## SLOWLY BUT SURELY...

Isaac and Faith were in love since they were young, and they persevered no matter what life threw at them. Hardships meant nothing if they were truly in love, right? It was almost like a fairy tale, except for the fact that their marriage got... boring.

They still had sex whenever they were in the mood, but they made the mistake of falling into a routine. They orgasmed whenever they had sex, sure, but something else was missing. Maybe it was the thrill that they experienced before getting married when they had to sneak around their parent despite already being adults themselves, or maybe it was the rush of hormones and lust that needed to be satiated.

Over the years, they didn't exactly become apathetic people but they weren't as lively as before. They thought that it was normal that they would lose energy over the years but they worried that they were too young to act and feel like a couple right out of a resting home. They tried taking a trip in the past because maybe a vacation in a paradisiac destination would make things better, but nothing improved. Turns out that even sex in paradise was boring.

Something had to change, but neither of them dared bring it up. Eventually, Isaac was the one to initiate the conversation and put an option on the table.

“I’ve been thinking that we need to try something different,” he said.

“Mhm, maybe you’re right. I think we’re a little bland.”

“It’s a way to describe us,” he laughed.

“Do you have any ideas?”

“I do.”

There was a moment of silence. Faith could see the hesitation on his face, but they trusted each other enough to speak their mind. A little nod from her was all the motivation that he needed to say what was on his mind.

“What if we try having anal sex?” he asked.

She was taken by surprise. She had never done that before, neither with him nor with a previous partner before meeting him.

“Are you sure?” she asked.

“Well, we’ve never tried it and who knows, maybe we’ll like it.”

“I suppose...”

“There’s nothing to lose, you know? And things are never going to improve if we don’t go out of our comfort zone.”

Faith wasn’t too sold on the idea because even though she was never fucked in the ass before, she had read online that it could hurt a lot and even cause tearing. The idea of that happening didn’t sit well with her. A quiet voice in her head suggested that maybe a little pain wouldn’t be so bad either.

“Look, I know what you’re thinking,” he said, “but it will be fine if we do it properly.”

“You’re right. I trust you.”

They looked up all the information that they could online. Different couple's experiences, guides, tips, you name it. The man even ordered a small buttplug online to make sure that her muscles were relaxed enough so it wouldn't be painful for her.

Ironically, the research and preparation alone were enough to shake off some of that boredom that had accumulated and festered over the years. The buttplug arrived with a small complimentary bottle of lube, which they forgot to order. It was a godsend.

They tried to carry on with their regular lives despite their coming experiment. Isaac went to work at the office while Faith stayed home and focused on her own work. Working from home had its advantages since she could take care of a fair amount of chores instead of wasting time stuck in her car while trying to get to an office. That way, however, she was too distracted by the buttplug resting on a box in the living room, waiting for them. She was so distracted that she forgot to make dinner and just ordered takeout instead.

"Sorry, I was too busy today," she said with a shrug when her husband came home.

"Oh, you know I don't mind. You work hard enough that we can treat ourselves every now and then."

She was too embarrassed to reveal that she had fantasized about the buttplug and about his thick cock fucking her ass all day. She even had to stop her work to masturbate because the thoughts proved to be too much for her to handle. They finished their dinner and put the plates in the dishwasher before grabbing the box and going upstairs. He left the box next to the bed, but they watched a movie first. They just had dinner, after all, and they weren't in the mood yet.

After an hour or two after having dinner, they were ready. They wouldn't have sex that night, but since they weren't exactly the adventurous type,

tiring out the plug was enough to excite them and Faith had already cum a couple of times that day by herself.

“What did you decide regarding... the cleaning procedure?” asked Isaac

Faith looked up information online the day before about enemas, but she wasn't comfortable with the idea.

“I don't think so, to be honest. I even read that some professionals advise against doing it too often!” she said.

“Doing it once doesn't qualify as too often,” he laughed.

Faith was embarrassed but she didn't budge.

“I want to skip that part,” she said.

“Fair enough. I don't mind.”

Little did they know that skipping that step would change their lives forever, far more than either of them could have imagined.

Isaac uncapped the bottle of lube and put some on his index finger and thumb while Faith took off her clothes until she was down to her panties. Even after years of marriage and a boring sex life, his wife's ass still turned him on. It was plump and soft, carefully wrapped with a thong as if it was a birthday present.

He took off her panties himself and applied the lube on his fingers directly on her asshole, and then put some on the buttplug. Ever so slowly, he put it inside of her, carefully watching her reaction. It was a pleasure seeing his wife squirm and twitch as he introduced the toy.

“How are you feeling?” he asked.

“Weird.”

They broke out in laughter. They felt silly for a moment, but none of them was embarrassed. Life was too short for them to stop themselves from enjoying it to the fullest. Faith walked around naked for a couple of

minutes, getting used to the feeling. Isaac admired his woman and decided to jerk off right then and there.

“Save something for tomorrow,” she said playfully.

Isaac realized that he was horny in expectation for the next day. He never tried anal sex before, and the more they talked about it and prepared for it, the more he was intrigued by it. He came quietly on a tissue and they carried on with their day.

They were both ready when the following night came. There was no foreplay, they didn't need it. Isaac jumped all over her and took off her clothes while kissing her passionately. He grabbed the bottle of lube and put some on his cock after putting Faith on all fours, ready to get her ass fucked. She was stretched just enough for his thick cock to fit, but barely.

He kept going. The woman moaned and held back tears while his massive cock got shoved into her tiny asshole and he started moving. Little by little, bit by bit, he was fully inside of her. He was able to fuck her thanks to the complimentary lube, and it almost drove her insane with pleasure. It was a new, wonderful feeling. Her ass was stuffed with his meat, and just a little movement was almost enough to send her over the edge.

“Like this?” he asked, fully aware of how much she was enjoying it.

He kept going, faster and faster as long as she could take it. She moaned and screamed, and he wondered if any neighbours would be able to hear. Maybe if it was really quiet in their home.

“I'm going to cum!” she announced, barely able to articulate those words.

A wonderful explosion of pleasure rocked her word, from her hips to her head and toes, covering all her small body. Everything failed her. Her arms

felt like they didn't belong to her and her legs turned to jelly, but that wasn't all.

Isaac felt a weird pressure on his cock. He arched his eyebrow and kept fucking her because he was really close as well, but it slowly dawned on him what the pressure was. It could only be one thing.

“Faith. Did you...”

He couldn't finish his sentence because his own orgasm interrupted him. He came furiously inside of her asshole, and on whatever was pressing down on his cock. He pulled out with his hard cock still ejaculating and saw how an enormous piece of shit came out right behind it.

When the woman lost control of her body, she lost control of her bowels as well. The chunk of shit landed on the white bedsheets, staining them when it landed. There was semen on it, as well as on Faith's ass.

Isaac was stunned. Faith didn't even notice what was going on until she turned around, wondering why her husband went silent out of the blue.

She let out a scream, a mix of embarrassment and anxiety, and quickly apologized profusely to the man. She couldn't believe that something like that just happened.

Her husband, on the other hand, didn't know how to react. A turd coming out of Faith after he fucked her ass wasn't what he signed up for, but he didn't dislike it. He was so turned on that he came a second time, and he grunted as his cock released even more semen. She was still confused and embarrassed while she watched the man empty himself on the bedsheets.

Isaac's second orgasm was way more powerful, which was a clear indicator that there was something there... something inside of him that he never knew or considered. When he recovered, he reassured her that it wasn't her fault and that he was glad that it happened because it was the hottest experience so far in his life.

She was really glad because it wasn't awkward anymore. She also found it kind of hot that the man would cum that hard after she took a shit on his

cock. The way his forehead veins popped and he was short of breath was seared into her mind.

A lot changed that day. The way they looked at each other, at their desires and their kinks. They found it amusing that they weren't too vanilla after all, and they just needed to experiment a little and get out of their comfort zone. Maybe they would realize eventually that they were into toilet slavery, but the woman's "accident" was a godsend that made things progress faster.

Faith thought that it would be a good idea to join her man in the shower. Isaac was exhausted after a long day at work and didn't hear her open the bathroom door and get undressed. He was surprised by the sight of his naked wife as she stepped into the shower with him.

"Do you mind if I join you?" she asked.

"That depends on what you got in mind," he said with a smile.

She quickly grabbed his soft cock and massaged it until it was hard.

"Was that clear enough for you?" she asked with a mischievous smile.

"Loud and clear."

They shared a passionate kiss under the warm water and let their hands explore each other. He sucked on her nipples until they were hard, and she was still jerking him off with her right hand while playing with his hair with her left hand. He grabbed her ass cheeks and squeezed them hard enough to make her let out a scream.

She turned around and lifted her ass, and he quickly grabbed her by the hips and put his cock into her tight pussy. The water wasn't making things any easier, but they were so turned on that they made it work. He fucked her hard against the wall while the water kept raining down on them. Her moans echoed inside the room, enticing him more and more. He kept working on her nipples, rubbing them and pinching them while he fucked her from behind.

He grabbed her tightly when her legs failed as she came. He loved how all her orgasms absolutely destroyed her in the best way possible, but his thoughts were quickly interrupted.

“Turn me around and drop to your knees,” she said. “You need to do it now!”

Confused, he did as she said and was surprised when, mixed with the water from the shower, a stream of piss splashed him on the face. He closed his eyes and gasped at the surprise treat. Her piss was hot, unlike the warm water from the shower. He felt how it landed on his face and splashed his chest and abdomen.

Sadly, it wasn't that much, but it was enough for him to get up on his feet and fuck his wife again with renewed energy. It's as if the piss was a stimulant that he didn't know he needed. Faith was tired and sore from the previous fucking, but she gladly spread her pussy for him until he pumped her full of cum. They both dropped on the bathroom floor and let the shower wash away their juices. They kissed again, giggling like two friends that just discovered a treasure.

Everyone around them noticed the difference. They didn't know that it was related to their sex life, but the married couple looked happier than ever. Even with more energy.

Isaac's coworkers asked him what his secret was, and one of them even hinted at the source being his sex life, but his lips were sealed. It wasn't that they were living a double life, but not everyone would be receptive or accepting of their newly found kink.

His friends and coworkers accepted his lackluster answer. He was a gentleman, and they knew that he wouldn't reveal too much. They had all sorts of crazy theories behind his back, but none of them hit the bullseye. It was for the best. Their privacy allowed their kink to grow and they could explore it without being judged.

Their quality of life improved at home as well. They had more energy, which allowed them to do more chores instead of boringly watching TV until it was time to sleep. However, they didn't spend their time just on chores.

Needless to say, both of their sex drives were higher than ever. They had boring and unfrequent sex before, but that was a thing of the past now. They fucked often and they wanted to fuck all day long, but they still had work and lives to live.

However, every night was reserved for satiating their depravity and their carnal desires. The next day after the shower and the pissing, they were in bed and started getting touchy with each other, as it was tradition now.

Isaac was eating her out when she shifted her position to grab his cock and put it into her mouth. That was the first time that they tried the 69 position, but Faith had a surprise under her sleeve. She had a big lunch and had been snaking throughout the day to make sure that she could give her husband a treat in bed.

The horny man was focused on licking her pussy, using his tongue to find that pleasurable spot while also enjoying himself. She licked the tip of his cock, but she didn't want him to cum too quickly, not before she got to give him her present.

"Lick my asshole now, please," she said sweetly but firmly.

He was waiting to hear those words. Maybe if he was lucky...

His thoughts were interrupted by a distinctive smell coming from her asshole. He licked her with enthusiasm, and to his surprise and joy, her asshole puckered and stretched at the time that a piece of shit started coming out of it. He opened wide to allow the shit to come into his mouth, and the woman kept pushing.

It wasn't normal shit. It was massive and pungent, and his mouth was barely big enough to contain it.

“Eat it. Chew on it little by little and swallow it all,” she said. “Do it for me, please.”

She didn’t have to ask. Isaac was already moving his jaw and trying to chew the incredible piece of shit that she had given him. It was so big that his mouth was barely able to close, and a mixture of drool and shit spilled from his mouth and down his chin. With big breaths and some patience, he was able to swallow it all. The shit saliva was all over his chin and chest now, like a man who just finished downing a feast and wasn’t worried about appearances.

“You’re not done yet,” she said, adopting a more commanding tone.

“What can I do for you?”

“Lick me clean. My asshole has some shit on it.”

Pulled by an invisible force, the man quickly grabbed his wife’s ass and buried his face between his dirty cheeks. He slowly and carefully licked every part of her cheeks and asshole to make sure that she was clean. His tongue scooped up the smeared shit and some little chunks that were still barely inside her asshole and ate them all like a starving man would devour a banquet. It was a banquet, after all, and he felt like the luckiest man in the world.

His senses were completely focused on her smell and taste. The rest of the world disappeared while he worked on her. He came without missing a beat, dropping a huge load on the bed while licking her asshole. His cock was twitching and his cum seemed endless.

He finally dropped on his ass when he was done, clutching the bedsheets while trying to process everything that just happened.

Faith wasn’t done.

“It would be too cruel of me to make you eat all that without giving you something to wash it all down, don’t you think? Come here.”

He crawled towards her as she pointed at her pussy. He barely got there in time before she released a stream of warm piss that landed on his face. He

quickly opened his mouth and pressed it against her pussy, drinking every single bit directly from the source. He gulped it down, finishing his feat on a high note. The highest note possible.

Her piss tasted like her, in a way. He couldn't put it into words, but both her shit and piss were incredible and it was a taste that only she could produce. He licked his lips when she was done.

"That was... amazing," he said.

"Aren't you glad that I shat on your cock the other day?"

"I'm the happiest I've ever been," he said with a wide smile.

"Me too, my love."

He closed his eyes and could still feel her gigantic shit in his mouth. He licked his lips even though there was nothing there anymore. Her smooth skin with shit smeared on it was another beautiful scene that popped into his mind, but he opened his eyes and looked into hers instead. He could always bring up that memory later if he needed it.

The bedsheets were a mess, but it was well worth it; nothing that a few new pairs wouldn't fix. They sat there, admiring each other and recovering from the experience. They couldn't wait for the rest of their lives.
