«Honey, I wasn't expecting you so soon, hihhi~» Jessica purred sensually after being surprised by Adam, who came back from work, finding his girlfriend obviously fingering herself.

«You spook me, I was having a little pleasure time alone, to be ready for you later~»

«I came back from work earlier, because my teammate Jailin seems to have disappeared for some days now, and I need his files to continue... So until he comes back or we replace him, I have barely anything to do» Adam explained, stunned by how horny his wife seems to be.

«That's a pity, but this leaves us some time for ourselves then~» Jessica purred, heading toward Adam, her phone in her hand.

She reached him, kissing him sensually, before showing him her phone, which had sexual pictures from the last weekend, taken by Brenda, when she was alone with Adam.

«I received those this afternoon, and I couldn't contain myself! You two are soooo fucking hot! I got wet immediately seeing your sexy cousin mounting you again, stealing my clothes and seducing you. Did you enjoy it, love?~»

«Hugh, yeah, but... I don't know, it was still weird. I mean, sometimes, it felt as if you were there... I mean,

I know it is stupid and can't be happening, but I had this feeling all along...» Adam replied, looking at his wife and smirking at the idea.

«It means you were thinking about me while being balls deep inside Brenda... huuuuuum, I love that honey, so dirty, hihhi~» Jessica laughed gently, kissing Adam on the lips.

«Now that you are here, maybe you can help me finish what I started?~»

«I would love to, but I have to finish the stuff Jailin left me with before the weekend» Adam replied.

«Shit, I totally forgot that, we have to finish the file for Monday, and I did nothing other than have sex as his cousin and wife for the past weeks» Jailin thought, looking at Adam go into the living room and open his computer, fuming about Jailin giving him more work.

«I wasn't very nice to him about that... sure, thanks to me, he got to fuck his hot cousin, but knowing what we have to do, he might not be open to doing anything for the whole weekend... I got to fix that»

Jailing dressed in Jessica's clothes, and headed to the exit, telling Adam she is going to do some shopping with friends.

Jailin drove to his place as Jessica, and entered his flat, making sure nobody saw him first.

«Back at my place after those past weeks! Feels like I have been living at Adam and Jess's place for an eternity, hahaha~» he laughed as Jessica, heading to his living room.

He then began to take off her clothes, ending up fully naked.

«Nothing better than being able to walk around with nothing on at my own place... except this time, I am Jessica. Now, before I help Adam with my work, I need to relieve myself from the frustration~» Jailin purred in Jessica's voice.

He headed to a closet, opened it, and looked at the sexual toys inside.

«Huuuum let's see, thone one is to stimulate the prostate, but I think it can slide in my pussy as well~» He smiled, trying to slide different dildos in his pussy, moaning lightly, until he found one big enough to give him enough pleasure.

«Perfect~» he smiled, after sliding the toy back and forth.

He headed to his bed, and began to masturbate

Jessica's body with the dildo, moaning gently at first as she, before going faster, ending up crying with pleasure in his bed, before cumming her juice all over the blanket.

Jailin lay sprawled on his bed as Jessica, chest heaving, the dildo still buried deep inside her slick pussy. Jessica's juices soaked the sheets beneath his stolen thighs. He licked his lips, tasting the faint salt of her arousal on Jessica's tongue.

«God, this body cums so hard every time ~» he murmured in her sultry voice, clenching around the toy one last time before slowly pulling it free with a wet pop. A fresh trickle ran down her inner thigh. «But work calls. Can't leave my poor, overworked hubby drowning in spreadsheets forever if I want him to fuck me well later~»

Fully naked, Jessica's juice dripping on her legs, Jailin headed to his kitchen, where his work computer was. He sat on his chair, Jessica's bare butt feeling the cold metal, making him shiver a bit at first.

«When I think about it... both of Adam's girls are huge sluts! Both sat on this chair at my place, all naked, their ass spread on it, hehehe~» Jess smirked, opening his computer.

«Knowing I still have to work is criminal, but on the other side, now I can masturbate while doing home office like before, but as Jess, hihi~» Jailin smiled, putting his fingers in her pussy, soaking them, before typing his password.  
«Oops, what a slut, Jess's pussy juice is on my laptop. if Adam knew it~»

He began to work on what he was late for, chatting with Adam in the meantime to inquire about his progress.

As expected, Adam quickly tried to video call him. Jailin accepted, the call request, but without the camera.

«Dude, what the fuck? You went missing for days, and I had to do all this fucking project myself!» Adam said through the Teams meeting, visibly angry, while Jailin was ripping off Jessica's face, revealing Brenda's head under, before ripping it off too, ending up with his own face.

«I know, I had some... unexpected things to go through, I might have been a little carried away, I think, but hugh... I will work the whole weekend to try to catch up» Jailin replied in his own voice, playing with the air of the deflated woman's face on his desk, his other hand cupping one of her Jess' tits gently.  
«By the way, how is Jess? Long time no news about her

from you. Say hello to your sexy wife from me next time you see her»

«She is fine, but now is not the time to talk about her, we should focus on the fucking work!» Adam replied angrily, closing the call, letting Jailin get to his work.

«Huuuum, this went as expected» Jailin said, picking up Jessica's deflated head and putting it on his hand, waiting for it to finish reshaping.

«Oh, by the way, Jailin, Adam told me you said hello to me. That's so sweet of you! Let me reward you by licking my pussy~» Jailin made Jessica's head says, putting it between his legs and making it work her tongue on his stolen clit.

«Aaaaah fuck, this is the life! I have never been happier than now that I have those skinsuits» Jailin moaned, shivering from the self-pleasure.

«Hey, Jailin, why don't you wear my cousin's face to cover your ugly face?~» Jailin made Jessica's head say.  
«Ever since you took over us, I want nothing but to kiss her pretty face~»

«What a good idea, you slut. I knew you were a whore, but never expected that much» Jailin smirked, picking up Brenda's face and putting it on his.

«Done! Aren't you jealous that your husband's sexy cousin is stealing your body, and your husband?~» Jailin smirked with Brenda's face, the rest of his body still being Jess's.

«Not at all, it turns me on so much!~» Jailin made Jess' head say, getting turned on so much from the roleplay.

He tore away Jess's head, and began to work on his computer.

He worked as he would usually do for a good hour, taking coffee breaks, scratching his pussy from time to time, as normally as if Jess's body was his own.

But after a bit, he wasn't focusing much, and realised his sight always shifted toward Jessica's breasts hanging down under his sight.

«Dam, now that I am tired, I can't focus with those tits!~» he said, starting to take off Jess's body, ending up soon fully naked as Brenda, throwing Jess's body on the nearby chair.

«Hello, you cute college girl! A better outfit to work a bit more on the case~»

And with that, Jailin continued to work, finishing the work with Adam before the beginning of the night.

«Aaaaaah, finally! This shit is done!~» He said as

Brenda, stretching over.

«Now I think I can be rewarded with a good fuck, hehehe. Let's see what Adam told Jess~»

He picked up Jessica's phone and went through her message, realising Adam told her he wouldn't be home tonight because of a party.

«Oh well... plan B then~» he smirked, taking Brenda's phone, and downloading Tinder. He made her an account, clearly stated he was only up for a one-night stand, and not even half an hour after being online, Brenda's account already had 3 new messages, from horny males not far from Jailin's place.

«Being a girl is so easy for that matter. You just need to say you are horny and men rush to you~»

He talked a bit with the 3, choosing one out of them, to whom Jailin gave his home address.

This done, Jailin took off Brenda's skinsuit fully, ending up as himself, before wearing Jess, then Brenda.

He then put on some sexy clothes that he had bought last time as Brenda, when he spent a full weekend masturbating as her, before finally going to see Adam.

He adjusted the clothes, and, satisfied with the result, waited for the man to come.

A few hours later, someone knocked on the door. Jailin joyfully went to open it, finding the man he had talked with standing behind.

«Hugh hi... Brend6942 I suppose?» The man asked, obviously restraining himself from taking a deep look at Brenda's perfect cleavage.

«You guessed right! Come in!~» Brenda added, letting the man enter, before closing the door behind him.

Once inside the house, the man checked around, visibly confused, before turning back to Brenda.

«I...to be honest, I wasn't expecting you to be this young... I mean, not a real college girl» The man said, still trying hard not to stare at Brenda's cleavage that Jailin had made sure to put on display.

«I mean, you could be my daughter»

«Huuuum, will your dick make a difference once it is inside of me? Do you think I can't see you trying not to look...there?~» Brenda teased, pulling her top down, flashing her sweet tits even more.

«Dare to tell me you don't want to see me bounce on your penis~»

«Whoa you are so direct! I never thought you really looked like your photo, I thought it would be the kind

of woman to post an older pic and-» the man began to explain, cut by Brenda.

«I took it literally an hour ago, after heavily masturbating, if you want to know~» Brenda said, winking at the guy.

«I am such a sex craving whore. Usually I do it with my cousin, but he is not available today, so... wanna do me instead?~»

«I...hugh...yes» the man said, before Brenda took him by the hand to the bedroom.

Upon entering, the man looked around.

«This looks like a guy's bedroom so much, this is weird» the man stated, looking around, seeing the nude girls poster around, some dildos on the ground, flehsights and a mix of sexy girls' outfits, both bought for Jessica or Brenda.

«Or I am just a huge pervert, place your bet~» Brenda replied to him, having already taken off her top off, her bra and her skirt, ending up in her underwear.

«Whoa, you are...» The man started, staring lustfully at Brenda.

«Hot? Fuckable? Ready for you~» She smirked.

«I really didn't expect that when I matched with you, but damn girl, I am sure not letting this chance go» the man said, taking off his clothes, showing his erection.

«Ooooooh, are you ready for a college girl's pussy? You naughty old perv~» Jailin purred as Brenda, enjoying way too much the effect he had on men.

He sensually walked toward the guy, and grabbed his dick, wanking it slowly.

«You know, you are the only man, other than my cousin, to feel my hands on your shaft. I may look super cute and innocent, but hummmm...deep down, I am a huge perverted incestuous whore who loves to please older men~»

«I see that I...oooooh... you wank so well, where did you learn that?» the man purred, looking at Brenda, wanking him with a smile.

«With my cousin! We spent a whole weekend fucking last week, while his wife was away. Oh, but don't worry, she was okay with this~» Jailin explained in Brenda's voice, getting turned on by the story as much as the man.

«Whoa, you are getting even harder! Is my little story turning you on?~»

«Oh yeah! How is it possible that a girl like you exists? Only men can dream about such filth» the guy said, needing to sit, for Brenda to continue gently wanking

him as she continued her story.

«Hehe, I have so many secrets, and here I am, my hands around your dick, making you feel good while narrating my past week to you~» Brenda continued. «Do you want to know why his wife was okay with all this?~»

«Oh yeah! Keep telling me! Your voice is so sexy with my dick in your hands» the man groaned.

«The first time we did it with my cousin... I kinda tricked him into fucking me... He didn't want it at first. I showed him my tits and seduced him like you and... well... you see where this can go~» Brenda smiled, licking gently the tip of the man's dick gently, gently with her tongue, looking at him getting soon to be finished.

«Truth is I...recorded that, so I could masturbate to it later... you know...But I ended up sending it to his wife... And she got so turned on watching it, that she called me, and asked me to fuck his husband more. That's how we ended up doing it again~»

«You are such a huge pervert! You turn me on so much right now» The man groaned, as Brenda was kissing him on his tip, stuffing a little bit of it in her mouth sometimes.

«That teasing with your mouth is godly!»

Page 7/9 - by ARIBETH

«Is it... some pre cum I taste? Let me be sure~» Jailin purred as Brenda, gulping down whole the man's dick, choking slightly on it. She sucked it for a bit, slowly, making sure to not to pleasure him too much, just enough to keep him up.

This went on for a moment, the man really enjoying the mouthwork of the college girl between his legs.

As she felt the man's member twitch, Jailin stopped, staring into the man's eyes, with the sluttiest look.

«That tasted good... better than my cousin if I may be honest... or his wife's pussy~» Brenda winked, standing up.

«Because yes, I also licked his slutty wife so well, she moaned my name while climaxing. Thanks to those lips, you did a bit of his wife too, hihi~»

«Brenda, you are surreal, it is really like hearing a man's talk, if he had a way to end up in such a hot body» The guy said, looking at Brenda, giving him a sensual look, while her free hand was caressing her vagina.

«Look at you! No way you are a woman, I can't believe it! It looks like me wanking before a shower!»

«Well... maybe you want to stuff that dick in this pussy... You know... just to make sure I am really a

woman?~» Jailin added in Brenda's sensual voice, coming closer to the man, pressing her tits on his chest. «Your dick seems to know the answer tho... look how hard it is~»

«Of course it is! We men, can only dream about a woman like you, and here you are !» The man smirked, grabbing Brenda's ass tight, making her sit on his lap. «I do want that pussy. I was never lucky in college to score a popular slut like you»

«Really? That makes us two! I always dream in the showers after sport, looking at all those college girls hot like me, all naked, water running on their tits, to be able to...you know...grop them like this!~» Brenda smiled, groping her tits firmly, looking back at the guy with the most perverted face Jailin could pull out. «Hopefully, I have my body for this, and I can masturbate thinking of them, using their stolen panties... wearing them~»

«I am going to cum before you touch me again if you keep telling me that stuff» the man groaned, Jailin feeling his dick harder again.

«If I had a dick, I would pin every one of the hot classmates on a wall in those showers~» Jailin added as Brenda, lifting himself a bit, just enough to slide the man's dick inside Brenda's pussy, making both moan.

Page 8/9 - by ARIBETH

«Fuck fuck fuck, you are even tighter than I thought! This feels way too good!» the man said, his hand gripping Brenda's tits.

«You said I was the same age as your daughter? Would you like it if... I moved like this... calling you daddy?~» Brenda purred, moving her hips, making both of them feel good.

«This is already so hard to resist you, but if you do this...» he purred.

«Daddy can't resist his little girl I see... You are balls deep into my young pussy... what a pervert daddy is! I love it so much~» She whispered in his ears, bouncing up and down on his lap.  
«I feel your dick so well... wtreching my pussy... oooo ooh~»

«I just can't, Brenda, I... I...» the man groaned louder, before emptying his load inside Brenda's pussy, making Jailin shiver from the pleasurable feeling of the hot liquid flooding his stolen womb.

«Ooooooh, it feels so good... I have your hot seed in me, daddy! You came so much~» Brenda moaned, arching her back, moving her hips to get every drop of cum, before leaning back on the guy.

«You did it, you perv, you creampied a sexy college girl, hihhi~»

«I am still not wrapping my head around the fact that you exist. This felt so good» the man said, smiling back at Brenda.

«Now I guess I have to go back home. Thank you for this moment»

«Are you sure you don't want to spend the full night with me? We can fuck again, you can dress me in whatever you want... and fuck me again~» Brenda teased, feeling the man's dick slowly getting hard again inside of her.

«Ooooooh, you like the idea! And what about... I ask the slutty wife of my cousin to come here and replace me? What do you say?~»

The man just couldn't believe this whole day with Brenda, and even less waking up the next morning, with Brenda gone, replaced by a slutty blonde who presented herself as the wife of Brenda's cousin, Jessica.

Despite the feeling that Jess and Brenda were the same, the man didn't wait long before his member went straight into her pussy, Jailin getting even more turned on knowing Jess was cheating on Adam.

# BACK FROM COLLEGE- PART 3

Page 9/9 - by ARIBETH

«Hello ... honey. How are you? Me? Oh...just... just doing some cardio with Brenda... girls stuff... huuuum~» Jailin managed to say in Brenda's most sensual voice, looking lustfully at the man roaming his dick inside Jess' pussy.

«She fingered me so good and now... fucking my whore pussy with a dildo... watching the sextape you made with her... This is so good!..... I... I will be back for lunch I think, it shouldn't take too much time I-»

Jailin tried to say, before the man took his dick out, and splashed his cum on Jessica's boobs, some droplets ending up on her face and phone.

«We are done. Just a quick shower before joining you, and we can have a weekend together, my love. See you, love you~» Jailin purred as Jess, slowly wanking the man's dick, making the last droplets of cum fall on her boobs.

He hung up the phone and threw it away, immediately playing with the cum on her chest.

«Sorry, this was my husband calling. I couldn't tell him I was cheating on him at his whore cousin's place... but I could tell him I was just casually having sex with Brenda, and it went smoothly, you see~» Jess purred, stuffing fingers full of cum in her

mouth.

«Huuuum, Brenda told me your cum tasted good... it does I must admit~»

«Gosh, you two are surreal! This was the best sex of my life!» the man smiled.

«Haha, you perv! Now go away, I have to clean and go back to my place~» Jailin told the man, who was first surprised by the sudden bossy behaviour. But having his balls empty, and not the strength for more now, he agreed, and went out of Jailin's house after dressing up.

Jess put her hands behind her head and tore it away, revealing Jailin's face behind.

«Pfiou! What a weekend, haha! I will have to change my bedsheets, but this was worth it. As it seems Adam is okay with this, I can come back to my place more often, to have fun like that, with the excuse I am with Brenda... which in some way, is true. Anyway, now I need to go back to Adam's place» he said, playing with Jess's breasts, before going to the shower, cleaning the two suits and wearing them back on, dressing up and driving to Adam's place, clean and fresh as if nothing had happened, with a lot more ideas in mind.
