CRACK

This isn't supposed to be Earth... where the hell am I?

It looks like a school
for rich people...
WOOOOW it's huge... I
hope to find someone
who can help me
contact my uncle

I don't see anyone around...
where is everyone...

I don't see anyone inside
either... it's a school, so maybe
there are lessons going on...

DRUMMIN
DRUMMIN

Oh here's the bell... incredible
it looks just like the Earth...

EEMMMMM... what the...
they're all girls...

And who the hell is this?

Another nuisance I don't have time for this...

Excuse me, where am I?

You are at Hyakkaou Private Academy, what are you doing here, are you lost?

What's that shiny thing... it seems to be worth a lot...

I have to try to contact... I can't believe it's scanning her... does she have some special ability?

BLOOM

DNA SAMPLE ACQUIRED.

What kind of alien is this?

What are you saying? Hello?

Let's see if it works... maybe I
can communicate better with
them...

A cartoon illustration of Ben Tennyson in a long, brightly lit hallway with large windows on the right and doors on the left. He is looking up in shock and fear, with his mouth wide open. A massive, orange, cartoonish hand is reaching out from the left, holding his arm. Ben is wearing his signature grey and black suit with a black and green Omnitrix on his chest. The hallway has a polished wooden floor and an ornate ceiling with gold-colored decorative moldings.

AAAHHHHH here it goes...
but I feel weird compared to
usual...

WHAT THE HECK? My hand...
it's all cracking... it feels
thinner... and...

* CRICK *

* CRICK *

Female? Why are your nails
turning black so slowly...
usually the transformation is
faster...

I've gotten taller... my shirt
doesn't fit me anymore, even
my pants...

Oh wow... you're as tall as me
now... how did you do it?

It's not that you're..... come
with me I'll take you to a
secure place!

Thanks... it shouldn't work like
this... thanks for helping me...

BBBZZZ

Don't worry, you'll see, you'll be fine...

But what's happening to me...
I feel all weird... my skin is
smoother and more sensitive
and I'm older...

I can't transform myself into anything else...

Here you will be safe from the other students... no one will find you...

Wait for me here, I'm going to
call the school president. She'll
know what to do with you.

PPPTTTTTFFFF... what
on earth could the school
president do... I hope I can go
back...

It's not normal for the transformation to take so long... but then this feeling... makes me think differently...

BBBZZZ

It should never affect the
brain... and yet...

CHANGING

Yet I think I'm changing
gender... that's not normal
either... damn...

*H500MS+

A white speech bubble with a black outline and a tail pointing towards the bottom center. It contains the text: "I feel my hair along my face... MMMNNNNN.. it tickles... even my face is changing..."

Who is that girl?

An anime-style illustration of two young women in school uniforms standing in a traditional Japanese room with sliding doors (shoji). The girl in the foreground has light grey hair in pigtails and blue eyes, while the girl behind her has black hair and red eyes. Both are wearing red blazers over white shirts with black bows and grey checkered skirts. The girl with grey hair is smiling slightly, while the girl with black hair has a surprised expression.

Didn't you say there was a boy?

Wow, it's changed again... even the clothes are kinda like ours...

It looks like you're not
from around here...
what's your name?

B-Ben... N-No... I-I fell
here by mistake... I don't
know where I am...

Let's see... from what
Liz told me before, you
weren't like that...

In the few minutes I've been
away, she changed quite a bit!

UUUUHHHH looks

transforming...

SPROUT

A detailed anime-style illustration of a young woman with long, straight purple hair and blue eyes. She is wearing a white long-sleeved shirt with a black bow at the collar, a black suspender with a green buckle, and a grey checkered skirt. She is also wearing dark brown thigh-high stockings and black Mary Jane shoes. She is in a crawling position on a light-colored tatami floor, looking back over her shoulder with a slightly distressed or pleading expression. The background features a traditional Japanese sliding door (shoji) with a wooden frame and white paper. There are two sets of black motion lines (speed lines) on the image: one near her waist on the left and another near her right hip on the right.

I'm a woman... I don't believe it...
