Two boys have been found rubbing ketchup QI into the School Calendar.

Now, some of you may feel that the Calendar does not play an important part in the life of the school, but I would remind you that it was presented to us by the Corporation of the Town of Sudbury to commemorate Empire Day which you try to remember the names of all those from the Sudbury area, who so gallantly gave their lives to keep China British.

So from now on, the Calendar is STRICTLY Out of Bounds to all pupils.
