

# ANAL CENTAURI

A TRIPLE ANAL GANGBANG IN SPACE

STARRING  
IRINA

*Made by Rubberduckfucker*

**The year is 2057. A human outpost is on a years-long journey to the exoplanet Anal Centauri. Among them is 19-year-old Irina. She is one of the few women on the spaceship. She has an immensely important responsibility on the space station.**

**Attention, attention! This is the central computer speaking. We're detecting dangerously high sperm pressure in the testicles of the male crew members. Irina, get into position immediately!**

**I know what to do but  
it can be a very  
strenuous task**

**We need to act quickly.  
I'm heading out to the  
guys immediately. The  
crew's operational  
readiness is our top  
priority!**

**Irina wastes  
absolutely no  
time. She  
undresses and  
rushes to her  
patients.**

**It's serious!**

**Irina please help us!!!**

**It's been like  
this all day!**

**Poor men, first aid should have arrived long ago. Since my two colleagues are on vacation, I'll have to handle this on my own.**

**Relax, guys. I'm here  
to help.**

**Ahhhh, thanks Irina.  
That feels better!**

**Guys, please be patient.  
I will help you all!**

**Please suck my cock  
too! Quick!**

**Oh I can already feel  
that my therapy is  
working for some  
patients**

**Oh my god  
that's good!**

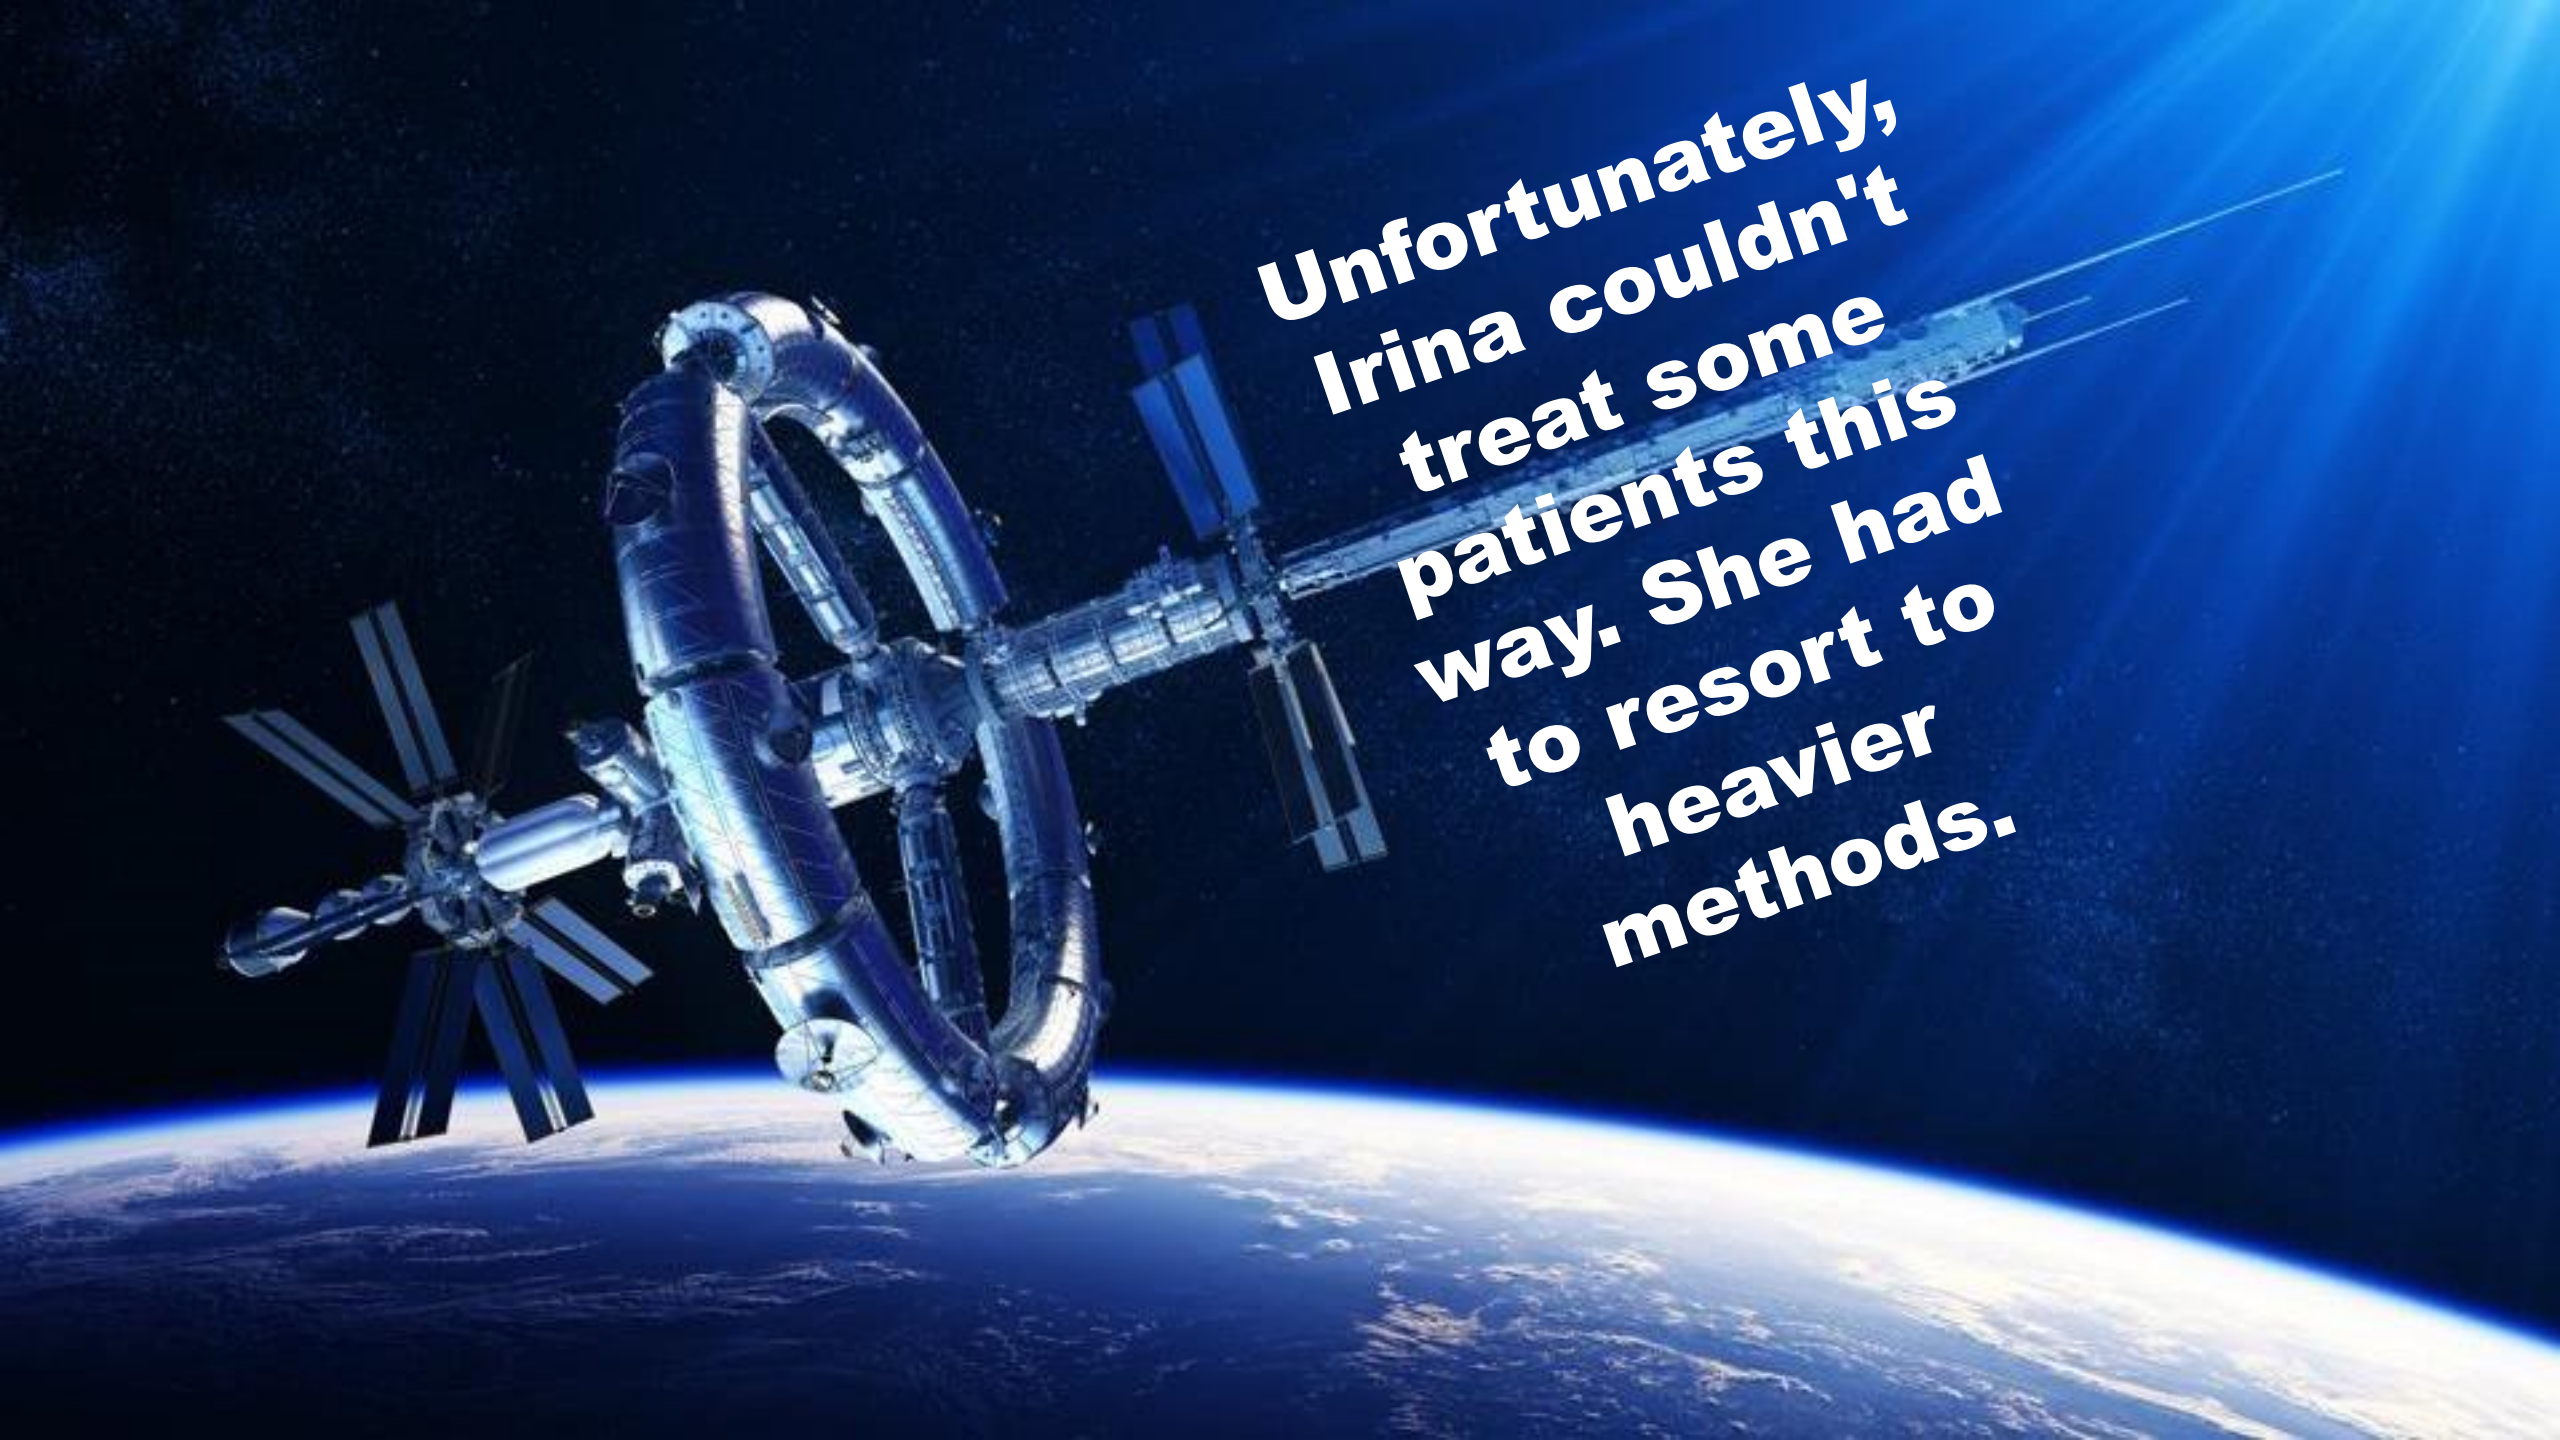

**Irina took a lot of  
time for all  
patients who  
could be helped in  
this simple way**

A large satellite or space station component is shown in orbit above the Earth. The satellite features a prominent, large, cylindrical ring structure. The Earth's horizon is visible at the bottom of the frame, with a bright blue glow from the sun. The background is the dark, starry void of space.

**Unfortunately,  
Irina couldn't  
treat some  
patients this  
way. She had  
to resort to  
heavier  
methods.**

**Oh God, what a  
hard day at work!**

**YEAH!!!**

**Open your tight  
ass bitch!**

**I love this slut!**

**No girl helps  
better than  
Irina!**

**I hope this  
helps you a  
lot!**

**YEAH!!!**

**These inserts are very energy-sapping**

**What difficult patients!**

**Irina, thank you  
for making this  
possible...without  
you we would go  
crazy on this  
space trip!**

**You're a bunch of  
perverted  
bastards!**

So, here we go

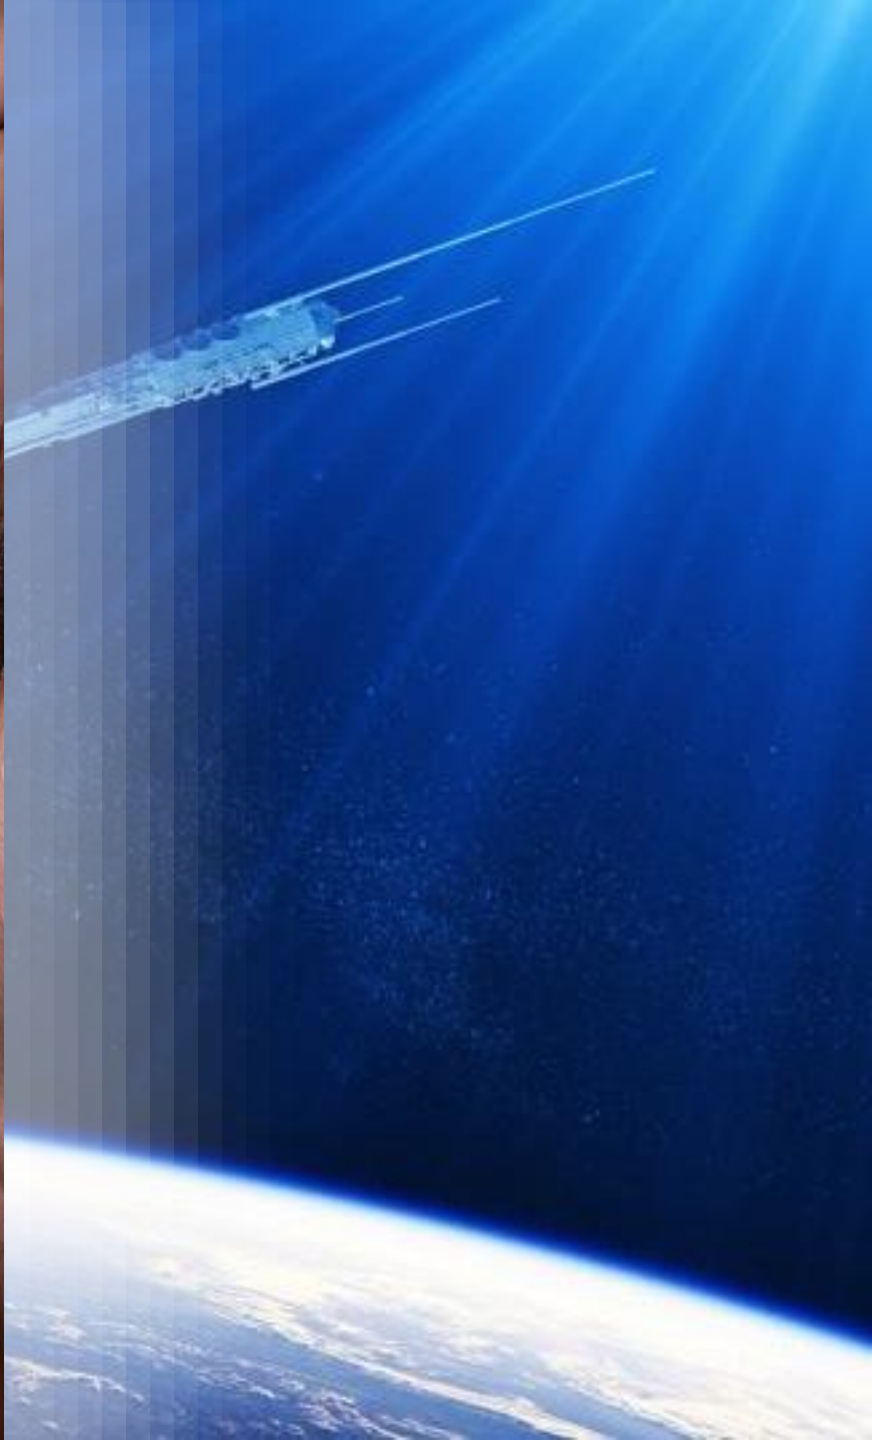

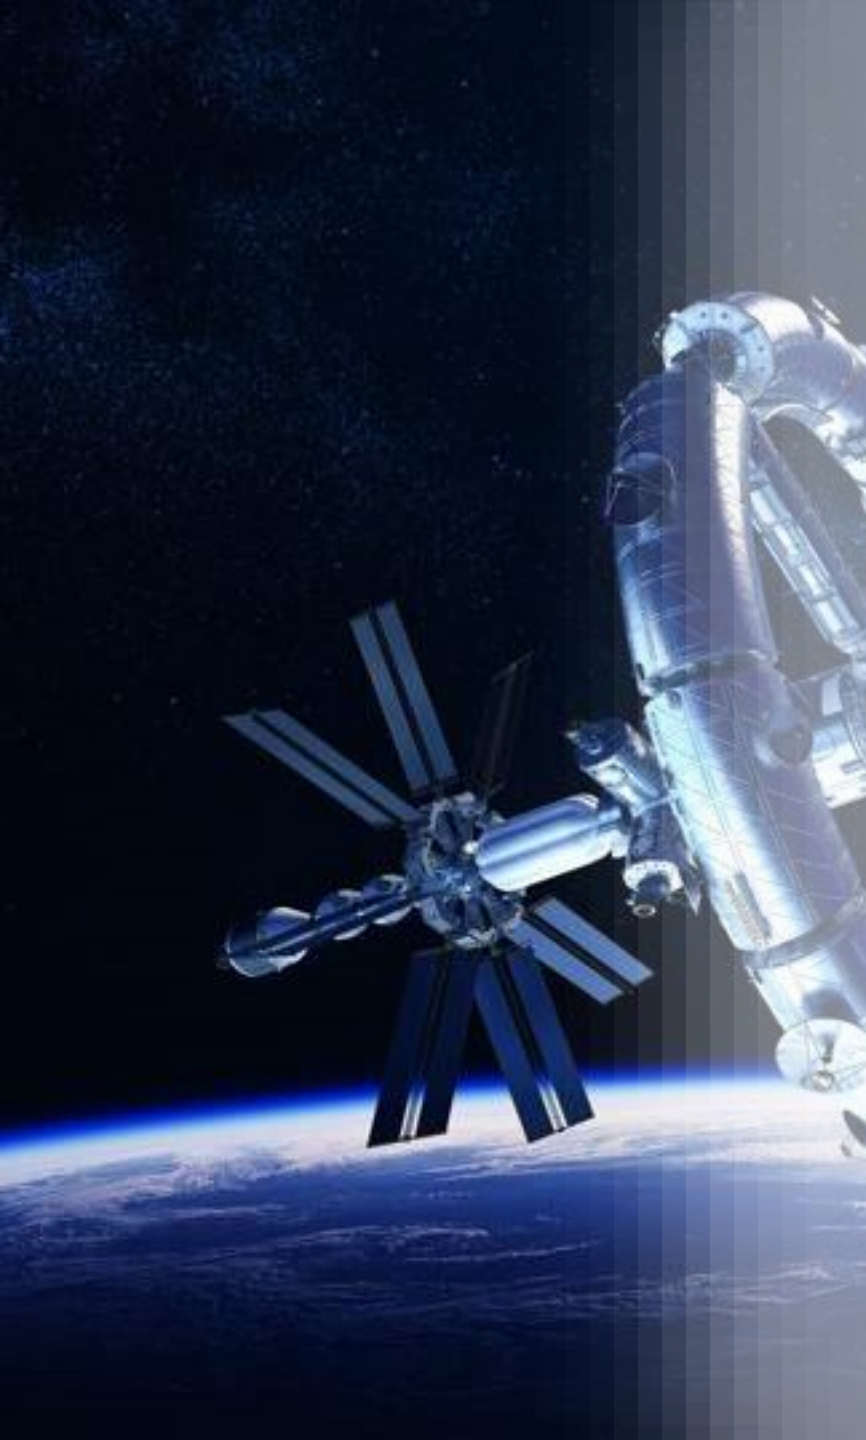

**Oh thank God  
they all cum**

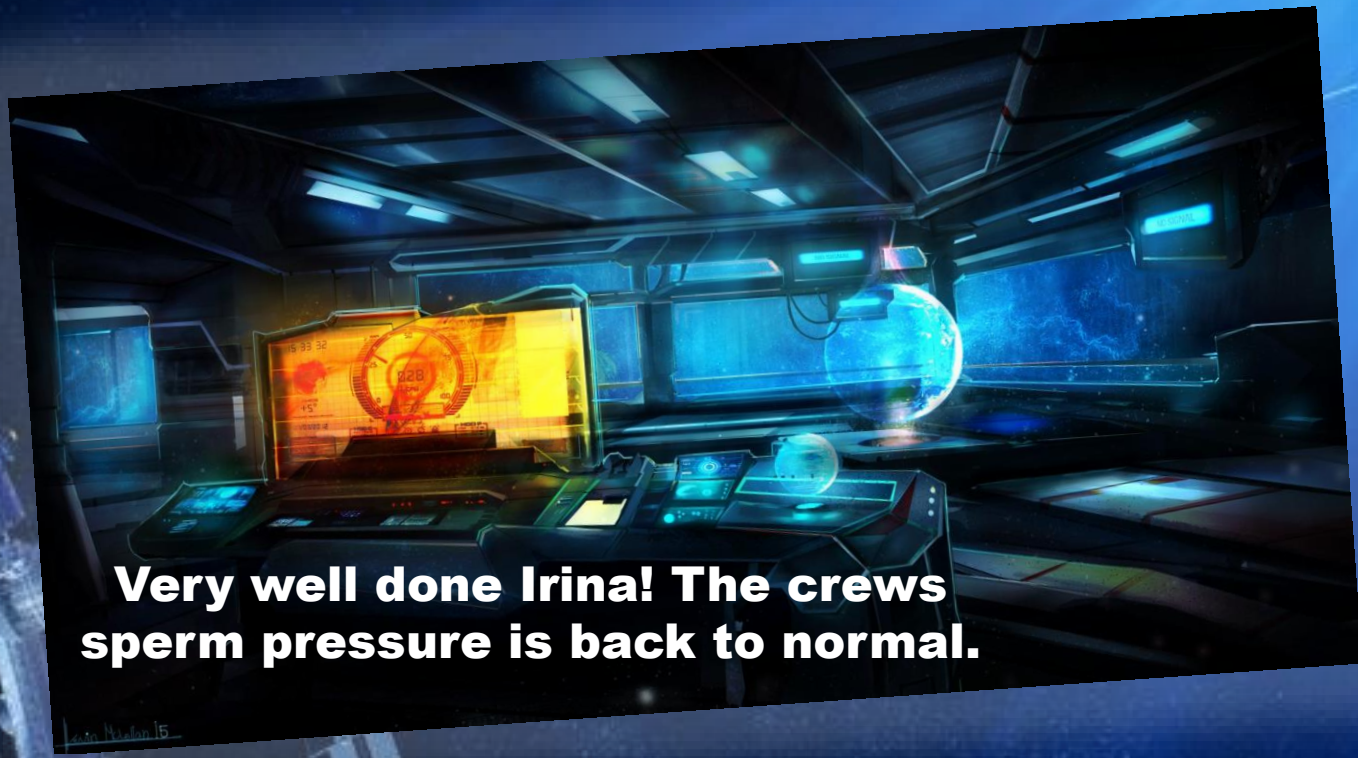

**Very well done Irina! The crews sperm pressure is back to normal.**
