*"Here cums the  
boy bride --  
AGAIN!"*

"Danny, did all three of your brothers butt fuck you again?"

"Yes, mommy, but don't worry, it doesn't hurt so bad anymore. And daddy shot his cum into a condom while he watched. He said I should drink it because it's full of healthy protein."

"Mommy, can I drink it, please?"

"OK, Johnnie, keep kissing yourself and saying I am a sissyboy cocksucker until you shoot your cum five times, then you can lick up your cum and go to bed and dream about sucking off the little boys in your class."

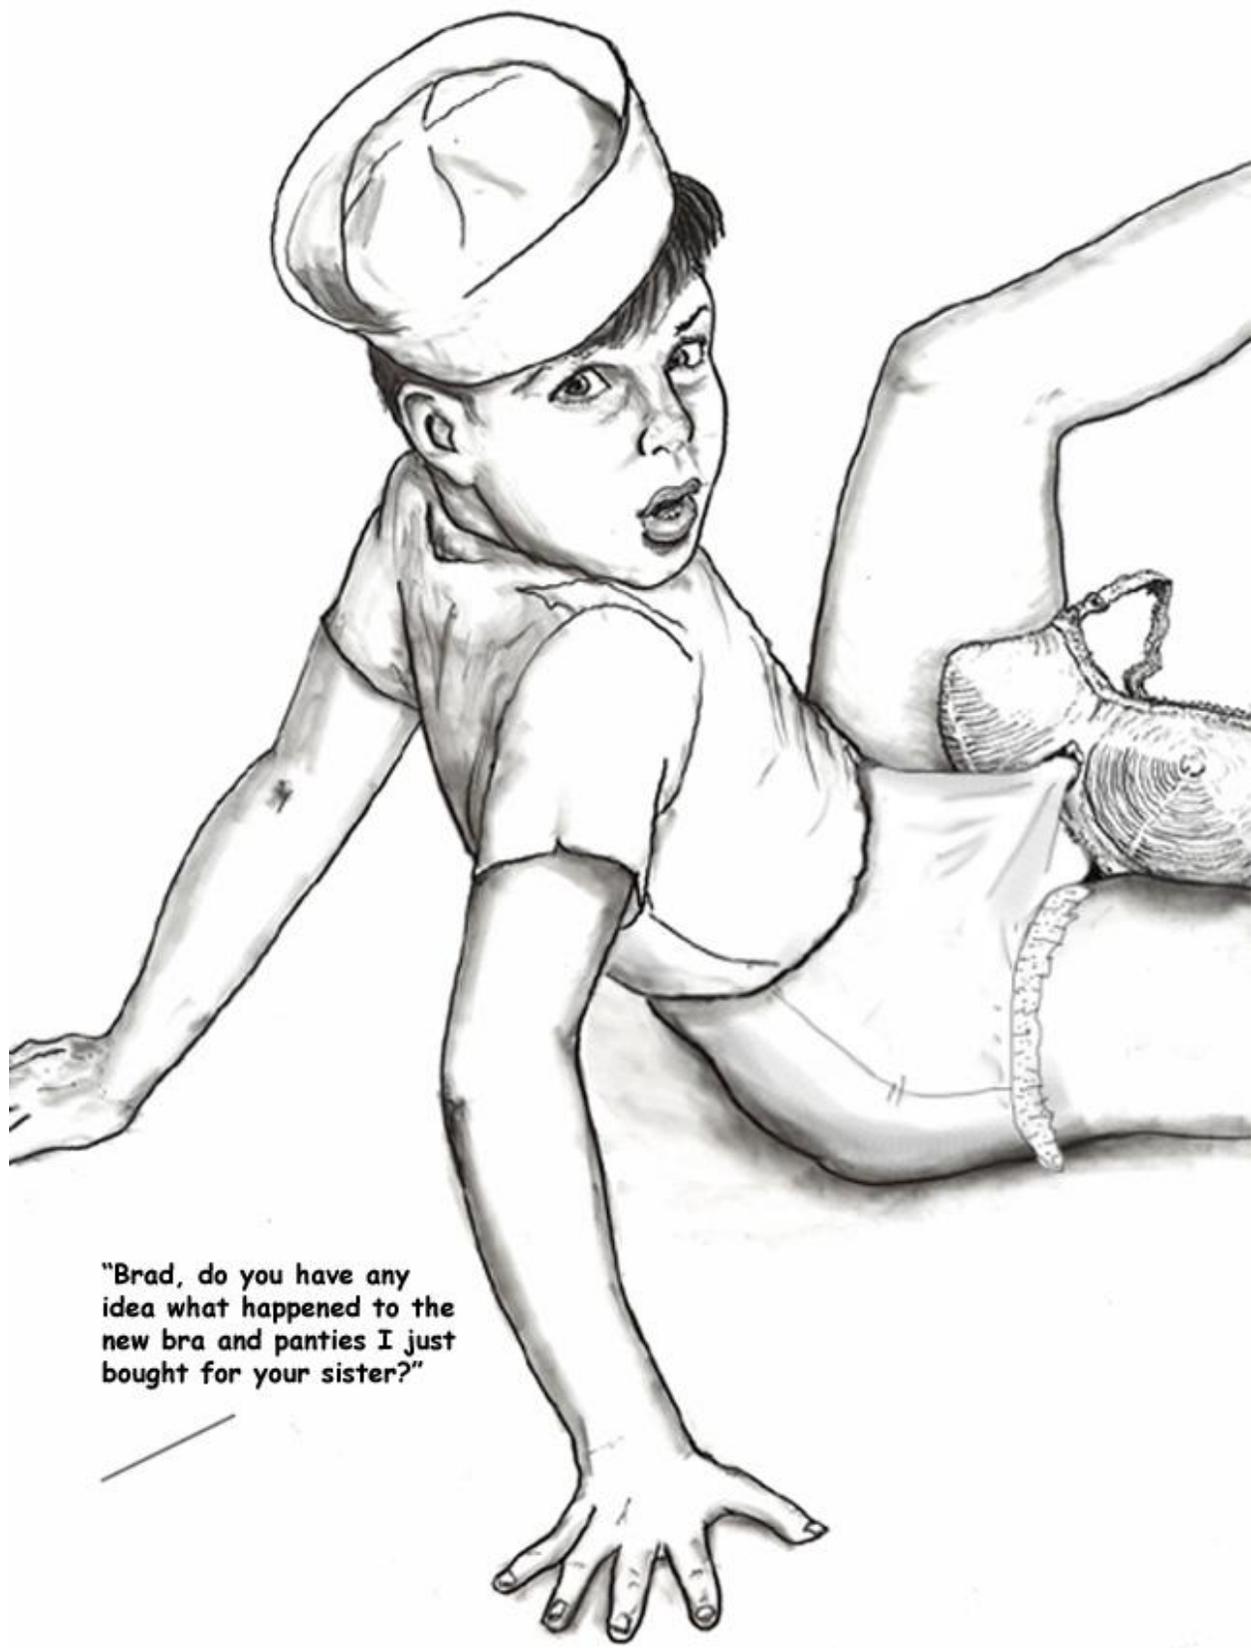

Female domination  
fun: Mommy has had  
her sissy son, Robert,  
on female hormones  
for years, and now  
that he's at the age  
when he should be  
able to shoot cum,  
mommy and her  
women friends love  
to laugh at him as  
he struggles to  
masturbate into  
his nylon panties  
and cancan petties.

"Oh, hi, Barb. I've  
found a great way to  
keep Billie busy and out  
of trouble. Why don't  
you come over a see  
what I've done to him."

"Brad, do you have any idea what happened to the new bra and panties I just bought for your sister?"

My husband and I want Tommy to be a cheerleader when he grows up, but we first have to figure out how to stop him from cumming all over his panties every time he does one of his routines in front of a bunch of boys.

**"Wow! This is a lot better punishment than a spanking!"**

"Hey, sis, you told me I'd love dressing up in your slips, panties and party dress, and I do, but ... uh .... uh... ooo ... but what's happening to me me!"

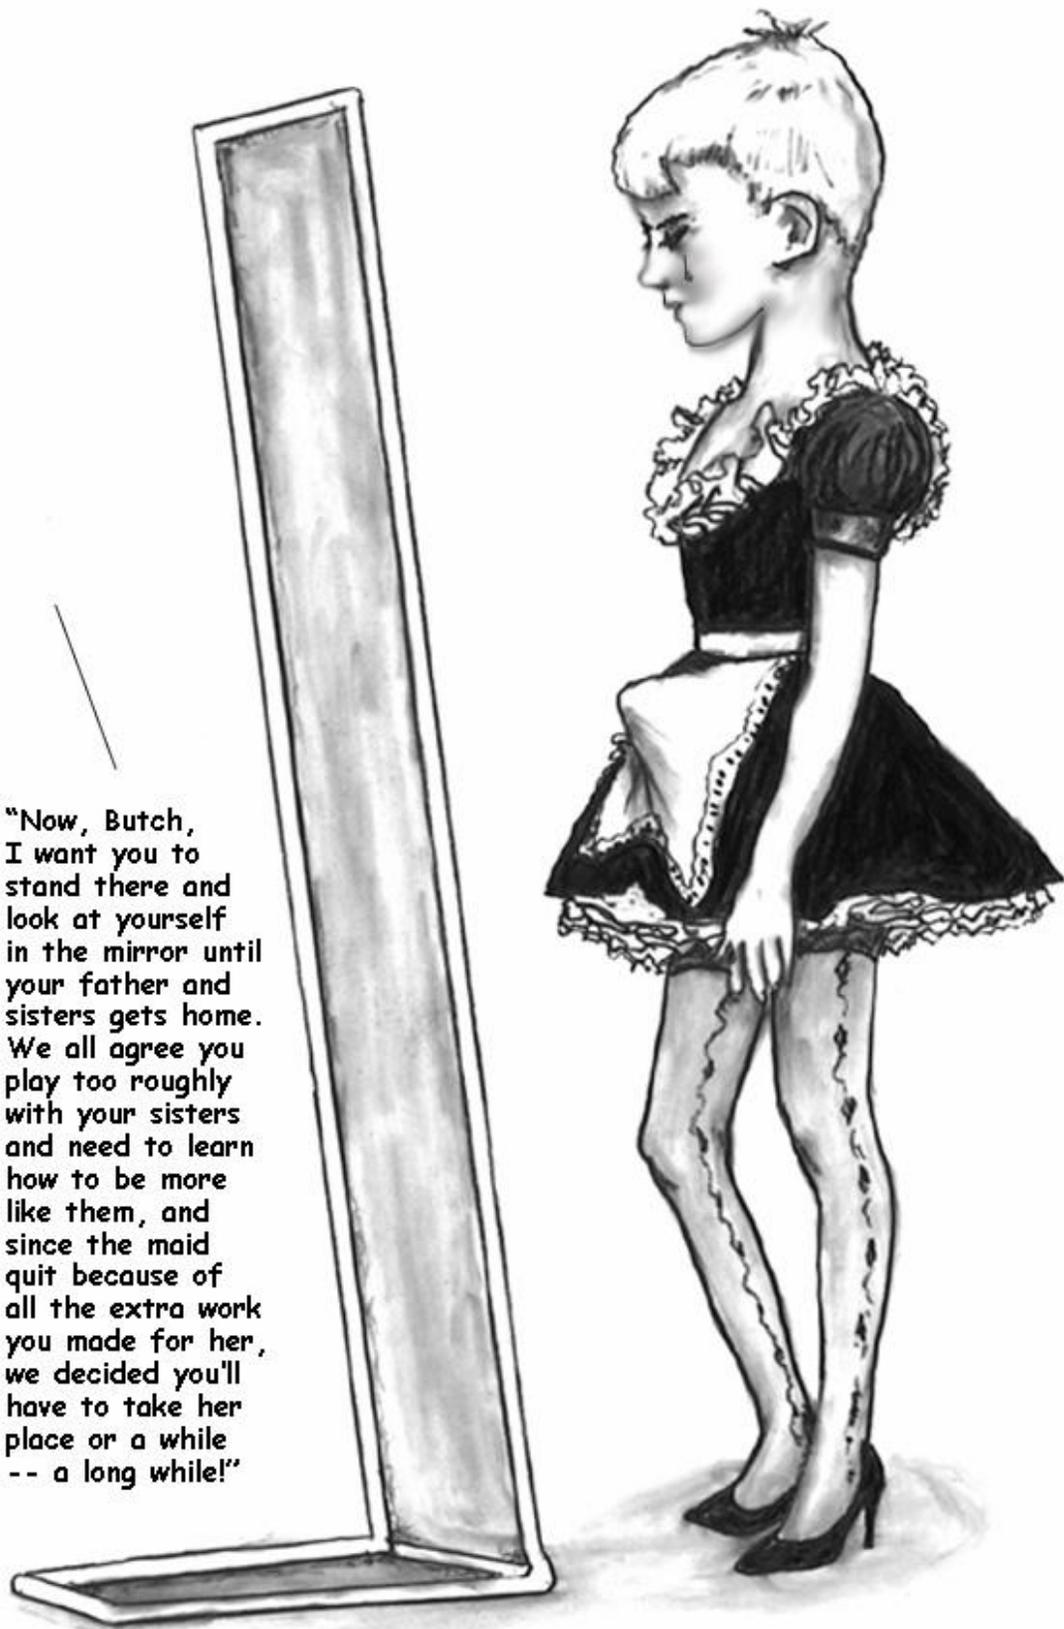

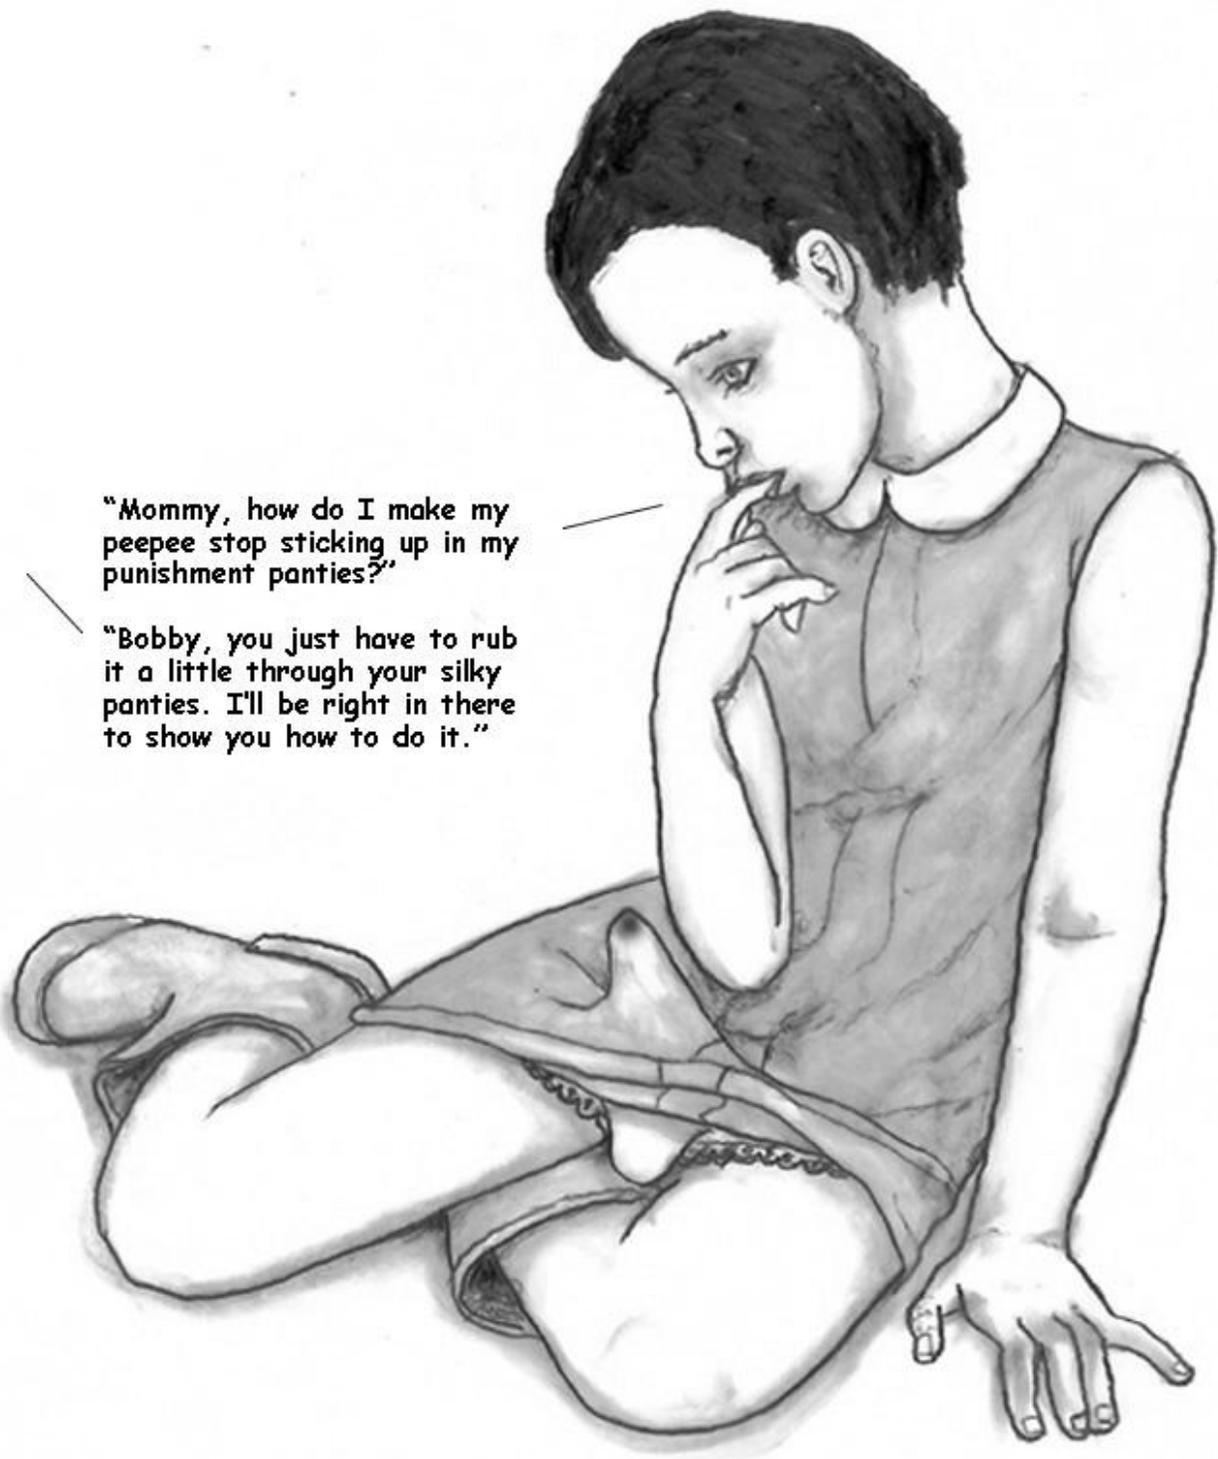

“Is my little Dickie  
playing bad boy-  
good girlie again?”

"Jason, make sure you don't get your panties dirty; I don't have any more clean ones until I can do the wash, and your little friend Bruce will be here any minute."

"Now, Butch,  
I want you to  
stand there and  
look at yourself  
in the mirror until  
your father and  
sisters gets home.  
We all agree you  
play too roughly  
with your sisters  
and need to learn  
how to be more  
like them, and  
since the maid  
quit because of  
all the extra work  
you made for her,  
we decided you'll  
have to take her  
place or a while  
-- a long while!"

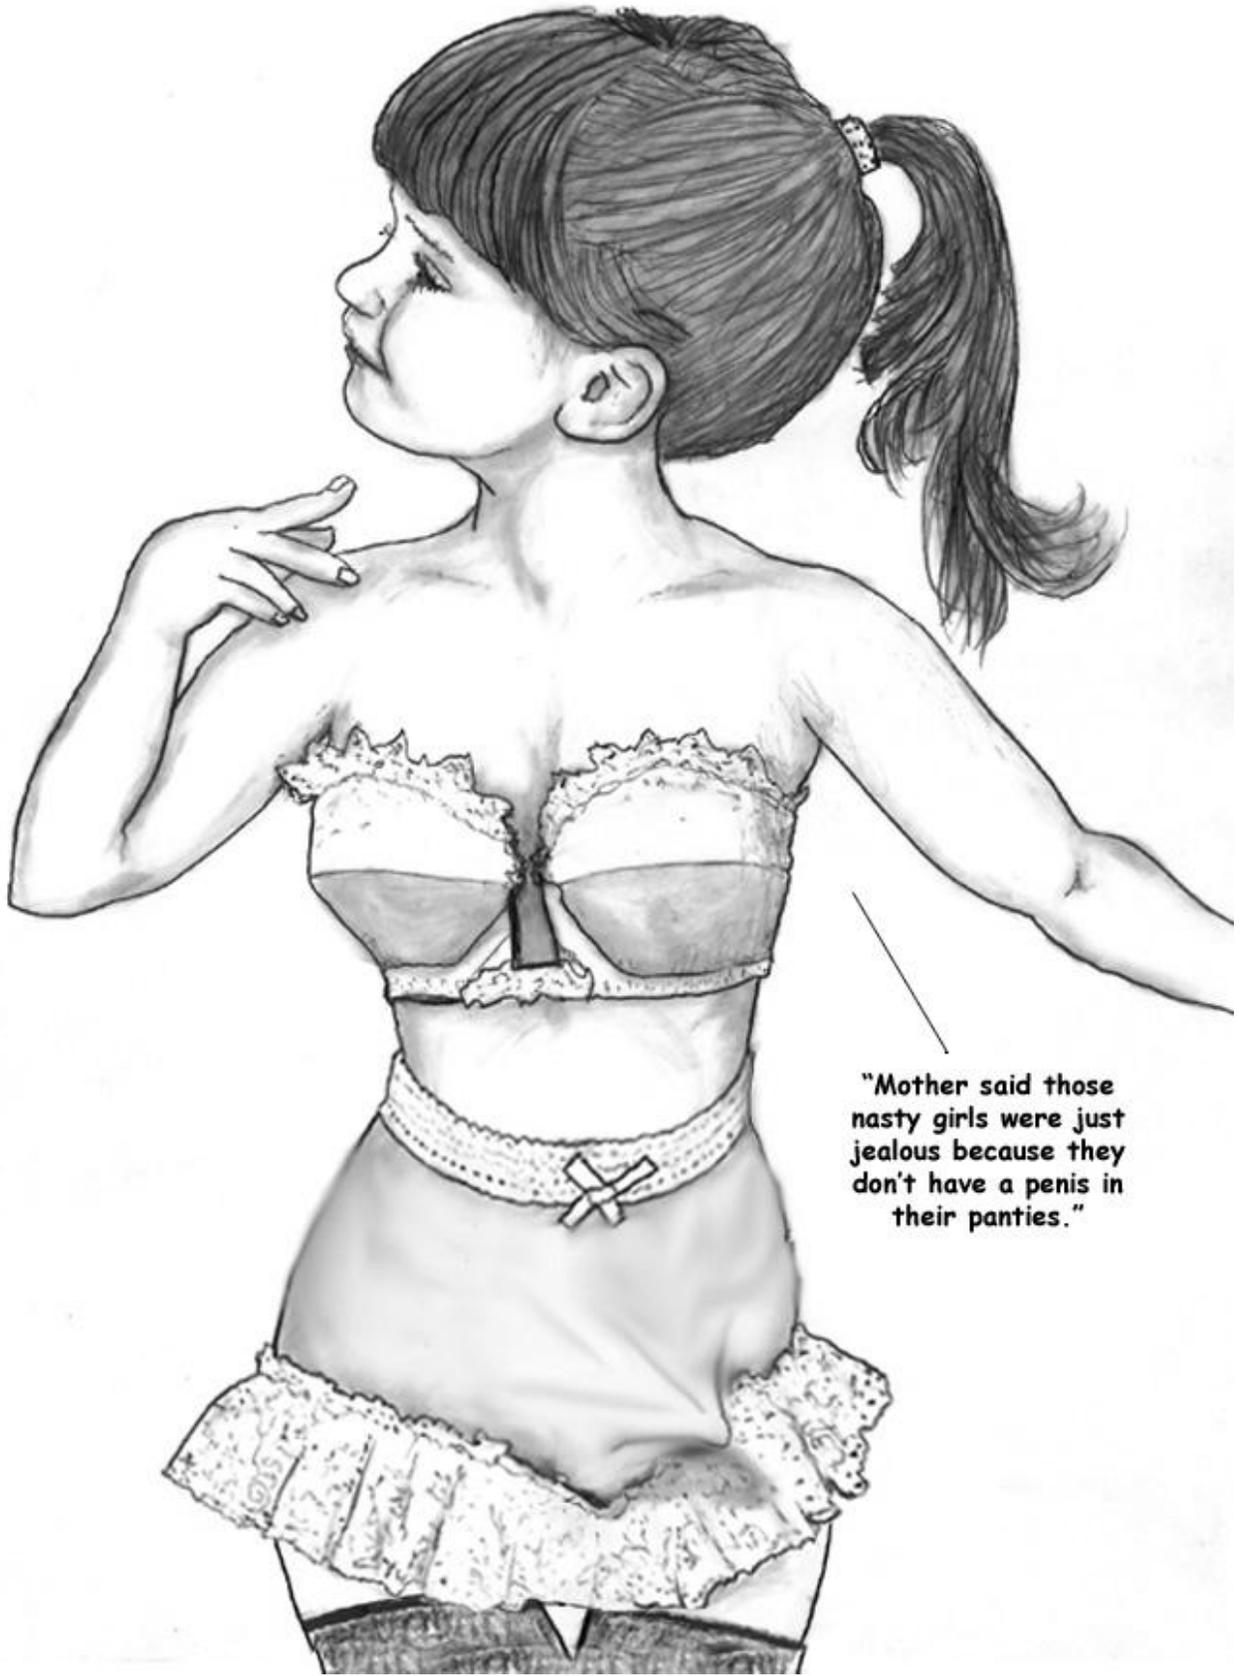

"Mommy, how do I make my peepee stop sticking up in my punishment panties?"

"Bobby, you just have to rub it a little through your silky panties. I'll be right in there to show you how to do it."

"Such a big penis you have in your panties for a sissyboy. But why are your new panties all wet?"

"Mother says that if I keep getting rid of my cum I'll become more and more like a girl."

"Mother said those nasty girls were just jealous because they don't have a penis in their panties."

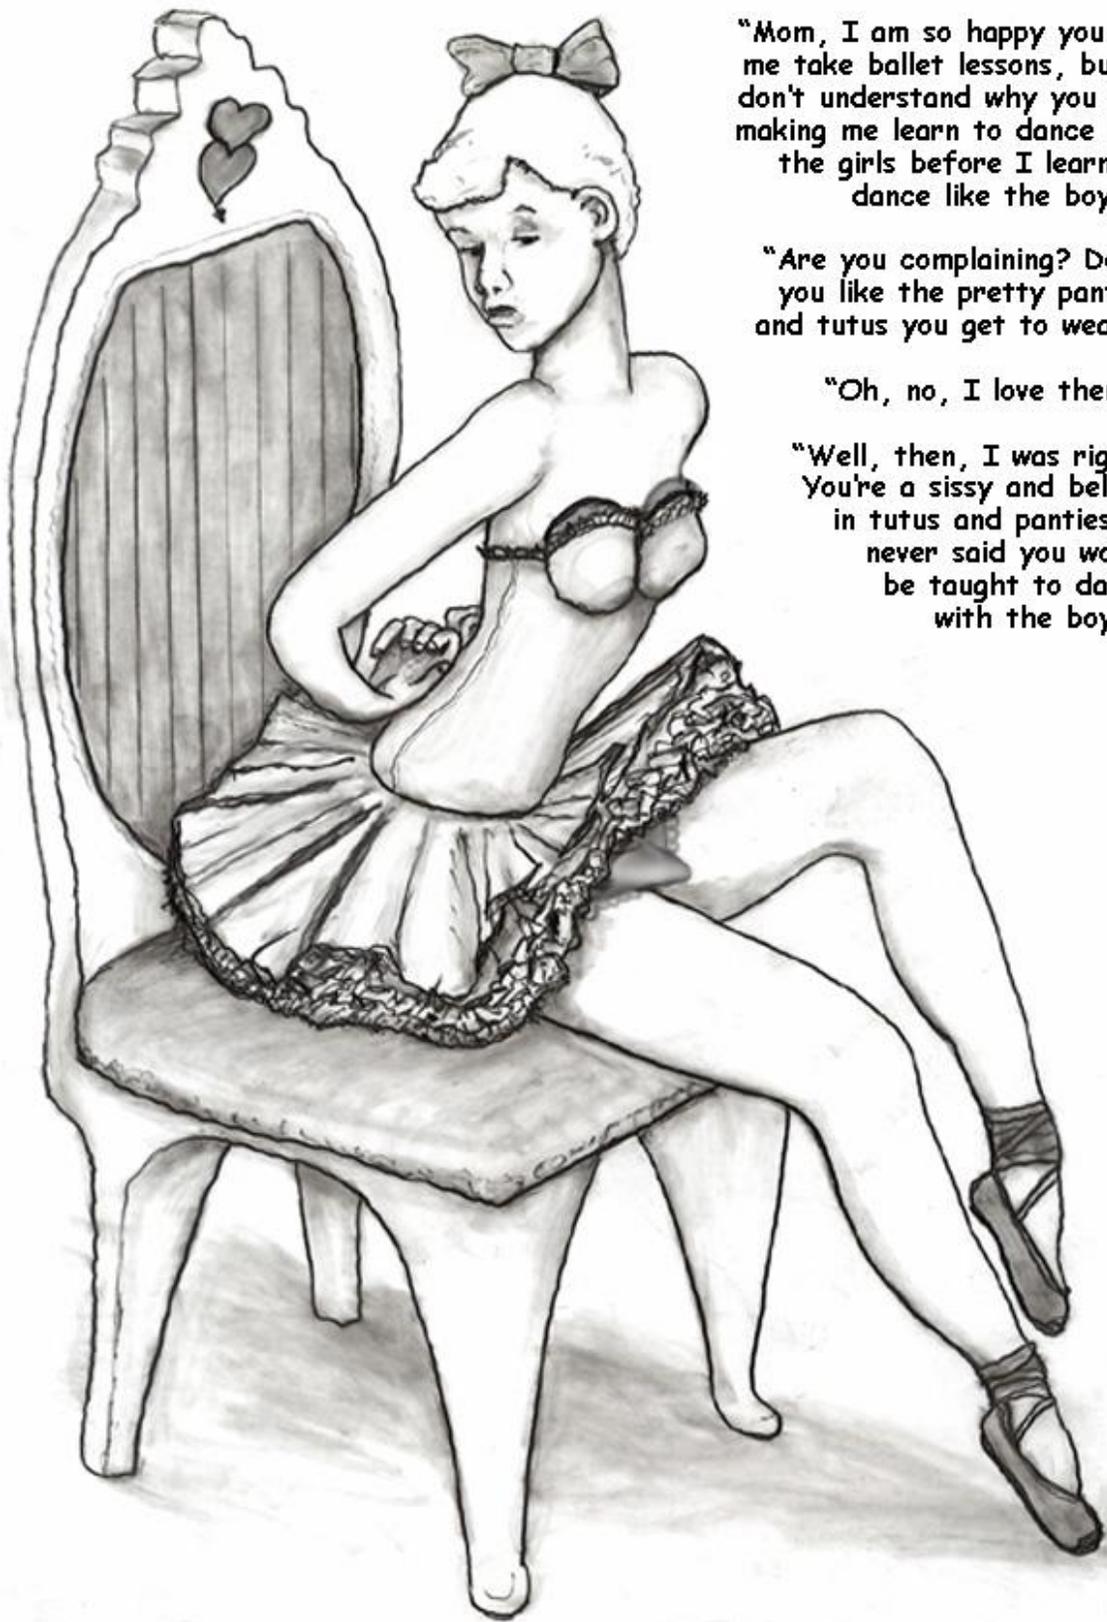

"But, Joey, your name is 'Sissy' now, and I had it put it on your satin purse so you won't forget it."

"This is the best punishment yet that grandma has come up with for that little brat. Ool Oool Ooooo! Oh, yeah-h-h!"

"Uh, uh, uh! Oh, what's happening to me?"

"Mom, I am so happy you let me take ballet lessons, but I don't understand why you are making me learn to dance like the girls before I learn to dance like the boys?"

"Are you complaining? Don't you like the pretty panties and tutus you get to wear?"

"Oh, no, I love them."

"Well, then, I was right. You're a sissy and belong in tutus and panties. I never said you would be taught to dance with the boys."

"Mom said making me wear sis's lingerie was supposed to make me feel bad, but they're so soft! I just can't help it -- they're -- they're, oh, oh, gosh! I just shot cum in sis's good panties!"

"Did sis and her friends know this would happen to me when they made me dress up like this?"

"I had no idea girls' clothes felt so good!"

"Mom and sis are going to kill me for messing up sis's clothes!"
