

# Becoming A Milt

BY SUNSHINE STORIES

W.. who are you!?

Before her, tell me, who are YOU! And what are you doing in my mom's body?

I.. I'm sorry,  
sweetie..

Don't call me that!  
You're not my mom!  
Just tell me who  
you are!

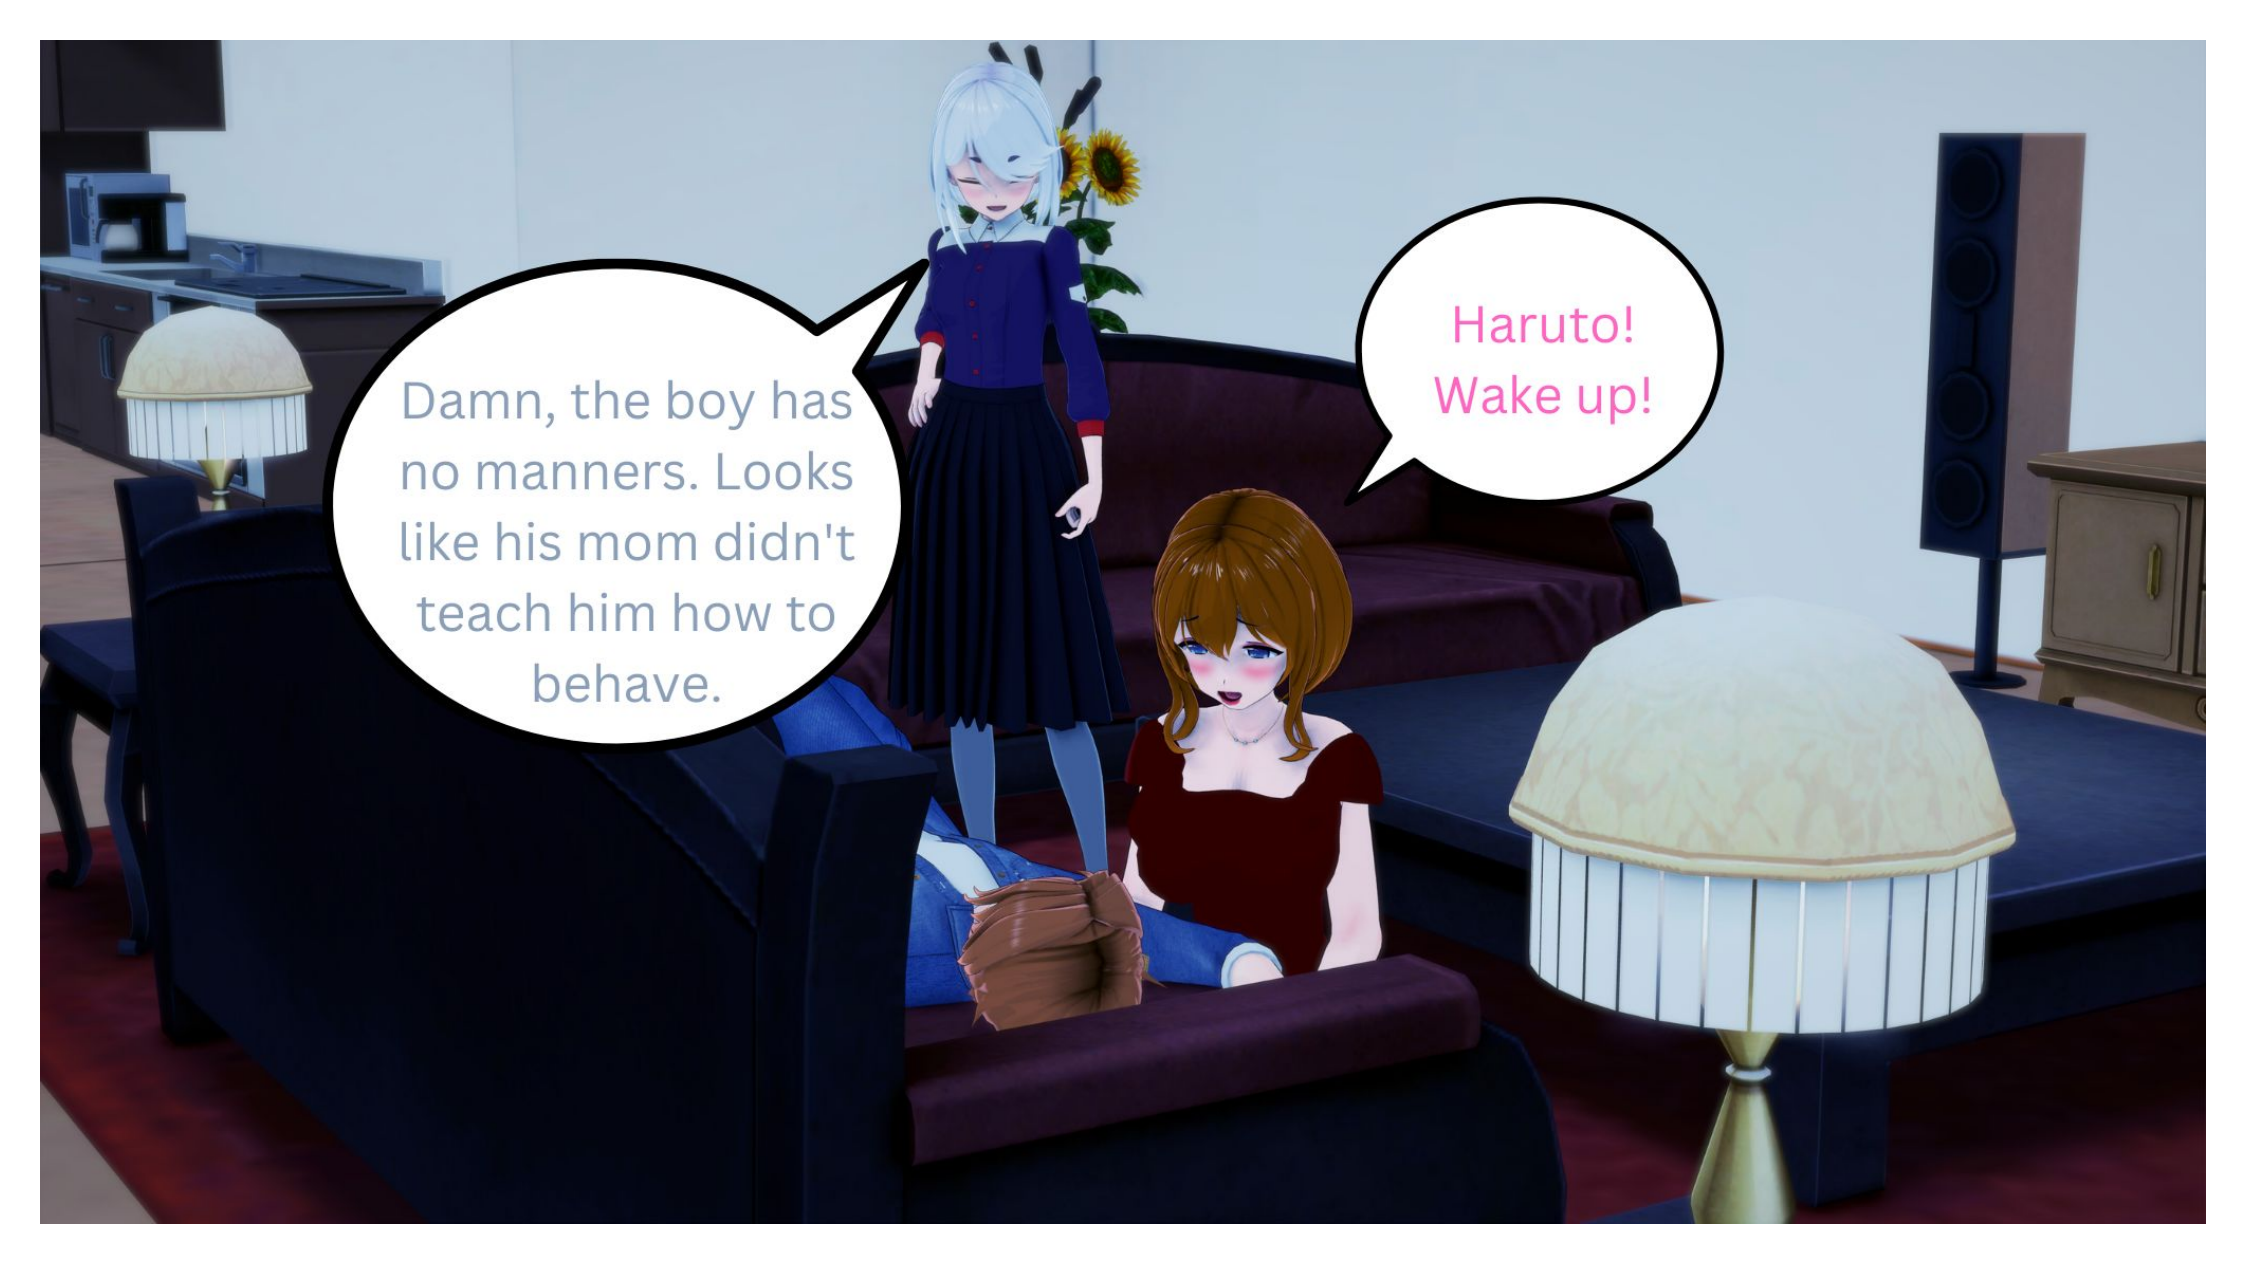

I.. I'm Kaito...

Kaito!?! You mean that loser son of Ms. Sachika??

Hey! What are you doing to him!?

Enough, boy..  
now let the ladies  
do the talking.

Damn, the boy has no manners. Looks like his mom didn't teach him how to behave.

Haruto!  
Wake up!

Relax, I saved you,  
you know.. I just  
made him fall  
asleep.

You little wench!  
Who are you and  
what did you do to  
Haruto!?

And as for who I am, why don't u go freshen up before I tell you.

Ok, now tell me  
who you are.

Uhh, you see, I'm the one who's responsible for your umm.. transformation..

What!? Are you saying you're the one who made me a woman!? How's that possible?

Whoa, whoa, slow down a bit.

You expect me to react normally after what you just said? Tell me, how did you even do it?

Well, for me to make a deal with someone, they need to obey me first.

That's why when we first met, I told you to look there and you did, making our deal forged.

So let me get this straight, you made a deal with me without even asking my permission, is that right?

Yep, now you're getting it.

And you're the reason why I'm stuck as a woman all this time.

Haha, you're getting smart. How was my surprise gift?

The hell with your surprise gift! You literally transformed me without even my permission!

Uhh, what happened? Why are you screaming at me?

You should be lucky that I'm screaming and not... killing you to death for ruining my life.

So scary. Are you on your periods, or is the age finally catching up to you?

A 3D-rendered scene in a room. On the left, a woman with brown hair and blue eyes, wearing a white dress with a blue ruffled top and a blue skirt, stands with her arms crossed. A speech bubble next to her contains pink text. On the right, a child with short white hair, wearing a white long-sleeved shirt and a dark skirt, stands with their back to the camera. A speech bubble next to the child contains blue text. The room features a large wooden dresser with multiple drawers and a desk with a computer monitor, a speaker, and a pen holder. The floor is made of light-colored wood.

Just tell me who  
you are and for  
what reason you  
turned me into a  
woman..

Well, that's where  
you're wrong, I  
didn't turn you into  
a woman, I just did  
a bodyswap.

What!? And why did you do that!?

Well, because you wished for it. I saw you multiple times wishing

“I wish if I got my hands on a body like that,” “I wish I was a teacher,” “I wish I was an adult like my mom.”

And since I was a new recruit, I thought you and that Michiko are perfect to be my first clients.

Since she was also tired from her adult life and wished if she was a teenager again. So there was no reason to ask permission of u 2.

And so I, Lavina, a  
fairy, member of the  
Body Transformation  
Department, chose  
you and her to be my  
first and only clients  
for now.

I know you  
must be very  
prou-

You little witch! Do you have any idea how badly you misunderstood me?

When I said, "I wish I got my hands on a body like that," I meant touching a MILF from the other side, not becoming one myself!

Ehh, you humans have a weird language. How would I know you all don't literally mean what you say?

I don't know what this department is or where it is that you work, but you're the worst person they could have hired!

Huh... forget it.. just  
tell me how I can  
return to being  
Kaito again..

Well, it's pretty  
easy. We just have  
to ask Michiko , the  
one in your body  
now.

If either one of you decides to break the deal, then the other has no choice but to reverse it too.

Talking doesn't work. I tried twice to see if she's really Ms. Yamashita.

But it always looks like it's my clone who's talking, not Ms. Yamashita.

Huh.. that's weird.  
I 100% remember  
that I did a bodyswap  
and not something  
else. So how's this  
possible?

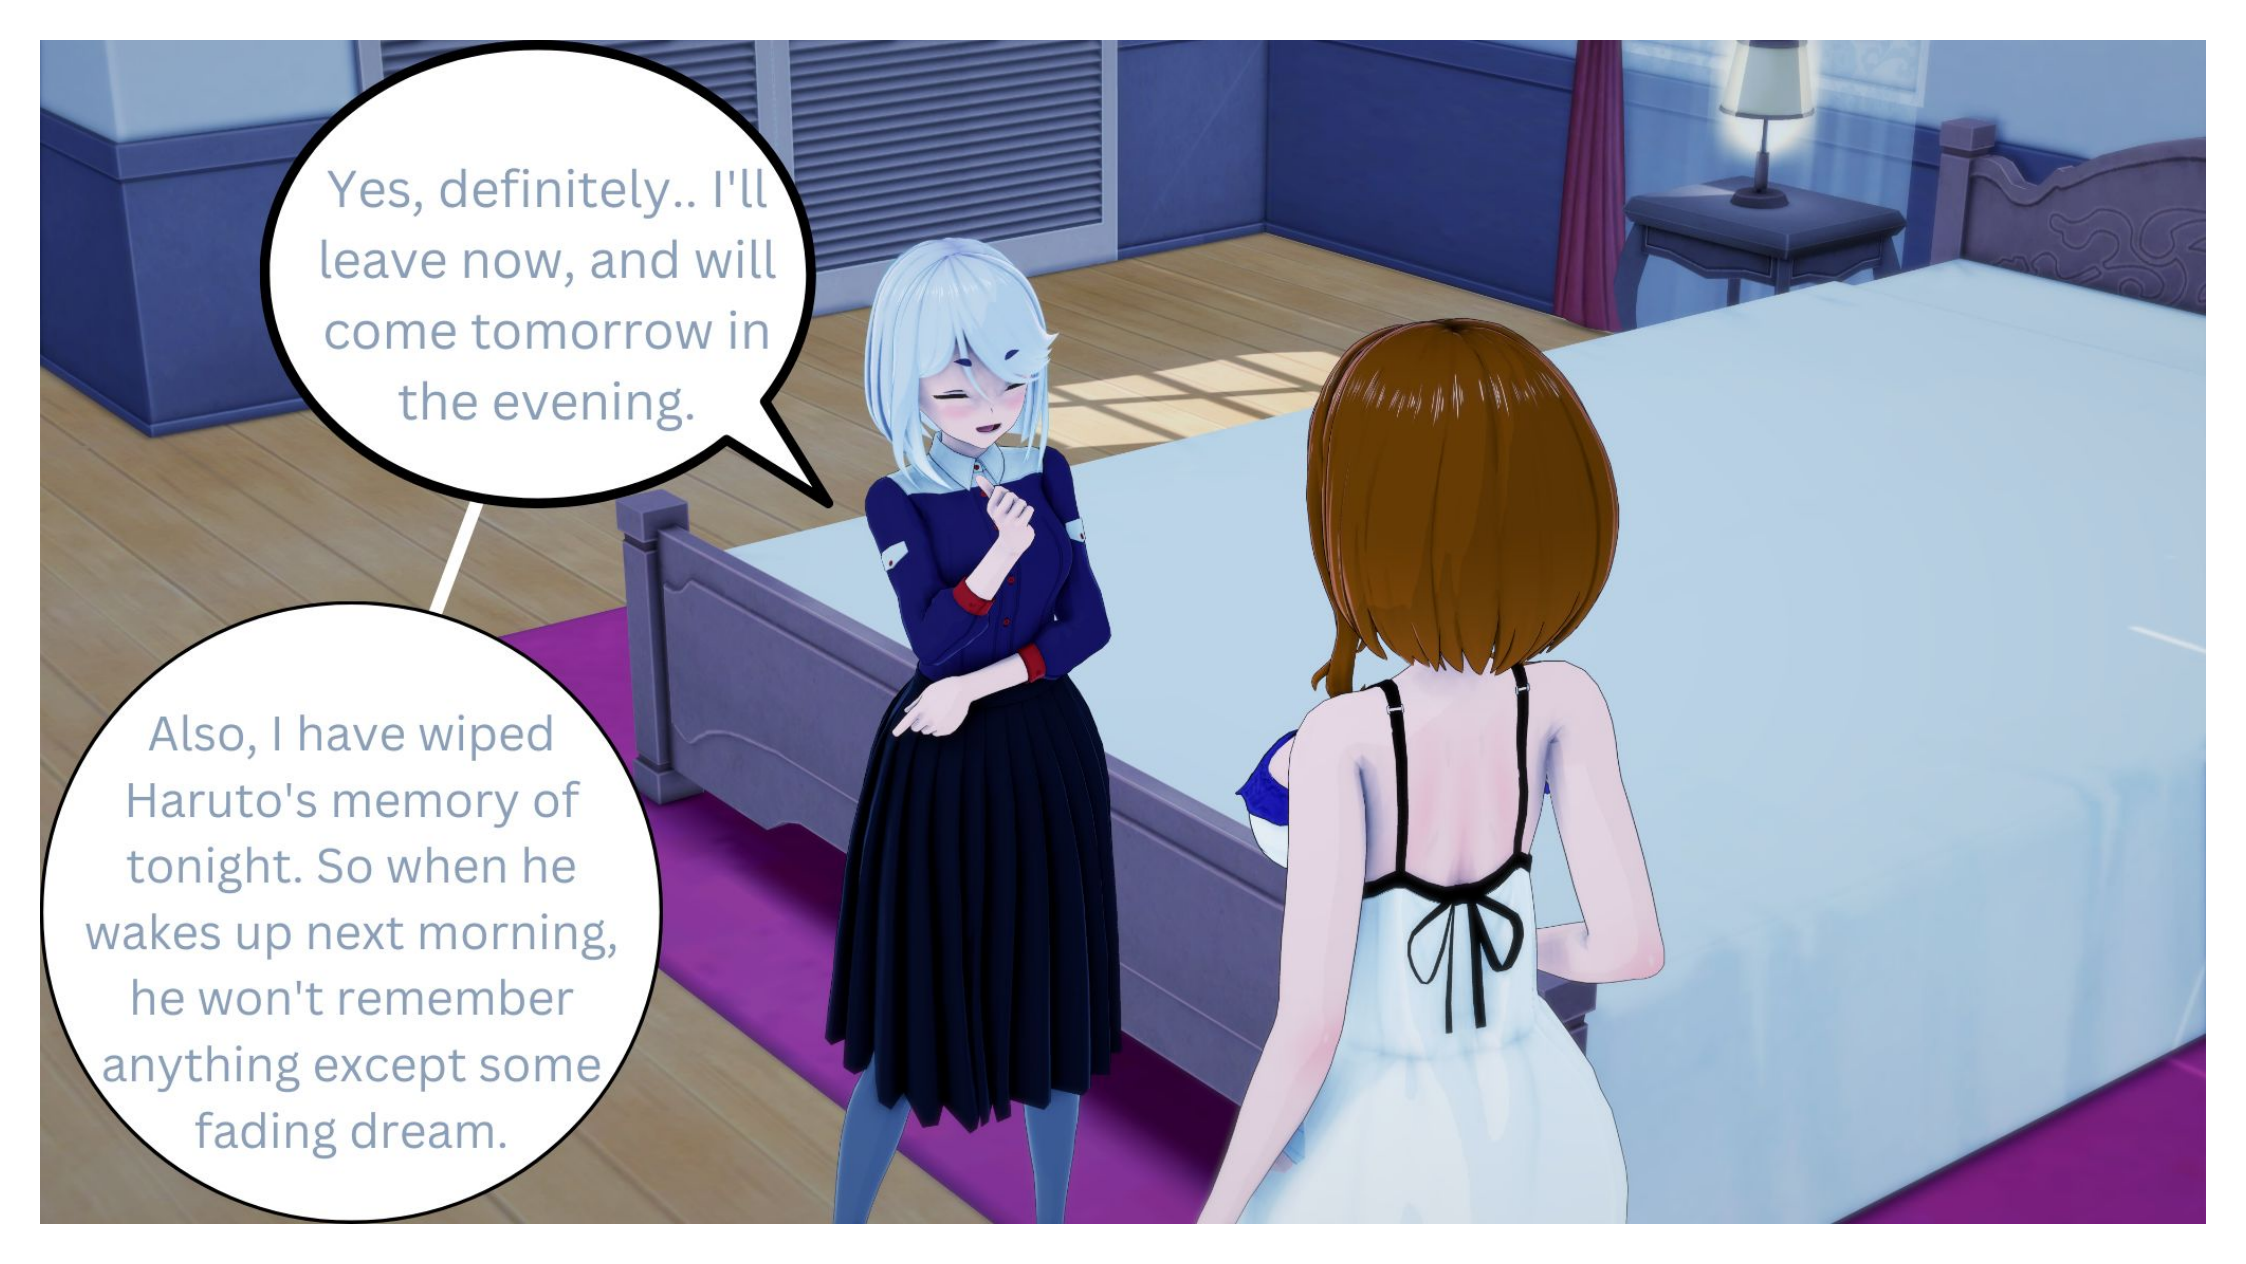

I'm not lying,  
trust me.

Ok, fine. I'll come with you tomorrow to your real house and we'll confront michiko or that clone to know what's the issue.

Really!?! Then..  
will I go back to  
my original  
body!?!?

Yes, definitely.. I'll leave now, and will come tomorrow in the evening.

Also, I have wiped Haruto's memory of tonight. So when he wakes up next morning, he won't remember anything except some fading dream.

Now bye! Have a  
good night! See  
you tomorrow!

Umm, ok, and  
thanks for-

Coming.. where  
did she go? and  
why am I getting  
déjà vu..

I'll go back to being a man.. no more back pain because of huge tits or wearing skirts or being stared at for my ass and boobs.

Tomorrow all will be gone! I can fuck women again, haha, and not get fucked! I can't wait for tomorrow
