

ANOTHER LIFE

by SculptorMae

by SculptorMae

Let's go back to the club!

by SculptorMez

by SculptorMez

You don't know for sure! Maybe this isn't her home?

Did you mean my house? Don't forget I'm Jessica now. Don't worry, I saw the pictures on Tom's phone.

Can you imagine, he himself told me where this house is located, and that it belongs to Jessica.

He's your brother, why do you hate him so much?

by SculptorMae

by SculptorMae

You know, you're right. I love Jessica's body. Even though I know that you are not her, I cannot perceive you as Patrick.

by SculptorMae

by SculptorMae

And you don't need
to perceive me like
that! Now I'm
Jessica!

by SculptorMae

by SculptorMae

by SculptorMae

by SculptorMae

It is very strange. I know who you really are. Are you okay yourself?

I feel like a completely different person in her body. And I don't mind doing something interesting with you

by SculptorMae

by SculptorMae

by SculptorM2F

You know, it's strange that I don't mind. But seeing you in front of me...

You quickly forgot
your girlfriend

by SculptorMez

A woman with long brown hair, wearing a blue sleeveless dress and black boots, stands and gestures with her hands while talking to a man. The man is sitting on a wooden bench, wearing a white dress shirt, a dark tie, and dark trousers. They are in a modern interior space with large windows, a striped armchair, and a patterned rug. A speech bubble is positioned above the woman.

I thought it would be fun to take some photos of the process for Tom.

A woman with long, wavy brown hair is shown from the waist up, wearing a blue denim dress. She is looking down and to the right with a slight smile. In the foreground, the back of a man's head and shoulder, wearing a white shirt, is visible, slightly out of focus. A speech bubble is positioned near the woman's head.

You know, it seems to me that I want you. I feel a pleasant tugging feeling inside Jessica's belly.

by SculptorMae

by SculptorMae

You want me? You know, it sounds strange. I know who you are.

I'm Jessica! Don't think of me as someone else!

by SculptorMae

by SculptorMae

by SculptorMae

by SculptorMae

I know that you didn't have girlfriends, and neither did I. I haven't slept with my girlfriend yet. Maybe we shouldn't do this?

by SculptorMez

by SculptorMez

You yourself saw how Eric and I fucked in the toilet. So this will only be the first time for you. I thought you were like Eric, already with a lot of experience.

by SculptorMae

by SculptorMae

by SculptorMez

by SculptorMez

by SculptorMae

He's lying! Eric himself doesn't have much experience, just a couple of prostitutes. I didn't want to learn anything from them then.

by SculptorMae

It's strange to discuss all this with you. Especially when you're in Jessica's body.

by SculptorMae

by SculptorMae

by SculptorMez

by SculptorMez

Why do we need to discuss this?

by SculptorMae

by SculptorMae

by SculptorMae

Oh, I already feel
that you want me.

A photograph of a man with light brown, wavy hair and blue eyes, wearing a highly reflective, metallic silver long-sleeved shirt and a green tie. He is looking intently at a woman whose back is to the camera. She is wearing a blue dress. The man's hands are raised towards her. A thought bubble above his head contains the text: "Is this really happening now? It's like I'm in a porn movie." The background is a simple, slightly out-of-focus indoor setting.

Is this really happening now? It's like I'm in a porn movie.

It's no fun, I'll knock all his teeth out if he does anything to her.

You know, I'm starting to doubt this.

Damn it, I can't resist this, Olivia.

Tom, I'll definitely
tell you about this.
Your Jessica is a
whore!

Look at these hands!

A photograph of a woman with short dark hair, seen from the side, looking towards the left. She has a speech bubble above her head. In the background, another person is partially visible, sitting on a chair with a blue and white striped cushion. The room has soft, warm lighting from ceiling fixtures.

I want them to caress my dick. I can do it myself, but it's not quite the same.
