HIS SECRET REVEALED.

It wasn't easy for Christina to adapt to the fast-paced and stressful life of being the mayor's secretary, but she was relentless and never let anything stop her from accomplishing her goals and dreams. The young woman was petite and had a beautiful brunette head of hair that rested gently on her shoulders. Her fair skin hadn't been tanned in a few years since she was so dedicated to her job, but she was never insecure about it. Her curves always attracted the eyes of every man that came close to her, and she enjoyed making them sigh and drawing those stares for as long as possible. Her long legs and delicate feet were a sight to behold.

It had been four years since Christina started working for William, the mayor. She liked the job, but she was frustrated because, in those four years, every request for a raise had been denied. The salary was good, but it could be better. After the latest negative response, the young woman had to resort to a different strategy. She had noticed that the mayor's eyes trailed off sometimes, especially when the two of them were alone in the office. He admired her legs and feet, mostly, and it was even more obvious whenever she took her high heels off after a long day.

She never brought it up, and he never mentioned it, but the ritual repeated itself: she took off her high heels to massage her feet, sometimes positioning herself to show more of her thighs and feet to William, and he would stare in admiration. She subtly looked at him to gauge his reaction, and it was always amusing, as he would oscillate between being subtle and blatant. She caught him getting hard more than once, which brought a smile to her face every time it happened.

William was a handsome middle-aged man. His salt and pepper hair gave him an aura of elegance, and he always dressed professionally, with suits and a wide variety of ties. He had to wear glasses to read, but he was otherwise in good health, and he was moderately fit from working out often. He always tried to look his best. His obsession with feet started from a young age, but he always kept it hidden as his dirtiest secret, especially after becoming a politician. He didn't want to give his opponents any ammunition to destroy him, but he secretly enjoyed admiring woman and their beautiful feet.

Christina was feeling disillusioned after the mayor denied her request for a raise once again. She was a smart and motivated woman, so that didn't defeat her, and instead got her cogs turning to device a plan. She had her suspicions about William's fetish, and they were solid enough that she would bet on it. The young woman decided to lay out a trap, and if it turned out as she expected, she would have more leverage to negotiate a new deal.

The young secretary went to work the next day wearing her best heels, a pair of black stilettos that went along nicely with her black pencil skirt and a white top. They fit her feet like a glove especially made for her, but she needed to let them rest after a long day at the office. In reality, she could have waited until she went home, but that was part of her plan. She let out a

quiet groan as she dangled one of the shoes on her foot, setting up the stage in a casual manner, and she let it drop loudly on the floor.

The mayor heard it; she was sure of it. She briefly massaged her foot and let out another quiet moan of relief before taking the other shoe off and dropping it on the floor next to the other. She wiggled her toes and put her feet on the cold floor to relax for a second. The young woman stood up and stretched before heading to the bathroom. She closed the door in a loud but casual manner to give the mayor the unequivocal signal that the coast was clear.

She pressed one ear to the bathroom door and heard how William walked out of his office towards her desk. Her heartbeat got faster with every second that passed—he was still there, doing whatever around her desk and her shoes. More footsteps announced that he had returned to his office after a few minutes. Could it be that her plan worked? It was almost too easy. Christina wouldn't have to wonder for much longer about what went on near her desk, thanks to a little something that she left hidden there.

The bathroom door opened up after she was sure that she wouldn't run into him on her way to her desk. She walked back normally but she was dying of excitement inside. She went straight for the hidden camera that she left, pointing directly towards her desk and the floor, where she had left her shoes. She grabbed the small device and studied her heels before checking anything else: they were placed almost precisely as she had left them, but they had been moved slightly.

“I've got you now,” she said to herself in a whisper. Whatever happened while she pretended to go to the bathroom had been recorded. She took a cable from her desk drawer and plugged the camera into her computer. Her eyes widened as soon as the video began.

The video showed how she left for the bathroom. After a few seconds, William entered the scene. He was walking comically, almost tip-toeing his way towards his prize: her heels. He dropped to his knees and took one of the shoes, putting it against his face. He inhaled deeply, taking all the aroma in, which resulted in a pixelated smile. He repeated the process with the other shoe and smelled it for a few seconds before putting it back down.

William had a raging erection that only became evident once he unbuckled his pants and took his cock into his hand.

“You couldn’t contain yourself, could you?” said Christina to herself as she continued watching. William took one of the shoes and smelled it while masturbating. His hand punished his shaft furiously, going from the bottom to the tip, applying pressure in all the correct places. The thought of having Christina’s feet against his face was too much of a turn-on, even if it was indirectly via her shoes. He imagined her perfect feet and how it would feel to have them against his face, licking her soles and toes to his heart’s content. He had thought about it a fair amount of times before, but he never did anything else than staring at her from a distance; sometimes he was subtle, but he was blatant more often than not.

There was no time for a sensual build-up; he had to release all his accumulated lust as quickly as possible before she returned. Little did he know that his depravity was being recorded.

William gasped as his cock released thick strings of cum that landed on the other shoe and the floor. He had a panicked expression on his face when he realised what he had done and promptly grabbed some tissues from Christina’s desk to wipe the evidence. He carefully removed his semen from her shoes and floor and threw the tissues in the trash before going back to his office. Christina closed the video and smiled widely.

“Do you have a minute?” asked Christina, knocking on William’s door.

“Yeah. How can I help you?”

“I was thinking about the last conversation that we had about a pay increase.”

“I’m sorry, Christina,” said William, shaking his head, “it’s simply not possible to give you a raise right now.

The young woman shook the tiny camera in the air, grabbing the mayor’s attention. His face became pale as a snowfield and sweat started forming on his forehead.

“Let me tell you how this is going to go, William,” said Christina, in a dominating tone that took control of the conversation. “In case that it isn’t obvious by now, I have a nice video of you jerking off while sniffing my shoes.”

“Hey, listen. We can reach an agreement.”

“You bet we can. You’re increasing my salary by forty percent, effective immediately.”

“What? You know there’s no way that I can justify such an increase.”

He was right. She was aware of the numbers, but she wasn’t going to back down now. She was in too deep.

“You’ll figure something out. You’re the mayor, after all.”

“Give me the camera.”

“I’ll be keeping it as a fail-safe. I’m sure you understand.”

The mayor had a furrowed brow.

“I’m serious, Christina. I can’t increase your salary by that much.”

He was telling the truth, but one of the many things that she had learned since taking that job, was that politicians always found a way to get what they wanted. She knew how to sweeten the deal enough for him to gladly accept.

“I know that you have a stressful job,” said Christina. “I’m sure that you could use some release from time to time, like what you did to my shoes a few minutes ago.”

She shook the camera again before continuing.

“I’ll give you an incentive so you can find a way to justify my increase. Why settle for smelling my shoes when you can have the real thing?”

William arched an eyebrow.

“What do you mean?” he asked.

“Come here and find out.”

The young woman took her heels off and stood there, barefoot. The mayor’s eyes widened up, and a bulge in his pants became apparent as his secretary stretched her toes in front of him.

“They’re waiting for you,” she said.

William got up from his seat, walked up to her, and dropped to his knees. The woman sat on the floor and let him grab her left foot in his hands. She was impressed because of his rock-solid cock despite having orgasmed mere minutes ago.

“Such perfection,” he muttered.

He closed his eyes as he brought her foot up to his nose and inhaled deeply. He unzipped his pants and took his cock out; it was angry and throbbing. He took his tongue out and cleaned her foot thoroughly, focusing on the space between her toes. His actions and breathing tickled her, but she suppressed the urge to giggle. She was in the process of trapping him forever and she didn’t want to let it go to waste.

His hands lovingly caressed her arches and soles. Her fair skin was smooth, and the smell, along with the texture and the excitement of the unexpected experience, almost got him on the brink of another orgasm without even touching himself. The middle-aged man divided his attention equally among both feet and finally touched himself. His cock was extremely sensitive and excited as could be, and he moaned softly as he touched it.

“Go on, show me how much you like them,” she said.

He rubbed his hard cock without neglecting her feet. Her impeccable pedicure came in handy in a way that she never expected, but she was glad that she had it done the previous day. His warm breath hitting her feet made her heart race. She had her boss, the mayor, quite literally at her feet.

“I love them,” he said, between gasps.

It was evident that he did. As a public figure, there was always a pair of eyes on him, and it was challenging to indulge in those pleasures. He

convulsed as he came for a second time that day, all over the floor while sucking Christina's toes. She felt the vibration of his voice against her skin. He caressed her toes with gentle love and adoration. If only that moment could last forever.

"I'm glad that we could reach an agreement," said Christina.

William remained silent while catching his breath with a smile on his face. It was like a dream come true. Yes, he needed to get the funds and justify the salary increase, but it wouldn't be the first time that he swam in muddy water since he became a politician.

Christina put on her heels without wiping William's saliva and left his office; it was time to go home. The man grabbed some tissues from his desk and cleaned up his mess for a second time that day. He was ecstatic, and the new arrangement with his secretary gave him a renewed energy that even she would notice in the following days.

The young woman returned home, still a bit shaky from the ordeal. She had blackmailed her boss, arguably the most powerful man in town, and got away with it. She was also excited by how much of an effect she had on him; her feet were like a powerful drug that he couldn't get enough of.

She undressed and went into the shower. She remembered what happened in his office as she turned the water on and thought about it some more as it reached the appropriate temperature. She got on and washed her body thoroughly, putting special attention on her feet. "I need you to look the best you've ever looked," she told them, pretending that they could hear her and understand.

Her hand trailed off and rubbed her pussy while the water washed over her, remembering the events from that day. She leaned against the wall when her legs got weak, but she didn't stop. It was fair, she thought, to have an orgasm of her own that day as well.

Her muscles tensed up, and her vagina clamped down on her fingers when the familiar feeling got a hold of her. An electrical jolt that started from her pelvis quickly spread through her whole body, making it shake and almost fall over, filling her with immense ecstasy. Time slowed down as she recovered from such a violent orgasm. She stepped out of the shower once she was done and wrapped herself in a towel.

Her hair dripped over her shoulders, so she wrapped another towel around it. The young woman wondered if things would be awkward, but she was ready to endure whatever it took; she wanted the money.

To her surprise, it was as if nothing happened. Both Christina and the mayor behaved like they always did, and nobody would even suspect there was something else going on. He was respectful in public, like always, but she noticed that he glanced at her more often than before. He imagined all the things he could do to her and her feet now that he was free to explore that. She even caught him licking his lips when nobody else was watching, which made her smile.

The mayor enjoyed touching and adoring his secretary's beautiful feet, but he wanted more. He didn't know how much he could push before she refused, but it didn't hurt to ask. She had her money, and things were going well.

"Christina, please come into my office," he said. It was time to test her limits.

"Yes, sir. Right away."

The beautiful woman came into his office with a smirk on his face, knowing what he wanted. This time, however, he didn't want to suck on his perfect toes.

"Sit on my desk, please."

She did as instructed and sat on it slowly and sensually. She flashed her thighs with exaggerated motions and took her hells off.

“You’re perfection, Christina.”

The young woman smiled and blushed a little. Compliments always caught her off-guard, no matter the setting or who they were coming from.

“Let’s do something different today,” the man continued. “I want to feel your incredible feet directly on my cock. Give me a footjob, please. With those sexy feet of yours” He said, his eyes focussing on her toes.

The secretary hesitated a little, but she didn’t have a good reason to refuse. The truth was that she also enjoyed their encounters, albeit not as much as him. She nodded at him.

“Okay. My pleasure.”

He unzipped his pants and took his cock out. It was soft at first, but it quickly became hard without any stimulation. Just knowing that his beautiful secretary was going to jerk him off with her feet was enough to get him going. She looked, amused, at his cock and how quickly it got ready for her. She lowered her feet and placed them on his thighs. Her feet ran across the fabric of his pants, teasing him, making him want it more.

“You’ll drive me crazy. Give me that sweet release.”

His voice was soft, almost pleading. She didn’t want to make him suffer too much—just enough for him to enjoy it more. His senses were heightened, and he trembled when her feet finally came in contact with his cock. He leaned back on his chair and let it happen. Her feet were cold against his cock, which was hot and full of blood, ready to explode. He retrieved a small bottle of lube from behind his desk and handed it to her.

“This will do,” she said.

She squirted the bottle on her hand and applied a good amount of lubricant to her feet. They glistened with the afternoon sun. She got her feet to work, rubbing them against his cock, massaging his shaft. Her toes wiggled against the tip of his cock, making him squirm in pleasure because of how

sensitive it was. She used her soft warm soles to press against his balls gently and to press against the base of his shaft.

He closed his eyes, and his breathing got erratic. His chest went up and down, and she giggled at the sight of how she had such a powerful man on the brink of orgasm by giving him a footjob.

She could feel every inch, every vein, pulsing against her feet as she caressed him. When his face got flushed, she knew that he was getting closer, so she picked up the pace. After a few seconds, his muscles tensed, and he gripped the armrests, burying his nails in the fabric before exploding in a hip-shattering orgasm that sent cum flying on her feet and his pants. It was more than she had ever seen him coming before. His seed was warm.

“I see that you enjoyed that one,” she said with a smirk.

Christina always loved that he was left speechless after ejaculating. He took a moment to regain his breath, steady his heartbeat, and enjoy the immense pleasure that she just subjected him to. Nothing else mattered for a few moments except for the joy coursing through his veins.

She stayed this time and cleaned up for him. First her feet, then his pants. He stopped her before she got up and indulged in the pleasures of tasting her feet, which still had the smell of his cum on them.

That wasn't the last time that Christina gave him a footjob. It became a recurring thing, just like his foot worshipping and toe sucking. She spent more time than ever in his office, behind closed doors. He even canceled appointments more than once just to have more time to enjoy himself. Christina enjoyed the perks of being closer to the mayor, and even though it all started with blackmail, a bold act that she could never believe she was able to pull off successfully, she reaped the rewards. The world belongs to the brave, after all.

The two of them continued with their arrangement until it was time for him to leave office, but they were both too used to it to call it quits. She

followed him to his next venture, and he was happy to keep her with him. She was too good at her job to let her go, and her skilled feet showed him a new world that he wasn't ready to let go of. They spent many years together with their special arrangement in place.
