

ANOTHER LIFE

by SculptorMez

by SculptorMez

That's a very interesting withdrawal mechanism, don't you think, John?

by SculptorMae

by SculptorMae

by SculptorM2F

I'm going to leave you for a while, my dear.

by SculptorM2F

by SculptorMez

by SculptorMez

by SculptorMae

by SculptorMae

Didn't you say
you were gonna bring
my sister back to
normal?!

by SculptorMae

You lied, didn't you?

by SculptorMae

And he understands,
but hope springs last. Isn't
that right?

by SculptorMae

by SculptorMae

I'll
give you your sister
back, and you won't
even know the
difference.

by SculptorMez

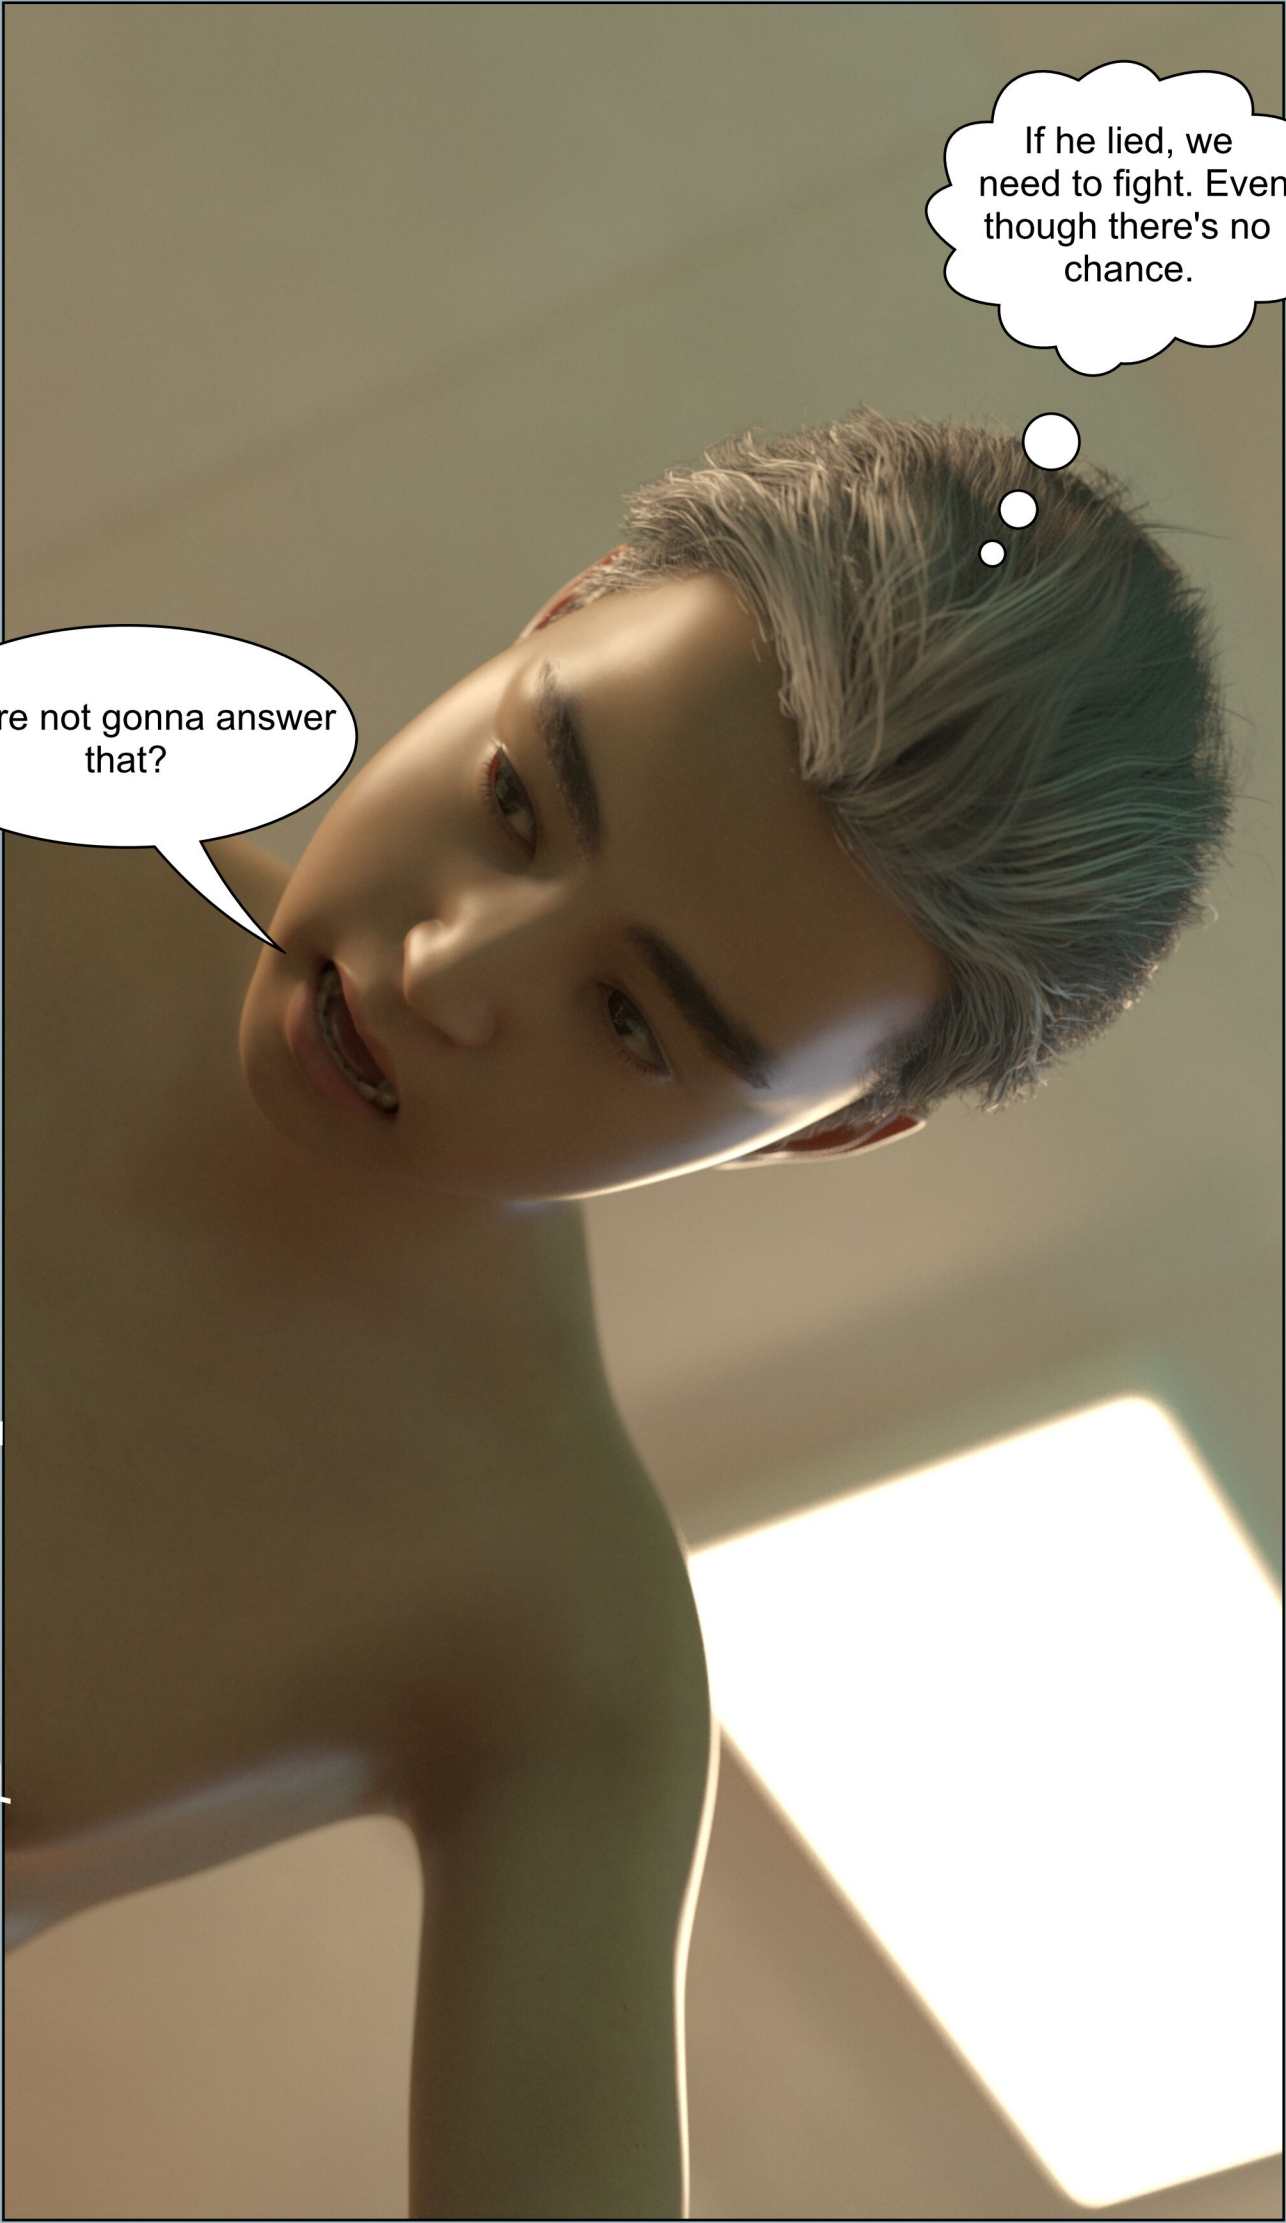

by SculptorMez

by SculptorMae

by SculptorMae

You're not gonna answer that?

If he lied, we need to fight. Even though there's no chance.

by SculptorMae

by SculptorMae

Don't worry so much, the deal's still on

by SculptorMez

He's dumb, though, so
maybe he didn't really pass.

by SculptorMez

by SculptorMae

by SculptorMae

by SculptorMae

We're gonna make it work! I also need Olivia's body...

by SculptorMae

by SculptorMe

by SculptorMe

I'm all done, Eric.

by SculptorMae

by SculptorMae

by SculptorMez

Even the feel of her skin is so nice, I want to wear it again

by SculptorMez

by SculptorMez

by SculptorMez

Will he even notice the switch when I come back in his sister's body?

A man and a woman are shown in a close embrace. The man, with dark hair and a serious expression, is looking upwards and to the right. He has his hand on the woman's face, covering her eyes. The woman has long, dark hair and her eyes are closed. A speech bubble originates from the man's mouth, containing the text: "I'm telling you, there's no way to get her back to normal here." The background is a plain, light-colored wall.

I'm telling you, there's no way to get her back to normal here.

I'll take her to a place where she'll be brought back to normal.

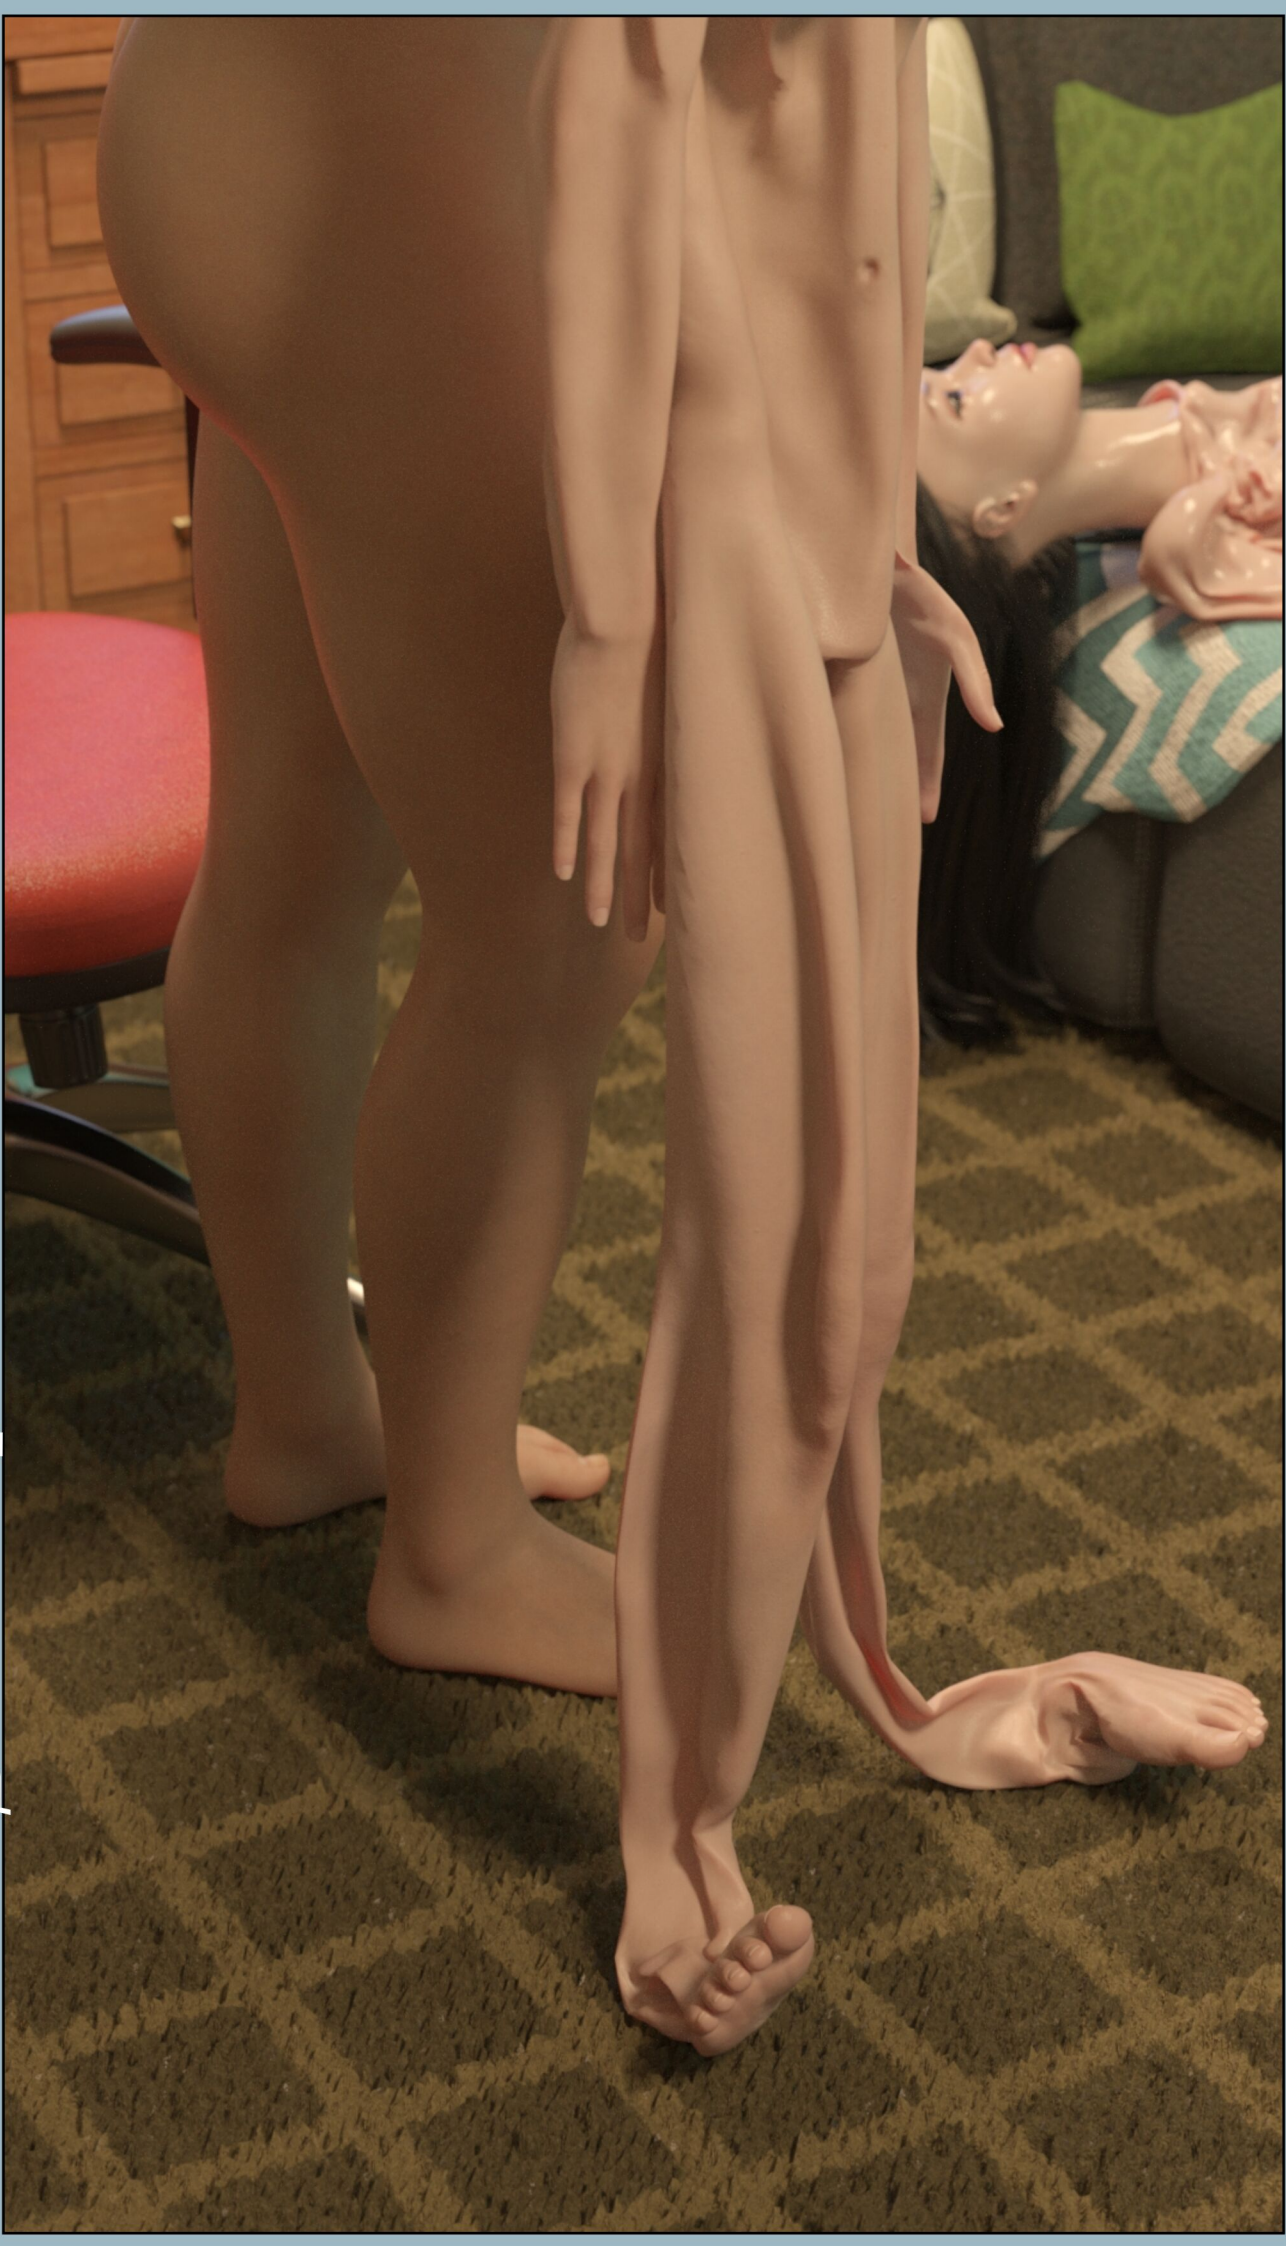

A 3D rendered scene depicting a moment in a room. In the foreground, a man is shown from the back, his torso and arms visible. To his right, a woman with dark hair is seen from the side, wearing a light pink dress. In the background, another man stands with his hands held up in a gesture, looking towards the man in the foreground. A speech bubble above the background man contains the text: "You don't think I won't check it out, do you?". The room has a teal wall and a patterned carpet.

You don't think I won't check it out, do you?

Listen to this.

by SculptorM2F

by SculptorM2F

SculptorM2F

I see you had nothing to do with that incident after all. It's a misunderstanding. We can even cooperate since you know the secret.

Are you gonna give me my sister back or not, Eric?

by SculptorM2F

by SculptorM2F

by SculptorMae

by SculptorMae

I know how the suit works now,
I'll know it's not her if it is.

by SculptorMae

What kind of partnership?

by SculptorMae

by SculptorM2F

by SculptorM2F

by SculptorMez

by SculptorMez

We'll get your sister back, I don't need her. And on the subject of cooperation. How much do you think you could sell a body like that for?

by SculptorMeF

by SculptorMeF

by SculptorMez

by SculptorMez

by SculptorMe

by SculptorMe

That's a lot of money, John. Even the middleman will get a great deal

by SculptorM2F

by SculptorM2F

You want me to sell these bodies?

by SculptorMae

by SculptorMae

by SculptorMez

by SculptorMez

Can we keep Olivia?

by SculptorMae

by SculptorMae

by SculptorM2F

I'm ready if you give me my sister back. And I really want Olivia's body.

by SculptorM2F

by SculptorMez

by SculptorMez

by SculptorMez

by SculptorMez

by SculptorMez

Here's the thing, John.
Olivia's body will go to
someone else. And it's not
up for discussion

by SculptorMez

by SculptorMae

by SculptorMae

I so want to feel her on
me again

by SculptorMae

by SculptorMae

by SculptorMae

by SculptorMae

I really want that body,
Eric.

A 3D rendered female character with a speech bubble. The character is shown from the waist up, with her right hand raised to her chest. She has a speech bubble above her head containing the text "Isn't there anything that can be done?". The background is a textured, brownish wall.

Isn't there anything that
can be done?

by SculptorMae

by SculptorMae

Okay, well, the sister's the main thing

by SculptorM2F

by SculptorMae

by SculptorMae

by SculptorMae

by SculptorMae

I'm so jealous of
you right now

by SculptorMae

SculptorMae

Look, see if I can give you this body later, but think of something else!

Isn't there someone you'd like to get your body?

John.

Eric, why don't you not wear it?

He will defile her body
with his presence!

by SculptorMae

by SculptorMae

by SculptorMae

by SculptorMae

by SculptorMae

What do you think, you little shit?

by SculptorMae

by SculptorMae

I know it's you. But it looks like Olivia standing in front of me.

by SculptorMae

by SculptorMez

by SculptorMez

What the? Did I pass out?

by SculptorMae

by SculptorMae

Did John put me on?
What is this strange jumble
of memories?

So I'm back here again.

by SculptorMae

by SculptorMae

by SculptorMez

by SculptorMez

It's weird, but can I, uh. I want to go with Olivia.

A 3D rendered female figure with short brown hair, standing in a dance studio. She is looking down and to the left, with her hands clasped near her neck. A thought bubble above her head contains the text: "You're an asshole, aren't you? It was you, after all. I'm sure". The background shows wooden ballet barre rails against a dark wall.

You're an asshole,
aren't you? It was you,
after all. I'm sure

by SculptorMae

by SculptorMae

I'm sorry, John, I'm in a hurry. And we need to get your sister back. You remember, don't you?

by SculptorM2F

by SculptorM2F

The yearling's right, she's exercising, she's eating right. Such lightness

by SculptorMae

by SculptorMae

by SculptorMae

by SculptorMae

Please, Eric. I really want to fuck her

by SculptorMae

I just don't know if I'll ever get the chance.

by SculptorMae

by SculptorMae

by SculptorMae

What an asshole, and I
felt sorry for him.

Fucking family, you shouldn't have gotten involved in this.

by SculptorMae

by SculptorMae

by SculptorMae

by SculptorMae

Burn in hell, asshole, Eric. I hate you. But don't give it to that asshole!

by SculptorMae

Whatever you
say, darling.

by SculptorMae

by SculptorMez

by SculptorMez

by SculptorMae

You should think about it, though, maybe there's someone you really like.

by SculptorMae

by SculptorM2F

by SculptorM2F

I can give you her
body

by SculptorMae

by SculptorMae

The only thing on
my mind right now is
Olivia

by SculptorMae

by SculptorMae

by SculptorMez

by SculptorMez

by SculptorMae

You do think about it, though, and clean up for your sister's return. and yeah, I'm sure she won't remember anything

Can I just touch her
pantyhose legs?

Relax, Olivia. I'm not giving him anything.

You want me so bad you even turned your back?

either.

Do you hear
how much he
appreciates you,
darling?

by SculptorMae

by SculptorMae

Don't talk to her please,
it's upsetting.

And Olivia?
