It's Monday morning and I'm driving with my father to the office... I've been thinking about that new program all weekend... Was it a hallucination? Was it a dream? Or could that application really reshape office life?

It's time for your 5 o'clock BJ...

The more time passes the more I question myself. But memories from "Swimsuit Friday" are still etched into my brain... Especially of Margrid... kneeling in front of me...

As my father's car enters the company's parking lot, my heart starts beating even faster than it already was...

We open the entrance door and enter the building. Now the moment of truth was nigh... for if the program worked, it would be...

**Lingerie Monday!**  
The second rule I typed in on Friday before I had to leave with my father was live!

As we walk past Lin's office, I throw a peek inside and my hopes are confirmed!

The Asian woman who's always dressed to the T is working her desk in nothing but the hottest black lingerie, thigh highs, and a garter belt!

Morning boss.

She ignores me, as always, and greets my father when she notices us walking by.

We reach my father's office and Margrid greets us – clad in nothing but underwear as well!

Morning boss!

Hey, Leon.

My thoughts immediately drift back to that blowjob on Friday... and I can feel my dragon rise against the tightness of my pants...

But this is not the time... Business first!  
I follow my father inside...

You sure  
about this,  
son?

**Yes, dad!**  
I think it's time for  
me to get to know  
the working life.

And you are  
sure you want  
to start in HR?

**Absolutely!!**

Well... alright.  
As long as your grades  
don't drop, I'm more  
than happy that you  
show initiative.

I'll give Gina a  
call, you settle  
in then give HR  
a visit.

And that's how I started working at my father's office...

Congratulation  
Leon.

Thanks, Margrid.  
Looking forward  
to working here.

I make my way past Margrid and enter HR, where Mrs. Hallaway already greets me with a big smile... wearing purple undergarments!

OH, Leon. I just heard. You will be working with us?

\*gulp\*  
Yes, Mrs. Hallaway.

Oh, please. Call me Gina. Welcome to our work family.

Emma is there as well.

Hi Leon!  
Looking forward  
to working with  
you!

Thanks!

Gina drops the pen she was playing around with and bends over to retrieve it – giving me an impressive view of her pantie-clad bottoms.

Oups!  
Clumsy me.

**So, Leon.**

Is there anything specific you were interested in working with or shall we just go through HR basics here?

Oh... err... I...  
My father showed me that new tool the firm was considering to deploy.

I was looking forward to working with that...

A woman with long brown hair, wearing a purple lace-trimmed bodysuit, stands in an office. She is smiling and looking towards the camera. The office includes a desk with a telephone and a brown leather office chair. Three speech bubbles are overlaid on the image, containing text.

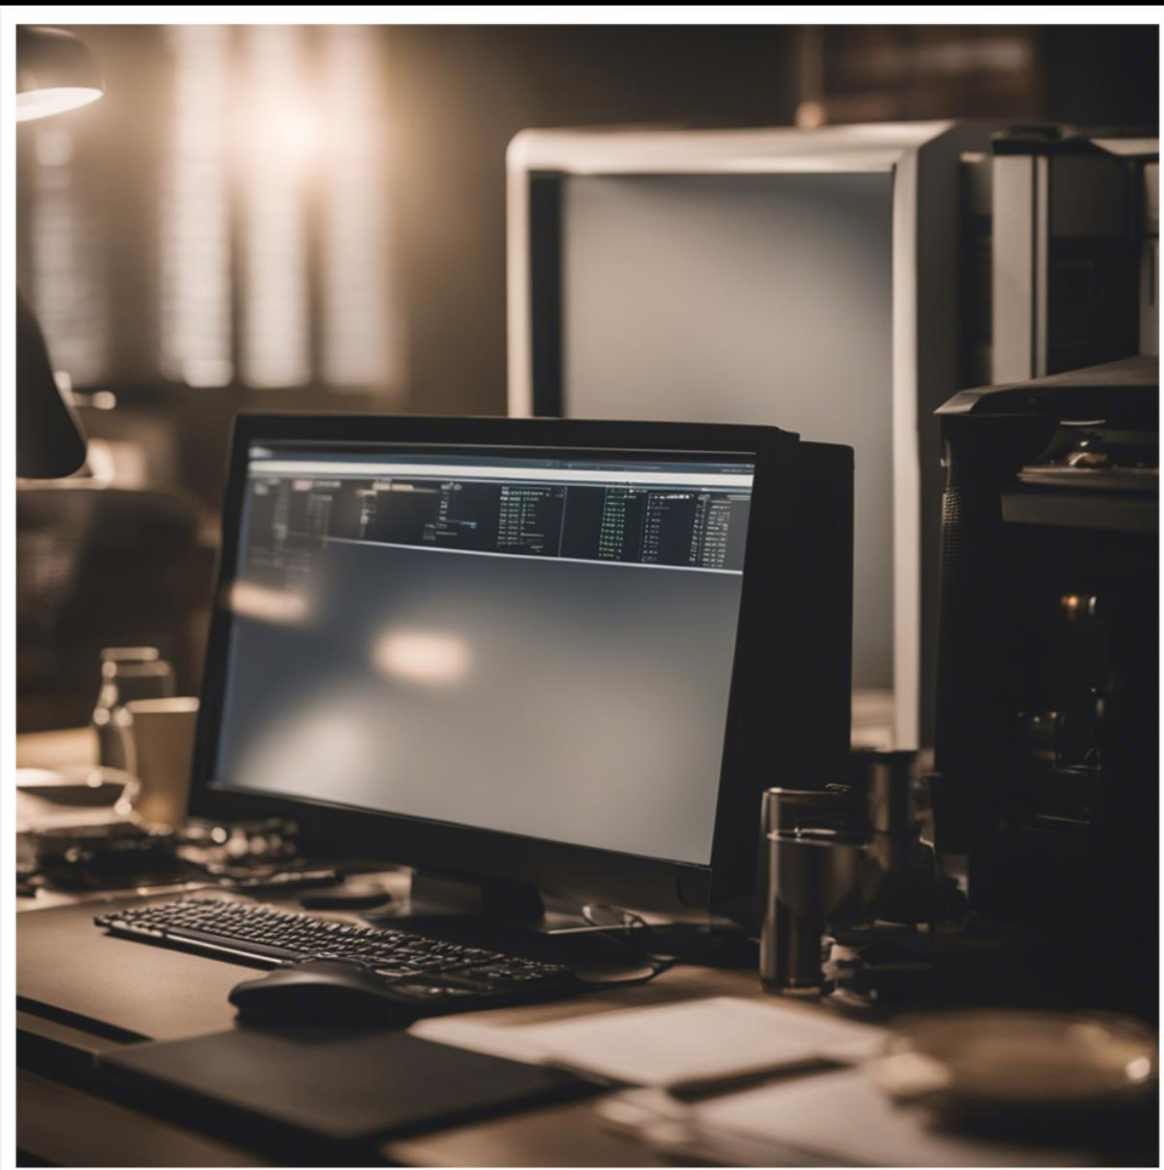

Oh,  
really?

That's great!  
I don't really  
have time for  
that anyway  
right now.

If you could  
look into that  
and then teach  
us the hooks,  
that'd be great.

Mhm... Yeah. I  
will... definitely  
do that then.

And that's how I settled in at my new work between two very different women who were wearing nothing but lingerie...

My first official task – given by Gina – was to get the current employee data into the new tool...

Obviously, that was not necessary as the program had all the data already stored... even mine, as of right now!

Name: Leon Kalington

Age: 20

Height: 179 cm

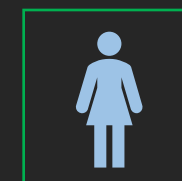

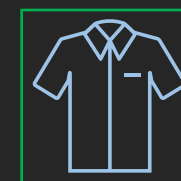

Weight: 71 kg

...

Job: HR – Employee Tech Assistant

Job Description:

Leon Kalington is working in HR, testing the capabilities of new technology and Helping with the migration and maintaining of employee data.

So far, I had been unable to add myself or any new user to the system... But it seems being officially hired was the key to being listed!!

Now, while being in the system might be a scary thought... I did think this through... I think...

Name: Leon Kalington

Age: 20

Height: 179 cm

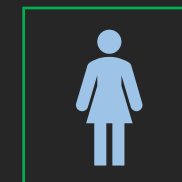

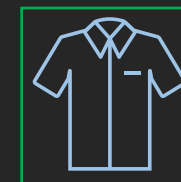

Weight: 71 kg

...

Job: HR – Employee Tech Assistant

Job Description:

Leon Kalington is working in HR, testing the capabilities of new technology and Helping with the migration and maintaining of employee data. He is the sole Person with access to the new HR Tool “RHR”. All changes to personnel info Must go through him.

Cause it would let me do this... “protect” the program from wrong other usage...

Now... I still did not know anything about who was behind this mystery program... but right now... having secured my access privileges and having locked everybody else at the office out of it...

It was time to do a little bit more research. What were the program's capabilities? Was it just about dress code? There is a section about global office rules as well...

Enter global rule...

To counter hornyness around the office, employees are Encouraged to take up to half an hour of masturbation Break at 11:00 AM. Employees are allowed and even encouraged to masturbate at their desks to relieve tension.

From the corner of my eyes, I glance at the two women in the room as my hand hits enter...

Would this new rule really have an effect?

11:00 AM

Hey, Leon.  
I hope this does  
not unsettle you,  
but it's company  
policy.

I really need to  
rub one out.  
I'm so horny!

I gulp, nod and watch Gina get up on her desk while Emma spreads her legs where she sits, pulling away her panties – her carpet matching the drapes.

Soon, both women are rubbing their pleasure pearls right there in the office in front of me... So, I whipped my cock out and started to fap to their sight...!

Gina was the first to reach orgasm.

moan

rub  
rub  
rub

Emma took longer...

Moan

rub  
rub  
rub

As I watched Emma, it felt like she was following my hand's every movement with her eyes – Every up and down as I slid it up and down my shaft...

Moan

But I was probably imagining things in the heat of the moment. I mean it almost sounded as if she whispered my name!

Oh, Leon.  
Mhhhh.

rub  
rub  
rub

When Emma's body finally started to squirm, I came as well – staining the office carpet in front of my seat...

Moan

Phew!  
I'm feeling much better, now!

I just put that rule in for my personal fun... but maybe it actually would increase office productivity. At least it definitely felt like a lot of tension had left the room!

Me too!

And we were ready for a day full of work.

I spent some hours on exploring the program in detail. Trying to get a grasp of what might be possible... or... maybe the shorter list, what isn't possible with the program...

But it soon became apparent that I needed to use the program to verify some of my theories... and so, some time later, I started typing into the program under my own profile once again.

Jobs: HR – Employee Tech Assistant

Pussy Inspector

Job Description:

Leon Kalington is working in HR, testing the capabilities of new technology and Helping with the migration and maintaining of employee data. He is the sole Person with access to the new HR Tool "RHR". All changes to personnel info Must go through him.

In addition, Leon is the company's pussy inspector ensuring female staff is tending to their privates in an acceptable manner.

So far I had only changed others, or established global rules, then watched if my coworkers acted accordingly. That all worked out of course...

With my newly created role I knew exactly where I wanted to go first...

But this time I was giving myself a more active role... would the others accept my new job at the office? What did it entail? I was nervous... but also very curious... and aroused... again...

I knew exactly where I wanted to go first, but as I was about to leave the room, Emma asked me a question that dumbfounded me for a moment.

Hey Leon.  
Do you think  
me pussy needs  
inspecting?

Er... I... Nah you  
are good, Emma.  
I just saw you in  
action today.

She sounded almost sad when I turned her inspection down... What's up with her? Anyway, I had a different target in mind for my first inspection. And judging from Emma's question, my new role was not only accepted by the others but also known to them.

Oh...  
okay.

As I leave the room I can see Margrid coming down from an orgasm – fixing her panties and sitting back down.

Oh, hey Leon.

I missed masturbation break today, so I caught up really quick.

I smile at her and nod before I continue walking down the floor. Margrid was not my target either...

My steps lead me into Lin's office. The beautiful Asian woman who always gave me the cold shoulder.

Oh, it's you.

I don't know if it was the Asian part... or because she was kinda mocking me all the time... but somehow the thought of getting it on with Lin got me hot and bothered...

Do you need something?

Just checking up on you. Everything ok? How was your masturbation break?

Huh?  
I did not take any. I got work to do here, understood?

Well, that's no good. In my role as PI (Pussy Inspector) I have to insist that we catch up on that now.

A woman with dark hair in a high ponytail stands in an office. She is wearing a black bra, black lace underwear, black thigh-high stockings with garters, and black high-heeled shoes. She has her right hand on her hip and is looking towards the camera with a serious expression. The office background includes a desk with a computer monitor, keyboard, and lamp, a black leather office chair, and a bookshelf with books and a box.

Seriously?

I was taken back by Lin's resistant and I played with the thought of backing down... but instead I doubled down on the issue at hand.

So, why don't you hop on the table and let me help you with that.

Fine...

A healthy pussy is the best way to a good work life balance.

Seriously!

Reluctantly but nonetheless, Lin complies with my newfound authority, hops on the table and spreads her legs. Nice! Playing it cool paid off!

Let's get this over with.

Er... Lin.  
Panties off,  
please.

Right...  
**Sorry!**

Lin stands up once again and in one hot motion drops her panties before bending over, giving me a great view of her privates.

Better?

I tell her to sit back up on the table and take in the beauty of her naked body...  
Until she interrupts...

Can we speed this up? As I said, I got a job to do.

I play with the thought of telling her that I need to take it slow... like an artist approaching a new artwork... But in the end, I decide to comply with her wishes, and I dive right in between her legs...

Oh, my!

lick  
lick  
lick

Moan

Oh, wow.  
Maybe you are  
good for something  
after all.

lick  
lick  
lick

I ignore her annoying statement  
and pick up the pace – doubling  
down on her clit.

*Moan*  
Mhhhh!  
Right there!  
I'm ... I'm...

*slurp*  
*nibble*  
*nibble*

And, I don't wanna brag, but it did not take long and she was singing a tune more to my liking.

CUMMING!

shake

spasm

Soon I can feel her legs buckle as Lin shoves her pussy forward against my mouth – screaming in orgasm!

I guess the whole office must have heard this...

moan

moan

But it should be fine. This is an official pussy inspection after all, I chuckle to myself as I slowly withdraw my lips from Lin's snatch.

Oh wow!  
I... guess I  
needed  
that...

You are  
welcome,  
Lin.

A woman with dark hair in a high ponytail is sitting on a dark desk in an office. She is wearing a black bra, black high-heeled shoes, and black thigh-high stockings with garters. She is looking towards the camera with a serious expression. In the background, there is a clock on the wall, a window with blinds, and a laptop on the desk.

But no more skipping  
masturbation breaks.  
No matter how much  
work there is.

You need to  
take care of  
yourself first so  
you can do a  
good job.

Yes... you are  
right. I will. I  
mean. I won't  
skip it.

As I leave her office, a bright smile forms on my face.  
That was a productive meeting. I think I connected  
with Lin quite well in there and I confirmed my newly  
assigned role was working without a hitch. \*chuckle\*

And that was it for my first day  
working at the office. Pretty cool,  
right?

I was just leaning back in my seat thinking about what to use the program for tomorrow when suddenly Margrid walks in...

A woman with long blonde hair, wearing a light blue lace bra and thong, stands in an office setting, smiling. She is the central focus of the image. The background shows office desks, chairs, and a window.

Hey Leon.  
Are you ready for  
your 5 o'clock  
blow job?

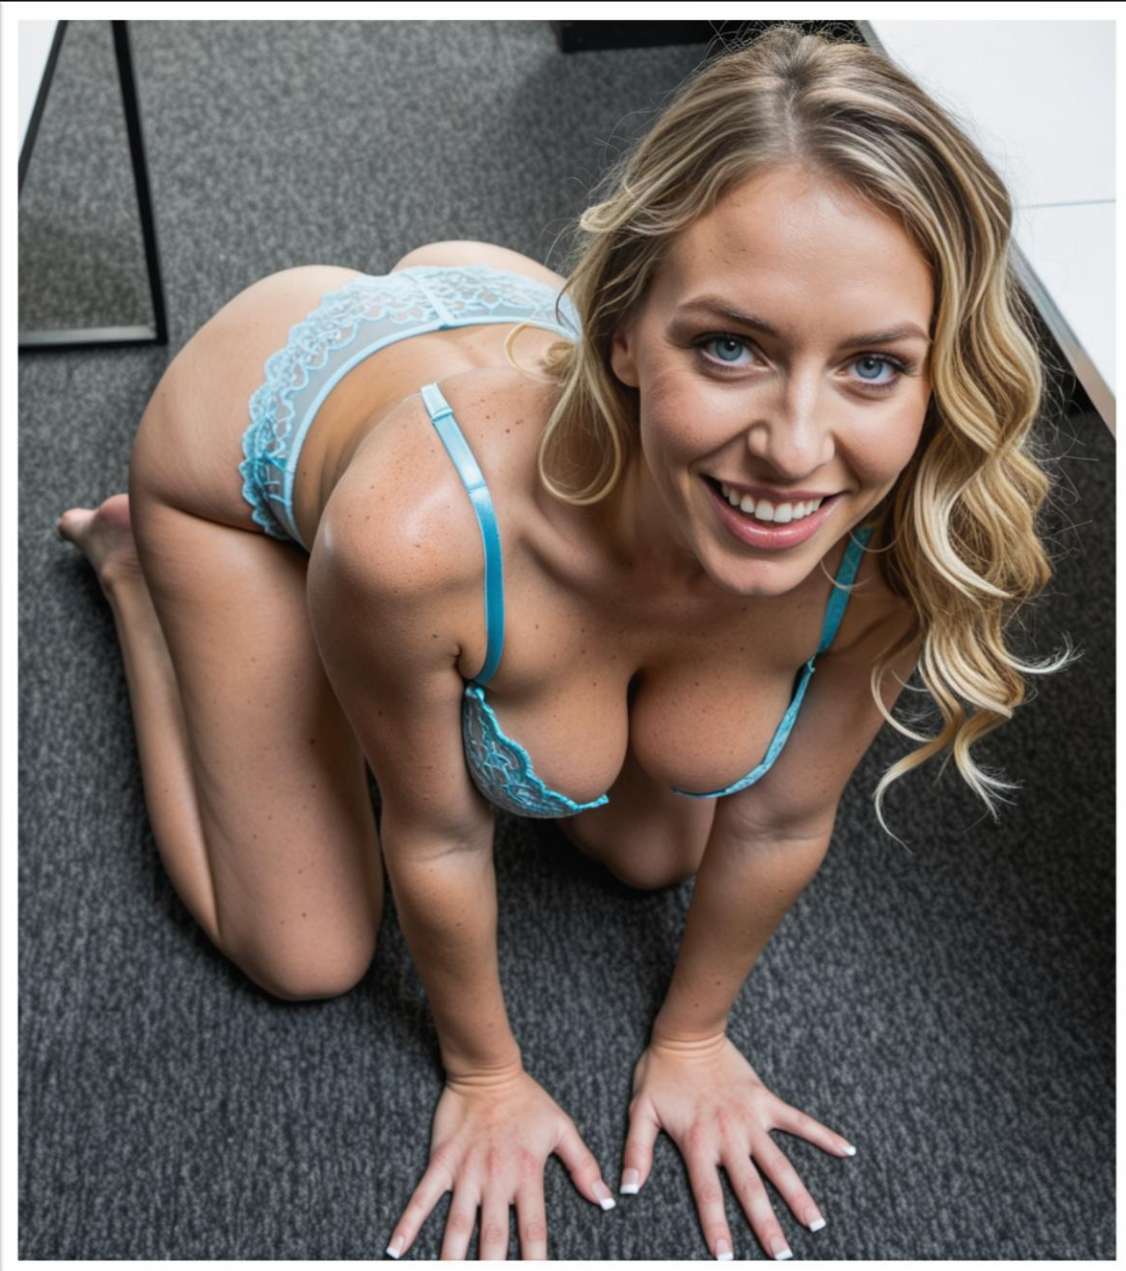

A close-up view of an office desk. A computer monitor displays a spreadsheet or data table. A keyboard and mouse are visible on the desk. The lighting is dim, suggesting an office environment.

Right! I had totally  
forgotten about that!

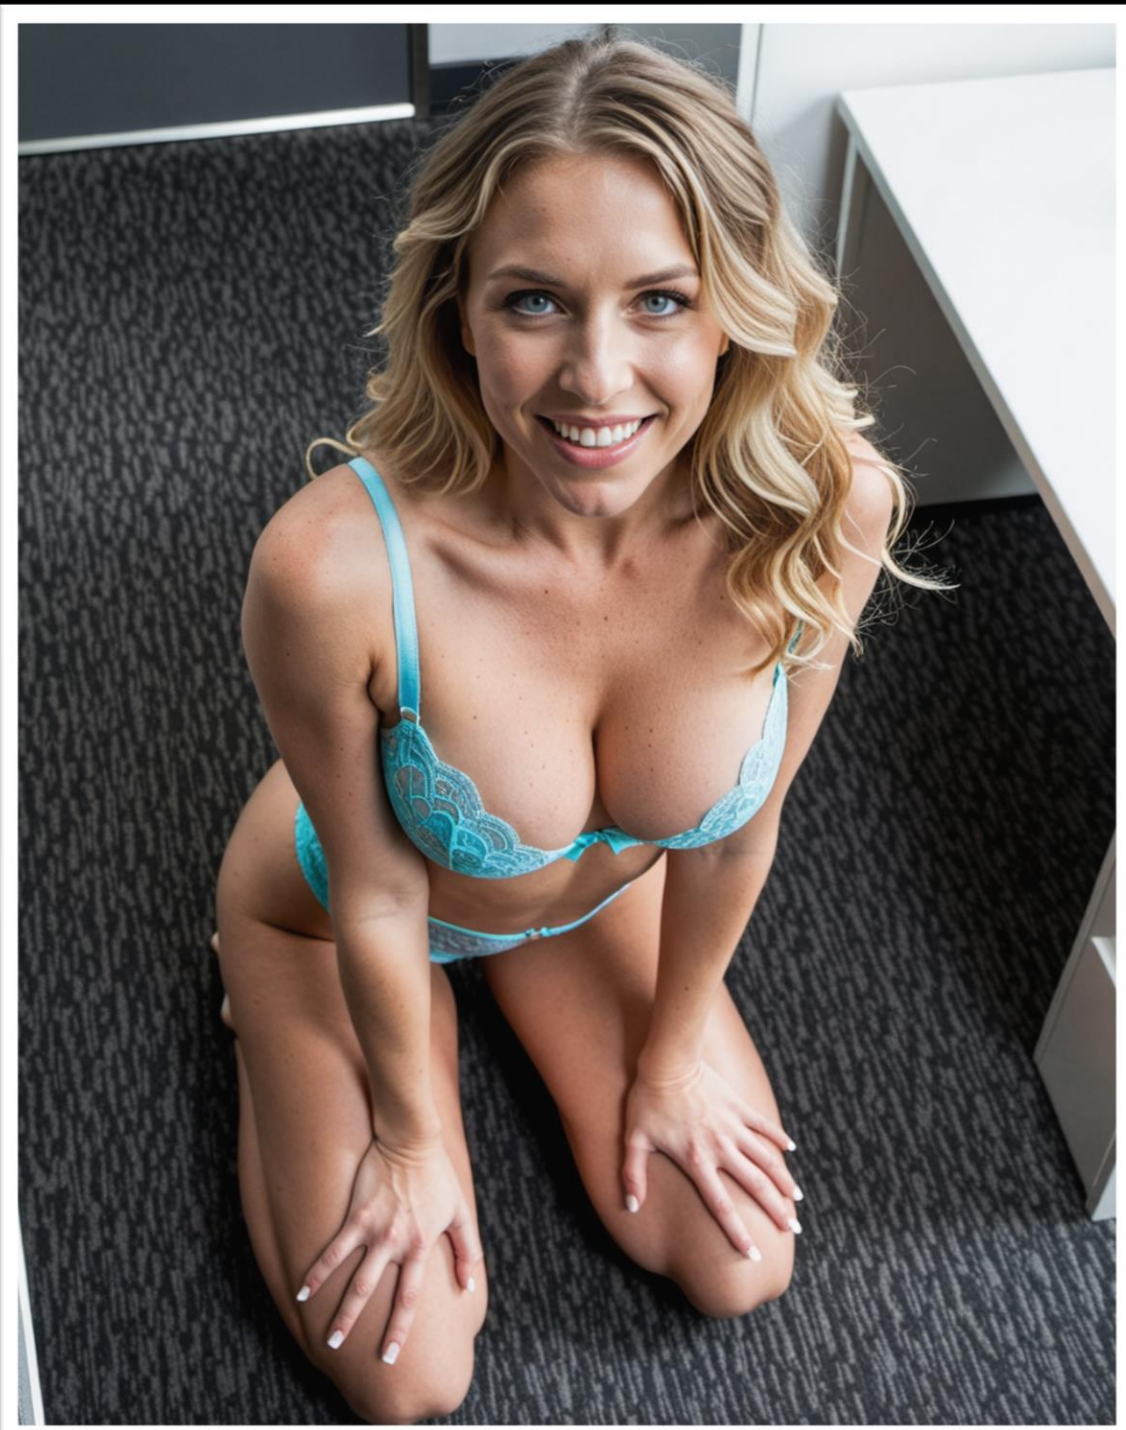

It sounded like a great way to end the day!

So, I nodded and Margrid – still smiling – dropped to her knees...

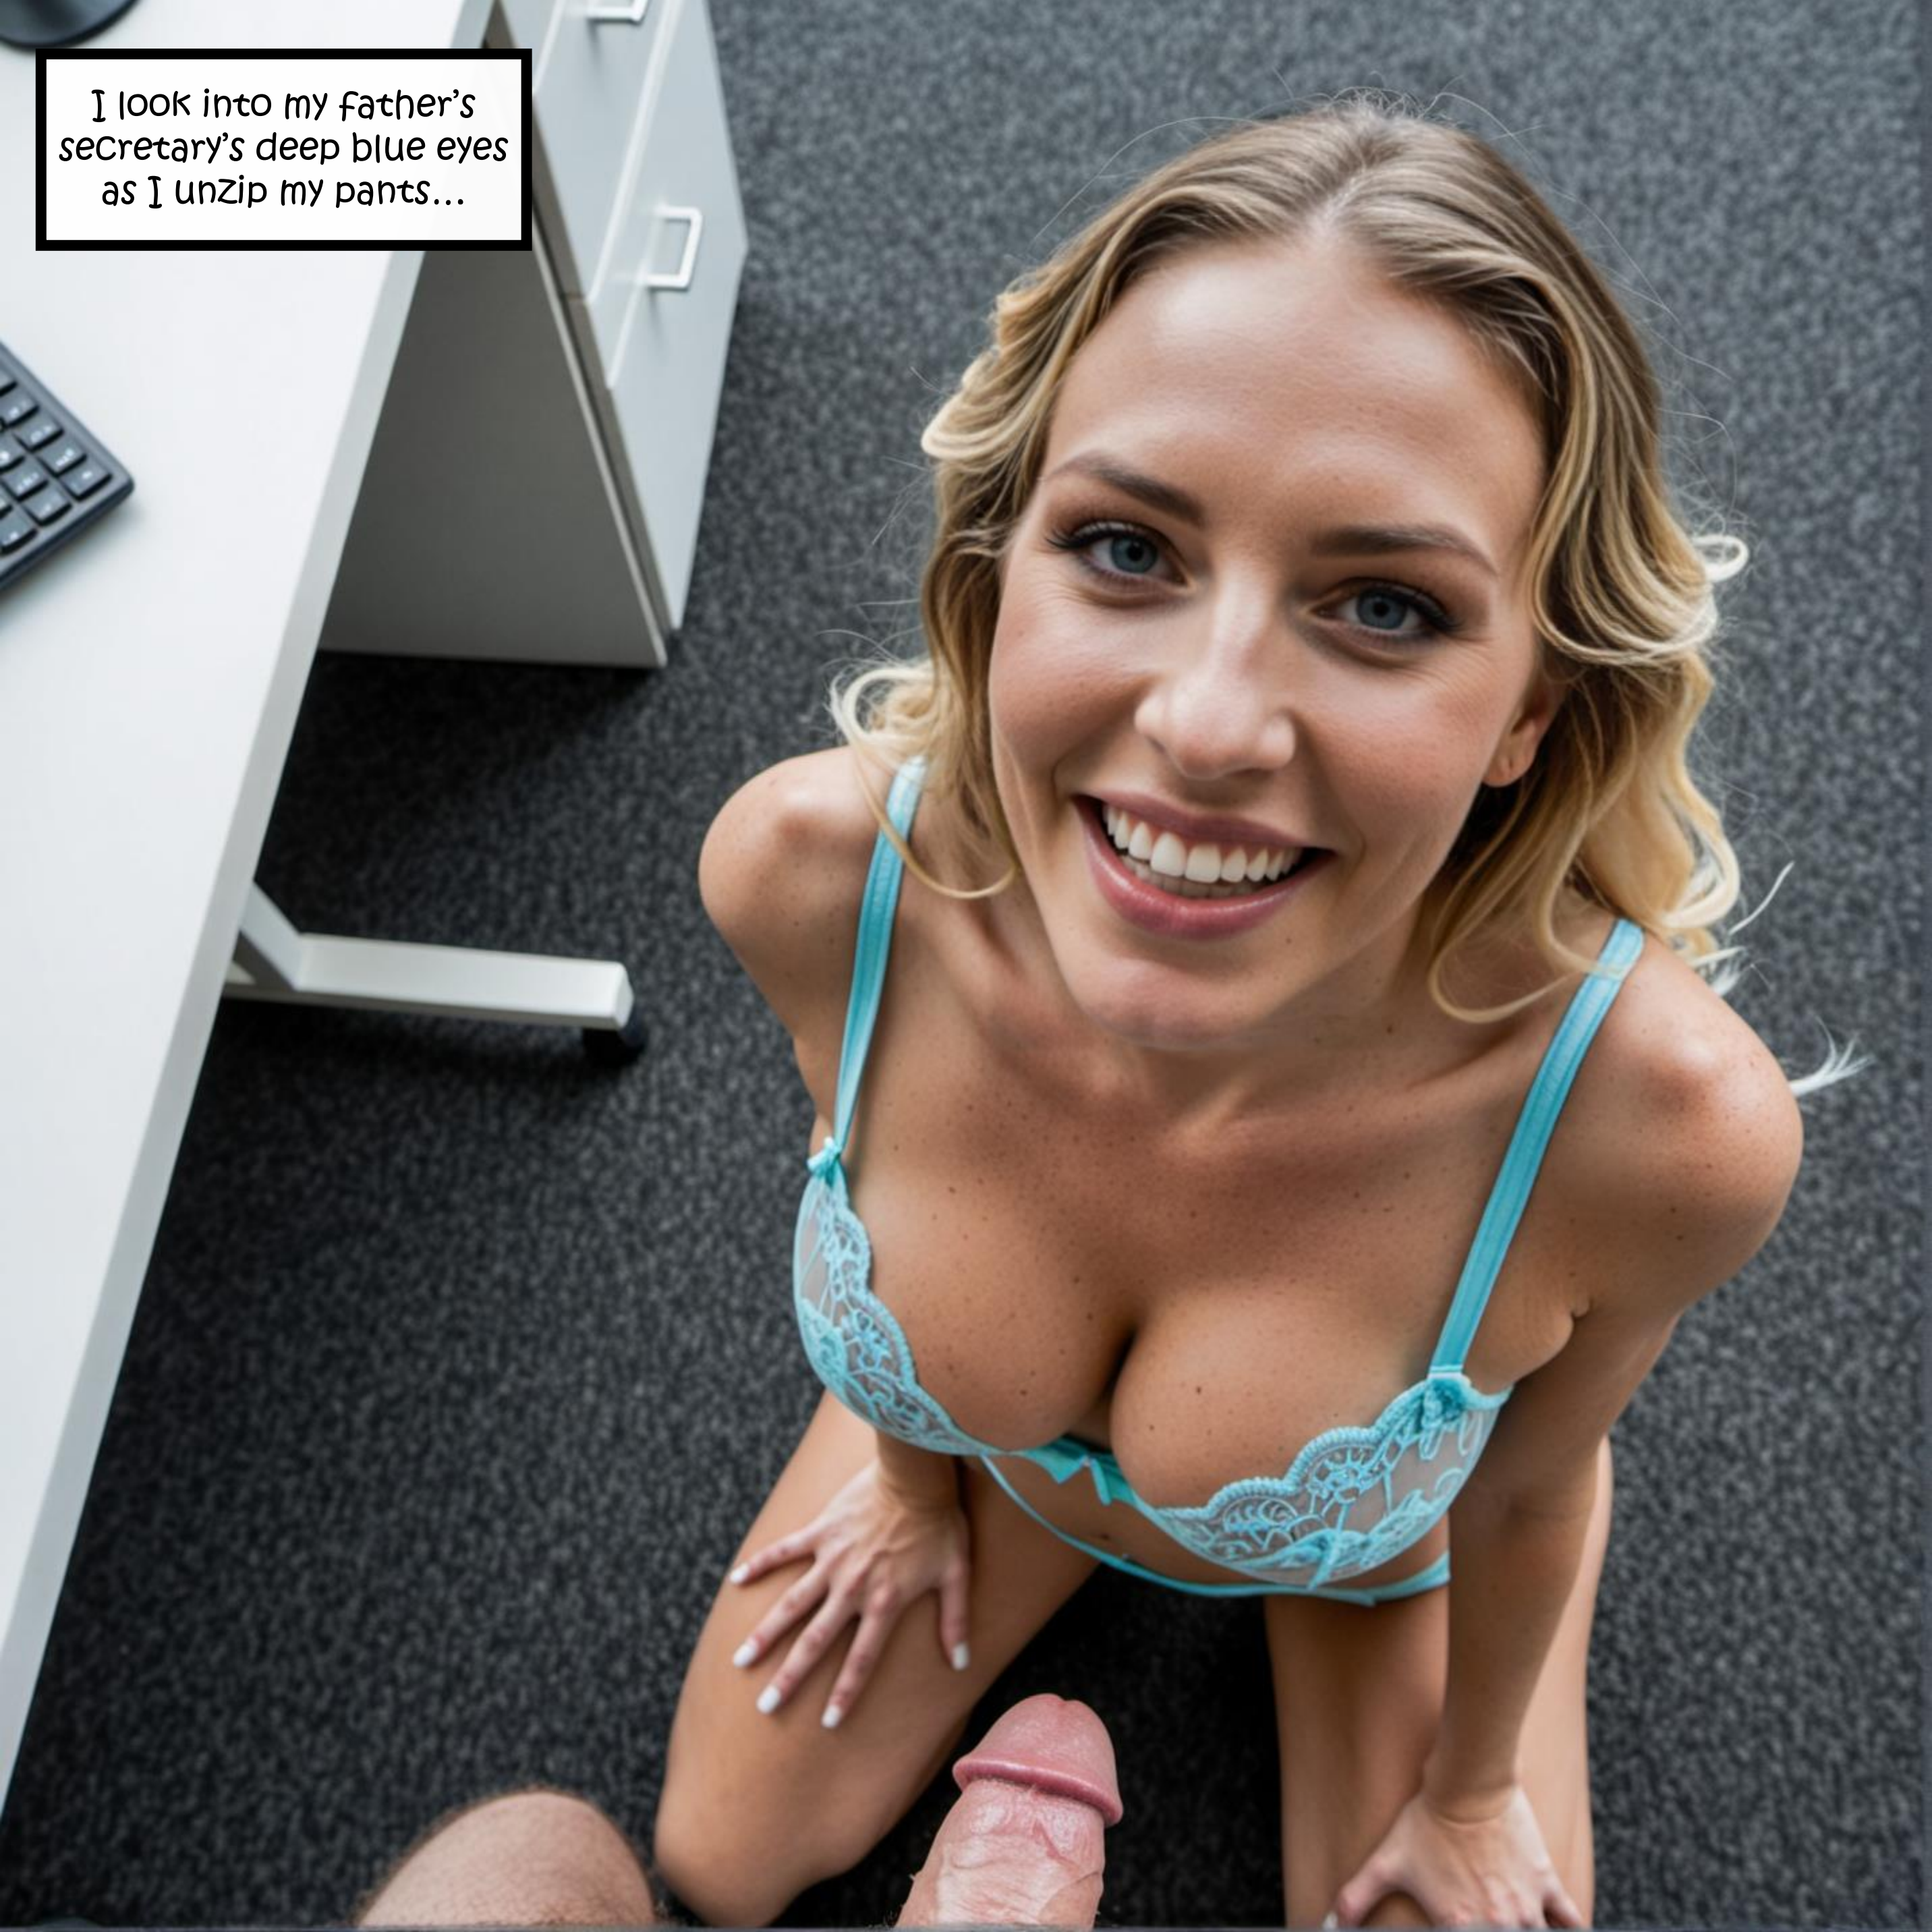

She gets on all fours and seductively crawls under the desk all the way up to me.

Where she kneels before me – dutifully waiting for me to take it out...

I look into my father's secretary's deep blue eyes as I unzip my pants...

And as soon as my dragon  
is freed, Margrid grabs  
hold of it and starts to  
carefully lick the tip.

lick

Before she wraps  
her lips around it...

SLURP

With my hand I guide her  
as her head bobs up and  
down my shaft.

**BOB**

And soon I can feel my  
own climax approaching...

I pull out and Margrid knows the game...

Mhhhh!  
Gimme that  
load, Champ!

Margrid eagerly cheers me  
on to cum on her face.

Which I do... Seeing as I  
rubbed one out previously...  
my load did not look that  
impressive on her...

But cumming on  
Margrid still felt  
fucking amazing!

It's nice to be  
valued for the  
work I do for  
once 😊.

Thanks for  
the load,  
Leon.

Thanks for  
the blowjob.  
**\*chuckle\***

Oh, you are  
welcome.

I'm heading home. See around, Leon.

I look after Margrid's round butt bouncing from side to side as she leaves the office, chuckling to myself what a productive day this has been.

Hello, Hexxet here,

Phew! That was quite some action for one chapter. Maybe a little too much... I hope I could still convey the office feeling around all these sexy scenes and I hope you enjoyed Lingerie Monday!

What will our guy use the program for next?

More PAs and of course my regular 3D Comics can be found on my Patreon. Some free PAs can be found on my homepage.

The following pics of Lin did not make it into the story, but I think she turned out kinda got in these 😊

What are you looking at?

A woman with dark hair in a high ponytail is leaning over a white tufted sofa. She is wearing a black lace bra, black lace thigh-high stockings with garters, and black high-heeled shoes. She is looking back over her shoulder with a surprised expression. A speech bubble is positioned near her head.

Like this,  
Mr. Pussy  
inspector?

A woman with dark hair in a high ponytail is leaning over a white leather sofa. She is wearing a black lace bra, black lace thigh-high stockings, and black high-heeled shoes. Her expression is one of surprise, with her mouth open and eyes wide. Her right hand is on the sofa, and her left hand is on her hip. In the background, there is a framed picture of a woman on a dark wall.

Oh, hey there! I did not see you cumming.

moan
