Featuring

Scarlett...	A beautiful female model with the desire to dominate
James...	Scarlett's lover
Elizabeth...	Scarlett's neighbour – an archaeologist

It's evening, and Scarlett is anticipating the arrival of her lover, James.

She's preparing some food in the kitchen to set the mood... for she has something to ask of him...

Scarlett does not have to wait long. James is a very organized man who is rarely late, and soon she can hear his key turn the lock.

As he enters, he's on the phone... **again**. James is very dedicated to his work... a fact his boss blatantly abuses to push him around even after hours...

Yes,
Jeff...

Mhm...

Alright,
alright.

I'll do those
reports tonight.
They'll be on your
desk tomorrow
morning. **Promise!**

sigh

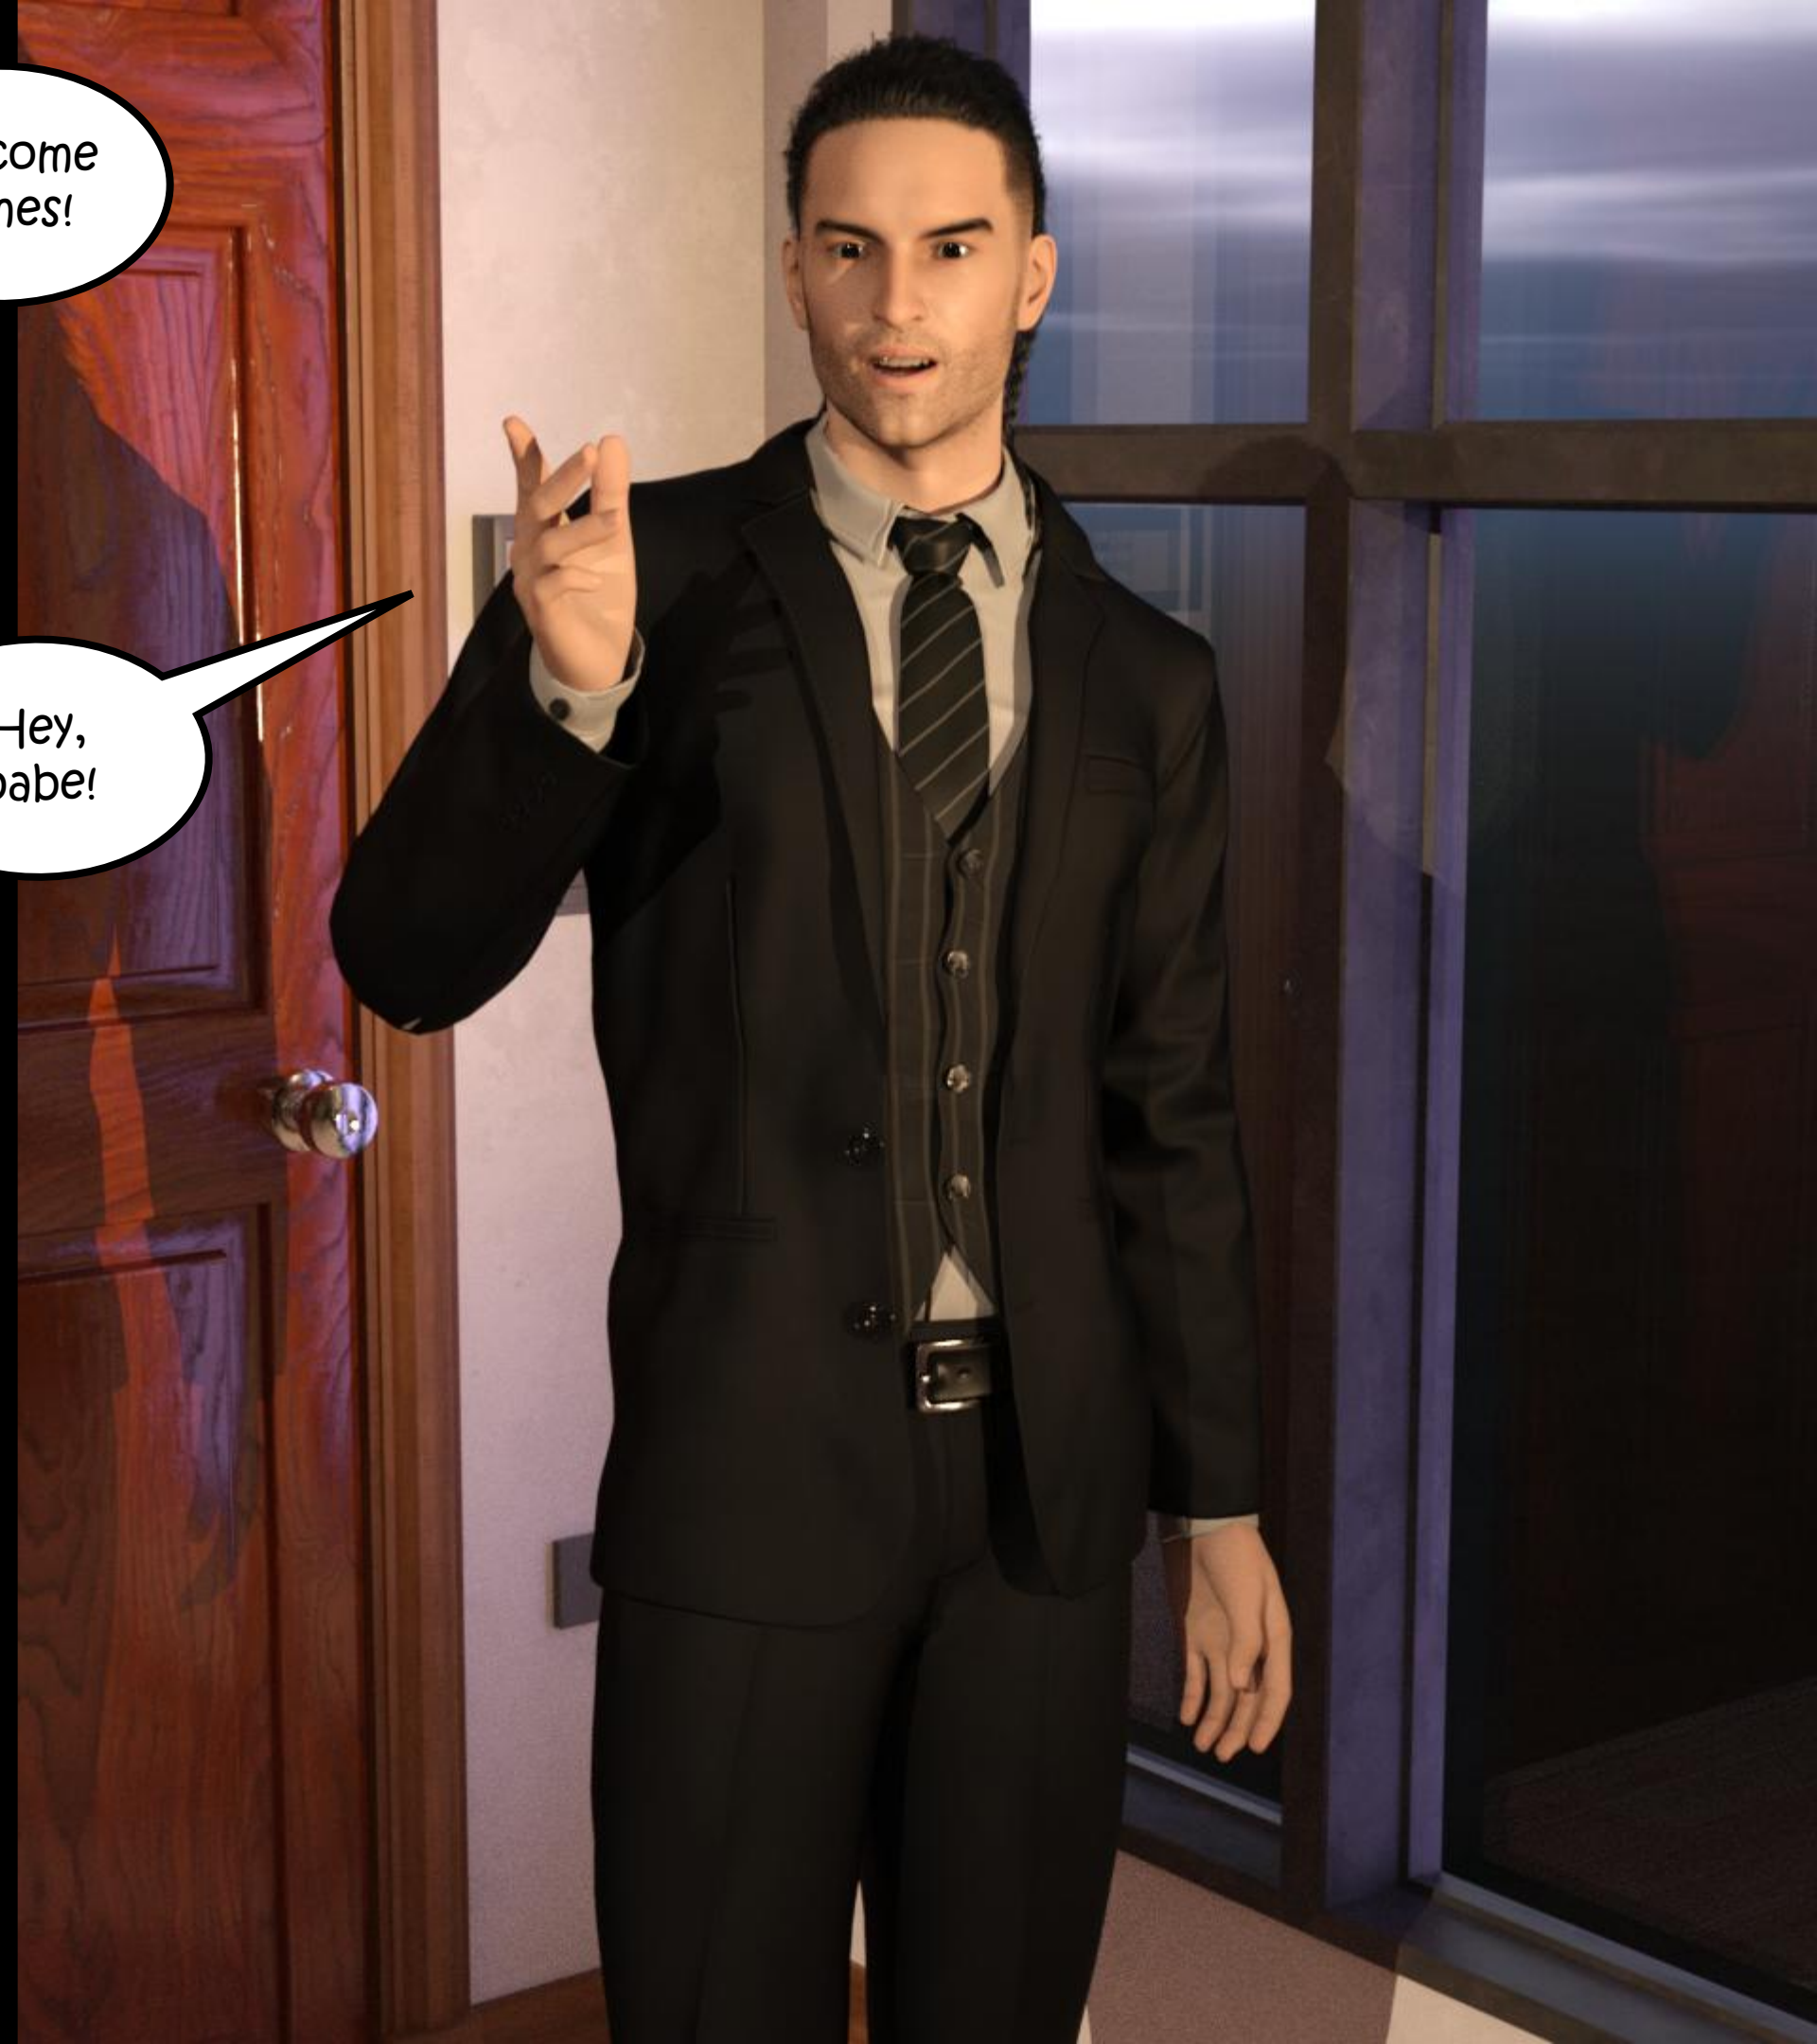

Stop thinking about
work, James! It's
girlfriend time!

Welcome
James!

Hey,
babe!

The two lovers embrace one another ...

And soon lock lips in a Kiss...

KISS

Want some
food first?

Or
bedroom
right away?

giggle

Bedroom,
definitely!

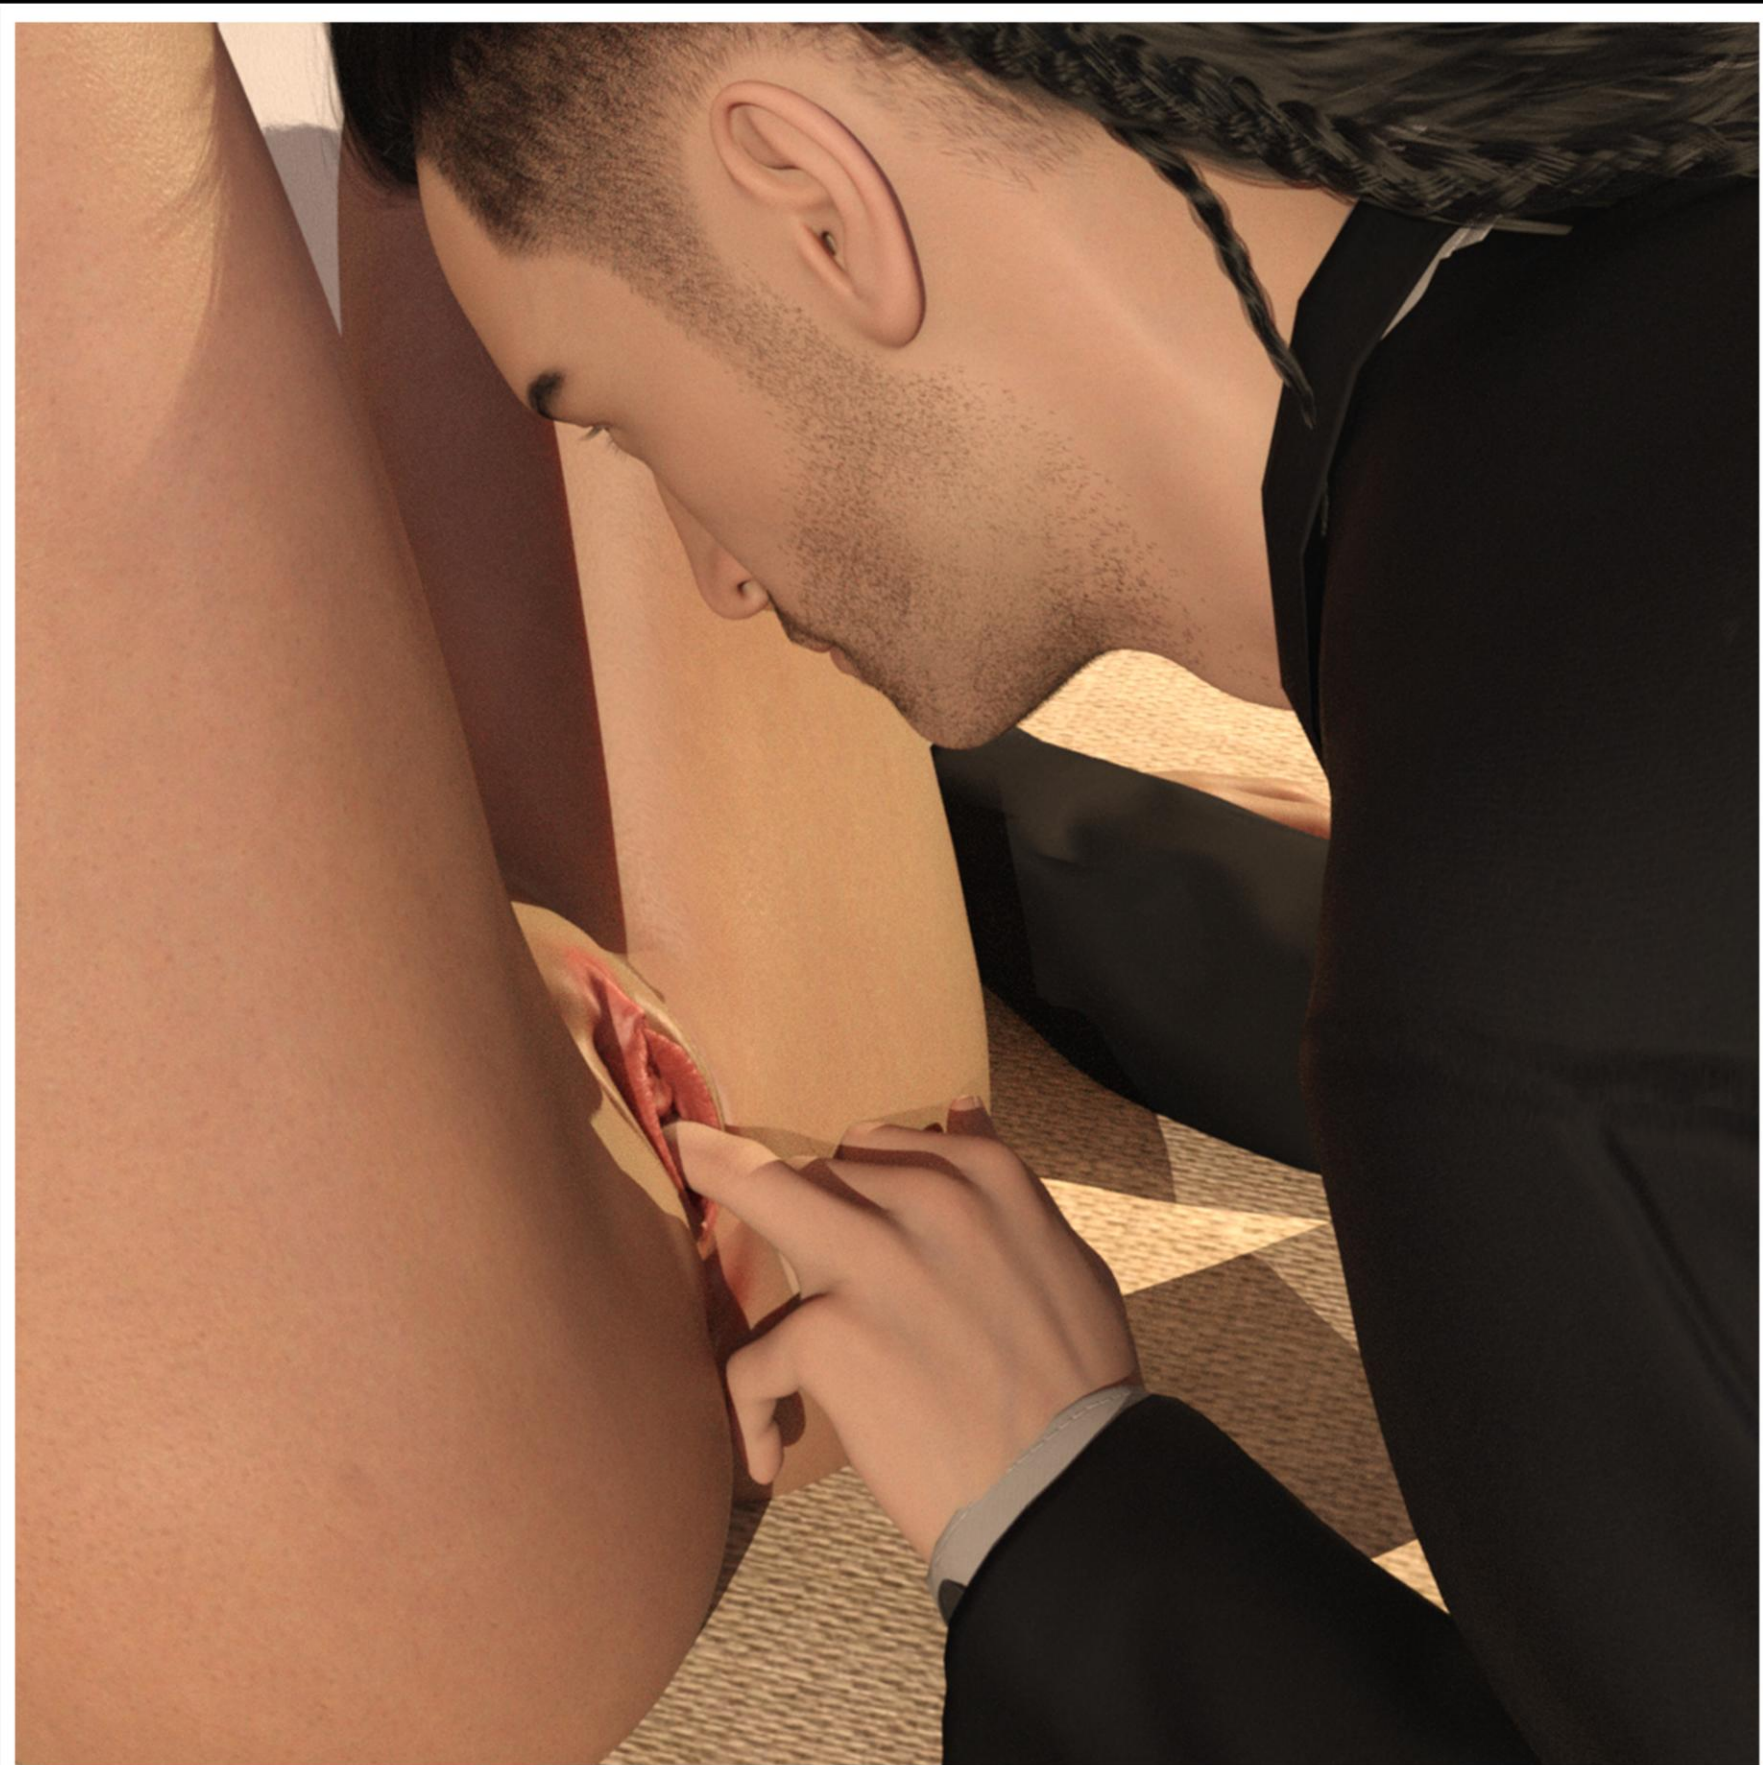

Shortly later in Scarlett's bedroom...

James is dutifully going down on his lover...

First, probing her nether folds with his finger...

Then using his tongue on her clit...

Moan

He's doing a decent job...

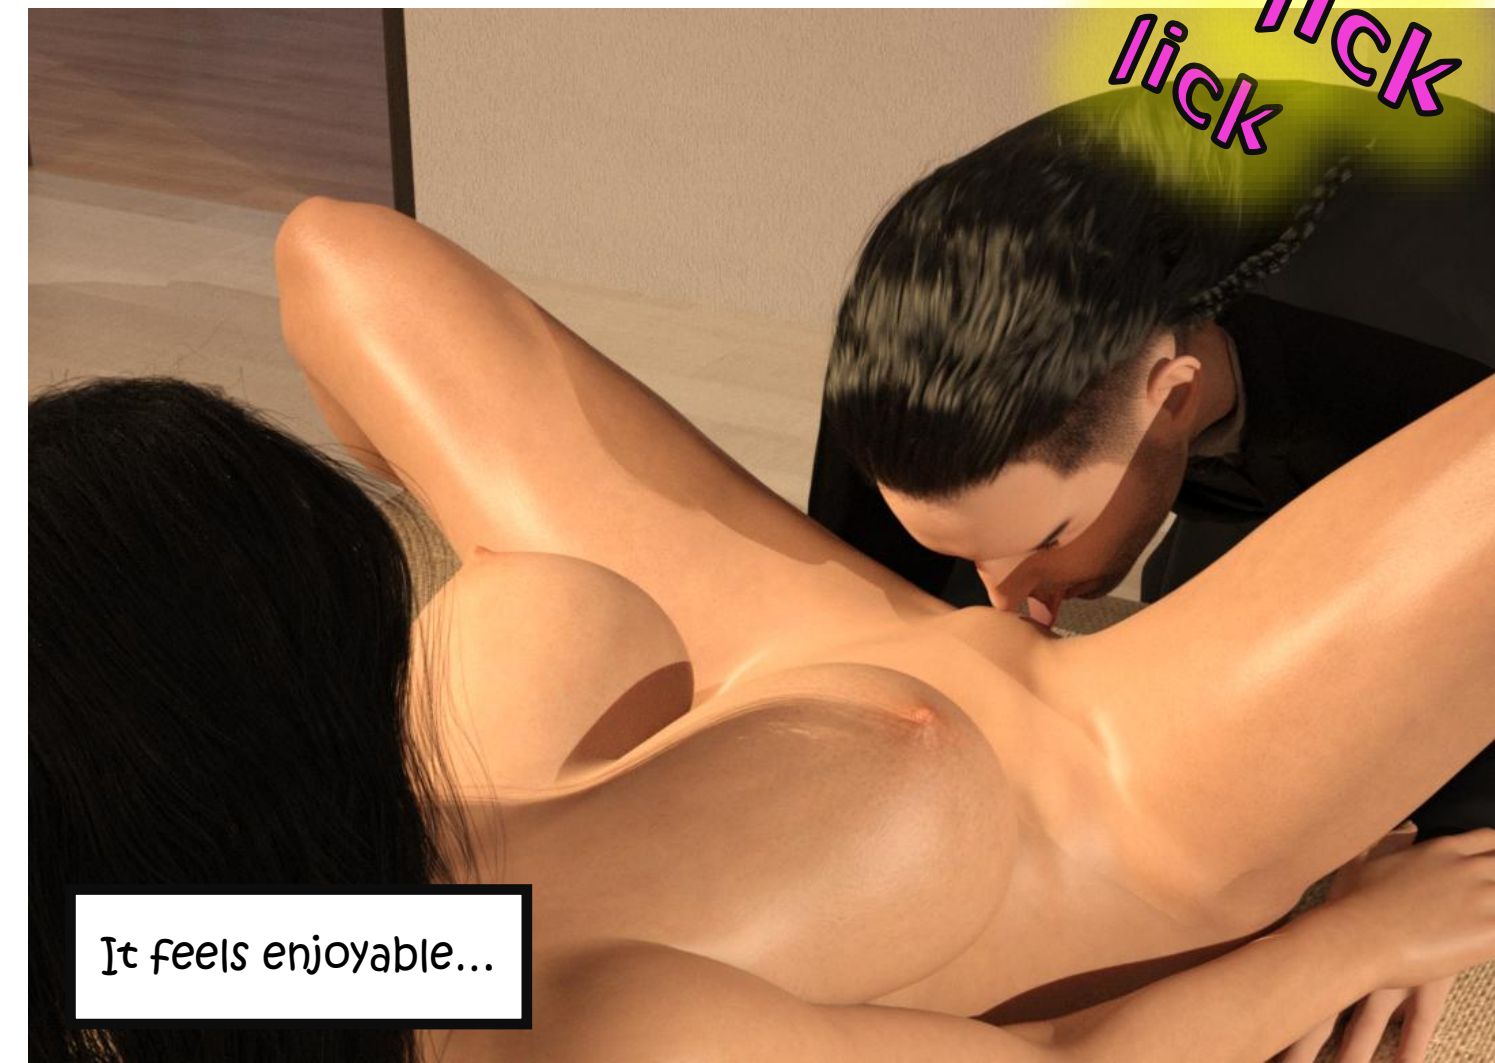

lick

lick

lick

It feels enjoyable...

But it's been the
same routine for
several months
now...

fap

After some pussy munching,
it's time for missionary...

Scarlett is playing along nicely to help him reach climax...

Groan

squirt

It works great for James...

Groan

Oh, yes!
Let it all out!

But Scarlett has not reached orgasm in their love play for weeks now...

...

pew
That was great!

It's not even James' fault, for Scarlett has a fetish he does not know about... yet.

She's about to tell him now...

So boring...

It's nice just to hang back and relax with Scarlett. No troubles, no stress with her.

Alright! Now or never!

Let's see how that works out...

James...?

Huh?

Can we... talk?

Sure, what's up, babe?

I was wondering... if we could... maybe... spice things up in the bedroom?

Errr... okaaaay... what did you have in mind?

Well... I probably dropped a hint or two over these past months... but... I really am into BDSM.

James had no fucking clue!

BDSM!? Like handcuffs and stuff?

So... I was thinking I might tie you up... and we have sex that way...

Woah! Wait a second. You want to tie ME up?

Leaving Scarlett to her thoughts
alone in her bedroom...

A few days later...

Scarlett's just getting back from a modelling gig. She's walking up the stairs to her apartment – her thoughts are still hung up on James and her love life...

James is a
really kind
guy...

And here we have Elizabeth,
Scarlett's neighbor. They are on
good terms.

Elizabeth is an archaeologist and has
just returned from her latest trip.

I can't wait to
further check
this thing out!

But if things
go on like
this...

I'll never have
an orgasm with
him again...

Scarlett!
Hey!

How was your trip to Egypt?
Did you find anything cool?

Err... Scarlett...
I'm researching
Aztecs. So,
Mexico!

But anyway, I
indeed found
something cool.
Wanna see?

Liz leads Scarlett into her apartment. Books are stacked high on her living room table.

Looksie!!
I've never
heard of any
artifact this
well preserved.

I don't know how old
it is exactly yet, but
first tests confirmed:
It is ancient!

Oh... right.
Sorry!

It's very old. It
could crumble
when not handled
with Care.

A wishing
bracelet... that
would be so cool
if it were real.

You know
what I'd wish
for first?

No...
what?

Please just
put it down
already...

I'd **wish** for you to forget everything about it so I can have it all to myself, of course. **giggle**

Ha-ha...
Yeah, that's a
pretty practical
approach, I
guess.

...

Errr... Liz?
Are you okay?

Woah!
Scarlett!
Personal space?

Oh, what
do you have
there?

Looks like
an Aztec
motif.

Where did
you pick
that up?

For
real?!

Oh... that? ...
Just a little
trinket I picked
up at the market
on my way home...

That reminds me, I
have got something
to do, and I gotta
hurry.

Oh... that's a pity.
I really wanted to
show you the old
stones I found.

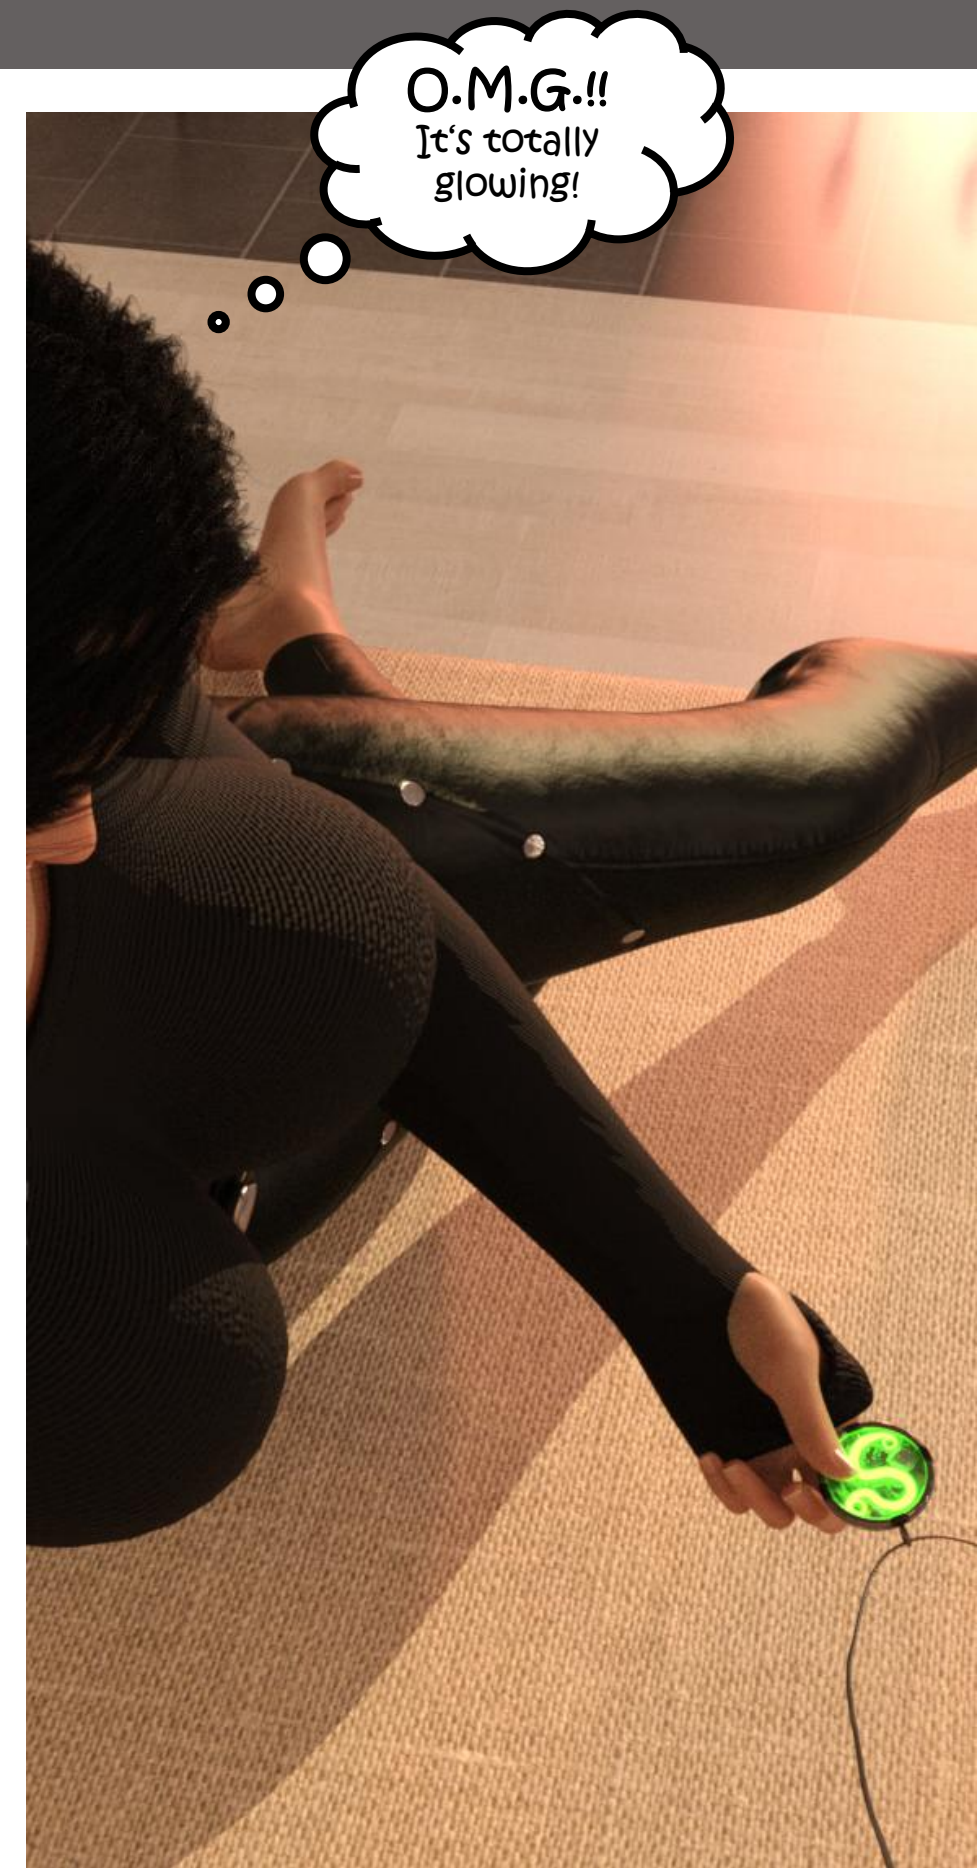

Shortly later, back in
Scarlett's apartment...

Did that
really just
happen?

Is this really a
magical wishing
bracelet?

Later that evening... Just as
James enters Scarlett's
apartment, his phone rings
once again...

Hey, babe!
I'm here...

ring
ring

I'm hanging
up now!

Well, if it's that
important, do it
yourself, Jeff! I'm
off the clock!

What an
idiot!

Oh, wow!

You totally
showed him!

Hope you are
not getting into
any trouble at
work.

Wow!
He seems so...
determined
today!

Ah, don't
worry. That
prick needs me
more than I
need this job.

chuckle
That won't
be necessary,
babe.

iiiiikkkk

rustle

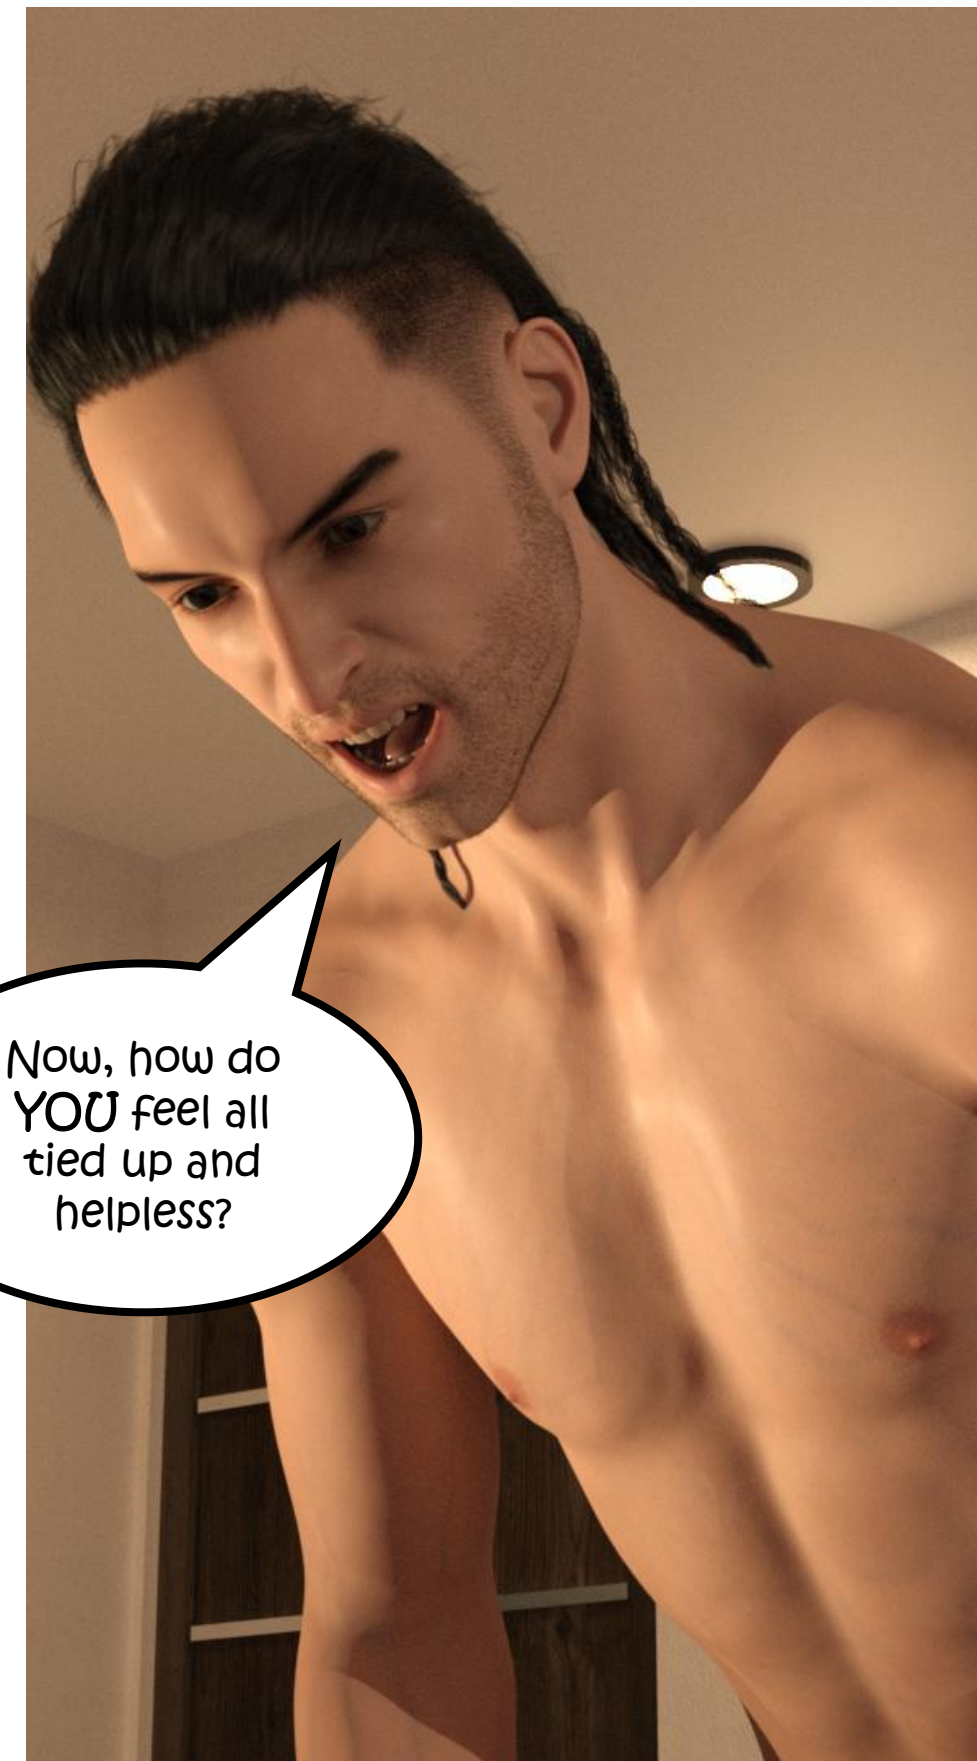

James!
What are
you doing?!

It does not take long before Scarlett finds herself tightly bound - her body arranged in a tight, compact position on the bed - ass up in the air...

This is not what I had in mind!!

This is not
what I wanted!

Aha-ha-ha

fap
fap
fap

1 Oh, fuck yes!
I admit it!
It's... not bad!

Not bad?
2 I can feel your pussy
clench. You love this!
You little subby slut!

fap

Groan

Moan

And so, Scarlett ends up betrayed by her own body – finally reaching orgasm while being bound by the man she wanted to dominate.

One strong orgasm on
Scarlett's side later...

I can do with
you however
I see fit!

Please, at
least don't
hit my hair!

Groan

squirt

Ewww!

sigh
There, you
got your way!

Now
untie me!

James!

Yeah...
maybe later,
babe.

I'm gonna
grab a bite to
eat.

James!

klonk

Argh!
I can't
believe this!

This stupid
bracelet!

sigh

I can feel it drip
all over my face...
and into my hair!

Thank you for reading!

Hello, Hexxet here,

Poor Scarlett... all she wanted to do was tie her lover up in bed... and now she's the one being dominated... Has she learned her lesson? Or will she try tamper with that bracelet once again?
