

How much work have you made on the project?

O-oh, uh, you know-

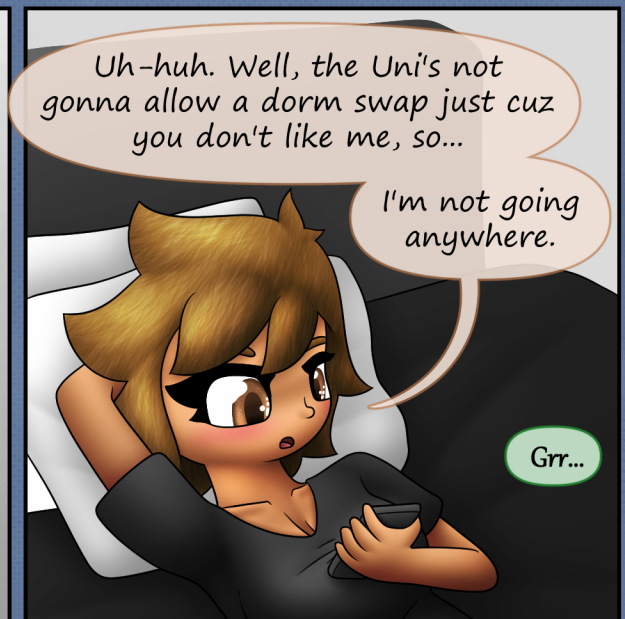

Ugh, I knew it. I can't believe you got me to be your partner. I should have known.

Relax, I'll get my part done.

Whatever. What's with the rock, I don't I've seen that before?

My grandma's. A good-luck charm, she said.

Hope I'm not getting sick...

N-ngh! These fit yesterday!

Some kind of growthspurt...?

Guess it's not the worst thing... But I hate having to get fitted...

No one's ever said anything but...

Problem for later...

Breakfast first.

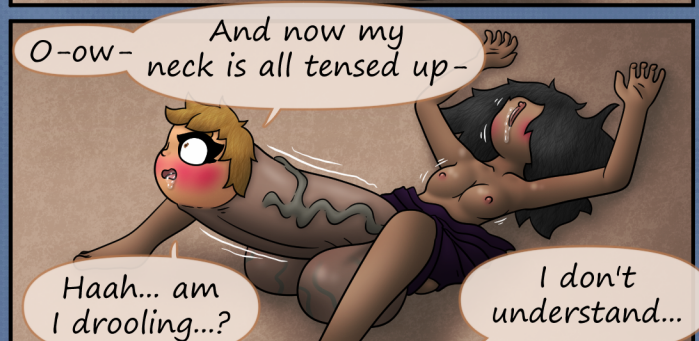

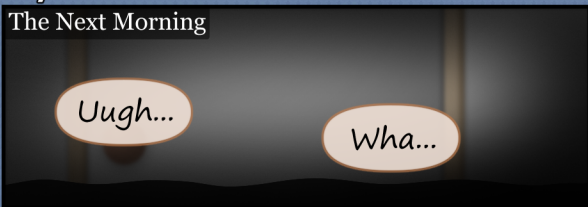

And some good ol' TV!

Can't work on the project when I'm sick, right?

Bianca doesn't get home till later anyway.

Uugh...

Wha...

Was I...
asleep...?

Was it all just...

I... I can't move!
Why can't I move
my arms, why
can't I-

Mmm...
Chrissy...?

Who the-

O-oh...
C-Celeste...

What's the matter,
you were yelling!

Oh, sorry... I...
I had a dream...
I think...

Oh no,
a nightmare?

N-no... I...
it was like...

...

It's fine...
I'm okay...

Hmm... well,
okay!

We gotta
get busy
anyway. I
need to
finish that
project-

Right...
the project...

Yup! Cuz
when Bianca
comes home,
she has a
surprise for
you!

A surprise...?

yeah!
giggle

And... left to hang
under the desk...

I guess I am
just her...

All these
memories...

They're so vivid...

They don't feel like
a dream, but...

they must
have been...?

Later

Hey Celeste,
hey Chrissy!

'sup, babe,
you, uh-

Are you
trying to flirt
again?

Yes.

Well, stop,
you're terrible.

Hey!

Anyway, hey,
Chrissy, I know you
don't like me, but
tonight is gonna be
good, I promise~

Hmph...

Oh... it's a sex
thing... Of course
it would be...

What kind
of 'surprise'
would
I get?

...Fine,
okay...
I mean...
It's...
what I'm
for, I
guess...

Why am I
so nervous?

Surely, I've
done this before...

I must have, but...
I can't... remember...

Oh! Your hand...
feels nice...

My face is so...
sensitive...

If that feels good,
then what about-

Mmm~ ♥

Hah!

Aah! Her tongue!
O-o-oh my god-

Aaah~
Bianca~

I'm pulsing...
It's too much...

I f-feel like...
