“Lee, come here.” Bianca demanded quietly. I was jolted from my reverie by the erotic invitation before me. Legs spread wide, pussy dripping with eager anticipation, Bianca fixed her beautiful eyes on mine. “You make me VERY happy, my little lover…” She sighed. “Mmmmhhh… you make me HUGE with your cum…” The giantess’ gaze drifted off towards my throbbing, rock hard monster of a cock. Bianca knit her lovely brows together and pouted dramatically in her classic fashion. Rippling with newfound size and power, the gorgeous mountain of a woman paused before moaning again, more plaintively. “Ooohhh… I need you still…” Bianca’s gargantuan cunt clenched and unclenched in the afterglow of her dizzying orgasm. “Lee, I need… Mmmm…” She batted her eyelashes flatteringly. “I need MORE…”

I walked slowly up to the giant open pair of legs before me. The sensation of my footfalls on the floor was strange. I could feel the extra mass of my newly enhanced body. The power… I felt like… I don't know, almost like robocop or something, like I was wearing a suit of heavy metal armor, muscles gleaming and rippling with confidence.

"Open up wide, little girl…" Bianca teased, grinning from ear to ear while absently playing with her gigantic, engorged cunt lips and clit. To my genuine surprise, Betty immediately did what she was told. Without a word of protest, the dwindling brunette reached between her legs and pried open her wet pussy.

Before I knew what was happening, I was crouching low, eager to pleasure my giant cock which was once again rock hard and ready for action. I groaned in excitement, not knowing fully what to expect. As I lowered my enlarged manhood towards Betty's rear, I was instantly fascinated by the size difference between the two of us. Bianca noticed as well, and she giggled salaciously while rubbing her shamelessly swollen pussy mound.

“Meu deus…” Bianca breathed, becoming more and more aroused at the show taking place between her enormously thick and muscly thighs. Her eyes shone with an intense mixture of awe and encouragement. “Lee, your cock is so huge now… Put it in…” Bianca murmured, literally drooling with excitement. I didn’t think that would be a possibility, but before I knew it, I was already trying. I exploratively prodded Betty’s little pussy with the huge, swollen tip of my member. Even using a minimum of force was enough to cause her stumbling forward, almost sending the tiny woman crashing face first into Bianca’s sexy, yawning cave.

Groaning with pleasure, I pressed my throbbing tip into Bettty's pussy, forcing apart her tight little lips with its sheer girth. Immediately I sensed that this was not going to work and I worried about hurting the much smaller woman. To my surprise, however, Betty forced herself backward, crying out in elation as she assisted my efforts. Her lips seemed to relax to a dizzying degree and with a wet grinding sound she embarked on the impossible task of sheathing a cock the size of her arm into herself. Bianca's eyes glittered, her cheeks crimson as she huffed and rubbed herself to the sight of our efforts.

Betty was trying desperately to waggle herself backward down the punishing length of my engorged rod, relaxing and dilating herself as she went. Very soon the sexy brunette lost all ability to proceed, however. She simply had no more leverage to push back against. To assist her, I engaged my ripped abdomen and powerful leg muscles, leaning back and lifting Betty off the ground with a grunt of exertion.

The smaller woman gasped pleasurably and flailed her limbs as my massive, throbbing dick all but impaled her. She slid two or three inches deeper before my tip hit its limit, pushing against what felt like the inside of her tummy.

I exhaled in exquisite relief as Betty slid down the last inch of my immense shaft. She gave a strangled little moan as her beautiful little thighs and buttocks made contact with my pelvis. I felt a short spasm pass through my body, shooting down my spine and out the tip of my enormous cock, causing it to mushroom even more greedily than before, pushing out into every available space in the restrictive confines of Betty's tight little pussy. Alarm bells were going off in the back of my mind since there was no way this wasn't hurting her. Betty didn't seem to mind however, at least not yet. She waggled fiercely into my body and Bianca moaned heatedly, seeing the bulge of my huge dick, her favorite toy, pressing against Betty's flesh from the inside.

“Muito impressionante, my little sweet…” Bianca cooed, flattering her little captive. She reached her massive hand forward, easily engulfing Betty’s head from behind. The little brunette could do no more than tremble and groan in reply. Mercifully, Bianca pulled her slowly, sliding her carefully off my tortuously engorged member. Unfortunately for Betty, however, she was headed from the frying pan straight to the fire, so to speak…

Bianca pressed Betty's puny face into her turgid, fat beef curtains with a wet smack. "Uuunnngh... Fuck..." the burgeoning amazon moaned unabashedly. I found myself inching forwards, trying my best not to simply allow Bettty to be carelessly ripped off my massive cock. The degree of seal, level of suction, and the sheer mass of my manhood made me painfully aware how dangerous it could be to **simply pull out.** Even so, I felt the little brunette's little pussy muscles trembling against my throbbing flesh, aching to be satisfied.

“Hmmm… Oohhh yeah…” Bianca purred. She drew slow circles in her abundant cunt flaps with Betty’s face. “It is my turn now, little one…” The giantess teased. “Let me show you how it is done…” The color drained from my face as I realized what Bianca meant. That giant, vascular cave of womanly muscle yawned open and with a sickening slurp, Bianca began to simply INHALE the poor woman between her legs.

Betty's head disappeared into the quivering mass of wet, feminine folds with a low squeal of suction. I could hardly believe what was happening as Bianca tossed her hair with an imperious flick. She moaned in satisfaction before spreading her legs a little wider, casually stretching out one arm to steady herself on the groaning cedar bench. I worked faster as I tried to carefully extract my immense cock from Betty's pussy, knowing full well that Bianca **wouldn't** stop there, not if her titanic, insatiable cunt had anything to say about it. The huge, horny amazon bit her lower lip in arousal prying the abundant vulva flesh outwards so that she could get a decent grip with her colossal, hungry pussy.

I managed at last pull my massive, swollen knob out of Betty's restrictive pussy. An instant later, Bianca leaned back and let Betty fall further into herself, entrapping the poor woman up to the top of her shoulders in giant, quivering cunt. The hulking giantess rolled her eyes back down to get a good look at the action. Her face darkened in admonishment as she noticed I had removed myself from the fun. "Lee… Why you stop?" Bianca demanded with feigned indignation. Betty's knees found the floor and from there, she was able to get enough purchase to eat out Bianca's colossal womanhood with abandon.

I shuddered at the reckless willingness that this dwindling woman had towards pleasuring the burgeoning sex goddess before us. “I… I don’t know…” I murmured. I trembled before continuing. “I’m afraid she… She’ll get hurt…” I blurted. As I spoke, Bianca apparently loosened her grip on Betty’s head. With an unceremonious squelch, the brunette was deposited roughly on the floor, in a pool of the amazon’s cunt juices. Unfazed, Betty shoved her hand towards her crotch and fingered herself. How was she so unconcerned with her own safety?

Bianca shuddered as Betty slid through her massive, throbbing fuck tunnel, and quickly pulled the little woman back up into her sex. My cock twitched in excitement, and even though I dreaded seeing a person's entire head swallowed whole, it was becoming harder and harder to emphasize with someone so much smaller than either of us. Was I starting to understand how Bianca felt about using others for her pleasure?

“Mmmpphh… Unnnggghhh…” Bianca moaned. Tortuously aroused now, she cast her long, hungry gaze towards the insignificant being partially consumed by her own enormous genitals. “It doesn’t matter, Lee… Ohhh…” The huge, horny amazon gave a huff of consternation. Betty continued to finger herself, writhing in pleasure at being used like a sex toy for my gargantuan lover’s enjoyment. Her face becoming increasingly flushed in the rising pressure of the room, Bianca simply stated, “This is what she wants…”

As if to demonstrate her point, Bianca pushed up against the cedar bench, causing a chorus of wooden planks to groan, not to mention a few alarm snapping noises. Still held in the powerful grasp of the giantess' mighty cunt muscles, Betty was literally dragged upwards by her head and pushed forwards a couple of steps. Awkwardly, the little brunette barged tits-first into my massive, erect member. As soon as she felt it, Betty began eagerly caressing and massaging my huge, throbbing meat.

Bianca continued to use her phenomenally strong and sensitive beef curtains to toy with the smaller woman's puny head. Betty was released once again with a wet smack and nimbly found her feet with Bianca's huge, puffy lips encircling the top of her head like a wet, fleshy crown. Now freed, the slender, sexy brunette fixed her eyes longingly, almost pleadingly on mine. "Uhh… Okay…" I moaned in resignation. Apparently that was all the convincing I needed. "Let's do this… Just don't smother her, okay?"

“Hah, my precious Lee… You worry too much…” Bianca gave a strained giggle, gritting her teeth against her rising passion. Clearly she was delighted at my assent. “I will let little Betty go…” the hulking woman promised. “Don’t be scared.” I blushed, fighting back a grin as I felt the sexual energy ratchet up another degree as our growth-infused orgy was once again poised to escalate.

Without any more hesitation I slid my large hands under Betty's thighs and easily lifted her small body off the ground. I kept her head pinned against Bianca's vulva, mashing her face playfully around the giantess' enormous cunt lips. My giant cock pressed into Betty's tiny crotch as I began to lubricate up for what would be another impossibly tight squeeze.

With a low, haughty moan, Bianca leaned her gargantuan bulk way back, causing more planks to splinter and groan beneath her titanic weight. This shifted Betty's head upwards, which was perfect for me. I eagerly pressed my throbbing red knob against the little woman's tight pussy, using that giant, rigid shaft to press her upwards into Bianca's huge, drooling muff. I met with a tantalizing yielding kind of resistance as Betty shuddered and vainly attempted to relax her pussy muscles and dilate herself enough to accept my impossibly large manhood.

I gritted my teeth and fought back a cry of ecstasy as I greedily pushed Betty's tight little pussy lips apart with pulsing red tip of my giant dong. Once inside, as before I found I could sheath myself further into the sexy little brunette, working my mighty shaft slowly into her while the massive tip mushroomed outwards and filling Betty's vagina almost immediately.

Bianca giggled in encouragement. “Hahaha, oh my little girl… You cannot fit my big man inside yourself… Oooohhh…” She cried out in passion and surprise as she heard her own salacious words. I stumbled forward a step as Bianca’s humongous fuck tunnel suddenly clenched without warning, pulling **both** Betty and I forward sharply as that huge sexy cave exerted negative pressure on the tiny woman’s head.

“Uhhh… Hnnngghhh…” Bianca whined dramatically. She tipped up her colossal pelvis and with a loud, wet smack, Betty’s puny head was swallowed into the amazon’s huge, muscular pussy. “Oooohhh yesss…” The giant, naked latina purred. She seemed to be working her big, beefy cunt lips over Betty’s face, vigorously pulling on the diminutive brunette to her absolute delight. I tried my best to hold on and not to cause too much damage with the sheer mass of massively engorged hog. “I take you inside my pussy now…” Bianca growled excitedly. “Give me pleasure, my little love…”

I watched in morbid fascination as Bianca clenched her colossal beef curtains, wringing the smaller woman between her twin sets of massive, vascular folds. A look of sheer bliss crossed the giantess' face and to my amazement that monstrously overgrown fuck cave seemed to yawn open with a mind of its own. Bianca's titanic cunt seemed to grow before my eyes, stretching outwards to accommodate a woman who was roughly the size of an extra large dildo. No way... I gulped as the Bettty's shoulders disappeared into the warm, wet cave...

Bianca knitted her beautiful eyebrows in exquisite concentration. She let out an imperious huff as her gargantuan pussy constricted further, pinning Betty's arms to her sides before consuming them along with her entire torso in a liquid slurp. At the same time, the diminutive woman was literally ripped off my massive dick, and I stumbled sharply, gaping in incomprehension at the sheer volume the horny amazon had created in her greedy, wet muff.

“Ooohhh…” Bianca whimpered, looking down a tiny pair of lower legs kicking around her massive crotch where previously there had been an entire person. “Meu deus… It feels so SO good…” She trembled dramatically, sinking lower into the crumbling **wood**work. Bianca fixed me with a drunken, glassy stare, biting her lower lip solicitously. “You too, my big man…” She whispered in rising arousal. It was all the encouragement I needed. Despite Betty’s entire body being crammed up that gigantic fuck cave, I couldn’t wait to jam my immense dick into those velvety wet depths as well.

I gingerly pried Betty's flailing lower limbs apart, finding some difficulty as Bianca's huge quivering cunt lips squeezed them together against my efforts. It was thrilling to see how much of the tiny woman had disappeared into Bianca's humongous drooling pussy. I don't quite know what to compare it to, but it was almost like watching footage of one animal devouring another whole. In essence that was exactly what was happening. I didn't have much leftover mental capacity to contemplate this, however. I groaned in exquisite agony as I pushed the giant throbbing tip of my enormous member into a mess of limbs and meat slabs.

“Hahaha, oh FUCK…” Bianca laughed crazily as I slid further into her. I pushed my pulsing, meaty rod into the giantess fuck cave. My cock burrowed gloriously between the two women, pressing, against Betty’s entire little pussy while simultaneously jabbing my throbbing red knob into Bianca’s G-spot. “Ooohhh… Mmmmm…” The huge horny latina squirmed and moaned like she was about to come, and I gritted my teeth just trying to hold on to my own load. Bianca seemed to sense my impending climax, and she wrapped her colossal left calf behind me, pinning my immense prick into her mighty sheath.

Betty squirmed ecstatically, bucking up and down in the vast, muscular depths of Bianca's colossal womahood. She wrapped her little legs tantalizingly around my powerful thighs, seemingly encouraging me to blow my massive load. I began to pump in and out of Bianca's cunt, battering my gigantic cock into both Betty's lower body and Bianca's phenomenally swollen cunt hood. My beautiful, burgeoning lover used her trunk-like leg to assist my movements, sympathetically driving my monster cock in and out of herself.

Bianca growled passionately, rolling her eyes up as she felt my immense prostate twitch and swell between her mighty thighs. “Yes… YES, LEE… UUUnnnghh…” the huge, horny amazon’s face contorted in arousal. “Cum in me, my love… Yes… Cum in me NOW…” Bianca commanded, exulting in herself like the sex-crazed goddess she had become.

I groaned uncontrollably as my huge, veiny cock began to spasm. A solid, thick jet of white hot cum shot into Bianca's muff so hard I could actually hear it. Betty's little legs convulsed as she orgasmed simultaneously. The giant latina clutched me into herself, squeezing her calf into my rear, assisting my oversized prostate pump load after load of growth-feeding jizz into a cunt that was already larger than a car engine.

I gritted my teeth and hung on for dear life as Bianca milked my giant prick for all it was worth. Cum gushed through my engorged shaft an ounce at a time, quickly filling up all the available space in Bianca's already-stuffed fuck cave. I imagined all that sticky hot cum being pumped deep into the amazon's vast, fleshy depths, filling Betty's mouth, ears, and eyes, just as it filled her puny little pussy at the same time.

As my colossal orgasm began to finally abate, I steeled myself for the harsh overstimulation to come as Bianca's own orgasm began. The gigantic, naked woman moaned unabashedly and shivered from head to toe as her gargantuan cunt began to convulse. I was clutched roughly into Bianca's amazonian crotch as she began hoarsely muttering, "Oooohhh, yessss... I am GROWING, Lee... Huuuunnngghhh..." Somehow I could almost FEEL the mysterious effect of my cum exerting itself on our bodies. Holy shit, it's true... Bianca is growing AGAIN!

I felt my entire body tingle as the effects of the growth began to take hold. Bianca's moaning intensified, and I felt sure that if there was anyone else in the building they would be sure to hear us by now. A liquid slurp drifted up from the amazon's titanic fuck cave as her hot, feminine cream began to gurgle up from her vast, velvety depths.

Bianca appeared to rise from my perspective. Her head pushed up towards the ceiling, and her colossal features ballooned out in every direction as she grew. The giantess' massive, swollen beef curtains quivered as they wrung Betty's dwindling body in their powerful grasp. More snaps and cracks of broken cedar beams signalled that Bianca was packing on dozens of pounds each second.

“Haaahaaa… Oooohhh, FUUUCK…” Bianca roared exultantly as she orgasmed, driven past the edge of sanity by her insatiable lust. Still she clutched my body to her much larger bulk, even as the last drop of cum was wrung from my softening cock. I moaned in protest as my mind registered the painful overstimulation that was taking place all along the length of my huge, vascular member. Still the giantess wrung me mercilessly in her clutches, and STILL she grew.

A thick, hot wave of fragrant cum burst forth from Bianca's humongous, churning fuck tunnel. The huge, horny amazon practically howled with orgasmic delight as her body absorbed a gallon or so of my semen. I gaped in horror as I glimpsed the vague shape of our companion Betty push out against the inner wall of Bianca's broad, muscly tummy. Slowly, but surely, Betty was disappearing into the hot, hungry depths of Bianca's mighty pussy.

“FUCK… RRRrrrnngh…” Bianca seethed. She tipped her head back glorious, tilting up her gigantic pelvis as she continued to clench and wring her gargantuan cunt lips, battering Betty’s dwindling body mercilessly along with my aching cock. I cried out in pain as I was beginning to see stars on account of my wildly overstimulated prick. Hot, womanly cum spewed everywhere, covering my entire torso and lower body in Bianca’s sensual, fragrant abundance.

The titanic woman before me continued to thrash and buck like an animal in heat. “B-Bia… Bianca…” I sputtered uselessly. Fireworks were going off in my brain, and although I wanted to protest, to beg this insane woman to release us both, I couldn’t make sense through the intolerable sexual pain I was enduring. Bianca just screamed in reply, viciously churning Betty and me with her overwhelmingly powerful cun lips. I gasped in horror as the bulge in Bianca’s tummy began thrashing. Betty, having clearly peaked in terms of her own sexual pleasure, was finally beginning to panic.

Bianca's enormous, blood-engorged womanhood seemed to pause briefly. She trembled with uncertainty, or perhaps concentration. For a moment, the powerful, feminine calf behind me began to ease, and I was able to partially withdraw my tortuously aroused prick from that all-consuming cunt for some badly needed reprieve. As soon as she had slowed down though, Bianca gave a blood-chilling gasp. "AAIIIYYEE…" She cried, so loudly that it hurt my ears. With a wicked wave of vascular constriction, the humongous latina engulfed what little of Betty's legs remained outside her huge, sopping pussy. "L-let… LET HER GO!" I yelled, finally finding my own voice.

The massive, hulking amazon seemed to register my complaint with irritation, almost angrily. She kicked out her enormous left leg, causing me to fall over backwards. I landed awkwardly on Bianca's huge ankle, and I struggled to find purchase with my hands on her sweaty flesh just in time to see her give a low feminine grunt. Her voice was thick with arousal, almost threatening, and I swear her already gigantic body swelled even a little larger. At the same time, that immense quivering mound of cunt flesh gave one final sinister gulp. The last I saw of Betty was her tiny right foot disappear as the doomed woman thrashed wildly in search of a breath of fresh air.

Bianca gave a shudder of satisfaction as she finished devouring the tiny woman in her colossal pussy. I gaped in horror at her drooling, engorged cunt as she continued to churn her powerful muscles, squeezing Betty's puny body with orgasmic, muscular contractions. Meanwhile the tingling feeling continued wracking up and down my spine. I'm still growing... I realized. Bianca is still growing!

Bianca let her jaw go slack as she narrowed her eyes lustily in my direction. We both watched as the amazon's huge, rippling gut stretched out in all directions. Betty's pitiful thrashing could still be seen in a visible bulge that pushed up against Bianca's lush, copper skin. Soon, even that had disappeared, replaced with new muscles and flesh as the ever-increasing rate of expansion progressed in the huge, horny latina's already-gigantic body.

Bianca finally cleared her throat. “Ooohhh… Meu deus…” she cried, savoring every last drop of the sensations her body was experiencing. I quickly jolted back to reality as well. I backed off a few steps, shaking my head with disbelief. Bianca sensed my darkening expression and quickly twisted her gargantuan body to a prone position. She clapped her enormous hands on the floor beside me, and I felt scared as her massive shadow enveloped me, her hot, humid breath washed over me.

Still, I mustered some courage and stood up to my impossibly large lover. “What the FUCK, Bianca?” I demanded angrily. “You just, just…” I trembled, struggling to find the right word to describe what had happened. My cheeks burned red as I stumbled over my indictment. “You said you’d let her GO!” The tingling in my body was electric, almost euphoric. I realized, becoming flustered that I was quickly becoming aroused again, despite my frustration.

“Lee, wait… just…” Bianca begged, giving me plaintive puppy eyes. “Just hang on… Ooohhh…” She muttered, rolling her eyes around as she clearly felt the same tantalizing full-body sensation I felt.

The colossal woman shuddered in the steamy confines of the sauna. She rocked back and forth on her knees absently, even as the space between us shrank as she grew before my eyes.

Bianca gritted her teeth as she attempted to work through her point while enduring the tortuous bliss of her sex-fueled growth. “I just… I needed to do that…” Her big, sexy eyelashes fluttered seductively as she heard her own words. “I needed to eat that woman… With my big hungry pussy… That hunger was so bad, I needed to satisfy it…”

I gulped as the gigantic, insatiable woman packed on glistening feminine girth, growing in spurts of hundreds of pounds at a time. “Y-you promised…” I shouted back. I hung my head in half-hearted righteousness. I felt my own guilt in the act that had just taken place, even as Bianca determined to leave behind all moral qualms in pursuit of godhood.

Bianca’s gargantuan breasts bulged against each other, trapped between her two trunk-like, muscular arms. Her head bumped up against the ceiling as she was forced to hunker ever lower to make room for her burgeoning body.

“Oh, come ON, Lee…” Bianca whined. She grunted as a particularly violent wave of growth rocked her gigantic, naked form, forcing her to spread her legs a little wider. “Uunngh… I just…” Bianca gritted her teeth again, looking more irritated with my protests. “I do not CARE…”

My world grew rapidly darker as Bianca's humongous body continued to swell in every direction. She was so huge now that I could HEAR her growing. It sounded like a low groan of muscle flesh grinding into everything in our environment unfortunate enough to find itself in her path. This was mingled with curious, almost digestive rumblings coming from the giantess' gut, not to mention her various grunts and other vocalizations on account of the apparent effort her growth demanded.

I took a step back. I was already forced to cran my neck all the way up just to speak into Bianca's widening face. "How can you say that?" I demanded, blushing crazily as my slowly expanding monster cock once again rose to full attention despite my anger. "Betty was... She's a PERSON!" I clenched my fists, furious that I actually had to spell it out for this titanic woman.

“I am a GODDESS!” Bianca shot back, matching and overshadowing my own indignation. She shifted her immense weight amidst the groans and cracks of many puny cedar timbers. I gulped as this sex-crazed beauty dominated my entire world as it crumbled around me, beneath her growing might.

“I swallow some woman with my giant CUNT… MMMmmm…” The giantess groaned and paused as her whole body went rigid. “Because I am big and sexy... and And I am so, SO horny… Ooohhh… So I must get what I want...” My humongous lover moaned elatedly as another powerful wave of growth wracked her gargantuan, statuesque form.

Bianca gritted her teeth as she quickly ran out of room amidst her unstoppable growth. “Uuurrngh… And that rude woman, earlier?” Bianca fixed me with bestial stare, glowering domineeringly over me. “She went in my ASS, Lee…” The huge, burgeoning woman finished with a wicked grin.

Rude woman? Oh shit… that woman who accosted us earlier… I remember her chewing us out for trespassing before I lost track of her… before…
I bit my lip, trying to hold back my outrage as my heart sank. I curtly turned on my heel and without looking at her, I angrily muttered back at Bianca, “You’re unbelievable…” I briskly strode away from the huge, horny latina. I felt so odd. I should have felt sick with dread, morbidly fixating on what had happened. Two people… Bianca had just DEVOURED two people! But the worst part is, it was already starting to feel weirdly normal to me.

“Lee,” she said as I walked away, “I know you understand. This beautiful body needs fuel... My cunt is so hungry, it needs to eat... I’m big and strong, they’re small and weak... and I want them... so I eat them... That is how it works in nature, Lee. The strong get what they want... what they need. And I keep getting stronger...”

I stopped for a moment and watched her body stretch upward. Her head was pushing against the ceiling, lifting it upward. She was outgrowing the sauna, growing even faster than before.

I knew she could take the whole place down with her, but I couldn’t pull myself away. It was impossible to look away from her. Her body was so sexy, but even more than that her raw power was just intoxicating. And her scent... God, that scent was so overpowering...

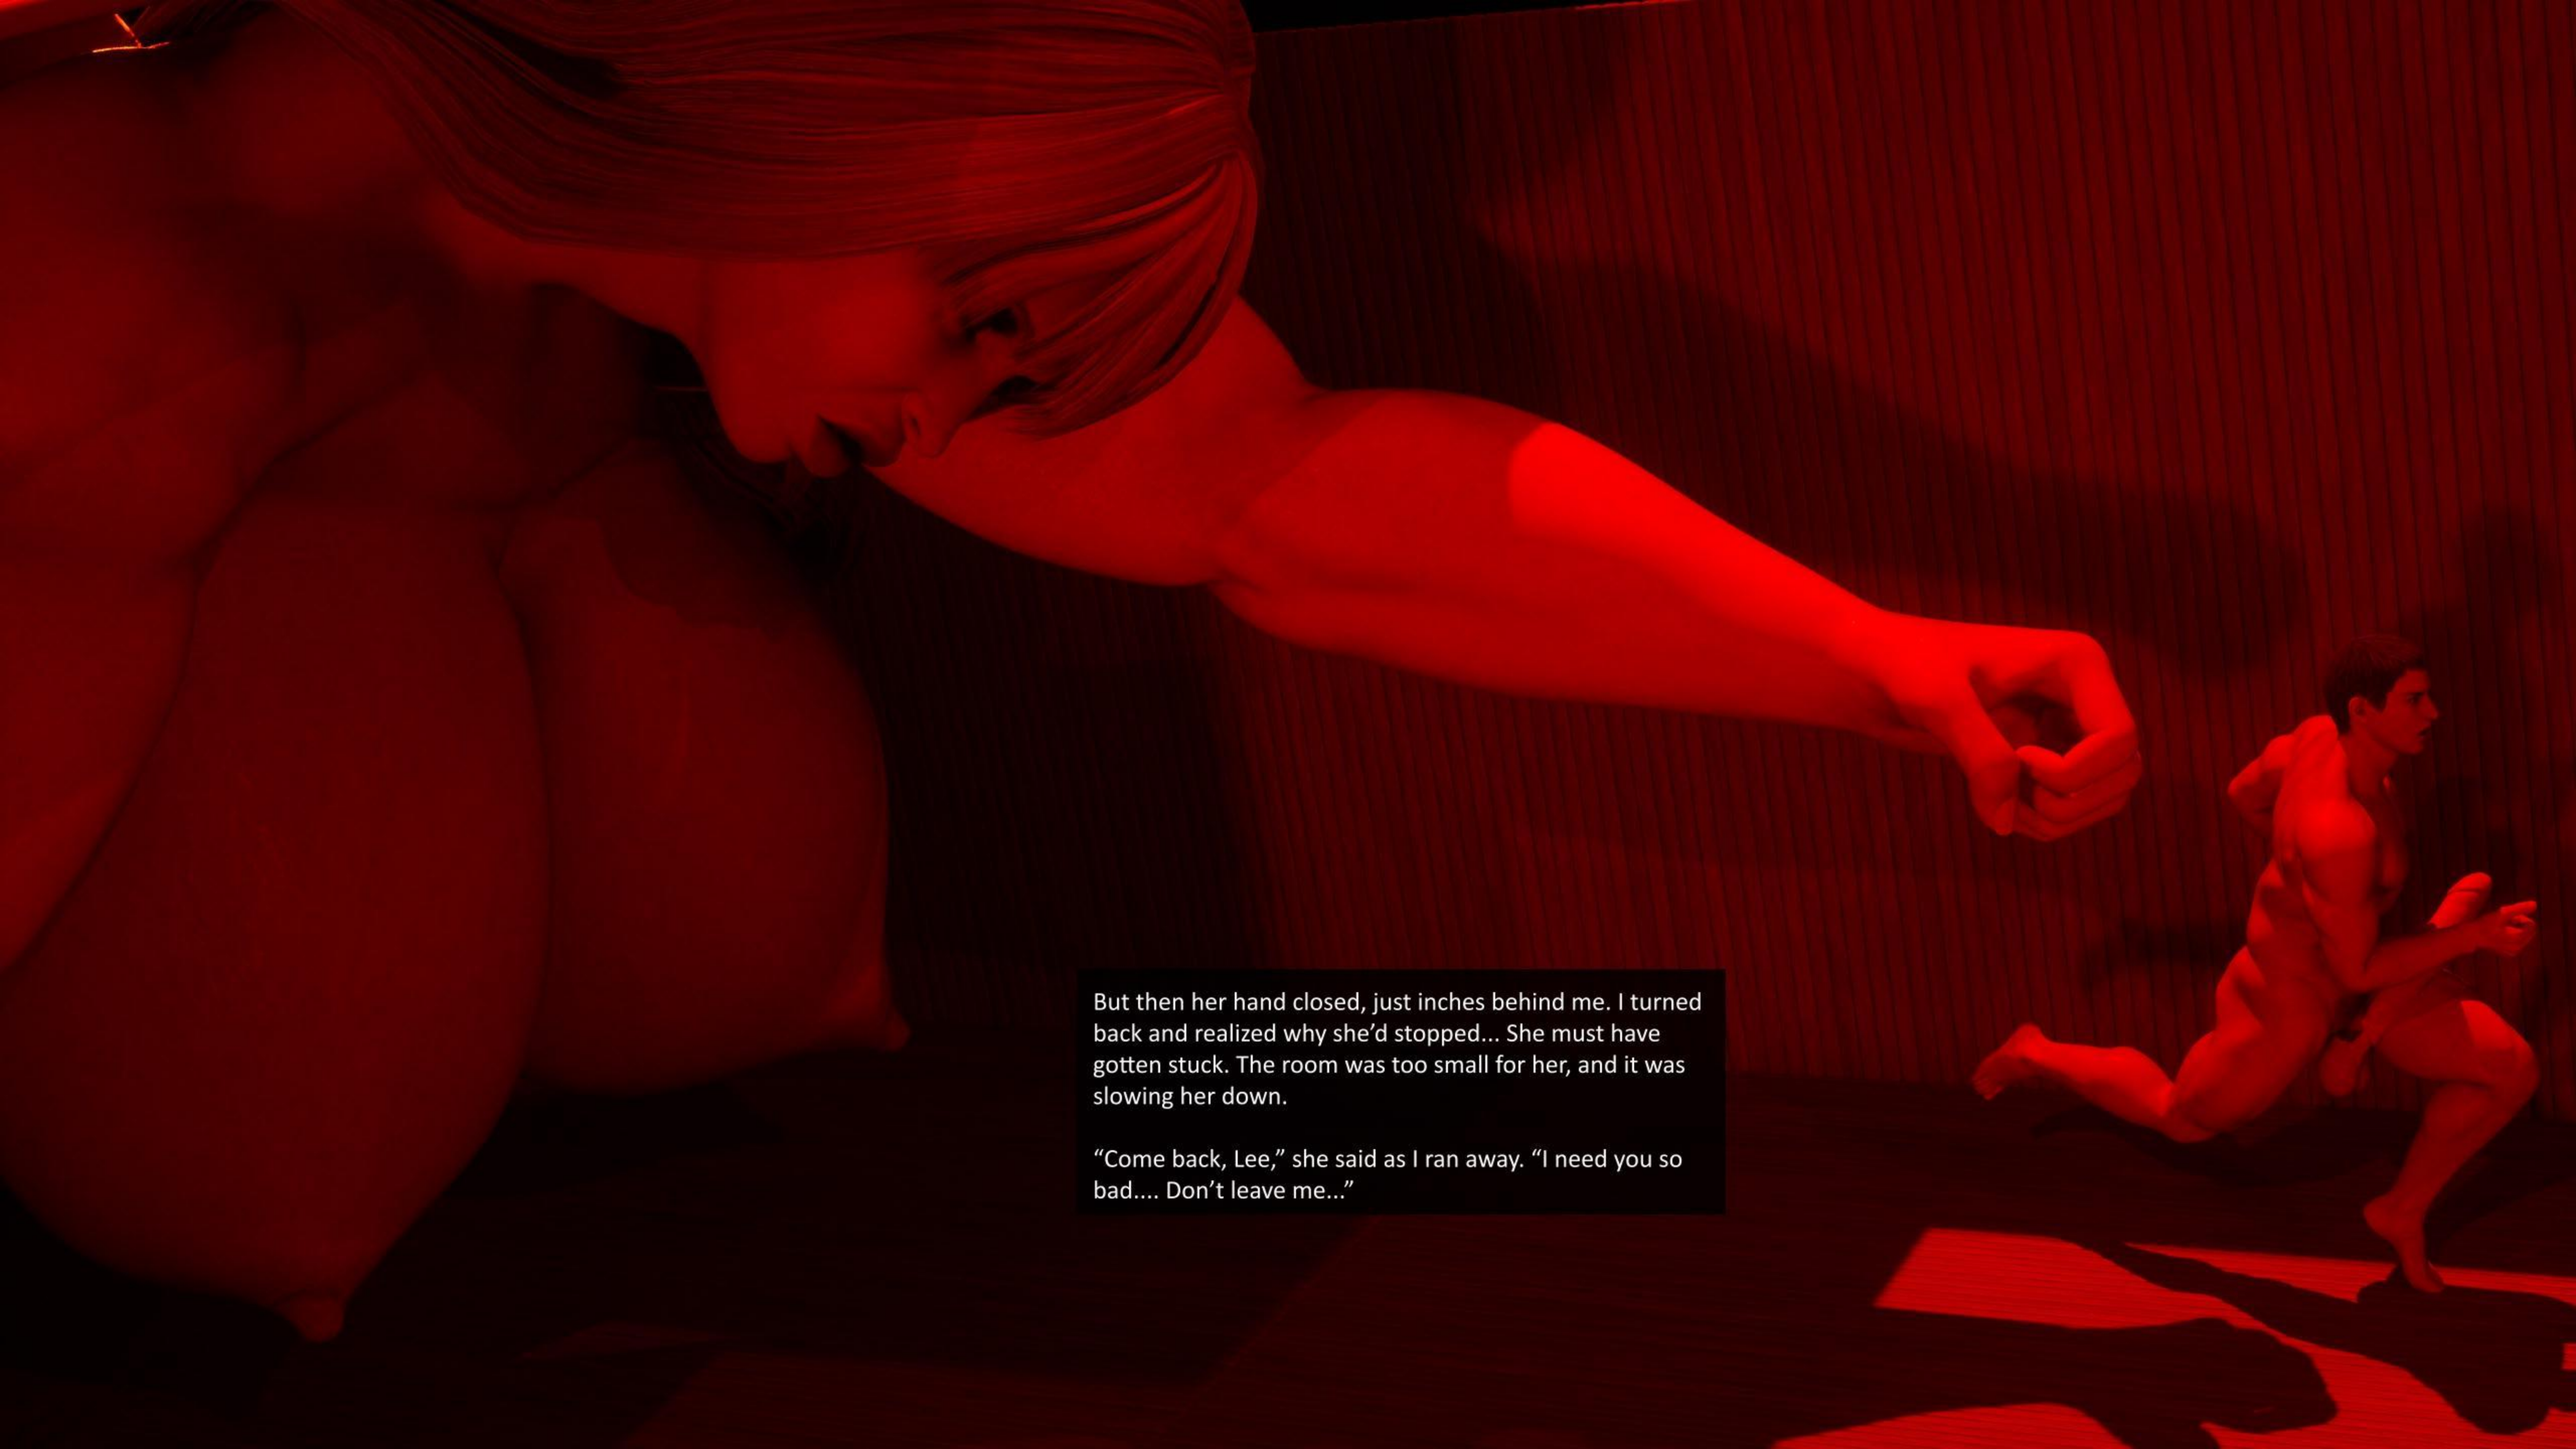

As she grew, she moaned even louder. The destruction she was causing, the damage she was inflicting without even trying, that just turned her on even more...

And as she grew even bigger, even as it got more dangerous just being around her, it was impossible to pull myself away...

When she finally stopped growing, I snapped back to my senses.
“I’m going to go now, Bianca,” I said to her. “And you’re not going to follow me, okay?” As soon as the words left my mouth, though, I realized how useless they were.

“I cannot wait, little Lee,” Bianca said. “I do not ask. I tell you that I need your cum. I need all of it, forever. I need so much, little Lee... Come here...”
I slowly backed away, hoping Bianca wouldn’t notice. But I saw her shifting her weight, and I what was about to happen.

“Come here, Lee! I need you!” Bianca shouted. “I need you now!” Bianca’s enormous body lurched forward, shifting the ceiling and walls with her every movement. I broke into a sprint, and she reached out towards me. Her enormous hand was as big as my upper body. I felt those huge fingers rasp against my back, and for a second I thought she was going to grab me.

But then her hand closed, just inches behind me. I turned back and realized why she'd stopped... She must have gotten stuck. The room was too small for her, and it was slowing her down.
"Come back, Lee," she said as I ran away. "I need you so bad.... Don't leave me..."

I turned back and looked at Bianca. Her face twisted into a girlish pout that would have been cute if not for how dangerous I knew she was. “You make me mad, Lee,” Bianca said as I backed away. “You cannot imagine how hungry my pussy is... It’s such a greedy cunt. Come back, Lee! You know you cannot run! You know I will break free! You know I will get you!”
The worst part is, I knew she was right.

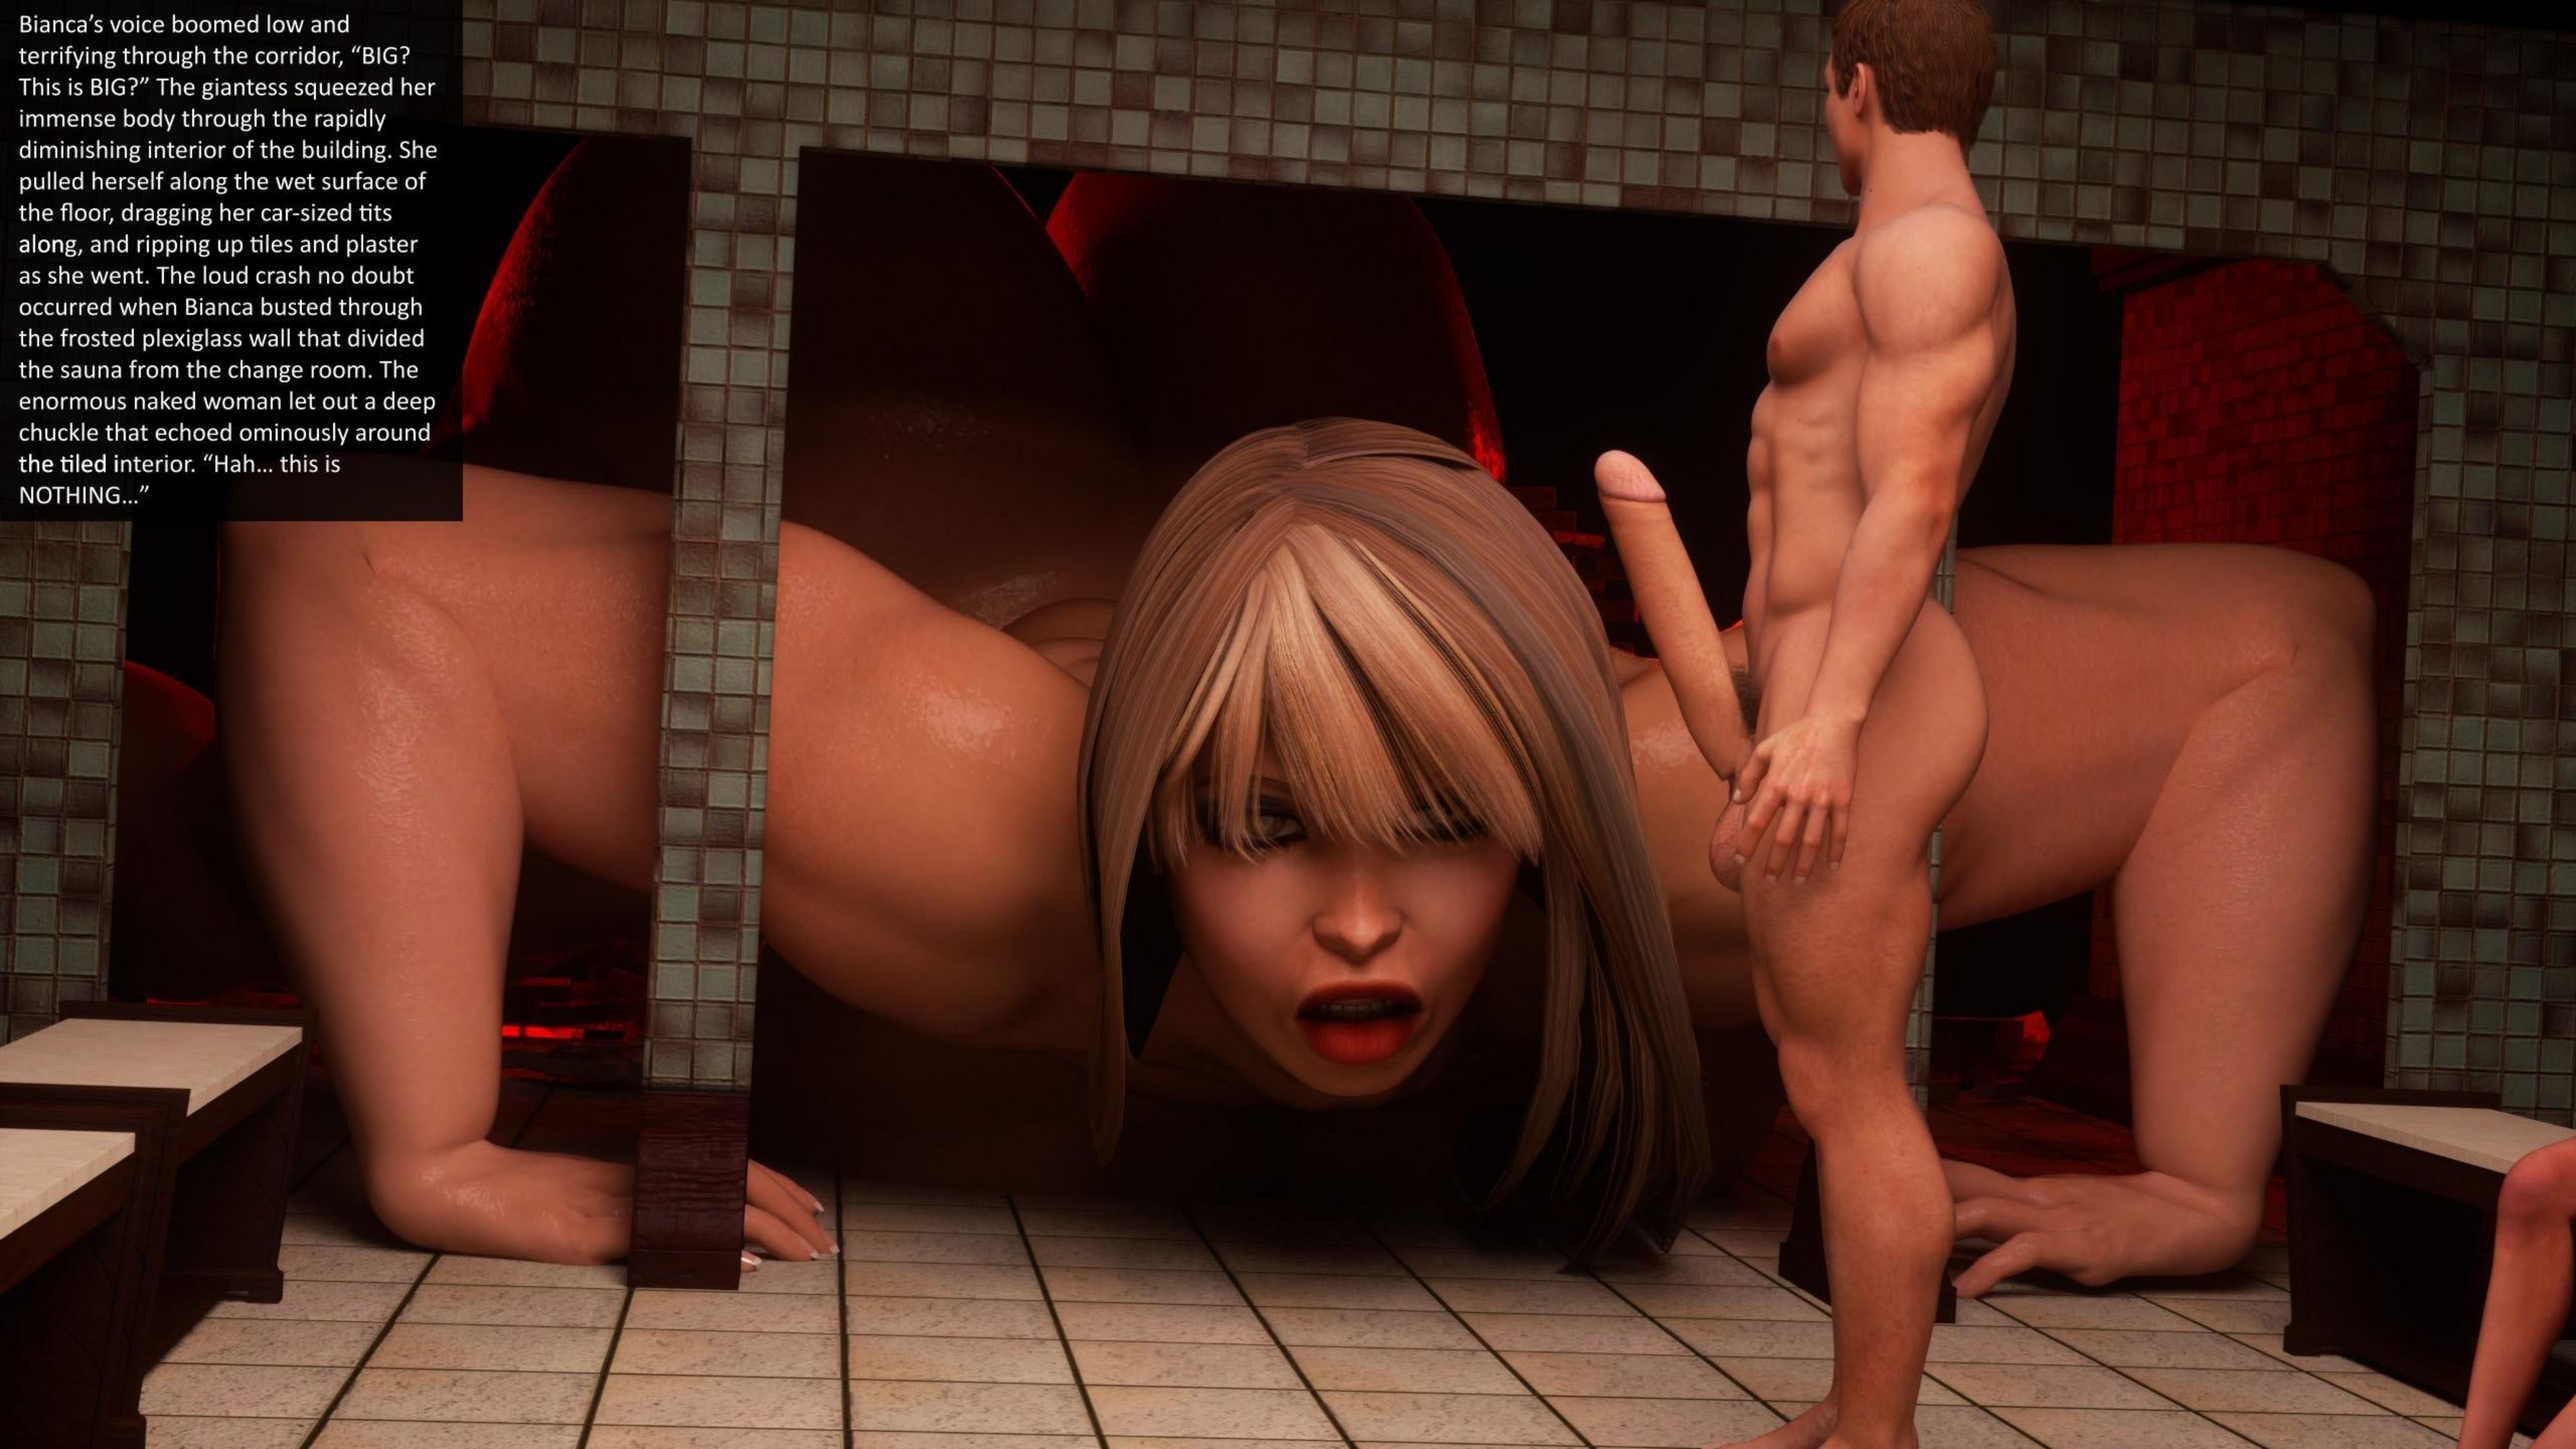

I exited the sauna in a daze. I just wanted to get away from Bianca and her insatiable lust. It came as a surprise when I suddenly realized that I had wandered into an adjoining change room. I was greeted by gasps coming from a pair of women sitting on a nearby bench. They looked so short... I blinked in the bright light of the tiled room and turned my head way down. They looked like midgets... But they were two beautiful naked women gawked up at me, taking in the view of my gigantic, fully erect penis. I stopped dead in my tracks, and teetered a little bit. My cock had grown so large it was actually affecting my balance. My mouth sagged open, as we all stared for what seemed like a minute. Exactly how large had I become?

The brunette didn't even look up at my face... her eyes were focused firmly on my crotch. "Oh my god," she said, "what are you doing?! You're naked... and so, so... big..."

"Umm," I said awkwardly, "I'm sorry, but you need to get out of here... Now..."

The blond woman's lip quivered as she breathed in wonder. "It's so… Buh…" She was cut off by a hard, involuntary swallow. "So BIG… Ohhh!" We all snapped our heads towards the sauna as a deafening crash caught our attention.

Bianca's voice boomed low and terrifying through the corridor, "BIG? This is BIG?" The giantess squeezed her immense body through the rapidly diminishing interior of the building. She pulled herself along the wet surface of the floor, dragging her car-sized tits along, and ripping up tiles and plaster as she went. The loud crash no doubt occurred when Bianca busted through the frosted plexiglass wall that divided the sauna from the change room. The enormous naked woman let out a deep chuckle that echoed ominously around the tiled interior. "Hah… this is NOTHING…"

“Now I show you ‘BIG’...” Bianca growled. She lurched forward, and swung her gigantic arm towards me. Both of the smaller women shrieked in terror, scrambling to get away. It was almost like the colossal latina was moving in slow motion. I staggered backwards, away from the giant, outstretched hand, nearly tripping over the tiny brunette behind me.

Despite having time to react, I just couldn't move fast enough to escape the sheer scale of my captor. I yelped in surprise as Bianca's fingers closed around me. The behemoth of a woman grunted and awkwardly scrootched forward while I attempted to wriggle out of her powerful grasp. And I nearly succeeded, as I managed to slip away from Bianca's sausage-like fingers. Instead, the giantess's grip fell firmly around my giant, cock.

I muttered in a mix of dismay and involuntary pleasure as Bianca chuckled in triumph. She jerked me roughly to the floor and proceeded to drag me into her waiting clutches, keeping a tight, unyielding grip on my swollen member the whole time. “You forget again, Lee…” Bianca taunted in a low, threatening voice. “This big, lovely cock…” The insatiable slut positioned me under her fat, luscious lips. “This is MINE… Ooohhh… MMMmmmpphhh…”

Bianca purred luxuriantly as she forced huge lips over my dick. She giggled and moaned simultaneously, clearly enjoying the ease with which she used me. The room shook and bits of plaster rained down as the goddess-like woman shifted her enormous weight, making herself comfortable as she sucked on my gigantic, throbbing cock.

Content that I wasn't going to get away, Bianca began murmuring sweet nothings to her dwindling captive. "Mmmpph… Oh, Lee… Mmmm… so BIG…" She seemed to delight in the sound of her voice being partially muffled by a mouthful of rock hard cock. I groaned as Bianca smacked her lips agonizingly around the base of my 40-inch shaft. "Ooohhh… Mmmm… you love it… Hhmmm… you WANT it…"

Fuck… It was just too much… I thrashed about wildly and bucked my hips in humiliated acquiescence. White hot cum blasted out of my monster cock in gouts of at least an ounce or two. I felt my prostate pump away in powerful, practiced strokes, like a weightlifter doing reps.

The reaction was immediate. My body tingled with that familiar feeling, as I resumed my growth, slowly, almost imperceptibly.

Bianca, on the other hand… THAT was a different story. As I fucked her plush, lovely lips she swirled my cock victoriously in with her huge sinewy tongue. And she started growing again… Oh fuck, did she grow…

My cheeks burned red as I cried in ecstasy, shameful of my participation in the obscene, disastrous act taking place. I spewed torrent after torrent of growth-fueling cum into the widening cavern of Bianca's mouth. She moaned in delight, eagerly gulping down every last sip of a load that would have drowned an ordinary woman.

I gritted my teeth and tried half-heartedly to steel my resolve and pull out of this insane, growth-hungry goddess. Bianca simply bobbed her head with renewed vigor, blowing me for all she was worth.

I couldn’t pull out. I couldn’t even stop the onslaught of hot milky cum from bursting out through my mighty shaft, over and over… How was Bianca doing this to me???

Cracks radiated in the floor and walls as the building shifted on its foundation. Bianca had probably packed on a ton or two of gorgeous, womanly bulk already. I realized with dismay that she wouldn't be exiting the rec center. She would destroy it...

After what felt like an hour, my giant, tortured cock oozed its last tantalizing drop of cum. Bianca's body continued to groan and rumble as it expanded in every direction, drowning out my pleas for mercy. At last, the burgeoning giantess smacked her lips together, releasing my massive throbbing member from its velvety prison. The huge, horny slut groaned and grunted in consternation as an particularly laborious wave of growth rocked her.

Bianca’s enormous jaw went slack as she peered around the tiny tiled room in a drunken haze. She groaned loudly and shifted her colossal bulk, causing more destruction as her humongous thighs burst into the ceiling. The lights flickered momentarily, and I took advantage of the distraction to scramble backwards, away from the terrifyingly aroused monster of a woman growing before my eyes.

Bianca sensed my sudden attempt at escape. “Lee… Noooo…” she whined. I rolled out of the way as the giant latina clumsily swung her huge muscly arm towards me. I landed nimbly on my feet and immediately booked it in the opposite direction. The two women who had staring, enthralled by the gigantic sex act suddenly took the hint and scrambled after me in a disbelieving panic.

I felt a wave of Bianca's hot, sensual breath blow past me as the giantess huffed in frustration and arousal. Her gargantuan ass was now fully pinned by the rapidly shrinking dimensions of the building. Cedar timbers crumpled by the dozens, snapping like twigs under the giantess' exponential inflation.

“HUUURGH…” Bianca grunted, suddenly angered by the inconvenience of the structures that dwindled beneath her unstoppable ascension in size.
“LEEEE…” She boomed, as I fled the change room. Clearly it pissed her off to no end that I dared to run away. I was banking on the hope that the building itself would slow Bianca down long enough for me to escape. The gigantic, naked woman huffed, allowing her fury to build as she watched me go.
“UUUNNGHH… I’m not DONE with you, little man…”

I sprinted through a short hall and emerged in a large tiled pool room. The two naked chicks were right on my heels, and seemed to be just as eager as I was to put some distance between us and Bianca. Fuck… she had been just gigantic, and she was STILL growing. I sighed inwardly as I felt my giant, still-throbbing member sag and bounce between my legs. Despite having just climaxed twice in quick succession, it remained semi-hard and dangerous as long as Bianca was nearby.

I stopped for a moment to catch my breath at the poolside. Two young women in swimsuits had been chatting amiably and sipping drinks, however they unsurprisingly froze and gawked as I approached, fully nude and massively-endowed. “Hey!” I shouted, halting awkwardly. “You all need to get out of here! You’re in danger,” I urged them. I practically had to shout over the pool stereo as it thundered with 90’s teen pop. I seemed to recall someone mentioning a private event, and wondered exactly what I had just stumbled into.

The girls from the changeroom had stopped running as well. The blonde seemed to be worried by the distant sounds of rumbling behind us, however, the brunette's attention had clearly been drawn to the much more immediate presence of my huge, vascular prick. "Oh my god, she breathed..." It's so... BIG..." The stunning, naked beauty reached confidently towards my exposed prick, completely ignoring the nearby threat, not to mention my dire warnings.

“Holy shit…” the blonde chick murmured, now also distracted by my humongous rod. Her jaw sagged as her friend peeled back the flesh of my cock to reveal a head the size of a baseball. As the brunette continued to explore my oversized manhood with intrigue, the blund stammered dumbly behind her. “He’s… He’s MASSIVE!” I let out a groan of pleasure as the brunette squatted down to get closer to it. I expected Bianca to burst in any second. How was this shit happening?

The gorgeous little woman wrapped her delicate fingers around my sensitive rod. I trembled involuntarily, and that monster cock twitched, pushing up into her waiting face. Undaunted, the brunette accepted my giant dick with waiting lips. Electric shocks went up the base of my spine as she gently planted kisses on the huge, exposed head.

I stared in hypnotic fascination as this woefully undersized woman caressed and worshipped a cock roughly the size of her entire arm. It felt deliciously perverse, knowing what I could do to her with the slightest use of force... How easy it would be to overpower her... I wondered if these were the kind of thoughts Bianca had. My colossal manhood stiffened quickly as I fantasized growing even larger, using my size and power to sexually gratify myself at the expense of these weaker, smaller people beneath me...

Above the din of the music, I heard the sound of squealing metal beams and hundreds of porcelain tiles being shattered nearby. I blinked rapidly and managed to resurface from my momentary fantization. “Uhh… W-what? No, stop!” I blurted, backing away from my would-be lover and motioned with my head towards the sounds of destruction rapidly approaching us. “My, uh… My girlfriend is coming!” My mouth went dry with a growing sense of dread. “She’ll hurt us… We’re not safe!”

One of the women sitting at the table laughed shrilly and rolled her eyes. “Oh my god, Chloe… Your stripper showed up an hour early and brought his GIRLFRIEND… What the fuck…” Her voice cracked as she stood up, and I realized that now all of the girls were staring hungrily at my cock as it began to throb with renewed arousal. I continued to back away, holding up my large hands in protest. The brunette, apparently named Chloe, quickly closed the distance between us. “Come here, big boy…” she practically drooled. “Gimme my birthday present…”

Chloe wrapped her delicate little hand around my monster cock once again, causing it to instantly swell up to its fully erect size. A delighted look crossed her face as she gently caressed my gigantic hog, pressing it sensually into her pert, naked breasts. I continued to protest, but Chloe was so fascinated with my enlarged manhood she didn't even seem to hear. Her cheeks blushed a deep red color and I swear I watched her pupils dilate in real time. The gorgeous brunette continued to step into my space and press against my meat as her breathing became shallow and rapid.

My ears rang as my own excitement increased, in spite of all the warning bells going off in my head. Before I realized what was happening, Chloe had once again wrapped her sensuous lips around the tip of my enormous penis. Throbbing with the immense pressure of blood being pumped through huge, protrusive veins, still slick with saliva and cum from my previous adventures, my cock was practically bursting with enough pleasurable stimuli for all of us.

I wanted to run, to get away from there as fast as possible... Even if it meant abandoning these hopelessly enthralled women to whatever fate might await them at the hands of Bianca's selfish sexual desires. I just... I couldn't seem to help myself. I gulped in horror as I realized that without thinking I had just obliged Chloe's enthusiastic advances. In sex-tinted haze, I simply stood and watched as she jumped up and over the bulging tip of my massive cock. The lovely, naked woman shrieked in delight, squeezing my powerful chest thrillingly between her legs as my impossibly large knob pressed agonizingly into her smooth, little cunt.

I grunted in arousal as I handled this puny little beauty with ease. Chloe moaned pleasurably, grinding her wet pussy against my monstrous purple knob and allowing more of her weight to rest on my rock-hard cock. Somewhere in the distance I heard a series of booms and crunches as columns of cement covered in plaster and porcelain were swept aside like they were nothing. My attention began to shift in that direction, however I was soon jolted back to more immediate concerns as Chloe shifted her weight, recklessly leaning into me.

The gorgeous, naked woman screamed in pain and ecstasy as her weight suddenly pushed my cock into her. She sank almost a foot as my humongous cock head battered her tiny cunt lips apart with a sickening wet slurp. I gasped, and to my horror, Chloe simply doubled down, pressing with her full weight right into me. I tried to soften the blow as I shrank away from my little lover, but only ended up getting tangled up in her legs and falling backwards myself.

Chloe screamed in exquisite agony as my huge body hit the tiled floor. I could do nothing but watch helplessly in slow motion as my cock suddenly stopped moving, causing it to plunge viciously up into the smaller woman's pussy. Chloe choked on her own vocalization as my huge cock was suddenly split apart her little cunt lips. I gasped in shock, worried that I had just killed this poor girl.

Somehow, even with my enormous, swollen member buried to the hilt in her little pussy, the birthday girl managed a strangled moan and began grinding over me, seemingly disregarding her own safety and comfort completely. I felt her insides all along the considerable length of my shaft throbbing painfully against my giant manhood. To my horror, her friends seemed to care just as little as Chloe did. They padded eagerly towards me, quickly surrounding my helpless form, practically dripping in arousal. What the fuck was happening to me?

My panicked thoughts were interrupted as the wall across the pool from me suddenly exploded inward. Like a scene from a horror film, Bianca emerged through the cloud of plaster and sheetrock, hulking towards us on all fours, naked and gorgeous as ever. Only now she was the size of a fucking HOUSE! The blonde chick cried out in shock, and quickly set off a chorus of shrill shrieking from the girls as they turned to regard the giantess.

Bianca’s colossal form crashed into the water as she clumsily dragged her mountainous body towards us. The enormous latina cackled maniacally as she closed the gap, her deep-bellied laughter eclipsing the stereo system and causing every hair on my body to rise in dread. Bianca pursed her lovely, plush lips and taunted me. “What is the matter, Lee?” She paused her advance in the center of the pool, taking a moment to acknowledge my predicament. The huge,, horny amazon bristled dramatically, flexing her enormous muscles as water cascaded off her amazing curves.

Bianca's eyes twinkled with genuine amusement as she rumbled mockingly, "Do these cute little women overpower you?" The gargantuan slut surged forward dramatically. She clapped one enormous hand down on the tiled floor next to us with a thunderous boom. At the same time, Bianca's humongous tits barged into the side of the pool, causing a tsunami of water to crash dramatically over us.

Bianca leaned domineeringly over us, casting a long, ominous shadow over our party. Water showered down on the girls, and a couple of them raised their hands up defensively. Bianca giggled and proceeded to mock me anew. “Haha, it will be alright, Lee… I will protect my beautiful little man, okay?” Bianca barged her tits up and over the edge of the pool with deliberate clumsiness. She laughed with haughty confidence as the girls were pushed roughly to the floor.

Chloe's hypnotic fixation on my body was shattered by the sheer size and nearness of Bianca's enormous face. She gave a frightened whimper and scrambled pitifully against my body, attempting vainly to extract herself from her vulnerable position, mounted on my gigantic cock. My face went red as she struggled, sending waves of pleasure up my spine. Bianca's sweet, humid breathe washed over us, and I cried out in alarm as Bianca's lips parted to engulf the tiny woman's entire head.

A low, ominous laugh rumbled out of Bianca's colossal chest and resonated through our bodies. She leaned a little lower, causing the blonde chick to become trapped under thousands of pounds of gleaming tit flesh and drowning out her protests at the same time. Chloe continued to struggle frantically to free herself from my huge, swollen prick. Bianca's giant, sinewy tongue pressed wetly into the little brunette's face, and Chloe screamed in pure terror as the giantess licked her slowly from her chin to the top of her head, moaning seductively as she did so.

I laid frozen in shock as the unstoppably horny giantess smacked her tongue back behind her lips, loading her mouth with a tantalizing sample of the terrified woman. “Ooohhh… Meu deus....” Bianca grinned despite herself as she easily dominated the five of us. She went back in for another, more forceful lick, causing Chloe to scream again. I was horrified at my complicity as I realized that all this domination was turning me on, despite my dread for any number of things Bianca might do to us. My arousal was causing my huge, veiny dick to swell even larger, pinning little Chloe helplessly in place from within.

Bianca moaned loudly right into Chloe's whole body, deliberately rocking us with the sheer volume of her incredible vocal power. "I'm so fucking horny..." The giantess groaned, taunting her helpless captives with her out-of-control fantasy. "Ooohhh... Mmmm... I am hungry for your beautiful little, body..." Bianca murmured, practically drooling with arousal. She parted her huge, plump lips, and without warning leaned forward, enveloping Chloe's entire head in her giant, wonderful mouth, cutting off the tiny woman's cries of protest.

The girls all gasped in horror and froze, enraptured by the total control that the goddess Bianca had over us. The giant latina's neck muscles rippled as she slowly swirled Chloe's head in the hot darkness of her cavernous mouth. Bianca moaned pleasurably through her nostrils as she experimented, effortlessly applying suction to her tiny victim. I groaned in a mixture of stimulation and dismay as Chloe's entire body was dragged upwards by Bianca's antics, and my huge cock was partially unsheathed from her little pussy with a wet slurp.

A sharp whimper of arousal suddenly escaped Bianca's massive lips. The humongous, horny woman reared up without warning. She quietly trembled, looming impassively over us with barely bated excitement. Her eyes blazing, the giantess murmured through gritted teeth, "Oh my god… my GOD…" She swept the hair out of her eyes with a frantic gesture, and I swear she was actually drooling over us, her helpless captives.

“I am so, SO HORNY…” Bianca growled menacingly, looking for all the world like she would devour us then and there. I gulped as my terrifying mistress glowered terrifyingly, reaching deep within her growing goddess complex for the words I was so afraid to hear. “You… All of you…” Bianca whispered, gazing longingly into my soul. She paused, allowing a shiver to pass through her gigantic body, then, “You will FUCK me…” she stated simply.
