Hide in the car!  
And for God's sake,  
dress up as Somi!

by SculptorMae

by SculptorMae

He reacts too calmly to Somi's naked body.

by SculptorMae

Okay, Charlie

by SculptorMae

What  
happened? Am I in  
Somi's body?

by SculptorMae

Where's  
Heather?

by Sculptor™

by SculptorMae

If you started something again, I won't tolerate it, Somi.

by SculptorMae

by SculptorMae

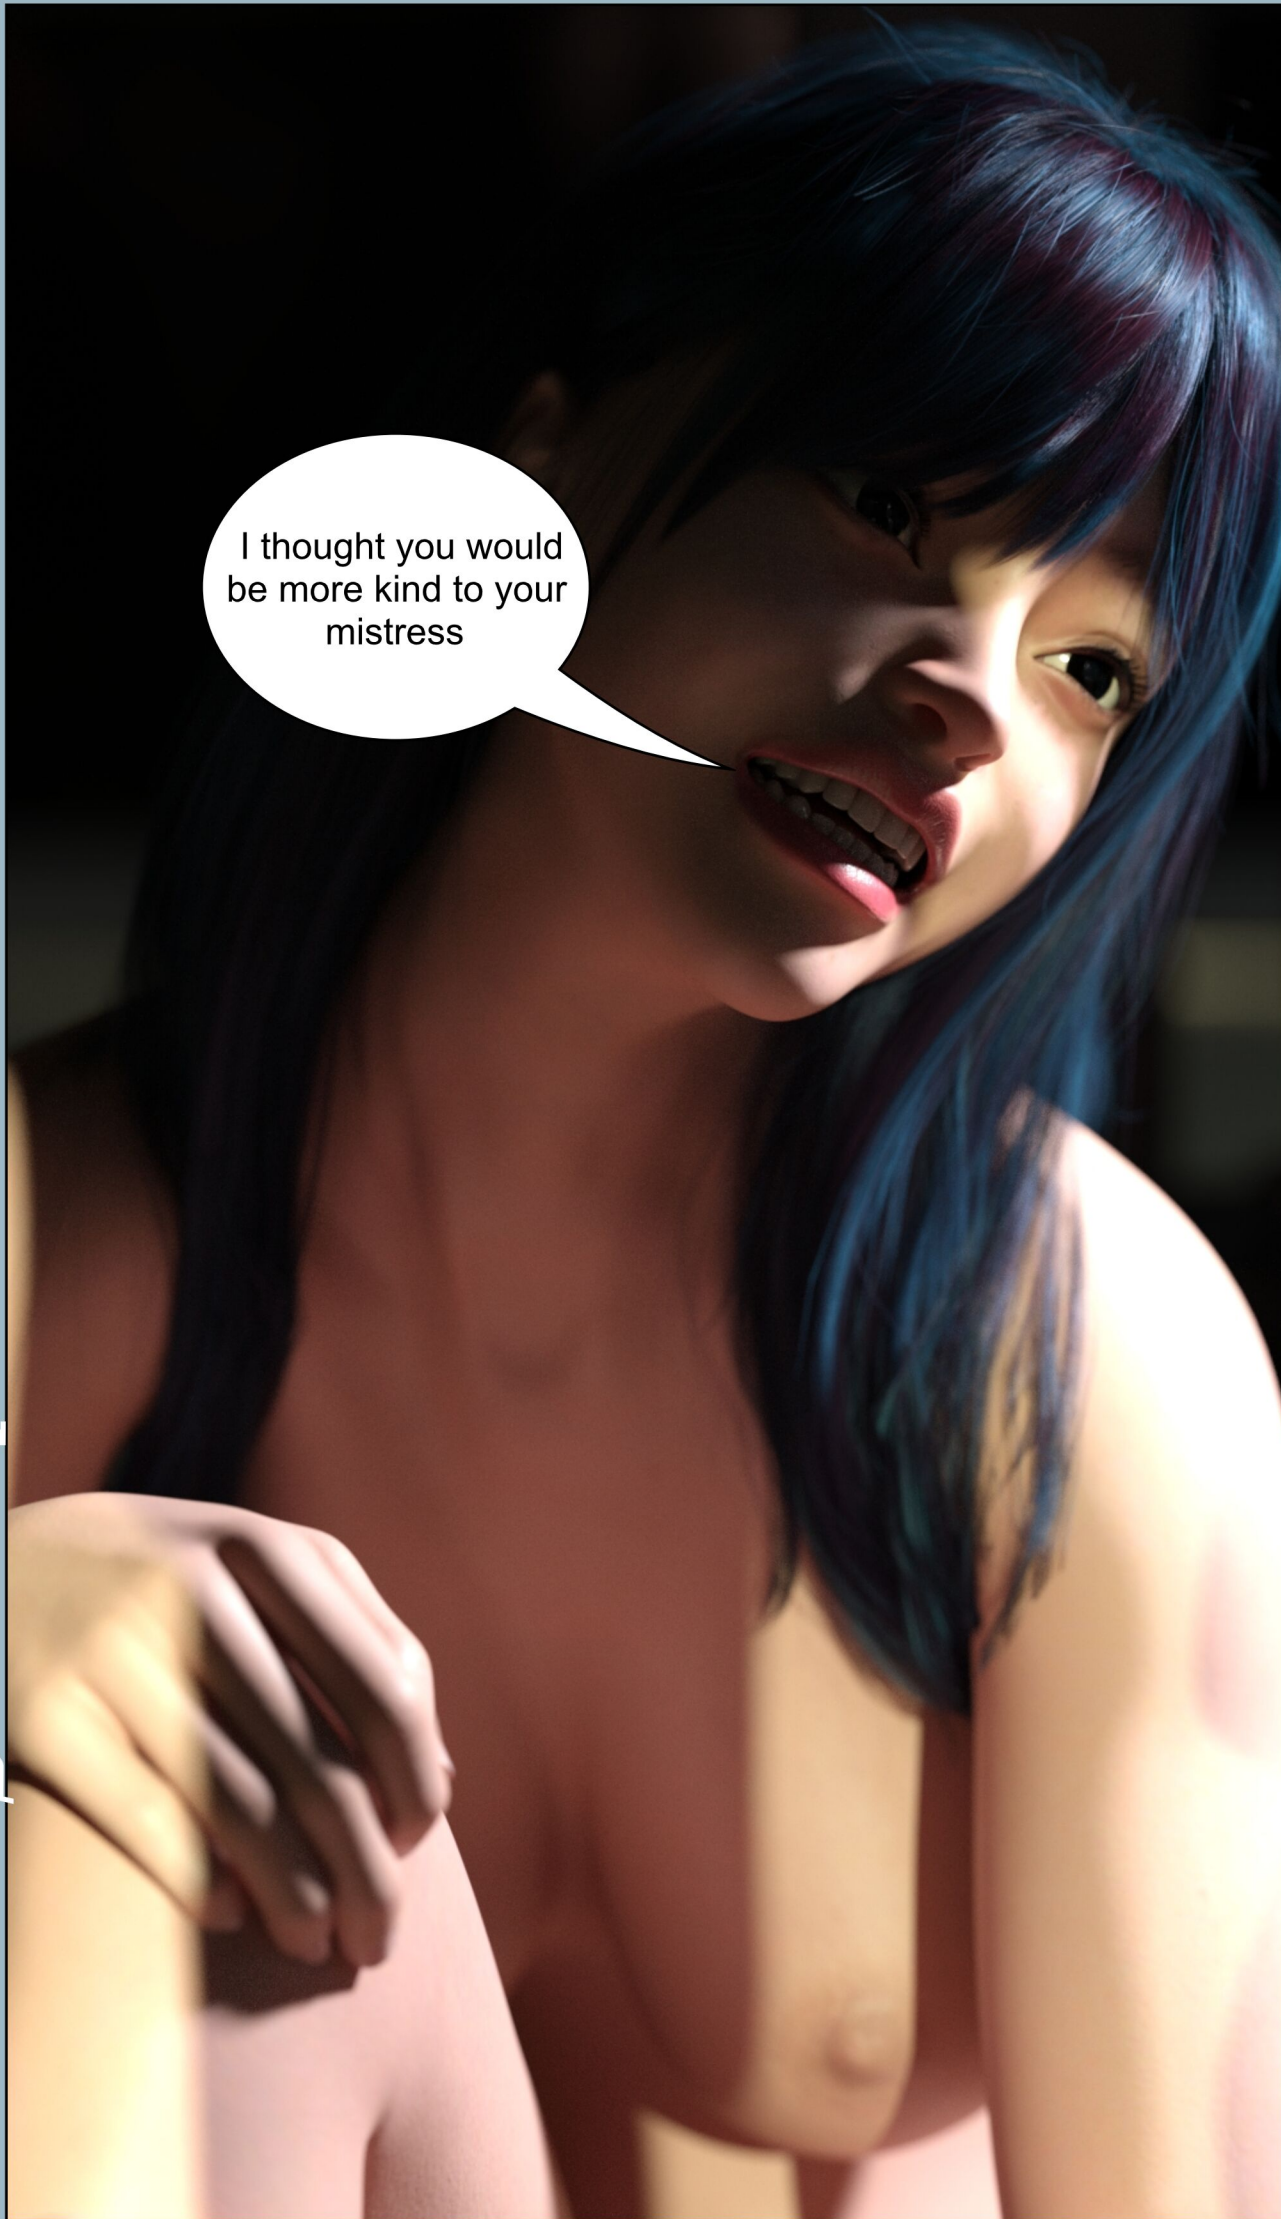

by SculptorMae

by SculptorMae

I thought you would  
be more kind to your  
mistress

by SculptorMae

If you turned Somi into a costume, why can't I hear her voice?

In fact, I also wonder why this is so.

by SculptorMae

by SculptorMae

From the beginning, something strange was happening to Heather.

by SculptorMae

by SculptorMae

by SculptorMae

Get dressed already, even though you can't see anyone on the street, but I don't want any problems.

How interesting. You know, Heather. I don't think Charlie is sleeping with Somi.

by SculptorMae

by SculptorMae

by SculptorMae

by SculptorMae

Listen, Charlie. Are you not excited at all?

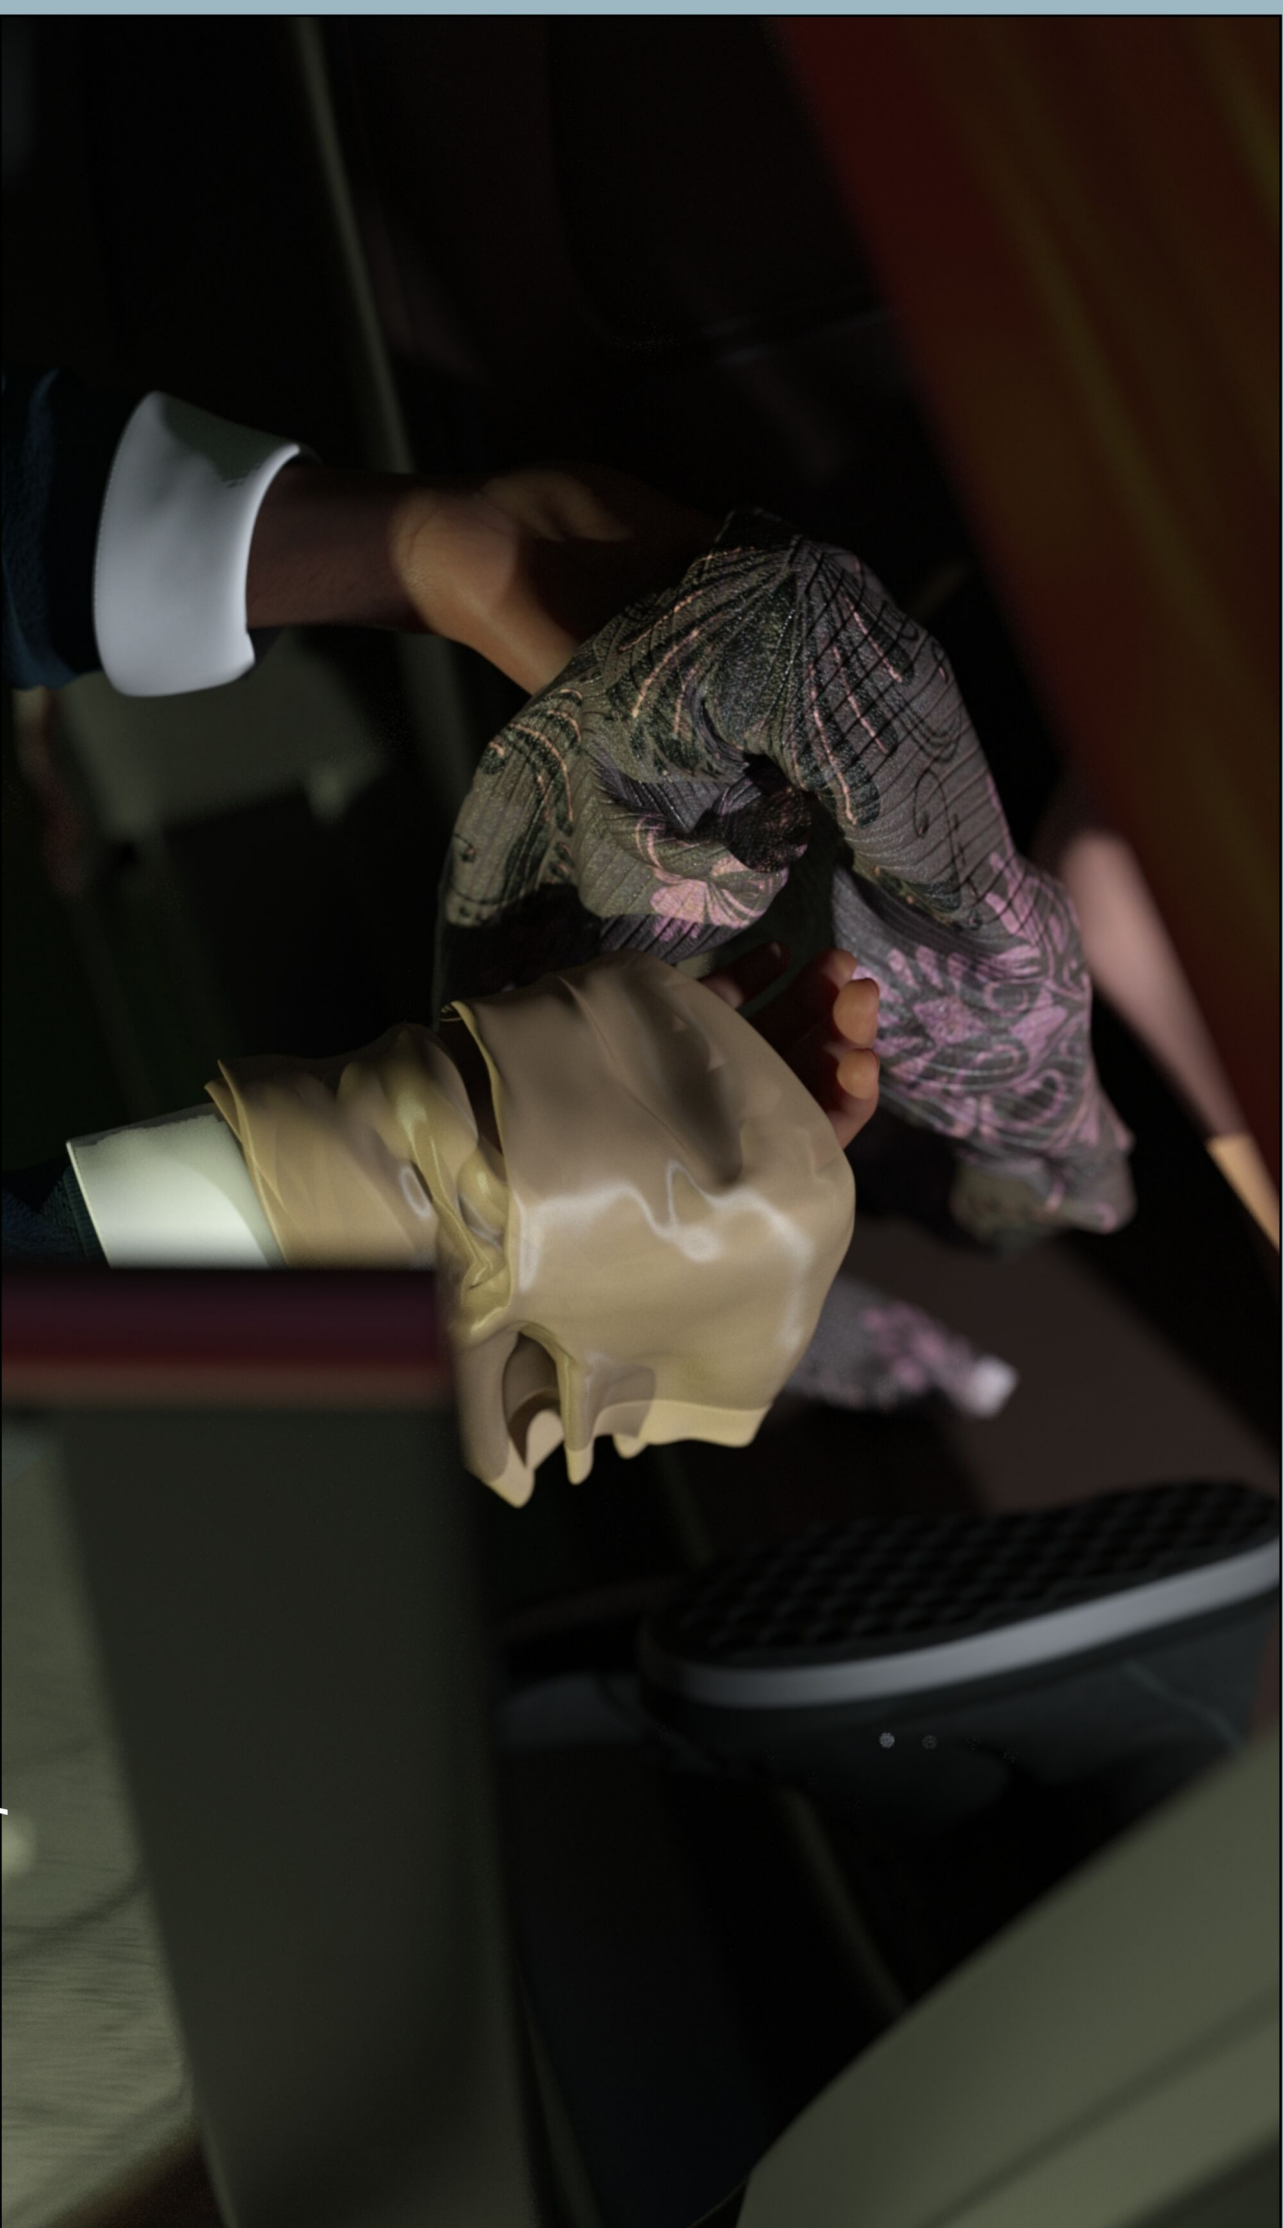

by SculptorMae

I've already told you many times, Stop doing all this, Somi!

Where could she have gone?

A man in a dark suit is sitting in the driver's seat of a car at night. The car's interior is illuminated by a soft yellow light. The man is looking out the window, and his hand is on the steering wheel. A thought bubble is positioned above his head, containing text. The background is dark, suggesting an outdoor setting at night.

Her things are in the car, she couldn't undress and run away

by SculptorMae

Oh, it's a long story.  
You know how  
jealous I was. And  
here is the solution to  
our problem!

by SculptorMae

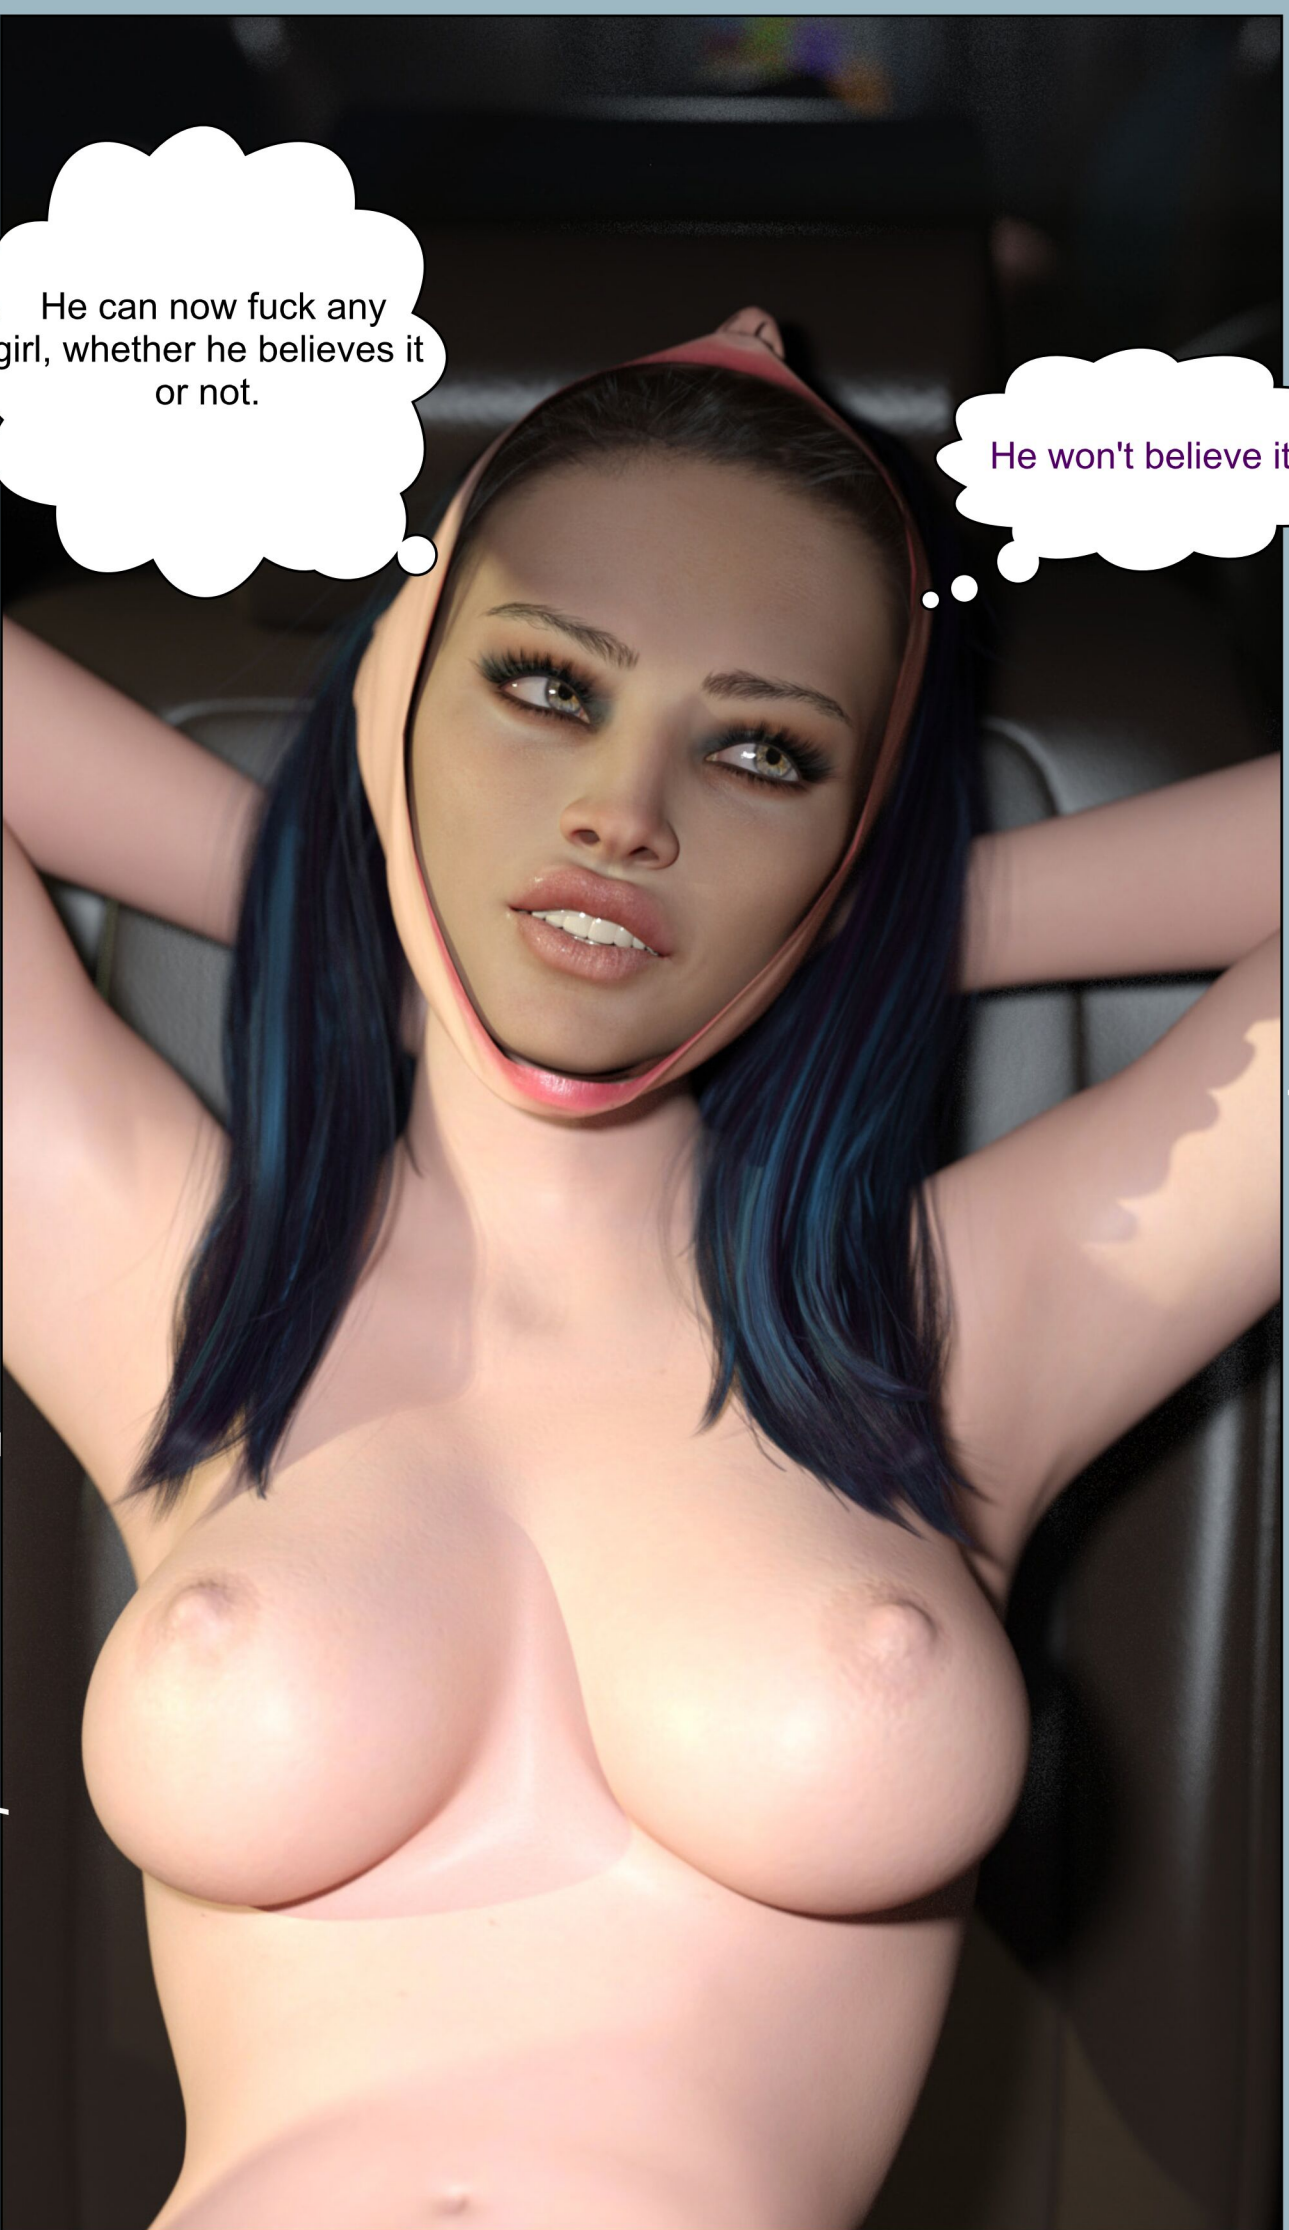

by SculptorMae

He can now fuck any girl, whether he believes it or not.

He won't believe it!

by SculptorMae

by SculptorMae

by SculptorMez

I found one witch and learned how to do it. So now, Charlie, I can be whatever you want for me.

A man with short, dark hair, wearing a dark suit jacket and a light-colored shirt, is seated in the driver's seat of a car. He is looking towards the right with a surprised expression. The car's interior is dimly lit, with the dashboard and steering wheel visible in the background. A speech bubble is positioned to the right of his head.

I can't believe it,  
Heather.

So there won't be any mystical problems because of all this? You know, like in the movies?

by SculptorMae

by SculptorMae

by SculptorMae

I didn't think you'd even do that for me, Heather.

I just decided that it is my responsibility to fulfill all your wishes. I'm your wife!

by SculptorMae

by SculptorMae

by SculptorMe

I didn't cheat on you,  
but I'll be honest,  
Somi's body is very  
attractive.

by SculptorMe

I can't believe  
I'm hearing this from  
him.

A woman with dark hair and green eyes is sitting in a car. She is looking towards the camera with a slight smile. A hand wearing a shiny, gold-colored latex glove is positioned near her face, with the index finger pointing towards her. The car's interior is dark, and the lighting is dramatic, highlighting the woman's features and the texture of the latex glove. A speech bubble is positioned to the left of her face.

I really like this feeling. Doesn't that excite you, Charlie?
