, shrugging patiently. She was about to make a halfhearted attempt at a counterargument, motivated solely by the fact that she was sinfully addicted to her son's cum, but she was interrupted before she could even speak.

"No! Uuhh fuuuck! No, no, no noooohwhhh, fuuuck!" Jennifer wailed in between breathless moans of persistent anal climax. She was struggling to form words and to keep her eyes focused, she was so orgasm-drunk, and yet she somehow managed to glare at Julia and Lyla while putting a decent amount of menace in her voice. "Don't even think about stealing this load from me! I mean it, you greedy cumslut! Uuhhhh... That's my load, and it's going in my ass, and that's that! Aawwhh fuuuck yeeess! So back off, both of you! Uuuungh my fucking god... Yeeeeeaaahhh!"

Right as Jennifer's rant devolved into a wail of pleasure, Mike grunted and slammed his raging horsecock balls-deep inside her ass. Pressing his groin firmly against his aunt's big round asscheeks in an effort to make sure that not even a single millimeter of his shaft was left outside her greedy pink butt-ring, Mike howled like a rutting animal while he pumped Jennifer's rippling rectum full of cum.

"Fuuuuck, yes! Ooohh fuck, Aunt Jenny! Fuuuck!"

Despite Jennifer's unequivocal warning and her obvious refusal to share Mike's load, the sight of her brother's hands sinking into their sexy aunt's hips and the certainty that jet after thick creamy jet of delicious seed was flooding Jennifer's anal passage, Lyla just couldn't let go. Witnessing her brother's orgasm only managed to rekindle and multiply her thirst for his cum. Lyla was about to speak, intending to object somehow and argue her case against Jennifer's veto, but before she could open her mouth, Julia intervened.

Giving her horny daughter a soft pat on her arm, Julia locked gazes with Lyla, and winked. Smiling, she gently nudged Lyla to follow her lead. Lyla did so without hesitation: feisty, headstrong and confrontational as her aunt could be, she was no match for her mom's smooth and well-reasoned counterattacks.

While Jennifer and Mike wailed out their entangled orgasmic joy, thus muting the persistent moaning and slurping sounds that came from between Jennifer's massive tits, between which Lori's face was still happily wedged, Julia and Lyla quickly positioned themselves on their knees on the floor, on either side of Jennifer's ample, upturned and cock-impaled booty. When Julia rested her chin on Jennifer's left buttcheek and opened her mouth wide, angling her beautiful face toward Mike, Lyla immediately realized that her mom once again had made the right move. Not wasting another moment, Lyla imitated Julia, positioning her cute face on her aunt's right buttcheek, her mouth eagerly open.

As orgasm-dazed as he was, caught in the blissful feeling of hosing his aunt's buttery bowels with his warm cum, Mike simply couldn't ignore the sight before him.

Looking lovingly up at him, his mom was offering him her mouth, and so was Lyla, who seemed to be smiling as she parted her lips obscenely open for him and even let her tongue loll out invitingly. Their cum-hungry gazes completed the picture, leaving Mike's lust-addled instincts no real choice. His voracious sexual appetite, his youthful exuberance and the boundless passion that he felt for his curvy big sister and, most crucially, his beautiful super sexy mom, instantly prompted him to accept that indecent proposal for some extra oral pleasure.

While still cumming, Mike suddenly pulled out of his climaxing aunt's asshole and jammed his spewing dong right into his mother's eager mouth. As soon as her boy's glans was past the soft seal of her lips and her palate was bathed by a big milky rope of his seed, Julia moaned and shivered in pleasure. Howling in debauched joy, Mike pushed a solid half of his fat boner down Julia's gullet right away, shooting a few more thick ropes into her throat, making her mewl with cock-muted taboo bliss. Then he pulled out, and rammed his horsecock down Lyla's throat.

His sister's eyes rolled back and fluttered closed with ecstasy as she sucked and slurped and whimpered around his schlong, swallowing the huge ribbons of delicious creamy sperm that he unloaded in a rapid-fire barrage into her oral cavity. Her swallowing motions milked Mike's rod magnificently, and the fact that Lyla began frigging her clit while his cum splashed down her gullet made him growl with increased orgasmic joy. However, he didn't forget his main goal, nor could he really have done so, even if he tried.

Although she kept wailing out her lingering assgasmic bliss, Jennifer clearly noticed that her nephew's monstercock had vacated her cum-filled, spasming asshole, and she sorely missed it. But before she could actually form words to complain, Mike's huge dick was sliding into her needy anus again, stretching out her already gaped sphincter and filling up her narrow rectum to absolute orgasm-triggering fullness, just the way she liked. And, to Jennifer's renewed joy, Mike was still cumming, thus adding more of his steamy, soothing balm to the sizable deposit that was already

coating her rippling anal walls and sloshing in her deepest anal depths.

With his pleasure multiplied by his mom and sister's impromptu addition to the grand finale of his ass-stuffing gallop on Jennifer's ass, Mike's ejaculation also redoubled in intensity and cum-spewing potency, which meant that he didn't have a problem splitting that extra huge load between Julia and Lyla's mouth too, on top of Jennifer's bootyhole, of course.

Incredulous about his good fortune and buzzing with forbidden pleasure Mike kept rotating orifices, going from his aunt's ass to his mom's mouth to his sister's mouth, and then back to Jennifer's twitching little asshole again. Trying to give each of those three needy holes a fair amount of his youthful seed, Mike kept up that ass-to-mouth-to-other-mouth cycle for as long as possible. The crazy thrill of being sucked off by a hot winking butthole and two slobbering mouths did wonders to prolong his ejaculation and increase its sperm-spewing volume, but eventually his balls were drained dry.

Panting and gasping, feeling dizzy and blissfully high as a mind-melting post-orgasmic glow settled heavily on him, Mike exhaled with deep satisfaction as he slowly extracted the whole thick length of his schlong from Jennifer's asshole one last time. Once his bloated cockhead slipped out of her gaping sphincter with a lewd slurping sound, there was only time for a final pearly drop of his cum to ooze from his glans and fall right into the yawning entrance to his aunt's thoroughly creampie'd anal depths. The next moment, Lyla sprang forward and took possession of his jizz-coated pole.

Inhaling half of her brother's meaty schlong down her throat and avidly starting to suck on it while she pumped the rest of his veiny length with one hand and fingered herself with the other, Lyla moaned with lewd joy as she eagerly endeavored to extract some more seed from Mike's well drained monstercock. Meanwhile, Julia launched her own cum-retrieving mission, focusing on her sister's sperm-dripping asshole instead.

With her lips pressed onto the rubbery pink ring of Jennifer's widely gaped sphincter, Julia wriggled her tongue as deep as she could into her sister's anus while suctioning gently on her butthole, thus vacuuming up all the drops and dollops of cum that were leaking from it, while also attempting to force more of her son's seed to bubble up from the richly flooded depths of Jennifer's sluttiest orifice. As unexpected as they were welcome, those analingual attentions sent new shivers of indecent pleasure through Jennifer's orgasm-wracked body, stirring new wavelets of butt-centric bliss and stoking the flames of the insane string of climaxes that Mike had given her, culminating in the monster assgasm he had gifted her when he erupted deep inside her anus mere minutes before.

“Ooowhh yes! Uuhhh fuck, Jules, that's it! Yes, just like that, yeah... Eat my slutty asshole out, Jules!” Jennifer whimpered in delight, savoring the lascivious tongue-bath that her pulsating, deeply plowed and cum-flooded sphincter was receiving. “Uuuh fuck! Yeesss... Sooo fucking good!”

Hearing Jennifer's husky pleasure moans, Julia smiled as she kept making out with her sister's sperm-leaking butthole. While Julia tended to prefer getting her anus licked before a good fucking, she knew that Jennifer got a special kick out of being rimmed right after getting buttfucked. Knowing that, Julia made her move with the certainty that it would be a success. More than that, it was a proverbial case of 'killing two birds with one stone': not only was she scooping up some more of her son's delicious cum for herself, but she was also giving her sister a nice analingual treat. That, Julia was ready to bet, would significantly mollify Jennifer, at least enough for her not to be too grumpy about the little stunt that Julia and Lyla had just pulled, depriving Jennifer of a portion of Mike's ejaculate.

As Jennifer whimpered and mewled and gently came down from her brutal orgasmic high in the

best possible way, that is by getting her well-pounded asshole licked and slurped and sucked by her sister, Lyla kept bobbing her head sensuously on her brother's huge schlong and nursing avidly on it.

Using her throat to massage the considerable portion of Mike's length that she was keeping firmly buried down her gullet, Lyla kept eagerly pumping her dainty fist along the base of his pole with steady corkscrewing motions meant to wring every last drop of seed from him. Each thick dollop she managed to force out of her brother's throat-clogging glans was met by Lyla with a dick-muted moan of delight, and with an acceleration of her clit-diddling fingers.

Still, determined and engrossed in that task as she was, Lyla finally had to admit that there was no more cum to be had, for the moment. But that, of course, was no cause for concern.

In fact, as she let Mike's huge, and now, thanks to her amazing hand-enhanced blowjob, once again rock-hard schlong slide out of her mouth, Lyla was smiling impishly.

“Okay, all nice and slippery and ready to go!” Lyla declared, still stroking her brother's saliva-glazed boner while looking up into his goofily smiling face and winking at him. “And now it's *my* turn to get a royal buttfucking, finally!”

Disentangling her face from the cushiony embrace of her aunt's massive jugs, which she had not stopped munching and sucking on for a moment until then, much to her own and Jennifer's delight, Lori peeked over the soft fleshy expanse of Jennifer's rack to say: “Hey! Wait a second, Lyla! This DP thing totally messed up our plan! You three were supposed to...”

“The plan was changed for the better, Lo. This was so much fun! And now I get a turn with Mikey's big cock! See? It all worked out totally alright!” Lyla interjected, quickly adding with her characteristic enthusiasm: “Besides, I already have a new plan! It's even better and sexier, and it's waaaay more advantageous for you, Lo!”

The way Lyla was smiling, with her eyes all glinting and shiny with mischief, intrigued Lori very much, preventing her from listing more complaints. Instead, she looked intently at her curvy twin and said: “Alright. So what's the new plan?”

“Simple!” Lyla genially answered, moving her clit-rubbing hand away from her pussy for a moment, so that she could adjust her glasses. “You just stay where you are right now, chilling on the couch, while me, Mom and Aunt Jenny get on all fours right here, on the floor. We'll be side by side in front of the couch, right up close, so we can eat you out! You can slide over from one seat to another when you want to switch from one of us to the next, and we'll lick you pussy or your asshole, totally at your service! Meanwhile, Mikey will fuck us from behind! Sounds good?”

After tilting her head to the side so she could properly ponder Lyla's question, Lori gave her twin a bright smile and nodded: “Yeah. Sounds really good, actually!”

“Great!” Lyla exclaimed, her soft shaft-massaging hand giving a little twitch around Mike's boner and then accelerating to a steadier milking rhythm. “Mom? Aunt Jenny? You two okay with the new plan?”

Taking the quickest break from sucking her son's cum out of her sister's ass, Julia chuckled and promptly agreed. “Sure, honey!”

As Julia's smiling, cum-coated lips went back to smooching away at her sister's gaping butt-ring,

Jennifer looked over her shoulder and, with a vacant smile on her face and the glaze of deep pleasure fogging her half-closed eyes, she murmured: “Yes! Oh yes! Yeesss!”

Lyla wasn't entirely sure if Jennifer was agreeing to her idea or merely voicing her delight in getting her asshole eaten out by Julia, but a yes still counted as a yes, as far as she was concerned.

“Okay, then: it's decided! We'll get on all fours, as soon as Mom is done rimming Aunt Jenny, and our big-dicked stud here will fuck us, any way and any hole he likes! But first of all,” Lyla said, pausing to look up at Mike and smile gorgeously at him, “he's gonna fuck *me*. In the ass, obviously! Right, Mikey?”

As he locked gazes with his beautiful big sister, whose hand was still sensuously stroking his fat schlong and whose sweet and sexy smile, not to mention her huge tits and plump ass, would have convinced him to do just about anything, Mike slowly nodded.

“Yes, Lyla! Obviously!”

As he basked in the Cheshire grin that Lyla gave him, Mike chuckled and thought that it was a good thing that he had fueled up nicely at dinner. The evening had just started, and it looked like it was going to be an eventful one indeed.
