"Now, Carl, don't act so sad. You're going to love being a girlie-boy. All the kids have always called you a sissy, and your dad and I agree. It was his idea to dress you like a girl, so practice walking up and down now and keep those skirts swishing and swirling around so they tickle your penis in your panties. Daddy will be home soon, and we'll surprise him with how much progress you've made."

"Mommy, why do you make me wear girlie clothes when daddy isn't home?"

"Because you act so sweet when you're in your little party dress and lacy panties. Besides, they make you look so cute. And I think it's about time we show your faggot daddy what a sweet little girl you can be. I'm sure he'll have a big surprise hidden in his pants for you."

"Honey, I sent you out to play with the girls wearing yellow panties and now you come home wearing pink panties; do you want to tell me what those girls did to you today?"

"No, you can't stay at home. We're going to Aunt Helen's party, and that's it. These rhumba panties are really sweet on you. Your cousins will think you look so cute."

"But little Tina snaps my panty elastics and pinches my penis. It hurts!"

"Oh, nonsense! You know you love it when she does that. She just likes to see you spurt into your panties. I'm sure it's not easy being a sissy, but cumming in pretty panties has to make you feel pretty good."

"Jamie, we're in a hurry so those panties will have to do. When will you learn you don't wear pink panties under a thin white dress?"

"But, but...mother... what about...?"

"The cum stains on the front of those panties? Well, I hope they're good and sticky; maybe it'll teach you not to play with yourself when you should be getting ready to go out. I can smell your nasty juices; everybody else will too."

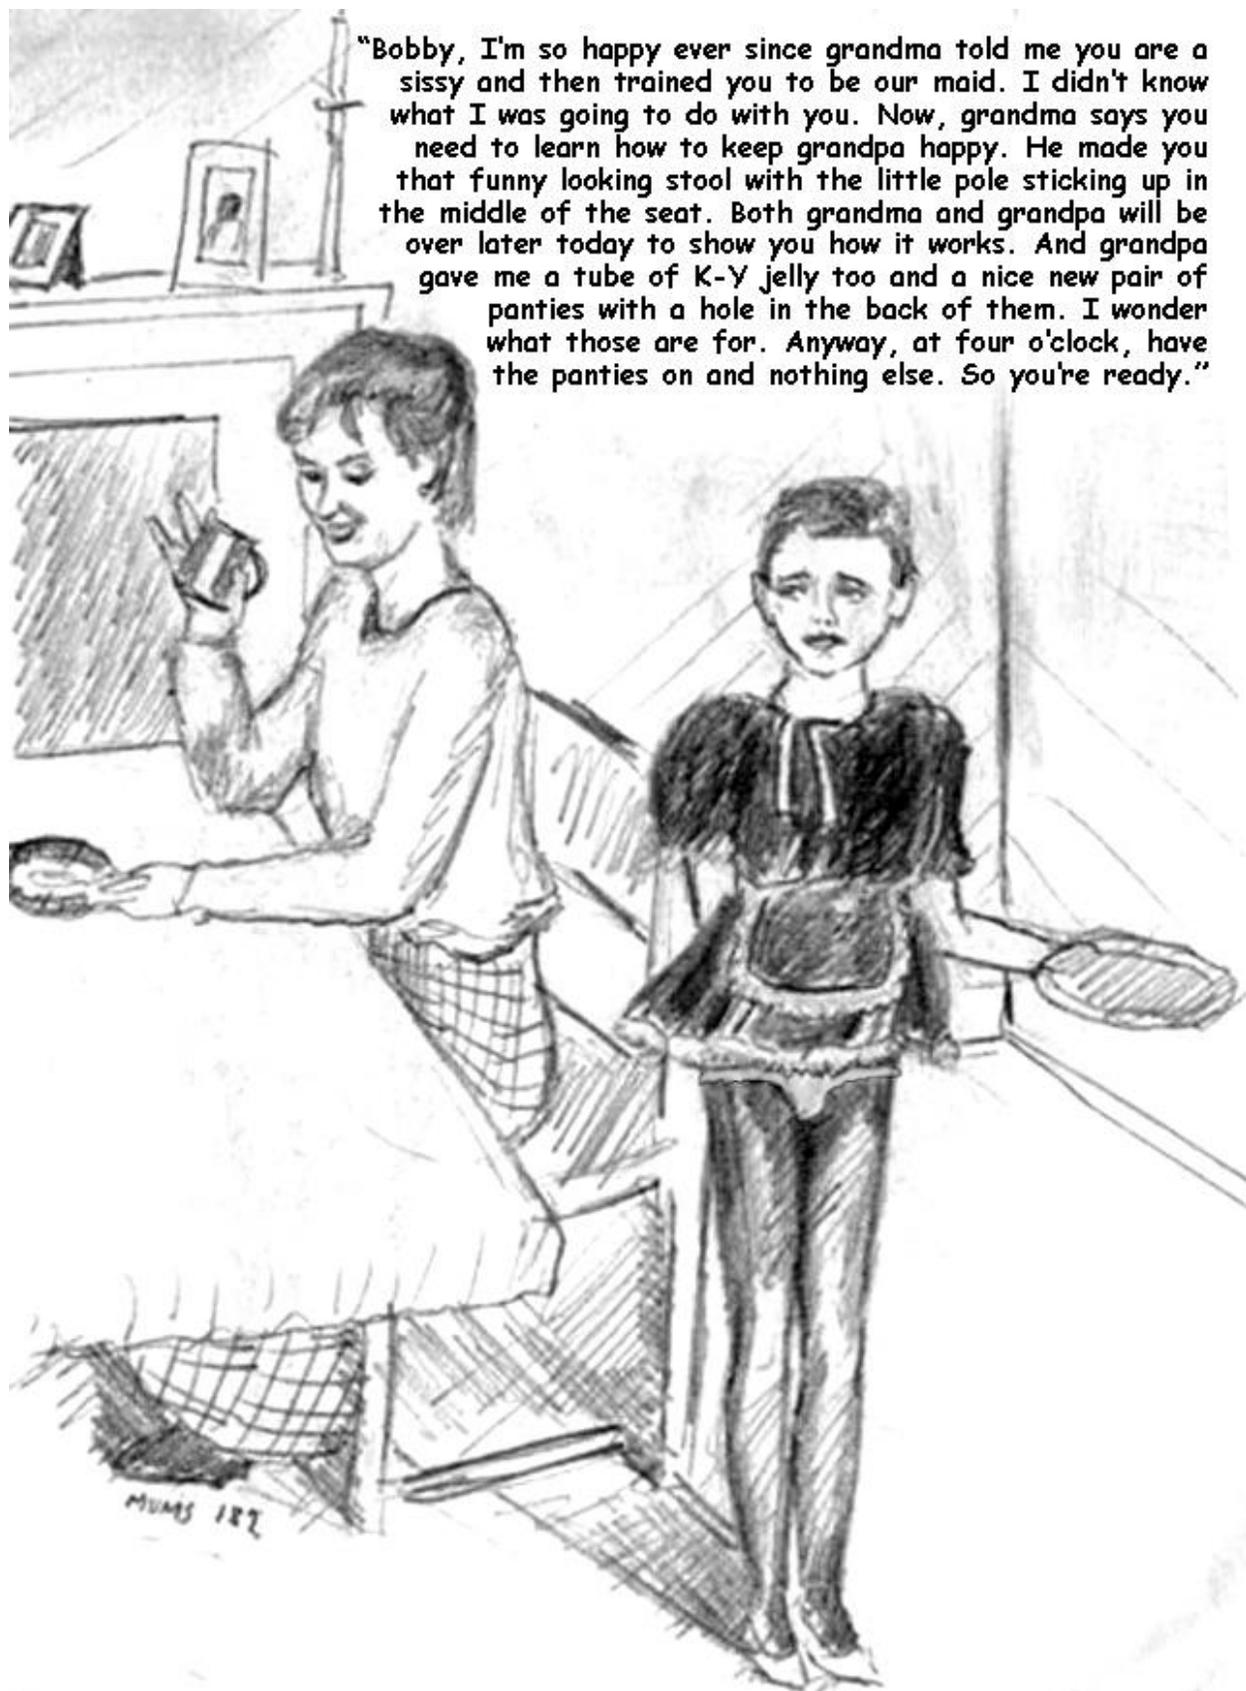

"OK, we're already to go over to Mrs. Devon's house. She's anxious to see how you look in her Tommy's old party dress. I don't think anybody will see you; maybe just a couple of kids at the park."

"But mother, kids at the park always make fun of me."

"So what? If they tease you, they're just jealous of how sweet you look. I'll bet some of the girls will ask you to play, and I'm sure some of the boys would like to get a good look at your nice new panties. I'll bet they would want you to play with you them too!"

"Bobby, I'm so happy ever since grandma told me you are a sissy and then trained you to be our maid. I didn't know what I was going to do with you. Now, grandma says you need to learn how to keep grandpa happy. He made you that funny looking stool with the little pole sticking up in the middle of the seat. Both grandma and grandpa will be over later today to show you how it works. And grandpa gave me a tube of K-Y jelly too and a nice new pair of panties with a hole in the back of them. I wonder what those are for. Anyway, at four o'clock, have the panties on and nothing else. So you're ready."

"Jerry, we've had to keep our little girlie dress up games secret from daddy, but since I caught him butt fucking that little faggot from next door, he will let me dress you up all I want. I only hope he doesn't try to stick his cock into your panties."

"Since you love sucking on my dirty panties so much, and I can't cure you, I think it's time we show daddy what a little sissy pervert his son is, so stay this way until daddy gets home. Maybe he'll have some ideas on how to deal with a sissy pantywaist like you."

"See, I told you going outside was no big deal."

"But, mom, I feel so stupid dressed like a sissy."

"Well, you are a sissy, so what can you expect?"

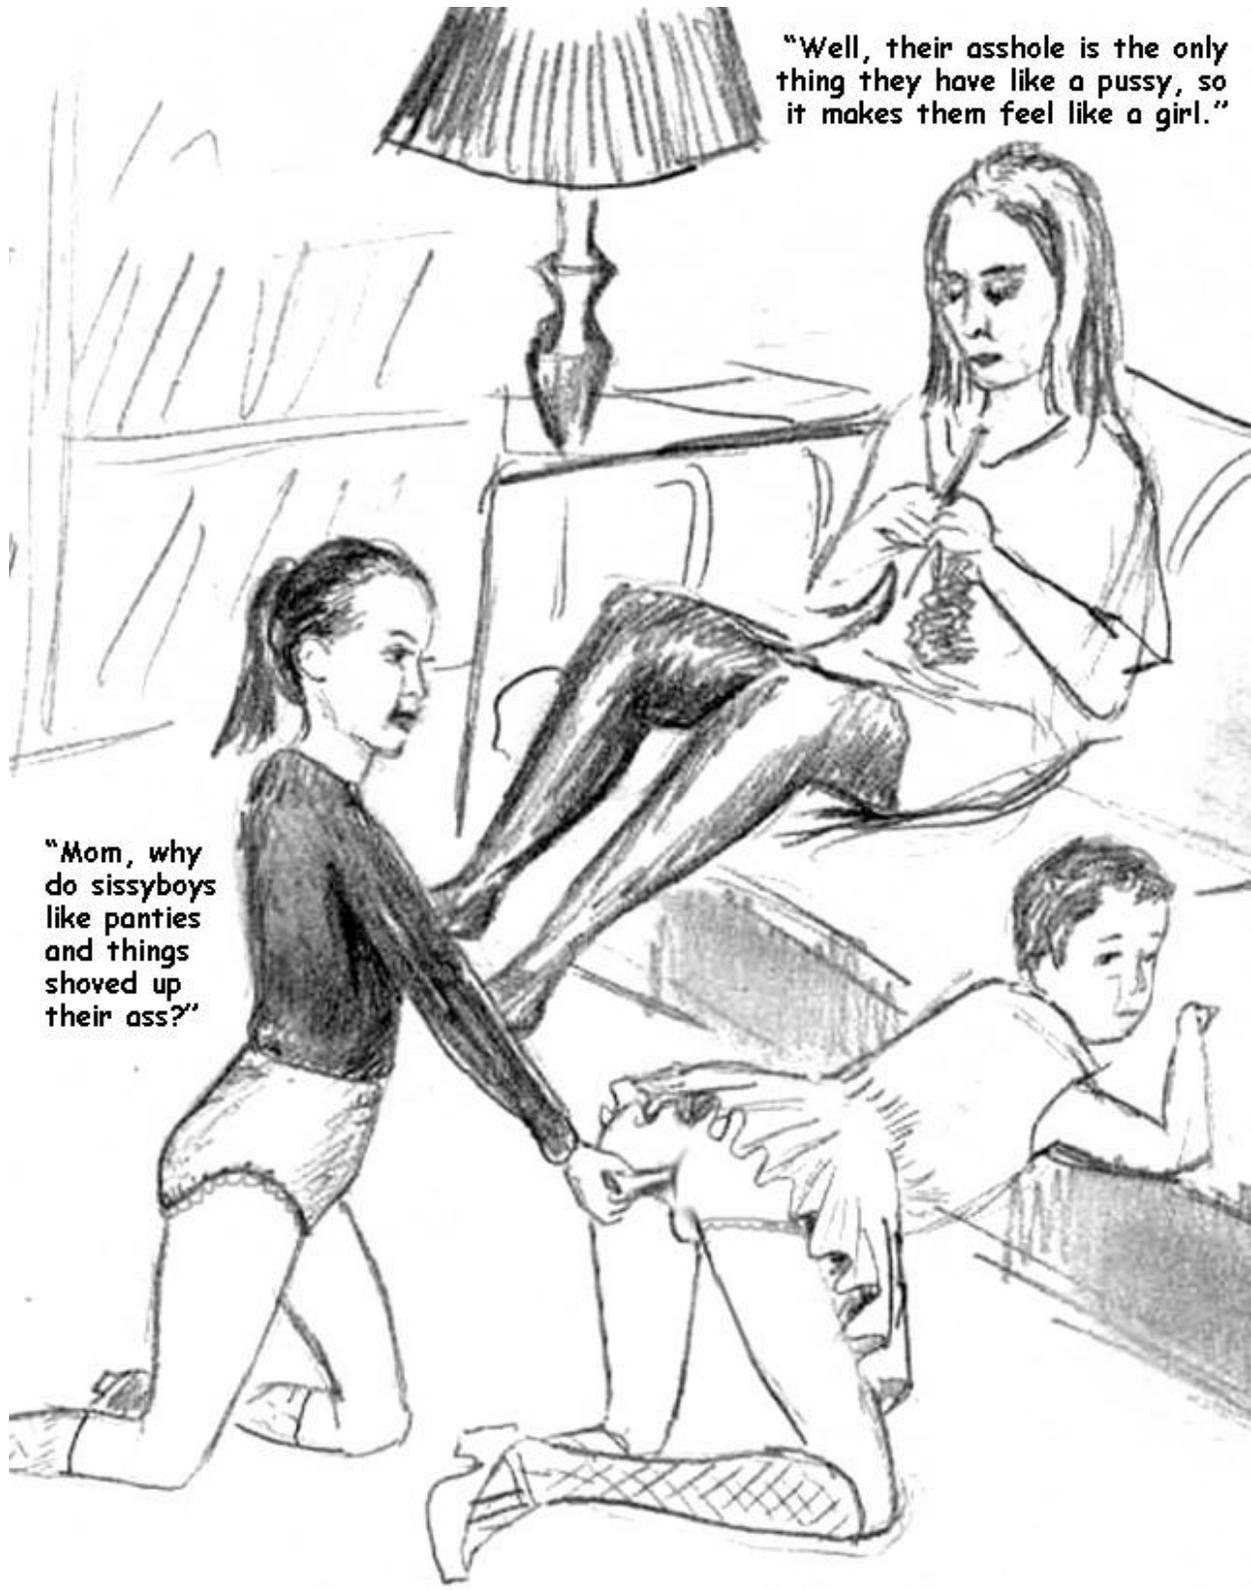

"So here's the deal: You're twelve years old, and if you want to keep on nursing on my big titties, you have to let me have my fun dressing you like a sissy little girl."

"Even though this is your daddy's weekend to take you out, I have plans and I'm not going to let you off of your punishment. I'm tired of catching you trying on your sister's dress and panties. So, either you can go to daddy's house dressed as a girl or stay with your faggot Uncle Milton."

"Well, their asshole is the only thing they have like a pussy, so it makes them feel like a girl."

"Mom, why do sissyboys like panties and things shoved up their ass?"

"Jimmie, I do love having a sissy for a son, but ever since you started cumming in your panties, you've made so much work for me. If you want to continue jacking off in your panties, you are going to have learn how to hand wash them, plus I'm going to make you wash my panties too because they get so moist watching you wanking yourself silly in your panties."

"Now, you remember what we agreed upon: I'll buy you lacy panties and girly clothes and make you feel good in your panties, but then you have to crawl under my skirt and make me feel good in my panties too. OK?"

"Oh, yes, auntie!"

"Norman, you're eight years old and daddy says you're much too old to continue sucking on my titties. I only let you do it because you're such a sweet little sissy."

"Besides, I think daddy is jealous and wants my tits all for himself. Well, maybe I'll have you suck your wimp daddy's wiener while he sucks on my big titties."

"Mommy, why do I have to go over to cousin Billy's house and suck his cock?"

"I told you; the only way we are going to cure you of being a sissy is to get you a steady supply of boy cum. And Uncle Ray said he'll gladly give you big deposits of semen up your sissy pantied ass too."

"I'm going to have to put you on a high protein diet: your skinny little panty butt needs to fill out a little more so you can handle a gang of boys butt fucking you all night long."

"Keith, you have to stop having erections in your panties. Girls don't have penises, and you need to pretend you don't have a penis either. So whenever you get a hard on in your panties, I'll pour ice water down your panties to get rid of it."

"Look at you! Showing off your new rhumba panties! You're so brave to put up with your nasty big brothers, but I'll show you how to get them to stop teasing you. At bedtime, I'll put some red lipstick on you and your sexy new babydoll nightie ..."
