As she went downstairs, to reach the toilets, Elena felt more and more wet between her legs. She looked down behind and realized that despite the tissue, Alex's cum was leaking on her dress, in a way too obvious way.

«Fuck fuck fuck, I can't go like this to the dinner... Hopefully, I took some spare clothes, I kinda knew something like this would happen, but not in such an embarrassing way...» Elena stated, rushing toward the toilets first.

She did what she had to, evacuating every remaining fluid out of her vagina, before going to grab her bag in the living room.

Hopefully, for her, Alex and his parents were outside, cooking around the barbecue. She took her bag, picked up the spare clothes, and headed back to Alex's upper room to change.

«Aaaaaah, better!~» Elena smiled, adjusting her new clothes, pressing her tits to make them perfectly fit inside of the new top.

«I will never get tired of seeing those two beauties. This is a bit more revealing than my previous dress but...I don't think anyone would mind, except maybe Alex's mother...she believes I am an angel...hahaha...If only she knew her son just nailed me upstairs~»

Once done, Elena headed downstairs, to meet Alex and his parents.

Upon arrival, she realized Alex was staring at her, a frown on his face.

«Hugh, sorry for being late, I had to change myself, I... spilled something on my dress...» Elena explained. «I hope it doesn't bother you too much, I had nothing else in my bag...»

«Haha, don't worry honey, I know what it is like as a woman. Don't worry» the mother smiled, going back to prepare the rest of the food.

«Yeah...don't worry...Hummmm, I...I am going back to the barbecue...gotta make sure the meat isn't burning» the father said, quickly looking away after catching himself staring at Elena's cleavage.

Once both of his parents were away, Alex stared at Elena judgmentally.

«What the fuck mate? What are those clothes? We said you had to keep it low!» Alex said.

«What? Your mother doesn't care, and your father seems...Rather okay with it too, hahaha!~» Elena laughed.

«Of course, he doesn't care! Have you seen how he was staring at your tits?» Alex asked.

«How couldn't I see it? Like his son, I would say. The difference is, only his son can rub his dick between my melons~» Elena purred, winking toward Alex.

«Look Jordan, this is already fucked up enough to bring you here as Elena, so please, try to behave normally...» Alex added, looking at Elena who was widely smiling.

«Mate, I told you I have no intention to leave Elena's body, and we already discussed it, it is way better for everyone this way, regarding how much of a bitch Elena was. So stop calling me by my old name, or dude, or mate, or anything like that...if someone hears you, this could be awkward real fast» Elena explained.

«I know, and I am glad too about those changes, especially because...you know..3. Alex was about to say before Elena burst into laughter.

«Because you are too addicted to have sex with me... put your head between my boobs...I know~» Elena said, pushing her tits together with her elbows.

«Hugh, I think your mother calls you»

«Ah, shit! Gotta go then, don't do stupid things please!»

Alex told her, heading back to the kitchen, leaving Elena alone in the garden.

«Well...what to do...» Elena said to herself, looking around the garden.

The only point of interest was Alex's father, barbecuing.

Before he decided to wear Elena's skin, Jordan had always been in a good relationship with Alex's father, as opposed to the mother, he wasn't scolding Jordan for bringing Alex to whatever crazy thing he had in mind.

From time to time, he was even helping the two friends with some money, so they could have fun the way they wanted.

«Huum, maybe I could repay him. He was always so nice to Alex and me, supporting us with everything, and I could never repay him back» Elena added, heading toward Alex's father, a grin on her face.

Once she reached him, he lifted his head away from the smoke, trying not to stare too obviously at Elena's cleavage.

«Oh...I didn't hear you coming. Elena, right? I am glad you met my son, he seems really happy with you» Alex's father explained, trying to focus, while Elena was obviously showing him more skin.

«Thank you! Alex told me how much of a sweet father you were, always supporting him and his closest friend» Elena smiled, Alex's father getting back to the barbecue to avoid staring too much at Elena.

«Jordan? Yeah, that boy is a nice touch for my son, always pushing his limits forward. He was supposed to come, before Alex informed us that his girlfriend would replace him» the father explained, trying once more not to turn his head toward Elena.

«I see...Oh, and one thing, which stays between us...I don't care when a nice father like you, stares at my tits like you did...So don't feel bad or anything, do it as much as it pleases you...you deserve it~» Elena purred, making her boobs move by adjusting her top.

«Whoa...I mean...What would Alex say if...» the father was about to say.

«I don't care about Alex's opinion. I am a grown-up woman, I can do whatever I want, you know» Elena explained, giving a better view of her boobs to the father. «Do you want to touch them? Your son loves to rub his head between them, hahaha!~»

«Whoa...Are you for real? My wife wouldn't agree...and Alex...» the father wanted to complain.

«Alex wouldn't care and...there is nothing wrong about

a little boob touching you know, except fun for both of us~» Elena smirked, grabbing her tits lustfully.

«Come on, I know you stared at them and wished to have your hands on them...now is your chance~»

At first with hesitation, the father let one hand go toward Elena.

Seeing his hesitancy, she grabbed it, and put it on her chest, with a smile.

«See? They feel nice, right?~» Elena teased, pressing the father's hand on her boobs.

«I still can't proceed with the fact my son scored with such a beauty» the father explained, putting his other hand on the job, playing lustfully with Elena's fun bags.

«Makes me remember back in the day when I was in college...I had so much fun with that busty girl back then...damn!»

«I see...you seem to be having a lot of fun right now... huuuum...it feels kinda nice...do you want to do a quickie right here? I mean, while Alex and his mother are busy?~» Elena smirked, caressing the father's bulge under his pants, as she came closer to him, pressing her assets on him.

«I promise...nobody will know it...let's just say, it is a way to thank you for everything you did for your son, and his friend Jordan~»

«What? No I would never...» the father was about to explain, before Elena took her top off, freeing her breasts.

«Oh sorry, you were saying? Do you see what I am wearing? It is very loose, and I can cover myself pretty quickly with it too. If someone comes, they will never know what we were doing...just saying~» She winked, covering her boobs with her overalls.

«What I am saying, is that you deserve to be rewarded for your kindness~»

«Is this...really ok for you?» The father wondered, aroused.

«Yes...do whatever you want to this body...to me I mean~» Elena purred, gently twerking on the father's hips, letting him grab both of her tits from behind.

«Is that your cooking spatula I am feeling in your pocket, or are you really excited about the soon-to-come little private time together?~»

«In your opinion...you little slut! My wife isn't as fresh as you are, and we barely do it anymore...not talking about the fact she isn't as tight as she used to» The father explained while cupping Elena from behind, his dick rubbing between her legs.

«Ooooooh, you are so hard...this is so big...I know where

your son got racked like this now~» Elena smiled, bending over, waiting for the next step.

«I told him you were perfect girlfriend material... Now I can also see if you are perfect in bed for him too!» the father added, sliding himself between Elena's private lips, making her moan as he inserted himself whole. «You have a tight pussy!»

«OOoooh fuck! Hubert, you are so fucking big...I...it is as if I had ... you are pushing on my inside so much!!!~» Elena moaned, unable to contain her pleasure, as never ever has Jordan experienced such size since he took over Elena.

«Hubert? How do you know my name?» the father asked, surprised about this.

«I...hugh...your son told me!» Elena said, Jordan realizing that never ever has Hubert introduced himself to Elena.

Unable to say anything more when Hubert began to move his hips, Jordan could only enjoy the huge pleasure of having the huge size inside of Elena's pussy.

«Damn, I am losing my mind...this feels way too good!» Jordan thought, seeing double the more the pleasure grew.

«Dad!?! Is the barbecue ready? Can I bring you the food?» Alex yelled through the garden, being done helping his mother prepare the meat.

Surprised and thinking Alex would come over, Elena and Hubert stopped what they were doing, putting back their pants as quickly as they could. Fortunately for them, they managed to look normal, just in time for Alex to reach them.

«Why weren't you answering? Is the grill ready?» Alex asked.

«What have you two done for so long?»

«Elena and I had a talk about you. I am glad to know her, and I am glad she met you, honestly! She is wonderful!» Hubert smiled, hugging her by the shoulder, as he would have done with Jordan.

«I am glad you are liking each other... seeing you like this reminds me of the way you were with my buddy» Alex stated, realizing that he could almost see Jordan through Elena's skin, by the way his father was acting with her.

«I agree with this. It is as if Jordan became a woman suddenly. Anyway, you two kids can go play around, I'll call you when the meat is done!» Hubert said, trying to hide his erection inside of his pants, as the

two left him.

«So what have you two talked about with my father? He seems pretty happy» Alex asked, wondering what happened in his timespan.

«Oh, not much. He just told me how glad he was that I met you, and that he understood why we got along, because I remind him of Jordan...hahaha~» Elena explained, adjusting her bra a little.

«Let's go to your room, I am up for some mo...I mean, I am super horny~»

«Whoa, again? Let's hope my mother won't hear us...» Alex added, as the two headed upstairs, back to his room.

Once they were inside, Alex and Elena took off their clothes.

As Alex moved toward Elena to kiss her, she blocked him with her hand.

«Nope. I mean...I...want to have sex with Elena. Moving like her, being her for so long, is so awesome, that I want to feel my new body from outside, in order to love it more once I wear her again~» Elena explained, tearing her skin behind her face, revealing Jordan's under it.

«What? No I can't! What if my parents see us? I mean, suddenly see you?» Alex said, looking at Jordan took Elena's skin away.

«You have no choice. Either you put on Elena, or I won't come down and pretend to have some girl's stuff...Also, we won't have sex before some time» Jordan explained, throwing Elena's skin to Alex.

«Hurh, fine! Let me lock the door first...» Alex complied, locking the door, before picking Elena's skin from the ground.

He looked at it all the way, lost in his thoughts.

«I still don't believe it has been months since we turned her into a skinsuit. I wonder what she would think if she suddenly were to get back to normal»

«She would probably wonder why she started dating the guy she bullied...as well as some other changes in her life» Jordan added, caressing his dick.

«Wear her already, I can't wait»

Alright alright» Alex said, wearing Elena's skin.

Jordan looked at the process, used to see it himself whenever he took Elena's skin off to call his parents. Weirdly, seeing it from another point of view, turned him more than he would have expected.

«Damn, feels weird to be her again.» Alex said with Elena's voice, cupping her breasts firmly, making a funny face in front of the mirror next to her.

«Hahaha, I am the sexy slut Elena. Look at my big titties, I can't wait to rub them around Jordan's dick~»

«Well, you better hurry then, I am hard as a rock» Jordan stated.

«Right here~» Elena smiled, bending down on her knees, stuffing Jordan's member between her enormous boobs.

She sucked him sweetly, Alex enjoying playing as Elena again.

«It has been so long since I had a dick in this pussy... Mind if you do?~»

«Of course not! The first time you pulled out this slutty behavior, it made me want to try her body» Jordan replied, sliding his member inside of her vagina, making her moan.

«Oooooooh gosh! I forgot how good it felt~» Elena moaned, keeping her boobs from bouncing with her hands.

«I am so glad Elena became part of our life~»

They passionately fucked for a moment, Alex trying not to moan too loudly, feeling great again as Elena, reminding him of the days he was wearing her.

«Shit, I am about to come! Can I do it in your mouth?» Jordan asked, turning red from restraining himself.

«I don't care, you are the one who will have the taste afterward, so you decide~» Elena replied, smiling widely as she bent on her knees.

«I don't care!» Jordan moaned, stuffing Elena's mouth with his cum.

«Oh gosh...that felt so good...Thanks bro...»

«No problem mate. It was fun being her again. Maybe we should do it more often, role swapping who would be her» Elena smiled, gulping down all of what was inside of her mouth. She picked up her pants and began to wear it back.

«Wait, what are you doing? Give me her skin back first...» Jordan stated, heading to Elena. She pushed him gently with her arm, posing sexily while holding her tits, a finger in her mouth.

«What if I go downstairs now? You will be locked

here, since you can't go out, as my parents have no idea you were inside of Elena~» Elena smirked. «This could be a lot of fun, to see my parents interact with Elena, not knowing their son is wearing her~»

«Come on, don't be silly, give me her skinsuit back or we won't have sex for the next month!» Jordan stated, remembering what he did with the father of Alex.

«He would never know...never!» he said to himself.

«Alright, you are not funny...» Elena said, tearing apart the skin behind her head, revealing Alex's head under it.

«It is still so fun to play as a girl!»

«That's right, but slowly I prefer to stay longer and longer as Elena» Jordan explained.

«I don't know why, but having our friendship upgraded this way thanks to her body, is so amazing, I just love it»

«I love it too! Especially because you turn her as an animal in bed, and that is something we both know would have never happened to me if she was still herself» Alex smiled, throwing Elena's empty husk at Jordan.

«Here you go»

# April Fool - Part 4

«Thank you» Jordan said, wearing Elena's skin back again. He wore it promptly, reshaping as her in a minute. As he began to dress her, he stared at her panties, playing with them in her hands.

«Are you alright?» Alex asked, noticing Elena suddenly frozen.

«Yeah...I wanted to tell you something actually» Elena said, turning to Alex.

«What is it? Nothing bad I hope?» Alex added, wondering what Jordan wanted to say.

«Hahaha, not at all! Actually, I wanted to tell you how much I love being Elena. The more I wear her, the more it feels like my very own body. Also, I noticed something. I began to have some of her memories a few days ago, to have some of her mannerisms» Elena explained.

«I noticed that too, I thought you were really good at imitating her» Alex added.

«At first, yeah, I was having fun impersonating her. But the more I was doing it, the more natural it felt, and that's where I began to have her memories and all. That's how I learned about her credit card code, etc» Elena stated.

«And I loved it so much! Felt even more natural! I even kept her skin when she had her periods... because now this is the new me~»

«Whoa... But what about the real you?» Alex wondered, curious where this would lead.

«I don't know, we will find a way, like we always do as friends. But now, I want our relationship to blossom.. because we are so much more when I am her~» Elena smiled sweetly, putting away her bra.

«Am I wrong or... when you wear her...» Alex began, already knowing the answer.

«No, you are right. All the fun we had made me realize that when I wear her...I...I love you Alex~» Elena blushed.

Not knowing what to answer, Alex looked at her, finding her way more cute than before.

«You know, I too enjoy way too much what we are doing, and our new relationship» Alex replied, a bright smile on his face.

«I think I do love this Elena too»

«I am so happy!» Elena said, hugging Alex tightly.

«So as the lover we now are...maybe you are up for a little fun before we go to eat?~»

«Haha, that's my girl!» Alex laughed, taking his pants off again before the two proceeded to have another passionate love-making session.
