"O-o-o-o-ol Brad, that feels fantastic.
I didn't believe you when you told me
how much fun it is to play dress up.
Wow! Who taught you this game?"

"My dad."

"Oh, Jack, this is a great idea you had for us to dress up in my sister's clothes. I feel like a girl who wants to make love to another girl. Does that mean I'm a lesbian now?"

"Go for it, Ronnie. I was hoping you would like it. Now how do you feel about us sucking each other's cock?"

"Oh, Cindy, now that I proved how much I love you by letting you dress me up in your clothes, I was hoping you would let me make love to you. But I'm a little confused. I never knew there were some girls like you who had a penis in their panties. Is that normal?"

"Of course, it's normal, you silly boy. It's even better than a girl without a penis, because since I have a cock, I can fuck you too. I bet you can't wait to feel like a girl, now that you're dressed like on too, huh, Danny?"

"Now, do you believe me, Dougie? I told you that your penis would really do fun things if you dressed up in girls' clothes. Wow! You shot your cum right through my sister's lace panties, cancan petticoat and dress! She's going to be pissed. She gets mad at me when I do it. But as long as you already did it, why don't you let me fuck you in the ass with your skirt and slip up in the air and you still wearing the nylon panties? I can't make much more of a mess in those clothes than you already have!"

"Connie, you deceived me. I thought you were a real girl, but you have a penis. I don't understand how you can have a cock and titties too. Why can't I resist the things you make me do? It hurts so much when you kick me in the balls, but it makes me shoot my cum right through my panties. Please, help me! I'm so confused!"

"You're doing just fine, Greg. Now, I think it's time I teach you how to suck on my dick. I bet my mom I could make you into cocksucker by our third date and this is our third date! You're not going to let me down, are you?"

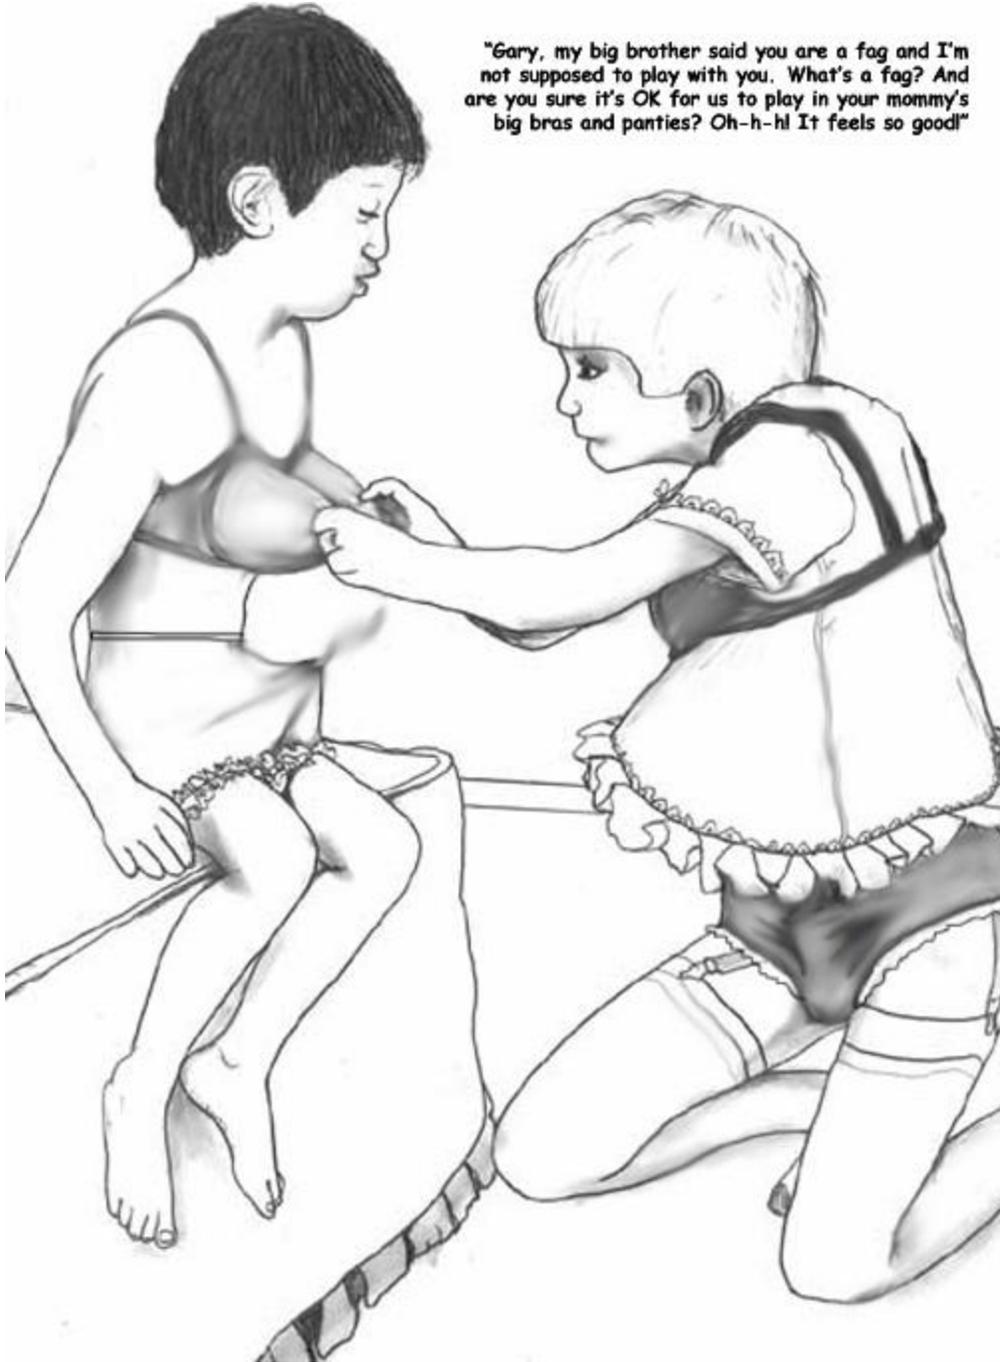

"Davy, I thought
mommy making us
into girls was for
punishment, but this
game of rubbing our
panties together is a
lot of fun, except
my panties get all
sticky. Can we play
together like this
every day?"

"Jody, you're the most exciting prom date a guy could hope for, but I didn't think girls had bigger penises than the ones boys have."

"Gary, my big brother said you are a fag and I'm not supposed to play with you. What's a fag? And are you sure it's OK for us to play in your mommy's big bras and panties? Oh-h-hl It feels so good!"

"Why are the girls so pissed at us? You graduate from 8th grade only once, so I'm glad we picked our prom to come out of the closet."

"The girls are angry because our dresses are prettier than theirs. The hell with them! But, speaking of cumming -uh-h-h-h-h-hl Yeah!"

"Jimmie, I always thought playing house was only for girls. I had no idea how much fun it is to play. And you drive me crazy when you let me look up your dress as you play with yourself and cum into your panties. Oh! You're making me cum in my pants again! Gosh, next time can I put on the dress and panties and be the girl?"

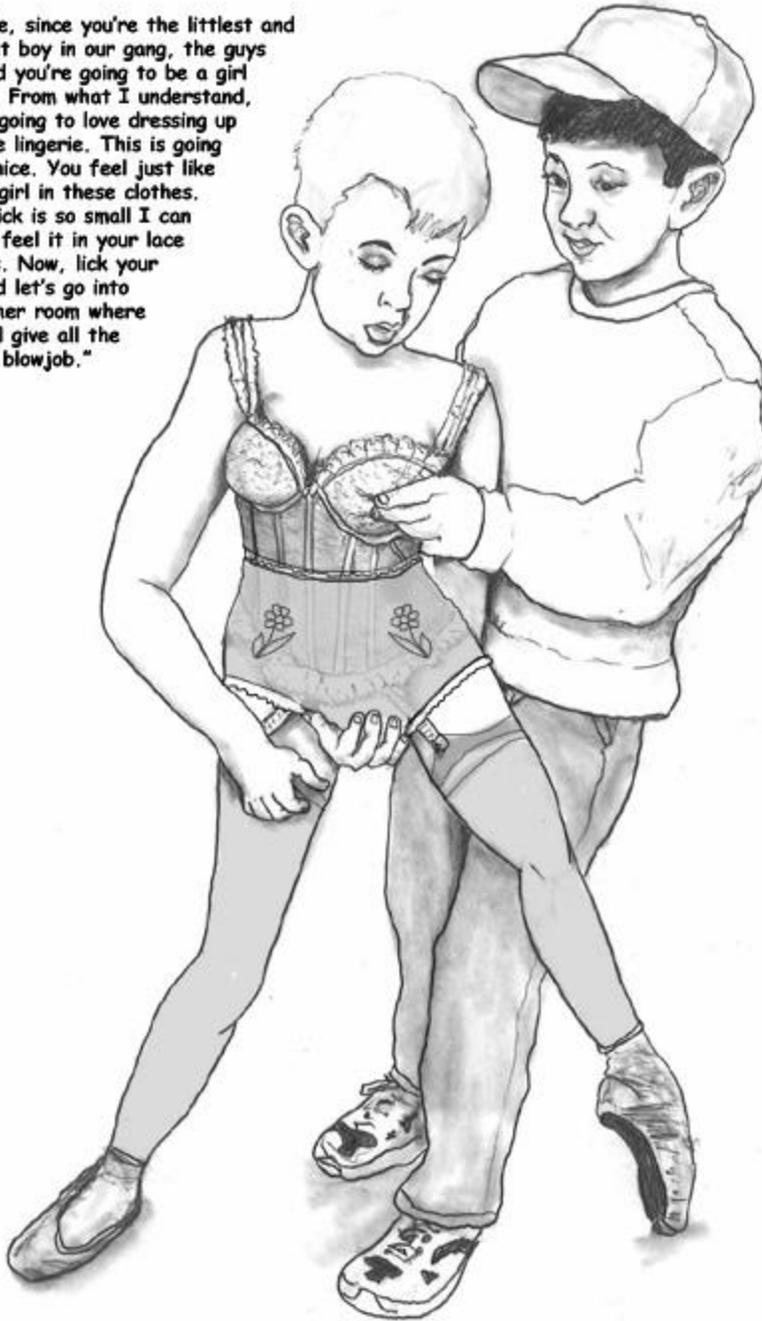

"Johnny, panty fucking is the most exciting thing I have ever done! I'm ready to shoot a gusher. Get ready! I'm going to wet my panties and yours at the same time, my little cum loving pink panty boy!

"Rubbing noses
is fun but hot
as much fun as
rubbing our
pink pantied
penises
together!"

"Charlie, since you're the littlest and weakest boy in our gang, the guys decided you're going to be a girl for us. From what I understand, you're going to love dressing up in girlie lingerie. This is going to be nice. You feel just like a real girl in these clothes. Your dick is so small I can hardly feel it in your lace panties. Now, lick your lips and let's go into the other room where you will give all the guys a blowjob."

WOW!!!

"Timmy, you have the biggest penis I've ever seen. And you said you made it big by jacking off in girls' nylon panties three times every day. I'm going to start doing that too."

"Bob, it works even better if you have someone suck on your penis. Why not give it a try. You suck on my penis in my panties and then I'll suck your penis in your panties, OK"

"OK, Markus, I know you're just a farm boy and you never get to see big city girls, so remember our deal. I said I'd let you look under my skirt at my panties only if you put your hand between my legs and rubbed my panty crotch. So start rubbing and see what you can find in my panties."

"Carl, mommy bought me that bra and panties for being a good sissy boy for daddy. I'm going to tell mommy and daddy!"

"Oh, Jason, I love your panty kisses, but stop teasing me and jerk me off in my panties. Then I want to get under your dress and suck on your dickie through your panties."

"Ricky, I can't help it. I go crazy over your rhumba panties. Instead of sucking on me, why not let me fuck your panty ass and then I'll lick my cum out of your asshole. Does that sound good?"

"Hey, Eddie, you look awesome! Your dickie sticking up in your dress is making my dickie hard, and it's leaking! Do you have my sister's fancy panties on too?"

"Oh, Butch, you're such a silly boy. Of course, I have on your sister's panties, the pink ones with ruffles on the butt. I can't help it. Nylon panties excite my dickie. I think you should try wearing panties. I bet you'd look great in a dress too."
