

Hi there cutie,
wanna visit
our farm and
try some of
our milk?

Wow,
a hottie like that
invites me to
her home?

of
course!
I'd love
to!

She seems a bit crazy,
but look at her... this
is worth it... Why am I
feeling so dizzy?

get on all fours! I
wanna see
everything.

I can not think straight...
the grass looks so tasty...

Wanna
have
sex
now?

I need to examine you first...
I promise you, soon you will
have more sex than ever
before in your life...

Is that true?

Yes, of course!

A good owner always takes care of their livestock...

You
own
me...?

I can't think...
Is she my owner?

Yes I
do, silly
cow.

1 week later...

Owner is back!

How is my
new
favorite
cow doing?

My breasts feel
sore and my vagina
is tingling the entire
time.

Please help me
owner.

Don't worry.
Once you have a
proper vagina
and an udder it
will stop.

after 1 month...

How are you Buttercup?

That big cock is scary...

The bull is looking at me strangely.

Of course he does. You will have his calves soon. He is excited.

after 2 months...

Look at her.
She cant even
stand
anymore.

the bull is so
sexy... I want
his calves
sooo bad...

after 3 months...

Today is the big day, buttercup. You will get to know Butch.

Mooo...

Butch... me want Butch calves...

I wonder how her milk will taste like, once she is pregnant.

after 4 months...

so deep...
need harder...

MOOOO!

She is getting mated almost every day now. I really need to check her uterus.

after 5 months...

Mooo...

How is my pregnant girl doing?

Come here
girl. I can not
waste to taste
your udder
juice.

Can you imagine
that you have been
a young boy not
too long ago?

Now you are
nothing more than
a depraved bitch
for bulldick.

after 1.5 years...

Your parents were here to ask if you were seen here.

Of course I said no.

Who knows, as soon as you are of no use anymore, maybe I send them a little beef to cheer them up...

Come and visit
my farm...

I am sure you'll
never want to
leave again.

THE END
