The gargantuan, horny latina laughed at my attempted escape and shuffled forward on her knees. Cynthia threw up her arms in alarm as Bianca's fantastic weight boomed through her knees on either side of the puny little asian woman. Bianca fixed her eyes on my cock and licked her lips. Her expression was triumphant and she laughed through a little moan of arousal as I realized with sickening clarity that despite everything Bianca had done and was still doing to evoke fear and alarm, my huge, meaty cock had grown fat and solid as a brick under her huge, sopping muff.

I looked onwards in helpless submission as Bianca reached down and stroked my huge, veiny rod with her massive index finger. The giant, horny woman grunted in approval as she inspected and eye-fucked my cock like a sirloin steak. “Oh my… Lee…” Bianca breathed hoarsely. She gulped involuntarily, then parted her huge, plush lips in approval as she drew her finger up and down the length of my kolbasa-sized manhood. “You should be careful, my big man…” Bianca giggled. “Haha… You might hurt someone with that…”

I yelped in dismay as Bianca suddenly hunched forwards, barging her gigantic tits into Cynthia and me. “Let me help you with that,” the giantess grunted imperiously as she wrapped me in her powerful grasp. Cynthia let out a cry of surprise as Bianca roughly planted her gigantic, throbbing cunt on top of the helpless woman’s torso, simultaneously lifting my into the air with terrifying ease.

“Bianca… please…” I groaned, trying not to let my own arousal take hold and render me senseless. “Be careful… You’ll crush us!” I pleaded.

Bianca simply grinned in reply, keeping her gaze fixated on my monstrous, wobbling cock. “Come on, my Lee” Bianca chided. She gleeful ground her colossal pussy into Cynthia, pinning her in place while lifting my huge, engorged prick into her soft, plush cleavage. I groaned in reply as Bianca continued, unfazed. “You are too worried for me…” She murmured, pouting her fat, lovely lips. “Can’t you see we are meant for each other?”

Bianca raised me further keeping my giant rod stuffed between her titanic breasts. The stimulation was incredibly and I could do nothing to prevent being used like a sex toy other than groan in protest. “All I want is you, Lee…” Bianca purred. “All I want is to fuck and grow… Fuck and grow… Ooohhh…”

Bianca moaned loudly into my face. I couldn't hear Cynthia's protests anymore, and I wondered if she was either too enthralled to resist or had simply been engulfed by the vast, endless folds of Bianca's titanic cunt, lost in her velvety abundance. Bianca's hot, hormone-filled breath washed over my prick, causing me to thrust involuntarily into her massive cleavage. Bianca knit her eyebrows passionately, but couldn't help the grin from spreading across her huge face. "I think you want it too, little man…" Bianca teased. "Don't you want to fuck your giant, sexy lover?"

Lost in the pleasurable stimulation my cock was receiving, I was simply too overwhelmed to form a coherent reply, and Bianca was too ravenous to wait for one. I moaned and panted raggedly as Bianca's lovely, feminine boob flesh pressed and massaged my enlarged genitals from all sides. As Bianca continued to lift me up into her cleavage, she began pushing her gigantic tits together, causing them to further engulf my rock hard member. The huge, horny amazon's breath washed thrillingly over the tip of my engorged penis, and I worried I might not last long enough for Bianca to wrap her luscious lips around me.

Bianca’s enormous, sinewy tongue snaked out past her plush, grinning lips. I gasped in tortured arousal as the burgeoning latina planted her tongue on my rigid, veiny rod. Bianca gave a slight giggle that sent stars shooting up my spine as she slowly, sensually raked her tongue up and over the exposed tip with pure, erotic delight. I arched my back passionately as she finished her long, languid stroke. As much as I had been fighting against Bianca’s unstoppable sexual appetite the last few hours, I was beginning to simply surrender to my own body’s part in the seduction.

Bianca groaned, lost in her own delight as she tasted my huge, sinewy manhood. She shifted my body in her thick, powerful arms, causing her immense cleavage to surge around me, engulfing me further in her erotic embrace. The giant woman licked my cock again, this time showing even less restraint- moaning through her own lust and going after me with increasing desperation. I struggled in her unstoppably strong grip, not in an attempt to escape so much as out of my own desperate state of arousal.

Finally Bianca ran out of patience for foreplay. The big, lusty latina wrapped her giant, puffy lips around my cock. Groaning loudly out her nose, Bianca began slurping and sucking me for all she was worth. With her head already brushing up against the ceiling, my amazonian lover resorted to simply raking my whole body in and out of her mouth, using her huge, powerful arms to squeeze and pump me like a helpless little toy. I cried out in ecstasy as Bianca's lips churned around my immense shaft, her tongue raking and swirling over my head as it bulged into her hot, moist depths.

Bianca must have felt me losing the fight to hold onto my load. With a moan of triumph, the horny giantess pursed her lips together. Squeezing my cock like a warm, fleshy vise, Bianca plowed my body into her face, pushing my head into hers and forcing me to arch my back so as to fit every inch of my enormous member into her cavernous mouth. I growled and panted as my already massive dick pushed out another couple inches. The thick, powerful muscles of my prostate seized and swelled up around the base of my cock, and Bianca greedily positioned the tip of my tortured member towards the back of her throat, moaning loudly in encouragement.

I bucked my hips in helpless ecstasy as I climaxed. A loud gurgling noise traveled up the considerable length of my massively engorged shaft. The force was enough to cause me to lurch backwards, a bit like holding on to a garden hose. Bianca let out an excited moan that was cut short by the sheer volume of the load she had unleashed. Cum erupted out of Bianca's mouth, around my cock, and onto her gargantuan breasts. My gigantic lover's eyes went wide as even she seemed taken aback by the force of my orgasm. I pushed my cock deeper into Bianca's hungry maw, eagerly filling her with as much hot, thick spunk as I could.

I gyrated into Bianca's face for all I was worth, riding out my orgasm for at least a minute. Moaning in ecstasy, I pushed and pumped with desperate abandon, not slowing down until the sheer stimulation level alone forced me to stop. Bianca squeezed me tightly into her titanic cleavage, guiding me into her waiting cavern and willingly assisting me to empty every available drop of cum into her mouth. By the time I had finished and lay spent and panting, Bianca's entire mouth appeared to have been filled with my thick, goopy seed. More had escaped the erotic seal of her huge, beautiful lips and had spilled and splattered over the both of us. At length, Bianca ripped me out over herself with a loud, wet slurp. I groaned tortuously as she fixed her eyes on mine. With a wink and a sigh, Bianca's throat bulged. The huge, horny latina guzzled my load with gleeful satisfaction, noisily gulping down on a couple quarts of thick, hot cum.

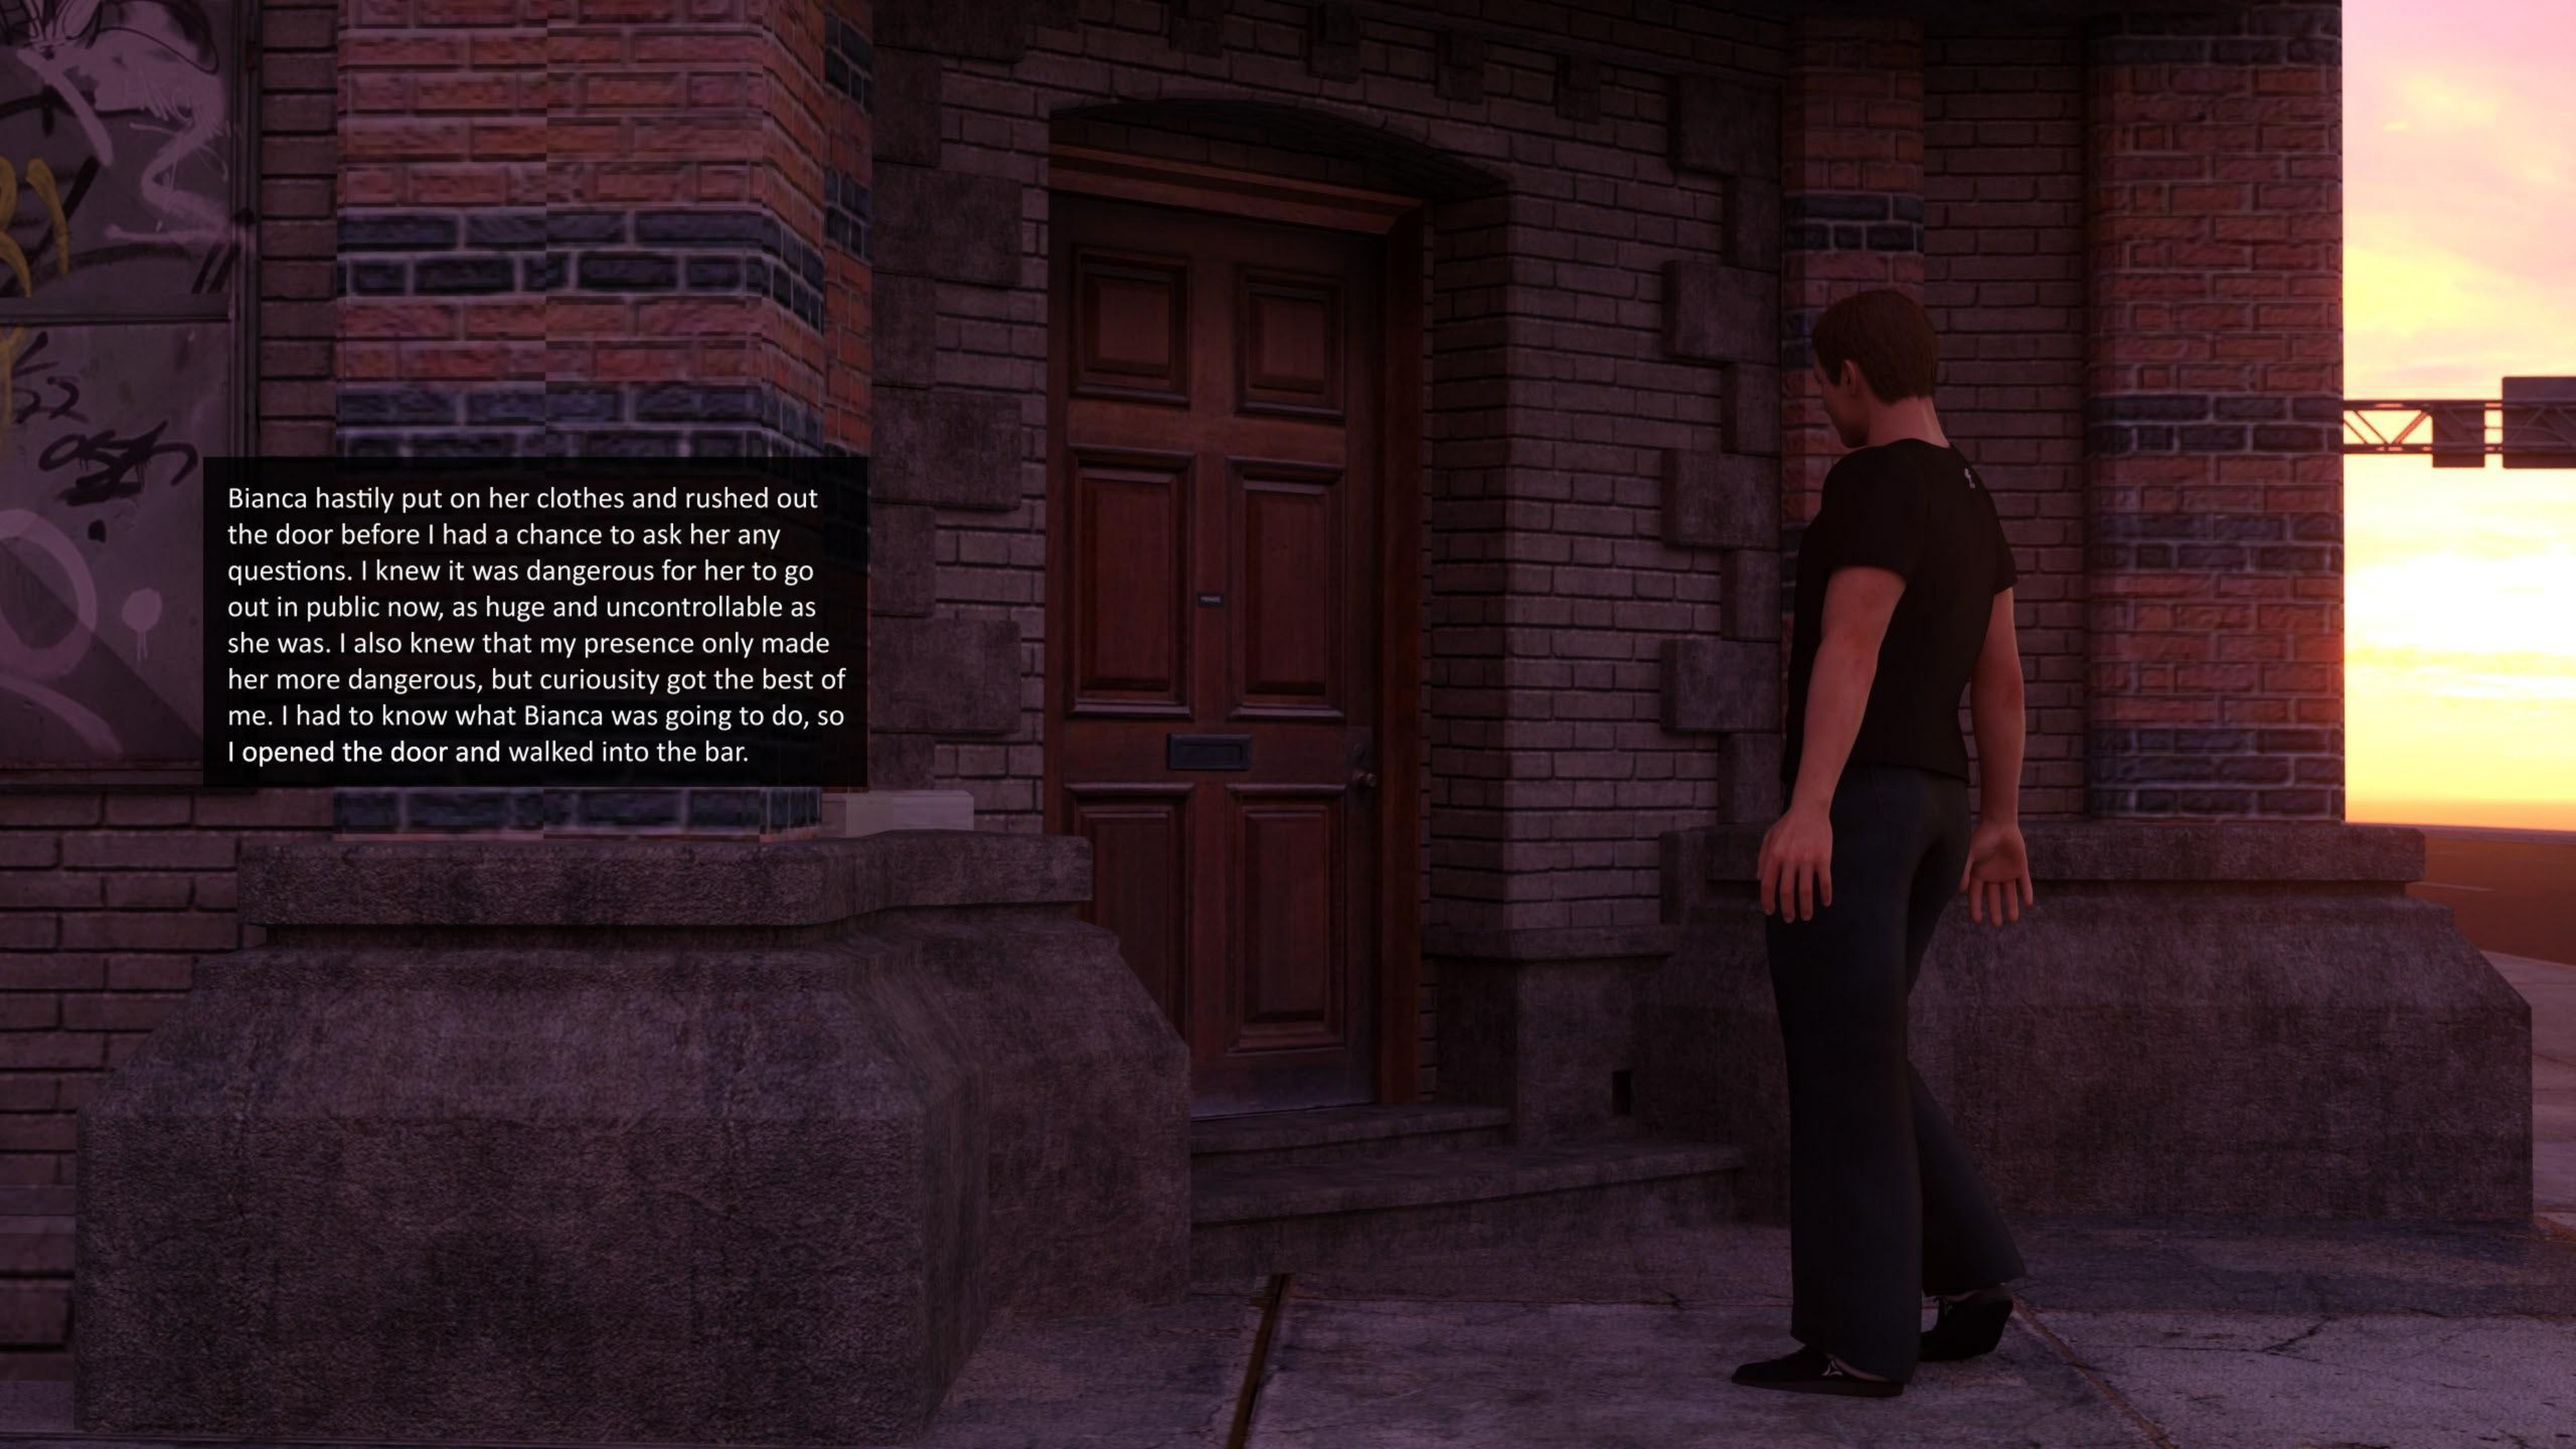

Bianca lowered me slightly so that she was now gazing down at me in haughty, imperious amusement. I groaned in pain as my huge, softening prick was dragged through the massive valley of her soft, globe-like breasts. Bianca suddenly let out a loud, uncontrolled belch. Laughter seized the enormous naked woman, and she shook with the satisfied hilarity of an insane person. Her giggles subsided into a warm, adoring grin as the room grew ominously quiet, save for the soft plops of my cum spilling over her giant breasts and onto Cynthia's torso.

At length, Bianca deposited me with effortless grace. I sighed in relief at finally being able to stand with my two feet on the ground. I knew my troubles were not over however. It was immediately apparent that my perspective had changed, and I had gained at least an inch or two in height. For herself, Bianca had grown immensely. Her body had swollen considerably in every dimension, and in particular, Bianca had packed additional mass into the proportion of her breasts, ass, and her huge, hungry cunt. I estimated her height to be approximately 12 feet, and I bet she weighed at least a ton. In a word, she was now truly gigantic. She could do anything… say anything… fuck anything she wanted.

Bianca's eyes shone with feverish intensity as she grinned, looming menacingly overhead. I thought it was possible she was still growing, slowly but surely packing on even more size, strength… and would have a sexual appetite to match.
"Ooohhh… meu deus…" Bianca breathed, genuinely in awe of her own incredible presence. "I think I am to become a goddess… A big, beautiful sex goddess…" she murmured, filling the air around her with the power of her own words.

Bianca cast her eyes sensually down upon Cynthia and me, allowing to rest finally upon my huge, semi-hard cock. She grinned in unabashed sexual hunger and groaned more to herself than to us, "I think we will have to be spending more time together, my beautiful little lovers. But first, I want to pay a visit to the bar where I used to work... I know the men miss me there..."

Bianca hastily put on her clothes and rushed out the door before I had a chance to ask her any questions. I knew it was dangerous for her to go out in public now, as huge and uncontrollable as she was. I also knew that my presence only made her more dangerous, but curiousity got the best of me. I had to know what Bianca was going to do, so I opened the door and walked into the bar.

A large audience was gathered this particular Saturday afternoon at The Hustler, the strip joint where Bianca had previously tended bar. Back when she wasn't so huge that she couldn't actually FIT behind the bar. Back before she had, unintentionally or otherwise, nearly suffocated her co-worker between her colossal, gorgeous thighs.

It was hard to see through the crowd; some people were standing on tables and stools, and it blocked my view. I stood on my tiptoes, and I saw her, standing to the side of the stage. Just catching a glimpse of her face was enough to make my cock rock-hard in an instant.

Bianca was enraptured along with the rest of the crowd. She chewed her fat, luscious lip with bated breath. Lucy Leggings, Saturday regular and strip dance extraordinaire was closing out her set to a capacity crowd. The lithe, dark-haired beauty was so spell-binding on the pole that even Bianca's massive presence went largely unnoticed as of yet.

Lucy Leggings gave her adoring crowd a winning grin as she twirled around and around. She closed her eyes and let herself get lost in the lusty approval of her busiest, most generous audience of the week. The music cue had just signaled to her that the last few minutes of her set had arrived. Determined to finish out her performance with as many hard-earned tips as possible, Lucy started throwing herself at her dance act with abandon, no longer needing to pace herself for the long haul.

I looked back over at Bianca. She was fiddling with her top, and I realized quickly she was trying to take it off. She bit her lip the same way she'd done before when she was desperate for sex, but as far as I could tell she didn't even know I was there, so I knew it couldn't have been me she was after... it had to be Lucy.

Lucy tipped her head back and leaned sensually away from the poll as she climbed to the very top with practiced ease. She would flip her sinewy body upside down and spin hard from top to bottom, knocking out more than ten full rotations if she was having a good day. It was probably her best hook, and she tended to save it for the end since it often left her with a little lingering vertigo.

Just before she hurled her body into a high-velocity downward spiral, Lucy Leggings' eyebrows furrowed. Something was off. The pitch of the crowd had suddenly changed, and instead of roaring encourage she heard a bewildered gasp ripple through her audience. The dancer slitted her eyes slightly open and glimpsed something below her on the stage. It was a woman's body, naked and splayed out. It was very close… and VERY large…

Bianca scrootched her gigantic, naked form beneath Lucy's diminutive little body, leaving her tattered clothing in a rough pile. Humid, pheromone-laced air rose up to assault Lucy's nostrils and the tiny dancer froze, watching helplessly from above as the giant, horny latina effectively blocked her only potential escape.

Lucy yelped in apprehension as the giantess below her pressed her sizeable beef curtains into the very poll she was clinging to. A loud scratch came over the main speakers and the music suddenly cut out. Bianca gave a massive, shameless moan that boomed out from the stage cutting right through the rising tide of astonished murmurings. Someone in the crowd let out a scream and for a moment it seemed like the whole room was going to freak out.

Bianca ground her monstrous, engorged pussy into the dance pole shuddering erotically as she mashed the cool metal into her endlessly hungry womanhood. Lucy clung to the pole as it shook ominously against the forces battering it below, hearing the undeniable arousal of the naked amazon's groans and the wet, greedy smacking sounds of her cunt lips. Bianca suddenly let out a rumbling whimper like an oversized pornstar and engaged her core, sliding her cavernous slit up the pole in unabashed bliss.

Just that moment, an unseen hand at the audio control booth caused the music to cut back in, and a sensual latin-electronic beat roared over the main speakers. Like magic the crowd was suddenly back, cheering and jeering at the pure obscenity of the performance happening before their very eyes. By the time Bianca lowered her gigantic, gorgeous body back to the floor, she was face to face with a full room of frenzied, manic fans eager to see her push even further into her sexual routine.

With a pleasurable sigh and a languid, drunken grin Bianca obliged. She lurched forward into shamelessly exposed, hunkering quat. The huge, horny latina's mammoth breasts swung forward and wobbled into place, defying gravity and forming a vast shelf of sweaty, erotic flesh beneath Lucy's trembling form. She seemed at first to cringe and shy up and away from her titanic captor, but with a deliciously casual gesture, Bianca easily caught her in her humongous, meaty palm.

The crowd gasped in stunned amazement as Bianca rose further, gently pressing Lucy's helpless, naked body into her gargantuan cleavage. The sheer size of her massive bulk dominated the room, and Bianca had to hunch over just to stand. The muffled the cries of her puny captive were ignored as she easily engulfed Lucy’s head between her thumb and fingers. With a single hand, Bianca toyed with the doll-sized woman upon her colossal bosom, causing Lucy to struggle for fear of falling.

As Lucy twisted and squirmed in her powerful grip, Bianca's demeanor seemed to shift from one of detachment to genuine curiosity. She shifted Lucy's diminutive form into an upright position and with one hand, held her with terrifying ease. The naked, horny amazon pursed her full, plump lips. "Be still, my dear," Bianca commanded in a husky, baritone voice. "I want to be playing with your beautiful little body. Stop this useless struggling," Bianca chided. Over the din of the music and the chaos of the room, Lucy actually seemed to respond. Her body gave a short jerk and then went rigid.

With a meaningful, almost sinisterly slow motion, Bianca pressed Lucy's face into her tortuously erect nipple. The naked amazon gasped and shivered as she deliberately mashed the helpless woman's face into her titanic tit. A wide, haughty grin spread across Bianca's huge face as she stimulated herself, rubbing Lucy's face over her massive aureole in slow, deliberate circles. The enormous, horny Latina shuddered in ecstasy as she easily dominated the tiny dancer. The crowd, sensing the depths of Bianca's sexual satisfaction cheered and yelled encouragement, abandoning all regard for Lucy's situation.

Bianca sensed the excitement surging through the crowd. She turned her drunken gaze outwards and suddenly seemed to acknowledge the fevered pitch of the shouting, manic patrons. Eyes brimming with naughty delight, Bianca lowered herself slightly, saluting her tiny audience with a wide-open view of her humongous, blood-engorged pussy. Lucy's beautiful, naked body went limp as Bianca continued to massage herself with the smaller woman's face.

On a whim, Bianca grabbed her tiny captive with both hands, gently and confidently repositioning Lucy to face the leering crowd. Lucy's eyes were wide and fearful, but her lip was curled in such a way that suggested she was aroused by the insane heights of Bianca's dominating antics. The giant, slutty amazon proudly jutted out her enormous pubic mound, grinding her cunt carefully into Lucy's backside. Lucy gave a strangled, heavily aroused whimper as her own exposed genitals were pressed forcefully into the dance pole. A wave of gasps swept through the crowd as people reacted to the plaintive, submissive look on the tiny dancer's face, an intriguing mix of pity and envy echoing about the noisy, packed floor.

Bianca leaned down while simultaneously squeezing her diminutive captive up between her breasts. Like a huge mother bear, the gargantuan, naked woman hugged little Lucy up into her cleavage and sniffed long and deep. Fully sexed and ready to fuck, Bianca wrinkled large, cute nose at the pheromones and sweat clinging to both womens' exposed bodies. Her massive, plump lips parted in a haughty, predatory pout, and the giantess moaned loudly and shamelessly onto her helpless toy. "Uuunngh… I want you… I… I need you in my giant cunt, little thing… Oooohhh…"

I know I should have intervened, but at the time, how could I? I was as captivated by Bianca as everyone else in that room. The dancer, the men, even Bianca herself... we were all captives to Bianca's raw sexuality.

As Lucy gaped upwards, too stunned to reply, Bianca simply proceeded to satisfy her immense needs with her powerless prey. Without a hint of strain, the gigantic, horny latina shifted her grip one huge hand at a time, grabbing Lucy's legs and swinging her upside down. Her casual disregard for the tiny dancer's comfort was becoming familiar to the roaring crowd and a new wave of excited cheers and jeers brought a naughty, self-satisfied smirk to the giantess' broad face.

Lucy snapped out of her momentary stupor with a yelp of surprise. Suddenly inverted and surrounded by hot, wet noise, she was now disoriented and arguably even more at Bianca's mercy than before. She struggled uselessly with her legs against the amazon's powerful grip. At the same time, Lucy flailed her arms, pummelling furiously at huge slut's lower body, ineffectually pounding away at thighs the size of tree trunks and accomplishing nothing more than adding to Bianca's sensation of total control. The gigantic woman shuddered pleasurably at the stimulation she was receiving, and the tiny dancer now realized that the noisy, vascular sounds so near her face were the cavernous wet depths of Bianca's magnificent cunt opening up to consume her whole!

Bianca roared in sexual domination as she ground her immense, chubby beef curtains into Lucy's helpless body. The smaller woman shuddered in a logic-defying mix of terror and elation as Bianca massaged nearly half her puny body in giant, sopping cunt. At the same time, Bianca began working her victim's body up and down the dance pole, flossing Lucy's tiny glutes and pussy with the hard, unyielding metal.

With a low, loud grunt of satisfaction, Bianca leaned back her titanic body, opening her gigantic legs even further. Confident that her little captive was firmly secured between her massive, yawning cave and the dance pole, the horny amazon transferred one giant hand to the floor beneath her. Lucy Leggings' diminutive form began to disappear under the majestic rondure of the humongous woman's swollen fuck mound. Meanwhile, Bianca continued to massage her immense, puffed-out labia with the tiny dancer's tight little body, moaning sluttily over the din of the room.

As Bianca continued to pump her captive up and down, Lucy became aware that she was gradually being shifted northward. Despite her desperately aroused convulsions and erotic whimpers, drowned out as they were, the small, naked woman was seized by a sudden panic. Onlookers gasped in disbelief or cheered with abandon as Lucy kicked her legs in useless protest as Bianca's enormous, blood-engorged labia, easily the size of a mini-fridge began sliding ominously up the tiny dancer's throat and over her face.

Sensing the physical impracticality of what was happening, Bianca groaned in a heated, heavily aroused huff of frustration. Inconvenienced but not defeated, the gigantic, naked latina shifted once again, raising herself up to a hunkered, jaw-dropping squat. She held Lucy in both hands, grasping the puny morsel of a victim between an immense, open-parted pair of thighs each larger than a couch, looking for all the world like a giant cavewoman grasping at a hunk of meat. Meanwhile Bianca's gargantuan pussy slobbered noisily at the thought of what it would feel like to devour Lucy whole.

Bianca’s eyes rolled up in shamelessly abundant arousal. She groaned in a rumbling, horny voice, “Ooohhh… Mmmm… Kiss me, little whore…” With a gasp and sickening, wet slurp, the gigantic woman gently but assertively inserted Lucy’s head into her huge, drooling cave. Immediately the music cut once again with a loud scratch. A chorus of shocked gasps along with two or three screams of dismay filled the void. Booming out over all of it was Bianca’s signature, carnal moaning. “Oooohhh… Yesss!” she cried, her thick, gorgeous thighs squeezing shakily together. The massive, naked amazon let her humongous body crash down into the stage as she lost herself in the heights of her ecstasy. “Kiss me… Kiss me… Ooohhh… FUCK me little bitch…”

Bianca peered over her gargantuan, sweaty cleavage as she puckered her trembling cunt lips. Slowly, savoring the tortuous levels of stimulation her body was sending to her brain, the giant, horny woman plucked Lucy's tiny head from her massive, drooling pussy with a wet smack. The dancer's little wet body convulsed as she shakily gasped, filling her lungs with much needed air. The packed crowd muttered restlessly as they collectively teetered on the edge of panic in the absence of the music, suddenly aware of how dangerous the situation had become. Bianca paused expectantly, waiting for Lucy to recover while holding her mere inches from that cavernous bloom of erotic feminine flesh. To her surprise and delight, as soon as Lucy had regained her composure, she began obediently licking and kissing the vast folds of the giantess' genitals.

With a loud, imperious moan, Bianca collapsed completely. More than a ton of solid womanly girth crashed to the stage and the timbers beneath groaned and buckled under her colossal bulk. The huge, horny amazon turned her lower body outward, contorting herself drunkenly under the explosions of sexual gratification going off in her pleasure-addled mind. Completely disoriented, Lucy nevertheless put her skilled little mouth and tongue to work, upside down and shaken, but somehow still hellbent on servicing her humongous captor. Bianca's wide face twisted in exquisite agony and her huge cunt yawned open, noisily sucking the dancer's head back into herself.

Across the room, the office door burst open and Roxy walked out with an irritated expression. At once she spotted the outrageous spectacle taking place on the stage and clenched her fists angrily. The beautiful redhead marched boldly under the stage lights, ignoring the freshly ignited cheers of stunned, but incorrigible audience.

By the time Roxy had reached the stage, Lucy was fully supine, grinding her little face eagerly in and out of Bianca's colossal beef curtains. The huge, horny latina was trembling and biting her lip, alternating clenching and unclenching her magnificent cunt lips to assist in the tiny dancer's efforts. "Hey BITCH!" Roxy shouted shrilly, cutting over the din of the giant orgy on stage. Bianca's eyes rolled back down and widened fearfully, almost comically as though she had been caught with her hand in the cookie jar.

"Ooohhh… Hnnnggh… Huh?" Bianca murmured in a sort of sleepy, only half-believable innocence. She tilted her large head to address her former coworker.

“Get off my dancer you… you giant slut!” Roxy raged with an impressive degree of conviction for someone so vastly outsized.

Bianca jerked in reaction to the harsh words and actually seemed legitimately rebuffed, as though she was suddenly aware of the massively inappropriate nature of what was happening. “Oh… I’m s-so sorry... Oh desculpe…” The naked amazon mumbled. She pulled a stray lock of bedroom hair out of her reddened face and struggled absently to her feet. Bianca’s colossal legs were still wobbly from the intensity of her orgasm and she nearly fell over as she lifted her immense body from the stage. Lucy, still shoulder deep in Bianca’s womanly glory was lifted along with her, clutched firmly in the massive cunt’s powerful grasp.

A short chorus of disapproving “boos” rippling through the room as the sex scene came to an immediate and grinding halt. Unapologetically, Roxy hurried behind Bianca’s titanic ass and tried to pry Lucy out of the vice-like prison of erotic flesh. “Let her out of your fucking muff, you ape!” the redhead demanded, shaking furiously. Bianca’s pouted her big, beautiful lips in consternation. She twisted her thick, gleaming body and regarded the little female body dangling from her huge swollen cunt with as much equal parts surprise and longing.

“Hunnghhh… Huh… Okay…” Bianca sighed in embarrassment, still struggling to catch her breath from the desperate level of arousal she was coming down from. The huge, horny amazon paused for a moment, smirking slightly to herself as she closed her eyes. A naughty expression filled Bianca’s face as she jutted her gargantuan tits out dramatically.
“UUUuuunnngh…” The oversized woman groaned in pent-up sexual indignation. A surge of thick, womanly cum oozed out of Bianca’s enormous pussy as it slackened noisily, sending Lucy crashing to the broken timbers of the stage and coating her body generously with the fragrant, warm effluent.

Bianca opened her eyes and regarded the crowd. A few people gasped but most of the male voyeurs cheered salaciously. The gigantic latina faced them all down, curling her lip in a haughty, imperious gesture while Roxy swore and beat her fists ineffectually against the amazon's colossal thigh. Instead of turning on her former coworker, Bianca's eyes seemed to squint and search through the crowd. Her nostrils flared in a greedy, almost primal way and she seemed almost to lose track of what was happening as she struggled to see to the back of the floor of The Hustler.

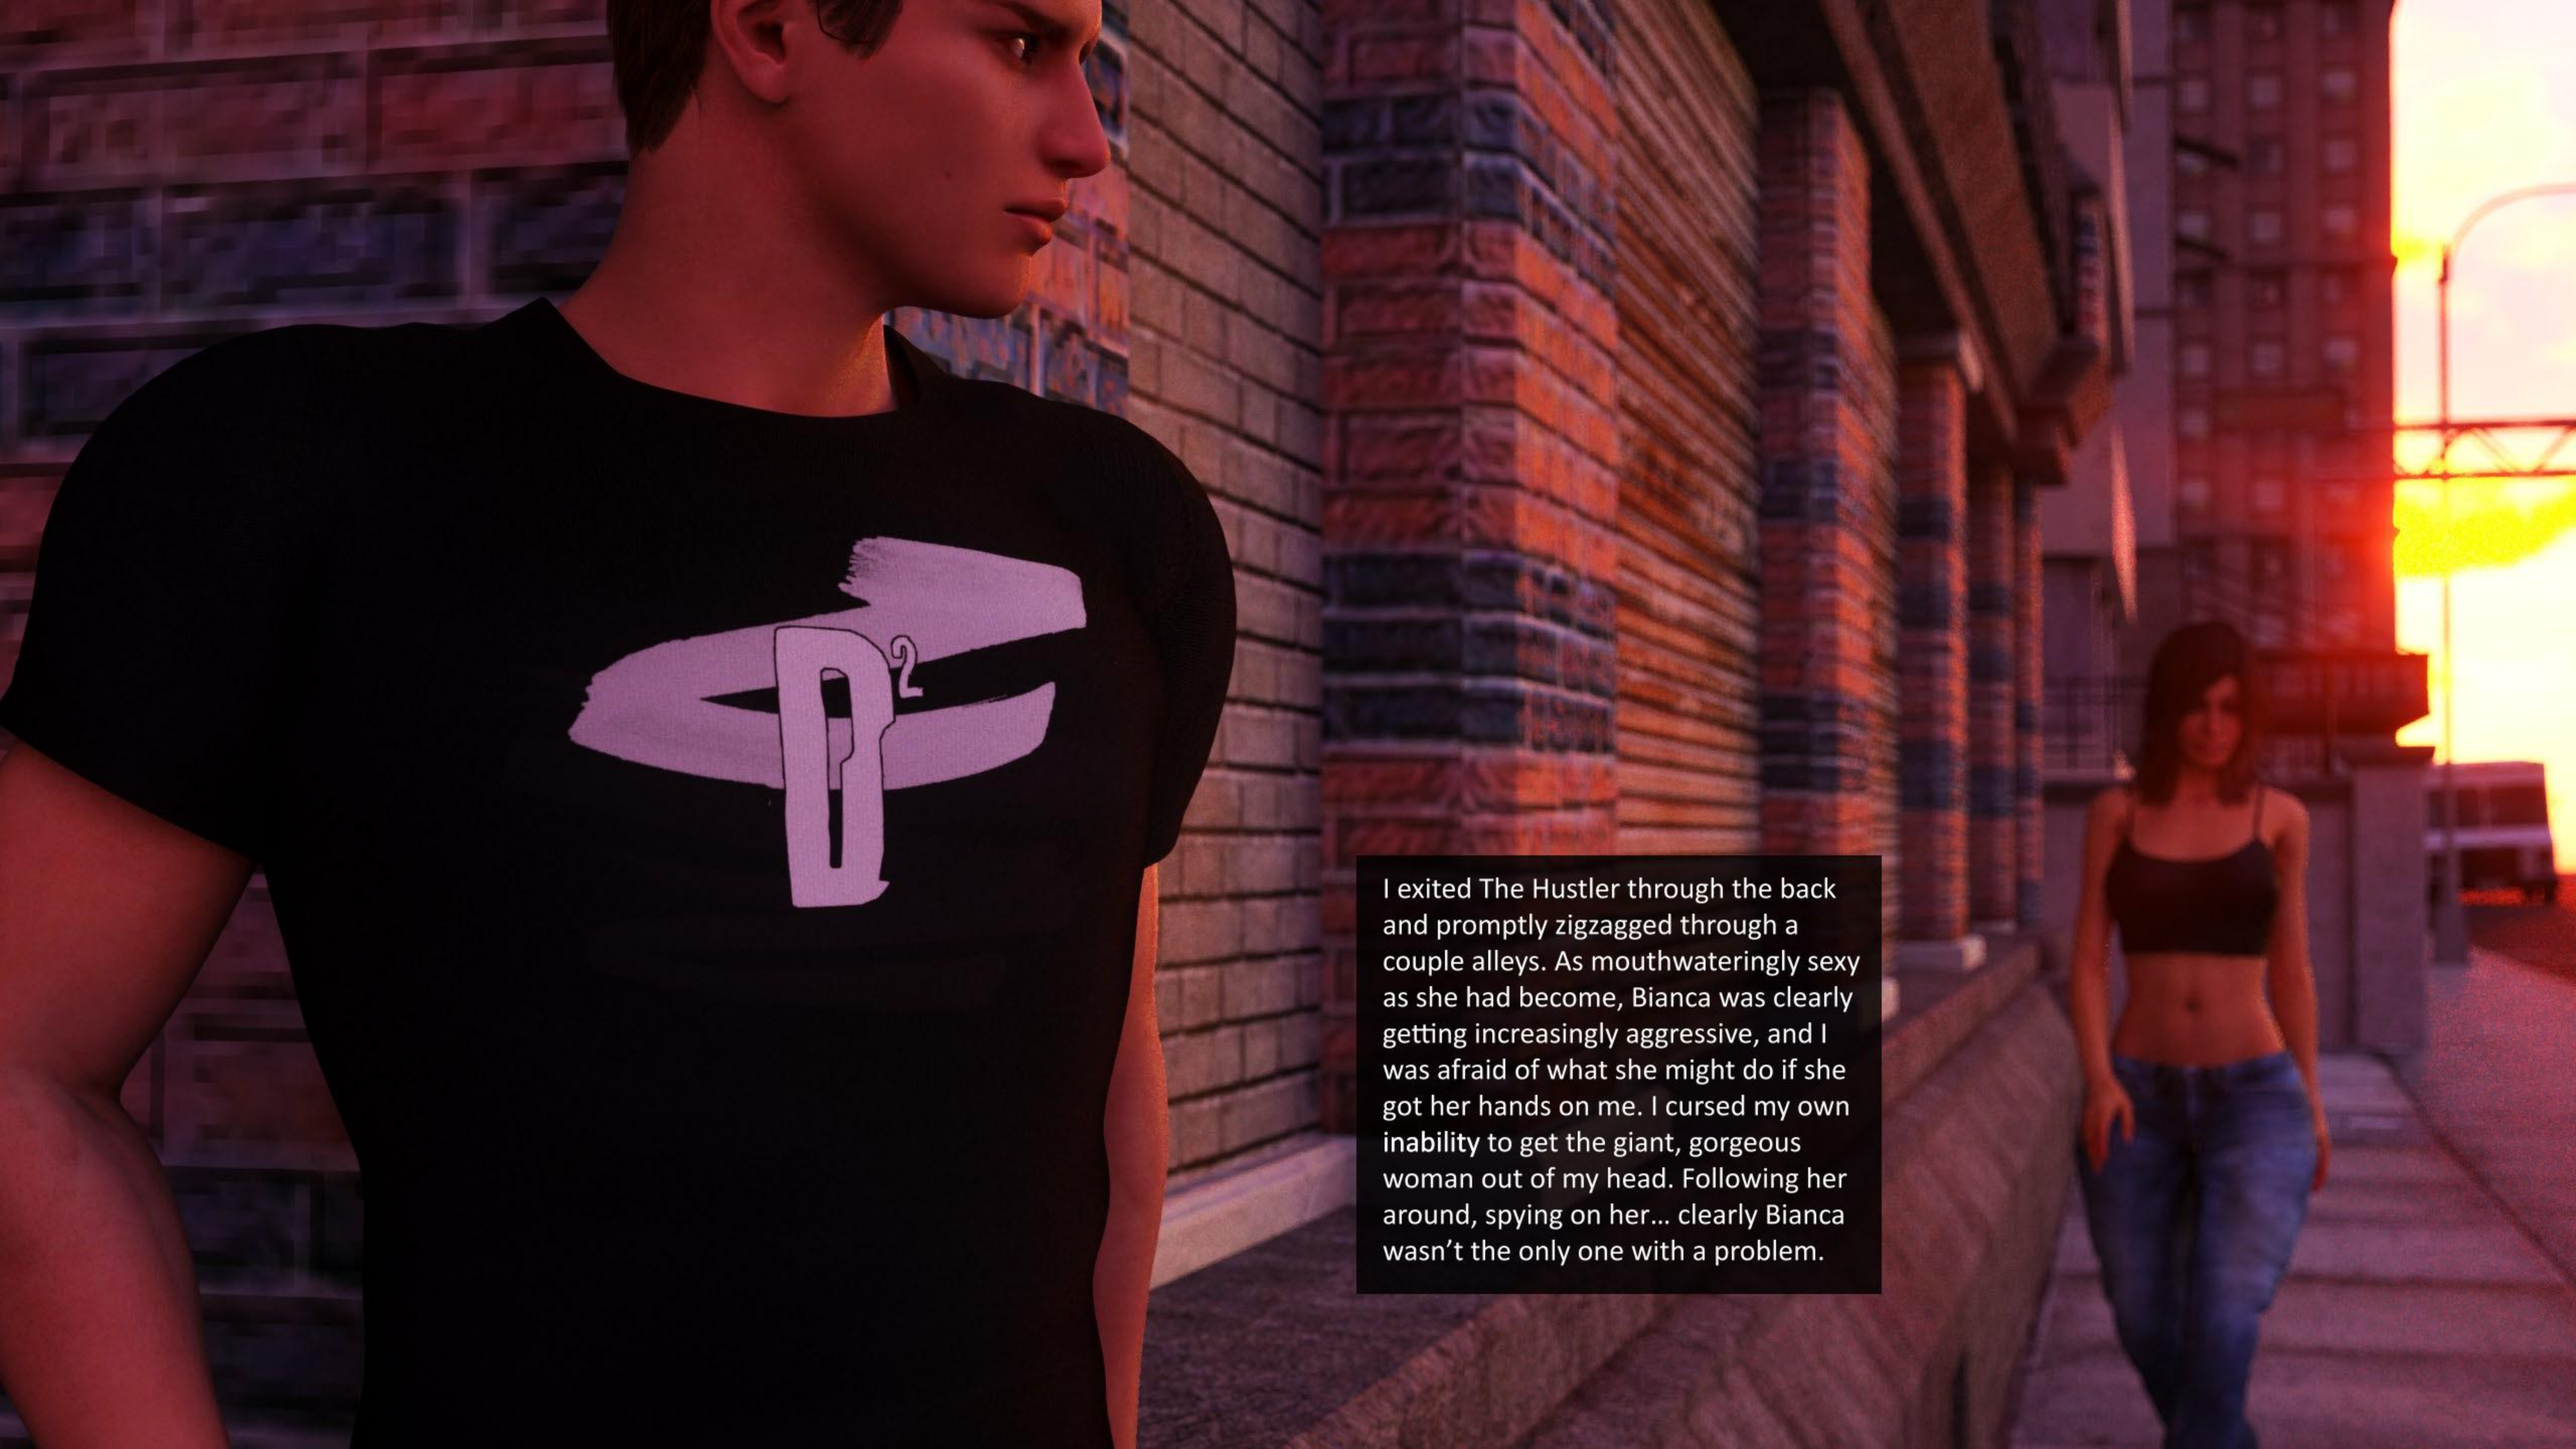

Roxy continued seething at her oversized adversary, shaking her fists and kicking at the giantess' shins. "Get the fuck out of here you dumb slut," she ranted angrily. "You don't even work here anymore!"

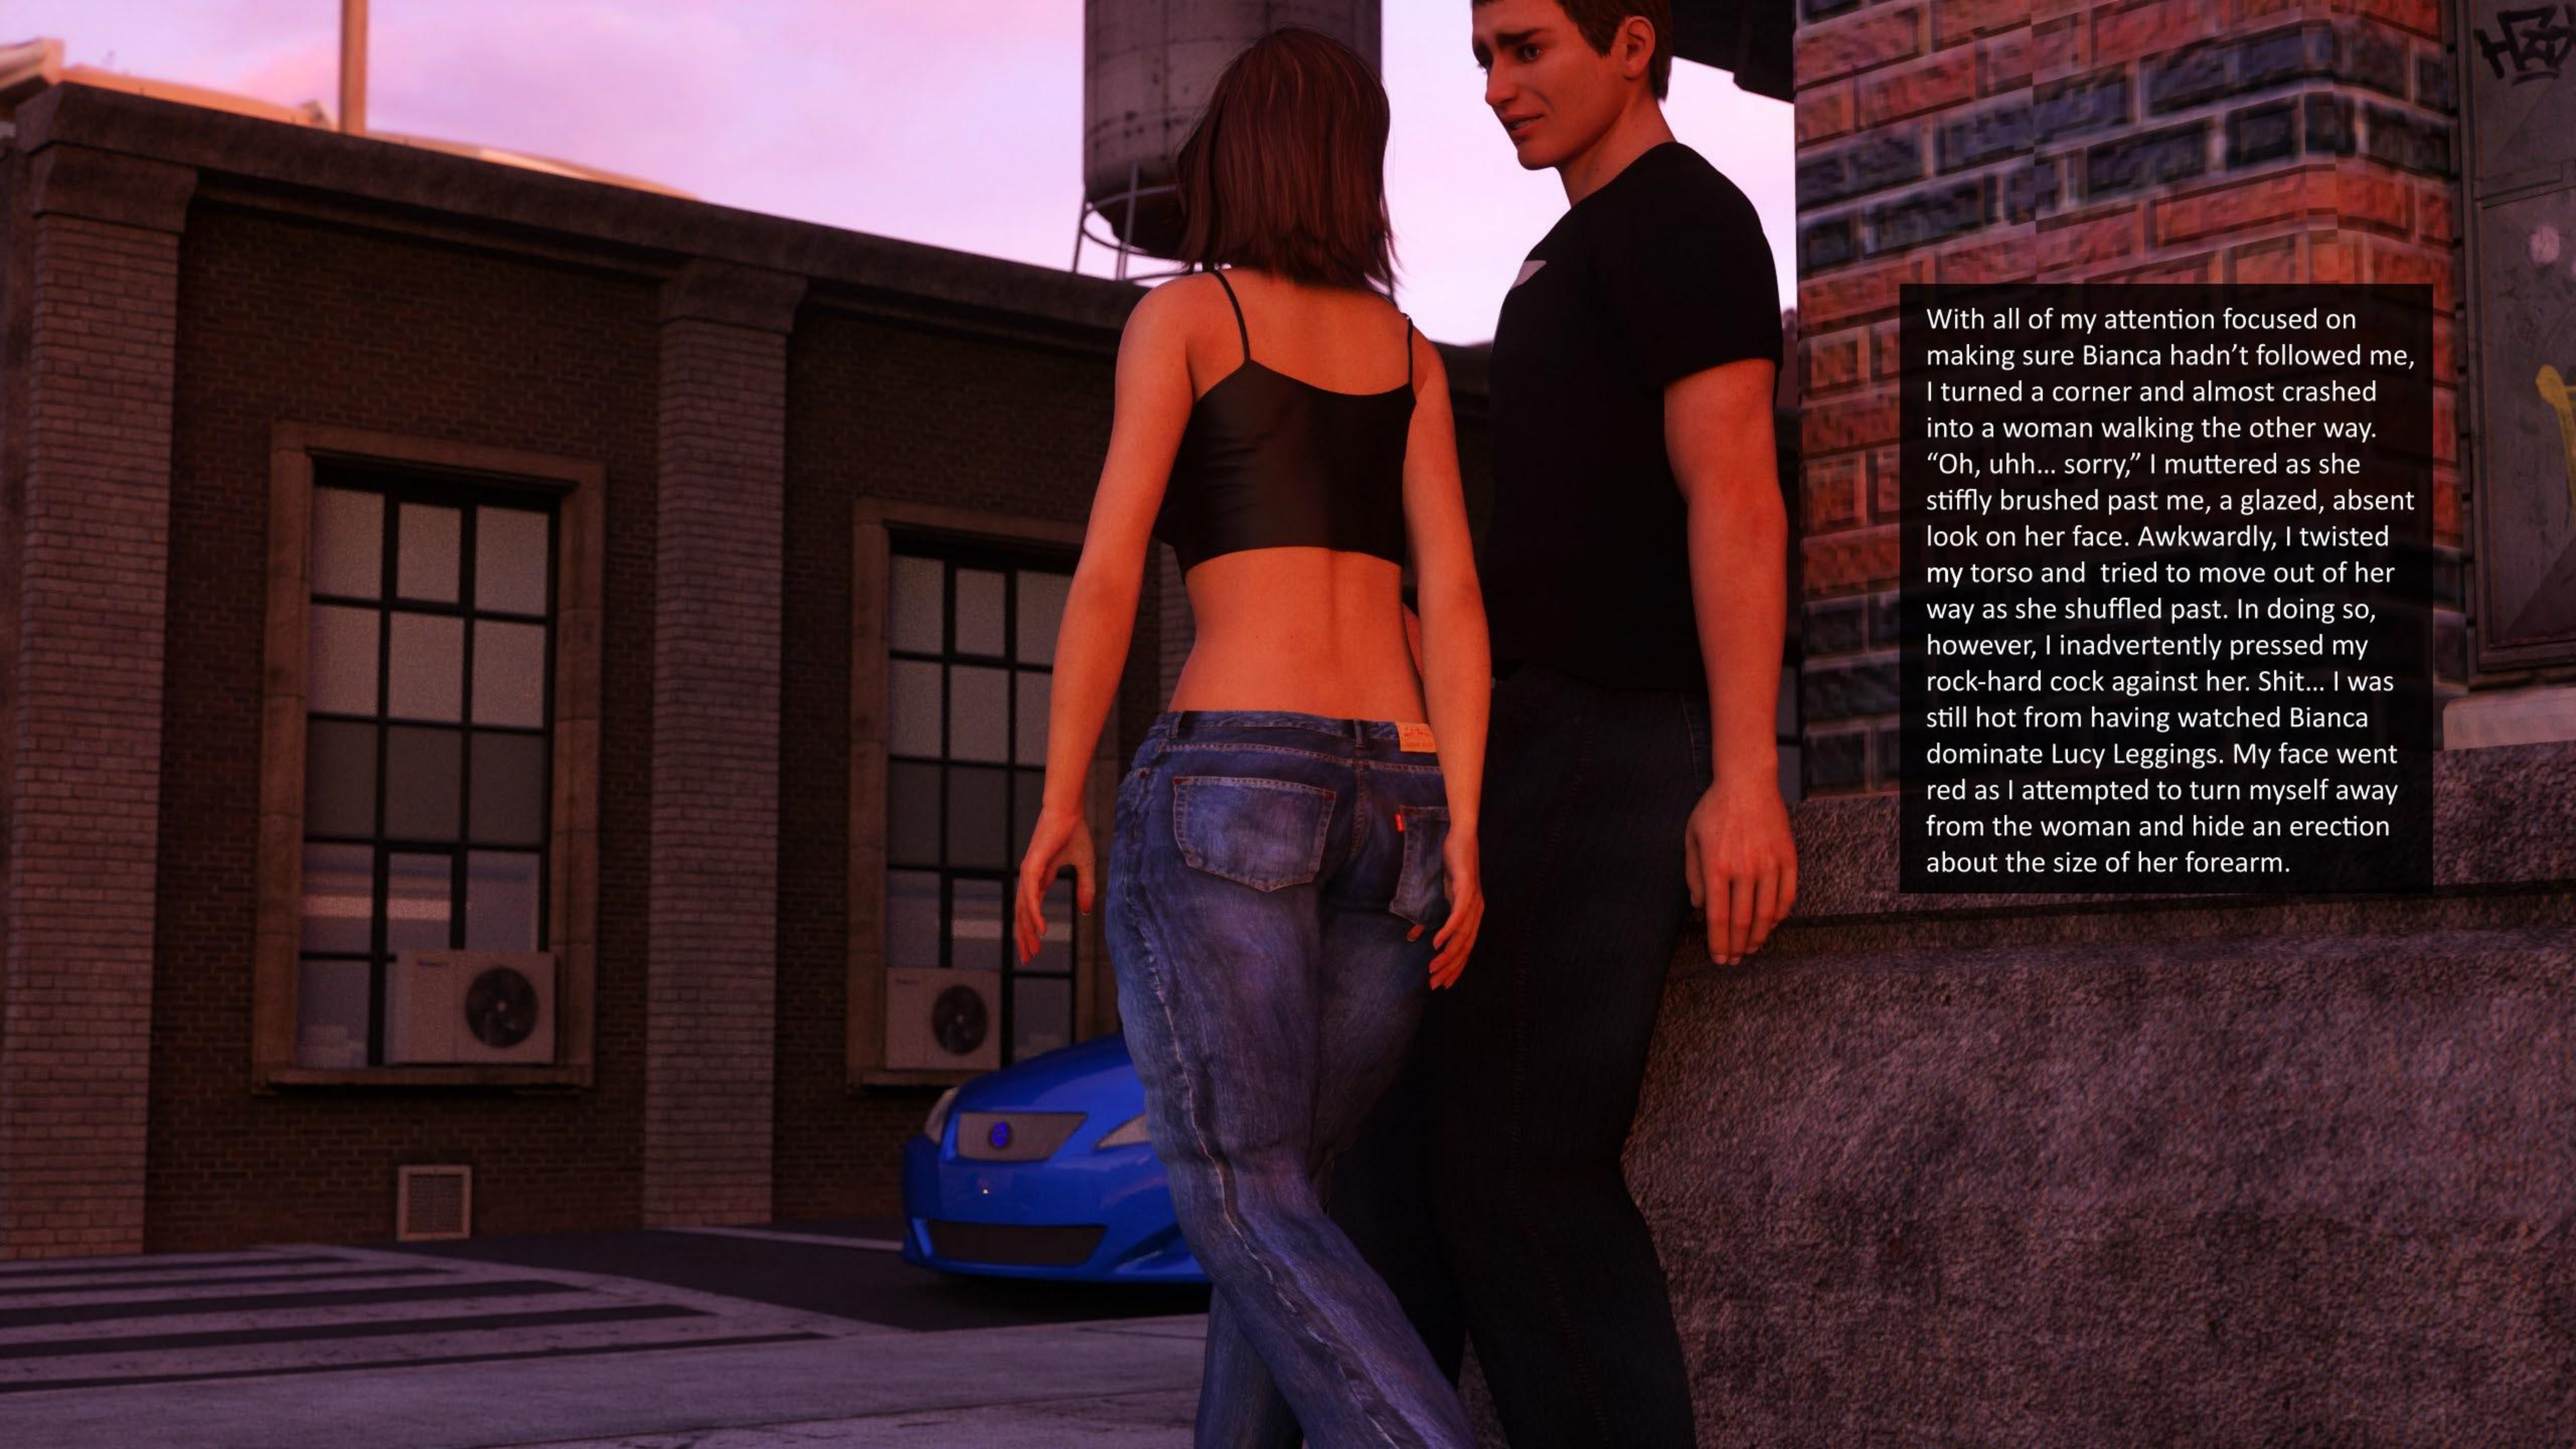

Bianca sniffed the air again, listing slightly and moving her head from side to side in an attempt to make better sense of the many bodies in front of her. "Lee?" the huge, naked latina murmured absently. She took a step forward, clumsily knocking Roxy to the floor. A few more screams rang out from the crowd and a door in the back opened as some people started leaving.

"Ow, you BITCH!" Roxy cursed from the broken stage floor. Bianca glanced down apologetically, blushing unironically at the tumult she had caused so carelessly. The fiery redhead seemed to consider going after Bianca again to tear another strip off the hapless giantess, but thought better of it. Instead, Roxy cowered briefly, then scrambled over to where Lucy had gathered herself, reclined naked and looking around confused and disoriented.

I knew it was a bad idea to stick around any longer, so I slowly made my way towards the nearest exit. I did my best to blend in and not attract attention, but I couldn't resist the urge to look back and get one last peek at Bianca's incredible body.

Suddenly, Bianca's beautiful brown eyes darted back into the crowd. My heart sank as they made direct contact with mine. She squared her obscenely voluptuous features flatteringly towards me. "Lee..." The gorgeous, naked amazon breathed, her face lighting up with recognition... with longing...
Shit. She saw me. I had been spying on Bianca since she left my place, dreading the possibility that she might do exactly something like this. I quickly darted out the front door just as the massive horny woman began making her way towards me.

I exited The Hustler through the back and promptly zigzagged through a couple alleys. As mouthwateringly sexy as she had become, Bianca was clearly getting increasingly aggressive, and I was afraid of what she might do if she got her hands on me. I cursed my own inability to get the giant, gorgeous woman out of my head. Following her around, spying on her… clearly Bianca wasn't the only one with a problem.

With all of my attention focused on making sure Bianca hadn't followed me, I turned a corner and almost crashed into a woman walking the other way. "Oh, uhh... sorry," I muttered as she stiffly brushed past me, a glazed, absent look on her face. Awkwardly, I twisted my torso and tried to move out of her way as she shuffled past. In doing so, however, I inadvertently pressed my rock-hard cock against her. Shit... I was still hot from having watched Bianca dominate Lucy Leggings. My face went red as I attempted to turn myself away from the woman and hide an erection about the size of her forearm.

The pretty brunette stopped in her tracks. I immediately recognized her as one of the bartenders at The Hustler. Apparently she had fled the joint in disbelief at what was happening there, much like I had.
Also, she had seen the rigid monster that was my cock. Her jaw sagged as she stared dumbly at the bulge in the front of my pants, and I couldn't tell if she was more shocked by what she had seen Bianca do, or by what she had just discovered in me.

Caught red-handed, my cheeks were burning in a mix of embarrassment, but also an undeniable level of arousal. Bianca was a giant, sexy goddess, but this chick was no slouch herself. Like an addict, I cleared my throat and tried to play it cool. “Hey… You were at The Hustler, weren’t you?” I asked, trying to sound casual. “Pretty crazy shows they do there…”

But after a moment of hesitation, all she said was, “Y-your cock...”

That’s when I looked down and saw why she was so stunned! My huge, fully-erect cock had slipped completely out of my pants. Not only that, it was lifting up the tiny black shirt she was wearing and pushing up against the bottom of her right breast.

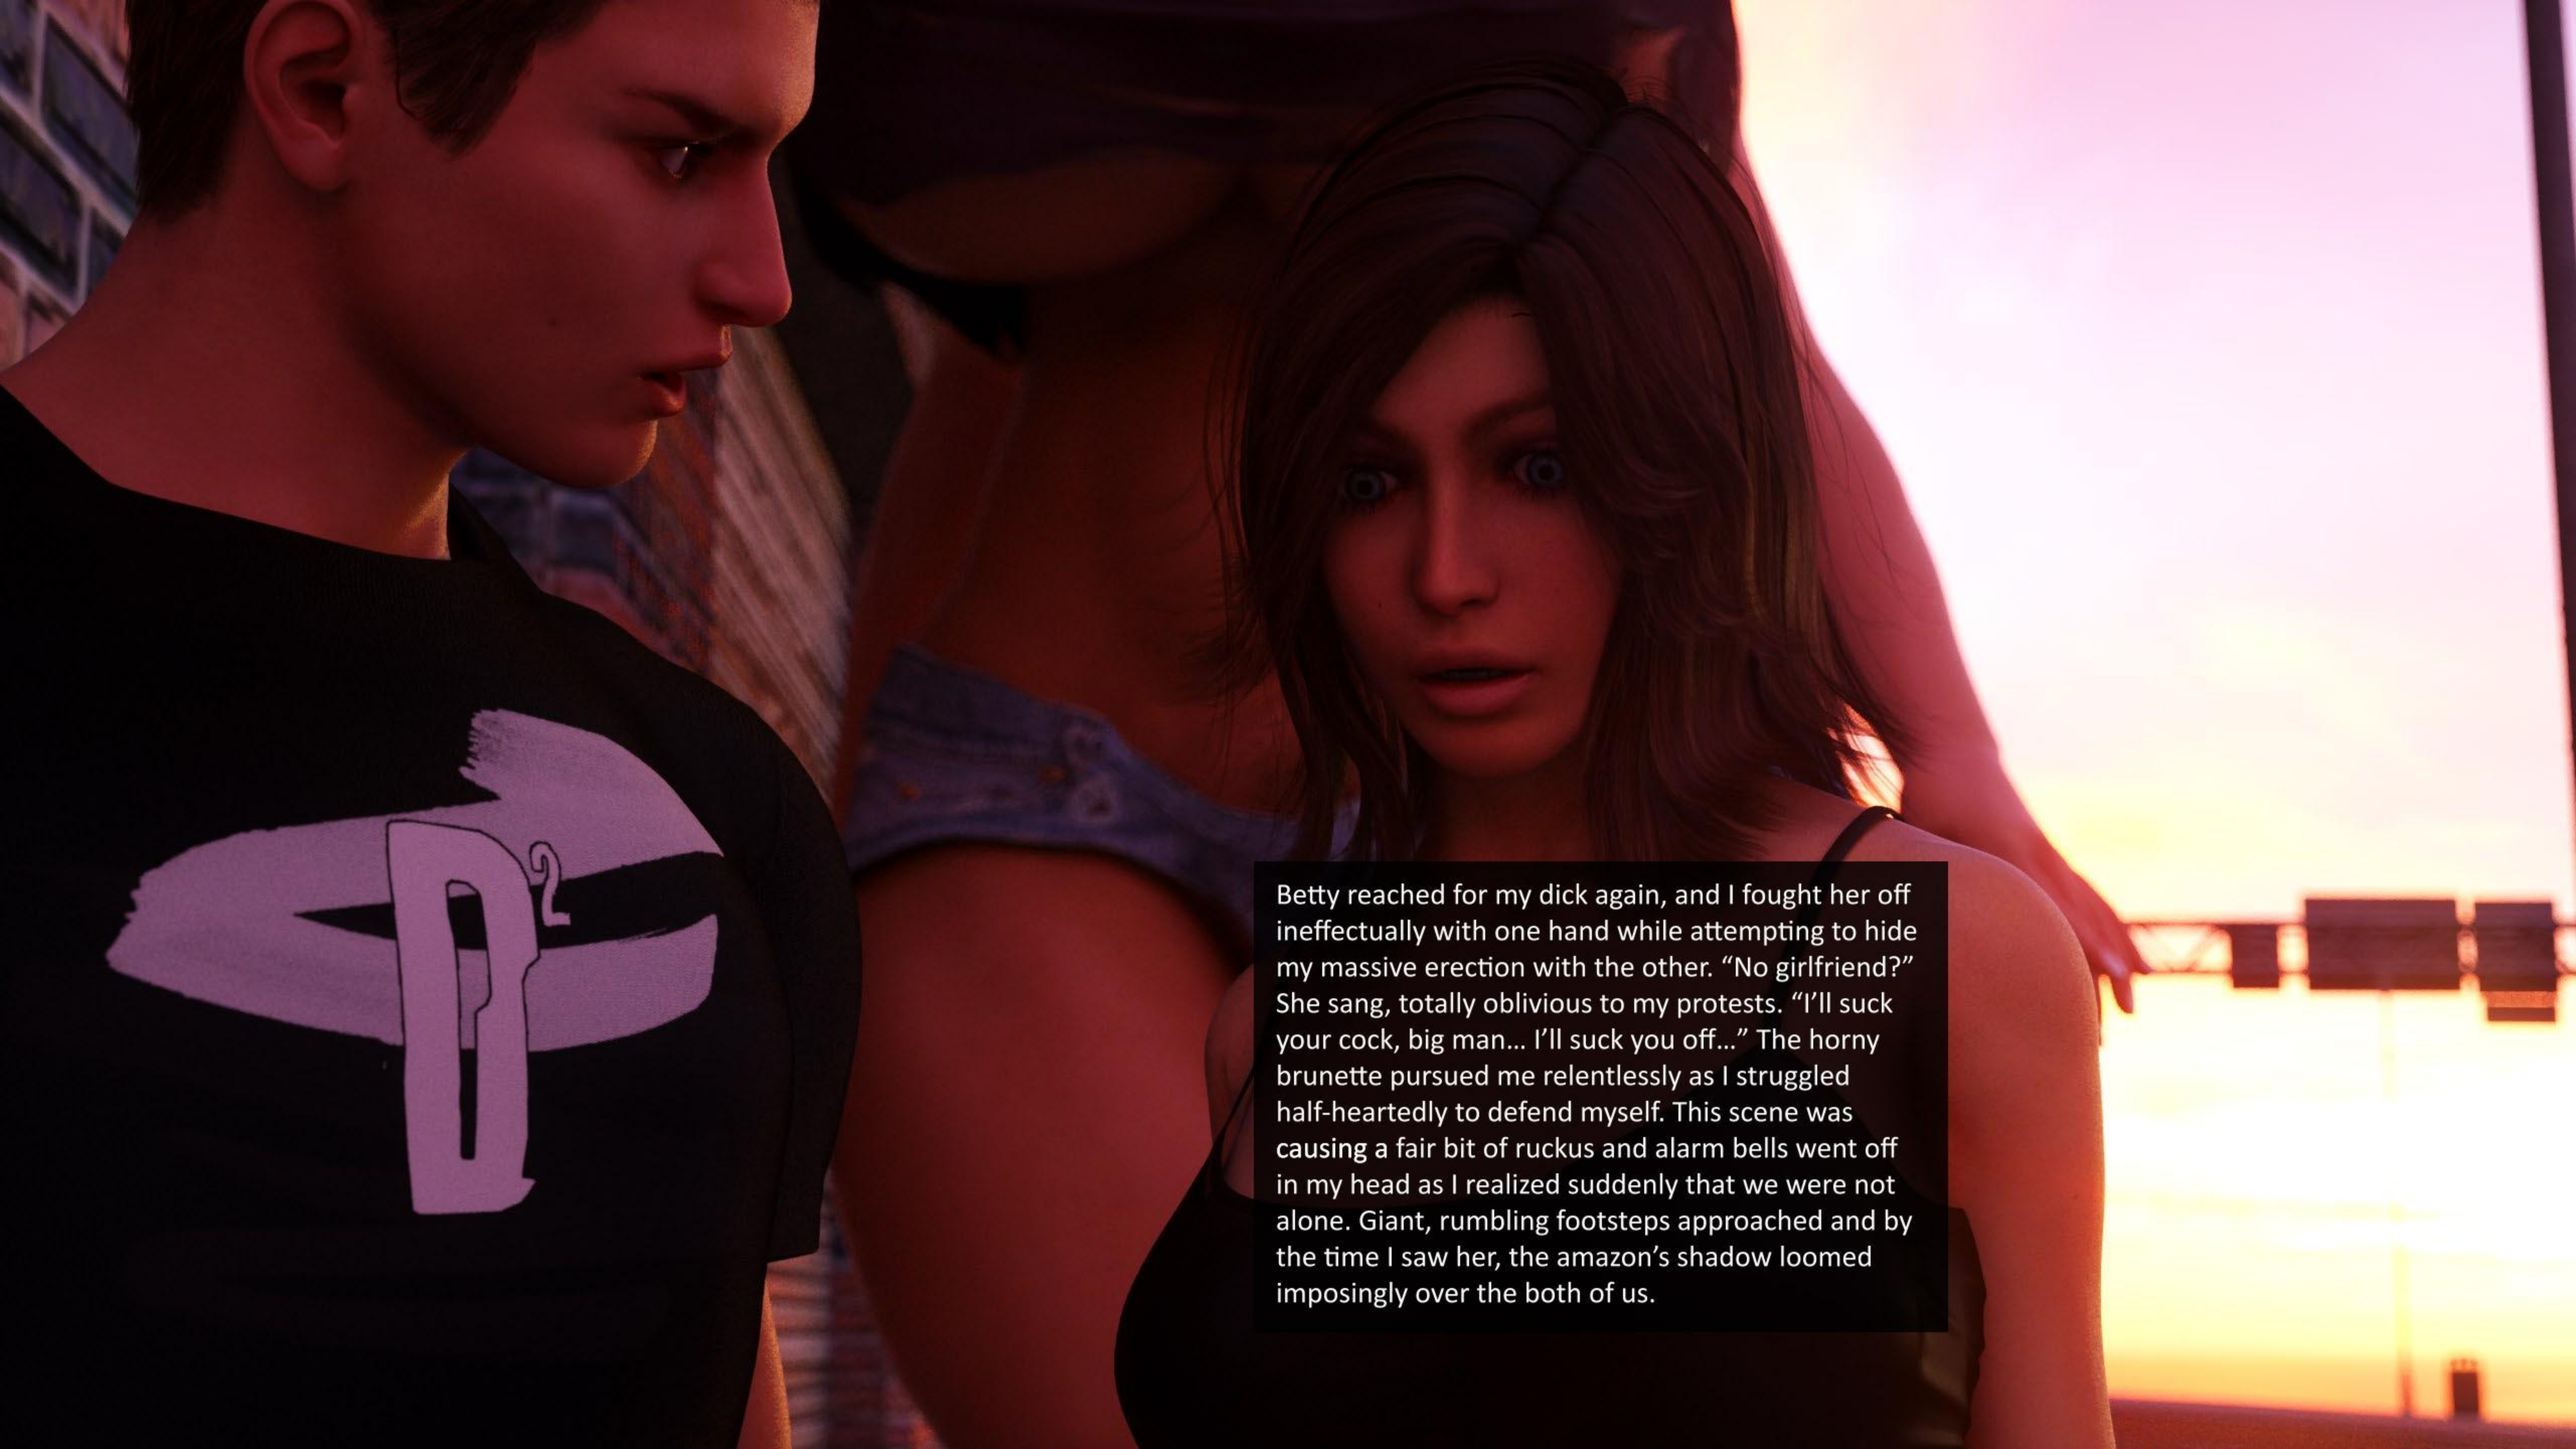

“I’m so, so sorry. This was a total accident. Stand still, and I’ll pull it out...”

I tried to pull my cock out of her shirt, but to my horror, I realized that the tip of my dick was caught on her sports bra. For the time being, it was stuck. I shook my dick in an attempt to free it, but it wouldn’t budge.

As though shaken out of a trance, the girl jerked at my touch and regarded me with surprise.

“Oh… Oh my GOD…” the cute girl breathed in awe. She ran her trembling hand up the shaft of my huge veiny rod and tugged it up and out of my pants. Then she did something vaguely familiar and more than a little disconcerting. With a small moan, this beautiful stranger rolled back her eyes and sniffed the air, hungrily taking in the scent of my meaty, exposed cock.
“Mmmm… Lee… right? I’m Betty…”

Not trusting this crazy woman, I quickly yanked her grip off my erect manhood. “That big lady… that your girlfriend?” Betty drooled, cocking her head and fixating longingly on my giant dick.
“Uhh… Stop… No, she’s not my girlfriend,” I stammered. I too could smell my huge, throbbing meat now. I struggled to stuff the rigid monster back into my pants, but it was no use. I was betrayed by my own greedy member.

Betty reached for my dick again, and I fought her off ineffectually with one hand while attempting to hide my massive erection with the other. “No girlfriend?” She sang, totally oblivious to my protests. “I’ll suck your cock, big man… I’ll suck you off…” The horny brunette pursued me relentlessly as I struggled half-heartedly to defend myself. This scene was causing a fair bit of ruckus and alarm bells went off in my head as I realized suddenly that we were not alone. Giant, rumbling footsteps approached and by the time I saw her, the amazon’s shadow loomed imposingly over the both of us.

Betty swivelled her head back and then up. Way up… Bianca casually strode up to us and inserted her massive presence tantalizingly into our bizarre interaction. Betty gasped and took a step back, while I stood by sullenly, staring into a torso as wide as a dumpster while attempting vainly to shield my huge, exposed member. “What is this… you want to suck my man’s cock?” Bianca demanded. I winced, silently praying the oversized latina wouldn’t punish Betty for her inexplicable fascination with my dick. Not waiting for a reply, Bianca simply chirped, “I would like to suck this cock, too. Come, my little lovers.” And just like that, I found myself once again at the mercy of my biggest fan.

Bianca led me and Betty away roughly, practically dragging us along till we reached the back of a large recreational complex. A large set of metal double doors with no outside-facing handle prevented us from entering this way. However, Bianca pried this open easily with her massive hands and took her prize captives inside a tiled hallway that smelled like chlorine. The place was curiously empty-looking for a Saturday afternoon, and my heart sank as Bianca was able to quickly locate a private, secluded area for her to do whatever she wanted. She threw open a heavy wood-panelled door and was greeted immediately by a blast of hot air. Oh great... a sauna...

I protested the entire time I was being kidnapped. “I don’t want to fuck, Bianca! Let go… you’re hurting me,” I whined, kicking and squirming against the giant woman’s grip to no avail.
“Stop being a pussy, Lee,” Bianca replied, rolling her eyes so loudly I could almost hear it. “He doesn’t want to fuck me… Hah… Meu deus… can you believe him?” The huge, busty latina scoffed vaguely in Betty’s direction. “Everyone want to fuck me, right?” Betty groaned lustily in reply, breathing heavily and looking totally overwhelmed by Bianca’s intense sexual presence.

"You've got to let her go!" I pleaded. "Betty hasn't done anything wrong… She's not the one you want."

Again, Bianca simply pursed her lips, almost pityingly at me, like I was a puppy trying to avoid a bath. "Betty can do what she wants… She can have whatever she wants from us, yes my dear?" Bianca addressed her emphatically as she gently released the sexy little brunette. Betty fell to the floor and picked herself up in a bit of a daze. To my horror, she immediately reached out and wrapped her little arms around Bianca's enormous left thigh.

Betty let out an aroused little whimper and submissively began kissing the amazing pastel-colored surface of the giantess' leg. I furrowed my brows hopelessly. Of course she would… Bianca really didn't even have to drag her along. The beautiful young woman would have willingly followed her, spellbound by her raw sexual power. Without a second though, Bianca yanked her woefully inadequate, tight jean bottoms down past her immensely wide hips. Betty obligingly, almost desperately slid them the rest of the way to the floor.

Bianca slitted her eyes and stroked Betty’s head as the smaller woman caressed and serviced her. As though she were reading my thoughts Bianca chirped, “See?” She lowered her voice and continued, “She wants me, Lee. You see how badly they all want me, don't you?” Bianca nearly cooed now, talking as though Betty weren’t even there. “They give themselves to me. To do what I want with them..."

She was right… but still, she was so, so wrong! “They don't have a choice!” I reasoned. “I don't know what it is, but your pussy... the pheromones or whatever…” I felt like an idiot, but was it really more far-fetched than a person growing into a giant? “You’re controlling people!” I accused Bianca, getting increasingly flustered. Right on cue, Betty reached her insignificant hand over and placed it upon Bianca’s bulging cunt lips. Bianca let out moan of surprise but it quickly dropped to a haughty, almost blissful growl.

“Uuungh…” The huge, horny latina’s voice rumbled ominously through the enclosed space. She struggled to finish her point while becoming increasingly aroused. “Huhhh… You don't think my hormones control me, Lee? She does what her hormones tell her to do, and I… Mmmm…” Bianca interrupted her own thoughts with a yearning sigh. “Ooohhh… I do what my huge, sexy pussy tell me to do...” The humongous slut leaned down a bit and gently but demonstratively positioned Betty’s head right in front of her colossal, wet cunt. “I think that is what a giant goddess woman like me should do… Hunngh...” Bianca concluded with an emphatic groan. “Doesn't my beautiful body deserve to be fed?"

Bianca slammed her eyes shut and furrowed her brow. With a trembling hand, the enormous woman guided Betty's little face into her stunning, drooling pussy. Wordlessly, the smaller woman kissed and licked, pushing the entire front of her head into the giantess' thick, blood-engorged beef curtains. Far above, Bianca simply let Betty do her work, panting heavily with lust that was quickly escalating towards another full-on orgy.

Feeling totally helpless to intervene, I simply stood by sullenly, pondering what Bianca had said. Maybe she was right… So all she wants to do is fuck and grow… My sexual appetite had become supercharged as well. I knew a little of what she was going through… the maddening desire to get off… to exult in the sheer splendour of our enhanced sexualities. It worried me that she was simply grabbing whomever was at hand to do so, but watching Betty chow down on amazonian pussy like it was going out of style… well she seemed to be enjoying herself every bit as much as her giant captor.

“Hey, pool’s closed for a private event!” A shrill, female voice rang out from the hall, interrupting the hot slurping cunnilingus in front of me. The door opened and a blast of cool air greeted me from outside. The source of the voice was a cute bikini-clad chick with short black hair. She strode fearlessly into the sauna, blinking quickly as her eyes adjusted to the darkness and the steam.

Bianca raised a single eyebrow and cocked her large head sideways. The room was rapidly becoming uncomfortably warm, and the huge, horny woman was already sweating like a total babe. She wiped a lock of moist blond hair out of her eyes and peered indignantly over her immense cleavage at the tiny intruder. “Huh… Ohhh…” Bianca groaned in arousal. Despite everything she actually seemed momentarily embarrassed at having been caught.
“Desculpe, I… I did not know this…”

The newcomer opened her mouth, to further rebuke the giantess, but then suddenly paused and covered her mouth with her hand as she stared way up at the source of Bianca's sex-tinted apology. The scantily-clad woman let out a little yelp of horror as her eyes adjusted to the obscenely gratuitous act about to unfold in front of her. "Y-you…" She stammered, not quite sure where to begin. "You can't be here, oh my god…" She paused and turned half away, perhaps because she felt uncomfortable at watching a normal-sized woman blow a 12-foot amazon, or perhaps in preparation to run away screaming. It was hard to say. My gut dropped as Bianca suddenly lifted one humongously thick arm and reached out towards the newcomer. "What the FUCK?!" The short-haired woman screeched, twisting backward. "GET THE FUCK OUTTA HERE!"

The woman screamed at such an alarming pitch, that something seemed to snap in Bianca. The colossal, sweaty beauty snatched the smaller woman by the head and roughly pressed her straight up into the couch-sized muffin that was Bianca's gorgeous ass. Immediately the short-haired woman's cries were cut short in a series of incredibly muffled yelps. She flailed her arms, pushing and twisting uselessly against the amazon's indomitable strength. "Uuurrrgh, ENOUGH..." Bianca huffed angrily. "You act like asshole... So you EAT my asshole."

As the newcomer plunged face first into the immense canyon between Bianca's lovely, thick ass cheeks, I cried out in protest. "Hey… Bianca…" I shook my head. "Are you fucking nuts? Let me guess, SHE wants to fuck you now too?" I rolled my eyes disparagingly as I reacted quite sincerely to the hypocrisy of Bianca's self-acclaimed sexual altruism. I regretted that almost immediately as Bianca fixed me with a menacing glare. Holy shit… this chick had REALLY pissed her off…

With a quick turn of her wrist, Bianca tossed Betty backwards towards me. At the last moment, the sexy little brunette turned and I saw her face glistening with freshly squeezed cunt juices practically glowing with sexual satisfaction. The next moment I was falling backwards with her on top of me, landing roughly and knocking the wind from my lungs.
Bianca moved her free hand behind her, and seemed to be adjusting the woman wedged between her huge, burgeoning ass cheeks. “You know what… Fuck you, Lee…” Bianca growled. Her voice was loud and clear despite the ringing in my ears.

Betty’s beautiful face came in to focus once more, almost fawning over me as she ground her tight little hips against my half-erect cock. She looked totally blissed out, and I sarcastically noted that at least my body had cushioned her fall. Behind her, Bianca’s titanic frame loomed ominously into focus as she began to crouch over the two of us, like a predator about to rip apart her prey. I cringed inwardly as she opened her mouth to curse at me again, but something gave her pause.

"I-I…" Bianca stammered. "I am a GODDESS, Lee…" She was fuming, but there was a growing desperation in her voice, like she was indignant over being treated unfairly. "I am goddess, and you are my MAN, little Lee… And you are LUCKY to be so…" She admonished. "And YES, I think she DOES want to fuck me. The giantess added, seemingly emboldened by her own words. "If she wants to leave, she can go."

As my senses returned to me post-fall, I took note that Bianca had lowered herself over my entire body, clapping her huge hands heavily upon the panelled floor to either side of me. I expected to hear the bikini-clad woman bolt at the nearest opportunity, shrieking horribly all the way down the wall. To my astonishment, however, I caught a quick glimpse of her under Bianca's immense bulk, apparently kneeling behind the giantess, servicing her ass. I gulped as I realized that even after their disastrous introduction, this woman seemed to be already ensorceled by Bianca's mysterious sexual power. She's right AGAIN… I was almost annoyed.

Bianca seemed to interpret my silence as yet another act of noncompliance. “Oooh… COME ON, Lee…” She whined, plaintively. It occurred to me that Bianca probably didn’t even realize how hard I had hit the floor. The enormous, horny woman shifted gears, leaning back onto her huge pillowy ass, careful so as not to crush the woman stuffed between her boulderous glutes. I could hardly believe that after everything I had seen, she was still trying to seduce me. “Why do you be so hard to get?” Bianca pouted, laying it on thick. With a wet slurp, she relaxed her powerful cunt muscles, allowing her labia to sag open provocatively. I gulped, feeling my giant cock become rock hard.

My body went rigid as I struggled with a million thoughts flying through my head, seemingly at odds with one another. “Bianca… I-I…” I stumbled hoarsely as Betty moaned, pressing deeply with her pelvis into mine. I cleared my throat and submitted shakily, “I just… I just want to be careful… I don’t know…” I was starting to feel faint, like I was close to choking under the emotional pressure. I managed somehow to finish, “I don’t want to hurt anyone…” Bianca watched me speak, clinging on every word as she reached towards us with her huge, powerful arms. She was so beautiful, so sexually powerful… I realized I wasn’t going to be able to stop her, not with my words, and certainly not by any physical means.

Bianca began gently removing Betty's tight jeans as I spoke, but she waited patiently for me to finish before replying. "Lee, you are thinking too much." She shrugged her wide, muscly shoulders dismissively, almost playfully. "Don't think…" She chided. "Just enjoy this moment." The humongous, horny latina, scrootched her massive pussy forwards, covering my lower body with her huge, steamy muff. "Enjoy this BODY…" She grinned rubbing her giant vulva emphatically against my legs.

Betty squealed eagerly as she squirmed free of her jeans, revealing exposing her lovely lower body. Between the two women on top of me, I couldn't really tell who was more euphoric. I studied the sexual joy in both Bianca and Betty's faces, and realized in that moment, that I had actually done exactly what Bianca had asked me to. I was tired of fighting back... Tired of trying to be responsible. I was horny as hell, and ready to finally have some FUN with these women...

I reached out to touch Betty's cute, straight hair, cupping the side of her head in my large hands. The little brunette giggled and kissed my forearm, playing footsies with Bianca's gigantic cleavage at the same time. Bianca studied me carefully. The humongous woman bit her lower lip, sweating profusely in the rising temperature of the room. I think she saw the change in me as well. A wide grin spread across Bianca's beautiful face and she immodestly twisted her open legs to grab me.

With a grunt of satisfaction, Bianca pulled up on my jeans, apparently trying to undress me herself. Betty tumbled forward with a yelp of surprise, and once again I found myself on the receiving end of softening her fall at the carelessness of Bianca's antics. I tried to twist myself to help hook my feet down and out of my pants, but Bianca simply lifted me up like a doll, and soon found myself dangling quite helplessly in her giant hands.

“Mmmm…” Bianca smirked. She gently prodded the substantial bulge between my legs with her huge, outstretched finger. She let out a coy, amused laugh. “Hahah… Oh, mhmmm…” I was hanging upside down, totally disoriented, catching fleeting glances at my colossal lover’s shapes and curves. From an inverted perspective, I swear she looked even larger than before. “My little Lee, I think you are ready to fuck your goddess…” Bianca cooed warmly.

The giant, horny woman proceeded to rip my clothes off, starting with my jeans. She gathered and pinched the loose hem on one leg, working it back and forth till it was ready to slide off. Bianca giggled the entire time, transferring me between hands so that she could do the same on the other side. She gasped dramatically as she tossed my jeans aside. I think she had planned to sound a little condescending, even taunting, but I could sense she was genuinely in awe of how large my cock had become. A deep, rumbling moan of approval greeted me, and I prayed silently that this huge, slutty amazon would put me down before I passed out.

Bianca then pinched my shirt around the back and with a quick twist of her powerful arm, she simply shredded it in one go, tossing it aside like a piece of already-forgotten trash. The giantess then turned my body sideways so she could properly admire my gratuitously oversized manhood. “Oooohhh…” Bianca moaned dramatically, sliding a lusty finger through her huge puffy cunt lips. “Your cock is so BIG, meu deus…” She rolled her eyes up and sniffed the air, already heady with musk from that thick, veiny rod.

Bianca panted heavily as she lifted me slowly, deliberately upwards. I could hear the sounds of Betty fingering herself furiously somewhere below, adding her little chorus of moans to the growing lust of Bianca's loud, carnal vocalizations. Hot air washed over my chiseled abdomen as Bianca groaned and fawned over my huge, vascular member. "Huunngh… Oh, Lee…" Bianca paused, brushing her lips against my cock which elicited another loud moan. "Uuuunngh…" Oh Lee, when you cum… Rrrnngh… When you cum you will FILL me…"

Bianca’s large, plush lips parted with an aroused whimper, and I groaned in ecstasy as she lowered my whole body dick first into her cavernous, wet mouth. The giant, horny latina cradled my head upside down into my cleavage, trying to make me comfortable as she got to work. A massive, sinewy tongue the size of a bed engulfed my manhood, squeezing and torturing me with a probing, teasing hunger. Bianca’s sexed up moans rumbled through my whole body and echoed through the chamber as she eagerly chowed down on my giant rod.

With a mischievous giggle that turned into a moan, Bianca sucked hard, pulling my cock down to the hilt inside her. The pressure was intense, and I could feel the shape of my dick expand as more blood was drawn into the rigid, erogenous tissue. I gasped, about as much in surprise as in arousal, kicking my legs in protest as Bianca held me there, milking the base of my cock with her wondrous lips and writhing over me with her massive tongue.

I was starting to feel like I would either pass out from the blood rushing to my head or the stimulation my cock was receiving. At the same time, I knew I was dangerously close to blowing my load right then and there. Perhaps sensing this, Bianca broke the vacuum-like seal of her immense, pouting lips with a rumbling giggle. The sweaty, horny amazon ripped my engorged dick out of her mouth with a loud wet smack and beamed with enjoyment. “Mmmm… not so fast,” She purred blissfully.

Bianca mercifully re-oriented my diminutive body so that I was right side up. I let out a short moan of relief, but I quickly realized that I was going to be put straight to work. The huge woman lowered me between her gargantuan thighs, forcing me to my knees in the process. “I want you to fuck my pussy, Lee…” Bianca breathed huskily. As always, she was aroused by the mere recitation of her own fantasy. Those titanic thighs rushed inwards as Bianca shuddered at the sound of her own words. “Oooohhh…” She gasped. “Fuck my giant pussy!”

The horny giantess growled exultantly as she plunged my dick into her mighty sheathe. Bianca's cunt slobbered noisily, adding to the drama as I penetrated her, oh so sweetly, inch by agonizing inch. I was simply gobbled up. Large as my cock had become, it was no match for the vast, yawning depths of the largest muff I had ever seen. Bianca's thick, muscular lips wrapped and writhed around the veiny, textured surface of my rigid penis, forcing its grip over me with an insatiable hunger that drove us both nuts.

As I sank dick first ever deeper into the wet, purple fuck folds of my oversized lover, I noted with some surprise that the textured wall of Bianca's vaginal tunnel seemed oddly swollen… a little hard, almost angular in some places, like there was an irregular internal structure to her love tunnel. Bianca was grunting and moaning like a wild animal. Despite the vast sexual bliss she was broadcasting, Bianca seemed somehow to be concentrating as well. She furrowed her brow in consternation, huffing and puffing like she was wrapped up in a whole other fantasy of her own.

As for myself, well, I was ready to get my own licks in. I had experimented a few times with other women, trying to use my gigantic, swollen member creatively, but there was nothing like actually being inside and massaged by an amazon's quivering cunt. I pumped my hips in and out of a wall of hot, erogenous flesh, ignoring the unexplained sensation of Bianca's vaginal wall as it trembled and battered around my enormous cock.

I felt Betty's petite hands wrap around me from behind, and I gave her a grunt of encouragement as I blasted my hips hungrily into Bianca's immense, puffy beef curtains. Bianca, howling with pleasure, caught sight of the tiny woman and immediately seized her with a free hand. Betty gasped in arousal as her whole body was handled like little more than a doll.

Without a word, Bianca deposited the smaller woman immodestly atop the obscenely swollen bell of her gigantic pudendum and proceeded to press her crotch into my face. I moaned in elated surprise, eagerly receiving Betty's beautiful little crotch with my mouth. The cute little brunette screamed joyously as my tongue quickly penetrated her muff. She greedily wrapped her legs around my head as I ate her out, to all three of our mutual delight.

And just like that, the three of us proceeded to grind and hump our way into a frantic, salacious orgy. I felt Bianca waggle her colossal ass into a comfortable position. At the same time, the horny amazon tipped up her massive, slobbering cunt, assisting me with the angle so that I could simply fall into her giant, waiting sheath. Betty simply clobbered me up top, pounding her little hips in a vicious frenzy while I simply did me best to keep from toppling over with everything that was happening.

“Yesss… Oh YESSS... “ Bianca moaned pleasurably. Now fully confident of my compliance, the mighty tank of a woman simply relaxed her humongous cunt and began swallowing me with her plush, muscular lips. She looped a huge, meaty leg around my dwindling body, trembling as she fought back urges to simply crush me into her colossal fuck cave. “Oh, Lee…” Bianca groaned, biting her luscious lower lip in ecstasy. “I’m gonna CUM…”

I gritted my teeth between Betty's lovely legs, bracing for the inevitably explosive climax to come. My prostate swelled to enormous size, quaking and jerking as I teetered on the edge of orgasm myself. Betty started it however. The cute little brunette, having fucked herself into an existential tizzy clutched my whole head with her thighs, squeezing me as her hips bucked into my face. I felt the first spurt of precum blast into the vast, wet furnace before me, and soon Bianca as well was whimpering like a pornstar as her thick, sticky cum surged all over my lower body.

“Hahah, YESSS…” Bianca whispered. She was uncharacteristically calm as she orgasmed blissfully. The huge, sweaty amazon seemed utterly focused. I didn’t really have any mental capacity to contemplate this however, as I bucked my hips and began to unload. My uncontrolled scream of pleasure was partially muted by Betty’s muff, but below I pumped ounce after agonizing ounce of hot, sticky cum into Bianca’s huge, hungry pussy.

Sensing my massive cock blow its load, Bianca growled triumphantly. “YESSS!!! UNNNGGGHHH…” The goddess-like woman engaged wide, muscly abdomen and clenched her powerful vaginal muscles. Hot, fragrant cum splashed over me as Bianca blasted me with her tireless womanhood. Struggling to breath and spasming uncontrollably, I felt another odd sensation in Bianca’s velvet textured vaginal wall. This time, it almost felt like another living creature with a mind of its own, convulsing and squirming as though trying to fight its way out of a woman the size of a truck. Vague bells of alarm sounded somewhere in my subconscious. What IS that?

Bianca’s giant, meaty hand reached out and grasped my torso. The huge, horny amazon tipped her head back and bellowed savagely as she came and came. I was thrust greedily into the gaping maw of raw female sexuality in front of me. The slick, folded walls of womanly muscle quivered noisily all around me as I pumped my prodigious load into my insatiable lover. Her gargantuan cunt squirmed and throbbed as our orgy crescendoed.

Betty grasped aimlessly at my head as her desperate moans were drowned out by the immense, sexy latina. “Aaah… Hahaha…. MEU DEUS…” Bianca moaned, totally caught up in the height of her sexual conquest. “Fuck my giant pussy!” She taunted as she mashed me into her immense, puffy labia. “Fill me with your cum, my lover… MMMmmm…”

I was overwhelmed with a slow but measurable sensation all around me. Sort of similar to the sensation of movement, I felt an ominous rumbling and surging of flesh in every direction. My heart skipped a beat as the reality of the moment sunk in for me at last. Bianca's growing… she's GROWING again… My mouth went dry with excitement and apprehension even as my big veiny dick pumped the last of its goopy load into giantess' huge, greedy muff.

Bianca sighed in total bliss as her orgasm continued. Powerful waves of muscular contraction kneaded and pumped my tormented, swollen member to the point of agony. Meanwhile, other muscles seethed and stretched all around me as the immense, horny amazon grew ever more massive. “Mmmmhhh…. Nnnnnghhh…” Bianca moaned in consternation, seemingly fixated on some unknowable inner struggle as she burgeoned outwards into the rapidly diminishing space of the sauna.

I began to feel very light headed as I struggled vainly for a breath of fresh air. I noted with surprise that I was actually no longer totally enveloped by Betty's little crotch. In fact, I sensed that I was somehow further away from the petite brunette than before. What the fuck? She was LIGHTER as well. I jerked in excitement as it dawned on me that even as Bianca grew larger and larger, I too was growing slowly but steadily in her massive shadow.

Mighty waves of muscular contraction surged all around me like an olympic rowing team. Hot, steamy cum oozed all around my dwindling body when I suddenly heard a noisy, wet squelching sound. The muscles tensed and Bianca let out a euphoric whimper. Her whole body went rigid and I swear she stopped moving and growing all together.

“Oh… FUUUCK…” The sweaty, burgeoning amazon growled savagely. She drew in a sharp, agonizing breath. Then with a sigh of elation, she relaxed her whole immense body. A sickening wave of growth engulfed the giantess as she quickly ballooned into space around me. I heard air whistling out under the door as she expanded, and I felt something hard and small give way deep within the textured vaginal wall beneath me. The sensation lasted a brief moment, and then the squirming, life-like object deep within Bianca’s gargantuan fuck tunnel seemed to disappear completely, replaced by the yielding, powerful canvas of flesh curtains and cunt muscles.

Bianca breathed out a ragged sigh that sounded like she had been saving up for ages. “Ooohhh…” she exhaled in relief. I slumped forwards, finally too exhausted even to hold up Betty’s newly diminished body weight on my shoulders. The little brunette yelped as she pitched forward. She scrambled against Bianca’s titanic right thigh to steady herself as she came to her feet.

The giant hand which had been crushing me against my lover's colossal pussy released me, trembling from the intensity of the orgy that had just taken place. I pushed myself up from Bianca's steamy, slobbering mess of crotch, glancing ruefully behind me, apologetic for having cast Betty's tiny body aside so carelessly. As I wiped her pussy juices from my face I could barely hide my surprise. Standing next to my kneeling form, Betty was looking directly into my face at eye level!

I rose unsteadily to my feet, not fully believing what I was seeing. Betty was shockingly small next to my thick, muscular form. She put her hands on my hips and chest, feeling my rippling abs and powerful lats, practically purring with delight. I must be almost 7 feet tall! The strength of so many newly enhanced muscles left me feeling like I could bench a car. Most notable of all was my half-inflated monster of a cock. Still dripping with Bianca's fragrant lube, my dick hung heavily about 20 inches below my softball-sized nuts. It was almost as large as Betty's entire arm!

“Lee?” The voice behind me was loud, low, and uncertain, almost afraid. I turned to regard the absolute mammoth of a woman reclining on the groaning cedar timbers of the sauna bench. “Oh… Lee, you are so big… Ooohhh...” Bianca murmured groggily. She looked utterly spent by her aggressive fuck session in a steamy, overly warm and confining room. One last wave of fragrant cum oozed from her gigantic muffed as she tipped her immense hips upwards. “I am big TOO…” the flushed, sweaty amazon huffed, playing absently with her enormous clit.

I was too stunned and exhausted myself to offer much in the way of a reply. Betty, seemed curiously undaunted. She strode over to the immodestly splayed-out latina with eager, almost greedy wonder. In the steamy, stifling dimness of the sauna I squinted about ponderously, as though I had forgotten something. Had there really been just three of us? My head swam with hormones and I could barely see straight, let alone think clearly.

Betty walked right up to Bianca's glorious, yawning cunt. She leaned forward and shamelessly kissed and fondled the gigantic set of genitals. The huge, horny latina could do little more than groan in reply, but her wide, drunken smile signalled to me that she was already yearning for the next exquisite orgasm… the next insatiable orgy of growth....

I felt my face go red as blood rushed into my huge, swollen prick. Apparently I was ready to go again TOO. Fuck… I almost chuckled at my own accelerating appetite for the growth-fuelling sex Bianca and I were having. Gazing lustily at my own chiseled physique, enhanced size, and formidably endowed manhood, I was beginning to understand why Bianca was so obsessed. I too, was beginning to leave behind my old life, my old self… to become something greater, more powerful… BIGGER…

“Lee, come here.” Bianca demanded quietly. I was jolted from my reverie by the erotic invitation before me. Legs spread wide, pussy dripping with eager anticipation, Bianca fixed her beautiful eyes on mine. “You make me VERY happy, my little lover…” She sighed. “Mmmmhhh… you make me HUGE with your cum…” The giantess’ gaze drifted off towards my throbbing, rock hard monster of a cock. Bianca knit her lovely brows together and pouted dramatically in her classic fashion. Rippling with newfound size and power, the gorgeous mountain of a woman paused before moaning again, more plaintively. “Ooohhh… I need you still…” Bianca’s gargantuan cunt clenched and unclenched in the afterglow of her dizzying orgasm. “Lee, I need… Mmmm…” She batted her eyelashes flatteringly. “I need MORE…”
