Why don't we wear something sexy?

by SculptorMae

by SculptorMae

I think completely naked would be more interesting

I want to enjoy Milinda's body without anything getting in my way.

A photograph of a woman with dark hair lying on her back on a massage table. She is unclothed and has her eyes closed, appearing relaxed. Her arms are extended to the sides, and her legs are slightly bent. A white thought bubble is positioned above her head, containing the text 'This is so good. My new life has begun'. The background shows a patterned pillow and a dark metal frame.

This is so good. My new life has begun

by SculptorMez

by SculptorMae

I feel so free, everything that held me back in both of my previous lives no longer matters

by SculptorMae

by SculptorMez

by SculptorMez

by SculptorMae

Look how small my
fingers are

by SculptorMae

by SculptorMae

by SculptorMae

Yeah, yeah. suits are weird with internal volume

by SculptorMae

Look, you could use this. We just need to find out how the X-rays are picking us up.

by SculptorMae

by SculptorMae

Damn, I should have thought of that. It's a gold mine

by SculptorMae

A photograph of a woman lying on her side on a bed in a hotel room. She is wearing a pink bikini bottom. Her right arm is raised, and her left hand is resting on the bed. A speech bubble is positioned over her torso. The room features a white tufted headboard, a patterned rug, and a bedside table with a lamp.

These are my hands. I painted those nails myself. But that was still before my change. I'll have to try it myself

by SculptorMez

by SculptorMez

by SculptorMez

by SculptorMez

There are so many things I want to try

by SculptorMae

by SculptorMae

by SculptorMae

Shit! I forgot to turn off the lights at home

by SculptorMae

You know, I've always wanted to see this

by SculptorMae

by SculptorMae

Olivia is very modest. she's definitely not gonna walk around the house naked

by SculptorMae

by SculptorMae

by SculptorMez

by SculptorMez

You're lucky the girls' consciousnesses are gone. I don't think Olivia would appreciate

by SculptorMae

by SculptorMae

by SculptorMez

by SculptorMez

by SculptorMae

by SculptorMae

It's still an amazing
experience

by SculptorMae

by SculptorMae

But I'm still
gonna get Olivia back.
Eric wouldn't understand.
But the body isn't
everything

by SculptorMae

by SculptorMae

by SculptorMae

by SculptorMae

And what are we doing frozen? It's awkward, isn't it?

by SculptorMae

by SculptorMae

I can't let go of that thought. How much stuff can you fit in a suit? What if two of us got in?

by SculptorMae

by SculptorMae

by SculptorMae

by SculptorMae

How will the animal behave in the costume? What if I gave him a pill?

Well, I'm gonna play with my girls first.

by SculptorMae

You've been

by SculptorMae

by SculptorMae

by SculptorMae

by SculptorMae

by SculptorMae

by SculptorMae

by SculptorMae

So
eager to fuck
us, huh,
Patrick?

You can't pretend to be Olivia, though. And you can't take Milinda, Eric.

by SculptorMae

by SculptorMae

by SculptorMae

It's obvious from
your behavior who you
are

A photograph of a woman with dark hair lying on her back on a white tiled floor. She is nude and looking down. A speech bubble is positioned above her head. The floor is made of large, light-colored square tiles. In the foreground, the legs and feet of another person are visible, suggesting she is being attended to or examined.

Why don't
you lick my
feet?

by SculptorMae

by SculptorMae

A woman with dark hair and bangs is shown from the chest up, her hands covering her mouth as if she is laughing or surprised. She is looking towards the right. The background is a plain, light-colored wall with a circular light fixture. The overall tone is intimate and candid.

He's the one who should be protesting the desecration of Olivia. Or so eager to get inside?

by SculptorMae

by SculptorMae

Bitch!
Yes!

So what's wrong with me? Have I really changed that much? But I just want to be Rachel. I like her life. I get to choose who I think I am since I have two memories. And my body.
