I'm doing you a favor, Greg.  
You never slept with Olivia.

A woman with long, wavy brown hair is shown from the waist up, wearing a grey, ribbed, sleeveless dress. She has a thoughtful expression, looking slightly downwards. A thought bubble above her head contains the text "I'm strangely comfortable in this dress". A speech bubble to her right contains the text "You can keep that nonsense to yourself". The background is a soft, out-of-focus grey and white.

I'm strangely comfortable in this dress

You can keep that nonsense to yourself

by SculptorMae

by SculptorMae

I don't remember something about Olivia's options for getting back to normal, but there must be a way!

Listen, Greg. and I  
can do everything you've  
ever dreamed of doing to  
her.

A man in a dark suit and white shirt is shown in profile, looking towards a woman. The woman has dark hair with a red headband and is wearing a dark, low-cut dress. She is looking down. The man's hands are clasped together in front of him. The background is blurred, suggesting an indoor setting.

I have her memory, I remember everything, you know? And I like her life better. That's why I'm not your brother anymore. Which means you have to take care of this problem yourself

Wait a minute!

by SculptorMae

by SculptorMae

by SculptorMae

by SCULPTORMAE

I'm not part of your family anymore. I'm just Rachel, Jessica's friend and model. I even have a boyfriend

by SculptorMae

You just  
threw away  
your family ties  
like that? What  
about the  
parents?

by SculptorMae

by SculptorMae

by SculptorMae

You know, it would be right to give Tom's body back to his girlfriend! You're lucky I'm in a similar situation, Tom.

by SculptorMe

by SculptorMe

I'm still questioning who you are! I know Patrick and I know Rachel. And you're acting weird, any way you look at it!

I'll get Jessica back, but how do I get her back to normal?

by SculptorMae

Is it just skin? It doesn't stretch

Let's see, I don't really need Jess's body anymore. Yeah, and there are a couple of interesting friends in my new persona

by SculptorMez

by SculptorMez

by SculptorMez

I'm so amused by everything that's going on. I might actually be John's sister, and he won't even know it.

by SculptorMae

by SculptorMae

by SculptorMae

My body, like Patrick's,  
will just be worthless  
garbage.

by SculptorMae

by SculptorMez

by SculptorMez

by SculptorMae

by SculptorMae

It's funny,  
Rachel's shoes  
fit me.

by SculptorMae

Which means Rachel and Jessica's wardrobe suits them both.

by SculptorMae

by SculptorMae

Rachel's got a bigger butt, though.

by SculptorMae

by SculptorMez

by SculptorMez

by SculptorMez

by SculptorMez

by SculptorMae

SculptorMae

Are you convinced? I take it you were checking to see if it was a costume?

I'm Rachel. I remember the first time we met. And if I hadn't blown you off, you'd be dating me instead of Jess. I talked her out of having a relationship with you, by the way. I was sure it wouldn't do any good.

As you can see, I was right.

by SculptorMae

by SculptorMae

by SculptorMae

by SculptorMae

You know, even Rachel's memory hasn't changed your self-centeredness.

Rachel wouldn't have said any of that to me

by SculptorM2F

O! You don't know what kind of bitch I'm gonna be. The new Rachel is going to be amazing.

SculptorM2F

by SculptorMez

Is this part of my brother and Rachel's funeral?

by SculptorMez

by SculptorMez

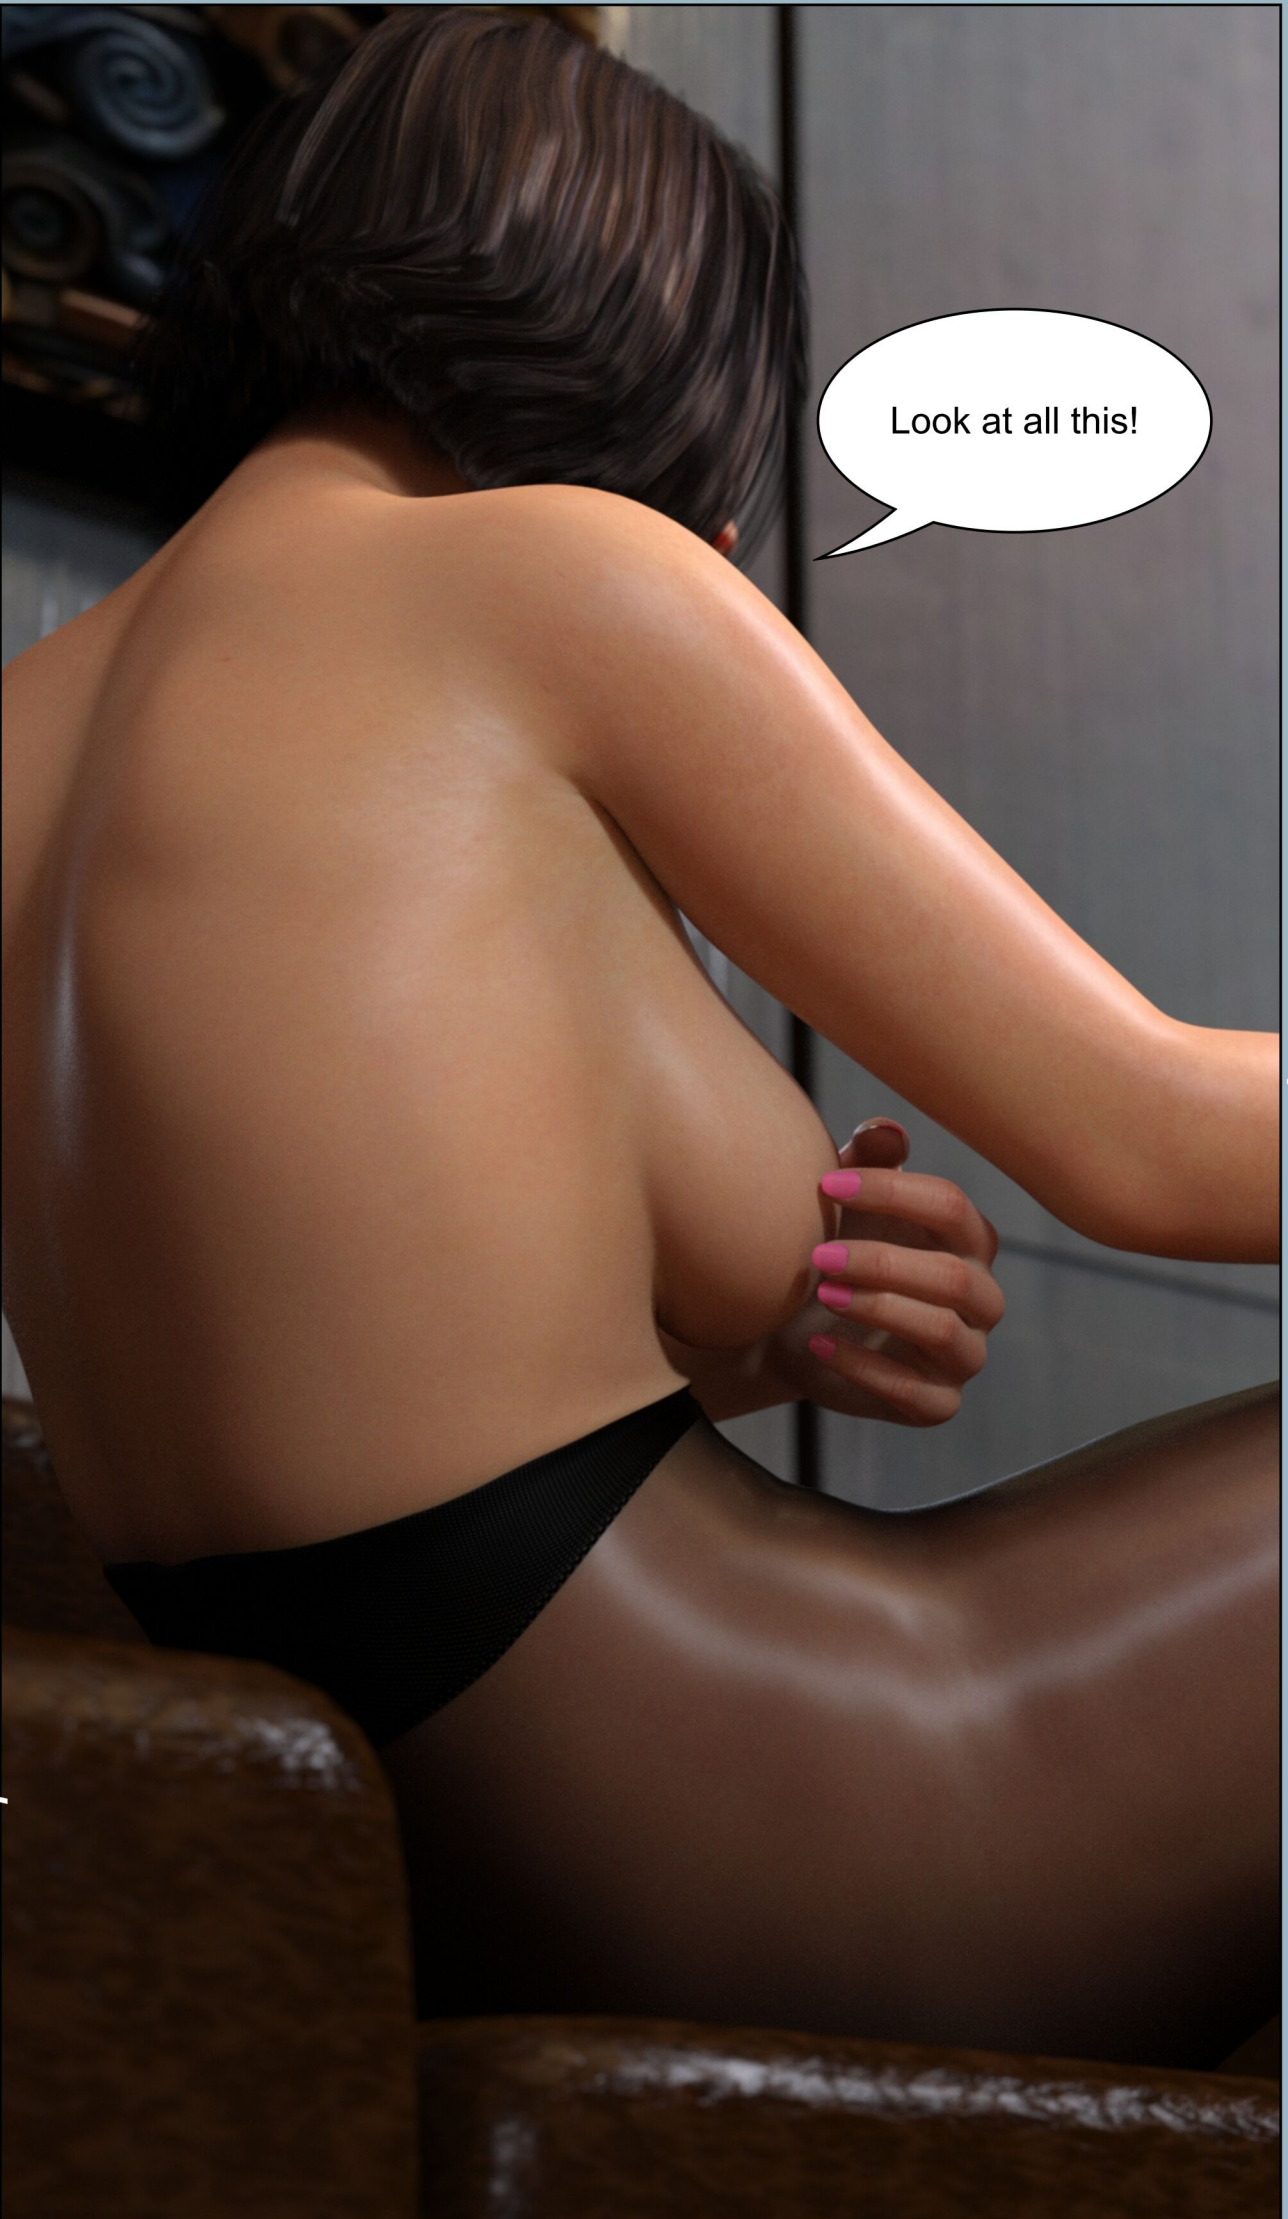

by SculptorMez

by SculptorMez

Look at all this!

by SculptorMez

by SculptorMae

by SculptorMae

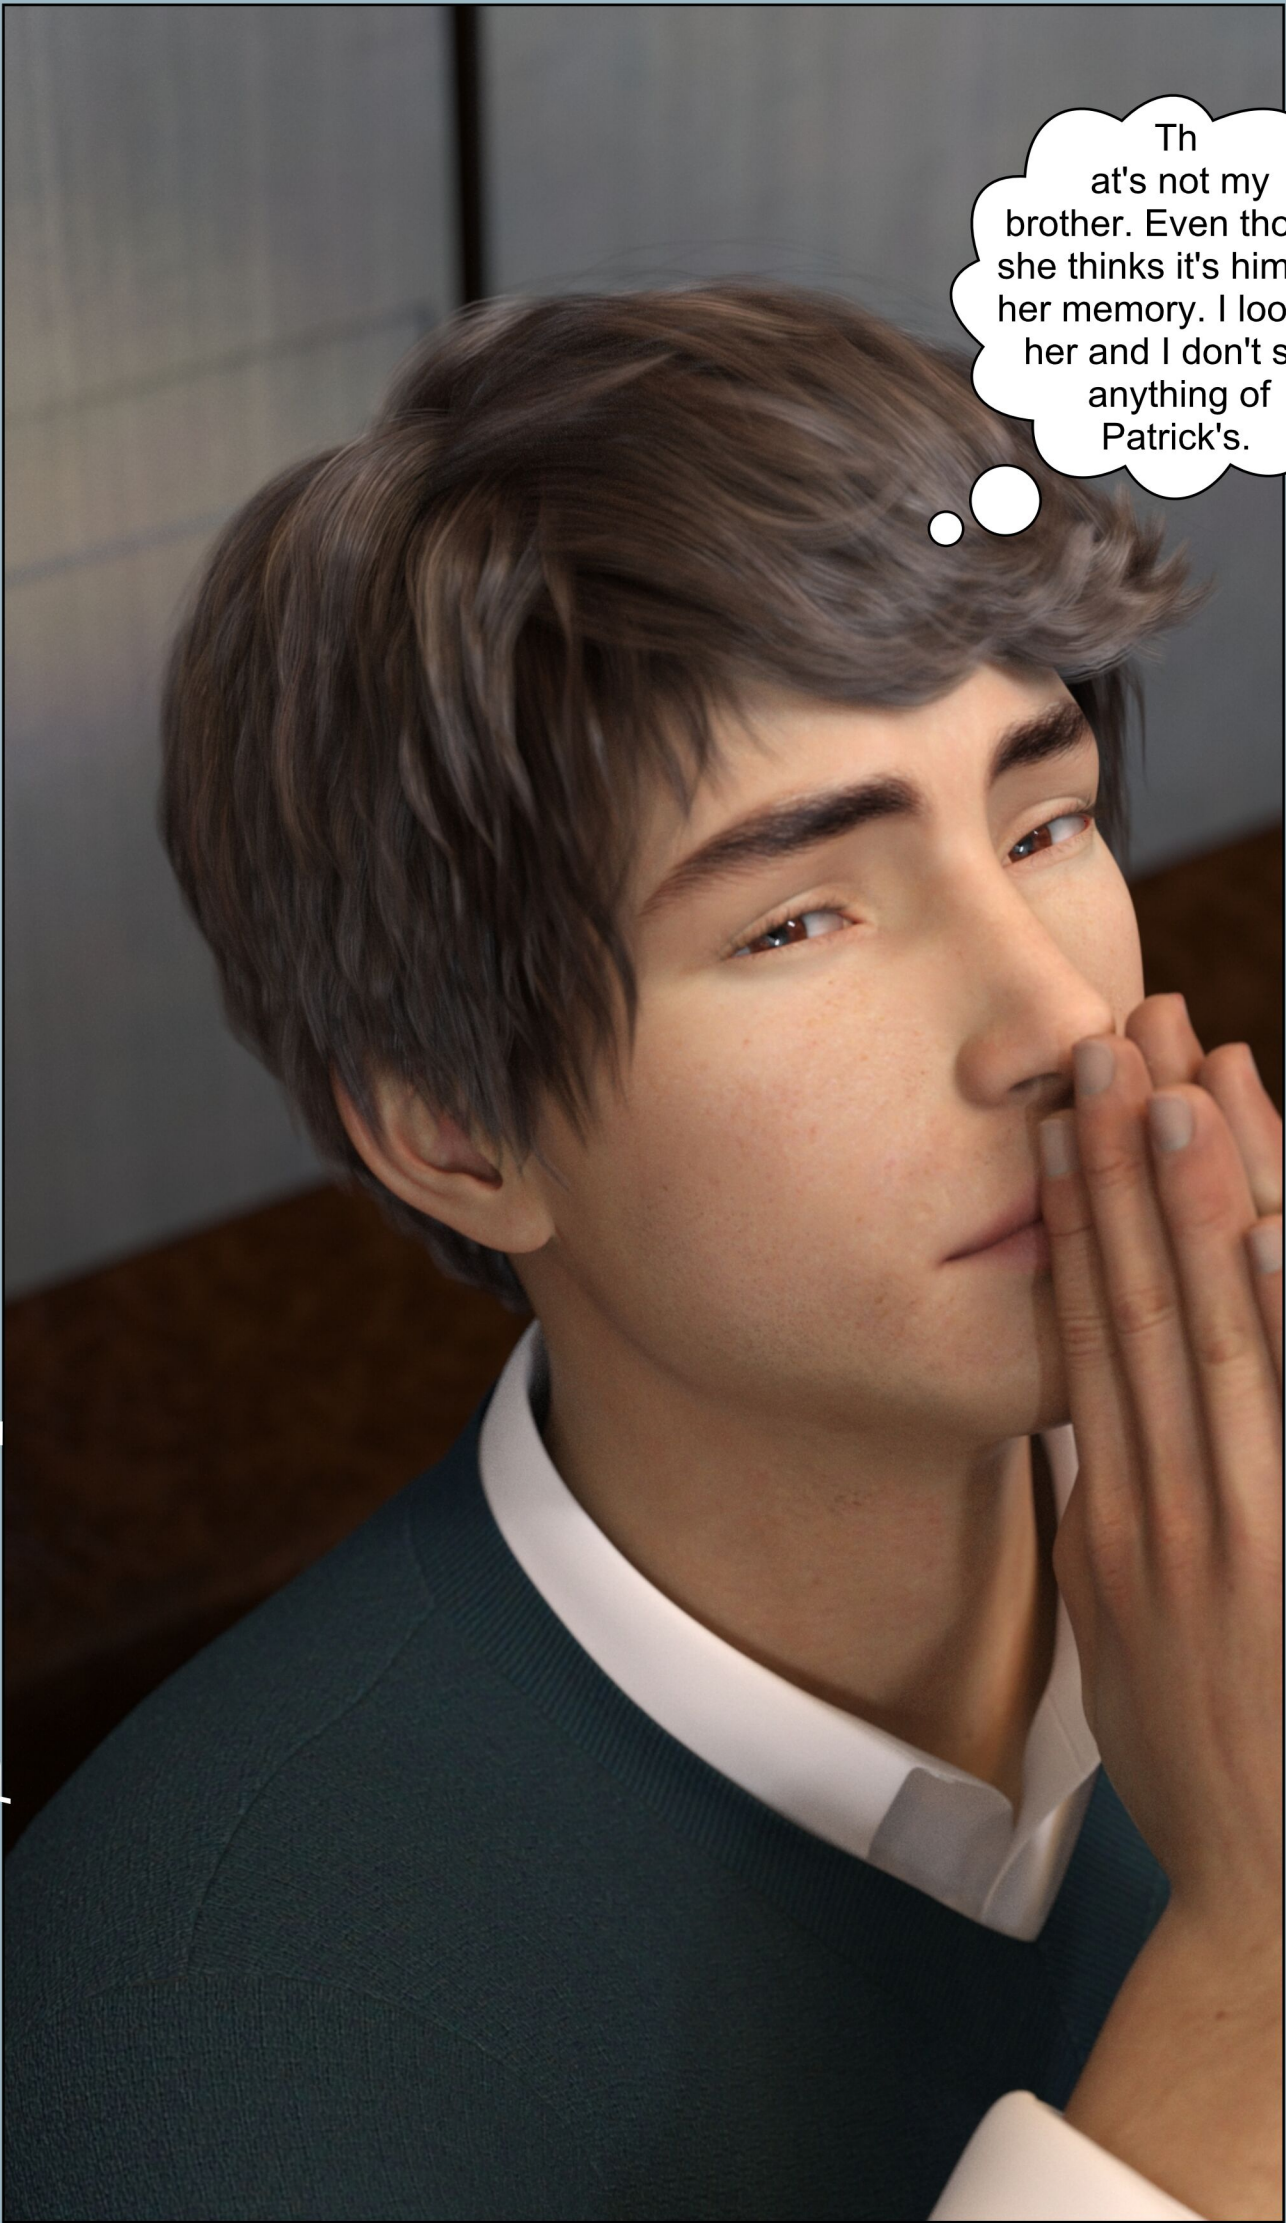

That fool was using that body wrong. I can accomplish so much more with him. I have to admit, though, I was impressed with some of her antics.

Oh, God, I don't even want to know what it's about.

by SculptorMez

by SculptorMez

That's not my brother. Even though she thinks it's him with her memory. I look at her and I don't see anything of Patrick's.

by SculptorMae

by SculptorMae

by SculptorMae

by SculptorMae

Why am I  
even listening to  
Eric?

by SculptorMae

by SculptorMae

by SculptorMae

by SculptorMae

I'm really gonna fix this, Olivia. I don't know how yet, but there should definitely be a way.

by SculptorMez

by SculptorMez

by SculptorMez

by SculptorMez

by SculptorMe

by SculptorMe

Are you really suggesting I throw your body in the trash? Have you thought about your mother?

by SculptorM2F

The bums  
are gonna be  
surprised at the  
find

by SculptorM2F

by SculptorMae

by SculptorMae

You don't get it, do you? I have a new family.

by SculptorMae

by SculptorMae

by SculptorMae

And you know, they're better and richer than our parents. My stepdad adores me. And I don't think it's about paternal feelings.

by SculptorMae

by SculptorMae

It's funny, throwing this body out and waiting to see who comes in it. You don't think no one's gonna wear it.

by SculptorMae

by SculptorMez

by SculptorMez

by sculptor mae

by sculptor mae

It's a new life, a clean slate.  
Oh, and youth and health.  
How much can you sell it for?

by SculptorMez

by SculptorMez

by SculptorMae

And making custom suits out of people is a gold mine.

by SculptorMae

Why don't you give it to me? I'll find a use for it

by SculptorMae

by SculptorMae

Will be my first sale

by SculptorMae

by SculptorMae

by SculptorMez

by SculptorMez

Do whatever you want,  
Eric-Olivia, I don't care.

I want to hit you so bad,  
Patrick!

by SculptorMae

by SculptorMae

by sculptor mae

I'm Rachel!  
Patrick's dead.  
Remember, brother. I'm  
gonna live her life. By the way, I  
have a photo shoot tomorrow.  
You want me to put in a good  
word for you? Maybe they'll  
even let you in to watch  
the proceedings.

by SculptorM2F

by SculptorM2F

by SculptorMez

by SculptorMez

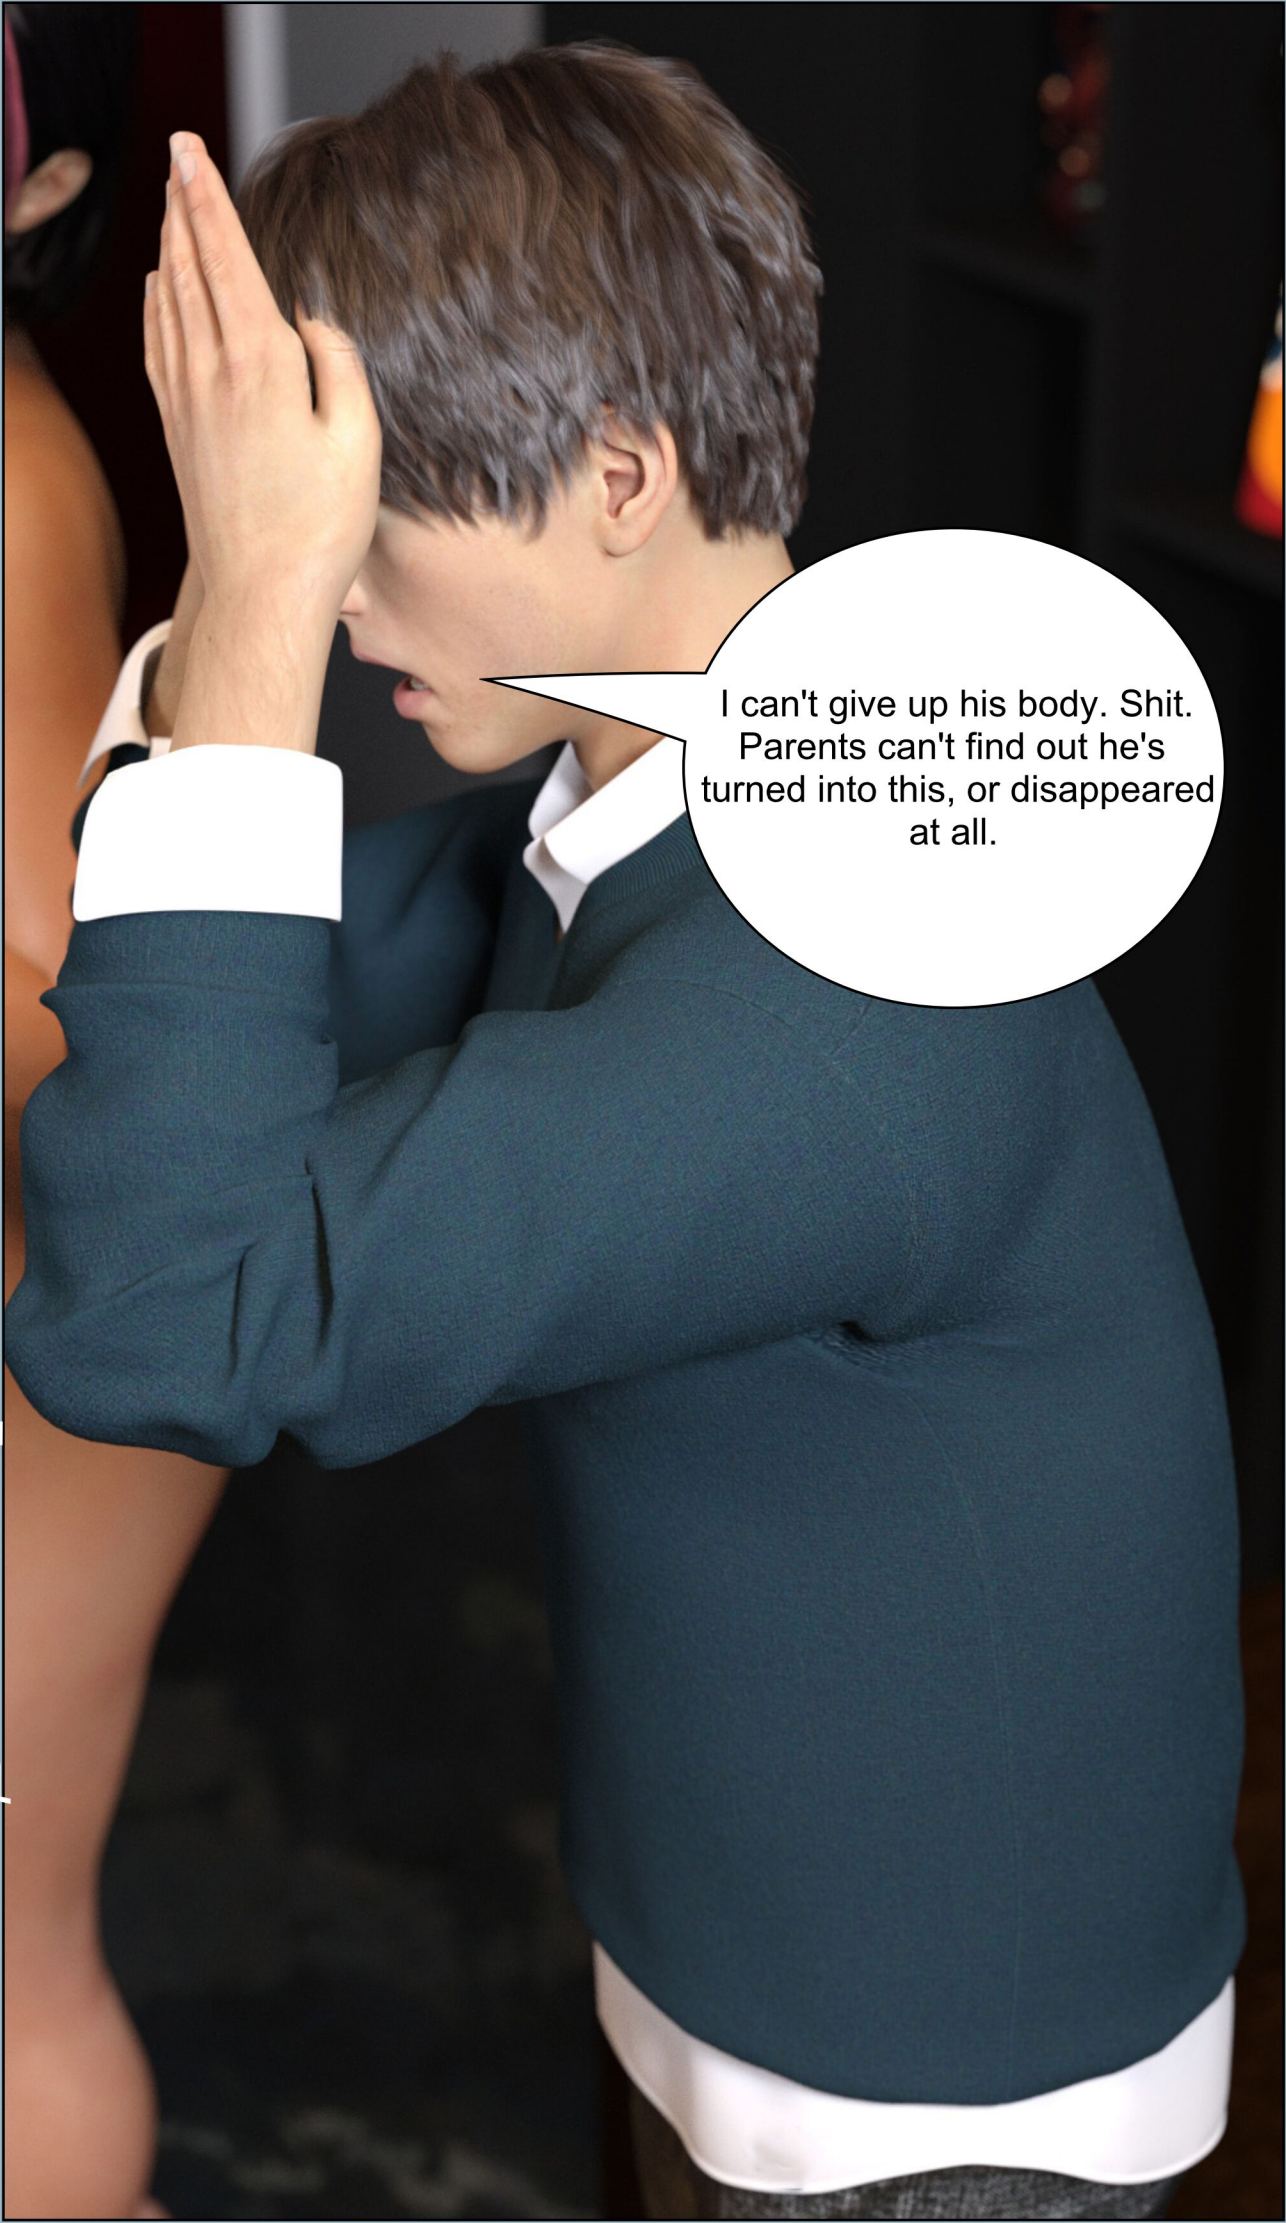

by SculptorMez

What did you decide?

by SculptorMez

by SculptorMae

I can't give up his body. Shit. Parents can't find out he's turned into this, or disappeared at all.

by SculptorMae

It'll be especially nice to fuck my boyfriend knowing you're in trouble Tom.

by SculptorM2F

by SculptorM2F

by SculptorMae

by SculptorMae

What the hell are you talking about? Did you change your orientation, too?

by SculptorMez

by SculptorMez

He's a girl, Tom.  
There's nothing wrong with  
his orientation. If you tried  
putting the same Jessica on you,  
you'd understand. Different  
body, different basic  
reactions

by SculptorMae

by SculptorMae

by SculptorMez

by SculptorMez

by SculptorMae

You know bro, I highly recommend it! She's a good first-time option

by SculptorMae

You must be discussing me, right?

by SculptorMae

by SculptorMae

by SculptorMae

Get my girl Eric off of you. I brought Melinda

by SculptorMae

What's all the fuss  
they're making?

by SculptorMez

by SculptorMez

by SculptorMae

by SculptorMae

by SculptorMez

by SculptorMez

by SculptorMae

by SculptorMae

by SculptorMae

by SculptorMae

by SculptorMae

It's an interesting proposition, but first you'll put it on and play with me, you know how stubborn I am. You don't have any other options, Greg

by SculptorMae

Damn  
it, damn it, damn  
it!

by SculptorMez

by SculptorMez

by SculptorMae

by SculptorMae

Don't worry about it, Tom. You could always blow it off and be the same Jessica. Learn all her secrets. I know something, but I'm not telling you

Believe me, there's a lot you don't know about her and me. And even that white-haired chick your best friend's hanging out with is a piece of work. But it'll remain a secret for you if you don't get Jess's memory.

by SculptorMez

by SculptorMez

by SculptorMez

by SculptorMez

Think about it, though, Tom. I'll even share the profits from the sale of Patrick's body.

by SculptorMae

by SculptorMae

by SculptorMae

There's some asshole  
who needs to lay low.

by SculptorMae

by SculptorMae

by SculptorMae

He won't agree to let a leftist into the family, Eric. I'll tell you more than that, no one would agree. Not Patrick, not past Rachel. It's funny, but I don't care.

by SculptorMez

by SculptorMez

by SculptorMe

You really don't care that much? The worst part is that Rachel was putting her hand on my shoulder just like you did. But I know you're not her

by SculptorMe

by SculptorMez

by SculptorMez

It's you! Your own body!

by SculptorMae

by SculptorMae

by SculptorMae

by SculptorMae

by SculptorMae

Here's the box, you can burn it, throw it away, do whatever you want with my body.

by SculptorMae

by SculptorM2F

by SculptorM2F

by SculptorMae

by SculptorMae

by SculptorMae

by SculptorMae

by SculptorM2F

It's so funny, this body  
will soon be my own.

by SculptorM2F

by SculptorM2F

by SculptorM2F

by SculptorMez

You like Asian women, am I right, Eric?

by SculptorMez

by SculptorMez

by SculptorMez

Well,  
how can I tell  
you, there's  
something about  
them

by SculptorM2F

by SculptorM2F

by SculptorMae

by SculptorMae

by SculptorMae

by SculptorMae

by SculptorMae

by SculptorMae

I am now, Rachel! I'm more Rachel than she was. It's not for you to judge. You actually hit on me when you were already in a relationship with Jessica.

by SculptorMae

by SculptorMae

I think you've all gone crazy here! And you're the worst Patrick of all. If you took the pill like you said you did. So you killed Rachel!

And myself, too.

by SculptorMez

by SculptorMez

by SculptorMae

by SculptorMae

All right, Eric. But you're gonna help me find a way to get Olivia back to normal!

by SculptorMez

To be continued
