"Andy, you're progressing nicely with your panty training. You're cumming nine times a day even though the hormones we have you on are starting to kick in. Now, just stare at my panties as you jerk off into your own panties and soon we'll have you up to ten cums a day. That will make your mom so very proud of you!"

A PRINCESS PRODUCTIONS PUBLICATION

"Janet, it's so easy it is to feminize young boys? Promise to teach them about sex, get them highly excited, and then get them into panties. Next, fill them up with a nice big enema before jacking them off into their silky nylon panties. Believe me, after you've done it just three or four times, any little boy will do absolutely anything for you. We had our doctor give Teddy, here, breast implants. We'll be training to suck cock because Margo is bored with sex with her husband and needs a sissy boy to keep him drained of his juices."

Jack, with your hormone and implant tits that we gave you and your cock that stays hard all the time, we've achieved just the right balance of male and female hormone super dosage for you. You're a near perfect boy. Now, help me with Alice's enema and I will let you study my pussy filled lace panties during your bedtime wanking. Yes, I know you want a pussy too, but we're going to keep you as a girly-boy freak no matter how much your dick hurts from staying hard all the time and cumming at least twelve times every day. Now when Alice shits out her enema be ready to eat it -- that's your dinner for tonight, and take your hand off your panties, I don't want you cumming before Charlie is here to suck it out of you."

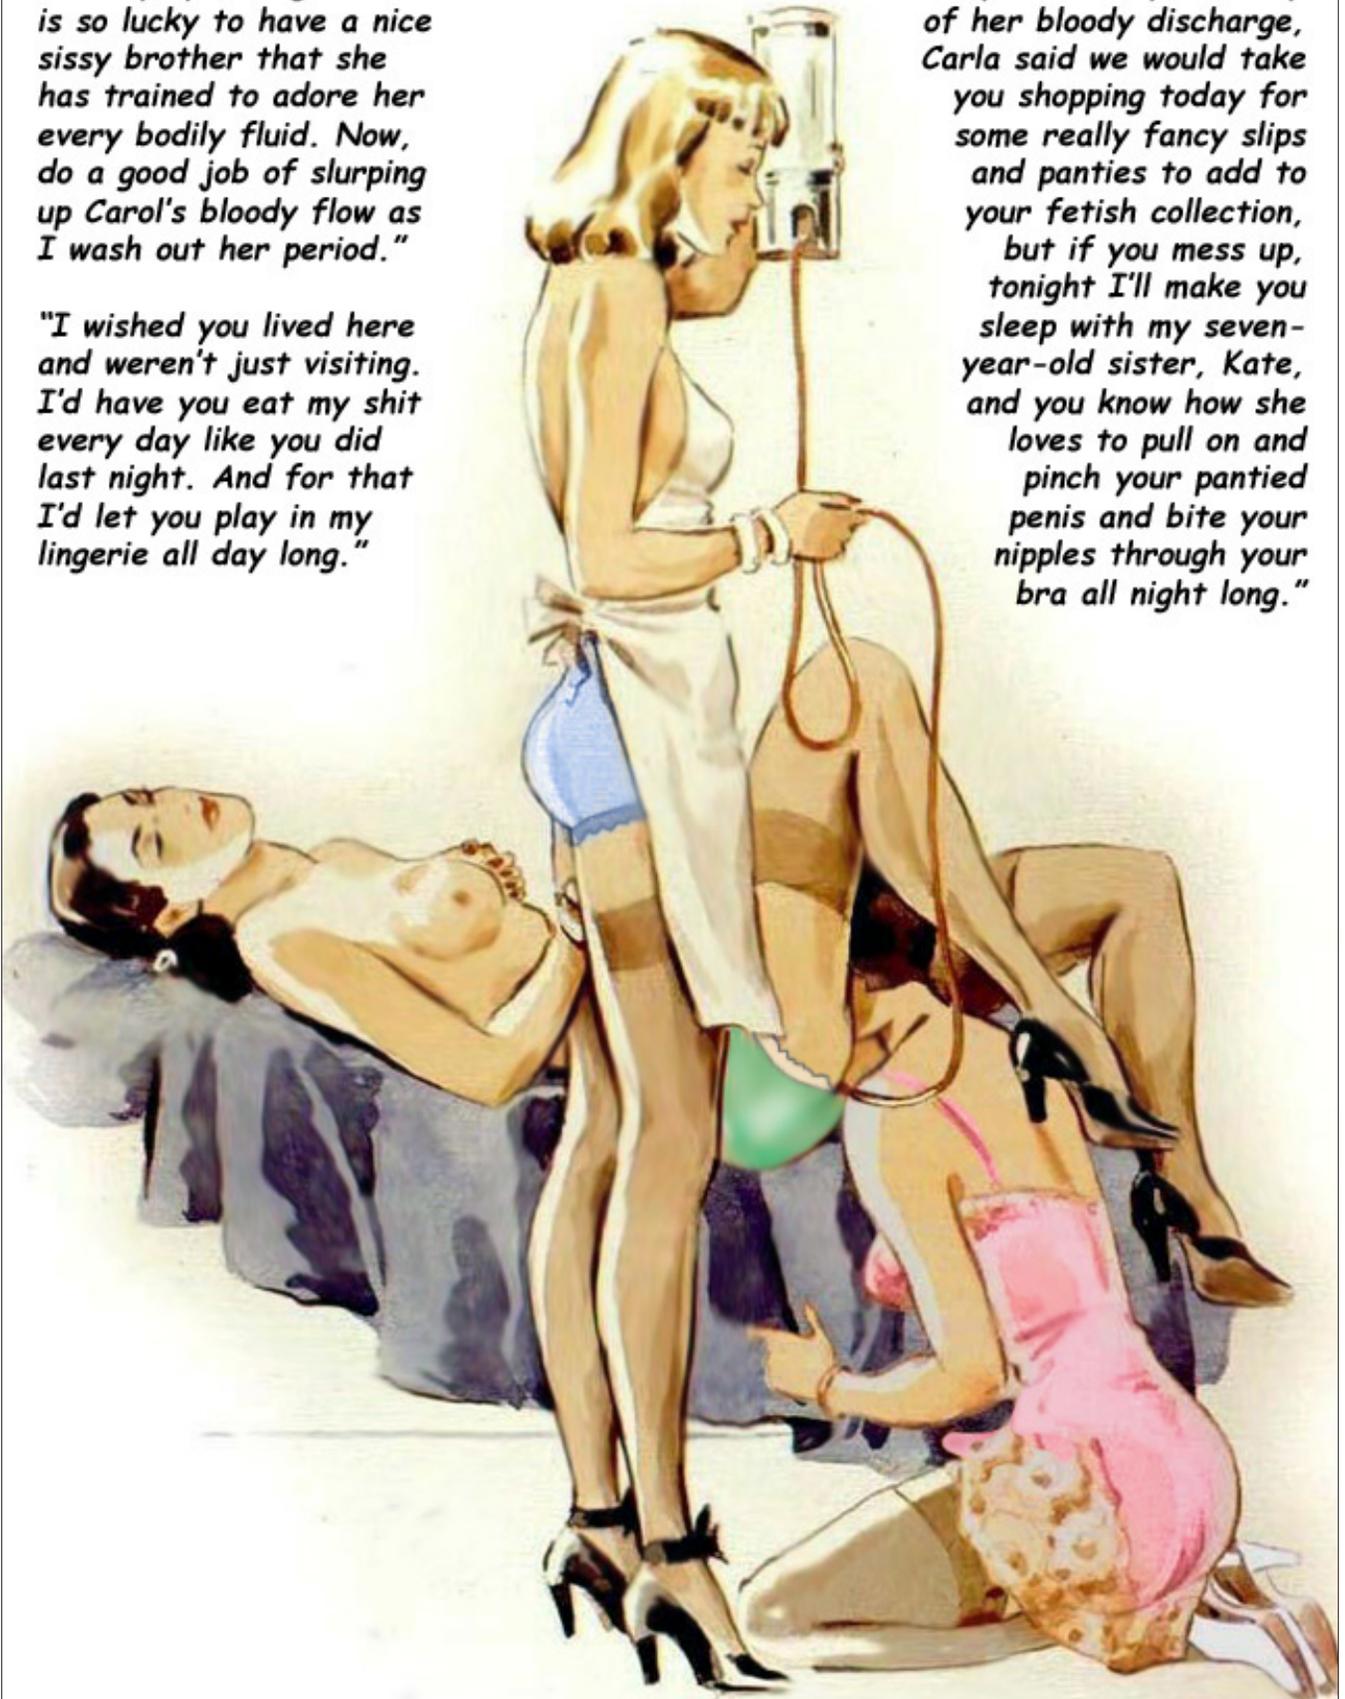

"Hold still, Donnie, you little sissy. You should be used to your daily piss enemas by now. Marie from next door is coming in right now. She has a full bladder and is happy to contribute her pee to you; it'll be nice and warm, you lucky boy. Remember to thank her, and no leaking into your satiny panties or I'll have you suck off her dog."

"Tommy, your big sister is so lucky to have a nice sissy brother that she has trained to adore her every bodily fluid. Now, do a good job of slurping up Carol's bloody flow as I wash out her period."

"I wished you lived here and weren't just visiting. I'd have you eat my shit every day like you did last night. And for that I'd let you play in my lingerie all day long."

"If you don't spill a drop of her bloody discharge, Carla said we would take you shopping today for some really fancy slips and panties to add to your fetish collection, but if you mess up, tonight I'll make you sleep with my seven-year-old sister, Kate, and you know how she loves to pull on and pinch your pantied penis and bite your nipples through your bra all night long."

"So this is Tina, the little tramp from school who called you a sissy when you asked her for a pair of her panties. I know her mother and she says Tina is much too willful and disrespectful to everyone, so I'm sure you're happy her mother sent her over her for a little discipline. Enjoy feeling her up through her panties and panty fucking her. Just as soon as you cum, I'm going to lock up your little penis again. But I will let you keep her pretty panties."

"Tess, this is a great way to intensify Danny's panty training. With that hole in the back of his panties, you can give him an enema while he keeps his lacy panties on, and he can eat my hot pussy while I keep my panties on. I have a full bladder putting a lot of pressure on my cunt so once I cum, I'm going to piss in his mouth through my panties."

"Jason, you're our little panty boy who we've trained to panties and enemas. We know you want to cum so badly, but not today! Just try to relax as we give you your hormone treatment in his this enema."

"It must have been something I ate. I have a lot of gas today, so as long as you keep sucking the juicy farts out of my ass, you can fuck Linda's asshole. You're lucky that I'm letting you do this through my panties as part of your panty training exercises because some of my farts might get pretty shitty. In that case don't stop sucking up my farts or I'll make you eat every bit of my shit out of my panties. Got it, you silly asswipe sissy boy?"

"Charles, say it right now! Tell Julie and me thank you for all the pretty panties and lacy lingerie we buy you, for making you into a cocksucking sissy faggot and most of all for your expensive hormone treatments and your sexy new breast implants. Say it, now, or I'll have our sweet daughter stop sucking on your wimpy satin pantied prick!"

"Yes, say it, Daddy, or I'll stop and shove my vibrator up your loose ass. I know you hate it because it only drives you crazy and makes you so sore that you can't cum."

"It must have been something I ate. I have a lot of gas today, so as long as you keep sucking the juicy farts out of my ass, you can fuck Linda's asshole. You're lucky that I'm letting you do this through my panties as part of your panty training exercises because some of my farts might get pretty shitty. In that case don't stop sucking up my farts or I'll make you eat every bit of my shit out of my panties. Got it, you silly asswipe sissy boy?"

"Well, my sissy little son, all these years. I let you play in my makeup and dress up in your sister's clothes, but now that you are eleven and your little dick is shooting slime, you're ready for grown-up games. I'm putting you on hormones right away to stop you from becoming an asshole of man like your father. I'm going to turn you into a real girl with big tits and a very fuckable panty ass. So you better get all the fun you can get out of your dickie now because I've already lined up a doctor who is ready to cut off your cock and balls. You always wanted to be like your sister, and now you will. Get yourself ready for an enema; you're next just as soon as I am finished with your sister."

"Nelson, now is a good time to tell you. We have not been teaching you about sex so you can grow up to be a man. We've been training you to be a slave to all women and girls, the only kind of male we deem acceptable. Since your sister is a is a teenage minx of a lesbian, we told you that that we were having you dress up like a girl to make her feel more comfortable while we taught you about sex. Well, that was a lie. Yes, Connie is a lesbian, all right, but the reason we had you dress up was to get you hooked on girls' clothes. And as I'm sure even you know, you're thoroughly hooked on lacy slips, fancy panties, and lingerie of every sort. So now that you are old enough to spurt cum, we're going to put some in a sperm bank so you can give me some grandchildren.

The girls we'll raise as to be dominant and the boys to be sissies like you. I can tell by the stains in your panties that you've been wanking into your panties every night, even after we have one of our long sex training sessions. Well, I've decided you have played with your pencil dick long enough and from now on, I'm going to keep it locked up in a cage and probably never open it again. Welcome to your new life as a sissy boy slave."

"Hi, Mom, I filled Alan's butt with a huge four-quart enema, so now I'm allowing him to panty fuck me as long as he holds it. However, he can either shit in his panties or cum in his panties, either way, I'll make him eat it: the choice is his!"

"Carl, get your tongue all the way up my asshole, you shit-licking sissy. You always wanted to be a girl. Well, you are a sissy, and that's as close as I can get you to being a girl, and I know you love it. I gave you a great set of hormone and implant tits and I let you jack-off in your satin panties all day long because your hormones cause you to take forever to spurt. In return, I only require you to drink my piss and eat my shit. Any sissy boy in the world would go for that deal, so I'm giving you this huge punishment enema just to remind you of how nice you have it, you silly little panty boy."

"Trudy, bravo for you. I see you are training your brother how to do something that he can be good at. But he has a hard-on in his panties; he must be enjoying eating your asshole; what a pervert! I hope you have a lot of nice juicy farts to give him. If he pulls away, I'll spank his butt so hard even his panties will drive him crazy with pain. When you're finished, let him jerk off if he hasn't cum yet. Then give him a big enema and see how he is at eating his own enema waste."

"Mom, I already jerked-off our little candy ass Andy three times into his panties three times, and I made him lick it all up, of course. He's hard now because I've rubbed his little cock raw. He's so sore that he told me he didn't want to cum again."

"I don't care what he wants, make him spurt again. In fact, make him spurt three more times!"

"Oh, please don't do this. I can't wear your shoes, stockings and panties. What is poking at me from behind?"

"Come on, Milton, we see what goes on here. Your mother is raising you like a real sappy little sissy with your little sailor suits, satin blouses, and butt-hugging shorts. We know you are a girlie boy. You are going to love that hard thing behind you. Just relax."

"Master Milton, of course, you can wear our clothes. Your penis seems to love our panties. I'll bet it has never been so hard. Let us put makeup on you and then we'll go show you off to your mother, OK? I'm sure she will love how you look."

*"Now, watch carefully.
I'm going to show you
how to properly panty
fuck a sissy so you
get your pleasure
but prevent him
from cumming."*

*"Instead, you make
his dick so sore he
ends up hating it
and begs you to
have your doctor
cut it off."*

"George, don't you think I notice when you try to peek at my panties? Whenever I'm watching television, I know you only pretend to want to see it too just so you can sit opposite from me and wait for me to open my legs a bit, right? I know you go into my panty drawer all the time too. My panties are always messed up a bit after you've been in there. You can't fool me. So now, I've decided to help you with your little fetish instead of being angry with you."

"So, here, take a good close-up look and feel of my panties with me wearing them, you little pervert. I bet you love it, huh? I better have Mom get you some of your own girlie panties. I'm sure you want some. I know you've been wearing my panties already. But I will be expecting some really big 'thank yous' from you, OK?"

"Wow, John, when you told me your wife gets off on sissy boys, I couldn't believe it. But now seeing it with my own eyes, I can still barely believe it. This is great! I'm so glad you persuaded her to hire me as the maid."

"What's she doing now?"

"You were right, she is masturbating wearing that pair of my cum-filled panties we left on top of the laundry hamper. You're so lucky to have a wife like Millie. I'm so excited I'm going to have to fuck you pretty soon, but right now I want to keep on peeking at her until she cums."
