

Bazira

the Succubus

on her Quest for

HORNY, BIMBO
SOULS

PART 1

By Amay2k12

Text by Dwaggie Dragonite

Deep in an old, dark forest lays an abandoned, mostly-forgotten village. Nobody knows what happened to the people who lived there. They had all disappeared on a single day, over 600 years ago. Since that day, rumours circulated around nearby villages and cities. Of course, when people fear the unknown, a young man will step forward to discover the secrets of the old village! He needed hours to find the way, as the forest itself seemed to stop him. Hours later, he found the nameless village, and started to explore the place. Most buildings were just ruins, but an old chapel was completely intact. In the deepest of night, hours after he arrived, he went over to the old cemetery. Fog started to flow around the old stones, and the candles shimmered in a scary, orange light. The question was... who lit them?

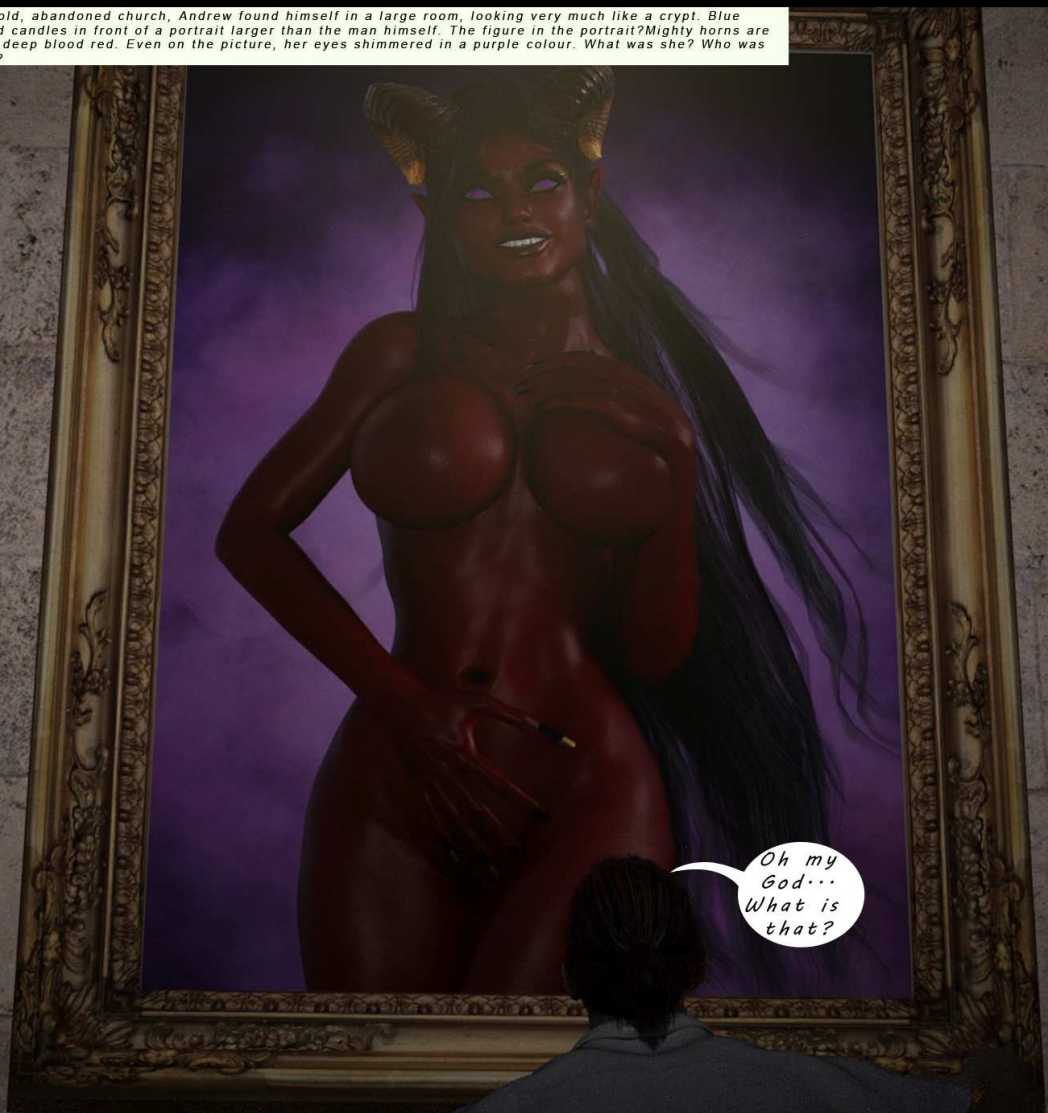

But the young man had no fear in his heart. His thoughts were around the old chapter, and so, leaving his tent, he went out with a lantern to explore the spooky place. Soon he found an old, heavy door at the back of the building, and took the steps down into the darkness. Alone in the dark, he walked further down the stairs, his own footsteps echoing off of the stone walls. There were no signs of life, no rats scittering around, no cobwebs or dust. Everything seemed to be dead...

By Amay2k12

Down in the settlement of the old, abandoned church, Andrew found himself in a large room, looking very much like a crypt. Blue flames danced on centuries-old candles in front of a portrait larger than the man himself. The figure in the portrait? Mighty horns are shown on her head, her skin a deep blood red. Even on the picture, her eyes shimmered in a purple colour. What was she? Who was she? Who created this picture?

Oh my God...
What is that?

By Amay2k12

After he had examined the picture for a while, he turned around to search the room. He froze in place, as in the middle of the room, a mirror had come into view. When he entered the room, there were no mirrors around, only the glowing picture and the candles. Staring at the mirror in front of him, he started to glow an unholy red and purple colour, the light wobbling around the mirrored glass. Slowly, he starts to walk towards it...

As he walks towards it, he feels a strong pulling feeling as he nears the mirror. A strong force had him, and as his body touched the glass, a cascade of light explodes into his vision. Dark becomes light, light becomes dark, and the world that he knew seemed to swirl around, sucking into the mirror, along with himself. Everything went black.

By Amay2k12

Meanwhile... a few miles away, from the abandoned church in the cursed woods.
At the home of the young man...

A devil character with horns, a red body, and a black topknot is pointing her right hand towards a man in a white polo shirt. The man is looking at her with a neutral expression. They are standing in front of a brick wall. A speech bubble from the devil says, "Then go and bring me their souls...". Another speech bubble from the man says, "Uhh... i mean Andrew...". A third speech bubble from the devil says, "...and you will learn the ultimate power, Andrea!".

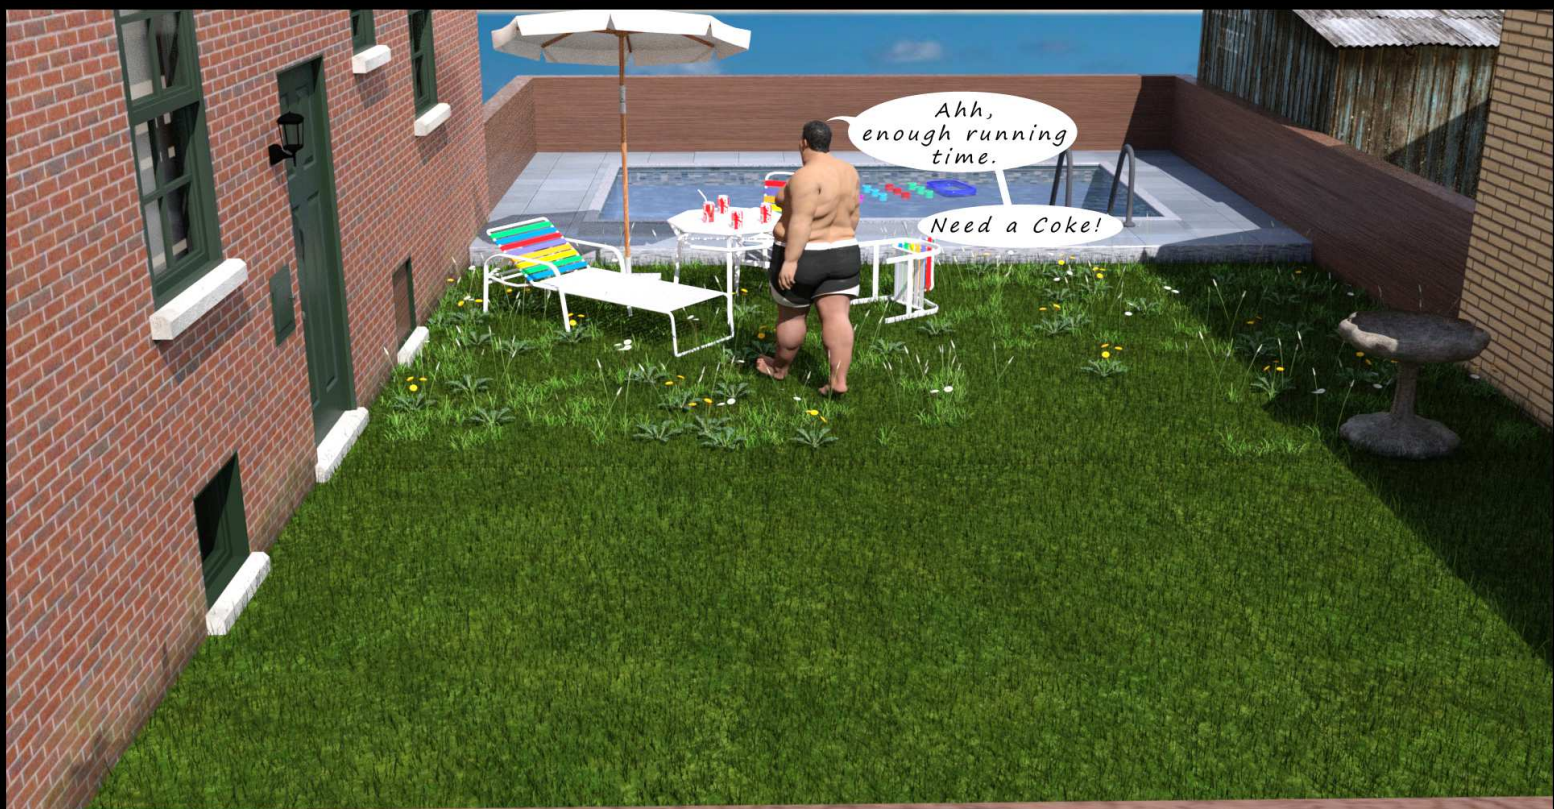

Then go and bring me their souls...

Bazira - the Succubus

Andrew, now Andrea, could not believe her day. He just went out to the selling party and did it in time... He reactet to so many unspoken wishes that his body became fully female...and she is ready to bring pleasure and damnation in one single joyment... And now a party with mostly elder and or frustated single Girls are waiting...and with it so many possible ways to become...more.

Bazira - the Succubus

Hello there.
I am Andrea. Are you
Mrs. James? You inveted me
to your Fapper Party
today.

Oh, yes..
I am Martina James.
nice to meet you Miss.

But I must say...
your clothes are very...
revealing...haven't said that
childs are here
too?

Oh I am very
sorry for my mistake.
By the way it is just Andrea
please. I...um...came from
a modell shooting right
now and...

Wow!!!

Jason! pst!

Thank you
buddy... But I am truly
very sorry. Someone took
my clothes while I was on stage...
and all I had was this here.
I am a Modell and we had
the newest summer
collection...

Bazira - the Succubus

Of course...
you are just another
young Slut...

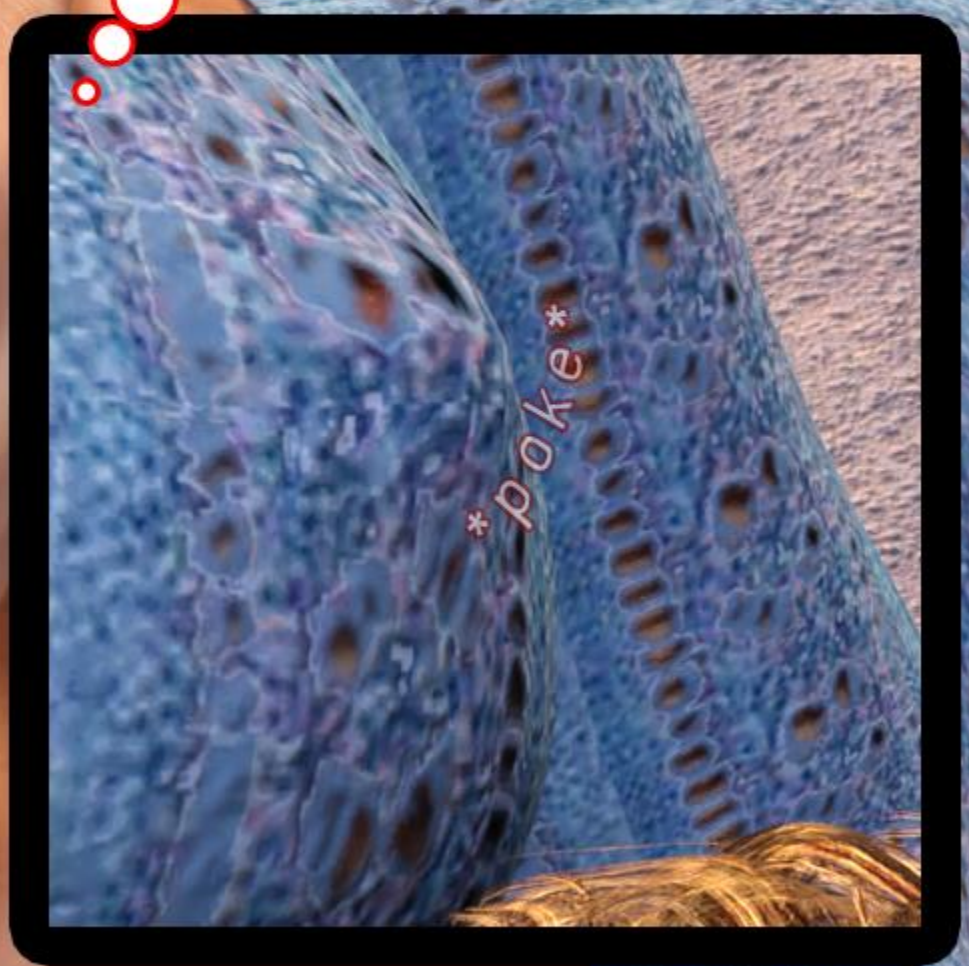

No Problem
Andrea...this could happen
to us all.

...but I must
say...she looks somehow
hot...

By the way...this little
one here is my son,
Jason.

...why do I feel so
hot? Am I turned on by
her provocative look?

Oh...my...

poke

Bazira - the Succubus

I have NEVER seen so HUGE BOOBIES before Miss.

Jason...

I often wished that my Mum would have such huge BEWBS...maybe way larger!

Jason...

Then she would find a new Daddy ways faster my Friend Robby said...

JASON!

I totally bet it is easy to find nice guys with your luck...am I right?

Bazira - the Succubus

*Oh Jason...
you are so cute. Thank you.
But you can trust me...*

*...a woman's
chest size is not that
important as your friend
told you.*

Bazira - the Succubus

And I sometimes wish that you have been born as Girl, Jason. Or that you would be a Teenage Girl...

...then you would know that this was very hurtfull for every woman and for me as Mother.

ohh...

Age 6

The meeting did not started yet...but for Andrea and Bazira it is already time to feed other souls...and the unholy magic started already to change the James family reality.

And I love you my sweet...

But Moom...I never wanted to hurt you...

...I love you Mommy... *sniff*

bulge

Age 9

Bazira - the Succubus

...and so cute
Janine...why do you make
such a long face dear?

But I didn't
understand that. All those
Sluts in my school are super
popular, you know?

Don't worry my
little angel. AS I was your
age I had the same girls
on my school.

And Girls
like me got mostly
ignored...they don't care
that I look cute...they
all want super
hot Girls.

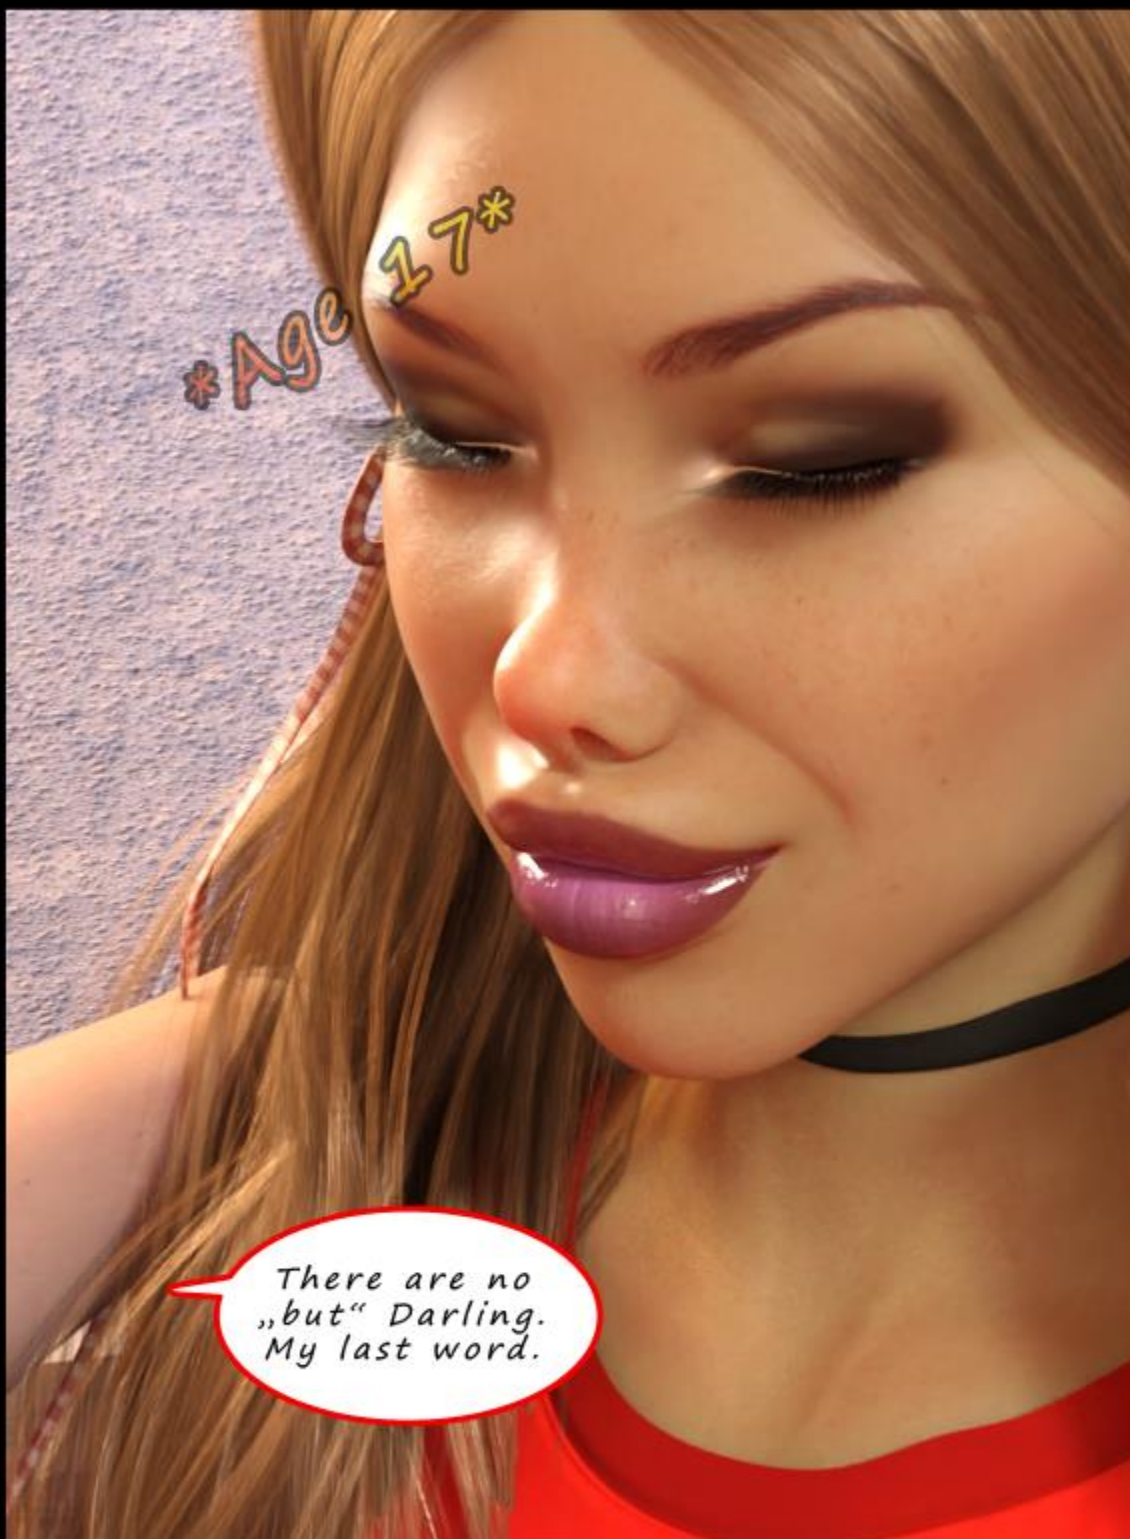

But you are.
Belive me - soon you
will find a really nice
boy who likes you
as you are...

They get everyting.
I want that too Mum!
I secretly so often wish that I
would be like them...an mega hawt
and popular School Slut, with the
full package and that you would
be in the same way as I...

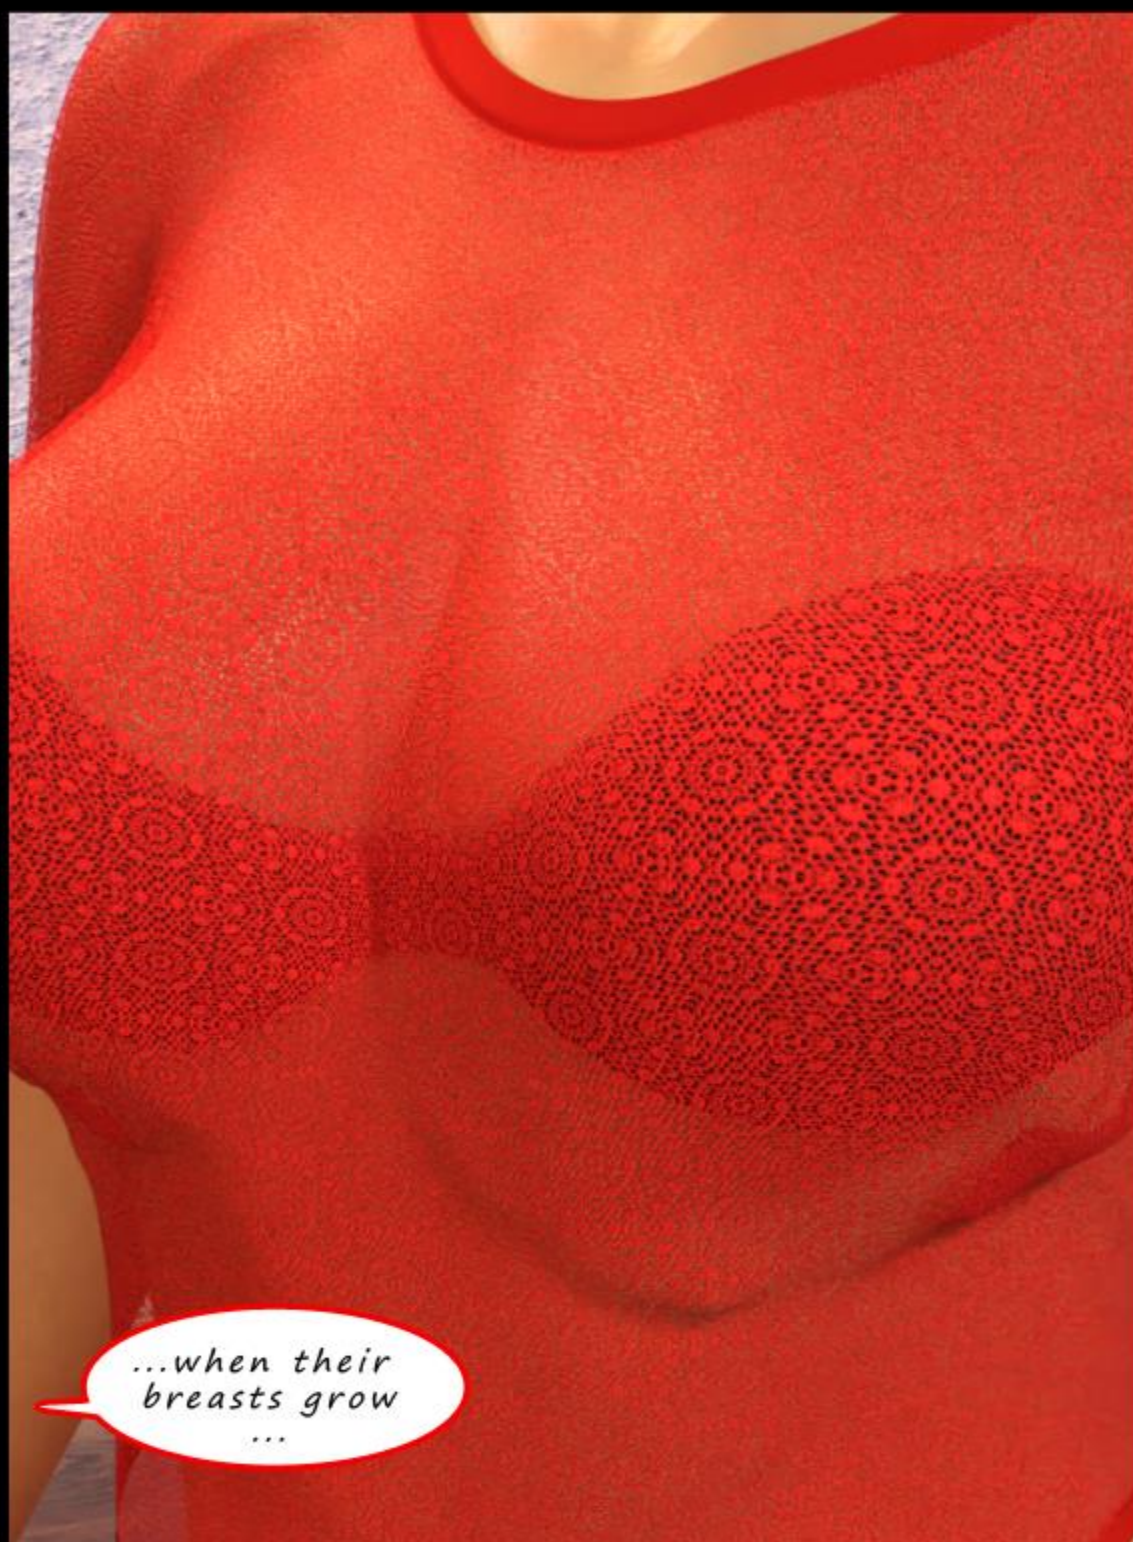

Oh Janine...
there is no need that
you want that. I understand
you. But in one or
two years...

But
wishes never come
true...thats so
unfair!

Bazira - the Succubus

Bazira - the Succubus

Bazira - the Succubus

We are not
bitchy! We are hawt
an we know it!

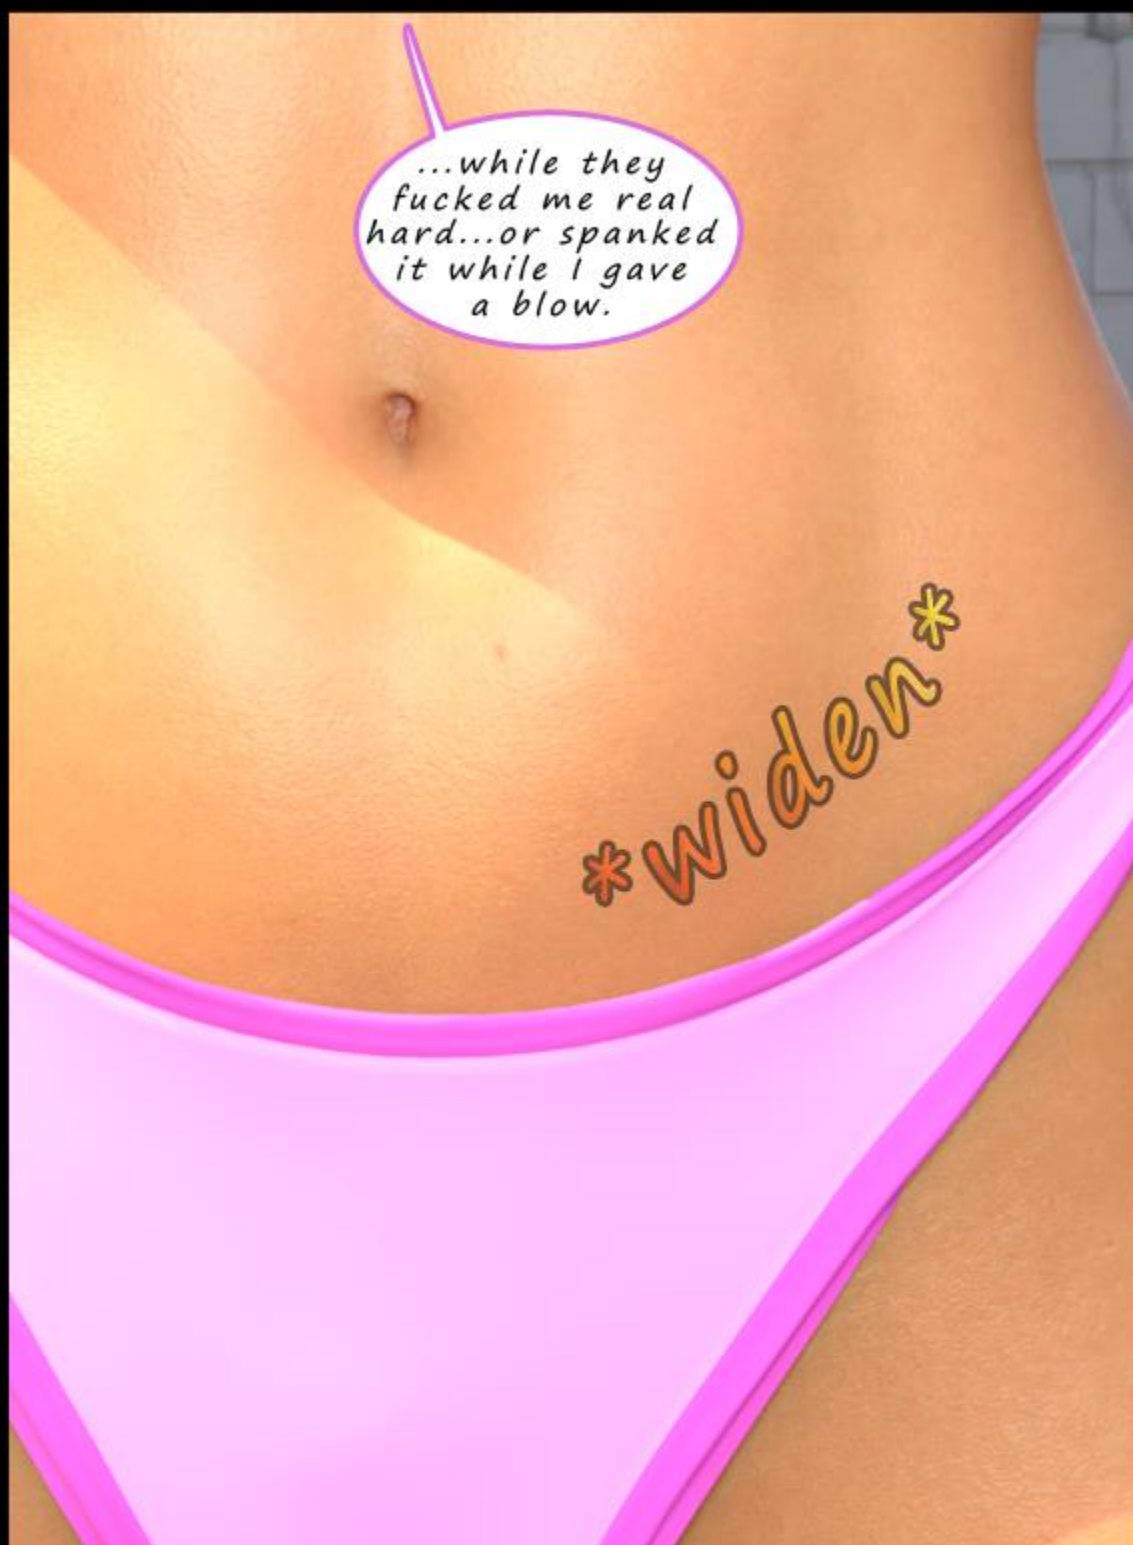

ahhh ha!

Rrrright
Andrea? Hawt Babes
like you and me...
we can have
everything!

Bazira - the Succubus

Bazira - the Succubus

Bazira - the Succubus

So you think to have a sexy body makes you a real Slut, hu?

Listen you little Bitch! There is no one in this town who fucked more men than Sally...

Right now she is knocked up and I bet she awaits for her luvver in her hair salon.

While Jason has become Janine, the slutty Daughter (and most popular Slut in College) her Mum, Martina, already have started to change too. Her Blouse could not longer hold the preasure of those inflated Tits from Jasons first wish and her Bra is strained to the maximum....but Jason/ Janine alsotold another wish...She and her Mum should be the in the same way...which means that the slutification of Martina just has begun.

Bazira - the Succubus

And while the Reality get rewritten...

...Martina's look is one of the first...

...which get changed into her new...

...destiny as Martina, the sluttiest Milf of the town & Mother of Janine. Her past as chairman of her city's main religious committee has never existed. But now there is a life as a stripper, escort girl... and much more. A life full of passion, hot sex and even hotter kisses.

Bazira - the Succubus

And those changes are more than extremely...they are two sides of the same medal...

widen

Bazira - the Succubus

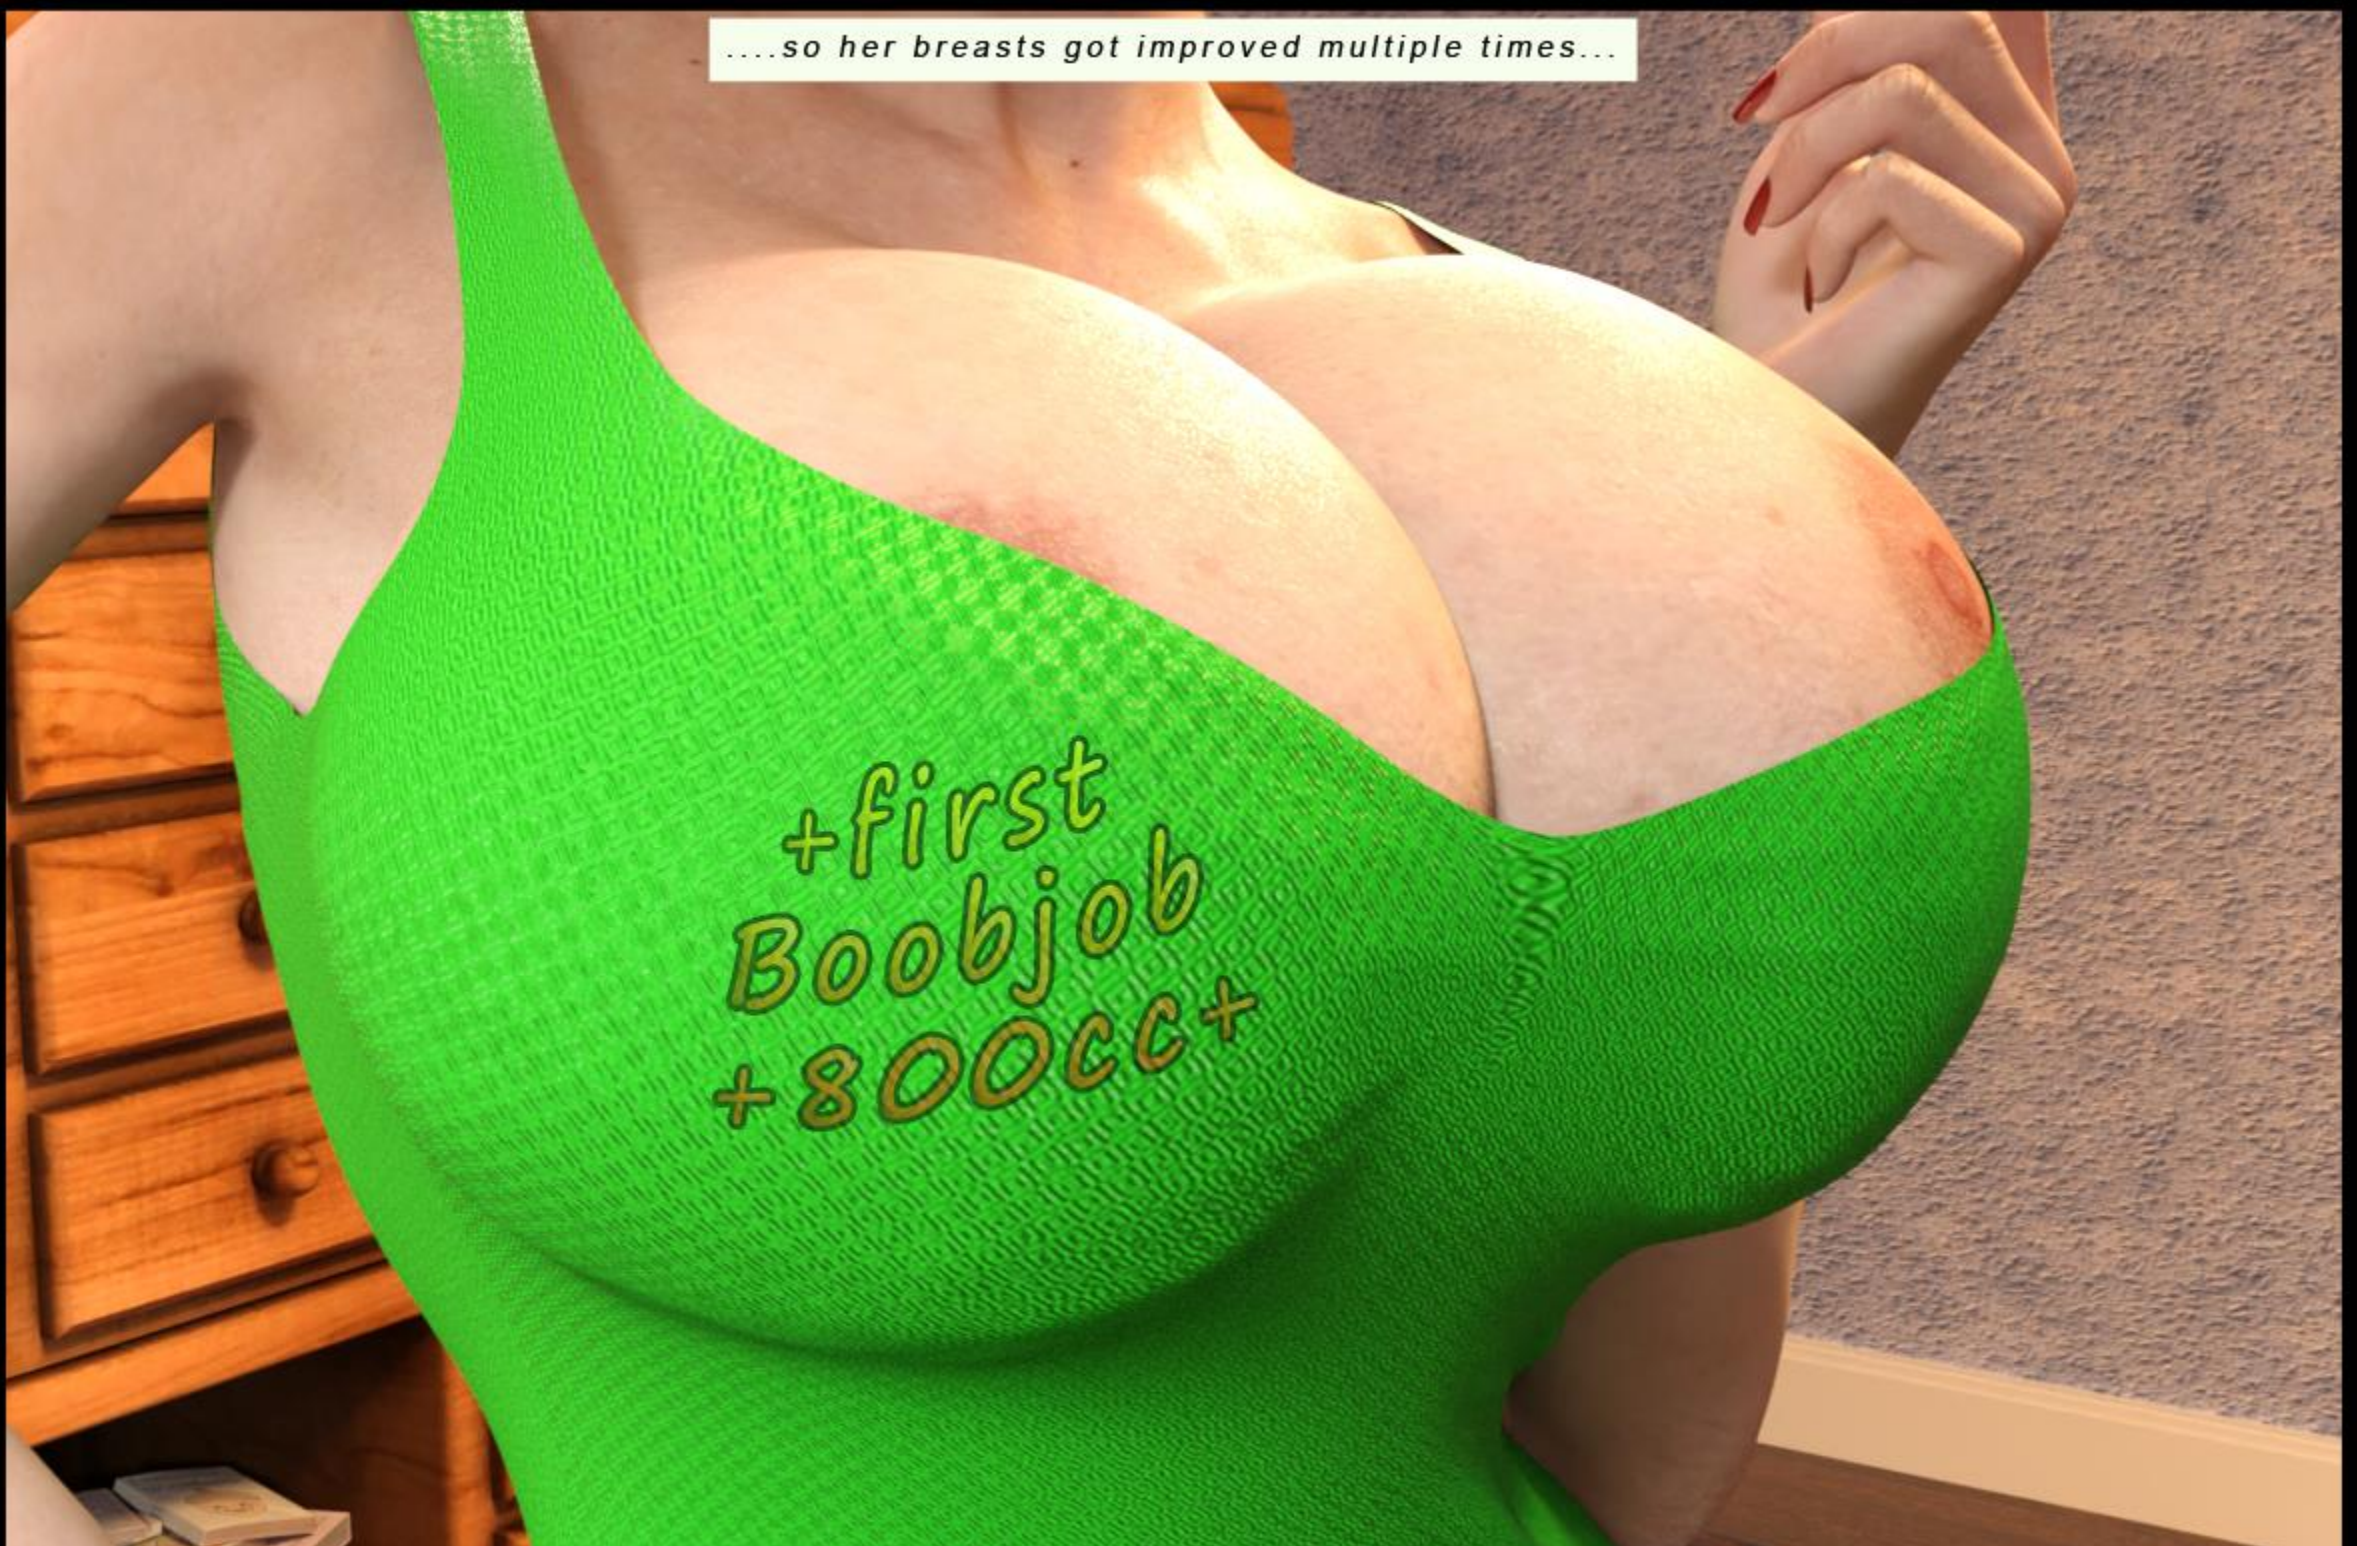

Of course is an slutty life style extremely exhausting, like working permanently in an office or a Job you don't feel...those people age quickly and in a slutty lifestyle, where beauty is extremely important, this aging become an huge problem. But...

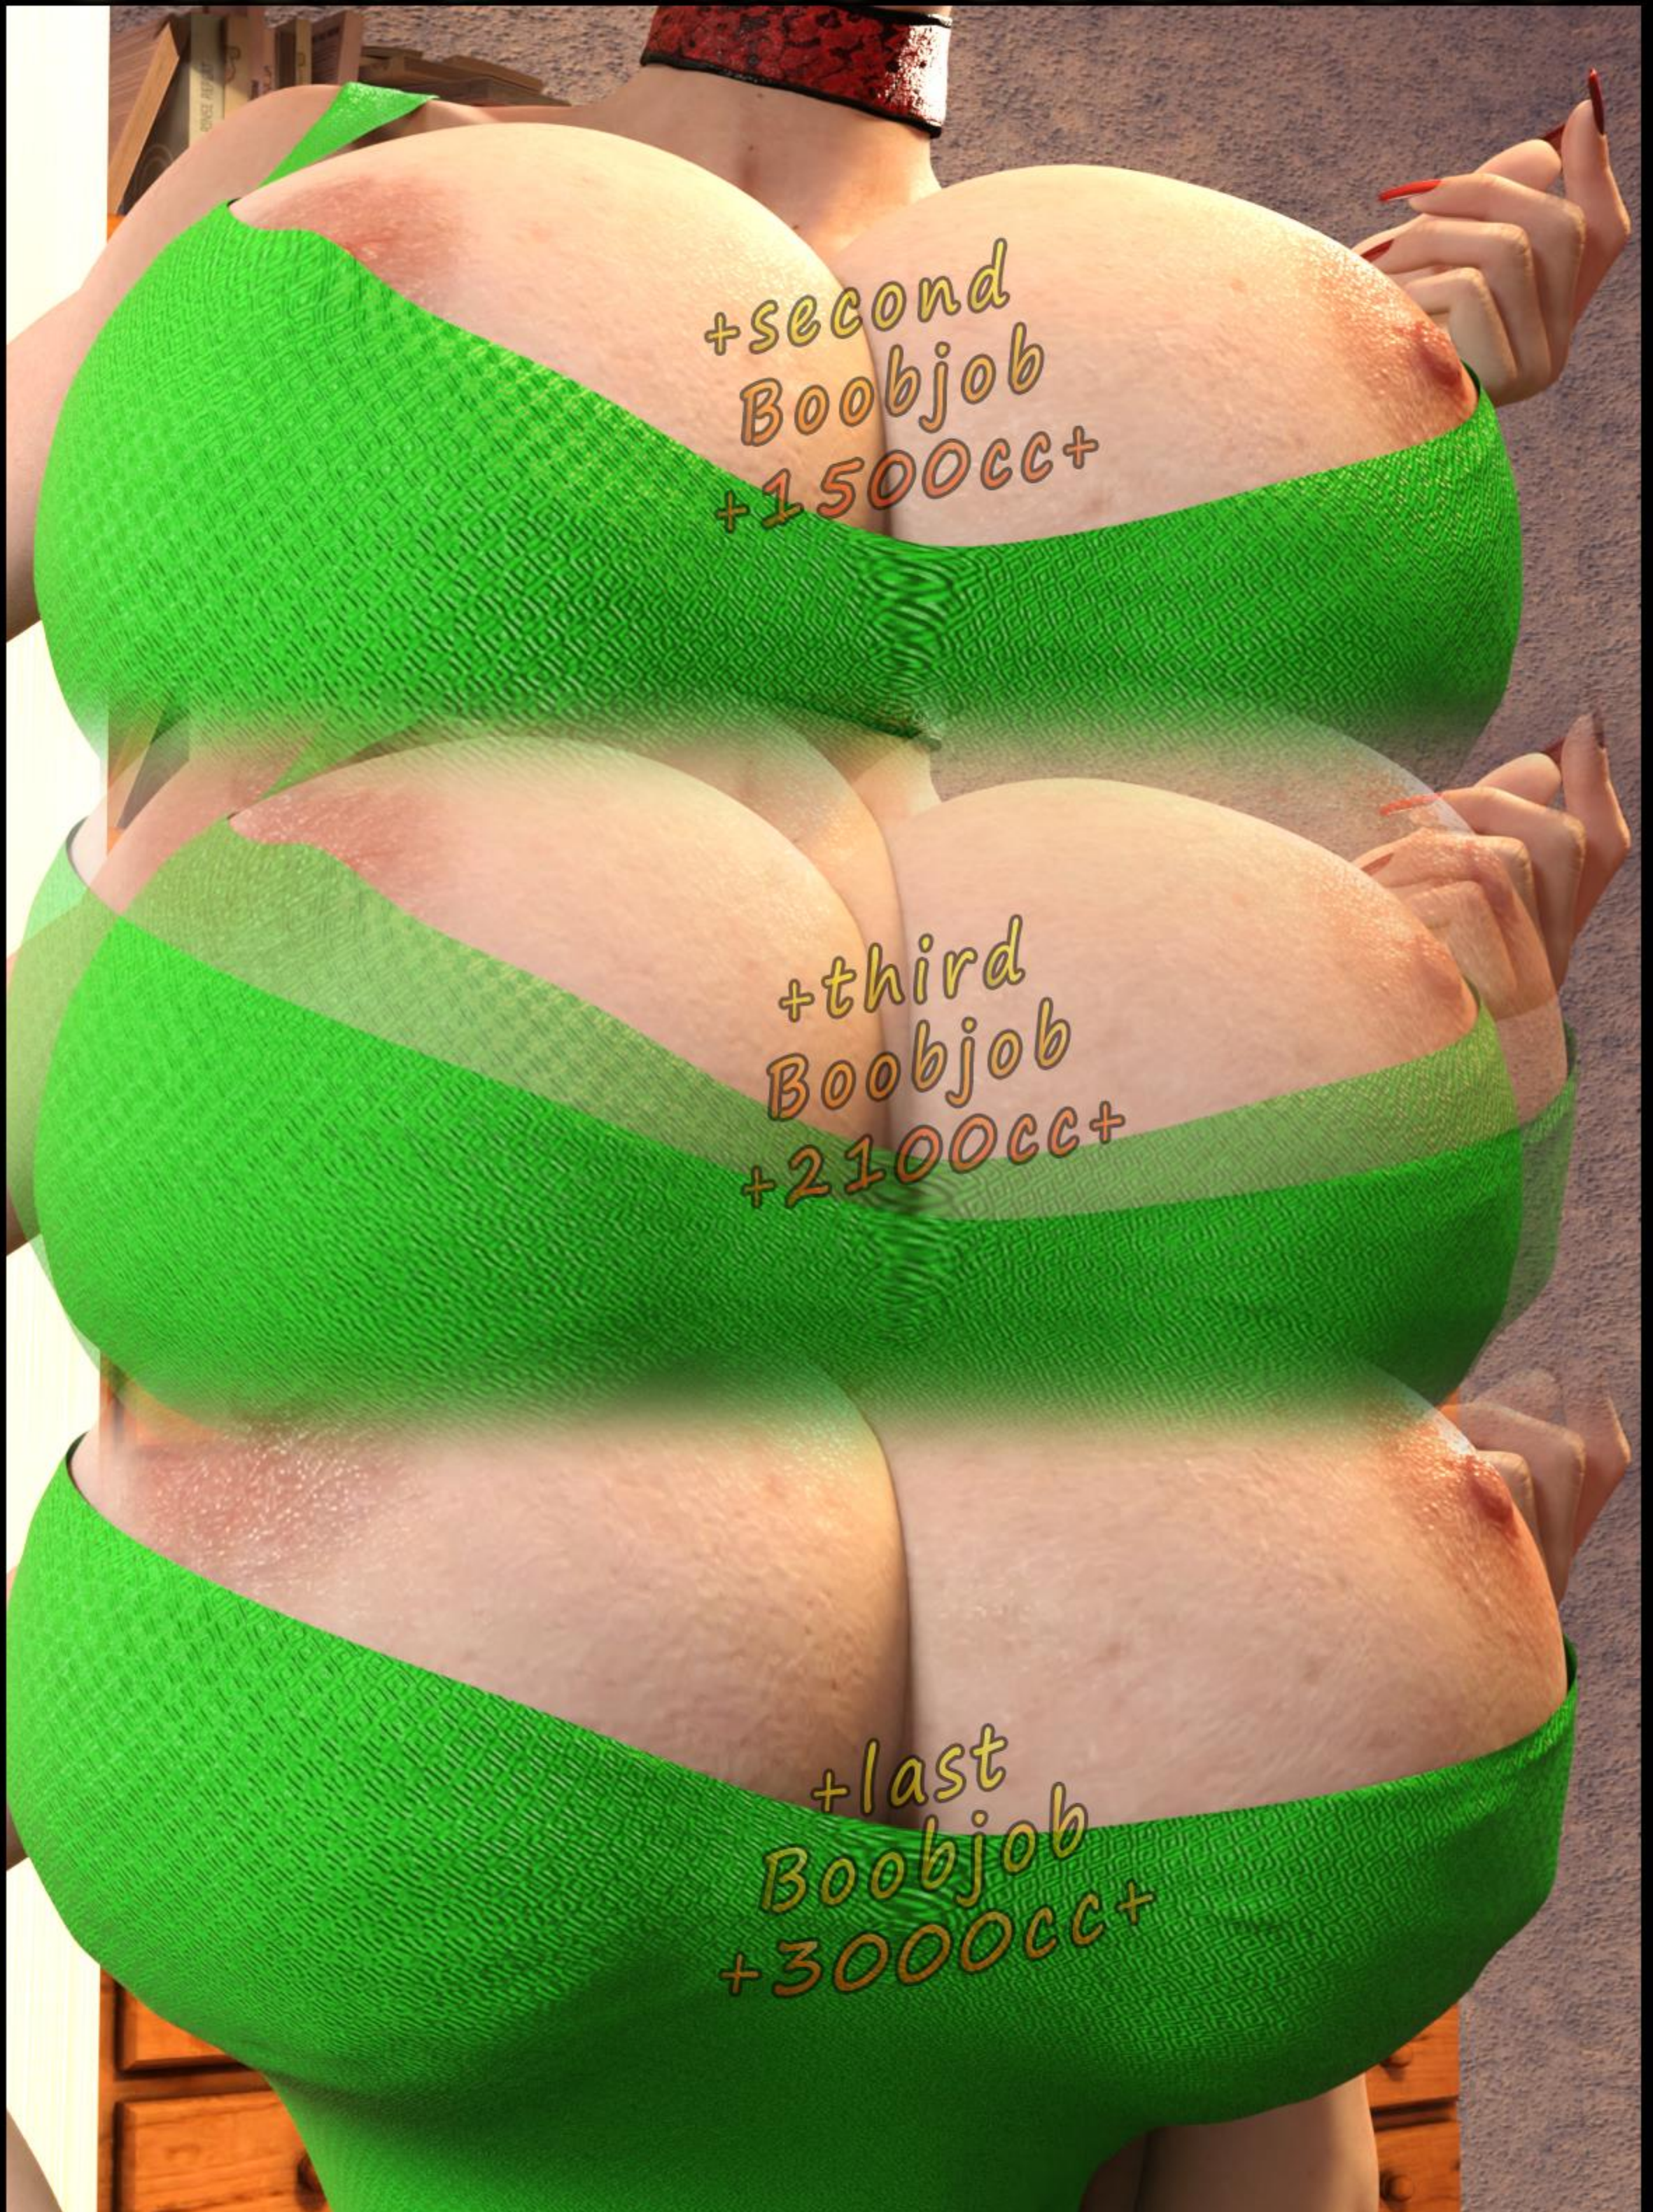

...that is something an skilled cosmetic surgeon could not fix...or improve. Provide there is a lot of money. No matter if it is your money...or that of some mostly...older...Sugar Daddy's, which make you not only a slutty Milf, it makes you a...

Bazira - the Succubus

Bazira - the Succubus

Bazira - the Succubus

...and so, Martina, the GoldDigger, with different Sugar Daddy's got the biggest and fakest TITTS in the town. Her polytec implants increased her former GG Cups into magnificent...

+46N
CUPS+

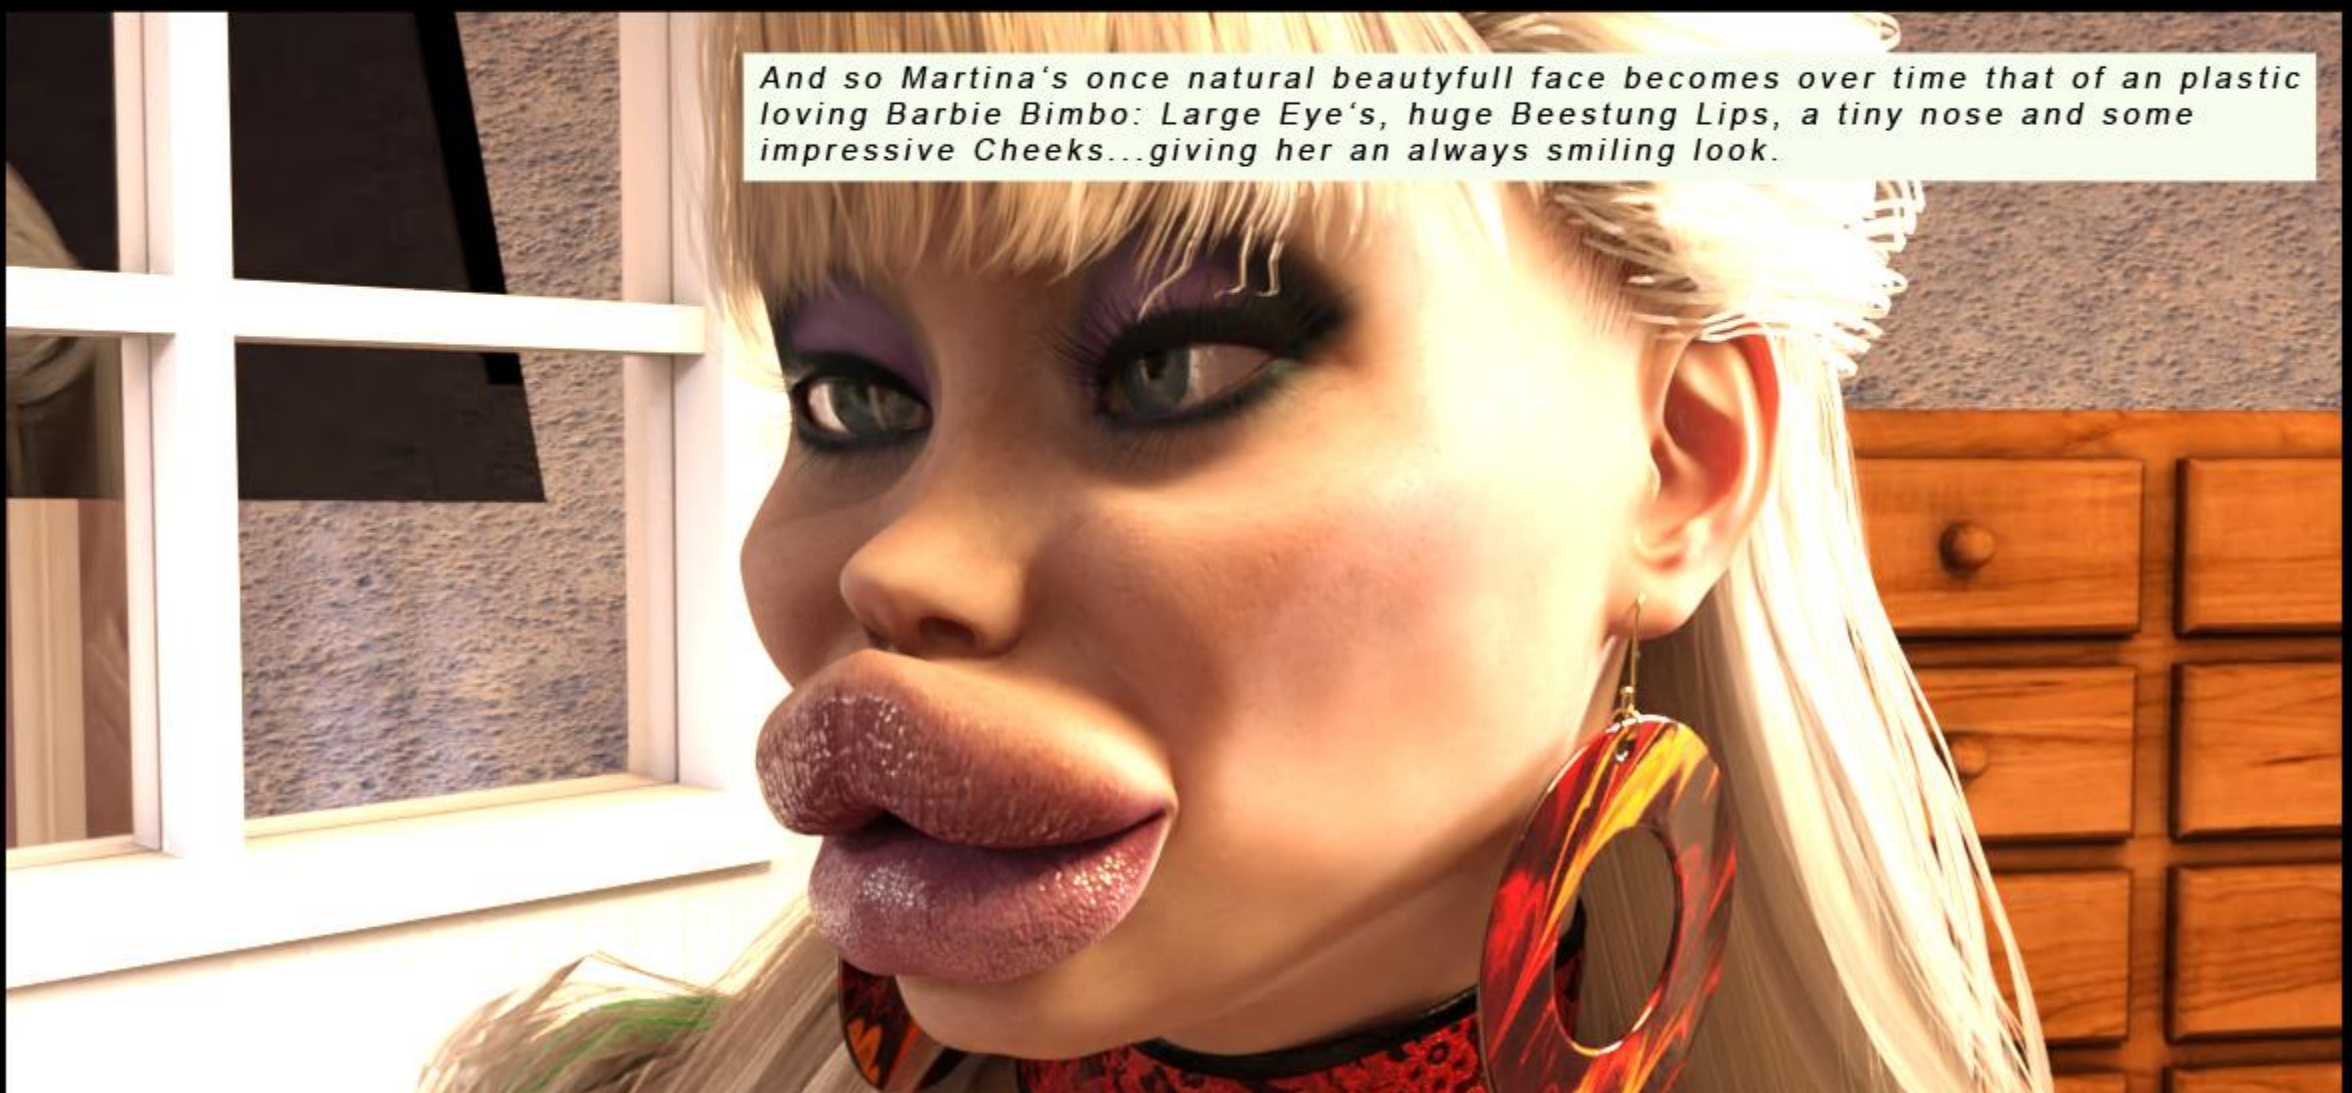

...but her Transformation several Suggar Daddy's money paid for are not done yet...

Bazira - the Succubus

Of course...the different Money Bags...or Sugar Daddy's as Martina call them wanted not only her boobs bloated to magnificent size...her Face also gets a lot of...changements.

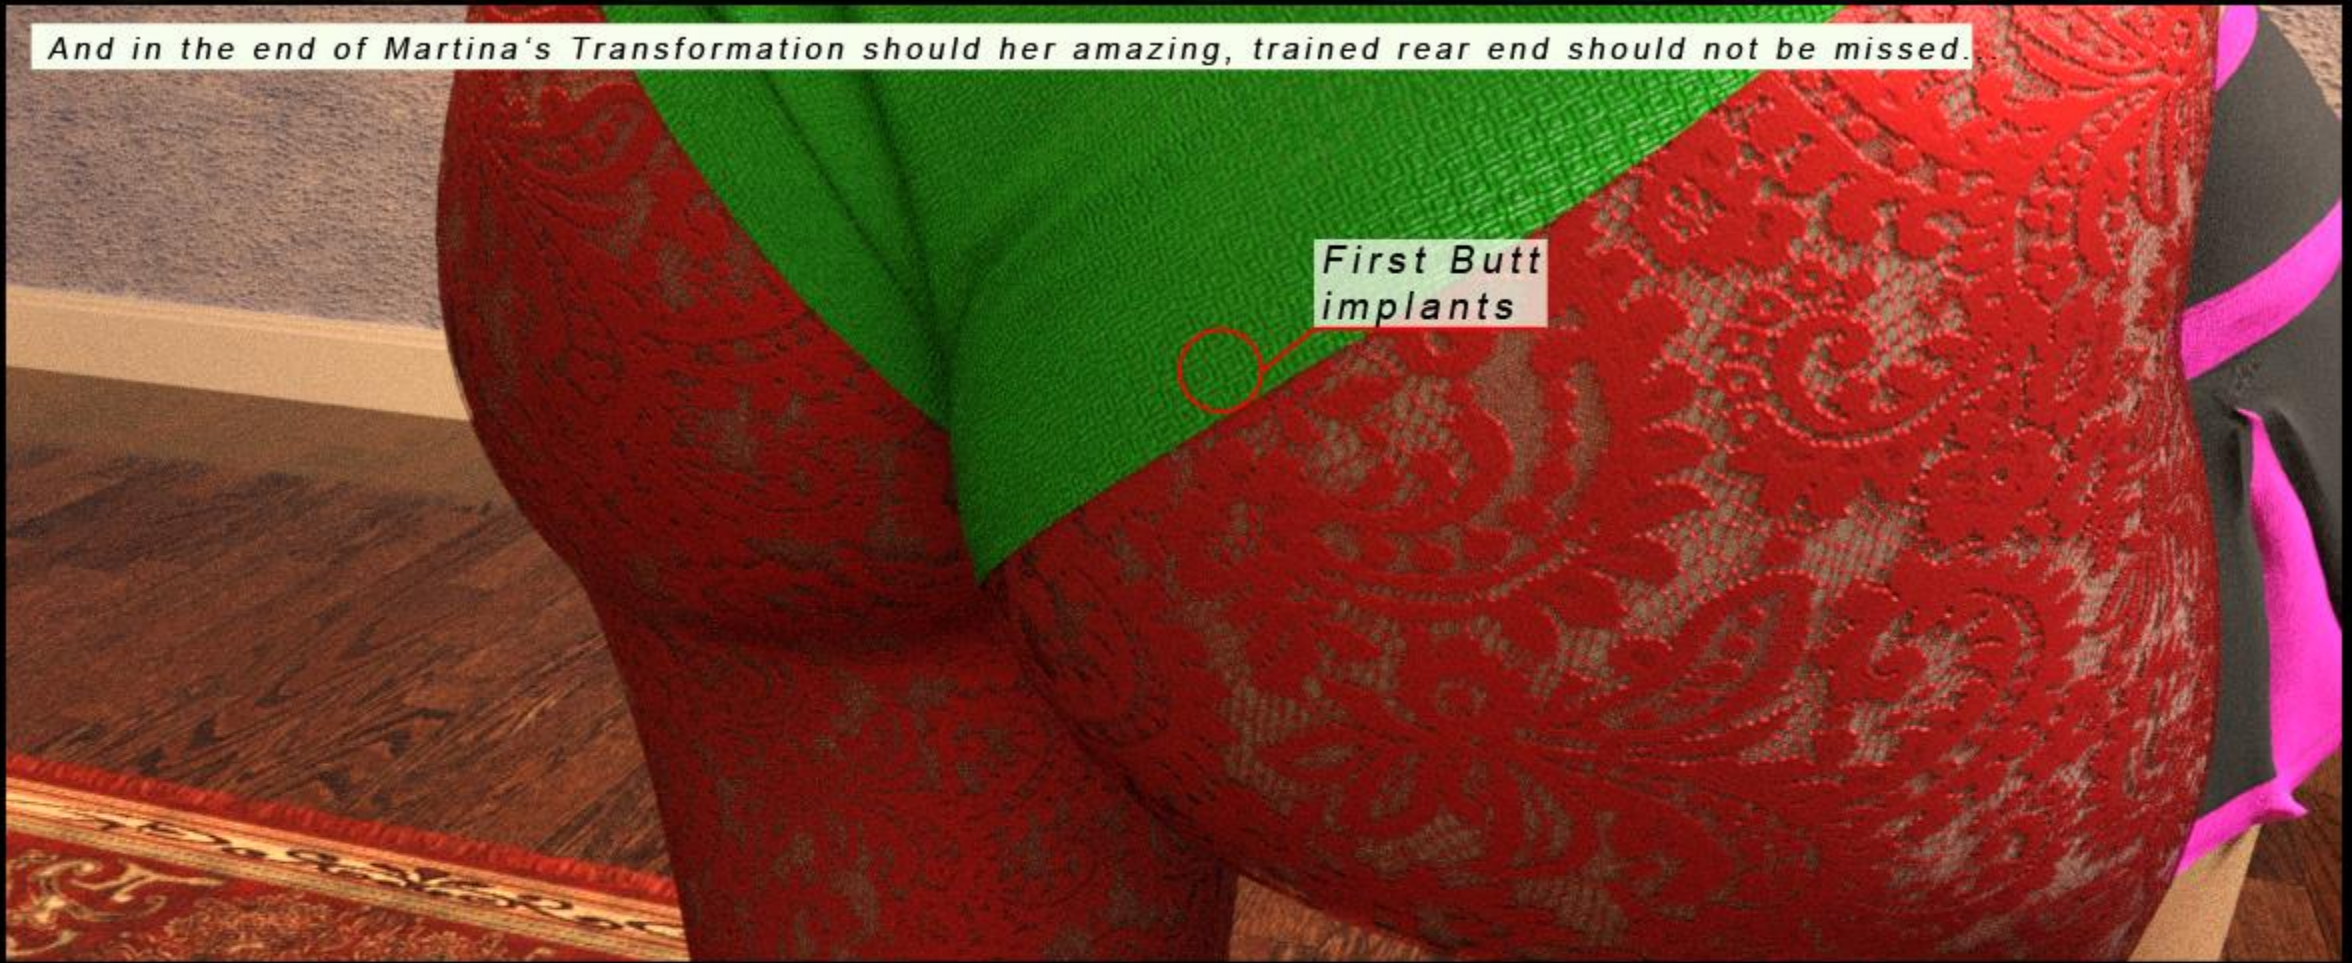

And so Martina's once natural beautifull face becomes over time that of an plastic loving Barbie Bimbo: Large Eye's, huge Beestung Lips, a tiny nose and some impressive Cheeks...giving her an always smiling look.

Bazira - the Succubus

And in the end of Martina's Transformation should her amazing, trained rear end should not be missed.

First Butt implants

Filler

Brazilian Butt Lift

And with this final expansion of Martina's now gigantic fake ass, everything has completely changed for Martina and her son Jason's life...sometimes it can be fucktastic how innocent words can change mostly everything...

Bazira - the Succubus

Wike...Hi!
I am Martia. Bwut
all call me Mimi.

Itsch nische
to meet susch a
Hottie. Cum in...schere
are Dildo's for every
puschhy who need

And you?

Pardon me Lady's.

FAP Party...

giggle
My mum is a real slut
you know? But come in, take
your clothes of and I will
show you how slutty
I can be...
Andrea.

And as the last minutes never exist (they didn't) both, Martina and Janine introduce them another time to Andrea...now far, far more slutty as it without the wishes of Jason and Martina ever would be.

Bazira - the Succubus

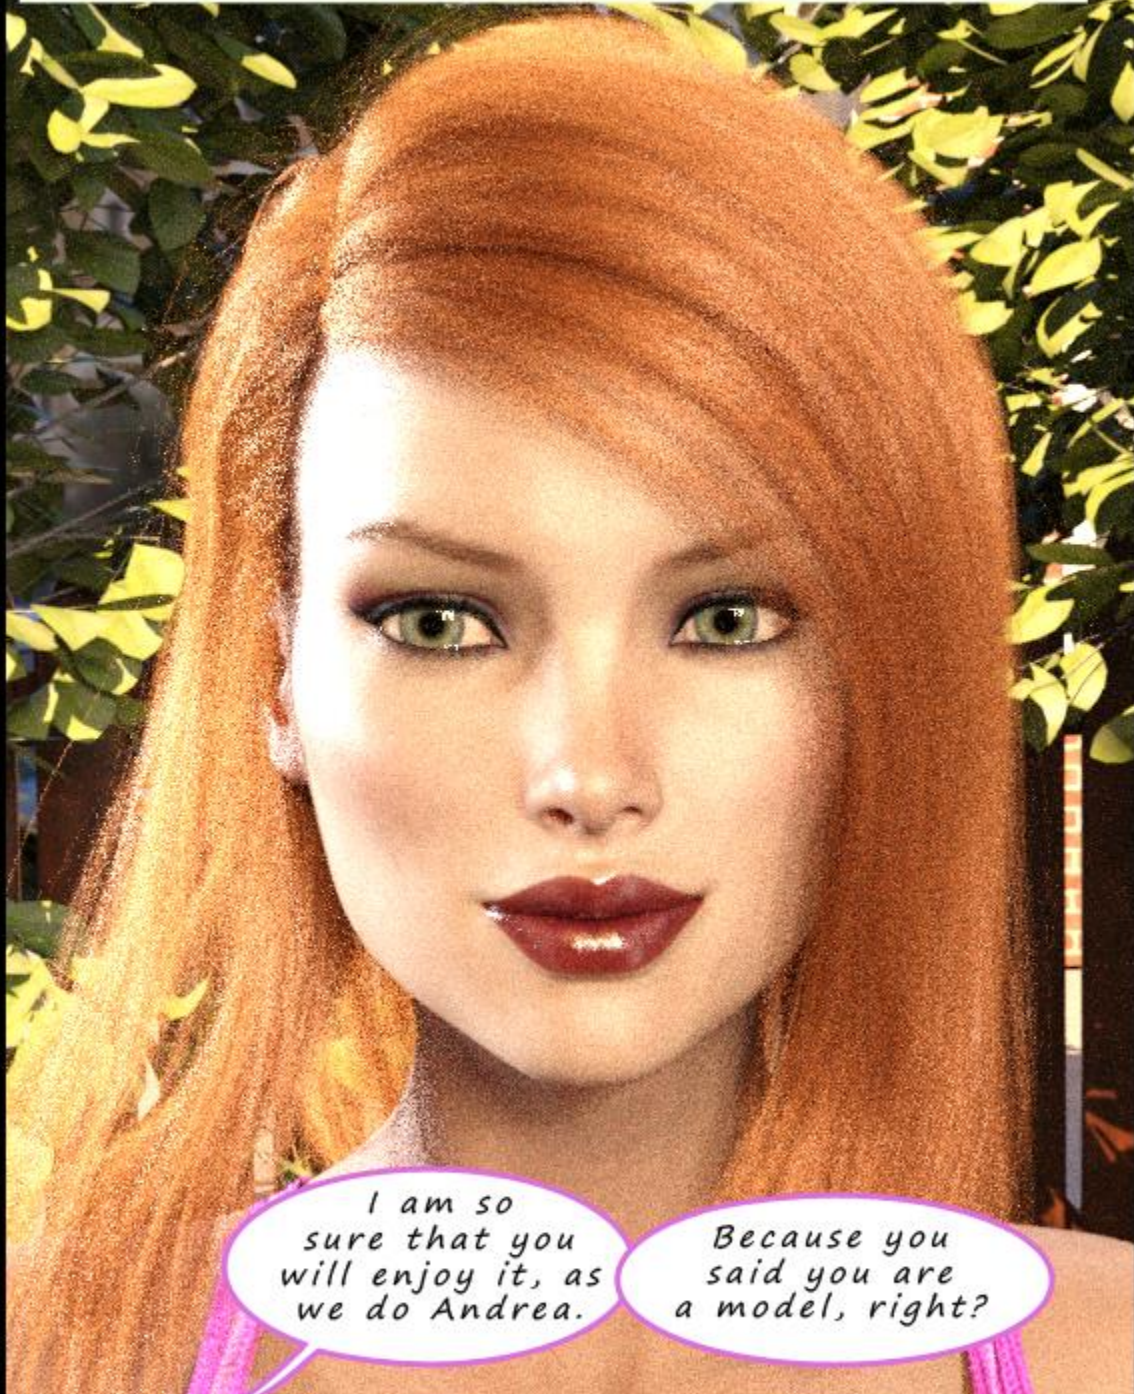

Are you kidding?
A FAP Party, like
an Orgy?

giggle
Come in Andrea,
please.

Andrea would fit into that
role...

Yea, I wish
that too Liam. She should be a
slutty, shortstacked 18 years old
Girl, extremely dumb...maybe an
High School dropout...

I would not deny that.
You both are right. I would wish
that this Girl would have the sexdrive
5 nymphomaniac Sluts have including the
sexual experience. She should be focused
on her extreme plastic look and a
dozen of good fucks...every day.
That is what I would
wish for.

James, that would
be the cherry on the top.
You see Andrea why we can't
engage you for that ro...

Wait...what
did you...?!

Bazira - the Succubus

Farewell
Andrea. Enjoy your
new life...

I think
we looked it from
the wrong side. She is
so clearly a Bimbo as
I am an tomboy. She
is in for me!

Yes. I think
the same..Emma is
a boring tomboy. I often
hoped she would be more
curvy, hehe. But serously:
I think Bambi should
have the role.

Liam!
And I would
wish you would
be female!

Oh Emma..
I would wish that
too, har har.

Guys...please. This is
still a casting, yes? From
my side everything is clear
and so I would say: Welcum

Me like tots
want to be a
famous Bimbo!
giggle

Bazira - the Succubus

A succubus named Bazira with red skin, long black hair, and horns, holding a red sphere. She is looking towards the viewer with a slight smile. The background is dark with red lightning bolts.

That was unexpected for me. But no matter, it was an experience.

There will be other vessels like Andrew who want to become my servants and bring pleasure to the world

And how knows? Maybe I find my beloved sister after all that Millenia. She is still somewhere here on Earth.

But for now I have to bring all that souls to my Mistress

Bazira - the Succubus

When I remember
how beautifull this
place once was...

...and how
dark it now is.
I really hope that the
souls I collected
will help.

What will I
do when she ask
me about my
sister?

...

On the other
hand...who knows
where she is...

Bazira - the Succubus

My Lady!
I have returned...
and I see that the
souls was...

...helpfull.

How
do you feel,
Lady Lustra, Goddess
of Joy and Pleasure,
Mistress of
Femininity?

Look who is
back...Lilith, now
known as Bazira!

Thank you
so much. I am
regaining my power
with your help.

Bazira - the Succubus

Oh Lustra,
the world has
changed...

Come, Lillith...
after that amazing
fuck pleasure it is
time for some work.

...but the
most positive
thing is that your
brother seems still
bound...his believers
are weakening...

Bazira - the Succubus

And while Lillith / Bazira and Lustra the Joybringer, Goddess of Fertility, Pleasure and Joy, walk to Lustras Throne, Lillith inform how much the world over the millenias has changed and with it the humans...

So you mean that many males have the deep wish to be Female but often does not talk about that?

Also that sexuality is increasing while many Woman goes the way of pleasure?

And Eve's way of feminity...it was called "Bimbo" is very popular?

That are good news...extremly good news to be true.

Yes Lady Lustra. While I possed Andrew most Transformations was exactly this...

I can only fullfil the deepest desire a human have...those was the most.

And yes...Bimbos, Milfs, Brats, Sluts... and so much more are very popular.

Bazira - the Succubus

And Eve's Bimbo path is still working in your interests Lady Lustra.

With it I was very easy to catch enough souls to power up your realm.

And I truly enjoyed it too...but I could not find my sister and talk with her.

But she is there...Your brother's dirty plan didn't work out.

Bazira - the Succubus

You have done a wonderful job on Earth, dear. Take some personal time for yourself before you return to the mortal dimension.

That is the way, Lady Lustra. There are so many options waiting for us...

And each of them can be our success to bring Joy and Pleasure to the world...

And I will have my revenge on your brother...what he has done to my Sister!

I have to find her!

And you will Lilitik. We all will. I will send my lusty angels to guide your way and look out for Eve. It would be so great to have her back here - at our side.

Bazira - the Succubus

It is time
for my own
pleasure...
and some
relaxing
time.

The pool
of imortality is exactly
what I need.

Lady Lustra
and her Siblings may
be eternal and forever.
I am not - not even as
first hand of her
daughters.

Ah...exactly
the best temperature
to feel amazing....

Bazira - the Succubus

I stay forever young, sexy and powerfull with this eternal water.

And the best: All corruption my body got over the decades fullfilling all wishes humans had...is fading away...

This succubus form was amazing and usefull. But my own body and look is what I need to be under mortais again.
