
Becoming A Milf
BY SUNSHINE STORIES

Next Morning

Haaa... finally, a good night's sleep.

Today, I’m going to act like a mature woman... not some restless teenager. Time to get ready.

Let’s see... what should I wear? Something that screams 40+ year old mom with every step.

Ugh... these are way too big. I don't know if it's ***MY*** boobs or this top that's the problem.
Come on... just squeeze them in somehow...

Haaah... finally got it on. I can barely breathe in this... but at least I've got some freedom between my legs.
Better head out before Toshiro asks something

Later
Oh, Michiko, you're here... uhh but are you sure we're really going to the parlour?
CORN CEREAL
Huh? What do you mean? Of course we're going to the parlour!

Then why are you dressed like we're going to a wedding?
What? Do you think ***MY*** dress is not good?

Uh no, it’s umm.. very good.. but you know.. it doesn’t exactly feel like uh.. forget it, let’s get going.
Okay, let’s go.
CORN

Oh, mom and, uh, ma’am... are you going somewhere?
Yeah, we’re going to the beauty parlour. Look after the house, okay?

Look at him... staring at ***MY*** boobs like always. Does he think I can't see that?
Uh, okay Mom..

Let’s go, Michiko.
Uh... yeah.

Then I forgot to turn off the gas, and it overcooked. Can you believe it?
Ohh, that’s crazy, Sachika.

What the hell is this conversation!? Are we some kind of housewives who just do chores all day? Uhh, in a way, I guess.

Damn, check out those two MILFs, man.
Man, look at the one with the big tits she’s practically bouncing with each step.

Yeah man, what I'd give to pound her... Her husband's one lucky bastard!

Ignore them, Michiko they're just motherless teenagers.
Yeah, Right...

Can’t believe I ever thought I was one of them.. Maybe my age really is catching up to me. Now I’m actually glad I’m not like them.

I’m glad my Kenji isn’t like that.
Uhh... yeah...
Man, Mo-
I mean Sachika is so innocent... She has no idea how ***Her Kid*** looks at ***ME***.

Don’t worry, Sachika.. even if he is like that, I’ll make sure to keep an eye on him at school.
Ohh, thank you, Michiko. I’m glad I can count on you.

Ohh, look—we're here. Let's go inside.
Uhh... yeah...

Be calm... don't be nervous. It's just a parlour... for women like ***Me***

Oh, hey Michiko, Sachika, long time no see!
Hey Akiko! How've you been?

I’m doing fine. What about you two?

We're good.
Yeah.. umm.. good.

So, what can I do for you two?
We're here for a haircut. Are you free?

Yeah, I just opened up, so I’m all yours.
Oh, that’s perfect then.

So, who wants to go first?
Uhh... me?
Of course Michiko!
Hair Salon

Uhh... okay...
Yeah, why not?

So, Michiko, which hairstyle do you want?
I don’t know... but something that says Mom.

Ohh, I see. Fine, then - let’s begin.

After 30 Minutes
Gosh, Michiko, I can’t believe that’s you!
Well, my work is never mediocre.

Tell you what, Michiko, I've got some really cute outfits in your size. Wanna try them on once we're done?
Uhh... but I already have so many clothes...

Yeah, Michiko, let’s check them out after this.
Oh, come on, a woman can never have too many clothes.

Uhh... okay. But they should scream ‘Mom.
Geez, woman trying to look young and here you are wanting to look like a mom, huh? Anyway, fine.

Okay... now can I see myself now, please?
