
Bianca
Part 2

Bianca took me by the hand and lead me out of the bar and across the street, ducking under wires and signs where necessary. After a short walk, we entered a nearby park, and Bianca finally seemed to be at ease with her surroundings. I realized that for her, only outdoor areas that were wide open would feel unrestrictive. At 9 or 10 feet tall, everywhere else Bianca needed or wanted to be would involve squeezing, hunching, and shuffling around a world built for someone half her height. I couldn't help but feel a twinge of guilt, and I wondered again if I had played a part in what was happening to the huge, gorgeous latina.

After a few minutes of tense silence, Bianca finally spoke up. “Lee, my little man, what is it?” She pouted her plush red lips in a teasing way. “You want to talk, yes? So why are you so quiet?”
I blushed, suddenly feeling a bit flustered. “Well, I uh... I wanted to see that you’re alright.” I managed, trying to sound casual. “I, um...” trailing off, I realized I was going to just have to come out and say it. “I wanted to see if you had stopped growing.” I blurted out. “I and I see that you have stopped, I mean, at least I think that...“

I paused as Bianca suddenly stopped walking and turned to face me. She put her hands on her thick, womanly hips and peered down at me over her gigantic breasts. The huge latina stared me down for a second before her beautiful face darkened into a frown. “Yes Lee,” Bianca replied coldly. “I stop growing. I wait and wait, and no matter what I do, I still grow no more.” Bianca’s fat, lovely lips trembled and her voice cracked as she asked, “Is that what you want, Lee?”

I backed up a step as Bianca leaned over me, now scowling and clearly expecting me to answer. “Well… Yes, Bianca…” I replied. “Yes I do want you to stop growing.” Bianca’s eyes filled up with tears and she angrily barged into me, pushing me back and leaning over me in an intimidating way. *Wrong answer, I guess…*

Bianca towered over me, eyes narrowed and full of emotion as she glared down through her immense cleavage at me. She clenched her fists and sputtered, “You are an asshole, Lee.” Bianca leaned in even more, and I suddenly caught the unmistakable scent of her massive, exposed pussy. “You treat me like big ugly *monster*!” I gulped as the huge, angry latina continued to berate me. “All I think about… All I want is to *fuck* you, little man, and you…” Bianca sputtered, her face turning red. “You don’t even deserve my giant, sexy body, Lee.”

My heart pounded in a mix of lust and intimidation. “Bianca… hold on!” I pleaded. My head was swimming, my senses overwhelmed by testosterone and estrogen. “I didn’t say that!” I scooted a couple of feet back, trying to put some distance between the amazon and myself so that I could think more clearly. “You are beautiful and sexy… *so sexy*… b-but…” I stammered. Bianca pouted her lips and wiped her eyes, waiting for me to finish. “But you’re so big, you could hurt someone! You said so yourself.” Hearing my words, Bianca took a step back and turned her head away. It seemed like she had suddenly lost her desire to argue with me. Feeling a boost in courage, I added, “I just want to know that you’re okay. You don’t seem like yourself…”

Bianca wiped her eyes again, and turned on her heel. “This is me now, Lee.” She murmured. “I am a giant, horny woman now.” I saw Bianca’s hands wrap absently around her bulging waist, drifting in the direction of her massive crotch. She continued in a soft voice, “I want to fuck you right here, but you are scared of me and hating me.” My heart sank as I tried to empathize with this unbelievable beauty. Bianca began briskly walking away. Maybe it’s for the best…

"Bianca, come on!" I pleaded after her. "I don't hate you… I just… I'm just worried, and you should be too!" I reasoned to no avail. The self-declared horny giantess continued to depart, holding her head up a little stiffly. I called out once more, "I mean… you can't just go scaring people and having sex whenever, or wherever you want…" I felt my voice go up in pitch as I realized how ridiculous that sounded. *She probably **could**... She's definitely big enough to…* I shuddered in a combination distress and awe at that thought.

As Bianca walked away, I heard her mutter to herself, “Just watch me… Idiota…” Her heels clunked heavily on the pavement, carrying her enormous body down the path and away from me. I slowly stood up and dusted myself off. scratching my head in amazement. *This is insane!* I thought to myself as I began wandering numbly back towards the street. Bianca was clearly angry with me and seemed to be in as dark of a mood as I had ever seen. I quickly became worried that she wasn’t thinking clearly, that maybe she was a risk to herself with everything that she was going through. She’s definitely a risk to anyone unlucky enough to cross her path… I gulped at that. *Shit… I’ve gotta try and talk some sense into Bianca!*

I turned around and started heading back into the park. I suddenly realized that Bianca's huge, noisy footsteps were nowhere to be heard. My heart rate quickened, and I picked up the pace, trotting past the bushes and trees. *She should be easy enough to find at least.* I suddenly caught a whiff of Bianca's scent. It was a heady mixture of cacao butter, spicy perfume, and something very strong, womanly, obscene even... *Shit...* I pushed myself faster, following the smell of Bianca's fat, wet cunt through a fork in the path. As I rounded a curve, I briefly caught a glimpse of the horny amazon's huge, scantily clad form through a gap between the bushes. She appeared to be crouched over the prone, still form of a much smaller woman, like a cavewoman squatting over a hunk of meat. "Hey!" I yelled. "*Bianca, stop!*"

By the time I sprinted around the corner, Bianca had spread her massive legs wide and was easing her gargantuan crotch down onto the park bench. She easily engulfed the smaller woman's entire upper body along with most of the bench. Bianca's thick, muscular thighs swelled up monstrously as they flexed to support her immense weight, partially suspending her colossal bulk above her helpless victim. Bianca moaned exultantly as she basked in the sensation of swallowing up another human being under the swollen, wet lips of her oversized muff. "Oh my god, Bianca, *stop*!" I panted breathlessly as I reached them. "Let her go! You're *hurting* her…" I pleaded.

Bianca’s head snapped up at the sound of my voice. Her beautiful face registered with surprise at my protest, though her eyes were glazed over with pleasure. **“Ooohhh…** Lee?” She murmured, her voice sounded distant, almost distracted. I tried to speak, but my voice caught in my throat and I was forced to swallow and catch my breath. The smaller woman was scrabbling pitifully against the sheer might of Bianca’s bulk, clutching with her tiny hands at the amazon’s bulging thighs and thick, coarse carpet of pubic hair. In a panic, I grabbed Bianca’s big, powerful arm and begged, “Get off of her, Bianca!” Still panting, I squeezed and gave her a shake, trying to communicate as urgently as I could. “You’ll suffocate her… Stop!”

Bianca's pleasure-dulled expression hardened into a distracted scowl. She opened her mouth as if to protest my interruption, but instead her gorgeous brown eyes rolled up and her eyelids fluttered. With a loud squelch the smaller woman suddenly extracted herself from underneath Bianca's swollen genitals and seemed to be glancing around in stunned confusion. **"Ohh…** Meu deus…" Bianca let out a loud, throaty moan as the woman, who appeared to be an attractive young blonde slid her face up past Bianca's huge, meaty labia. Relief flooded my senses. *She's okay…*

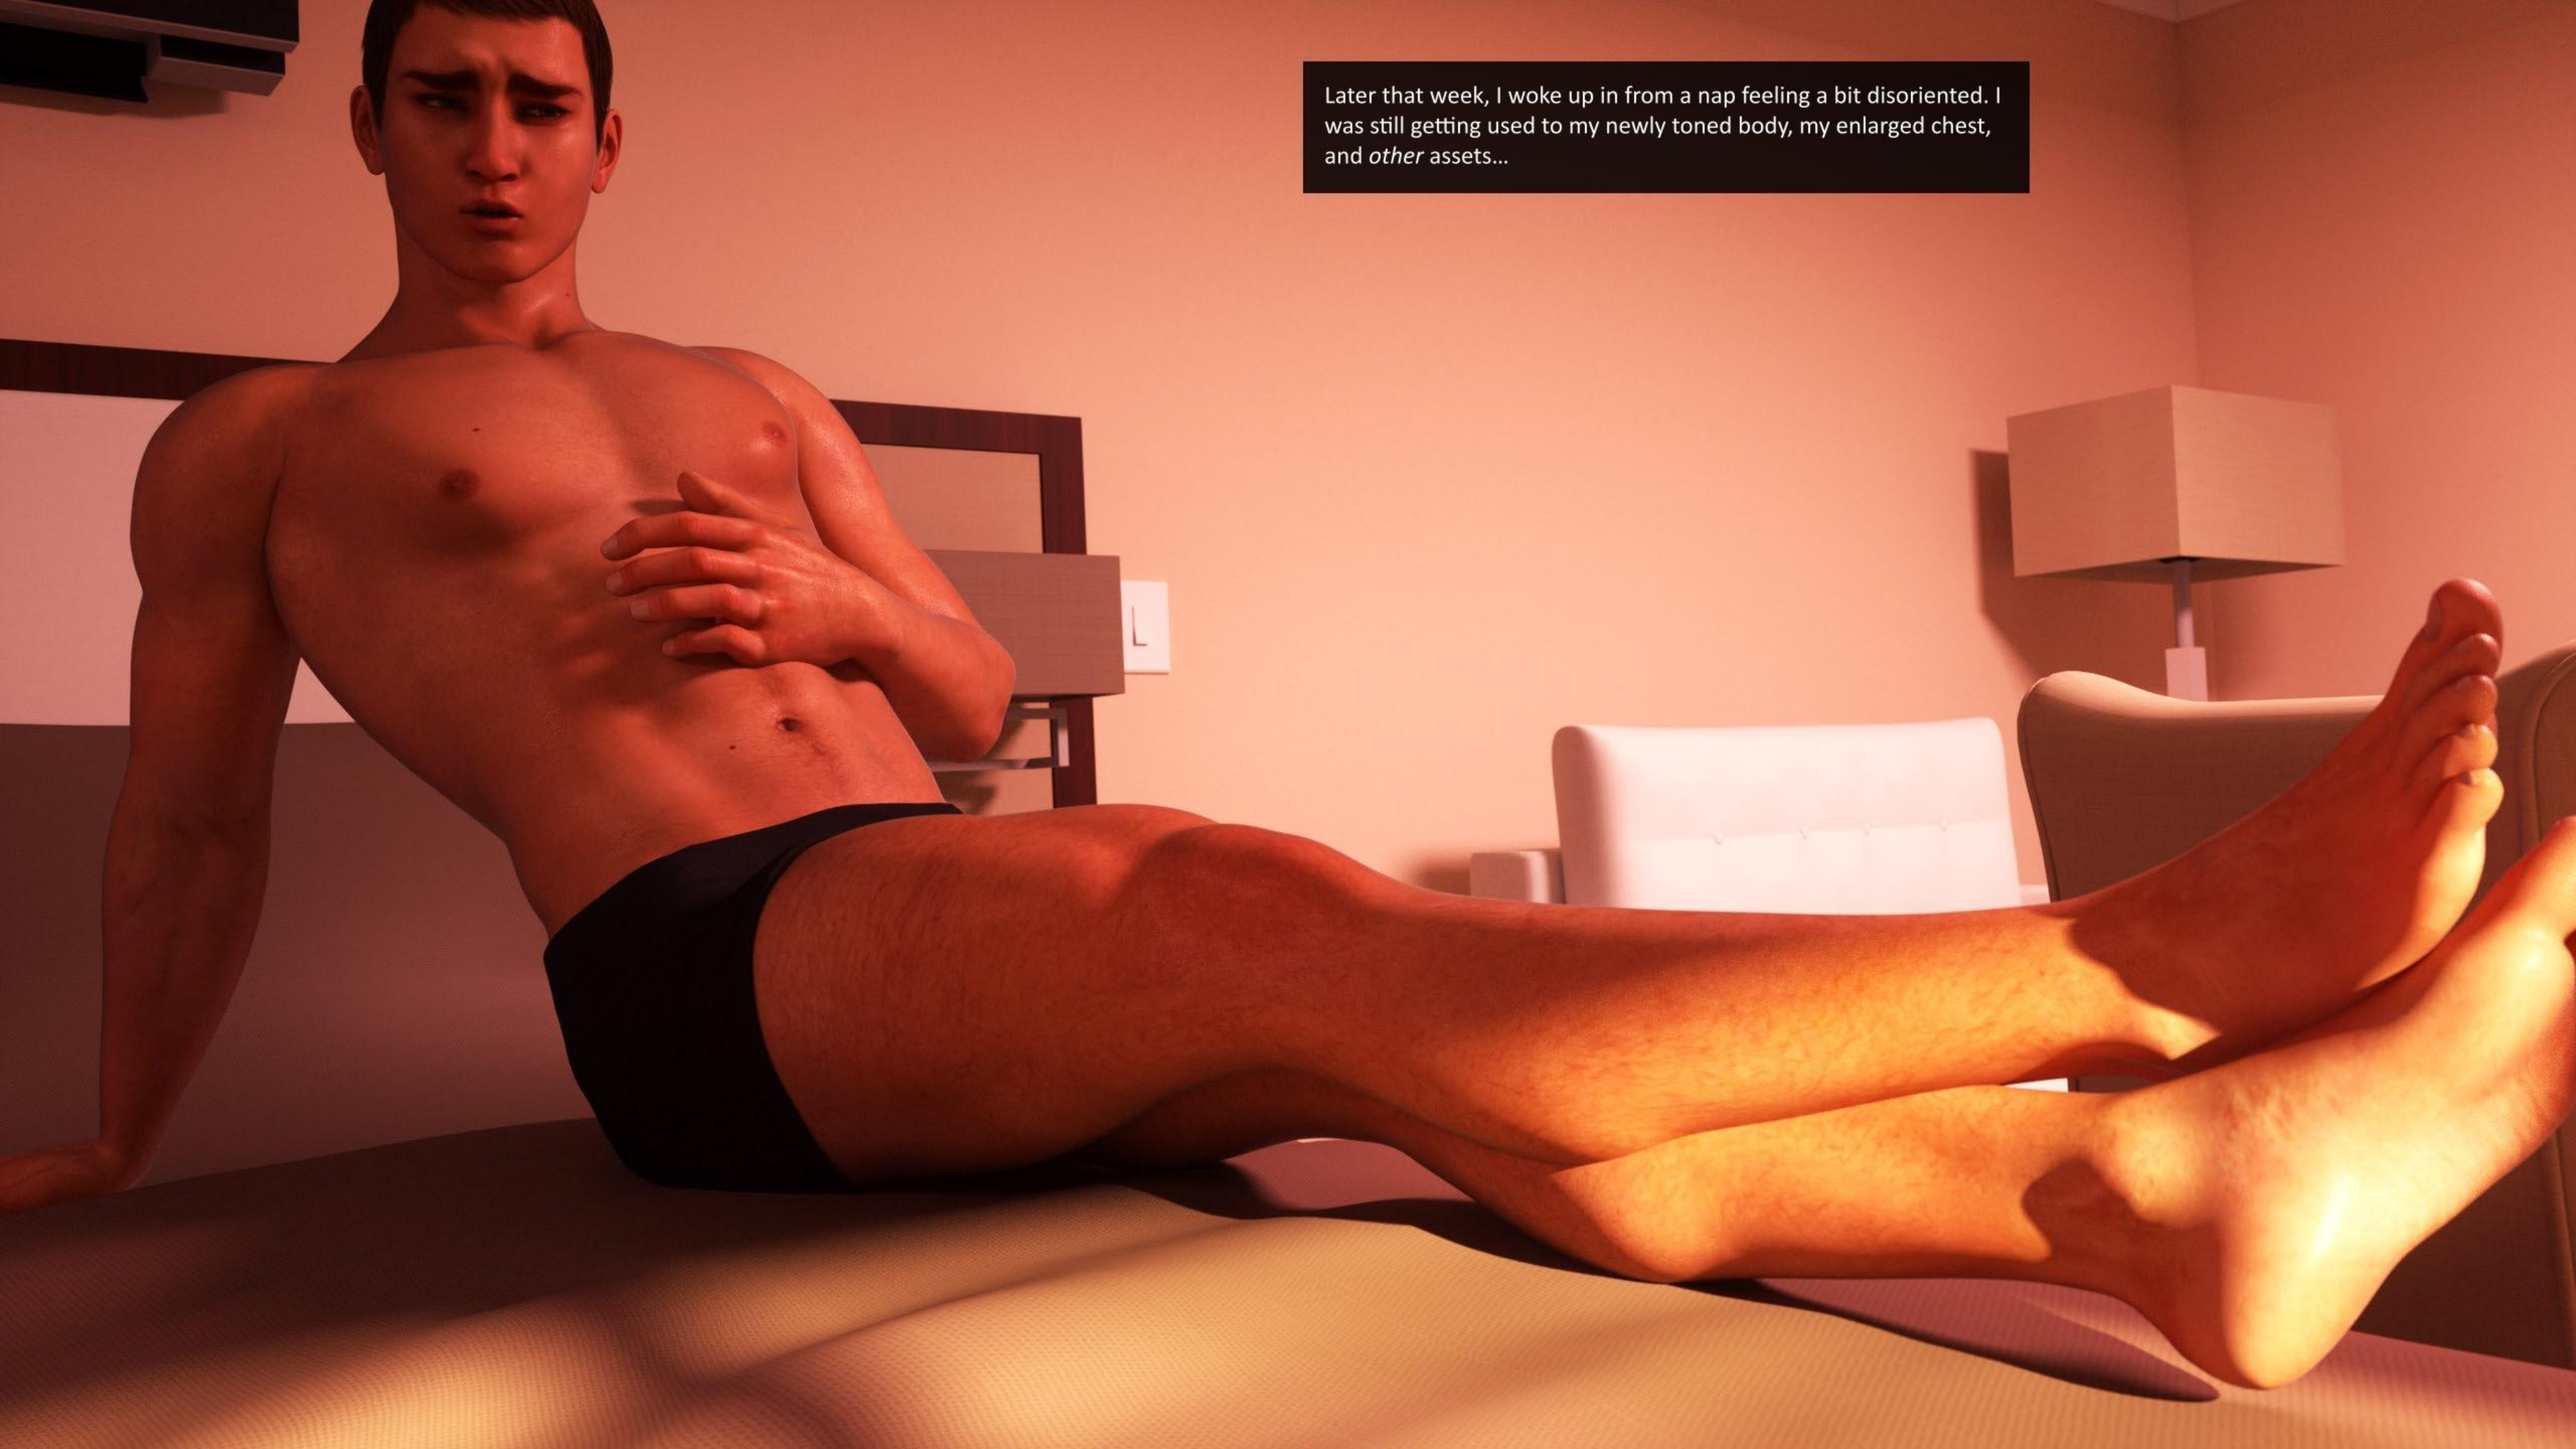

The blonde sat up and wiped her eyes in bewilderment. From her face down to her waist, she was coated in a thin, shiny veneer of what had to be Bianca's abundant, feminine lubricant. Almost immediately the blonde whipped around and glared angrily at me.
"Hey, what's the big idea, creep?" The blonde yelled. My eyes widened in astonishment, and my jaw dropped. "Yeah you, what's wrong with you?" She demanded. "Can't I eat some pussy in peace?"

"Mmm… Hello Lee," Bianca purred. "Do you come back to apologize to me? Or are you jealous, little man." The giant, horny latina reached between her legs and spread her huge pussy lips with her fingers. *What is happening?* I wondered as my knees wobbled in incomprehension. Bianca pouted her fat, plush lips and whispered in a low, sultry voice, "She likes my big, wet cunt. Don't you want to taste it?" She closed her eyes dreamily as she began rubbing her swollen, overgrown clit in slow, tantalizing circles.
The blond caught sight of what Bianca was doing and gave a short, awe-filled gasp. "Oh my god…" She whispered. Half-turning back to me, the blonde snapped in my direction, "Get in line, or get lost." I stood frozen, mouth hanging open in disbelief. The petite blonde woman didn't wait for a reply. To my amazement, she laid back down and pulled herself back under Bianca's massive, waiting cunt.

Bianca furrowed her brows passionately as the blonde's face disappeared under the gleaming, muscular folds of her womanhood. Her jaw went slack and she tipped her head up with a haughty laugh. "Haha… Uuungh… Oh, Lee, it feels so, so good…" She relaxed herself, allowing more of her pussy to engulf the diminutive woman lost between her titanic thighs. "Oooh, you fill me up with your cum, little man… It feels so good… I am so huge…"

Finally jolted from the shock of what I was seeing and hearing, I staggered back a few steps and almost tripped over my own feet. I twisted around clumsily and began walking away as briskly as I could. My face was burning red, and I realized that as arousing as this scene was, I suddenly didn't want to be there. I cast one final glance back at the two women openly having sex in the park, and decided that whatever was happening... I just didn't want to be part of it. *Bianca's out of control…*

Later that week, I woke up in from a nap feeling a bit disoriented. I was still getting used to my newly toned body, my enlarged chest, and *other* assets…

As I mused about the changes that had occurred in my body, my mind floated inevitably towards thoughts of a particularly large, sexy latina. Bianca… I grabbed my phone and peered at my notifications. *13 unread messages… Just great…* I tensed as I opened up my message center.

Unbelievable... Bianca had been messaging me once or twice daily since that afternoon in the park. She kept demanding to meet and hook up, but I had made up my mind that I would ignore her for the time being. Clearly this had been pissing her off, and she had stepped up the pace, messaging me twenty more times in the last two days. It was beginning to feel like she had a very unhealthy obsession with me!

My thoughts were interrupted by a crash in the hall outside. I got to my feet and crept towards the door, wondering what had just happened. I put my ear to the door and heard a series of heavy thuds and bumps coming that were quickly growing louder. It sounded like the neighbors were moving a couch, and not doing a very good job of it. The volume increased as the someone approached, but the heavy thuds went silent right outside my door. I covered my mouth as I backed up a step.

"Lee!" A disembodied voice called from outside. *Bianca… shit, she's here at my apartment!* My erstwhile lover knocked loudly on my door, and I took another step back. "Lee, are you in there?" Bianca demanded in a low, loud whisper. She pounded again, so hard that it partially broke the door from its frame, making it swing unevenly.
I froze, hoping she would not notice the light coming from beneath the door. I stood still and held my breath for a long moment, hoping to remain undetected by the relentless woman on the other side. Nothing happened for about twenty seconds, and I was beginning to think she might leave. Then to my horror, I heard a loud distinctive sniff from outside. I realized at once that I could smell Bianca from where I was standing. My heart skipped a beat as my phone suddenly rang. Oh shit…

The door suddenly burst inward with a small shower of splinters. **“There you are!”** Bianca cried as she easily tore the door off its hinges with a squeal and a groan. I staggered back, avoiding most of the debris. Bianca crouched and shuffled through the opening she had made. Her enormous, scantily clad body blocked nearly the entire doorway. Her face shone with an interesting mixture of mischief, desire, and something a little bit *threatening*...

"You ignore me all week and now you **hide** from me?" Bianca angrily accused me. As she crouched and lurched towards me, Bianca clumsily bumped into my coffee table and it was swept aside with a clatter. I noticed that her head was nearly brushing the ceiling, and the huge, sexy latina positively towered over me. "Why, Lee?" Bianca reached out towards me, and I stumbled backwards under the intensity of her presence. "Why you **deny** me?!"

I landed awkwardly in a chair and wilted under Bianca's intimidating size and demeanor. The massive, horny woman loomed imperiously over me like a cavewoman drooling over a hunk of meat. I was simply too stunned to speak. Bianca was wearing a woefully undersized pair of jeans, and a top that looked like it had been permanently stretched and partially split open by the sheer bulk of her giant tits. Bianca's breathe washed over me in a strong heady mixture of booze and hormones. Overpowering everything else was the fragrant plume of moist air emanating from the amazon's massive, exposed pussy.

Bianca followed my gaze to her crotch and a loud, haughty laugh seized her voice. “Haha… Oh Lee…” Bianca purred drunkenly as she edged a bit closer and crouched a bit lower, bringing her immense, swollen womanhood within a foot of my face. “Look at it…” Bianca breathed in excitement, her anger seemingly all but forgotten. “Look at my pussy…” Bianca rocked her pelvis in a slow, sensual circle for her captive audience of one. I gasped in disbelief, and the humongous horny woman laughed again as she teased me. Bianca’s laughter twisted into a heated moan as her magnificent labia twitched in anticipation. “Do you hear that, Lee?”

A low, wet gurgle rumbled from within the moist, feminine depths of Bianca's love tunnel. The sound reminded me of water being sucked down a drain, and it accompanied a noticeable swelling of her luscious, purple pussy lips. Like a huge, obscene flower, Bianca's cunt bloomed open in front of me, and a stream of her steamy, fragrant love nectar dripped invitingly down onto my chest.

I gulped, feeling totally overwhelmed by the huge, horny amazon's advance. Bianca leaned over, letting her hair fall down, and her gargantuan breasts swing perilously close to my face. "What do you think, little man?" Bianca taunted from on high. She batted her eyelashes flatteringly at me, a coy, self-assured smirk spreading across her face. "Do you want to **fuck** me now?" she propositioned in a low, sultry voice. Bianca placed her hands on her thighs and squeezed her breasts like a pin up girl. *Is it even **safe** to refuse her?*

I swallowed hard and steeled myself. Finally finding my voice, I stuttered, “Bianca, I-I…” Sensing I was already intimidated, Bianca obligingly sat down on her calves. Her gigantic rear end bumped into the couch, sending it slamming back into the wall. Bianca giggled foolishly, now I found myself emboldened by my own anger at her brazen intrusion. “Bianca, this has to stop!” I reasoned, as sternly as I could. “You’ve clearly been drinking! You know you can’t just break into my house with y-your… with your pussy hanging out, expecting me to have sex with you...”

Bianca pouted her sexy, plump lips. “But Lee…” she whined, “I cannot wait any longer.” The gorgeous woman in front of me trembled as she spoke. “I don’t sleep, I cannot focus…” Bianca’s right hand absently found its way to my briefs. “All I think of is your cock inside me…” she breathed, with her lips parted and eyes wide.

“Wait!” I protested, but Bianca laid her large index finger against my lips.
“No Lee,” Bianca gulped, her voice heavy with arousal. “I wanted to be nice. To ask. But now I have waited. And waited.” She murmured with a rising tone of passion. Her finger traced slowly, electrically down to my swollen chest. “Now I do not ask. I **say**. I need you now. My ***cunt*** needs you now...”

Without warning, Bianca pushed me back against the chair with all the inertia of a small car. “You go on bed now,” Bianca said matter-of-factly. Helpless, I cried out in surprise, but luckily the bed was right behind me and I was able to shuffle my back onto the blanketed surface.
She continued her advance, sweeping aside the diminutive chair with a loud crash. “I try and try,” Bianca murmured without losing a beat. “I try everything, but nothing will fill up my **big, hungry pussy…”** She practically drooled with anticipation. “Not like your **big, hard cock…”**

I pushed back against Bianca's powerful arms, feeling more and more agitated at being taken against my will. "*Listen*, Bianca…" I begged. "I don't want to do this… I think there is something wrong with the way you've been acting… with the things you've been doing…" Bianca paused, pulling back for a second. She scowled in annoyance, but let me finish as she began removing her top. Sensing I might have a chance at reasoning with her, I added, "I'm worried that… that you might *grow*… and if you *grow*…" My voice cracked and I trembled at my own words. "Y-you might *hurt* someone."

Bianca's frown darkened as she rose to her feet, flinging aside her top with disdain. "What makes you think I won't hurt you **right now?**" She growled. My heart skipped a beat as the passion rose in Bianca's beautiful brown eyes. "You don't think I can do whatever I want to you? I am so **strong** now..." The giant, horny latina taunted. "Maybe I show you how **rough** a big woman like me can be..."

Bianca peeled off her woefully undersized jeans and tossed them aside with a grunt, eager to be freed from the tight, constraining fabric. Now fully exposed and horny as hell, Bianca sized me up with a hungry, predatory look. Thick, fragrant cream dribbled from the maw of her engorged pussy, and the room was already heavy with the scent of her passion. Bianca sighed deeply… *and thrust her enormous body onto mine...*

Bianca seized me by the shoulder and easily held me in place as she awkwardly clambered onto the bed. Her eyes widened as she descended on me, and I think she might have been surprised by how low the bed was. The heavy, wooden frame groaned and gave a couple of loud, alarming snaps as it absorbed the considerable force of the amazon's bulk. "Oh Lee..." Bianca gasped as she clumsily scrootched her gigantic, wet cunt up over my legs. "I want this so, SO badly... "

My huge, hungry captor barged her titanic thighs forward, one at a time, slowly encasing me in an overwhelming envelope of hot, feminine flesh. I let out a yelp of dismay as my arms were roughly pinned under the unyielding weight of Bianca's massively voluptuous legs. I felt suddenly claustrophobic as my entire upper body, save for my head, was smothered under the heavy girth of this huge, horny woman. Bianca reared up and in doing so, displayed her terrifying, gaping muff to me. "Do you see me, little Lee?" Bianca gritted, furrowing her brow in consternation. "Do you see my hungry, wet cunt?"

I squirmed and kicked my legs to utterly no avail. Bianca felt and absorbed my protests with little more than a drunken giggle that twisted into a moan. “Haha… Ooohhh… Lee, I think you are afraid of my giant cunt.” The massively aroused latina flexed the powerful rings of muscle around her genitalia, flaring her engorged labial lips for a frightening effect. The hot, fragrant cream of her passion pooled sensually between our naked and ran down and over my chest as Bianca began to breathe faster and faster. With a thick, low whisper, Bianca urged, “Come, my handsome man. Don’t be afraid. Give her a kiss…”

With a sigh of elation, Bianca rolled her immense pelvis over my entire chest, already slick with her hot, womanly lube. My gasp of horror was cut short as Bianca's massive, yawning cunt plowed greedily into my face. Bianca curled her lip passionately as she leaned over the shelf of her gargantuan tits to watch her pussy handily devour the front of my head with a wet slurp.

Bianca rocked back and forth, sensually parting her swollen, oversized beef curtains with my nose and mouth before pulling me out with an audible smack. I flailed uselessly with my legs as the huge, horny amazon steamrolled me with hungry abandon. “Lee, you eat my giant cunt now… Oooohhh…” Bianca moaned as she satisfied her humongous needs at my expense. Bianca’s large left hand fumbled blissfully over her clit. The rough purple knob had swollen up to the size of a walnut and throbbed angrily with the tremendous beating of the giantess’ heart.

Bathed in an overwhelming storm of pheromones and unable to catch full, regular breaths, I began to panic. I wrenched my head left and right, trying to force my way out of the oppressive weight and suction of Bianca's savage, insatiable womanhood. My efforts succeeded only in bringing her to climax. With a roar of delight, Bianca squirmed in place, burying my face deep in the awesome folds of her gigantic cunt. She roughly grabbed my head from behind and smeared me all over her huge, throbbing muff as the powerful muscles contracted all around me.

A wave of fragrant, creamy cum surged past my face and covered us as Bianca blew her massive load. She tipped back her head and groaned in hot, drunken exultance. I felt her focus on her love muscles, sensually flexing them, seemingly trying to ride out her tremendous orgasm at my expense. Totally overwhelmed and lost in the dizzying heights of my female captor's climax, I finally ceased my struggles, letting Bianca spread her massive, swollen cunt lips around me as much as she wanted.

Bianca came and came, and eventually stopped trying to control her orgasm. I sank deep into the mattress, oxygen-deprived and exhausted by my panicked struggles. As we both surrendered to the waning heights of Bianca's climax, I felt the seal of her cunt lips break and her huge, sopping beef curtains retract from around my face. I took a few deep breaths, grateful to be able to breathe at last on my own terms . Bianca slouched over, her dazed expression belying the intensity of her passion with the vacuum of its aftermath. Still up past my eyes in her crotch we both panted in release for a few long moments. Next thing I knew, Bianca shifted on her gigantic ass, and I thought for one moment like she was about to free me from between her legs.

Alarm bells went off as I realized that Bianca wasn't getting up, she was laying down! *She's going to crush me!* I grunted as the humongous woman simply let herself go limp and her immense weight came crashing down. The wind was driven out of my lungs and I thought for a moment that I was going to black out, but there was just enough give in the mattress beneath me to cushion what **could** have been a devastating amount of force. Bianca let out a long, lingering sigh that seemed to just go on forever, trapped as I was.

“Bianca, stop!” I wheezed, struggling under the weight of her massive bulk simply to find enough air space in my lungs to plead for mercy. A large stream of her womanly juices was trailing its way down her enormous pussy folds. It loomed directly above me, poised to spill into my face, the only part of my body that wasn’t completely engulfed by her prone form.
“Please, arrgh... you’re crushing me!” I grunted in desperation. Bianca seemed to suddenly jolt to her senses, hearing what was by no means an exaggerated complaint on my part. She let out a low, rumbling giggle and rolled up onto her knees once more.

“Lee… meu deus… you give me such pleasure…” Bianca smirked. Her clear willingness to gloss over the fact that she had just used me with total disregard for my safety was infuriating, but I didn’t have much chance to protest before she began rocking back and forth, seemingly warming up for more! The huge, horny amazon ground her magnificent, cum-soaked muff over my crotch.

Bianca eyed me hungrily through the valley of her magnificent breasts as she mercilessly steamrolled me. She seemed to be thoroughly enjoying herself despite my insignificant protests. I clung to her gigantic thighs and groaned as she gyrated her colossal pelvis over my dick. This was significantly less painful than having her whole body draped over me, though no less scary as she loomed impassively above me, casting her huge shadow on me.

After churning her massive cunt over my crotch for a minute or so, Bianca seemed desperate for some more intimate action. I felt sure that she would not stop her overwhelming assault until I was inside her. Sure enough, Bianca clapped her enormous hands against my ribs and with a wide, drunken grin she began to slide me forward. “Come on, my Lee…” Bianca whined impatiently. “Give me your big, sexy cock…”

The huge, horny amazon was practically drooling with anticipation as she lifted me up and effortlessly moved my body. “My giant cunt needs you, my handsome little Lee…” Bianca whispered passionately. She continued sliding my body away from her, and I gave a yelp of alarm as my upper body cleared the end of the bed. Bianca supported me effortlessly though, and continued murmuring sweet nothings. “Oh Lee, my cunt is so hungry for your thick, warm seed... Pleasure me with your big, lush cock, my sweet man… Oohhh…”

Bianca interrupted her own lusty ramblings with a pitched moan. “Mmmm… cum in my big, fat cave…”
As the massive, sex-crazed latina began fumbling with my underwear I finally found my voice. “Bianca, no…” I managed to croak in reply. “I-I… I can’t... “ I muttered in protest. Bianca continued undeterred. She let out an impassioned moan and gleefully ripped my underwear off me with what seemed like little to no effort.

Naked, with my massive member exposed I trembled anxiously as Bianca pawed at my enlarged genitals with her huge hands. Bianca grinned in delight and gulped excitedly as she laid her eyes on my prick. Her gigantic, engorged womanhood let out a little gurgle as her labia puckered up to receive me. I held my breath, waiting for this massive, hungry predator of a woman to rip into her prey.

The moment passed however, and instead of being fucked senseless I was met with a frown of confusion, or perhaps disappointment on the part of my gargantuan would-be lover. Bianca pouted her lips and moaned half in arousal, half in dismay. “What is this?” Bianca demanded. She shifted my body in her powerful grip, hoisting me up to rest across her lap. Her eyes fixated ravenously on my exposed cock, and at once she sensed something was amiss.

Bianca wrapped her sausage-like fingers around my huge member, and lightly squeezed the sensitive flesh. I groaned in discomfort as jolts of stimulation shot up the base of my spine. The giant, horny woman paused. Her jaw hung open incredulously and her nostrils flared as she gave a short, bestial sniff. “Lee, you are not hard for me...” Bianca murmured in disbelief. “You are not aroused by... by my body?”

I gulped anxiously, trying desperately to hold back a mounting sense of panic. “Bianca… I-I…” I stuttered. “You just burst in, and uh… I tried to tell you…” I paused as my gargantuan captor suddenly glanced up. Her eyes narrowed at something behind me, and my gut dropped as I heard a small gasp coming from the direction of the bathroom.

Bianca suddenly half-stood, roughly dropping me in process. The wind was knocked out of me as I hit the floor with a loud protest. I landed pretty hard and, and my body went rigid as I forced myself to lay still, straining to hear. A sense of dread overcame me as I heard a quiet, barely-stifled cry emanate from the bathroom. Oh shit…

Bianca padded over to the door. Her large, heavy feat thunked down impassively on either side of my torso as she tottered listlessly over me. Her she pouted thick, beautiful lips in genuine bewilderment as she listened to the sounds coming from behind the door. I was paralyzed with apprehension, futilely hoping the beautiful, naked amazon would not open it. Bianca murmured suspiciously to herself in portugese as she gingerly reached toward the bathroom door.

“Oh!” Bianca cried, pushing open the door. “Meu deus…”

Standing in the darkened bathroom was a slender, naked asian woman. She cowered in fear, raising her hands to shield herself from the gigantic latina. Her name was Cynthia. She and I had been sleeping together the last few nights. I hadn’t told her about Bianca. I didn’t think I’d need to! Cynthia had been in the shower when Bianca burst in… and judging by the terrified expression on her face, I would guess that she had seen everything…

A curious expression formed spread across Bianca's face as she seemed to take in what she was seeing. The humongous woman lowered her enormous bulk, swaying ponderously under the combined effects of plenty of lust and booze. I gasped as her massive, yawning cunt plummeted towards me. However, it was Cynthia who had her attention. With nowhere to go, Bianca easily snatched the diminutive woman by the leg and dragged her over like she weighed nothing.

Cynthia screamed as the big, naked amazon seized her. Like a cat with a mouse, Bianca brought the smaller woman up to her face to inspect more closely what she was dealing with. In a matter of moments, Bianca's dumbfounded curiosity twisted into an indignant sneer. Damn, she looks pissed, I thought, bracing myself for the storm to come.

Bianca looked back down at me, realizing she was still sitting on me. Whatever sympathy she felt quickly vanished, though, as Bianca whipped her head down and growled furiously. “Lee, how can you do this to me?” I tried to wriggle away from the huge, angry latina, but with derisive snort, she let her gigantic ass come crashing down on me. I gasped as the wind was forcibly knocked out of my lungs. Cynthia shrieked as well, adding to the chaos as Bianca clumsily shifted her legs so as to prevent either of us from getting past her.

"You don't call… you don't visit me… because you are fucking HER!" Bianca seethed. She was breathing rapidly, and it seemed like she might begin hyperventilating. Cynthia's eyes were bugging out, and I felt so sorry for her as none of this was her fault.
"Bianca, stop…" I wheezed from underneath her tremendous bulk. "Let Cynthia go… I'll explain." I could see black spots forming at the edge of my vision, and I felt sure that I was going to faint from a lack of oxygen. To my surprise, however, Bianca suddenly scrootched her gigantic muff backwards across the carpet, releasing me from beneath her phenomenal weight.

Finally free, I scrambled away from between Bianca's titanic thighs. Cynthia likewise was dumped unceremoniously on the floor beside me. We both crawled away from Bianca, but with nowhere to go, we quickly found ourselves facing her wrath regardless. "Stop trying to explain, Lee. I explain to YOU..." Bianca cried. She was practically sobbing now, and her face was turning red with a mixture of anger, embarrassment, and uncontrollable lust.

I gulped as Bianca rose unsteadily to her feet. The giant, voluptuous woman simply towered over us, using her size and position to intimidate me and my helpless companion. “All I want is to have pleasure and to fuck you, Lee…” Bianca shook with emotional intensity, balling her large hands into fists. “I want you to love MY body… My giant, sexy body…” Bianca groaned as though suddenly remembering her own insatiable arousal.

“But you only want to fuck this small girl...” Bianca moaned dejectedly. Her right hand drifted absently towards her crotch. “Such a pretty little girl…” the massive woman murmured. Cynthia had been frozen in place, whimpering and avoiding eye contact with the angry amazon. As Bianca trailed off however, she lurched forward with an alarming listlessness. Cynthia’s eyes snapped up and grew large. She gulped in awe and apprehension as Bianca’s gargantuan cunt loomed low above her.

A long, shiny strand of cum trailed ominously from the gaping maw of Bianca's womanhood, and I could smell her heady, feminane fragrance easily as she appeared to grow aroused once again. I watched in silent rapture as Cynthia just stared dumbly into to wet, hungry darkness of Bianca's love cave. The huge, horny amazon let out a passionate groan, and with a loud, wet gurgle, her enormous cunt seemed to swell and engorge further, sending the trailing strand of cum dripping straight down into Cynthia's upturned face.

Cynthia sputtered pathetically as more of Bianca's abundant lubricant landed on and around us in soft, ominous plops. The small, exposed girl seemed to be hopelessly enthralled by Bianca's sheer size and sexual dominance. The colossal, aroused woman hunkered down further, and Cynthia gasped as she felt Bianca's huge hand engulf and clutch her diminutive head from behind. Bianca pulled Cynthia further into the area between her thick, meaty thighs with terrifying ease. I felt frozen with panic as the highly erotic and coersive scene unfolded before my eyes. Cynthia's jaw dropped and she began to hyperventilate, taking in a lungful of Bianca's overwhelmingly pungent hormones at a time.

“I remember being small, like you,” Bianca murmured. It seemed as though this enormous, horny woman was now becoming enthralled in her own words, in her own fantasy. Bianca studied Cynthia’s tiny, gorgeous body, letting her gaze fall upon her delicate features with what could almost be described as nostalgia. “I would take my clothes off and fuck… I would surrender to this pleasure… Ooohhh…” The amazon shivered, rolling her eyes back. “I would let my body take over…”

“What if I let my body take over right now?” Bianca breathed. She pulled Cynthia’s head within an inch or two of her massive, drooling cunt. The monstrous entity clenched and unclenched with a noisy slurp, adding to an already ominous level of emphasis. Bianca’s hand shook as she toyed with the idea, clearly imagining what it would be like to mash Cynthia’s pretty little face all over her giant, wet fuck folds. “Ohhh… Mmmm...” Bianca groaned, not bothering to hide her arousal over her own suggestion.

“No, Bianca… Please!” I broke into the giant latina’s erotic reverie with a desperate plea. “Cynthia hasn’t done anything to you… Let her go, a-and…” I closed my eyes for a second and gulped. “I-I’ll… I’ll fuck you…” I offered, grimacing as soon as I said it. Bianca’s eyes lit up with raw, drunken intensity. A pleasurable smile spread across her lips as she realized she had finally won me over. “Just let her go,” I begged miserably.

Bianca pondered this for a moment, then suddenly she rose from her squatting position to tower menacingly above me. “Lee…” Bianca chided gleefully, “I will fuck you regardless, haha…” Bianca’s huge beefy gut shook with genuine mirth. “Cynthia will stay… AND you will fuck me…” Blood drained from my face as I realized that Bianca was not in the mood for bartering. She lifted Cynthia’s beautiful, diminutive body into the great sweaty valley of her gigantic cleavage. Fuck, why was Cynthia not fighting back? She seemed utterly too stunned to react with anything but abject submission.

Bianca seemed to finally register my feeling of sincere dread. Perhaps it was the fact that I had finally surrendered to her desire to have sex, or perhaps she was sobering up. Either way, the huge, horny amazon suddenly softened her dominating manner. “Lee, don’t look so scared, hah...” Bianca chuckled almost ruefully. “I know you are afraid, but I will not hurt you, my brave, sexy man…” Bianca began repositioning Cynthia, rotating her naked body towards me. I got a vacant, but oddly unconcerned look from Cynthia, who seemed way more okay with the current situation than I was. “I don’t want to hurt anyone…” Bianca cooed as sweetly as she could. “I don’t mind that you want to fuck a tiny little woman…” I blushed as Bianca scooted backwards and plopped her gigantic ass on the floor before me.

“I just want you to fill me with your cock…” Bianca finished. She parted her enormous, bare legs for emphasis. A burst of warm, humid air thick with pheromones drifted from her gaping pussy to assault my nostrils. My face burned red and I felt faint as it finally occurred to me what Bianca had in mind. “Look, my little Lee... “ Bianca groaned, shivering from head to toe. “You can fuck us both…” the huge, horny latina let out a little gasp as she propositioned me. She leaned backwards, causing the bed to creak alarmingly under the weight of her immense bulk. Bianca positioned Cynthia gently but assertively so that Cynthia’s little clean-shaven pussy rested tantalizingly upon the humongous swollen mound of Bianca’s giant, muscly vulva. “You can pretend whatever you want, Lee…” Bianca whined. She gritted her teeth, indicating her growing impatience. “Just get over here…”

I rose shakily to my knees. Bianca followed my movements with breathless anticipation. As I gathered myself up, the gigantic latina shifted her considerable girth left and right, waggling her ass excitedly into the most comfortable position possible. My face burned with the embarrassment of having been outmatched by Bianca's insatiable desires. I took a moment to square up my shoulders and try and muster up a bit of confidence. If I was going to do this, I ought to at least try and enjoy it. As frightening and out-of-control as she was, Bianca was still a red hot bombshell.

As I prepared myself mentally for what was about to happen, I could feel my throat go dry and my cock swell up in anticipation of sex. I paused however, taking a knee and touched Bianca's massive leg with my hand. "Bianca... " I muttered a little hoarsely, "If you grow... Y-you'll..."

Bianca frowned and knitted her eyebrows passionately. "Shhh... Ooohhh... Shut up, Lee..." She groaned, becoming more aroused by the second. "I cannot think about that now... Uunnnngghhh..." She moaned loudly, and I could see Cynthia as well was beginning to tremble and gasp, like she was just as horny.

My giant, veiny penis pushed out to its full erect length. I groaned in tortured arousal as my awesomely-proportioned member throbbed to the beat of my rapidly accelerating pulse. Part of me was still irritated at the humiliation of my futile protests, but my prick clearly had other ideas. Big as it was, I knew it would disappear easily between the meaty lips of Bianca's gargantuan, wet muff. And if I fucked her… Who knew how big she might get?

Bianca's attention shifted momentarily to her tiny naked captive. Cynthia had begun gently rolling her tight little ass over Bianca's gigantic, swollen pubic mound while simultaneously playing with her own moist lips. The huge, horny amazon moaned loudly in surprise and delight. A huge grin spread across Bianca's lips as she shifted her grip on Cynthia's frame. Now instead of holding her as a captive, Bianca supported the little asian woman's body mostly for stability, allowing her tiny lover to buck and rub her tight little pussy over Bianca's giant, overgrown cunt.

The huge, purple knob of my cock throbbed invitingly as I watched the two women mutually pleasure themselves. Bianca took hold of Cynthia's leg, wrapping her giant hand over the smaller woman's entire thigh. With gentle rocking motions, Bianca assisted Cynthia in rubbing her pussy and ass over Bianca's gigantic fuck mound with blissful abandon. Cynthia cried out pleasurably and arched her back, pressing deep into the yielding abundance of Bianca's immense breasts. I was so turned on I thought my cock might explode right then and there.

"Oh Lee…" Bianca moaned. Her voice dipped an octave into a rich, sensual bass. "Put your huge cock in me… OOOoooohhh…" The giant horny latina moaned. Bianca's breathing had become heavy and ragged as she pleaded, "Come fuck us both…"

"Lee," the petite Asian woman said, finally breaking her silence. Why won't you fuck us?"

I couldn't take it anymore.

I rose to my feet and gingerly edged my way forward. Bianca's massive, thick thighs surrounded me, and aroused as I was, I couldn't help but feel in awe and a little bit intimidated of Bianca's sheer power as she filled my surroundings.

I crept forward in halting steps until I was face to face with Cynthia. She eyed me pleadingly for a moment. It struck me suddenly that despite what we were currently doing to satisfy ourselves and Bianca, we were both just as apprehensive as we were aroused. I pressed my massively swollen rod against her pitifully diminutive pussy. All three of us gasped passionately as I rubbed the head of my cock around Cynthia's crotch, slathering up that massive purple knob with her wetness. I teased the smaller woman for a few moments, pressing my baseball-sized knob into her vulva, forcing apart her outer labial lips with my enormous girth. This was just for fun however. It had taken me a good ten minutes to fully insert my cock into Cynthia's vagina when we had experimented earlier, and I just didn't have that kind of time now.

Bianca’s large, sultry eyes followed every throbbing movement of my cock as I toyed with Cynthia’s pussy. However, as thrilling as this was to watch, Bianca’s patience had finally run out. With a plaintive whine, the giant, horny amazon lifted Cynthia, sliding the smaller woman’s pussy up between her gargantuan breasts. Without hesitation, I pitched forward and plunged my massive, throbbing cock into Bianca’s enormous cunt, burying my manhood to the hilt in her hot, velvety cave. I grabbed hold of Cynthia’s hips and used my grip as leverage to stuff every last inch of myself into Bianca.

All three of us moaned wildly in unison. Bianca bucked her gigantic hips upwards to meet my huge cock, and already she was squeezing and kneading that monstrous sausage for all she was worth. The colossal, horny latina seemed almost surprised for a moment, like she was not expecting me to be quite so massively endowed. Perhaps she had simply forgotten what it was like to actually have that gargantuan cunt of hers filled. In either cased she quickly abandoned herself to some much-needed gratification. Bianca gyrated back and forth as the bed frame groaned and crunched beneath her awesome bulk. She pumped Cynthia with her thick, powerful biceps, bouncing the little beauty up and down and rubbing her little pussy over both our massive sets of genitals.

Fully inserted and aching to satisfy myself, I quickly picked up the cadence of Bianca's gyrations and timed my thrusts to harmonize with hers. Bianca's moans drowned out those of Cynthia and myself, and I felt pretty sure that everyone in the whole apartment building was getting an earful of her passion. Shit… at her size, Bianca's present state of sexual abandon was actually causing the whole floor to wobble, slightly, but perceptibly.

Over and over I plunged my monster cock into Bianca's massive, soaking pussy. Her hot, fragrant lube covered my nuts and pelvis and a large pool of her fuck sauce was quickly soaking into the carpet. I spied Bianca's face which was twisted in an intriguing mix of haughty dominance and helpless consternation. Her thick, vascular cunt lips surged with each wave of herr arousal, mounting a more and more formidable assault upon my gigantic cock as I battered her womanhood for all I was worth. As much as I was giving, Bianca's colossal muff was easily absorbing and engulfing my best efforts.

As I desperately tried to keep up with the savage pace of Bianca's mighty cunt, I began to take notice of her formidable features all around me. Sweaty and swollen, her vulva and thighs had me surrounded, and as big as they were, I felt pretty sure that they weren't growing… not yet anyway. As I puffed and gasped I began to wonder if perhaps things could maybe work out between us. Wouldn't it be great to have a 9-foot-tall lover who simply wanted to fuck all the time? I was pondering that enticing scenario as my stamina dwindled and I gradually began to slow my pace out of necessity. "Ugh…" I groaned, gritting my teeth. "I need… Unnhh… I need to slow down." I tensed my lower body and began to slide my giant cock out of Bianca's massive cunt.

As my cock began sliding out of her immense sheath, Bianca suddenly let out a passionate gasp. She bucked her hips and for a second she squeezed my cock with her powerful cunt muscles so hard it hurt. I yelped in alarm and stopped trying to pull out. I froze in place, with most of my dick still inside Bianca being wrung by her vice-like muff. For a brief moment we both trembled in place, and then with a sickening slurp, Bianca's cunt clenched and swelled even more monstrously than before. Choking on my own disbelief, I gasped as Bianca's immense pussy folds contracted around my huge prick… and pulled me back into her!

Bianca huffed, sucking in a deep breath and puffing out her chest. She tried to speak, but was cut short by a loud, triumphant, moan. “UNGH… YESSS…” The giant, horny latina bucked her hips and laughed haughtily as I was yanked dick first against her humongous vulva once more. I attempted to pull myself out of my titanic captor’s womanhood, but I was too stunned to make much of an attempt. Bianca regarded my pathetic struggle with astonishment of her own, not to mention a solid degree of amusement. “MMMmmm…” she rumbled in a low, satisfied voice, “Come back to me… Oooohhh…” Bianca moaned like she was close to climax. “Cum in my giant cunt, Lee… Uuugghh…” Bianca’s colossal womanhood quivered thrillingly. “Cum in my giant cunt...” she whispered sensually.

As Bianca whispered sweet nothings, lost in the pursuit of her own ecstasy I couldn’t help but be amazed and a little terrified of what I was seeing. Between the three of us all thrusting and gyrating the action had become pretty chaotic, but clearly Bianca had sucked me back into herself without using her hands or legs… perhaps without even being consciously aware of what she was doing until it had already happened.

Bianca tipped her gorgeous face up and let out a loud chuckle, a blissful, imperious laugh that reverberated through my body. “Haha… Lee… My cunt is so hungry for you…” Bianca knit her eyebrows together with a look of concentration as she spoke. Her huge muscly love tunnel squirmed and pulsed all around my massive cock, and thick, hot lube surged all over Cynthia and me. Alarm bells were going off in my head. I felt like I might blow my load any second, but now I seriously didn’t want to be here. I was legitimately frightened of what was happening between Bianca’s boulderous legs.

With a sharp grunt of exertion, I placed my palms flat on Cynthia's thighs and tried to pry myself out of Bianca's mighty fuck tunnel. For a brief moment as I struggled, it seemed like Bianca had me completely restrained with her immense cunt strength. After a few seconds however, and with a loud wet squeal, I finally managed to rip my giant cock straight out of Bianca's cunt. The huge, horny latina howled in pleasure as I quickly and unexpectedly slid past the ultra sensitive flesh of her womanhood. The vascular, fat curtains of Bianca's colossal labia slapped together as I pulled out, and a wet, rumbling sound emanated from her velvety depths as the pressure equalized.

I was now reeling backwards, trying not to fall over from the forcefulness of my escape. I managed to sit back on my calves just as Bianca's gargantuan hips and pelvis began bucking like crazy. The massive, horny woman leaned back and stabilized herself with one hand on the ruined bed as she moaned wildly like she was on the verge of climax. Cynthia bounced up and down on Bianca's titanic, swollen pudendum, desperately fingering her own pussy and gasping in ecstasy as well. It almost seemed like for a second I had been all but forgotten.

Suddenly I was pushed behind by some unseen, incredibly powerful force. Then I was squeezed from both sides, and slammed dick first back into the great triangle of heaving female flesh formed by Bianca's crotch. My gigantic lover had wrapped me in her massive legs, not content to let me slip away in her moment of passion. 'OooOoohhh…" Bianca moaned savagely. Hot, thick cum blasted me covering my entire lower body as the huge, horny amazon alternately squeezed me in and out of her crotch with her enormous legs, using me as a sex pillow while she came like a champion.

Bianca suddenly stopped pumping my body and simply squeezed me against herself, forcing all the air out of my lungs. I spotted her gaze trained on my huge cock. Bianca's mouth hung open and her eyebrows knit together passionately as she waited in desperation for me to cum too. Her titanic cunt quivered in ecstasy as Bianca trembled, stretching out her climax as long as she could, as though she could make my cock spurt its tremendous load by power of will alone.

Something in me continued to resist however, and despite the fact that I was also on the brink of cumming, I somehow managed to reign in, probably by virtue of my apprehension of this whole situation. My oversized prostate bulged up and a small spurt of precum pumped up out of my cock. I gritted my teeth and closed my eyes in concentration, and despite being at the mercy of Bianca's powerful legs, I managed to hold my own and not give in. Relief was just beginning to flood my senses when suddenly I felt a small, trembling hand wrap partway around my monster prick. My eyes snapped open and I groaned through gritted teeth, "Cynthia… Unnhh…"

Cynthia's face was red with passion and despite her own pleasure she seemed almost painfully fixated on my huge, throbbing cock. She held the baseball-sized head in her delicate, shaky grip, digging in her fingernails slightly as it pulsed under her touch. With nowhere to go and my massive dick trapped between all three of us, I was unable to stop the hot little asian woman from gingerly, maddeningly squeezing and kneading my cock to climax. A loud ringing sound filled my ears and the last thing I heard before my prostate began to form a rock hard fist was the sound of Bianca's wild, ecstatic moans. I couldn't take it anymore. My cock swelled up greater than ever, and the base of my spine lit up like a christmas tree.

Trapped in the powerful clutches of Bianca's enormous legs, I growled in ecstasy as I blew my load. A wave of muscular contraction shot up my giant cock and a noisy, hot gout of cum erupted from the tip, spraying Cynthia's entire upper body, covering her abdomen and breasts. My monster dick pulsed again and again, pumping up an ounce of my thick, goopy seed at a time. Cynthia, while moaning in delight at the heights of her own pleasure, milked the tip of my mighty prick, milking it for every last drop and surrendering herself to being blasted by my orgasming member.

The three of us clutched and moaned at each other for a few long, blissful moments. After a minute or so of desperate, exhausting lovemaking the average heart rate in the room seemed to be winding down a bit. Bianca relaxed her overwhelming grip on my body and let her titanic thighs slap back down against the ruined bed frame. My face burned red from the emotional high of our sex, and I glanced up at Cynthia a little ruefully, despite the fact that she had been the one to bring me to the climax that had gotten her absolutely coated in my cum. I tried to speak to apologize, but my throat was so dry that nothing came out.

At last Cynthia found her voice. “Oh my… Oh my god…” she breathed. The beautiful petite asian girl found her footing as Bianca sat up in a daze. Cynthia wore a stunned expression as well, and clearly her immediate attention was focused on the state of her whole body having been covered from head to toe in cum from both Bianca and me. “I-I…” Cynthia stammered. Her neck muscles tensed and suddenly eyes shone with genuine outrage. “I just SHOWERED!” Cynthia fumed. She pawed at her breasts wiping some of the jizz off her body as the extent of her filthiness suddenly became apparent to her.

“I’m covered i-in…” Cynthia whined. Bianca’s colossal body continued to rise behind the diminutive woman as she gathered herself into an upright sitting position. Cynthia continued, her voice taking on an even more indignant, shrill tone. “She’s huge! Did I fuck her? I’ve never even been with a woman before... Why did I get so horny...” Cynthia’s rantings were cut short as Bianca’s gargantuan breasts barged into her from behind. She stumbled forward and out of the way as our corner of the room grew dark.

Bianca rose to her full height. The top of her head brushed against the ceiling and she had to stoop slightly in order to stand. Her expression was one of irritation, and anger. I was roughly pushed further back into the corner as Bianca used her gigantic size advantage to bully both Cynthia and me further away from the bed. I gulped, realizing that we were both fully at Bianca's mercy. It had only just occurred to me that since I had now blown my load, I might not have anything left to bargain with.

Cynthia’s angry indictments had now been replaced by frightened whimpering and she clutched me for support as Bianca loomed ominously overhead. The giant, naked latina fixed me with a stern gaze and demanded, “Lee, why do you not cum in me?” I opened my mouth to reply, but again nothing came out and so I desperately attempted to clear my throat as Bianca continued in a low, menacing voice. “My giant cunt is so hungry for your cock… I do everything to make thing easy for you…” Bianca raised her large, thick arms in a threatening manner, as if she might seize me and crush me with her immense strength. “Now I must clean up your mess…” she growled as her huge hands descended.

Bianca reached down… and grabbed Cynthia. The petite asian girl yelped in protest as Bianca wrapped one giant hand around her entire arm and snaked the other behind the smaller woman's tight little ass. "Come here chica…" Bianca gritted. She pulled Cynthia into her crotch gently but assertively, ignoring her plaintive cries. "You want to shower little girl?" Bianca demanded. Like Cynthia weighed nothing at all, Bianca wrapped her up in her immense clutches and the smaller woman's feet began dangling for purchase on the ground. Cynthia squealed in alarm, but her cry was cut short as Bianca roughly smooshed Cynthia's little face into her enormous bust. "I will make you clean… Urrgh…" Bianca grunted.

“Bianca, wait…” I cried, suddenly fearing for Cynthia’s safety. “What are you doing?” Any ambitions of rushing to my little asian lover’s aid were held in check by the sheer size of Bianca’s limbs and muscles. Bianca pushed Cynthia’s body up into her giant, slobbering cunt, sighing erotically as she did so.
Bianca began to slide Cynthia’s body south, tipping the tiny woman’s body into a more horizontal position with frightening ease. “Uggh, fuck... “ Bianca grunted. “I am getting what I come for, Lee…” Sounds of wetness, little pops and squeals, emanated from Bianca’s enormous crotch as she reversed direction and slid Cynthia’s tiny body upwards again.

I looked on in shocked disbelief as Bianca grunted again. The huge, naked latina spread her legs into a wider stance, further blocking my route of escape while at the same time opening up more of her immense labial folds to receive as much of Cynthia's torso as she could. "Fuck… Huhh… Unnhh…" Bianca grunted in consternation. "I am not even so horny anymore… Fuck, Lee…" Bianca growled indignantly as she continued slathering Cynthia's cum-soaked body all over her gigantic, swollen fuck mound. A sudden, unexpected moan escaped Bianca's lips and the corner of her mouth curled into a little capricious grin as she began working Cynthia up and down with building enthusiasm.

Dumbstruck and speechless, I watched in mesmerized silence as Bianca simply had her way with the entire length of Cynthia's hard little body. Bianca grunted and panted, gritting her teeth almost as though she were concentrating to some unkowable end. Cynthia's cries had now all but died away, and once again, the petite asian woman's expression went blank with submission. Bianca reached one giant arm behind herself to grab Cynthia by the foot. With a wet slurp and a pitched moan she began flossing Cynthia's helpless body head to toe against her colossal, dribbling cunt.

As Bianca lumbered forward through her own arousal she began to increase the pace and the force of her strokes. She was now pumping Cynthia up and down vigorously, panting with passion, all the while shooting sinister, lust-filled glances in the direction of my huge, semi-hard cock. The enormous, horny amazon's efforts seemed to be rewarded, and the thick, vascular slabs of her cunt folds quickly became swollen and engorged. Midway through each stroke, nearly all of Cynthia's narrow hips seemed to simply disappear in the hot, steamy depths of Bianca's giganti, womanly maw.

Bianca lurched upwards with a sudden, erotic motion. “Ooohhh, yesss…” she moaned euphorically. “Oh Lee… I feel you… I feel you inside me…” The enormous woman spread her legs even further, allowing her gargantuan cunt even more access to Cynthia’s helpless body. “It’s like… Ooohhh… It’s like when we first fuck, Lee…” Bianca gasped. She let out a sudden, genuine chuckle that caught in her throat and ended as a heated moan. “Haha… Haha, Oooohhh…. Uuuhhmm… You are so BIG Lee… Put your huge cock in me, my big man, Uuungh…”

As Bianca's arousal soared, I felt the blood drain from my face. Cynthia's body seemed to all but disappear within the vast, wet confines of Bianca's awesomely proportioned cunt. The horny giantess' moans crescendoed and filled the room with each sensual thrust of Cynthia's helpless form against her immense, sopping womanhood. I blinked hard and fast, suddenly feeling woozy, like I might faint from the intensity of what was happening before my eyes.

As I stood transfixed by the Bianca's sheer display of domination, the massively aroused woman suddenly froze, clutching Cynthia's body, and pulling the tiny woman deep into the yawning depths of her ravenous cunt. My breath caught in my throat as Bianca waited at the edge of her climax. The giantess' flanks shone bronze with sweat and cum, and she panted thrillingly as her orgasm forced its way through her immense body. A ringing sound filled my ears and quickly increased in volume. I felt my huge, limp cock suddenly swell up and stand at attention just as Bianca's first strangled moan escaped her beautiful, plump lips.

Bianca, leaning precariously forward and straddling an entire human being in her outrageously widespread stance suddenly and unexpectedly pitched forward. There was a split second where it looked like she might catch herself without falling, but as orgasmic convulsions wracked her entire colossal body, with every muscle already straining to the max, she ultimately lost her balance entirely. With a short cry of euphoria and surprise, Bianca's immense upper body tumble forward and down, blocking my entire world. The last thing I can remember is Bianca's incredible weight crashing down around me, then all went dark.

My whole world went dark, and I think I passed out, for how long, I had no idea. All of a sudden I felt my chest constrict and I realized that I couldn't breathe. My whole body was restrained to the point of being completely immobile! I quickly recalled what had happened, Bianca barging into my apartment and forcing herself on Cynthia and me… Fuck, I had to escape!

I kicked and squirmed, trying my best to move all four limbs. It suddenly occurred to me that I wasn’t trapped after all- not completely. I alternated wiggling and forcing my arm out away from my trunk. At first, I wasn’t making much progress, when all at once, my entire world shifted above and around me. Bianca was apparently still laying on top of me. Feeling my panicked efforts, the humongous woman turned her enormous body slightly to the side with a grunt annoyance. Light flooded back into my world as I suddenly became partially free. I gasped in a deep breath of relief, struggling to open my diaphragm against the immense weight above me.

Like a giant cat having a comfortable doze, Bianca continued to shift her bulk around, seemingly nuzzling into me like a favorite stuffed toy. As the giant latina moved about, I could sense more of my surroundings. It occured to me that Cynthia was also trapped under Bianca's massive bulk, though she stirred as well, and I felt relieved that at least no one had become crushed during Bianca's previous sexual adventures.

I think Cynthia and I both had the same idea, and as soon as Bianca began stirring we both attempted to fight against her incredible weight, trying to free ourselves from our huge, fleshy prison. Bianca breathed a huge sigh of indignance that rumbled through our bodies, and in a huff, pressed her weight back down upon her diminutive captives. I heard a muffled cry somewhere to my left and felt Cynthia kick her tiny legs to utterly no avail. As it gradually dawned on me how useless it would be to fight someone so much larger than myself, I switched tactics and attempted to twist myself out from underneath Bianca's enormous body slowly, without drawing too much attention to myself.

As cautiously and meekly as I could, I alternated rolling on my side and to my back while scooting outwards at the same time. Fuck, Bianca's breast was simply colossal! Several hundred pounds of naked, erotic flesh weighed into me and despite my best efforts, the going was slow at best. I managed to emerge slightly out from under the globe-like curve of Bianca's titanic left tit just in time to avoid passing out from a lack of air. Again, I strained with all of my core strength just to create enough negative pressure against Bianca's immense weight in order to draw in a fresh lungful of air.

Suddenly, Bianca shifted again, smothering me me with her gigantic cleavage. A deep, satisfied purr rumbled through my world, and I felt as well as heard Bianca muttering, “Mmmm, no Lee… Not yet…” I pressed against Bianca’s massive girth in protest. “Mmmhhmmm haha… Just wait my big man… It’s happening…” Bianca giggled absently apparently still lost in her own sexual conquest, based on the sensual undertones of her rich, languid baritone. I little moan escaped the amazon’s lips and I suddenly froze, straining to ascertain what was happening. I felt a little shift in Bianca’s musculature. She let out a slight grunt of exertion, and I saw her huge, meaty fist thump into the floor next to me. Bianca sighed and a curious, low-frequency rumble stirred all around me. I let out a muffled gasp. Bianca was growing…

Bianca twisted and contorted her gigantic body, smothering Cynthia and me with her colossal bulk. The giant, sexy latina moaned euphorically, revelling in the seemingly orgasmic sensation of her huge, naked body slowly spreading in all directions, packing on pounds by the hundreds. I would have struggled against her impossible weight if I wasn't so stunned. Trapped as I was, I could practically feel Bianca's growth as if it were my own. Her flesh simply expanded through space in three dimensions as casually as if she were flexing a muscle or drawing in a breath. Despite the tenuousness of my situation, I couldn't help but pause and be in awe of the sheer spectacle of Bianca's continued ascent in size.

“Uuunngh… I’m growing, Lee…” Bianca huffed in a haughty, delighted tone. Cynthia and I could do little more than squirm in response, but that didn’t seem to bother the giant, horny latina one bit. “Hmmm… I feel… I feel so powerful… so huuuuge, Ooohhh…” Bianca moaned sweet nothings to herself and her captive audience of two. She smeared her gargantuan breasts over our entire upper bodies forcibly engaging us in her own sexual exultance. “It feels so… SO good…”

Bianca’s body plowed outwards in all directions, pushing out into space by the cubic foot. “I feel so strong now…” She groaned haughtily. “I am a goddess… You have made my giant cunt very, VERY happy, my little Lee, Ooohhh…” As if to prove her point, Bianca pressed her titanic wet cunt into our lower bodies, moaning unabashedly as she did so. The huge, horny amazon ground her monstrously oversized womanhood against us, causing it to grow wet and distend as the situation became increasingly erotic.

Bianca squirmed and moaned like she might come. At her new, larger size she threated to smother me once more and I began to struggle helplessly against her colossal bulk with renewed panic. Without warning, Bianca suddenly reared up with a sensual, satisfied growl. I immediately coughed involuntarily as the crushing weight was lifted from my struggling diaphragm. I gasped, filling my lungs with much-needed air, so much that my head spun. Bianca’s boulderous tits rose and rose as the humongous woman lifted herself way, way up…

Bianca's huge, beautiful face finally emerged above the sheer rondure of her titanic breasts. A haughty, tremulous grin spread from ear to ear as she began to take in exactly how pathetically small my body looked next to hers. I felt a warm wet plop on my crotch as Bianca's thick, fragrant lube dribbled down off her gargantuan cunt onto both Cynthia and me. Bianca smirked in delight as she continued to rise up, confidently lifting her newly amassed size with her massively developed musculature. I look of surprise and genuine intrigue filled her eyes as more and more of my diminutive body gradually came into view under her colossal rack.

Bianca suddenly put her hand to her lips in mock bashfulness. “Oh my goodness… Lee… You have grown TOO, my big, sexy man…” Her eyes trailed down my chest to my crotch in delighted approval as she inspected my newly defined musculature and sexual endowment. Cynthia and I were too distracted to do much more than cower beneath the frightening size and shape of Bianca’s monstrously swollen, drooling cunt.

Bianca continued to rise and suddenly bumped her head against the ceiling. A quizzical, genuinely shocked expression filled her face. “Oh… meu deus…” The amazon lifted her massive, thick arms over us, pressing her palms against the ceiling in an almost claustrophobic manner. Her trepidation gradually transitioned into glee as Bianca quickly realized that even kneeling, she was as tall as the room. That had to put her at around 12 feet tall, maybe more!

Bianca grinned as her sexual fantasy continued to unfold before her eyes. She turned her attention back to her tiny captives and murmured, “Mmmm… I am a giant now, Lee…” The huge, horny woman reached out towards me, giggling with a mixture of arousal and mischief. I instinctively recoiled backwards, despite the fact I had effectively no way to escape from Bianca’s newly enhanced size and power.
