Who are you, evil demon? And where is my beautiful wife?

Ha, ha, very funny, you joker...
What? Come-on, I thought we were roleplaying!
Not with dialogue that bad.
Well, you've really outdone yourself with this spell.
Look at this butt!
Somehow it improved perfection.
And these boobs!

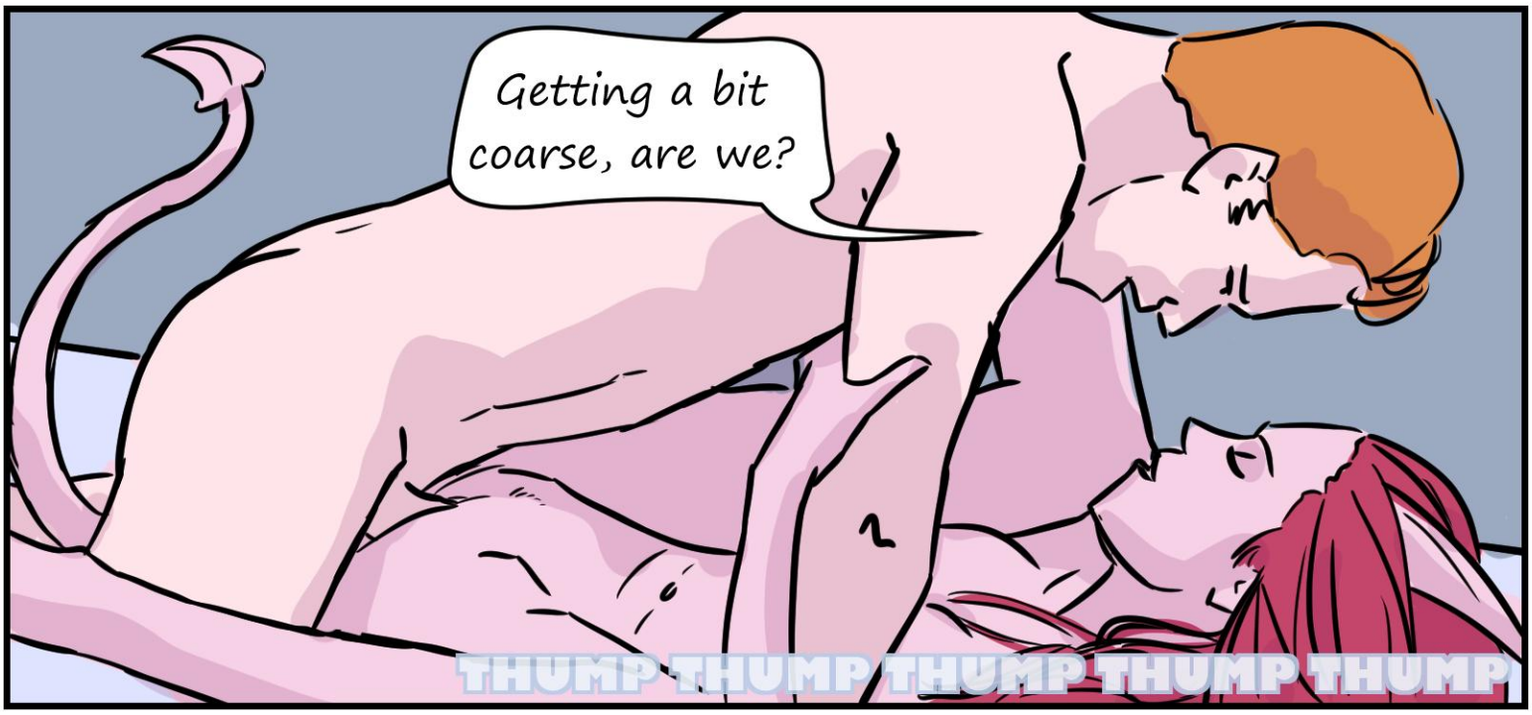

They're glorious!

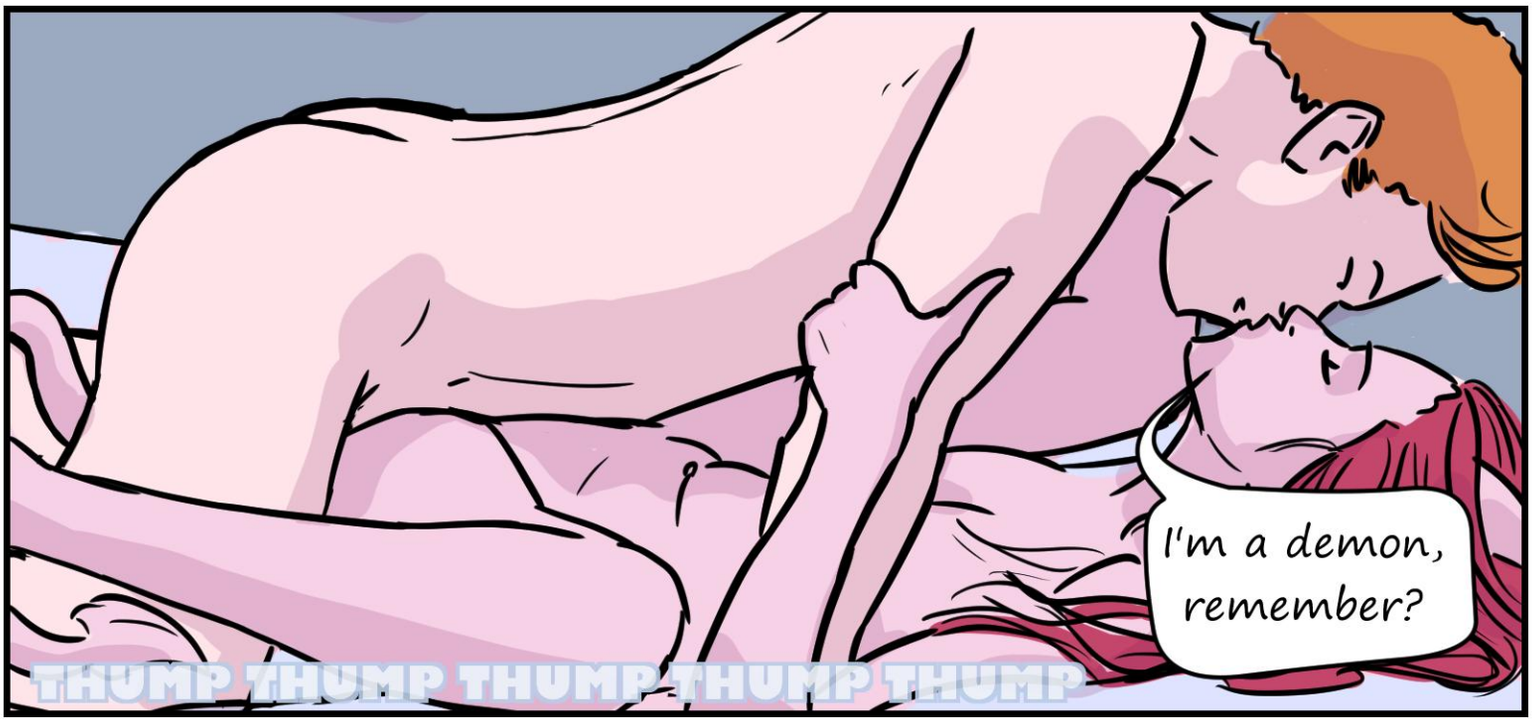

uum hmm?

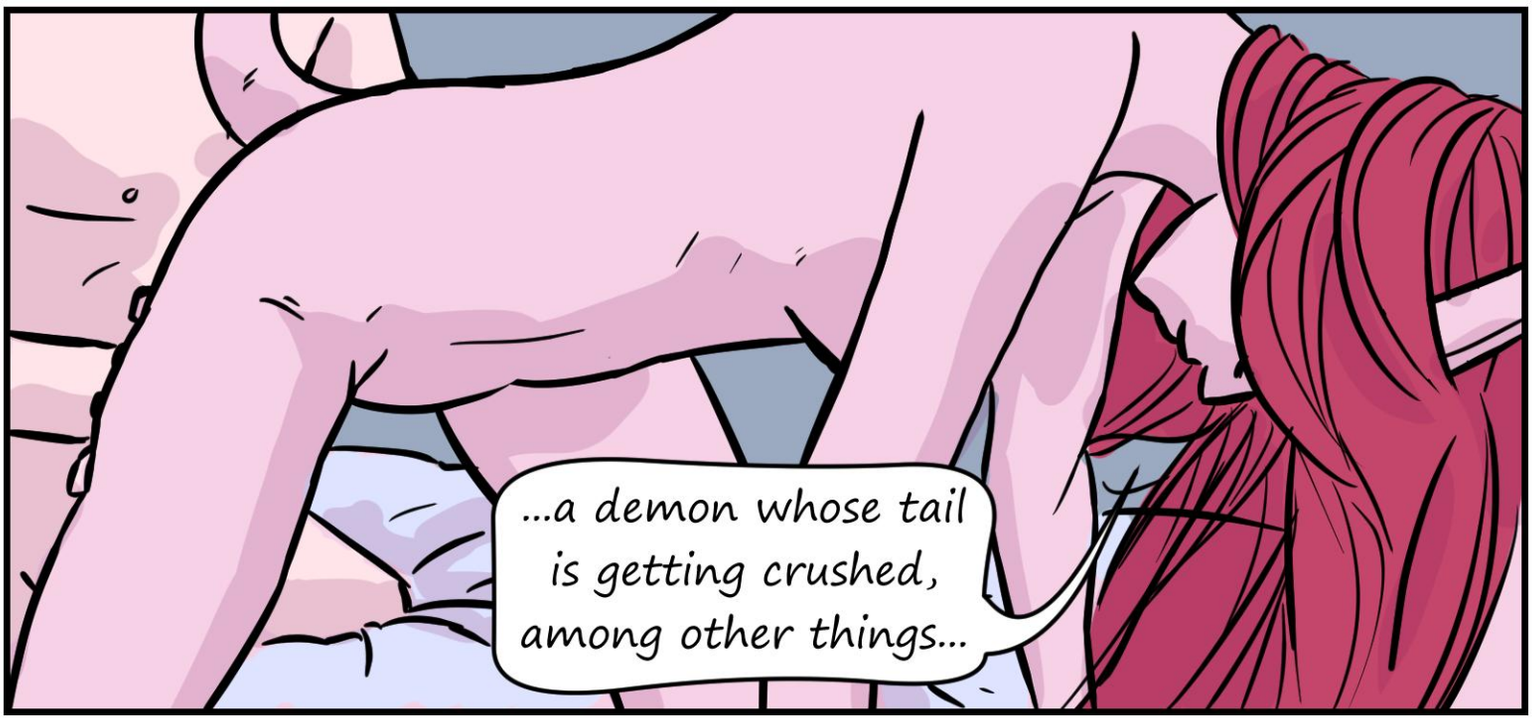

No more talking...

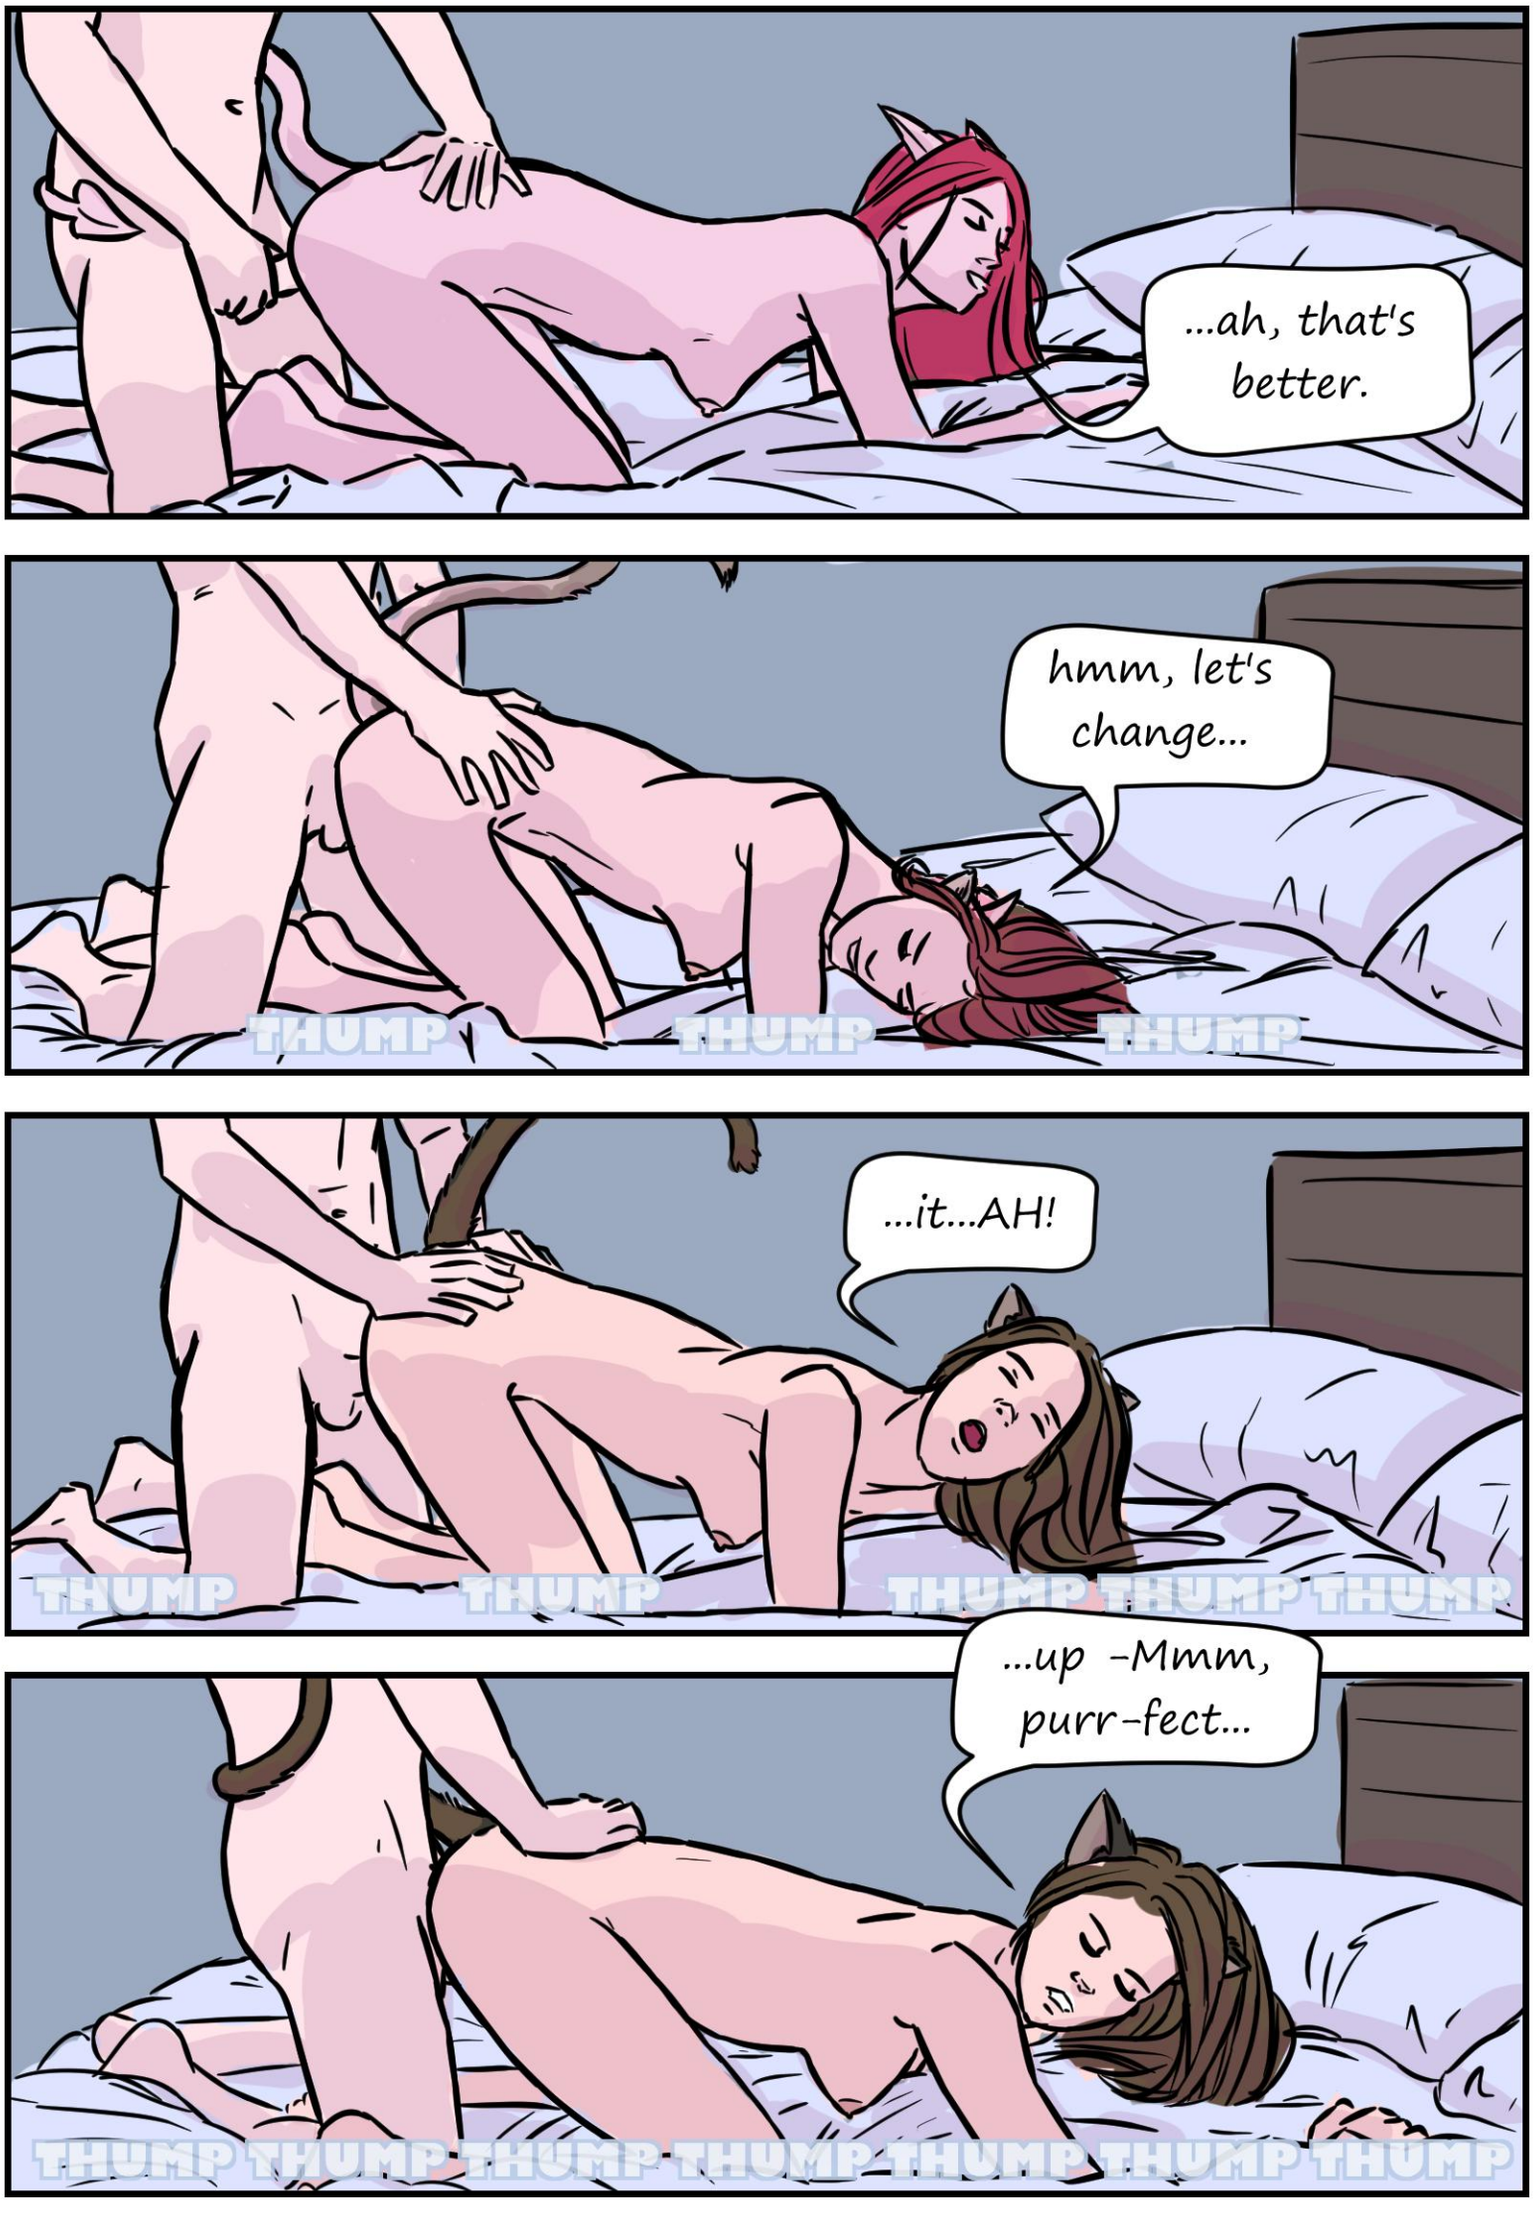

As you wish...
I thought I was the magical creature...
here...oh-fuck!

Shit! I really... ah... did..ah! outdo -oh god!-myself...
Did your spell make you a bit too sensitive down there?
Shut up and fuck me!

Getting a bit coarse, are we?
THUMP THUMP THUMP THUMP THUMP

I'm a demon, remember?
THUMP THUMP THUMP THUMP THUMP

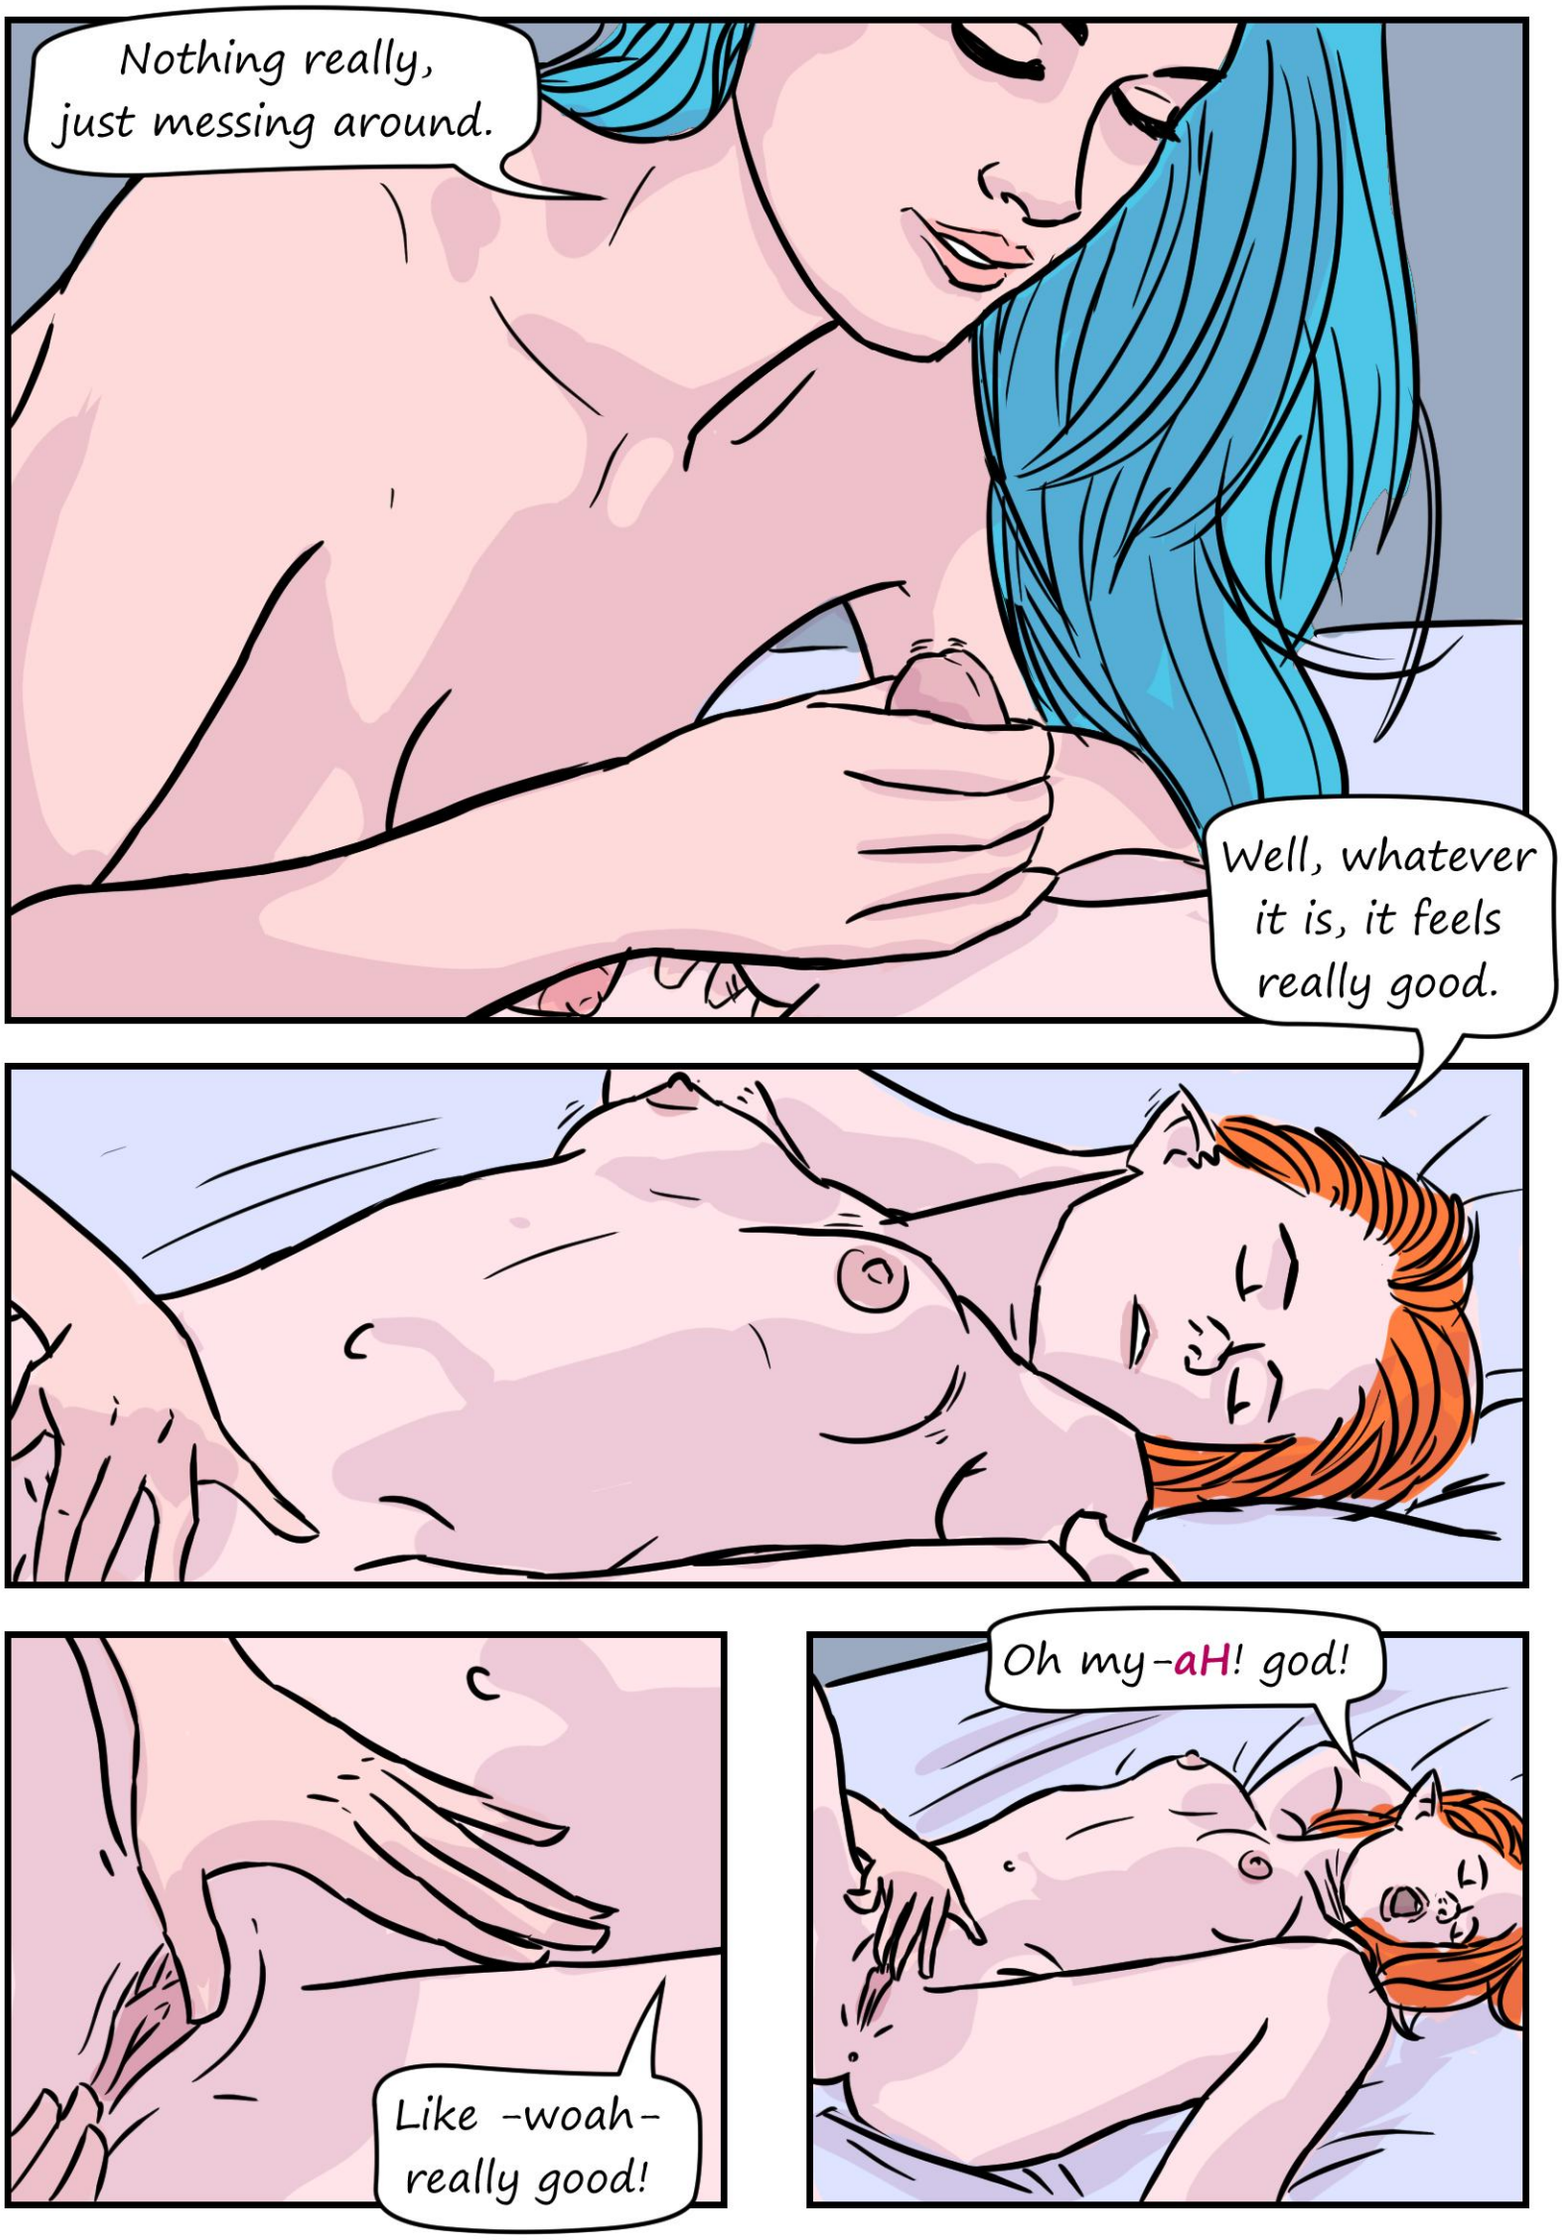

...a demon whose tail is getting crushed, among other things...

...ah, that's better.
hmm, let's change...
...it...AH!
...up -Mmm, purr-fect...
THUMP

Very punny, cat-girl...
What? I wanted to switch into somthing more comfortable.
You just wanted more nipples.
Yes, well, that too.
THUMP THUMP THUMP THUMP THUMP THUMP
THUMP THUMP THUMP THUMP THUMP THUMP THUMP THUMP

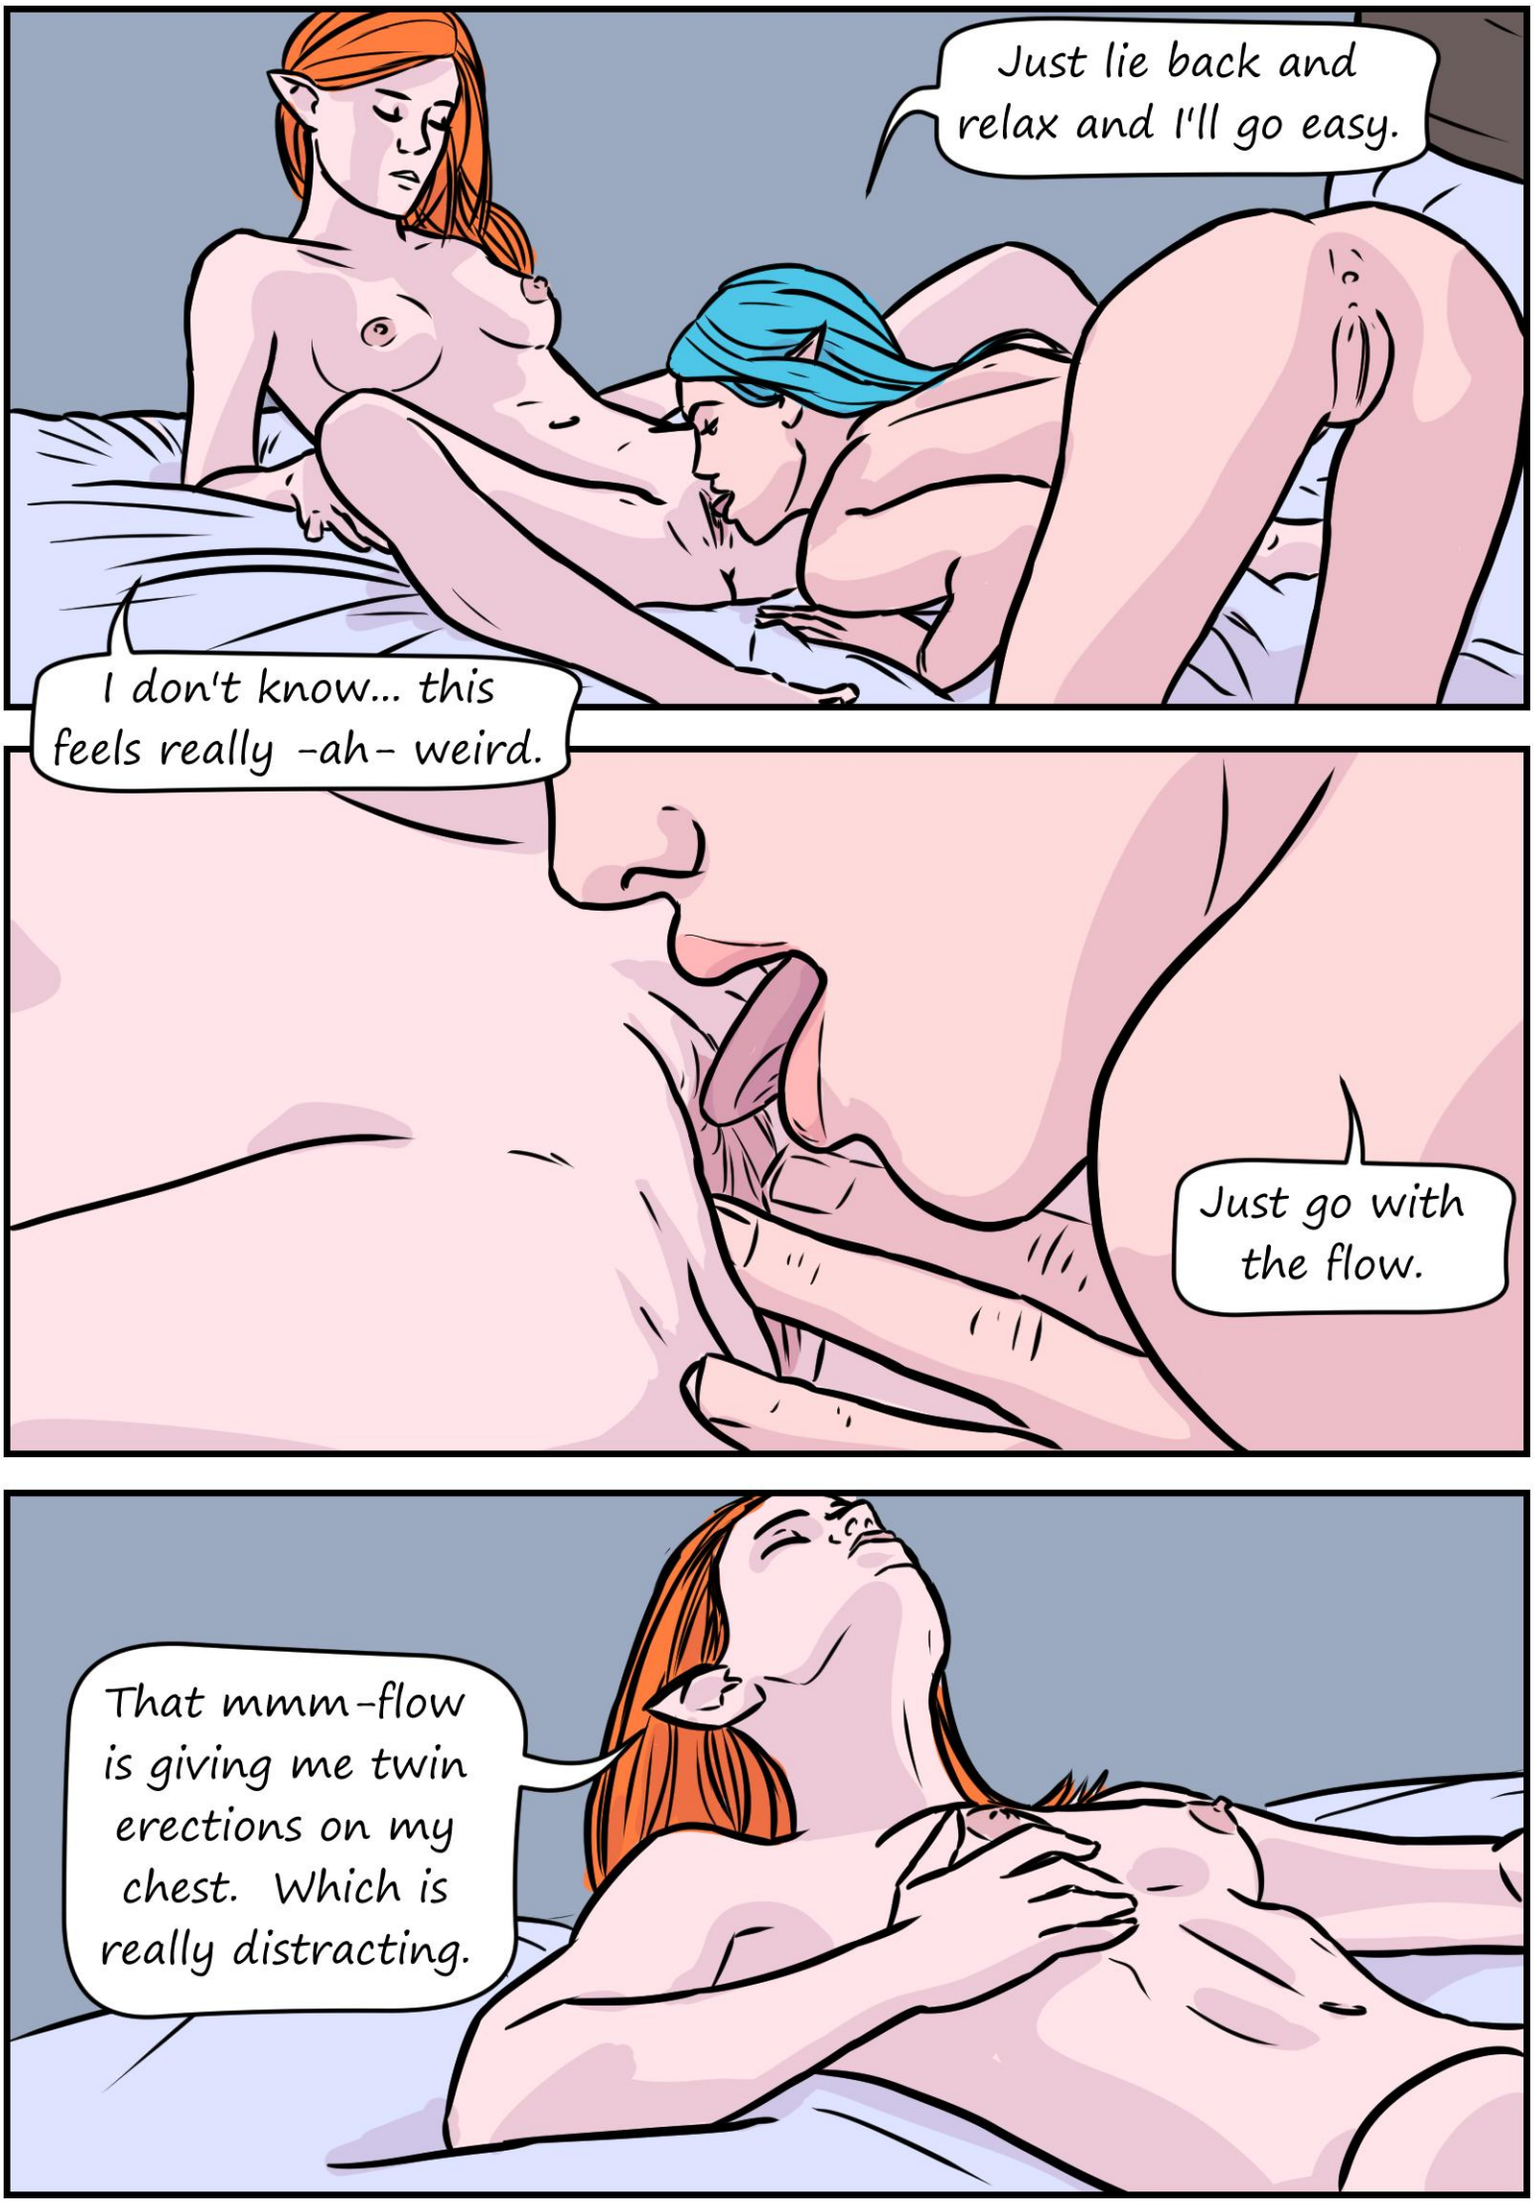

AH! AH!
Almost... -ah-there.
Keep it -ah ...steady.
Just a little-
AAH!
OH FUCK!!!
THUMP

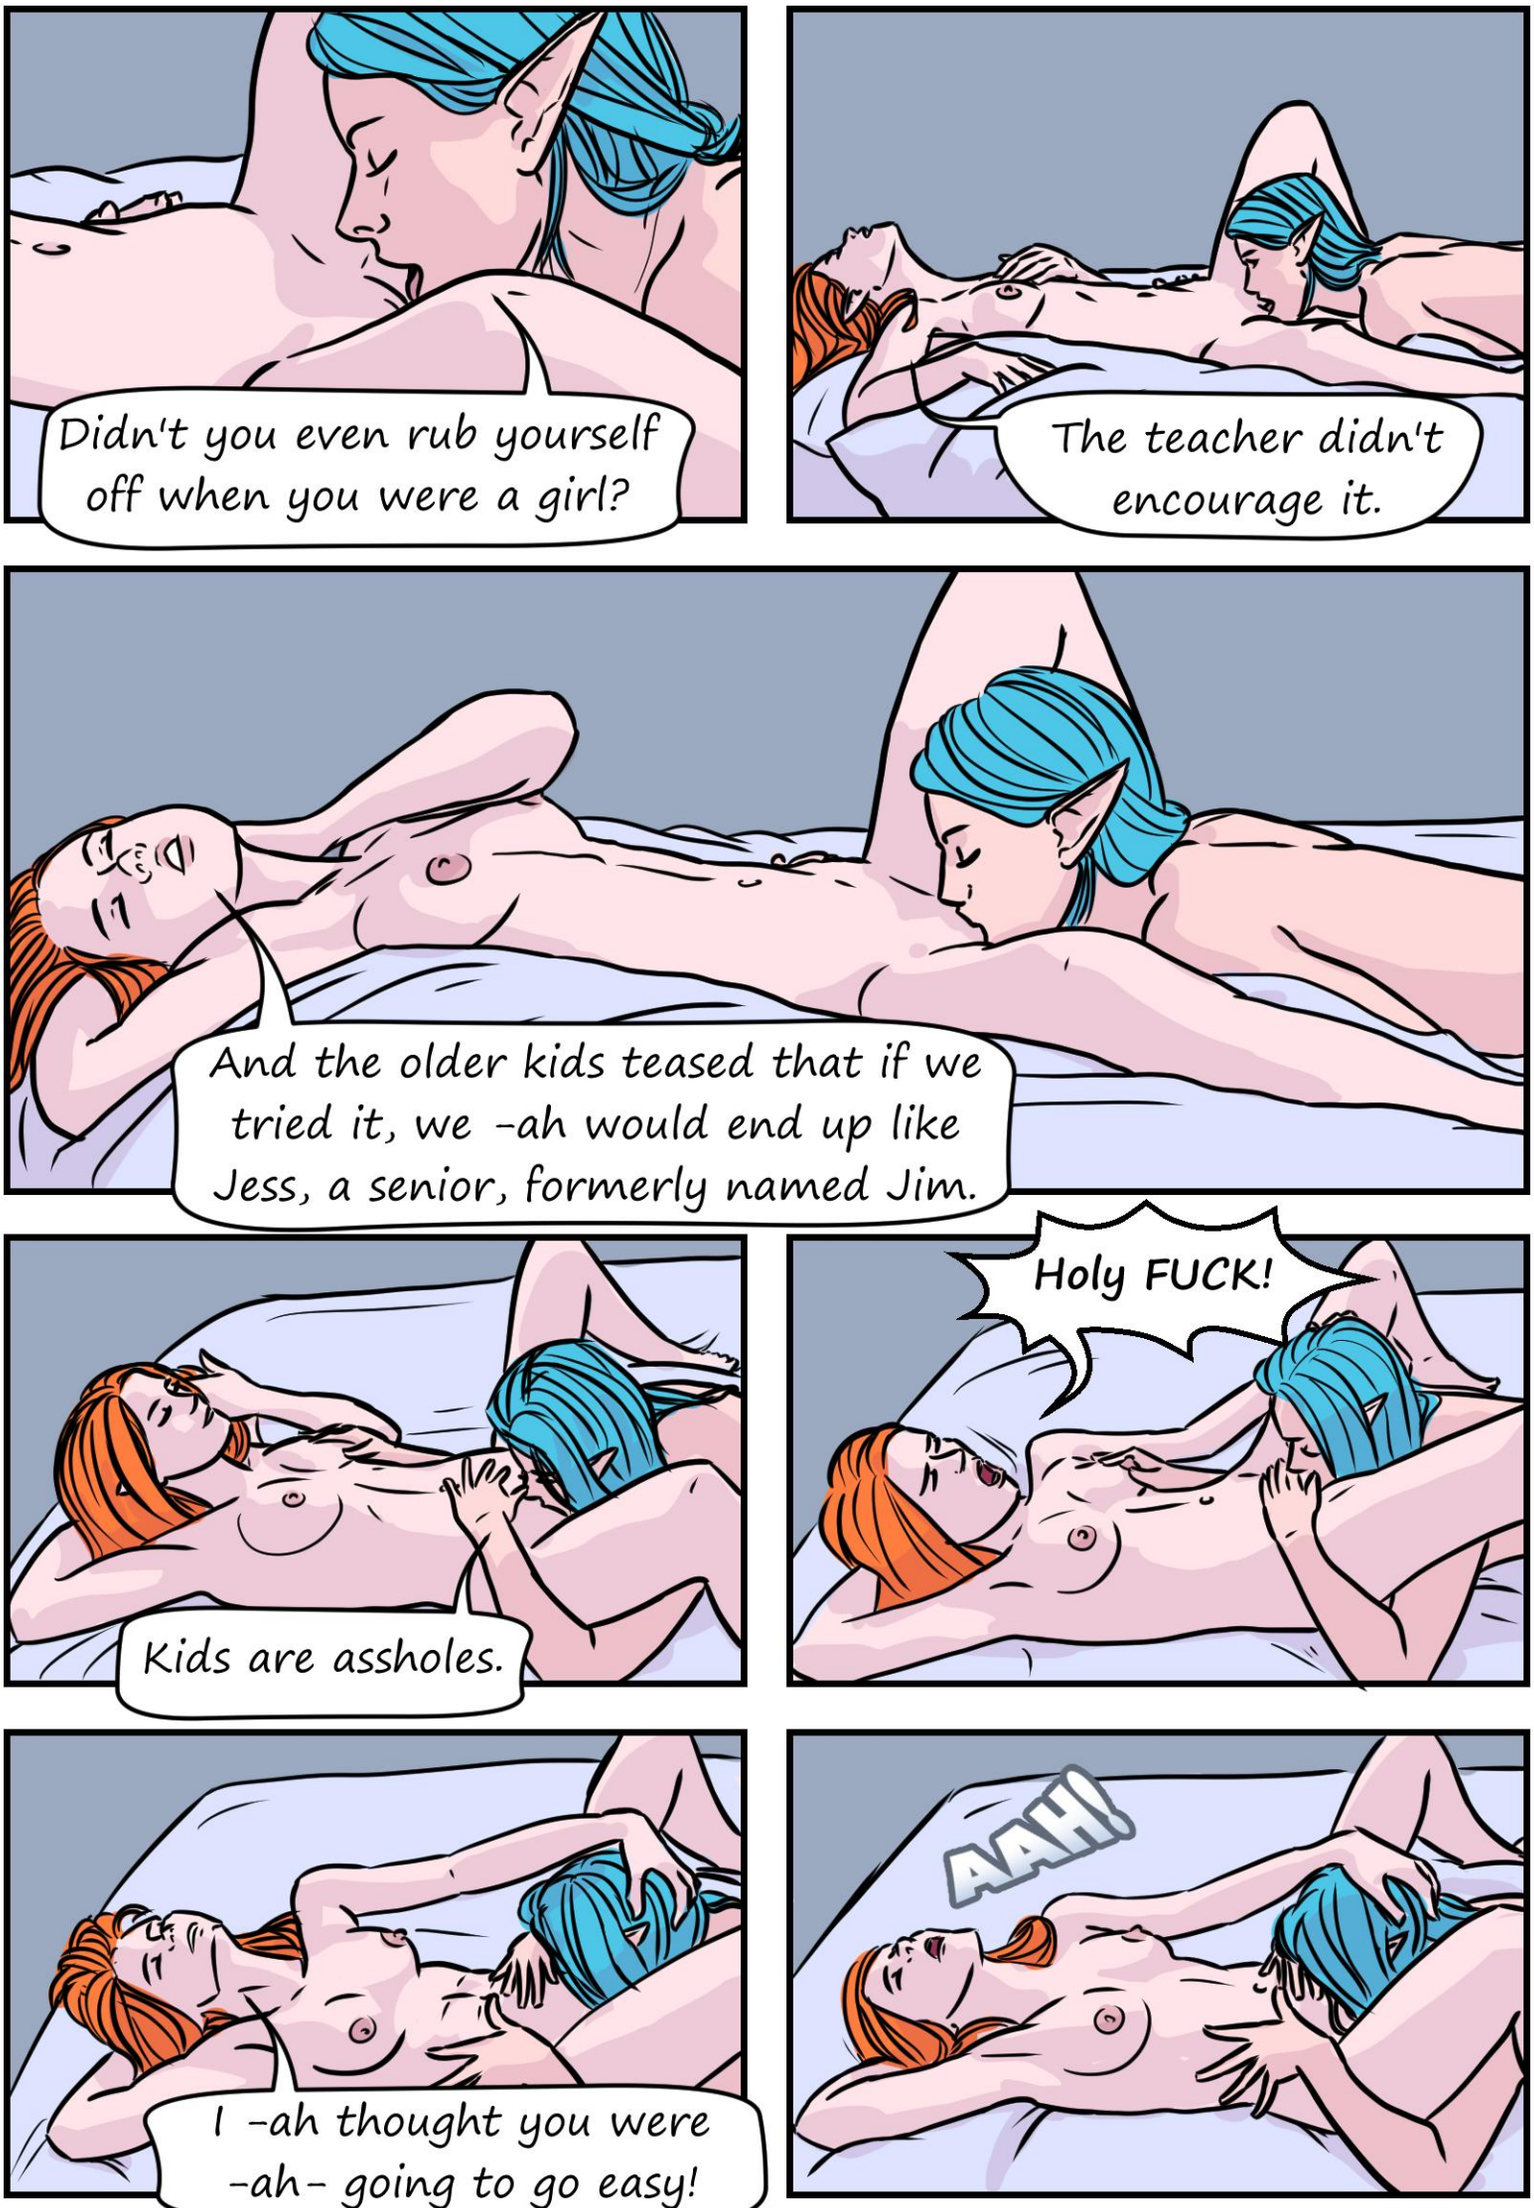

Ohh... just like that...
You like that?
It's magical.
Abra-cadabra.
Oh, wow, that feels weird. What did you just do?

Nothing really, just messing around.
Well, whatever it is, it feels really good.
Like -woah- really good!
Oh my-aH! god!

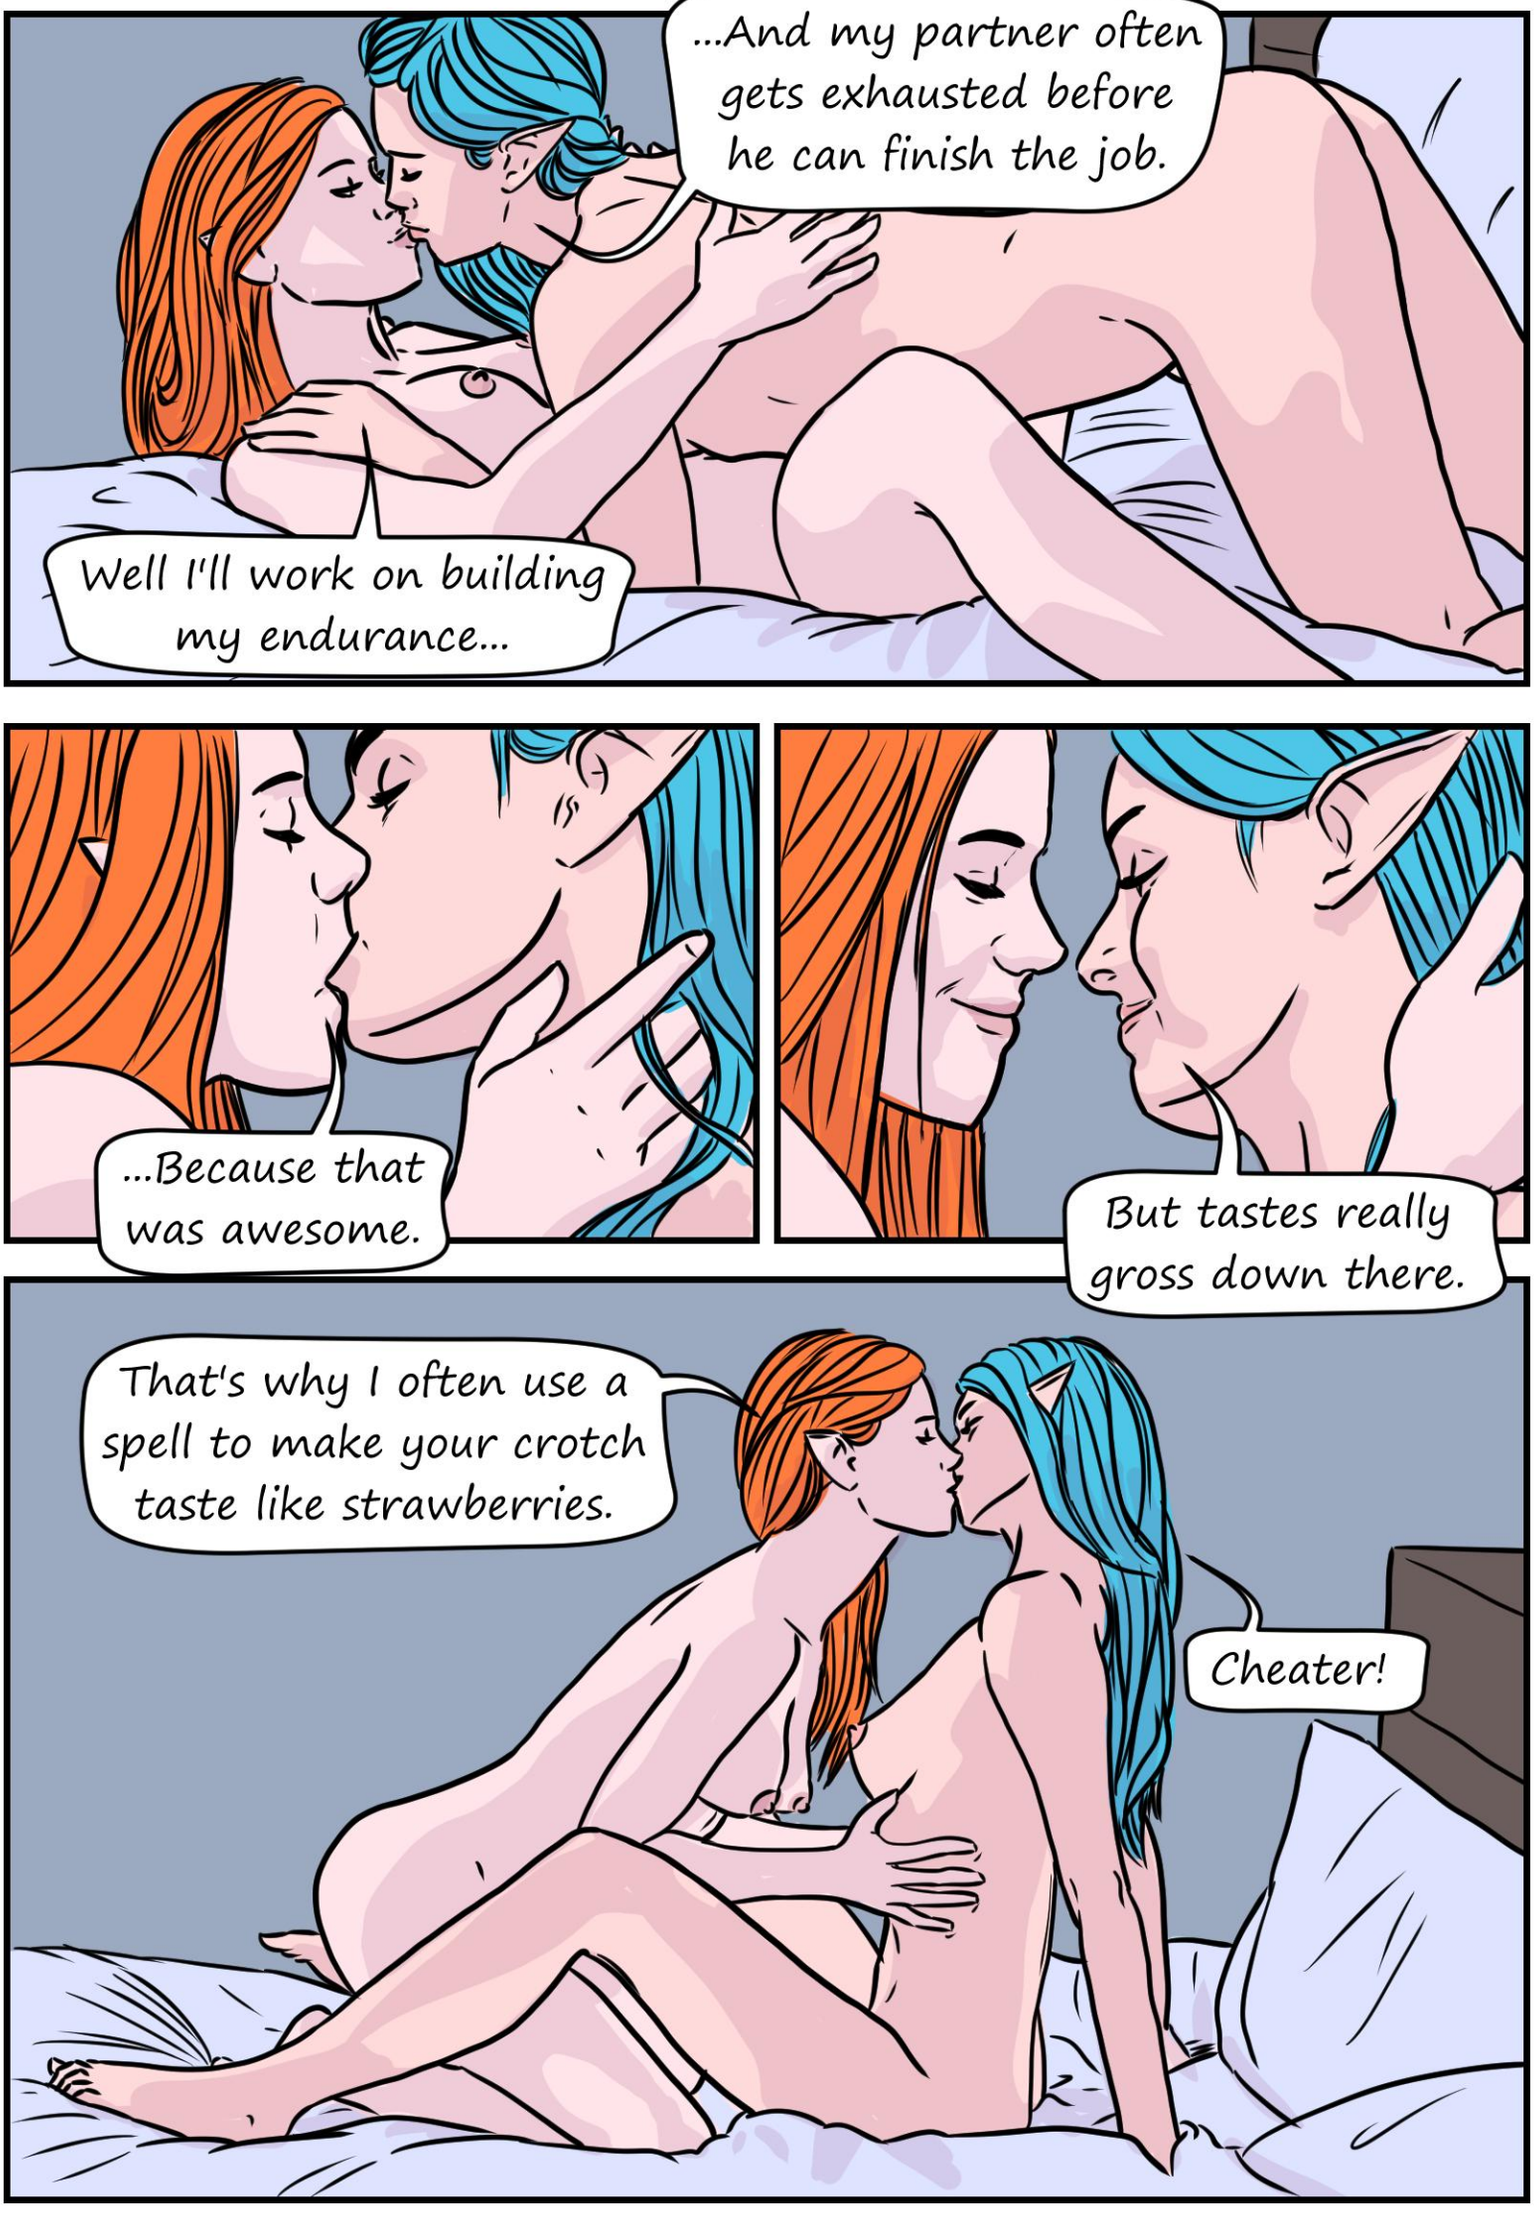

What the fuck, Julie! You turned me into a girl!
I mean, I love boobs, but I don't need my own.
And it feels so gross down here.

Really? Come on... Don't pretend you've never tried for fun before.
Sure I have; way back in grade 9 sex-ed, they made us switch for a week.
It was embarrassing, awkward, and weird.
It was the exact opposite of fun.
Well maybe you didn't have the right teacher.

Just lie back and relax and I'll go easy.
I don't know... this feels really -ah- weird.
Just go with the flow.
That mmm-flow is giving me twin erections on my chest. Which is really distracting.

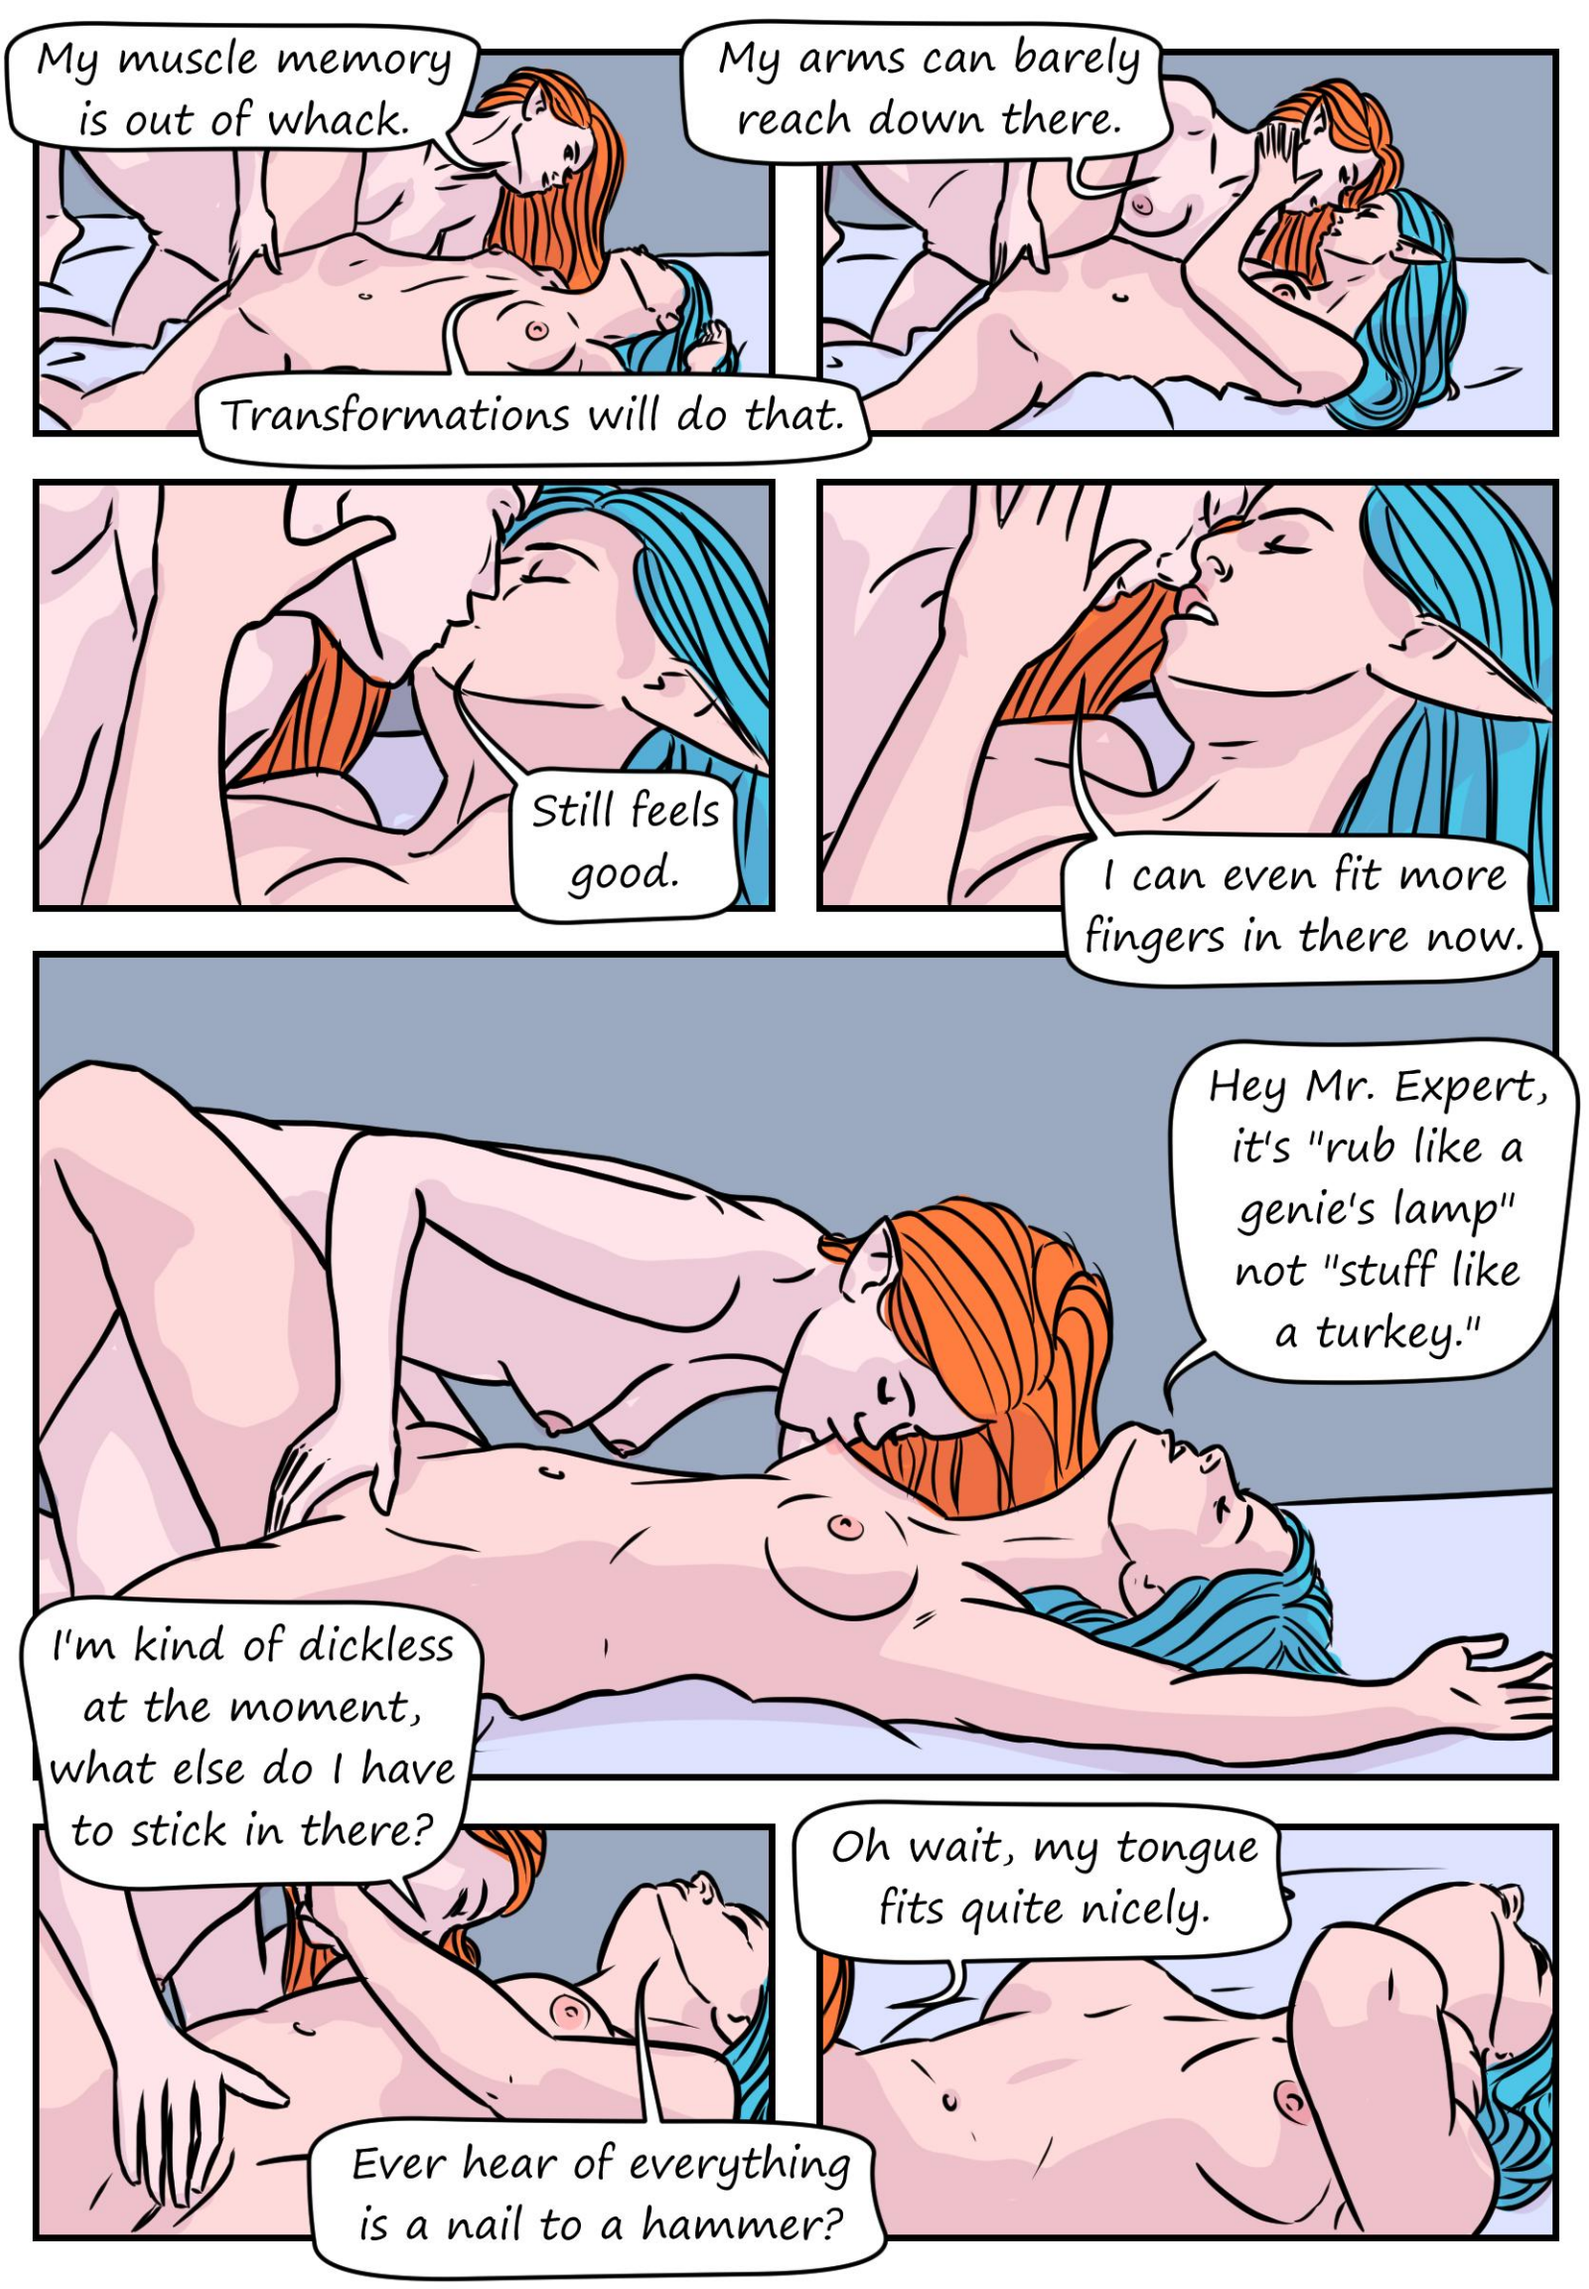

Didn't you even rub yourself off when you were a girl?
The teacher didn't encourage it.
And the older kids teased that if we tried it, we -ah would end up like Jess, a senior, formerly named Jim.
Kids are assholes.
Holy FUCK!
I -ah thought you were -ah- going to go easy!
AAH!

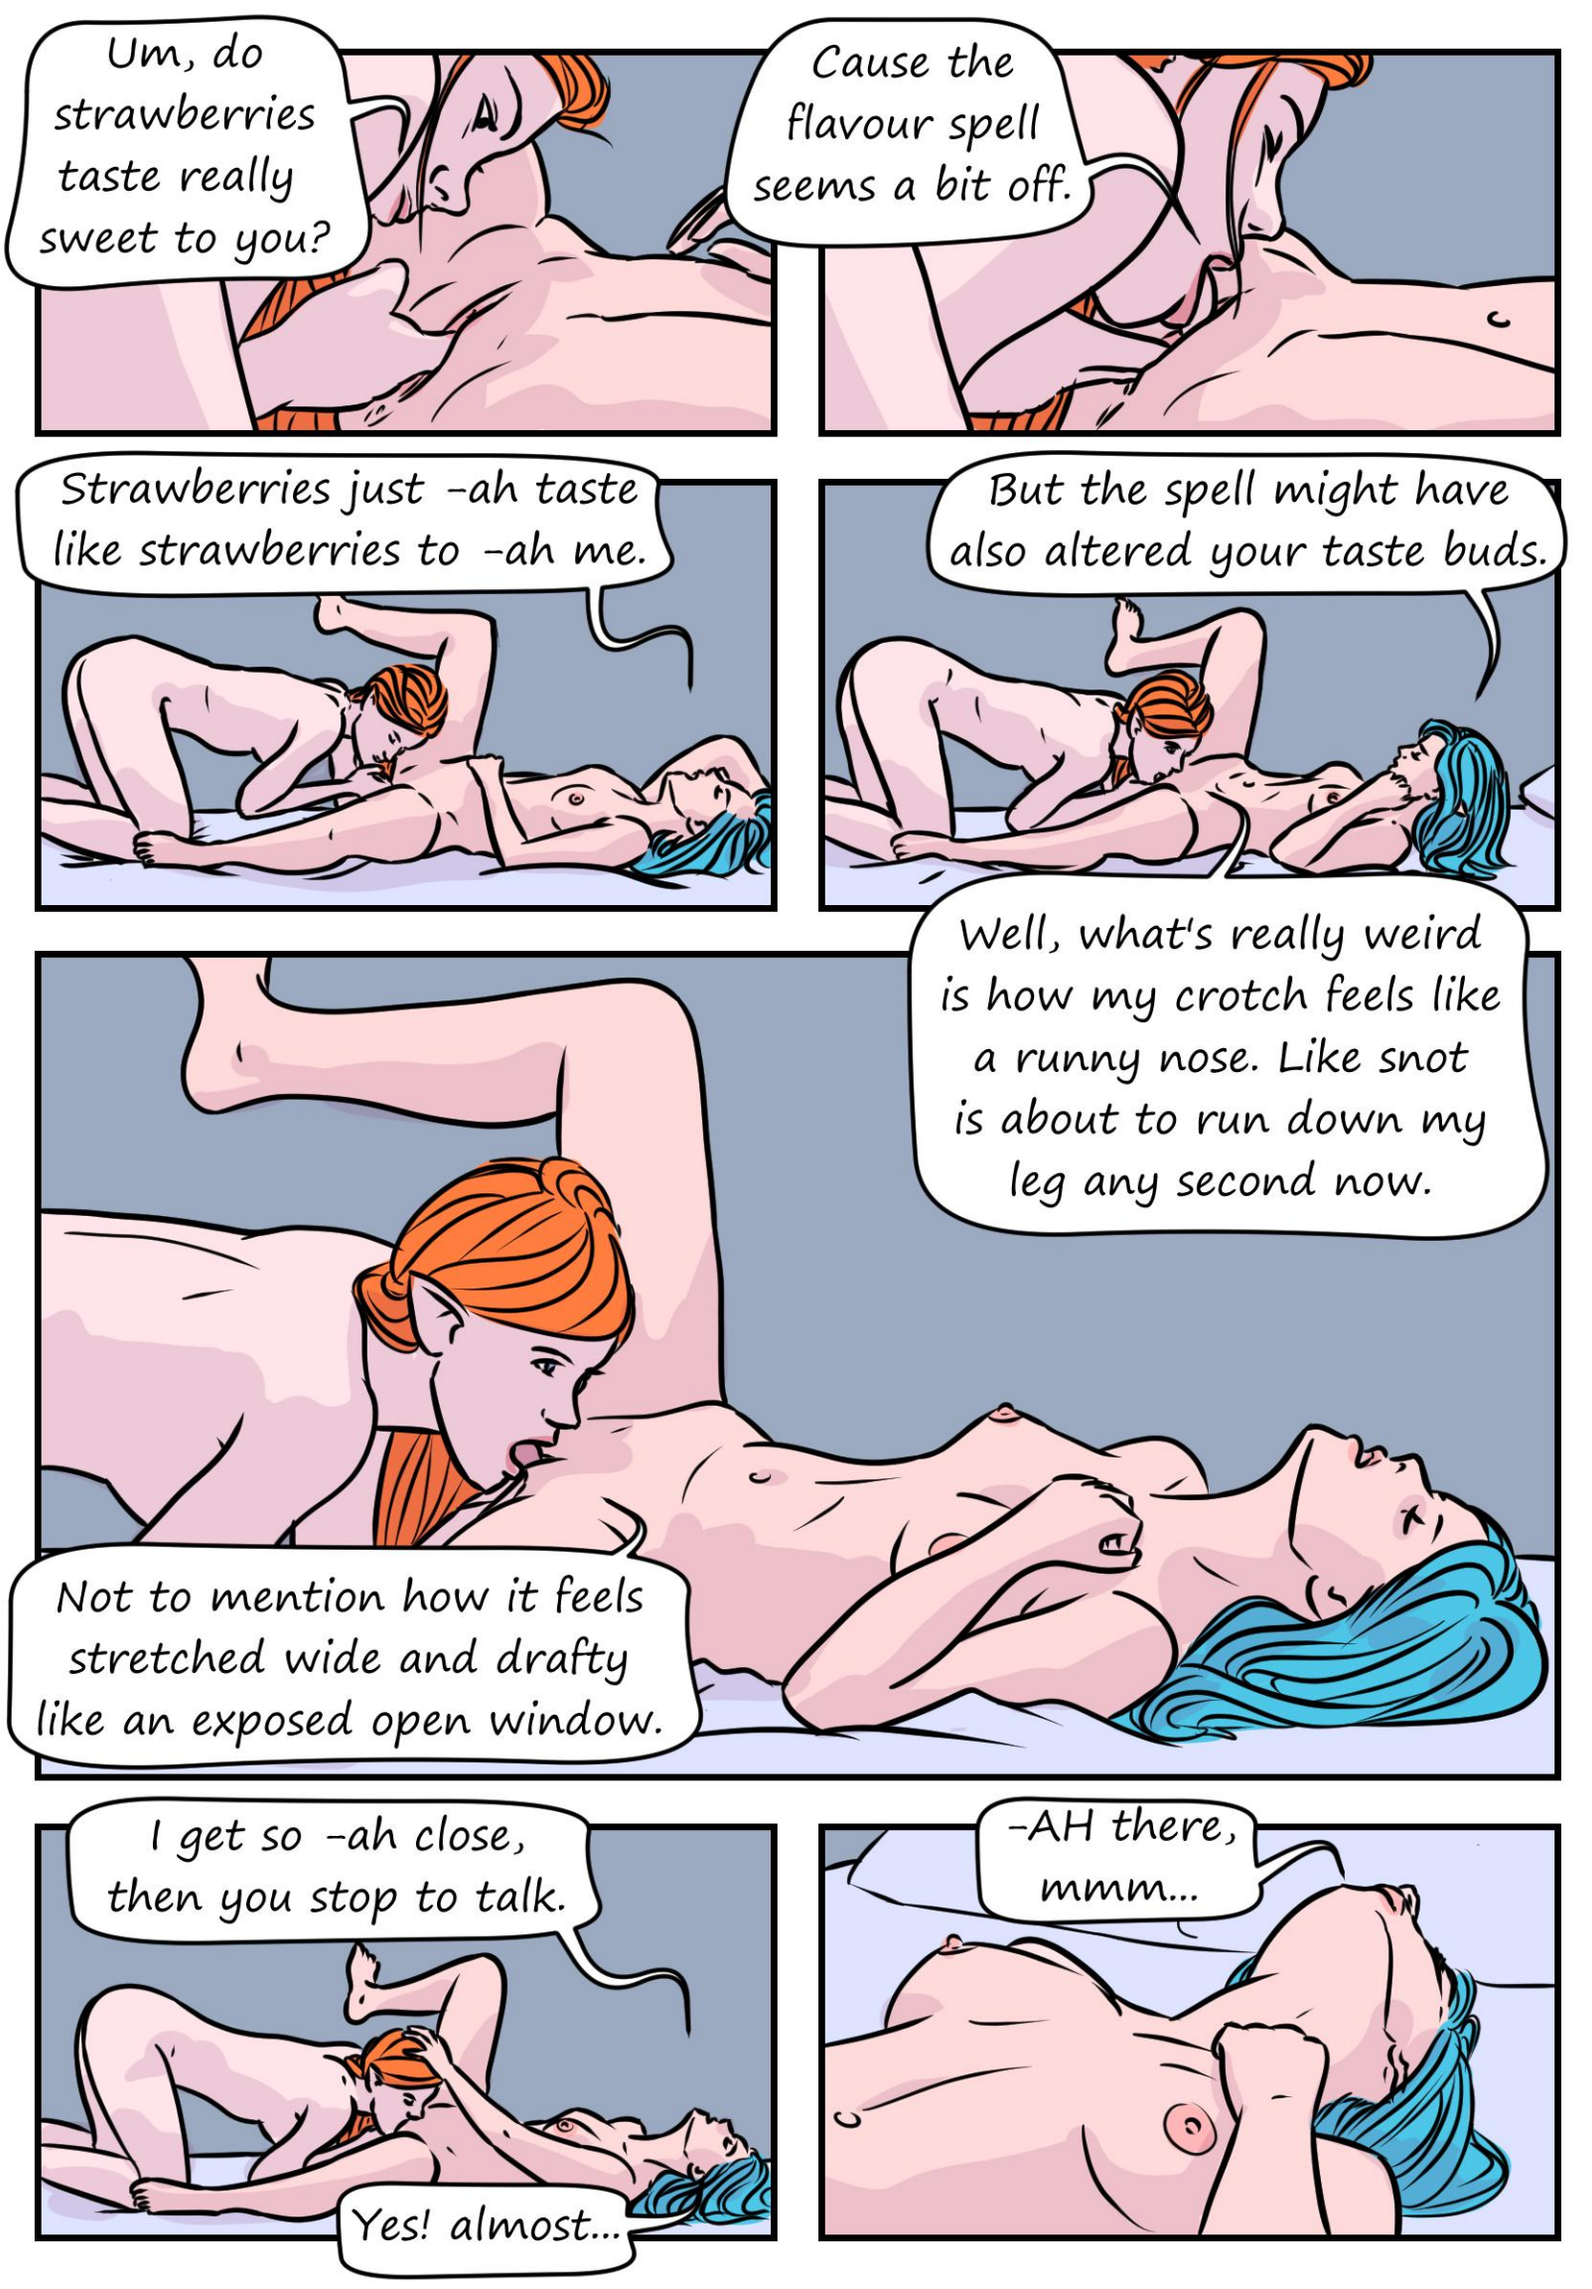

It's way too trigger happy down there.
Just the slightest...
Oh god!
Oh my god, oh my god!
Oh my god...
That was out of this world... holy cow...
That was like a roller coaster in a rock concert!
How are you not having sex all the time?
Well, it is intense...

...And my partner often gets exhausted before he can finish the job.
Well I'll work on building my endurance...
...Because that was awesome.
But tastes really gross down there.
That's why I often use a spell to make your crotch taste like strawberries.
Cheater!

Maybe you were right, that my education from the female perspective has been lacking. But I believe I've got some pointers for you on how to pleasure a woman.
That's rather presumptuous! I've given myself way more orgasms than you ever will.
Ouch, that was kind of blunt.
Just being honest.
Well, let me show you what a dildo can't do...
Also, I'm also feeling so horny right now it isn't funny.
I want to fuck your Elven brains into next week.
But I seem to have a phantom limb.

So I'll have to work with the tools I have.
Mouth,
fingers,
and tongue.
All together now.
Hmm, this doesn't quite feel the same.
You don't -ah say.

My muscle memory is out of whack.
My arms can barely reach down there.
Transformations will do that.
Still feels good.
I can even fit more fingers in there now.
Hey Mr. Expert, it's "rub like a genie's lamp" not "stuff like a turkey."
I'm kind of dickless at the moment, what else do I have to stick in there?
Oh wait, my tongue fits quite nicely.
Ever hear of everything is a nail to a hammer?

Um, do strawberries taste really sweet to you?
Cause the flavour spell seems a bit off.
Strawberries just -ah taste like strawberries to -ah me.
But the spell might have also altered your taste buds.
Well, what's really weird is how my crotch feels like a runny nose. Like snot is about to run down my leg any second now.
Not to mention how it feels stretched wide and drafty like an exposed open window.
I get so -ah close, then you stop to talk.
Yes! almost...
-AH there, mmm...

Come up top...
Let me handle that draft problem.
I don't know. It was a bit intense last time...
Oh crap, still intense. But the good kind.
AAH!
Oh god, don't stop!
My god, you really are leaky.
You don't mind leaks when you give me head.
Yeah, when it goes in my mouth, not all over my face.

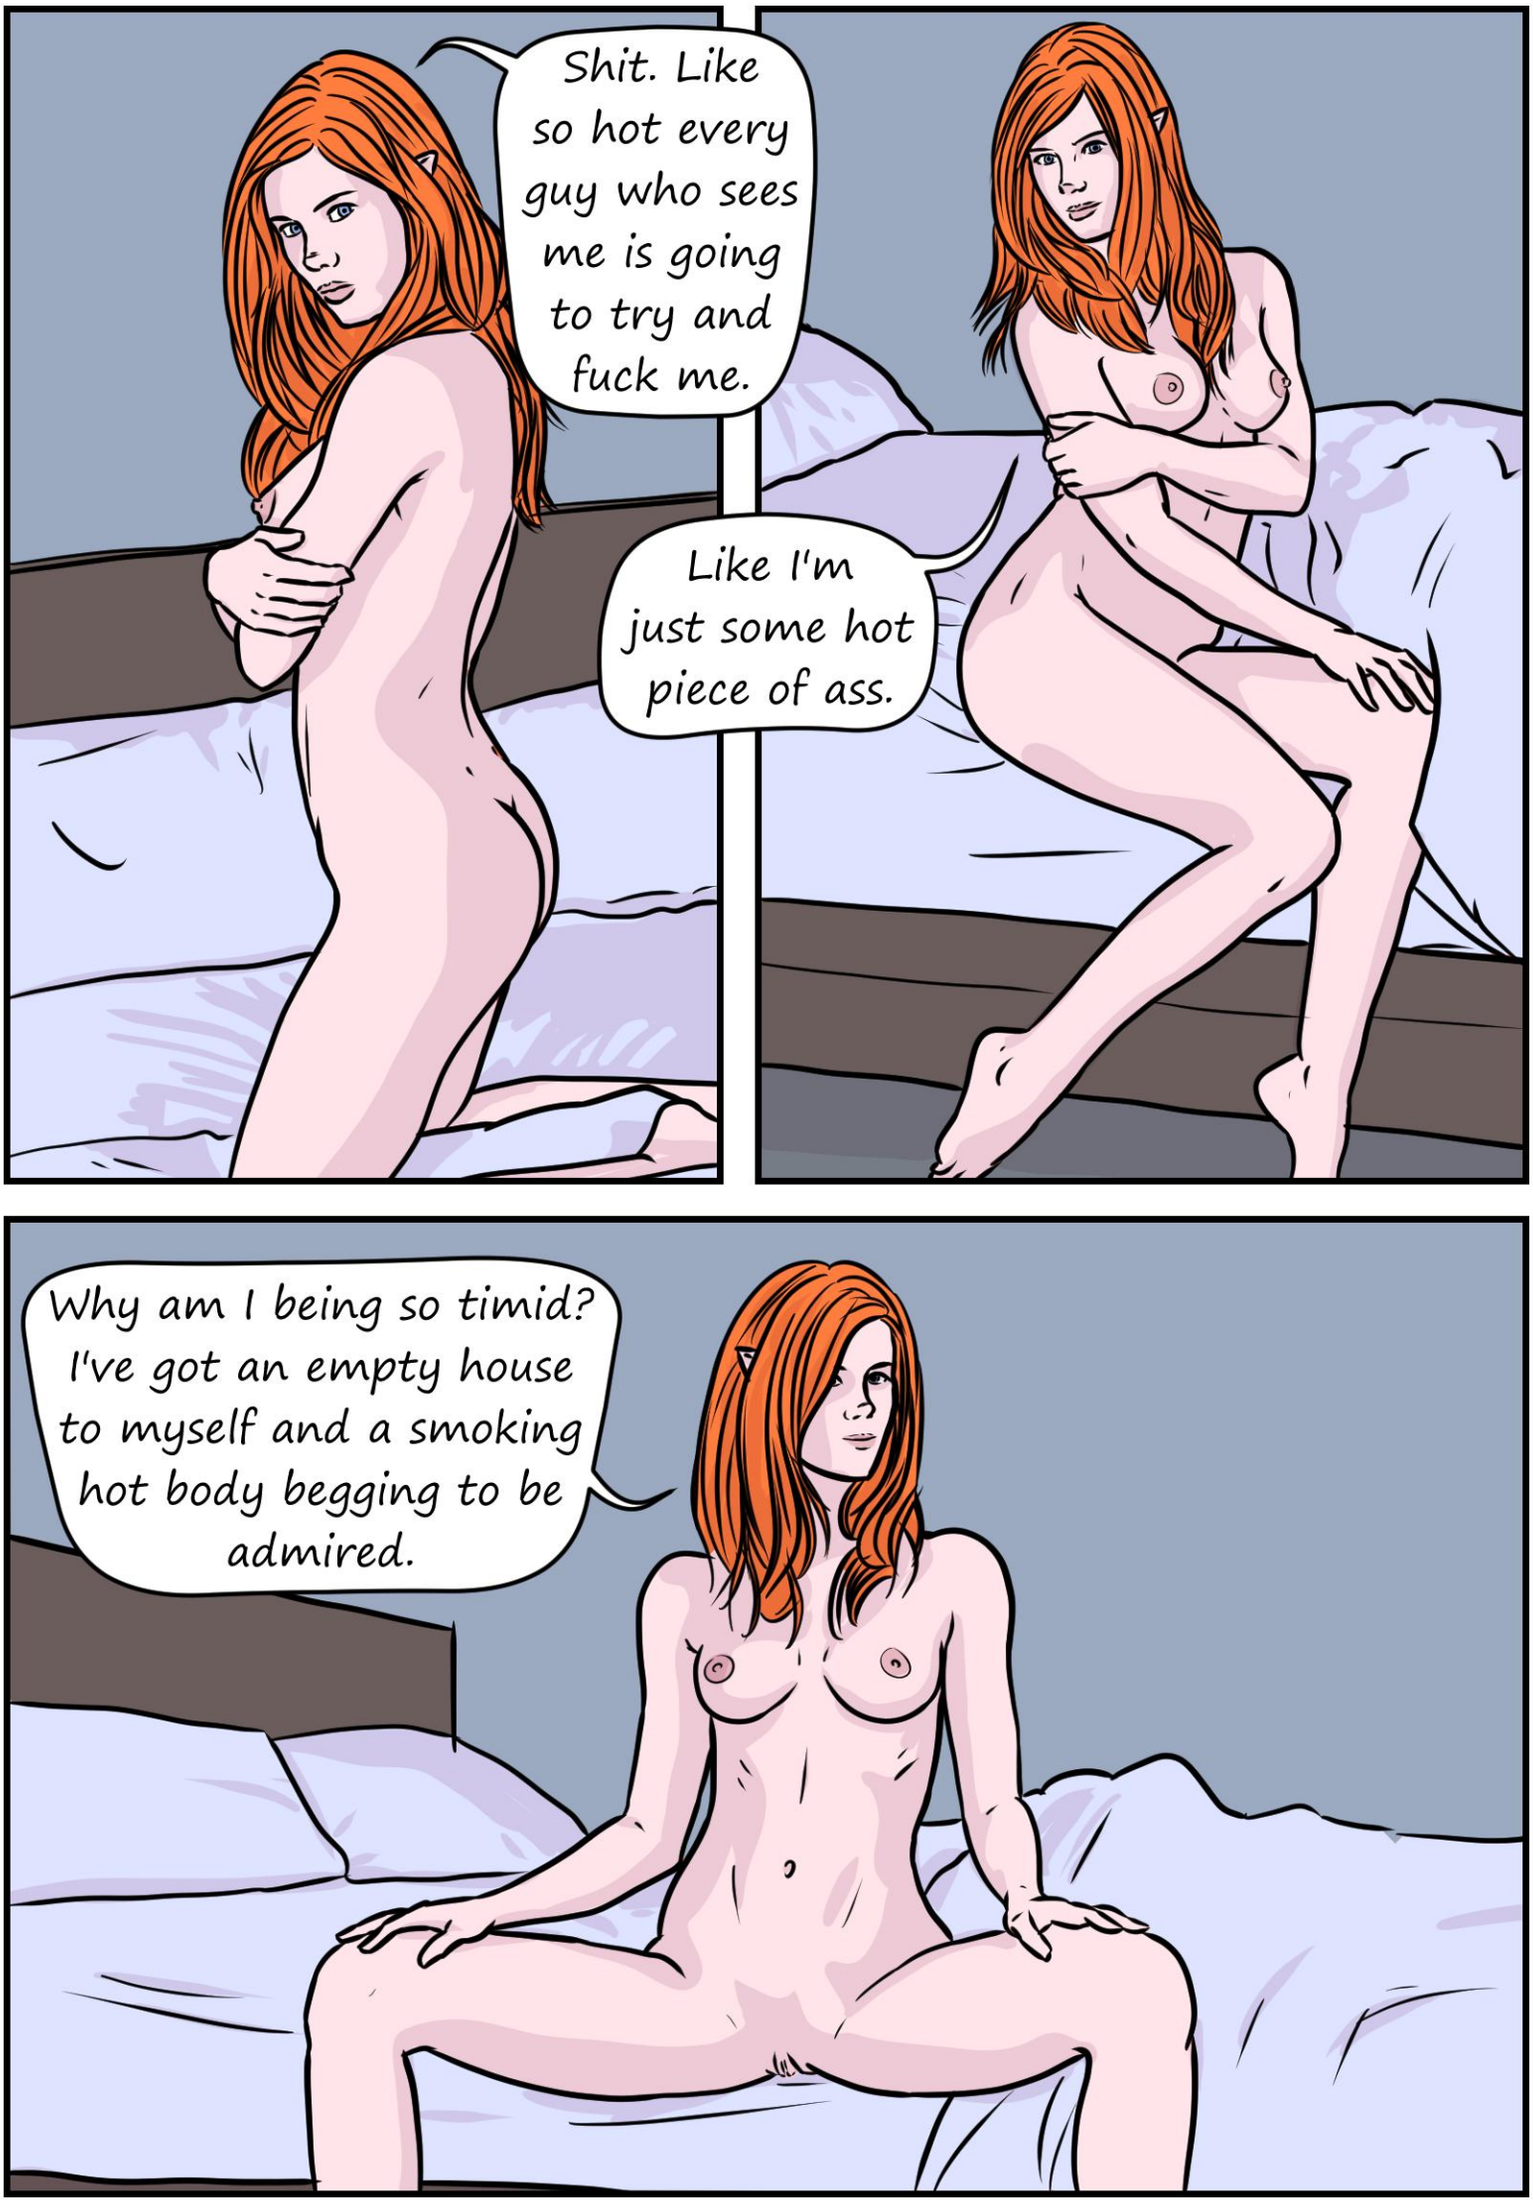

Speaking of cum, my dick is so uncomfortably hard right now.
That's your clit.
Sort of, -oh god!- feel both of them right now.
And it's about to -ah explode!
AH!
Or all of me is, holy shit!
AAH!
OH GOD YES!
That was way better than a blow job.
Should I change my name to Tammy?
Let's not get drastic.

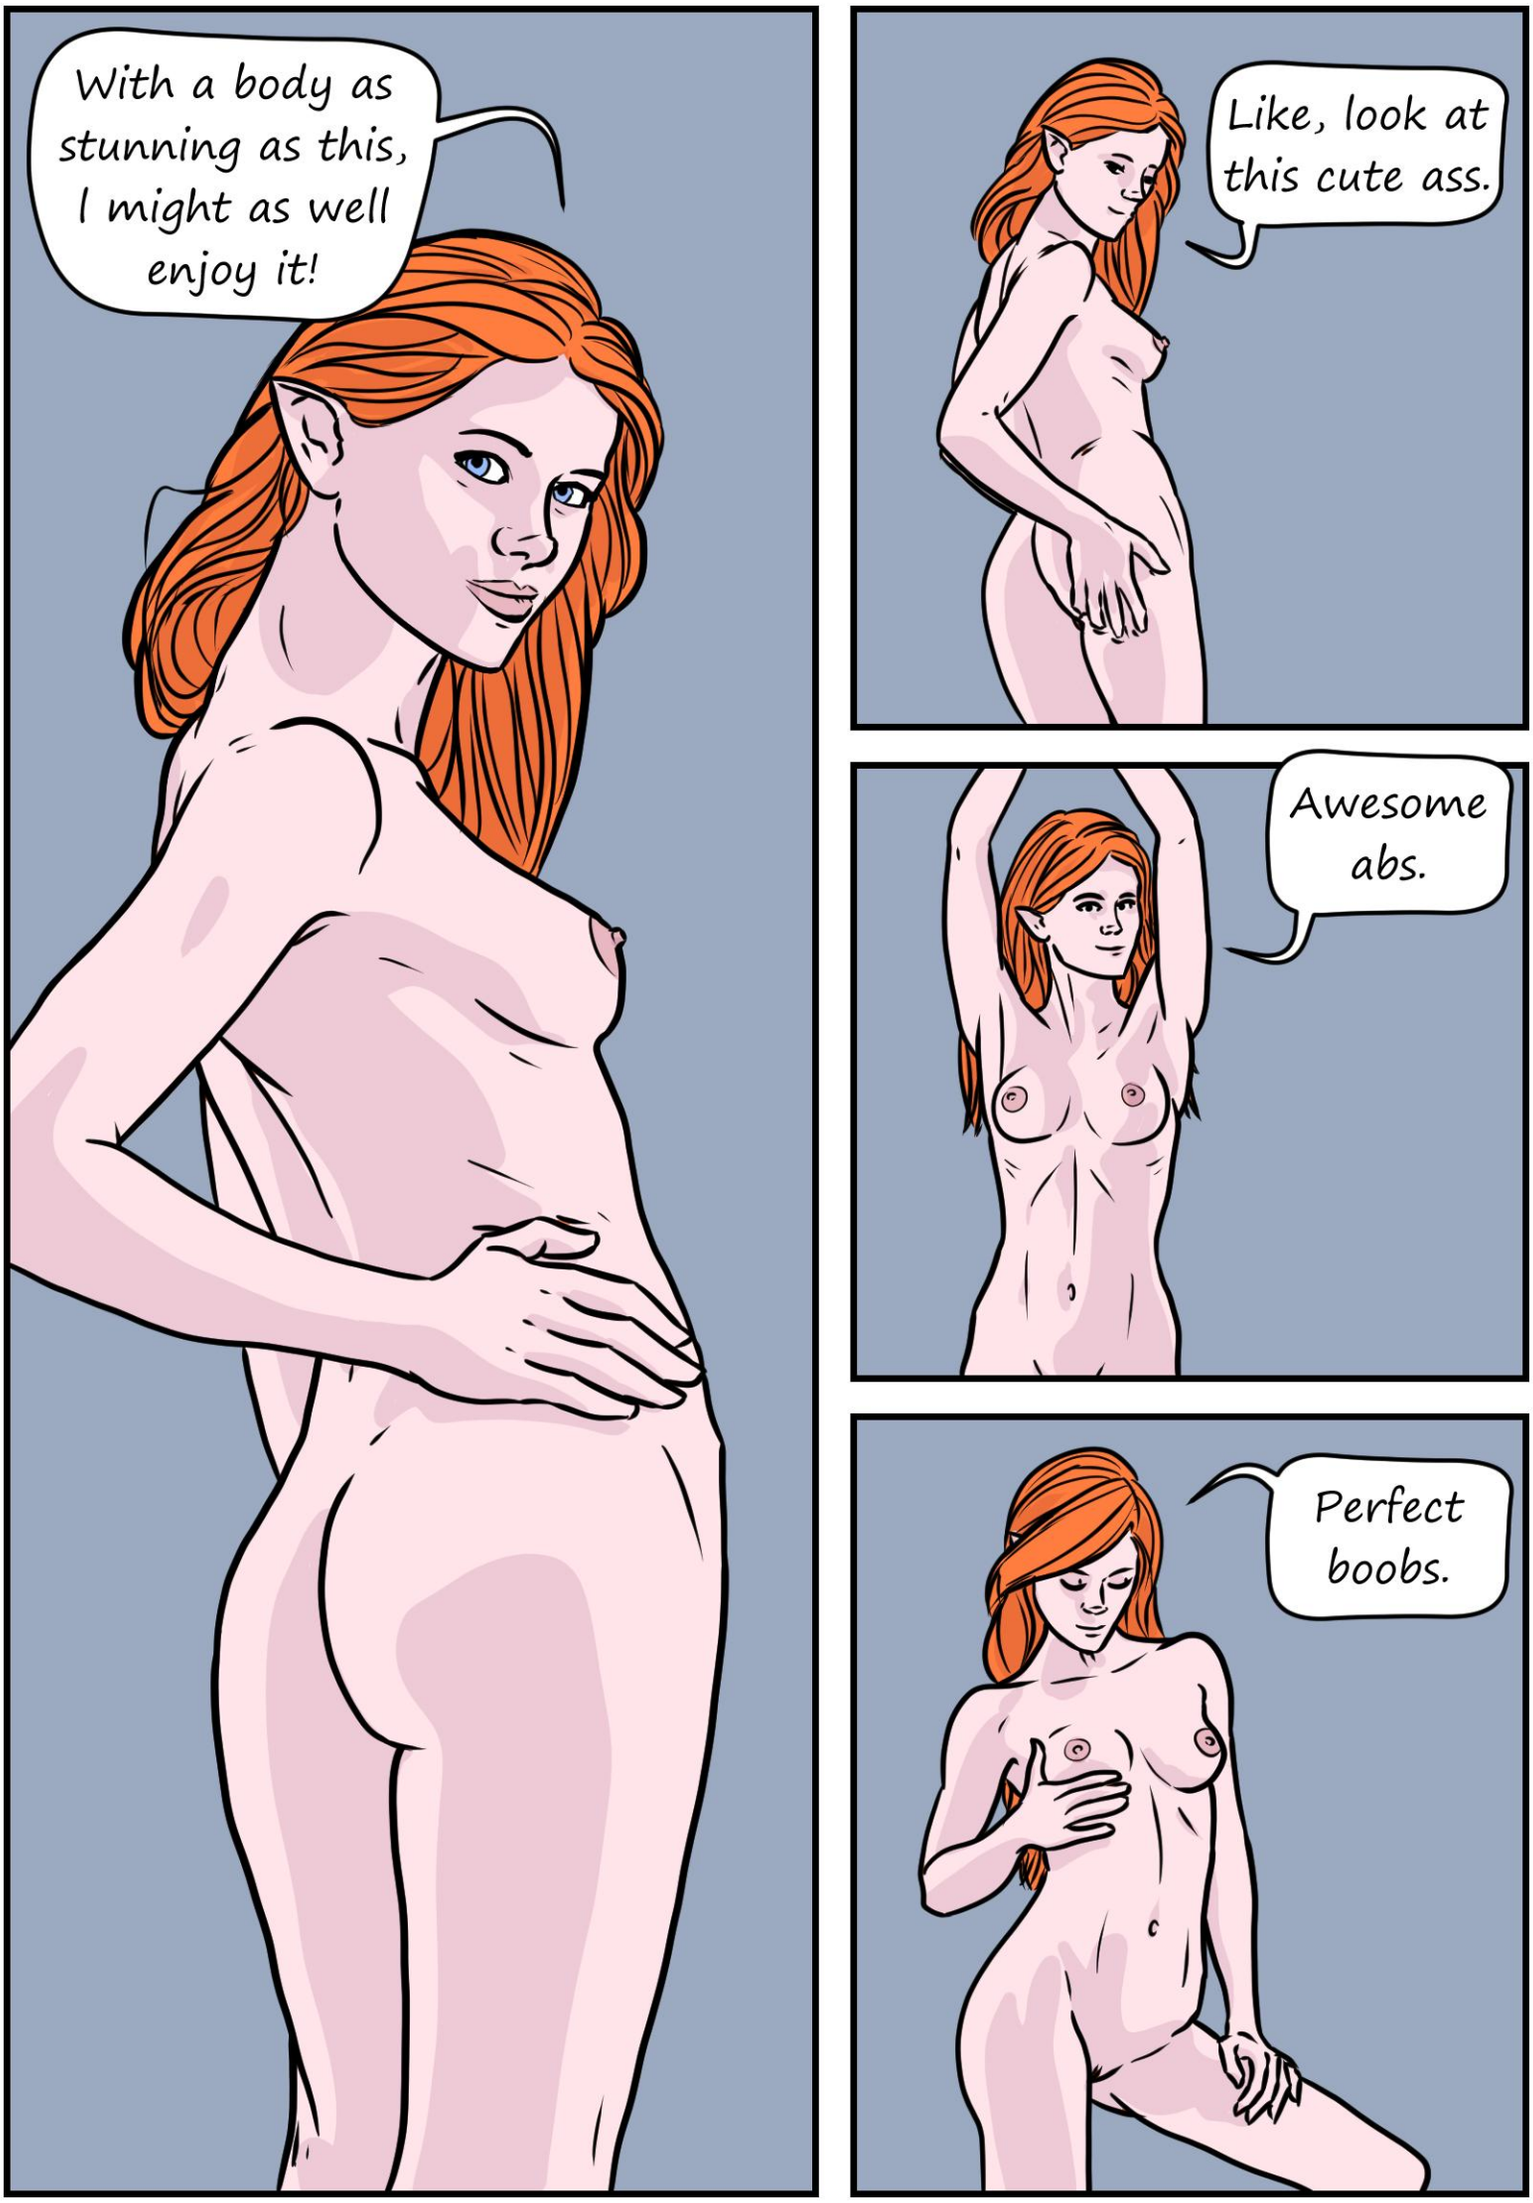

...I still need your rod for a good fuck.
Happy to do my duty. Shall I fuck you now?
Hey! Where are you going?
Just going to the bathroom, to flush this foul taste out my mouth.
What about my dick? Are you just going to leave me like this?
It'll grow back... eventually.
TO-BE-CONTINUED

The next morning...
Still asleep as usual.
He's going to be so pissed when he wakes up still like that.
But I'll deal with it after my run.

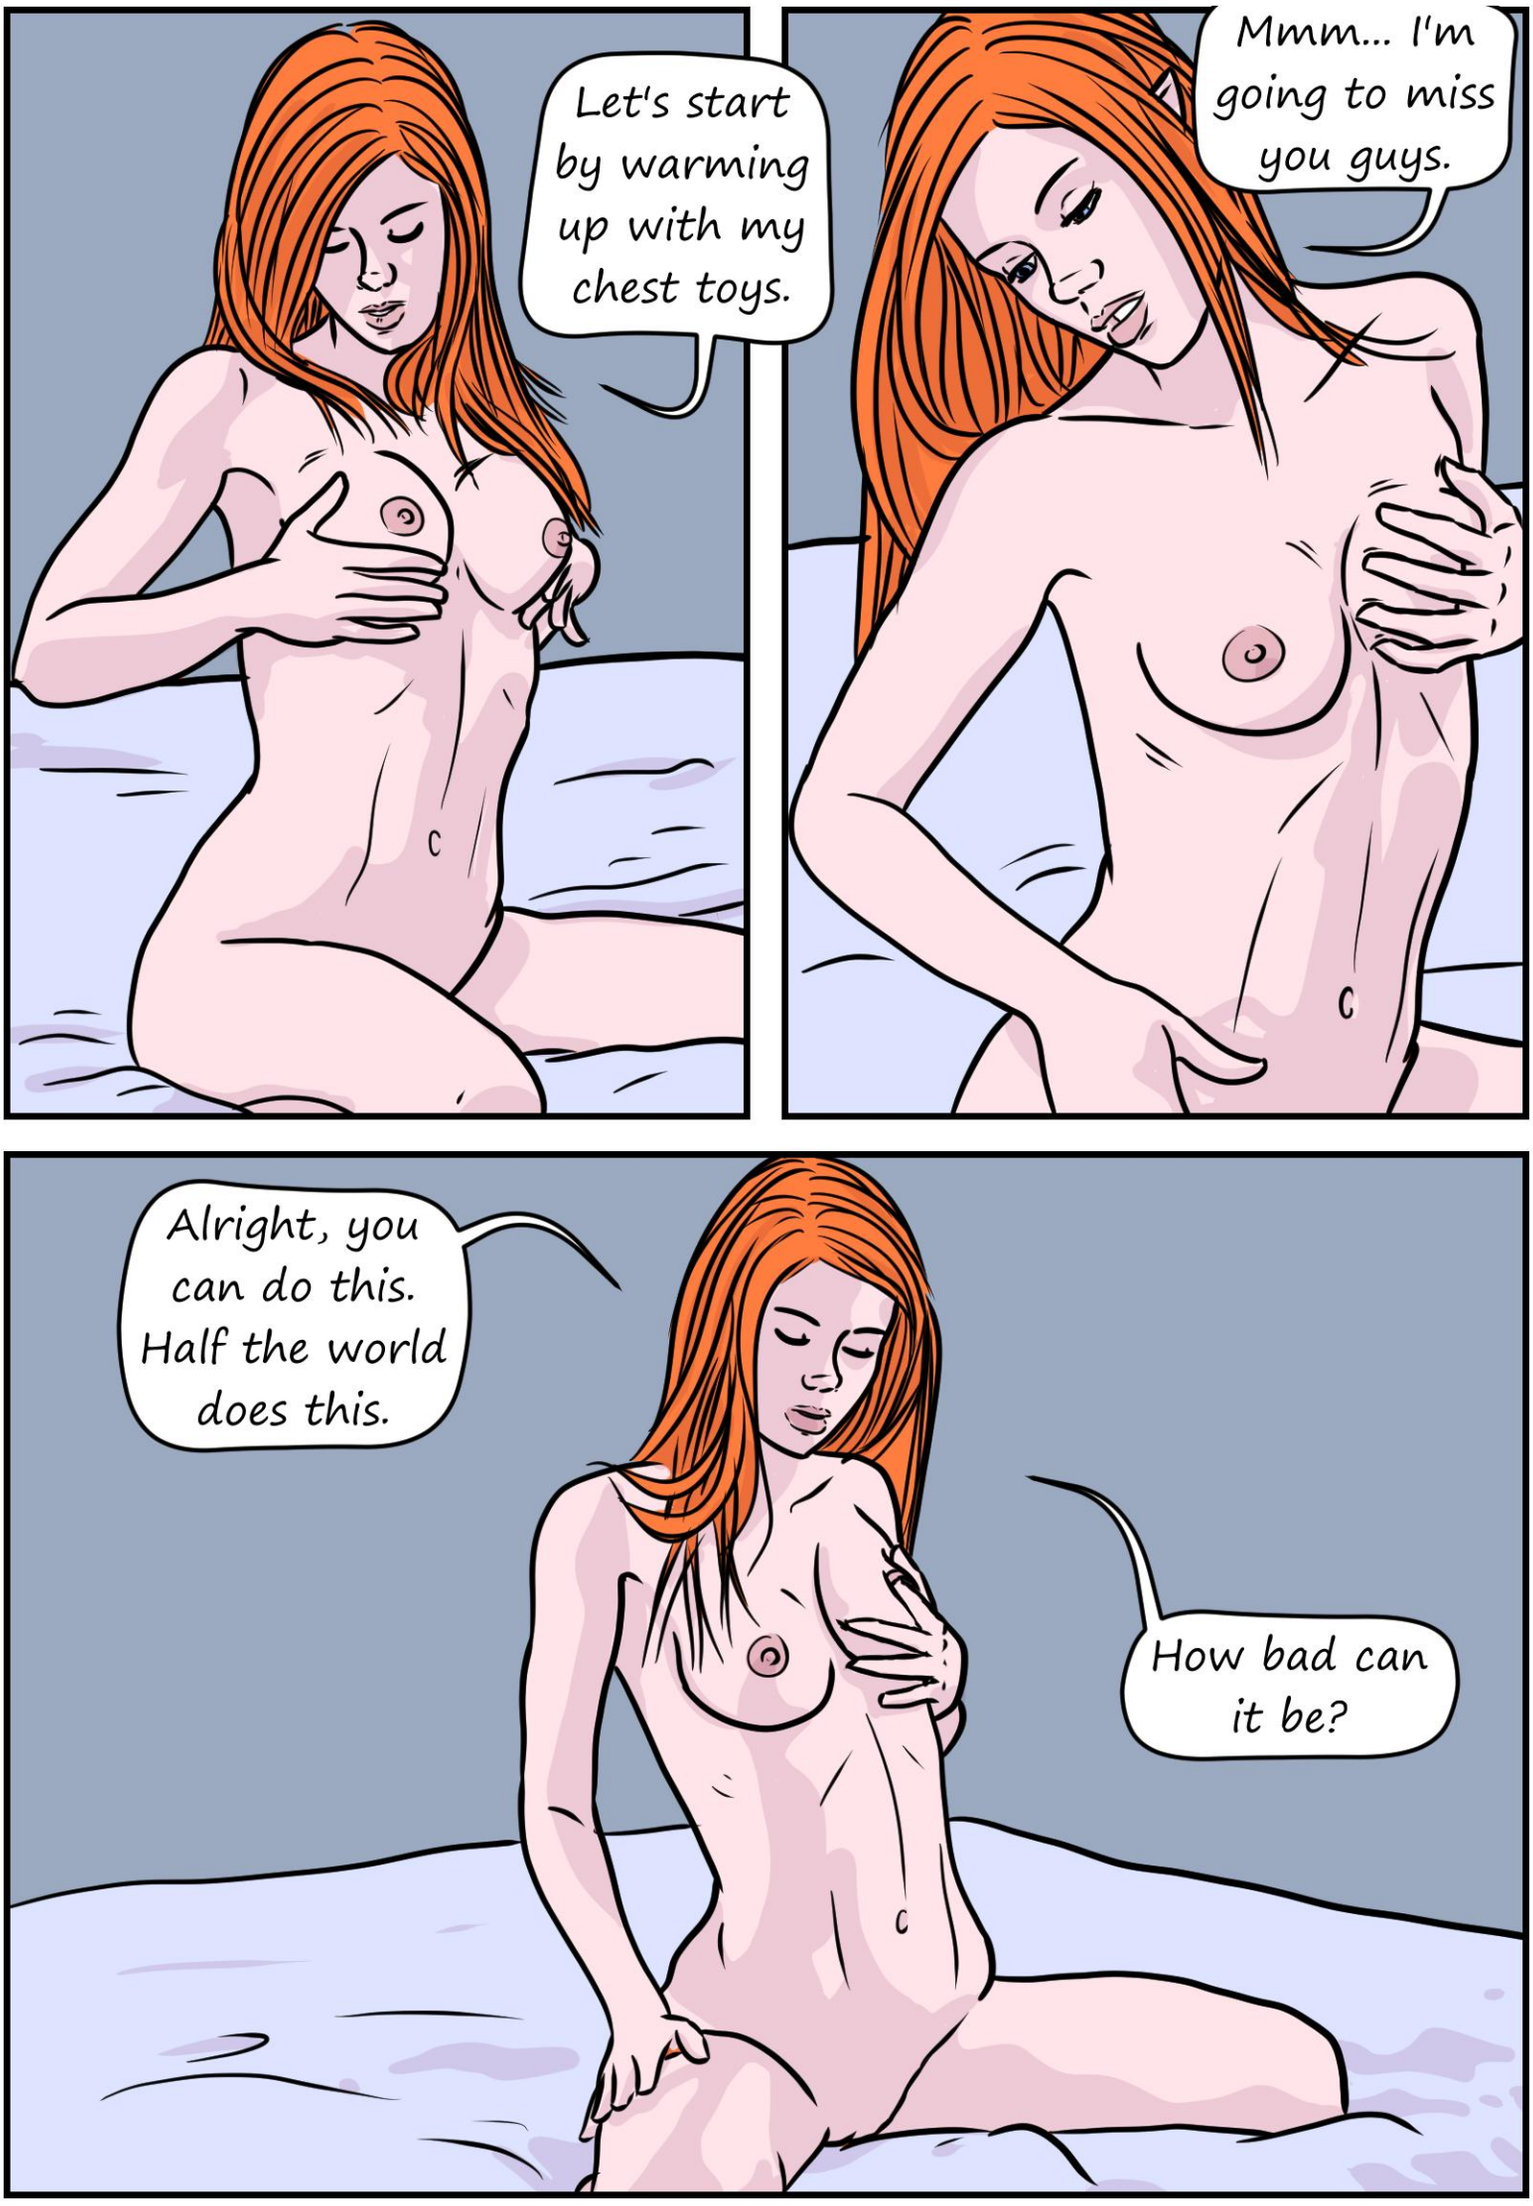

Julie?
Guess she went for her run.
Oh you have to got be fucking kidding me.

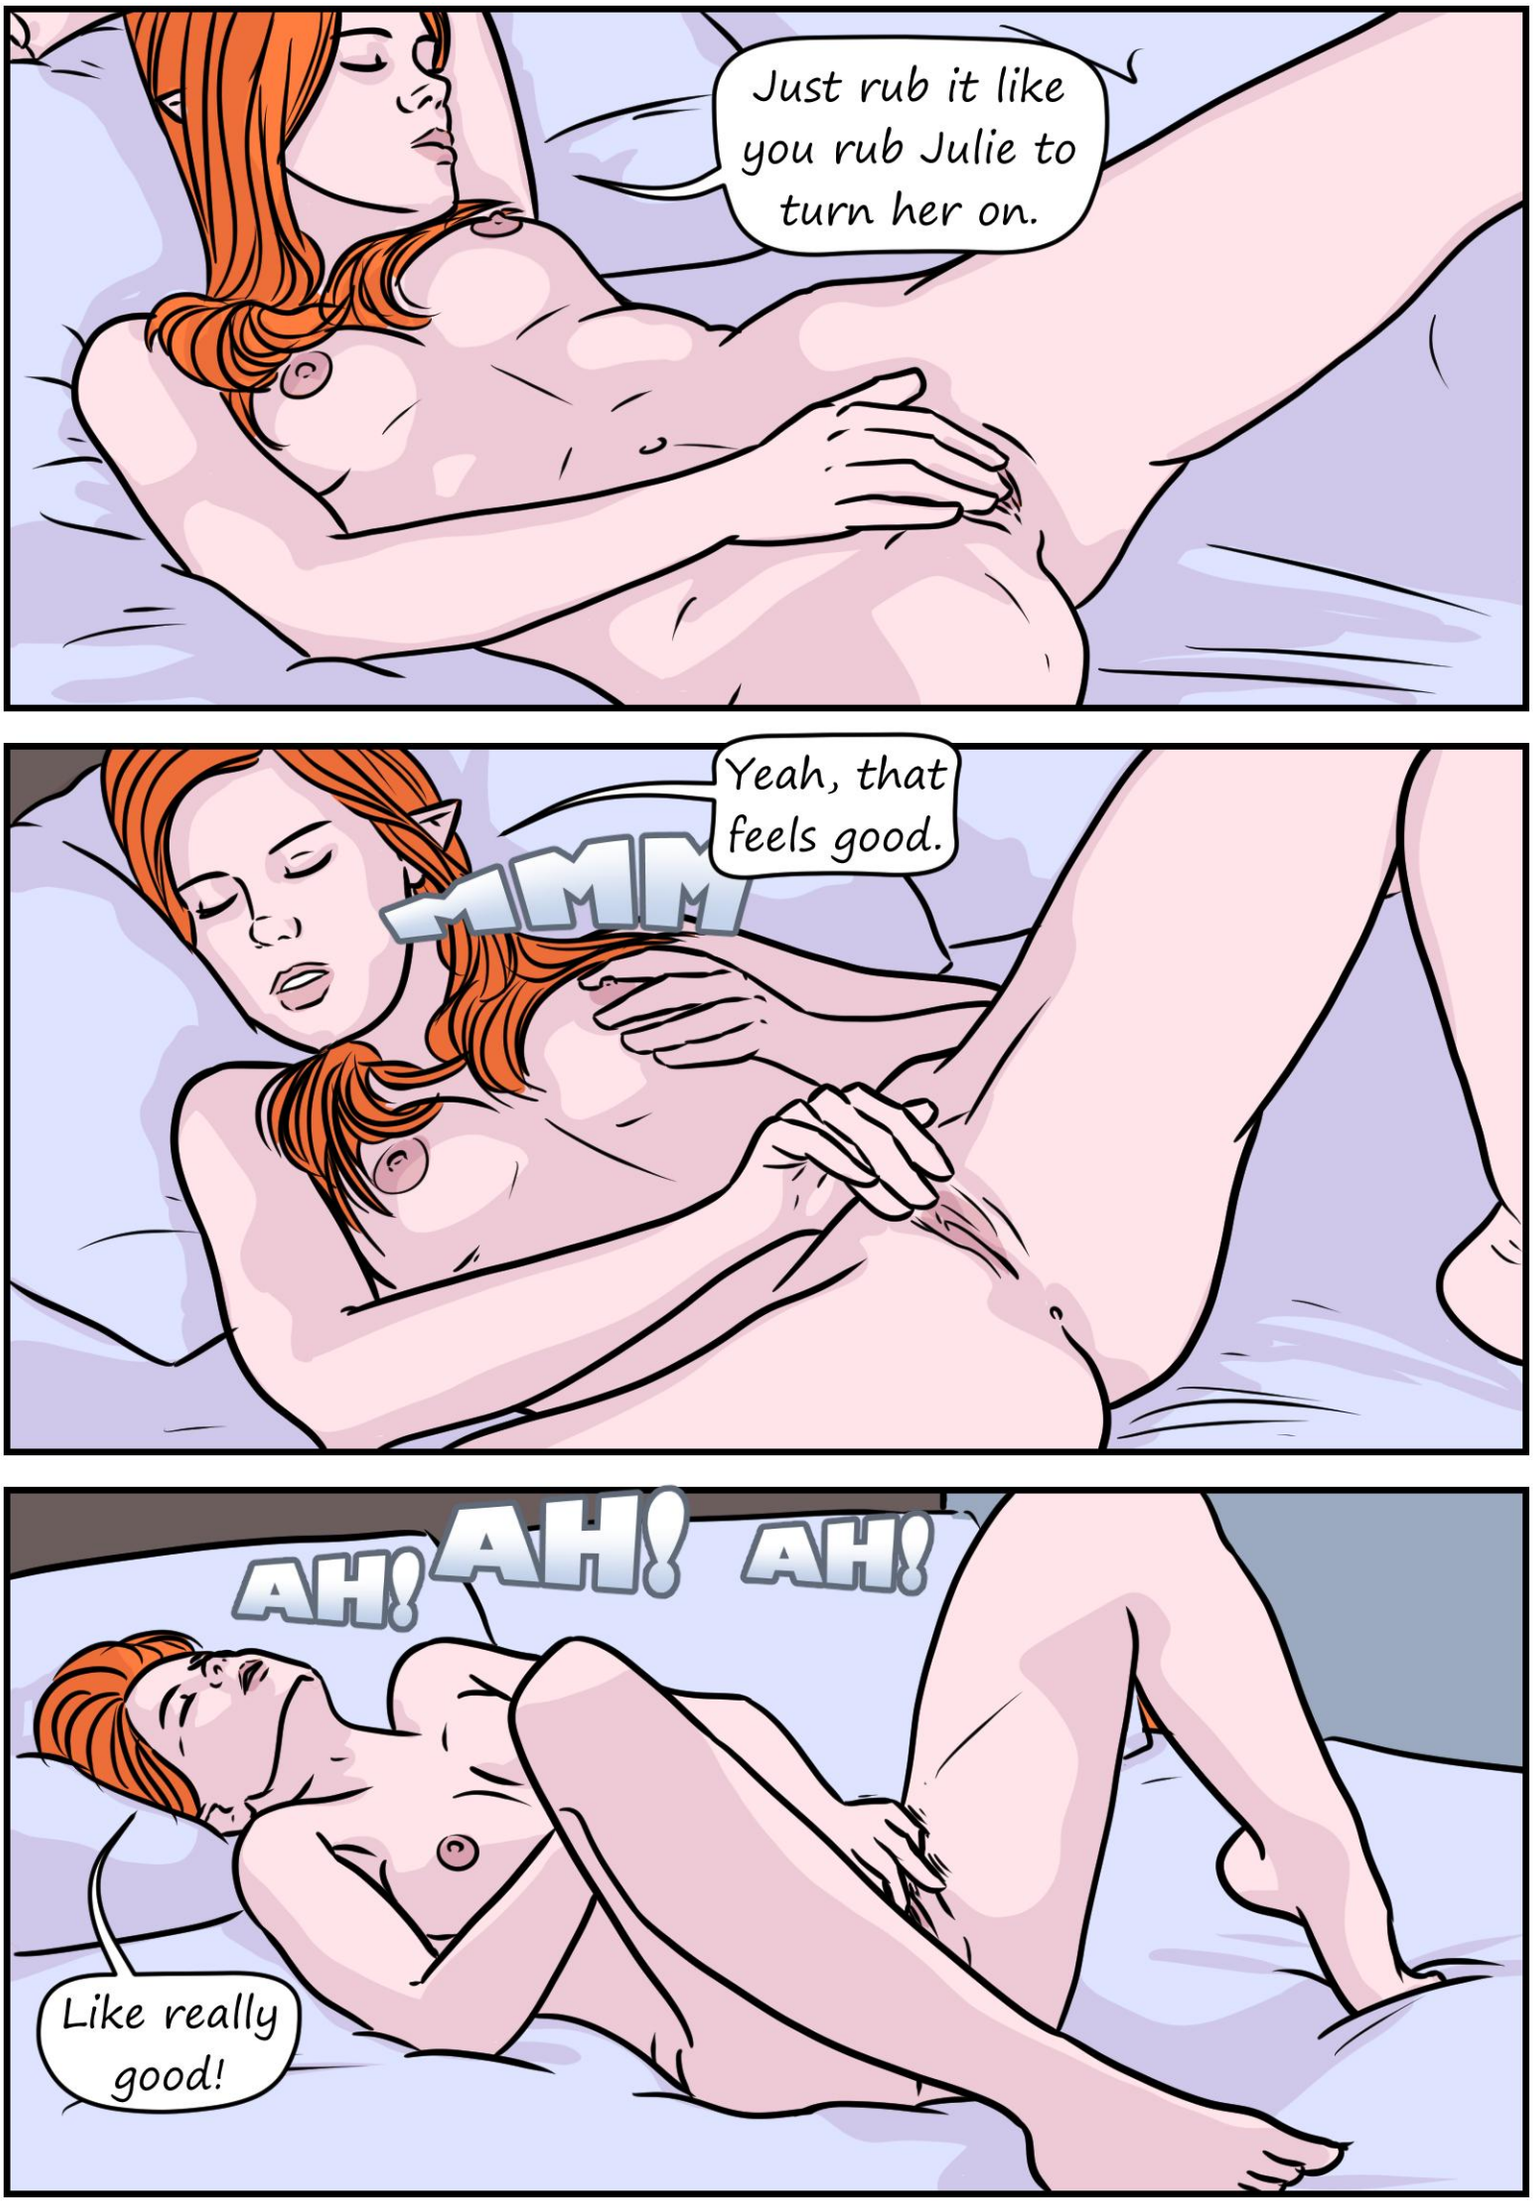

Grow back eventually, my ass.
On the plus side, I can still play with these guys.
Oh. Hello there...
Holy shit! She made me fucking hot!

Shit. Like so hot every guy who sees me is going to try and fuck me.
Like I'm just some hot piece of ass.
Why am I being so timid? I've got an empty house to myself and a smoking hot body begging to be admired.

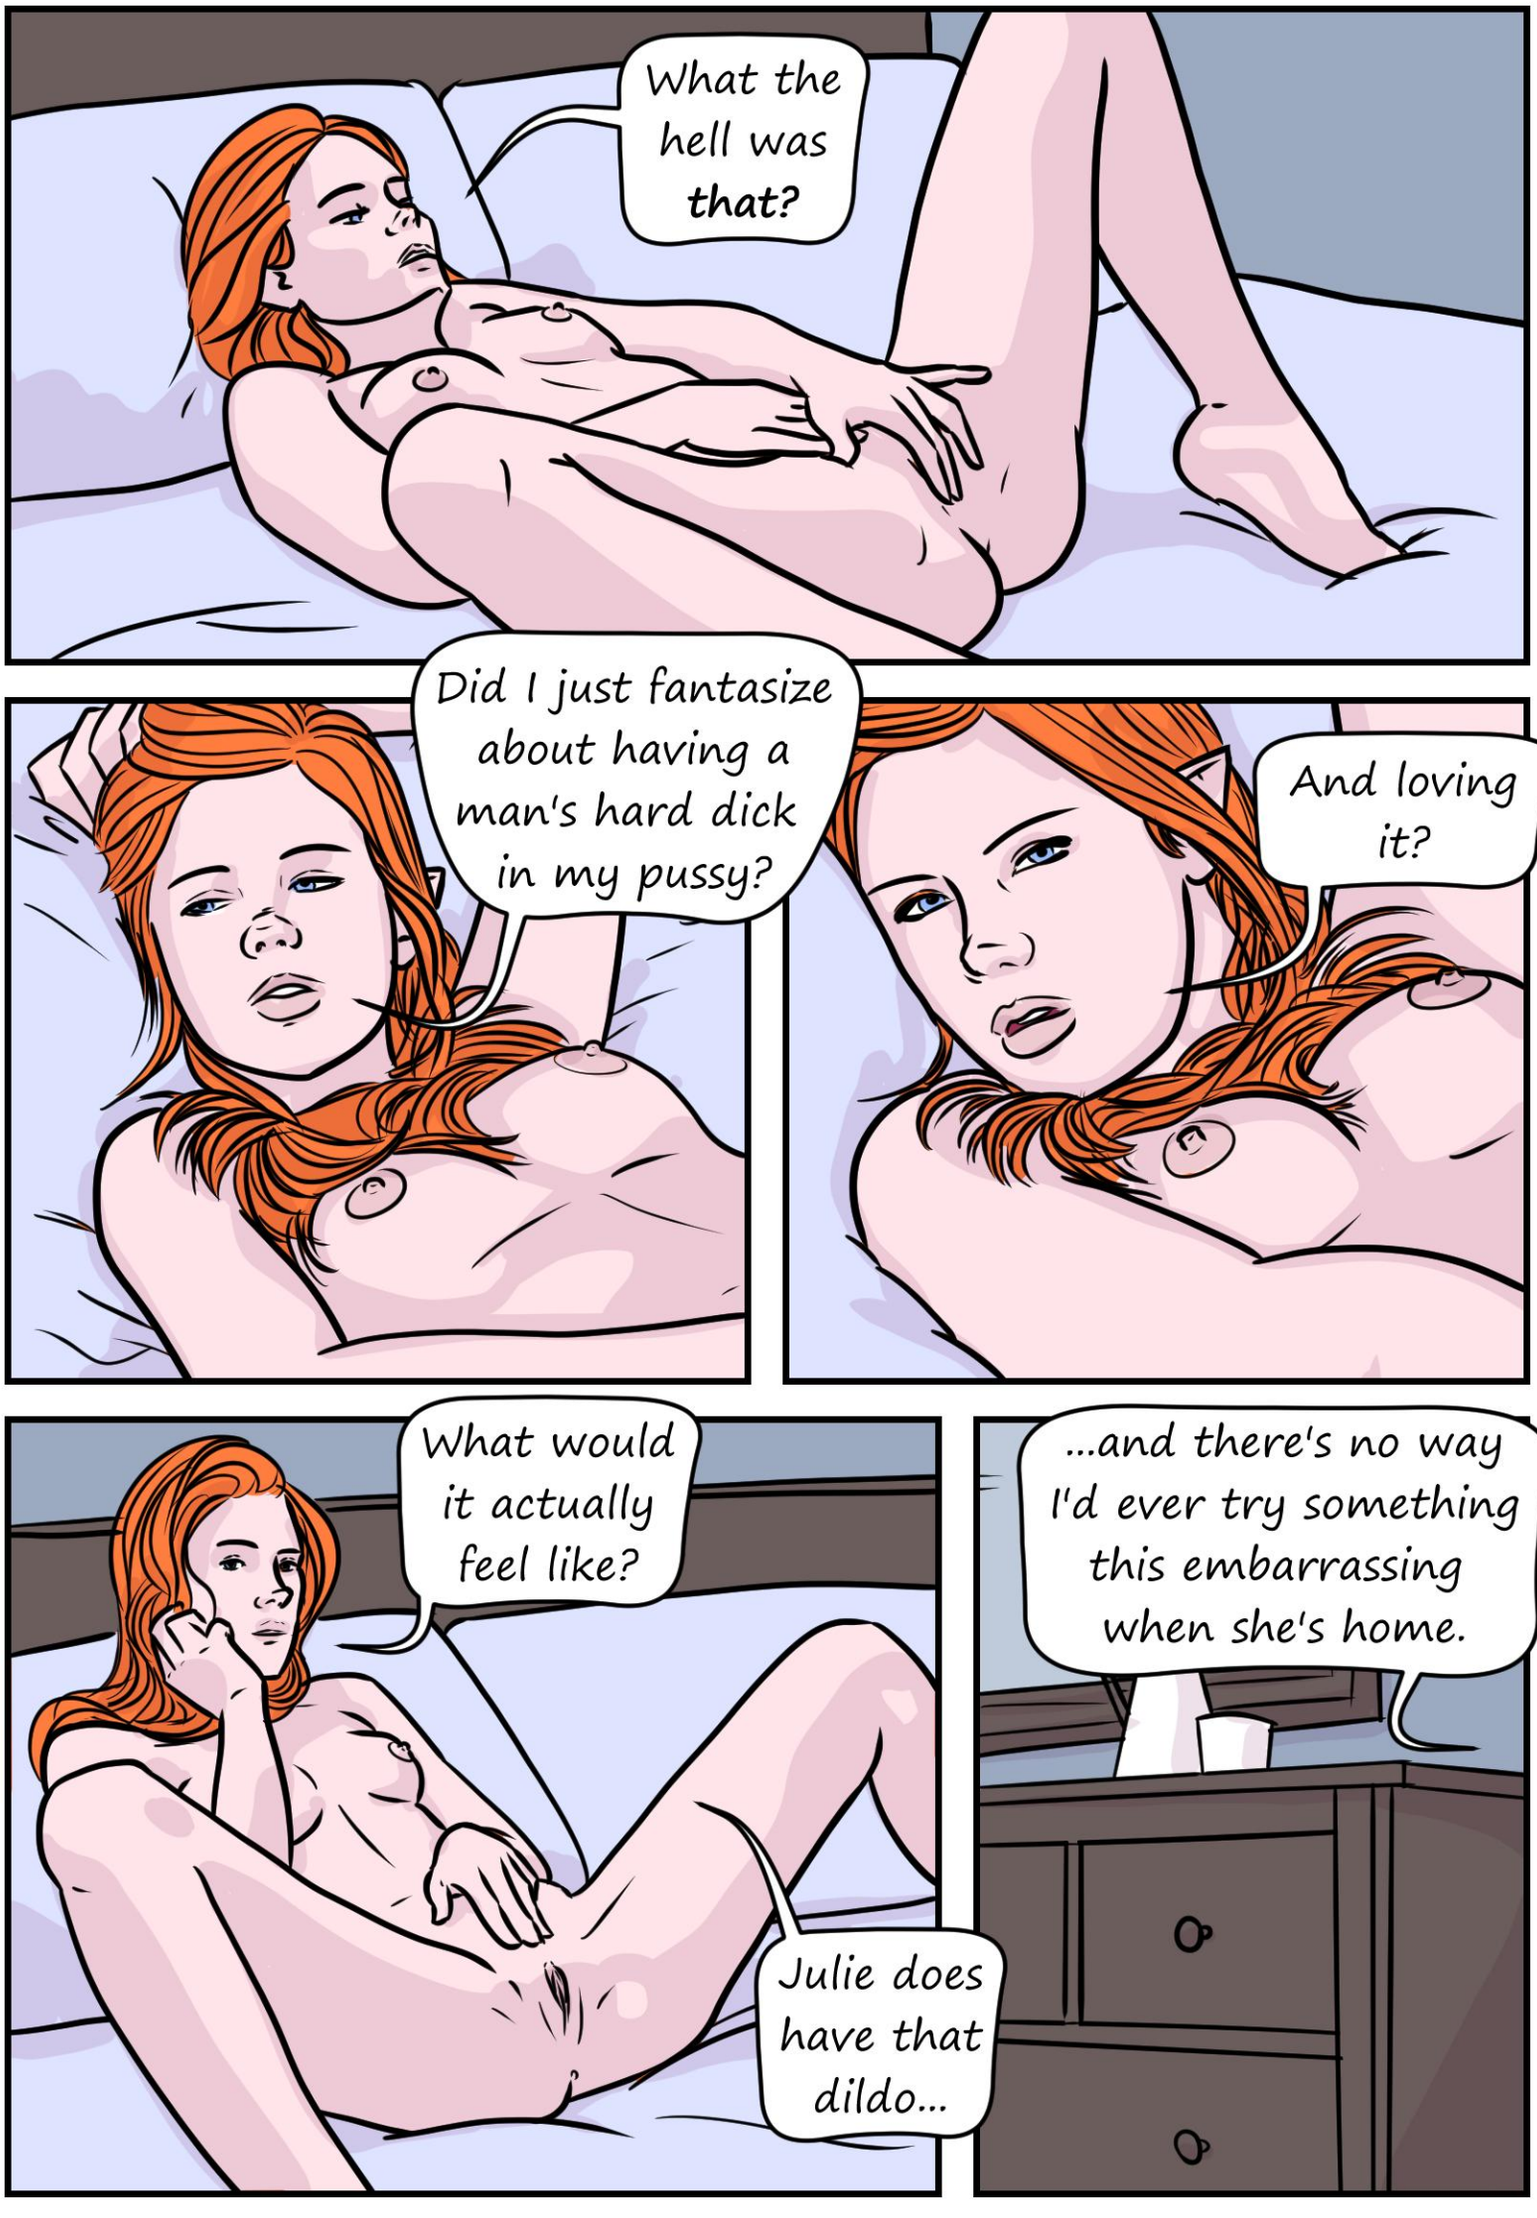

With a body as stunning as this, I might as well enjoy it!
Like, look at this cute ass.
Awesome abs.
Perfect boobs.

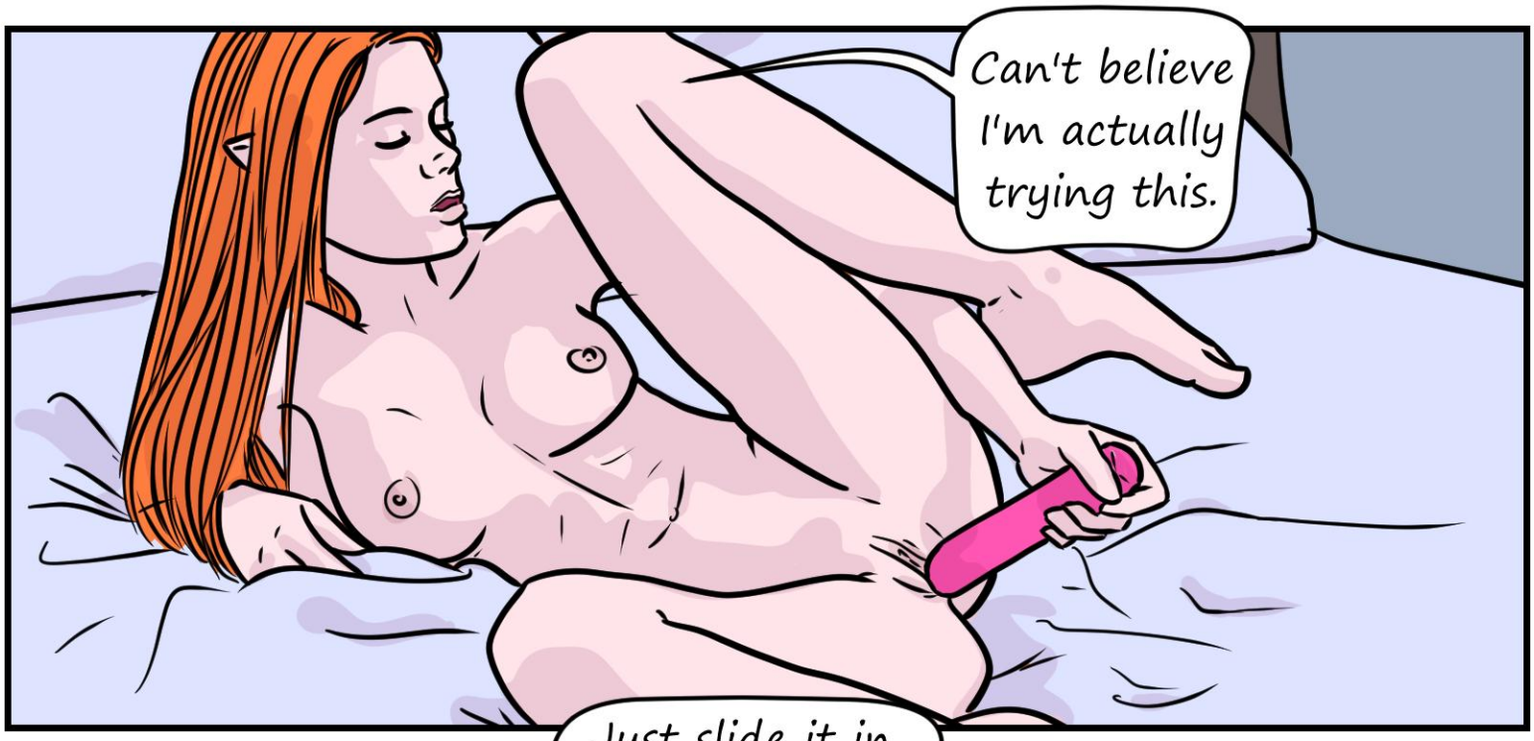

Shit, I'm so turned on my nipples hurt. I need my dick back now so I can jerk away this horniness.
Where did she put that trashy girl magazine?
That spell has got to be in here.

GIVE YOUR
Fuck me; it's a Tantric spell.
Don't know why I assumed it wouldn't use sexual energy as the power source, it is a sex change spell, after all.
But considering Julie's tongue last night, casting it might not be so bad...

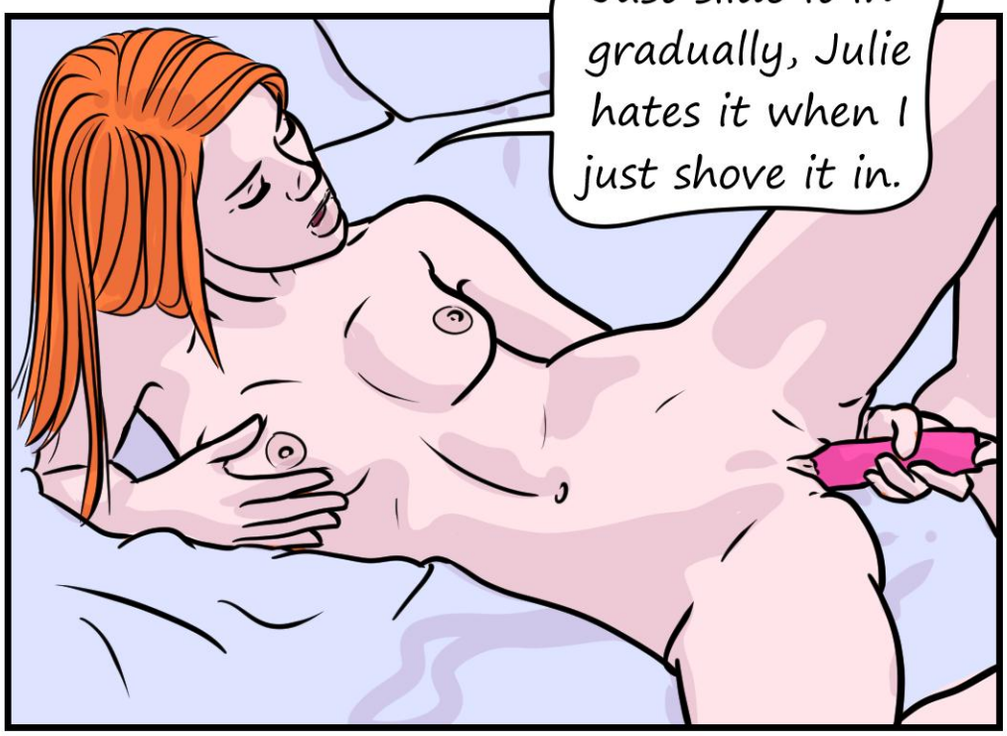

Let's start by warming up with my chest toys.
Mmm... I'm going to miss you guys.
Alright, you can do this. Half the world does this.
How bad can it be?

Just rub it like you rub Julie to turn her on.
Yeah, that feels good.
MMM
AH!
AH!
AH!
Like really good!

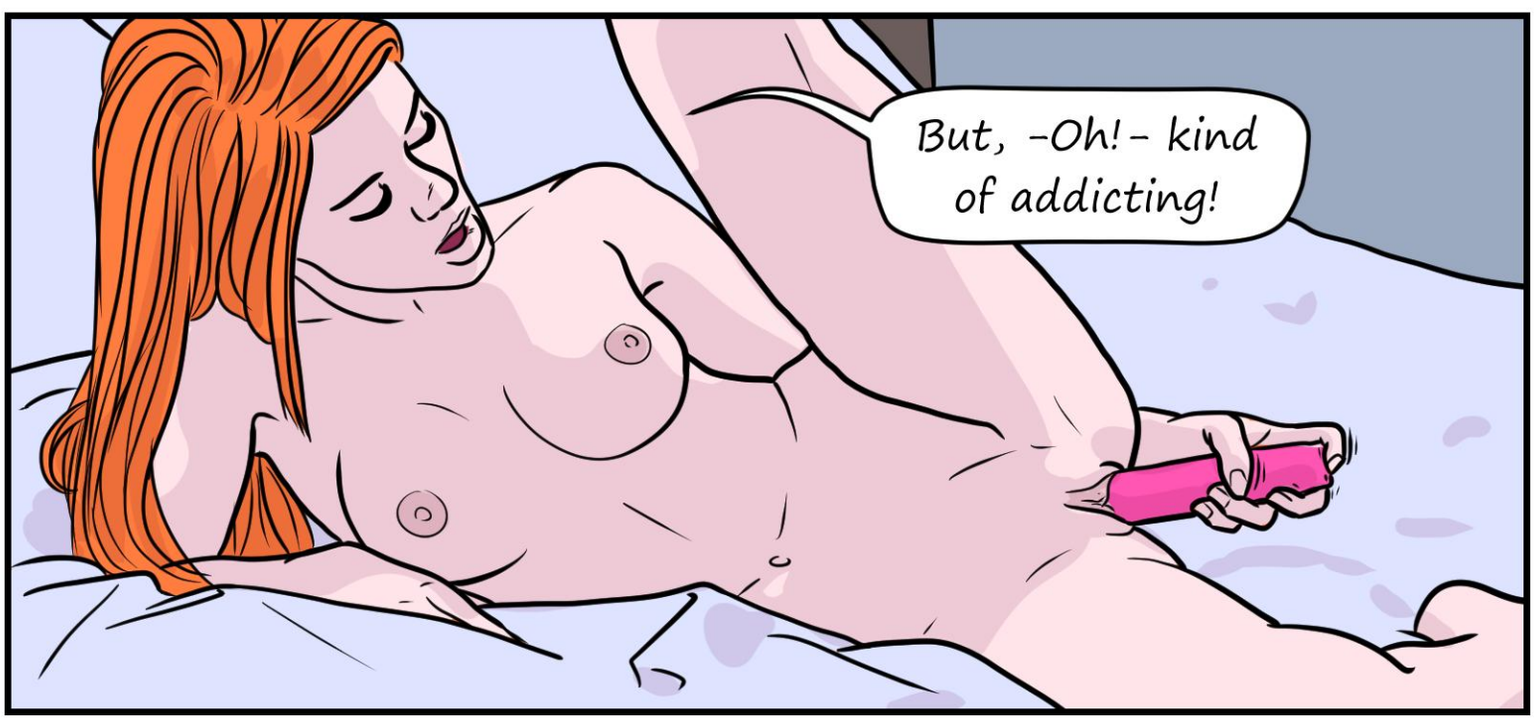

Imagining my male hands rubbing this pussy as if it belonged to someone else makes this less weird.
She'll spread her legs wide, ready to be filled.
Only to be gently teased at the entrance...
AH! AH!
...Before he pounds my pussy like a jackhammer!
THUMP THUMP THUMP THUMP THUMP THUMP THUMP

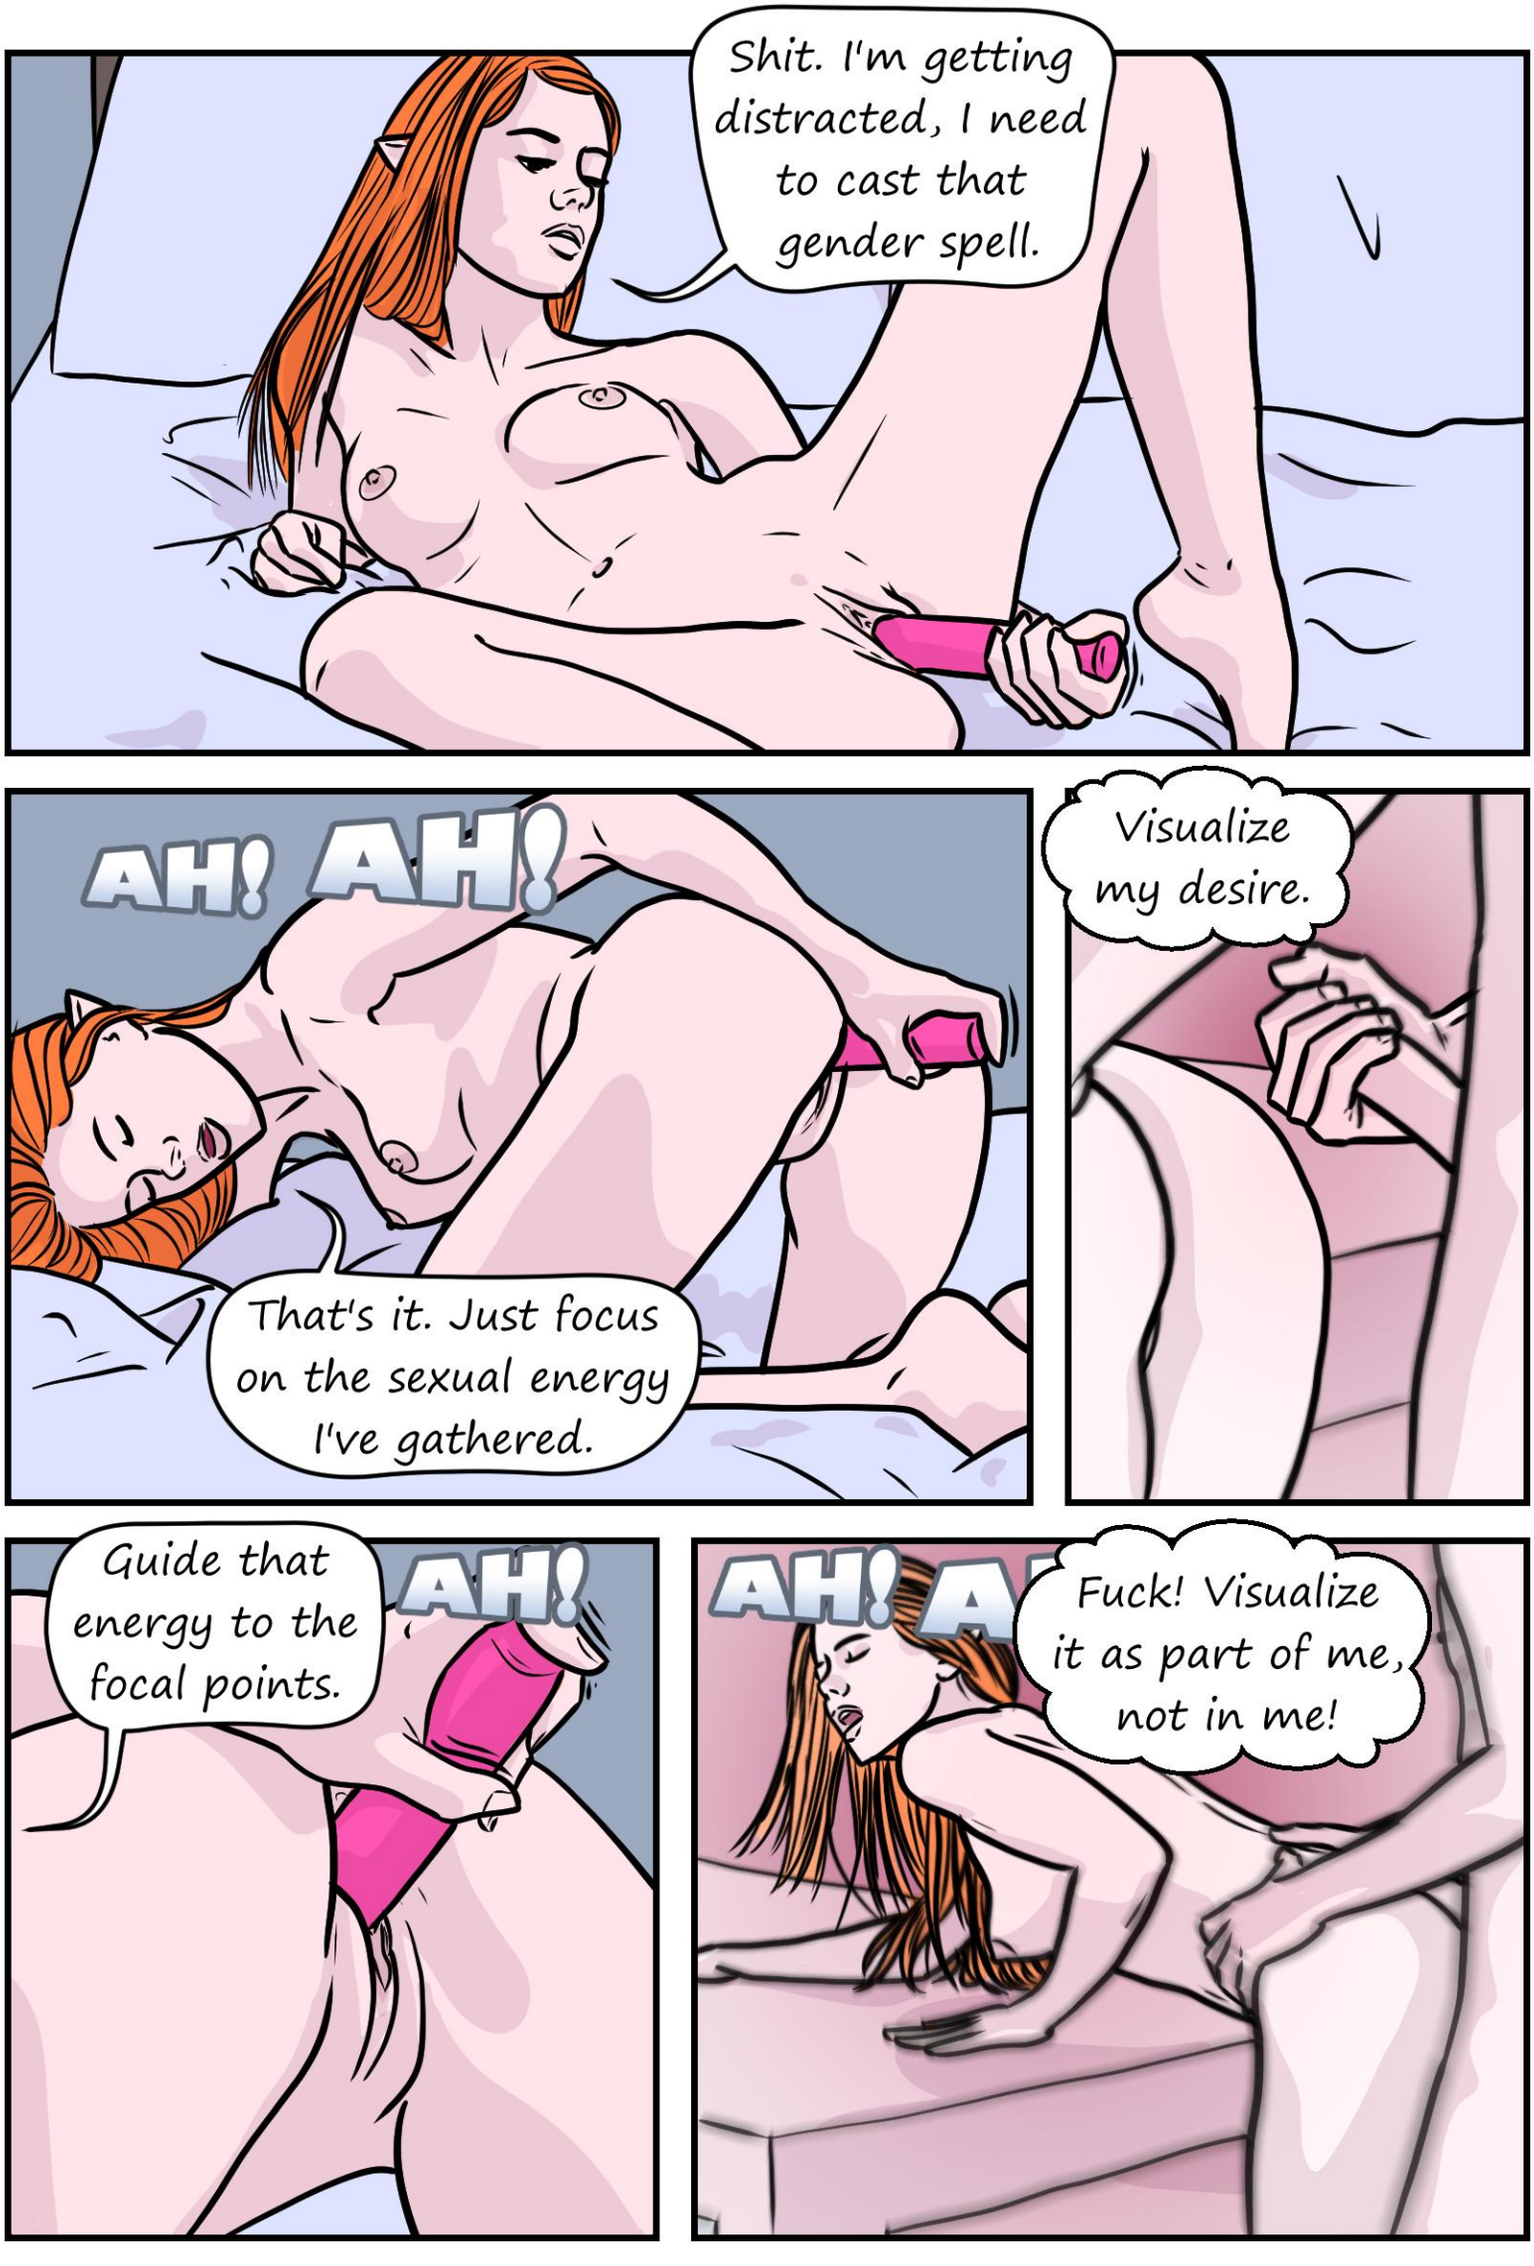

What the hell was **that?**
Did I just fantasize about having a man's hard dick in my pussy?
And loving it?
What would it actually feel like?
Julie does have that dildo...
...and there's no way I'd ever try something this embarrassing when she's home.

Can't believe I'm actually trying this.

Just slide it in gradually, Julie hates it when I just shove it in.

This feels so weird.

But, -Oh!- kind of addicting!

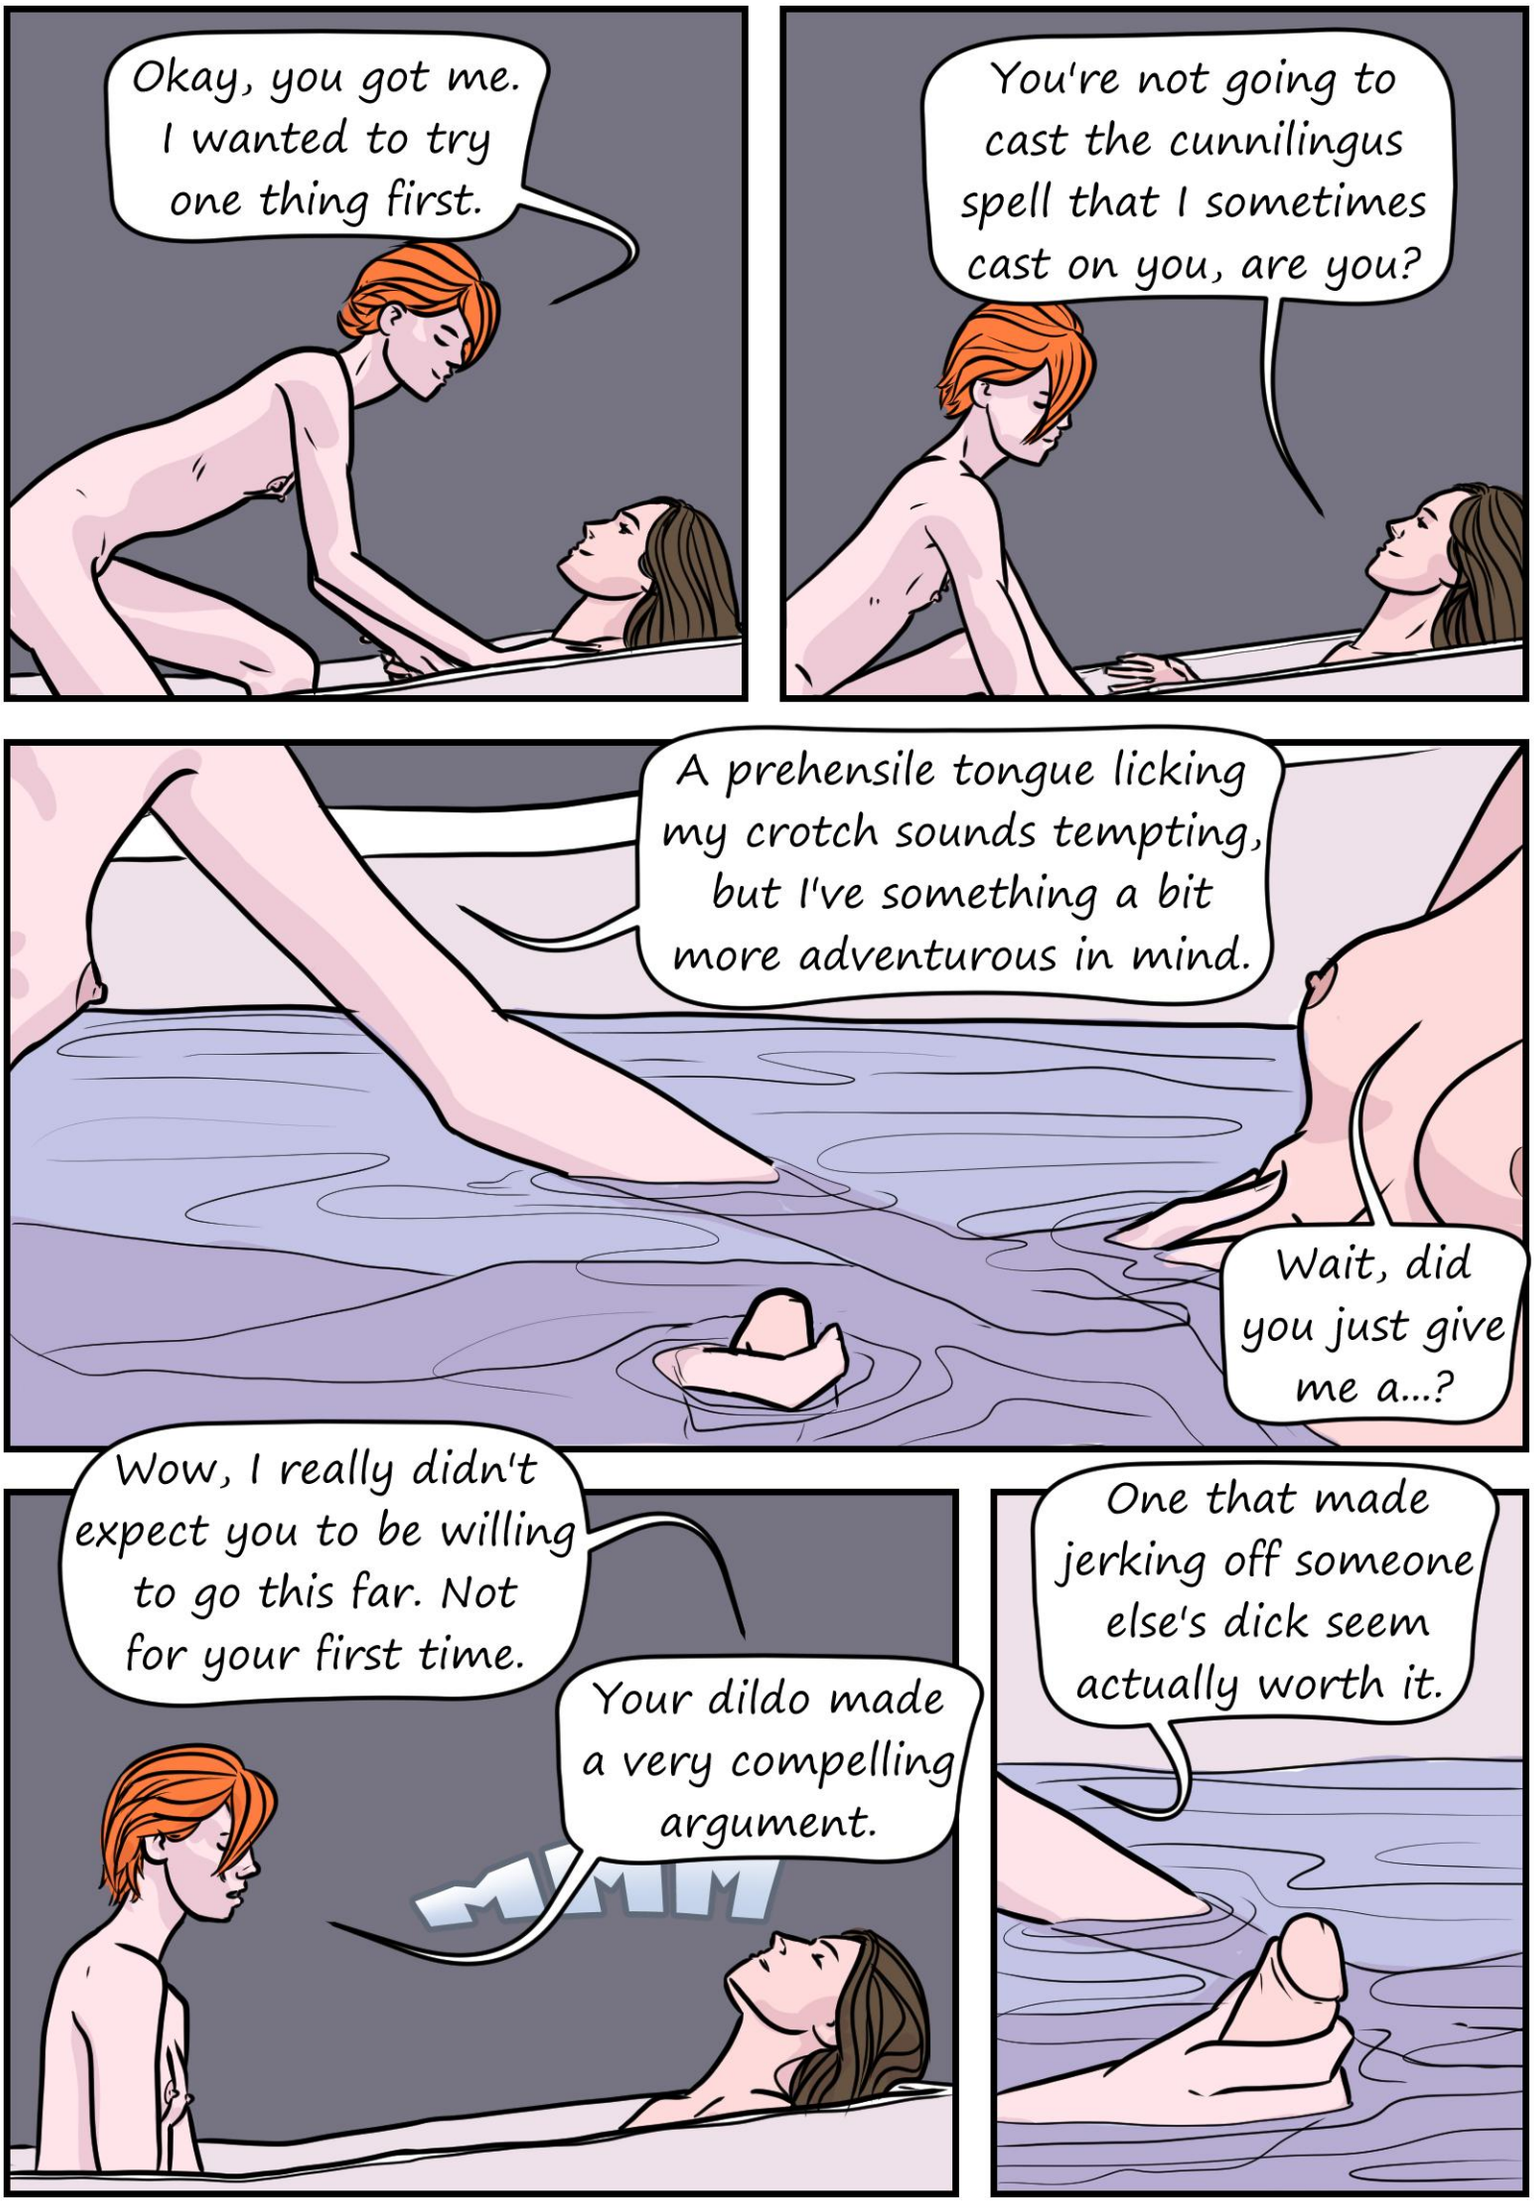

Shit. I'm getting distracted, I need to cast that gender spell.
AH! AH!
That's it. Just focus on the sexual energy I've gathered.
Visualize my desire.
Guide that energy to the focal points.
AH!
AH! A
Fuck! Visualize it as part of me, not in me!

Shit! I fucked it up. The transformation isn't going to go far enough!
At the rate it's slowing, I'm going to end up totally androgynous... and still dickless!
With a spell glitch this bad, I'd be an idiot not to eat my pride and ask Julie for help. She'll know how to fix this mess she got me in!
Except, if fate's stuck me with this pussy for now, maybe there's one more thing worth trying before undoing it.
But I'll need to deconstruct that spell formula to do it.

A half-hour later...
How was your run?
It was good. You're not mad, are you?
Just a little, but I had some fun of my own.
Except, I messed things up just a bit.
Oh my god, you turned yourself into a pretty boy!
Accidentally.
Who cares when you look this hot!

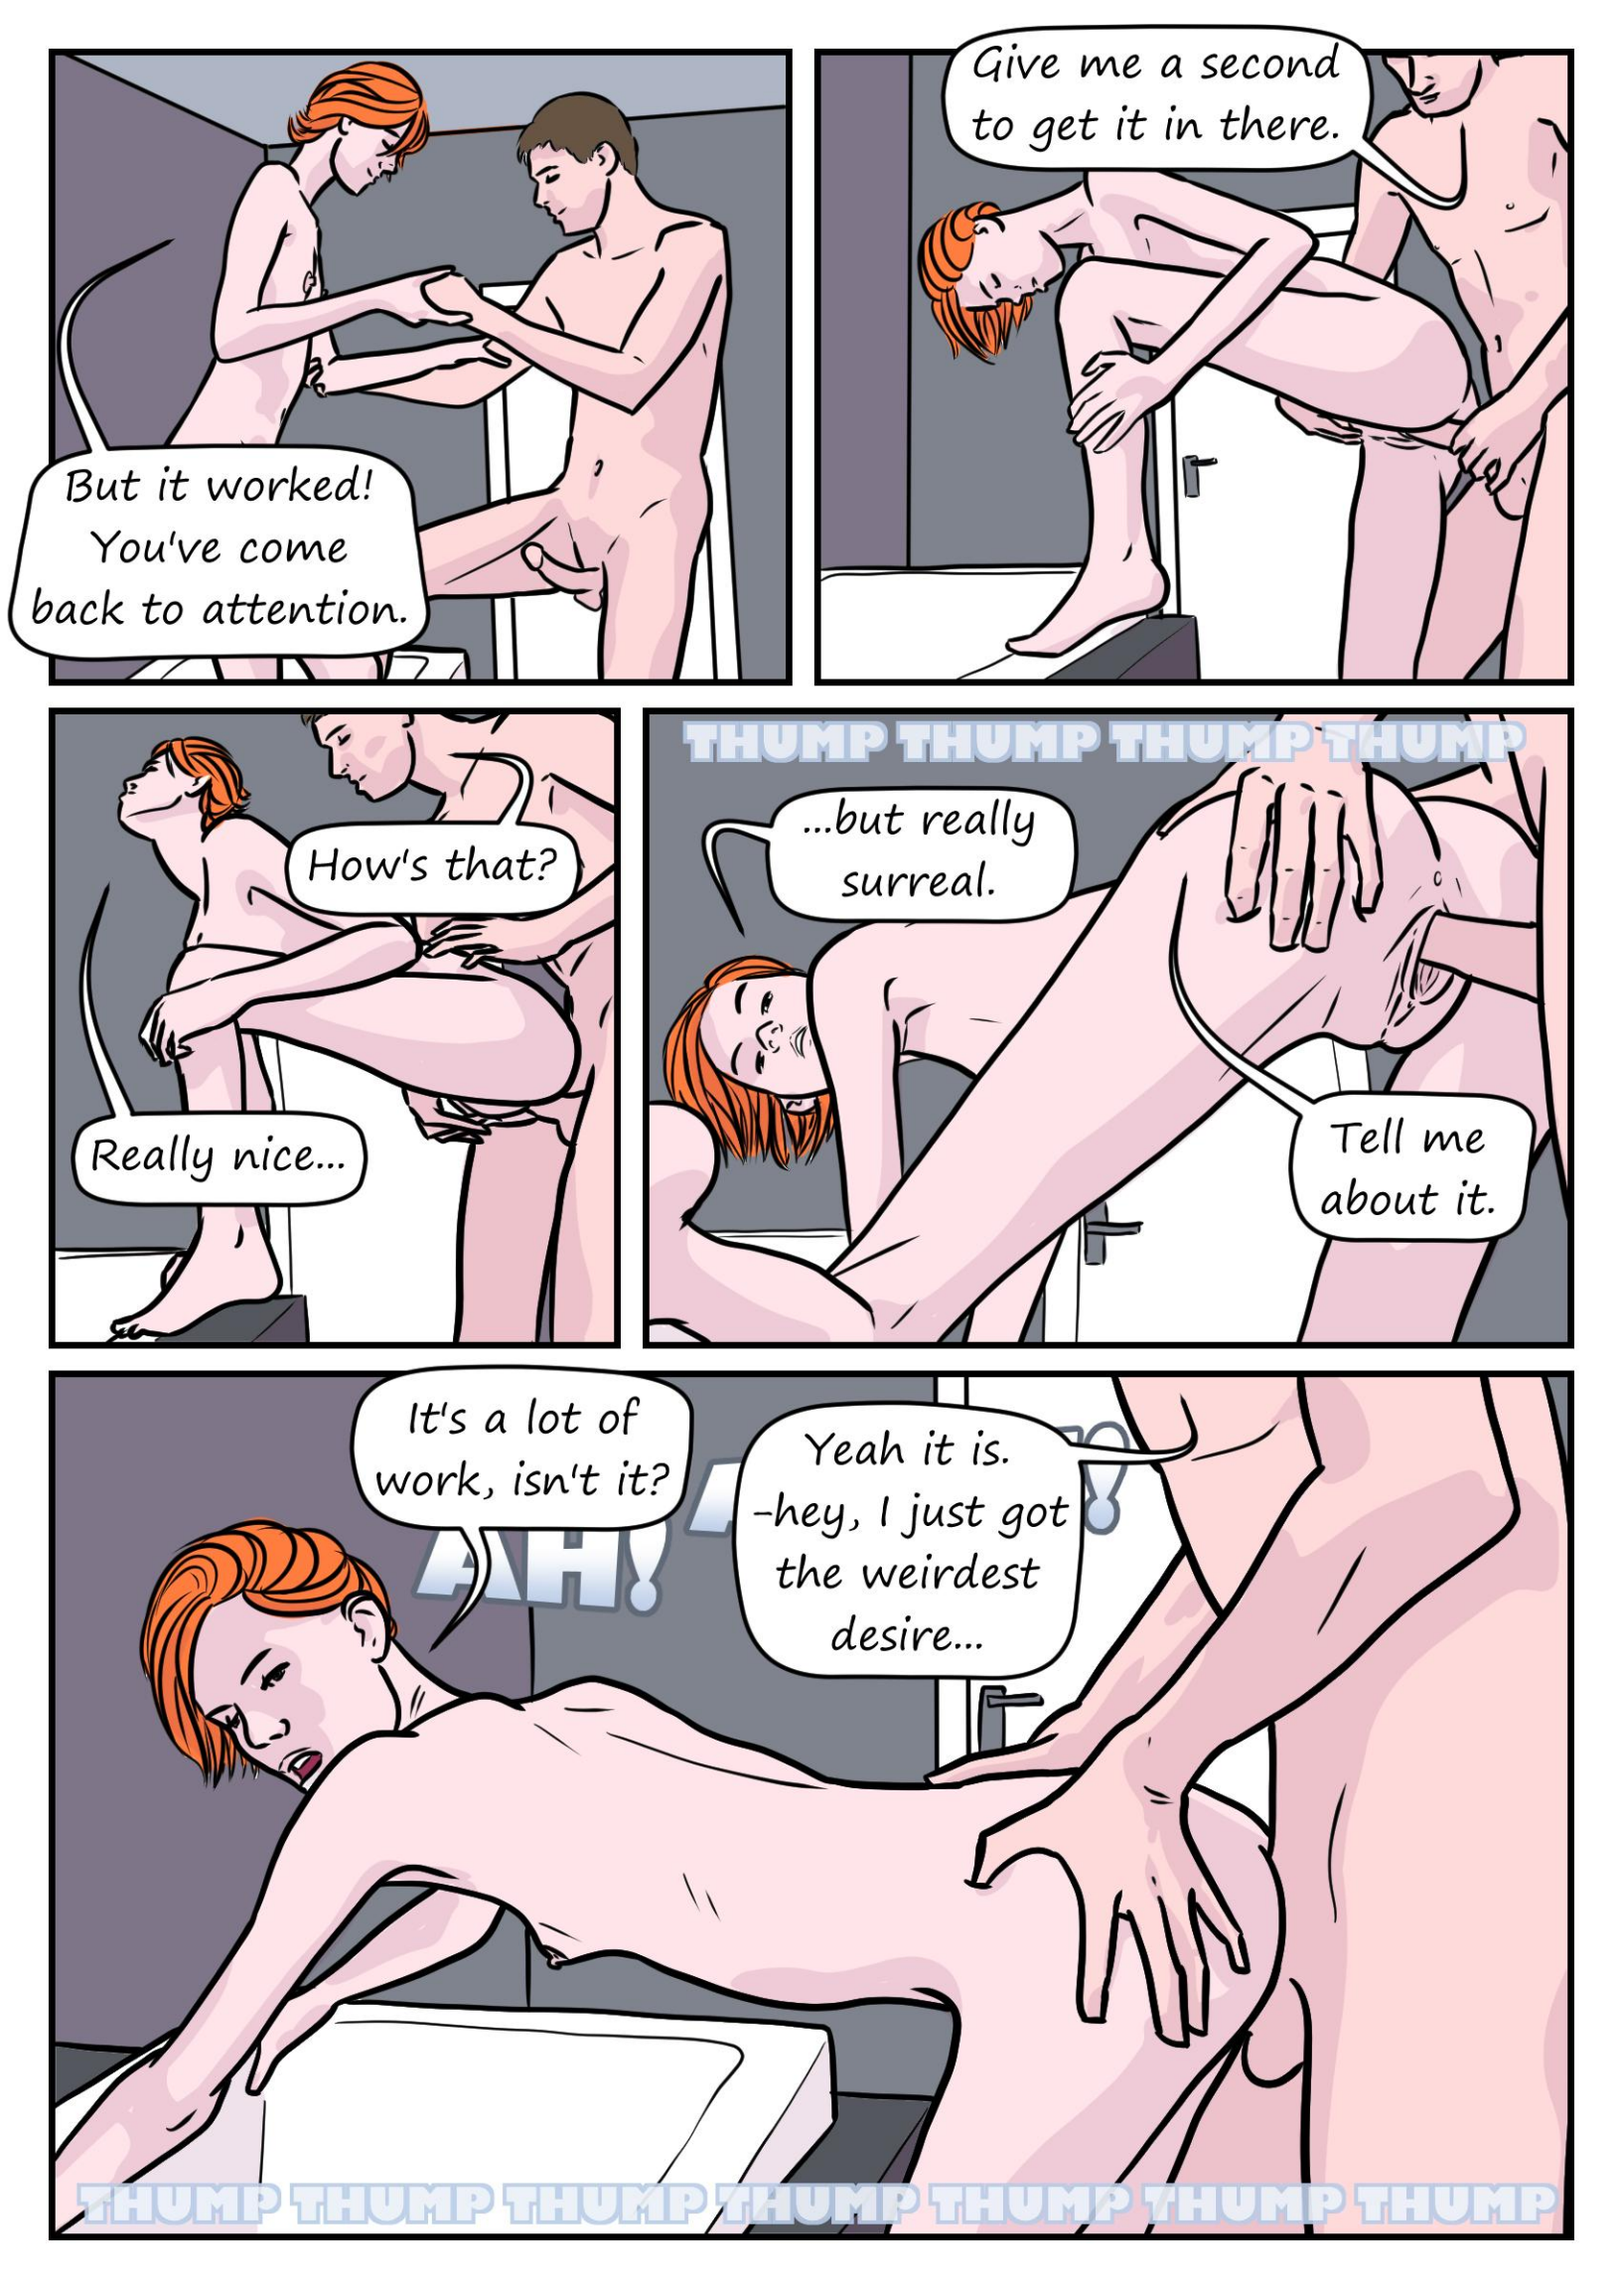

And "pretty boy" isn't quite right.
You're joking. You cast magic on yourself while horny?
That's normally not an issue.
Well, you were the wrong kind of horny.
Crazy not to fuck, but be fucked.
Umm... What are you doing?
Building up some Tantric energy to change you back.
Alright then.
Sounds like a plan.

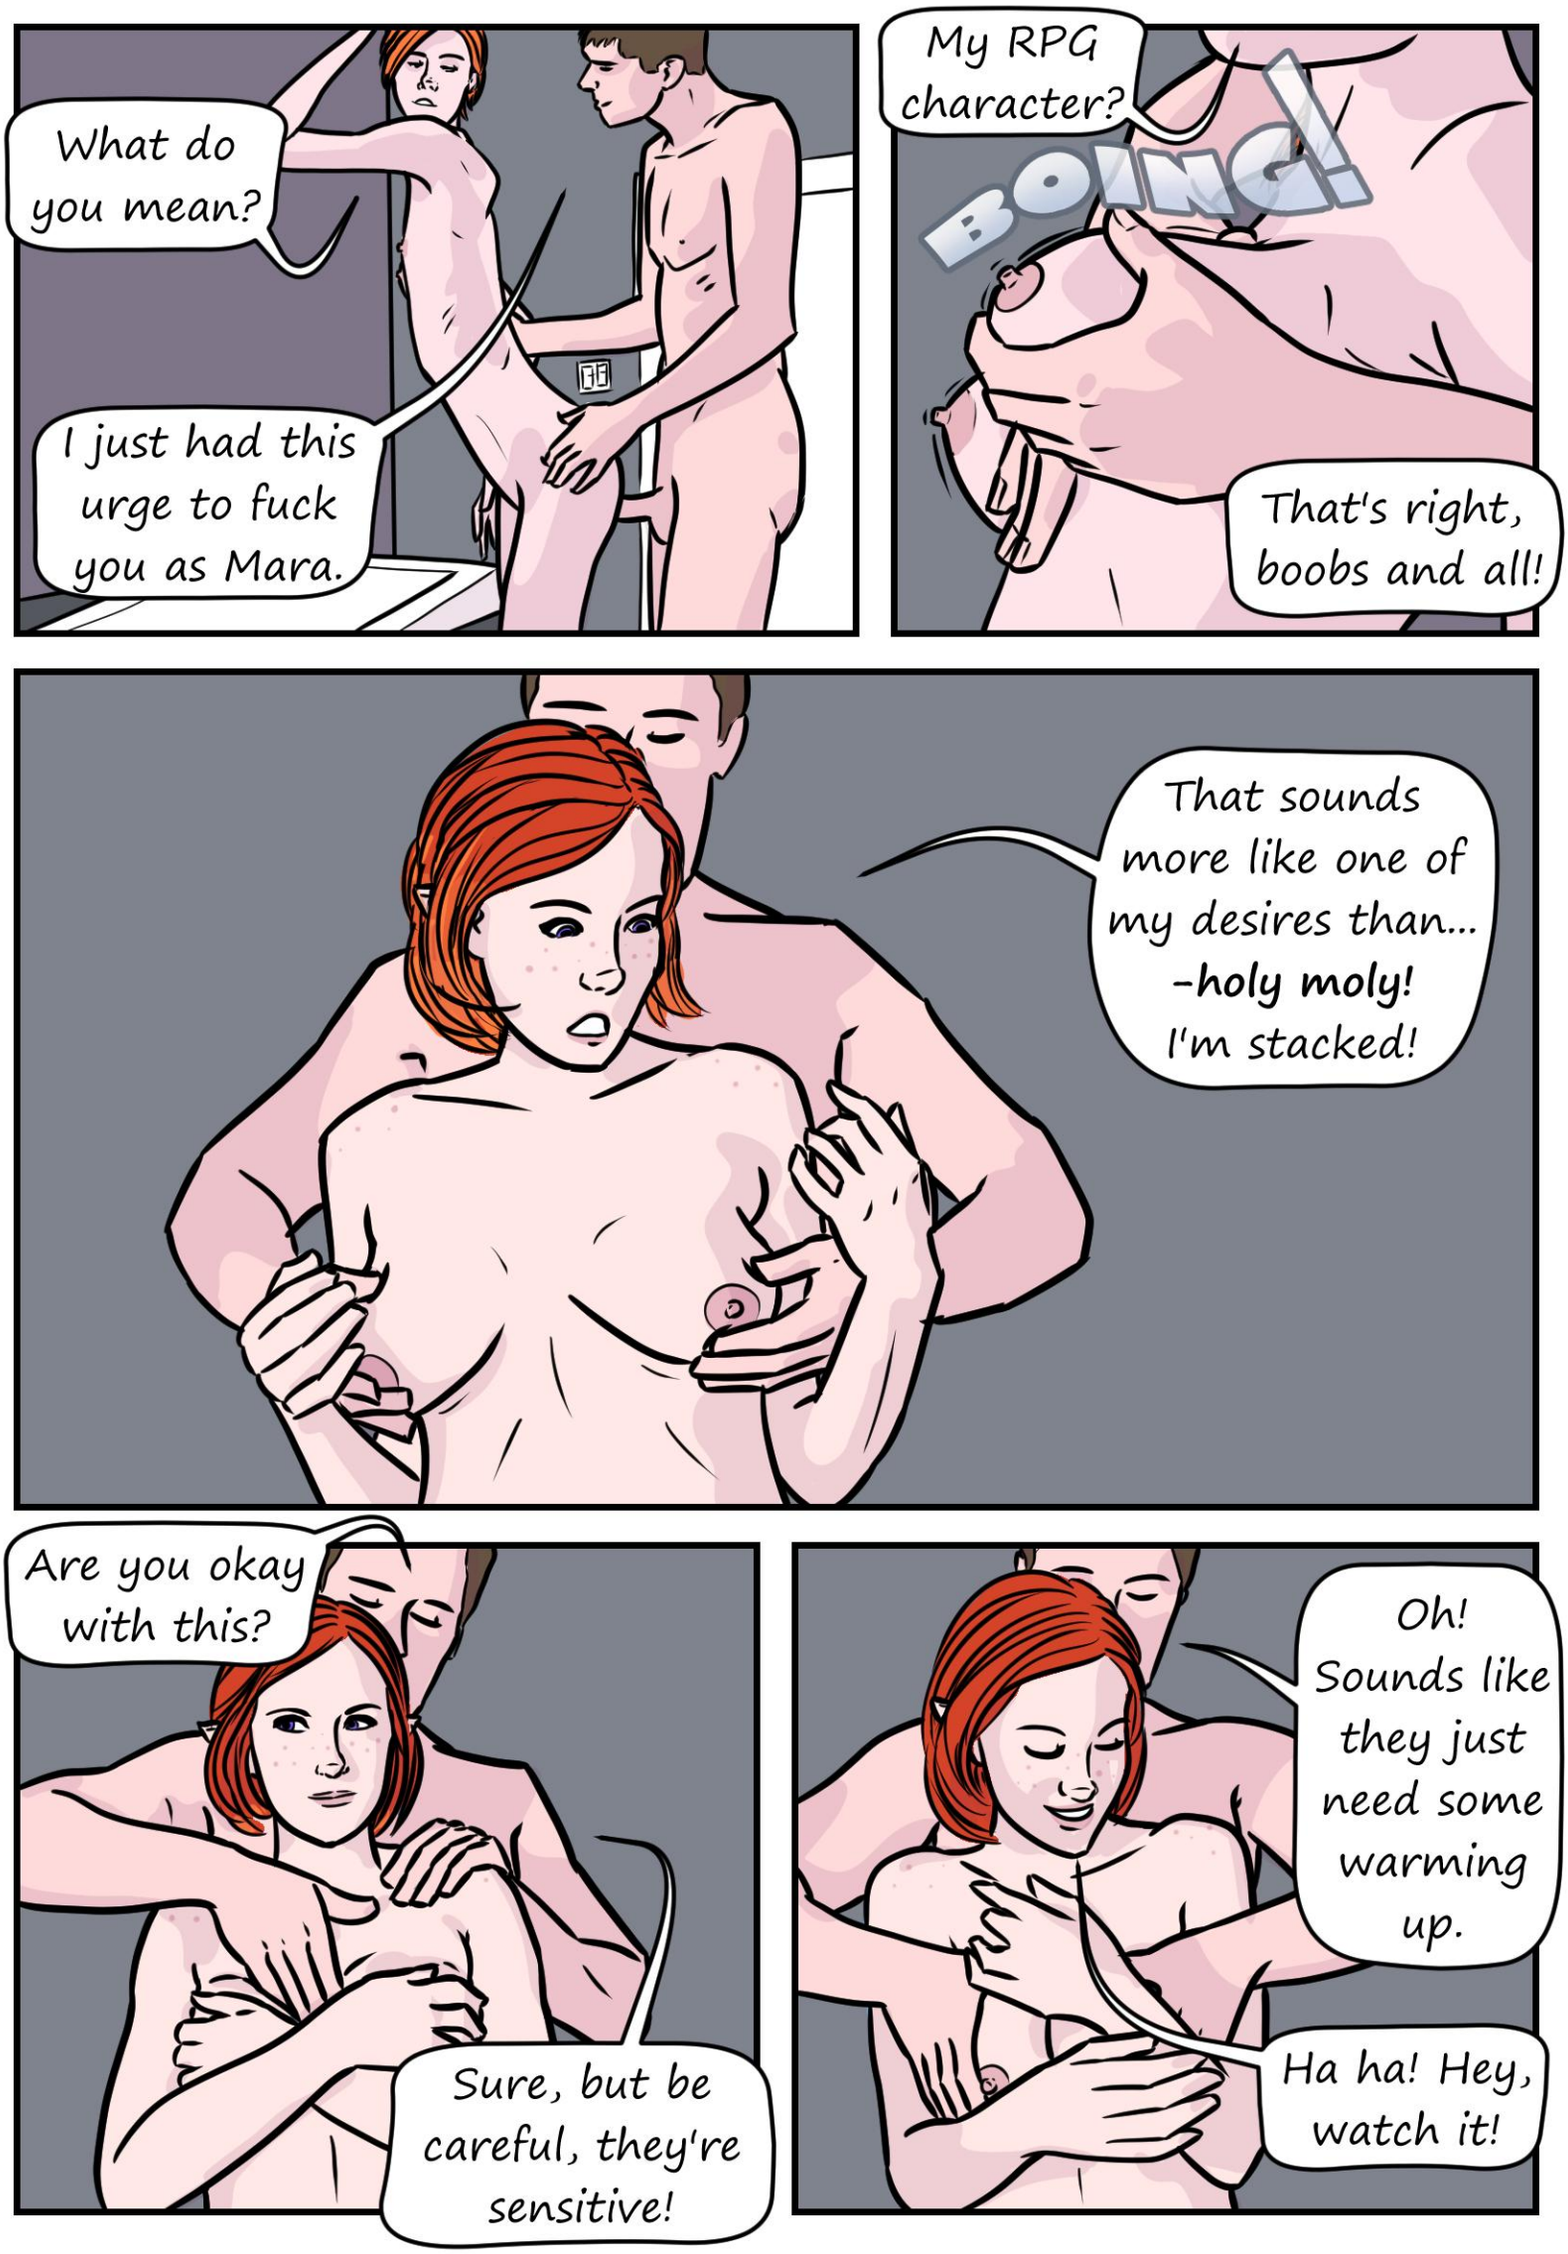

You're getting awfully comfortable with this.
Yeah, but not enough to stay like this.
It's been fun, but my dick's been gone too long.
So it's time to -ah- bring him back.
AH
OH!
AH!
AH!
But then, why are you hogging all the Tantric energy? It's safer if I'm the one who casts the spell, remember?

Okay, you got me. I wanted to try one thing first.
You're not going to cast the cunnilingus spell that I sometimes cast on you, are you?
A prehensile tongue licking my crotch sounds tempting, but I've something a bit more adventurous in mind.
Wait, did you just give me a...?
Wow, I really didn't expect you to be willing to go this far. Not for your first time.
Your dildo made a very compelling argument.
MMM
One that made jerking off someone else's dick seem actually worth it.

But I'm going to have to rush this; handling your dick has turned me off faster than I expected.
Really? You can't do more? That handjob was like heaven.
Ouch! That didn't slide in as easily as I expected.
Now do you see why I hate it when you rush?
It is filling me up nicely, though.
Huh, I was expecting some texture, but I just feel this warm softness.
And... hang on... your erection is wilting.
I'm trying to keep it up but it's not listening.
I could cast an erection longevity charm...
No, I've got this.

Hey! What's gotten into you? A second ago you could barely stomach touching that...
Don't have a choice.
I picked apart that spell you cast: you used my dick as a conduit.
You didn't just make me a girl, you also gave me your sexual desires.
So I'm going to give you a copy of my love of pounding pussy.
Tom, are you sure about this?
Kind of. I can only bear this because of the popsicle glamour I cast on it.
Fooled me, it sure looks like you're enjoying it.
Do you want me to stop sucking your dick?
Well, no but...
Too bad! The tranfer's complete.
You're a fucking tease!

But it worked! You've come back to attention.
Give me a second to get it in there.
How's that?
Really nice...
THUMP THUMP THUMP THUMP
...but really surreal.
Tell me about it.
It's a lot of work, isn't it?
AH!
Yeah it is. -hey, I just got the weirdest desire...
THUMP THUMP THUMP THUMP THUMP THUMP THUMP THUMP

What do you mean?
I just had this urge to fuck you as Mara.
My RPG character?
BOING!
That's right, boobs and all!
That sounds more like one of my desires than... -holy moly! I'm stacked!
Are you okay with this?
Sure, but be careful, they're sensitive!
Oh! Sounds like they just need some warming up.
Ha ha! Hey, watch it!

So if I'm Mara, are you going to be Raz?
Definitely warming **me** up.
And nibble on Mara's cute ears?
And stroke her nipples?
I've never heard noble Raz so pervy.
I did last time he fucked me in the bedroom...
Hmm... bedroom, that sounds like a wonderful idea.

After a quick relocation...
Are you ready for another round?
Yeah.
Well, if I'm a guy right now, I might as well show you how I love to be fucked.
Start gently, holding her in your strong arms.
Warm her up.
MMM
Tease her.
OH...
Let her invite you in.

Work at it.
Make her moan.
Oh god!
Okay I -ah!- get your point, but I could easily have a smoking babe eat me out.
I stuck that disgusting rod in my mouth for one reason only...
...now shove it in there and fuck me!

You'd think by the third time I could easily slide it in there.
Never mind, got it.
Now thrust!
Just like that!
THUMP THUMP THUMP
Harder!
AH! AH!
THUMP THUMP THUMP THUMP THUMP THUMP THUMP

AH!
Mara's boobs are way too big.
Now you know why I like mine the way they are.
THUMP THUMP THUMP THUMP THUMP THUMP THUMP
I love them modest, too. Its just fun to switch things up occasionally.
AH!
AH!
AH!
THUMP THUMP THUMP THUMP THUMP THUMP THUMP
AH!
AH!
Like right now.
THUMP THUMP THUMP
It feels so good, but so fucking weird.
THUMP THUMP THUMP

So, I notice you like facing away.
I like how it feels, not how it looks.
No offense, but your manly mug doesn't do anything for me.
Well five minutes ago I would've said the same, but your desire has given me a pervert's eyes.
THUMP THUMP THUMP
I can't stop watching your cute curvy ass.
AH! AH!
Well just keep doing what you're doing, I'm getting -ah- so close....
THUMP THUMP THUMP THUMP THUMP

AH!
Oh my god! Here it comes!
THUMP THUMP THUMP THUMP THUMP THUMP THUMP THUMP
THUMP THUMP THUMP THUMP
AH! FUCK!!!
Oh man... that was intense.

But I suppose it's truly time to get my dick back.
You okay to do it this way?
Yeah, I am. Sucking this thing gets a bit easier each time I do it.
Besides, this spell goes quick.
AH!
AH!
You've already gone from out-y to in-ny.

And your little friend is back too.
We should make sure it still works.
Mmm... I missed this feeling.
Really? You were only a guy for, like, ten minutes.
I know, but even so, I missed having a pussy. Didn't you miss your dick?
I did, but I wouldn't mind doing this again.

Well, in that case, I have the craziest idea for the fandom convention next week...
TOM AND JULIE WILL RETURN...
