Bianca Part 5

Story by Killer Huge
Art by Redfiredog

Bianca's colossal body loomed menacingly over the five of us. "You will all FUCK me," the great, horny latina murmured, mostly to herself. "I need it so badly... You will need it too..."

The cute little brunette Chloe, whose party had taken a sudden and terrifying left turn, wriggled and shrieked atop my large, muscly pelvis. She scrambled to escape, but positioned between the sequoia-like thighs of my giantess girlfriend and stuck on my rigid 2-and-a-half foot cock, she obviously wasn't going anywhere.

The giant, horny goddess spread her titanic legs and scrootched forward, causing the tiled pool floor to buckle and causing a web-like lattice of cracks to radiate out from her humongous hip bones. All four women screamed in horror as they were suddenly trapped or pinned, adding to the cacophony that had by now eclipsed the 90's pop music echoing noisily through the hall. With a sinister slowness, Bianca extended her huge, meaty hand, casting a shadow over her captives.

Everyone stared in horror as Bianca's enormous hand drew near. Me and the woman I was entangled with were obviously trapped, but I think the other two were too terrified to run, and for good reason. It was dangerous to be Bianca's sex toy, but it could be even more dangerous to upset her.

My gigantic lover smiled maniacally and shivered. She straightened her spine and paused, savoring the sheer domination and control of her situation. “Aha… Huh…” She chuckled, almost ruefully. “What is the matter, Lee?” Her beautiful brown eyes pierced right into my soul. “You cannot fill my giant cunt, so you fuck this poor chica?” Bianca taunted, clearly enjoying my unfortunate situation. I groaned passively in reply. Her breath, both from her mouth, and her vast, yawning love cave were overwhelmingly laden with hormones and I was already lightheaded from her powerful sexual advance.

Bianca moaned in delight, rubbing her massive, swollen clit. She peeled her voracious pussy lips apart and massaged them as well, moving slowly and taking the time to absorb every little moment of her conquest. Most of the girls had gone quiet by now, apparently falling under Bianca's goddess-like powers of seduction. Chloe however was too terrified to be enthralled. She screamed bloody murder as Bianca positioned her giant hand in front of the insignificant little brunette. With a humongous, pleasurable sigh, Bianca pressed Chloe gently into the warm, waiting entrance to her colossal sex.

Chloe’s shrill protests were cut short with a sickening gurgle. Bianca shuddered as she pushed the birthday girl’s head past her huge, puffy beef curtains. I groaned again, trying to fight back my own panic while cursing my own irrepressible arousal. I was painfully aware of how vulnerable I was while Bianca played with Chloe’s body while my giant cock was still crammed into her tiny pussy.

Without warning, Bianca's gargantuan cunt lips swelled outwards. At the same time powerful waves of muscular contraction propelled Chloe's pathetic form straight up into the giantess' greedy fuck tunnel. Bianca gasped and jerked her titanic legs apart, as though she was just as surprised as I was.

“Oooohhh… Meu deus…” She moaned incredulously. “Oh, Lee… Haha… You are sooo, SOOO bad…” Bianca’s tremendous vocals boomed thrillingly around the tiled hall.

We were mere playthings to her. The slightest move of Bianca's fingers could shove me around with brutish force. I made no attempt to resist, and instead tried to ride the wave as best as I could.

But as strong as Bianca's hands were, her pussy could be even more powerful... and it was starting to get revved up. I could feel Bianca's pussy trying to pull the brunette off of my cock, and I could hear the smacking and slurping sounds of her pussy trying to suck the brunette in. Her tight pussy had such a tight grip on my cock that I was holding onto the brunette for now, but I knew it was only a matter of time before Bianca's pussy won.

“Ooohhh, FUCK… You fill my giant pussy so, my big sexy lover…” My gigantic, horny captor panted. I yelped in distress as she teased me, jerking my body up and down while she blissfully masturbated with Chloe’s dwindling, naked form. I tried to protest, but as I looked up, my words caught in my throat. I could barely see Bianca’s face over the rondure of her gargantuan breasts. She had to be close to fifty feet tall at this point!

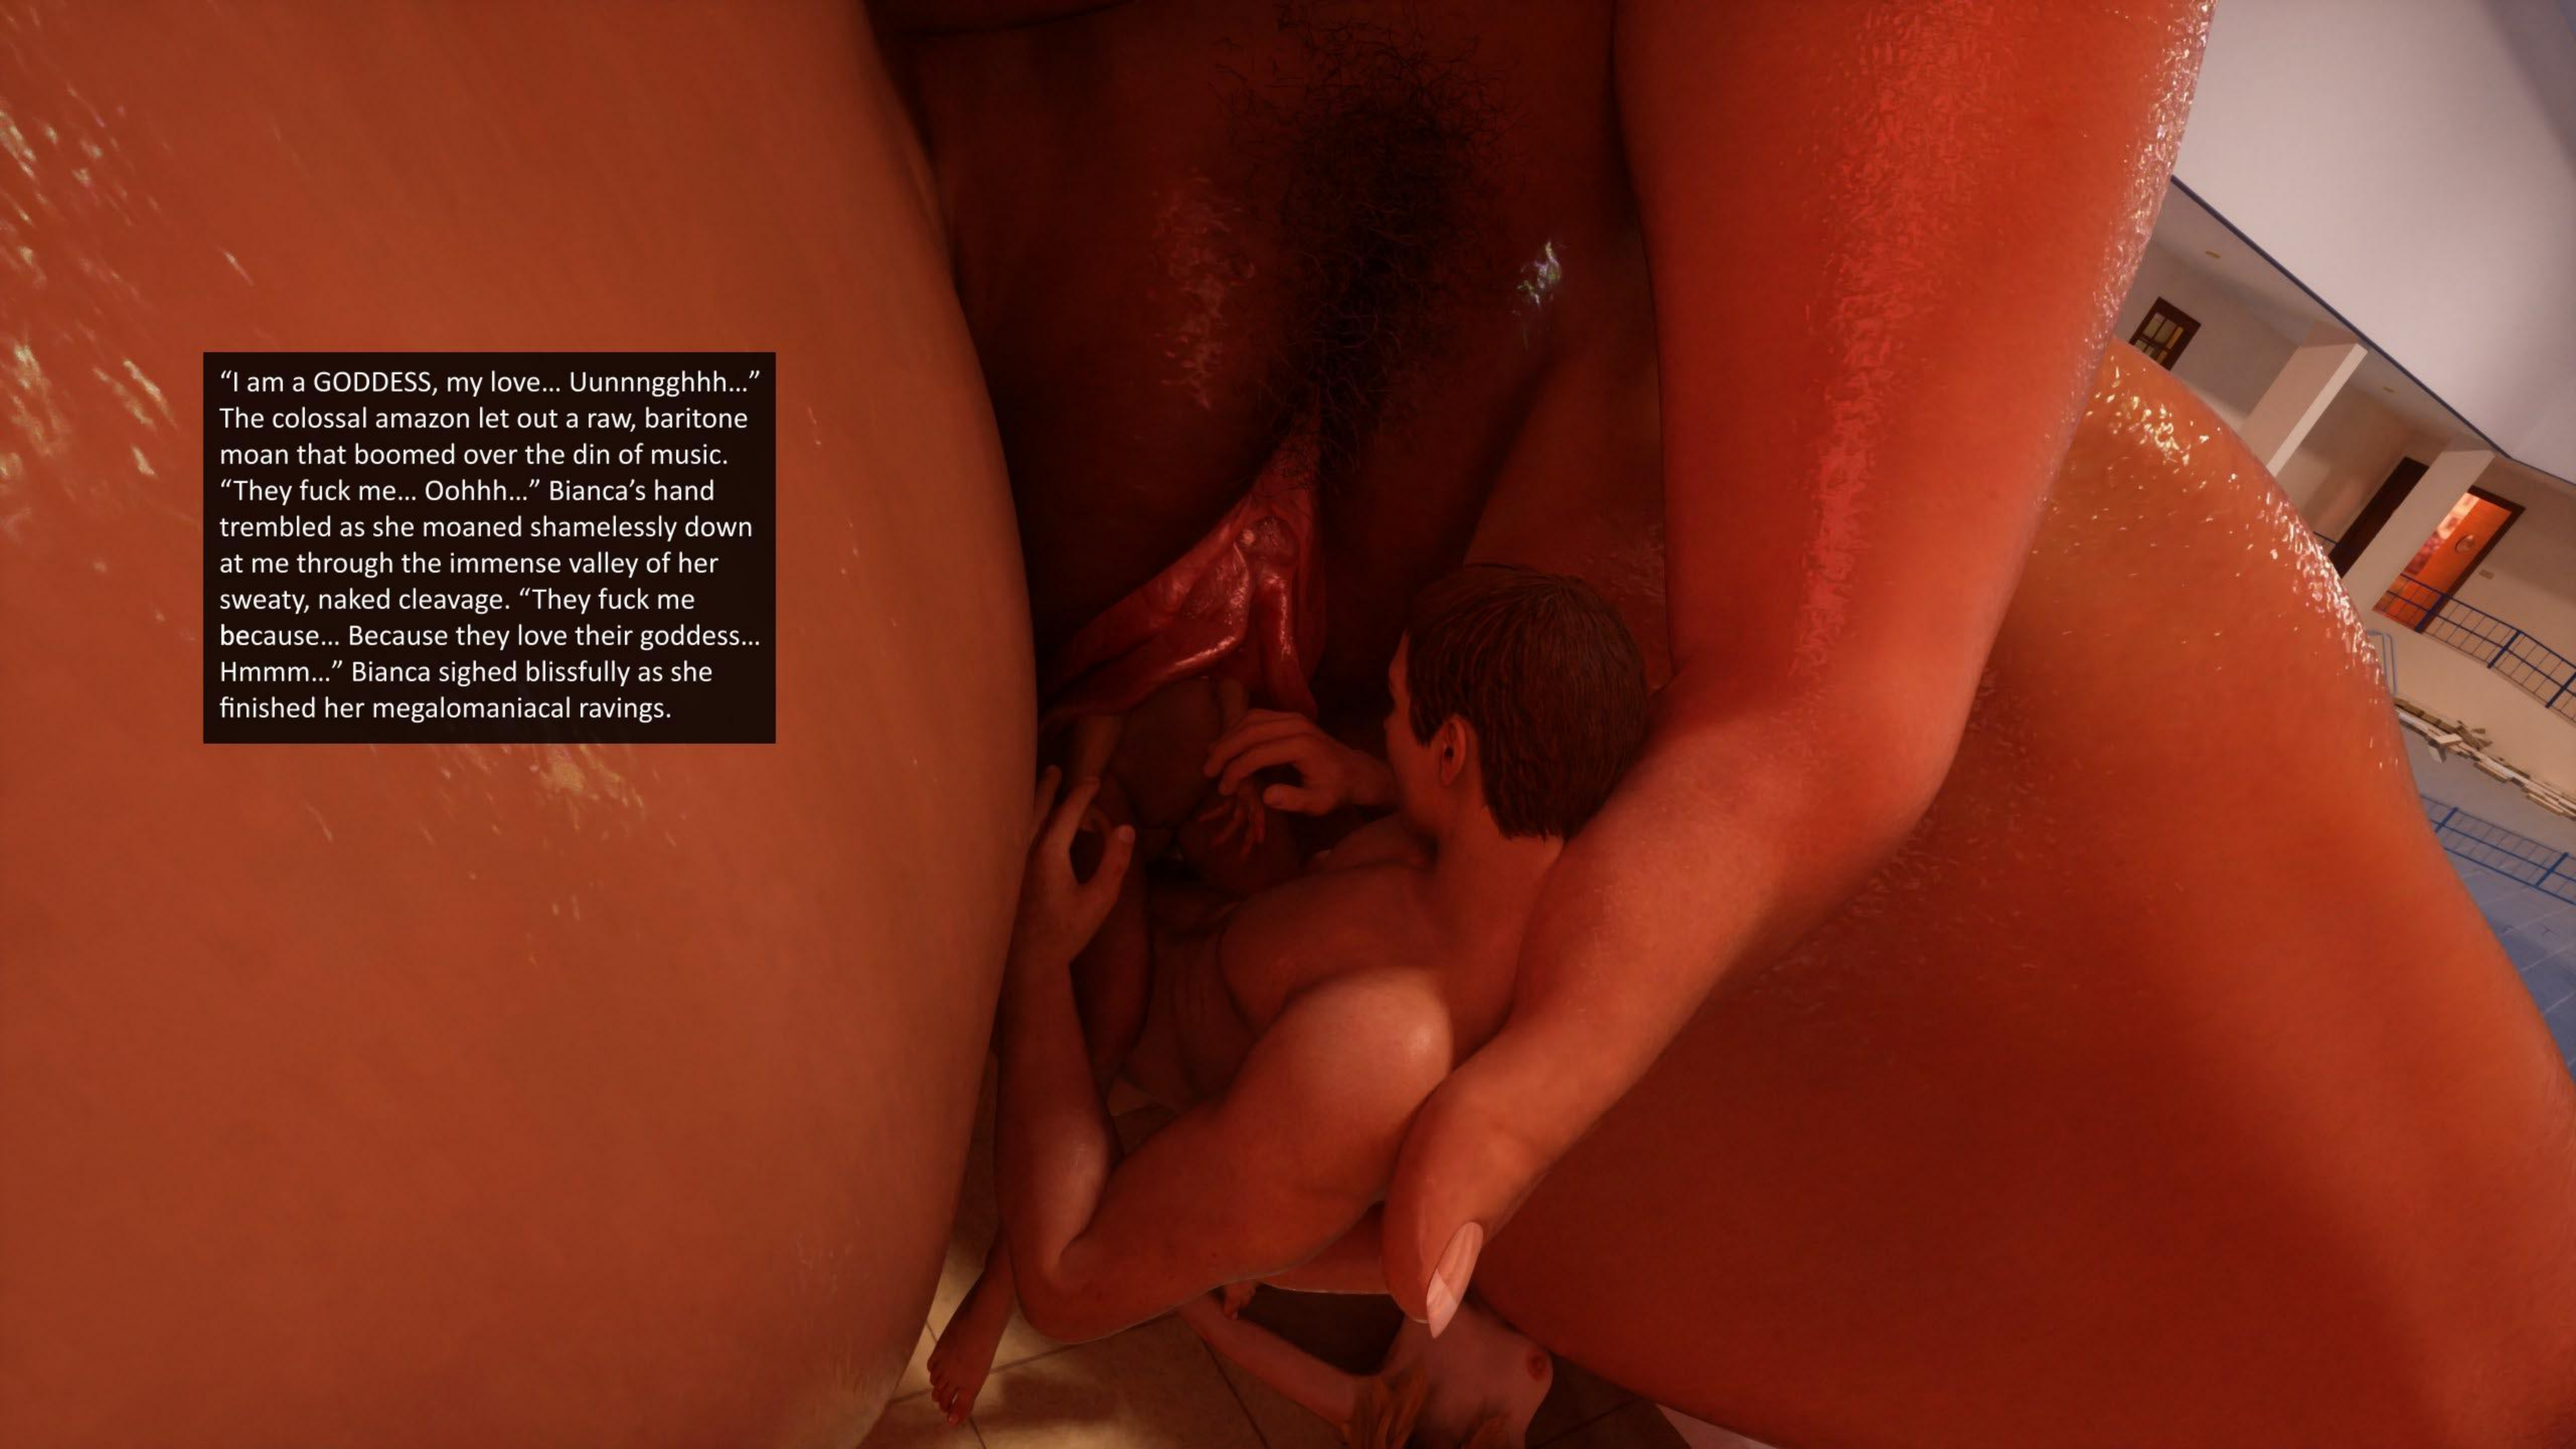

Sensing movement below, Bianca caught my eye and parted her gorgeous, plush lips. Her mouth was being twisted between imperious dominance and helpless, insatiable arousal. My titanic lover twitched and whimpered as another involuntary convulsion shook her enormous genitals. I moaned in tortured surprise as Chloe's form was sucked another foot or two up into Bianca's immense cunt, pulling me along by my huge, throbbing cock.

Bianca’s legs thrashed about wildly as she neared orgasm. As her feet pulled back, her huge, meaty thighs lifted off the ground, only to slam back into the petite blonde seconds later.

I thrashed about as I found myself lifted up into that glorious space between a giantess' legs. My strong, muscled arms thudded uselessly into Bianca's thick, gleaming thighs to no effect. Somehow, with my mind still reeling amidst an ocean of hormones and helpless arousal I found my words. "Get out…" I moaned dejectedly. Waves of pleasure wracked my massively engorged cock as Chloe squirmed desperately against her situation. It was too late for her, but I had to try and reach the rest of the girls. "Run away…" I growled through my teeth. "Uunngh… Save yourselves…"

As I pleaded with my fellow captives I gradually realized that the girls would not be so easily convinced. Bianca must have sensed this as well, and she let out a triumphant, full-bellied laugh. “Haha… Oh, Lee…” The gigantic, horny latina released Chloe with her hand. A loud, ominous slurping sound signaled to me that the colossal cunt had her firmly in its muscular grip. “No one is leaving here until they have fucked me... Hah…” Bianca tormented me with her confirmation of the obvious as she stretched out her giant, meaty hand to grasp me.

Powerful, cum-slick fingers encircled my body as the giant sex-crazed maniac chided me further. “How can you still not understand… OOOooohhh…” Bianca’s torment was interrupted by another gut-wrenching wave of contraction. Chloe was buried that much further within the giantess’ thick, womanly meat curtains. “Ooohhh, Lee…” Bianca bucked on her hip bones again, causing further damage to the tiled floor and eliciting yelps from the young women trapped perilously beneath her vast bulk.

“I am a GODDESS, my love… Uunnngghhh…” The colossal amazon let out a raw, baritone moan that boomed over the din of music. “They fuck me… Oohhh…” Bianca’s hand trembled as she moaned shamelessly down at me through the immense valley of her sweaty, naked cleavage. “They fuck me because… Because they love their goddess… Hmmm…” Bianca sighed blissfully as she finished her megalomaniacal ravings.

With sickening ease, my titanic goddess of a lover pressed me tenderly into herself. Bianca let out a cry of delight that rattled the lightning fixtures far above me. Chloe's cute, slender legs thrashed plaintively as her body gradually dwindled away amidst the massive, vascular slabs of pussy flesh buffeting her from every angle. Her lower body began convulsing, and I went wide-eyed with the realization that she might herself be climaxing… That or she was literally drowning in the hot surges of Bianca's bountiful, womanly cum... I gulped and decided that it was probably a bit of both.

Bianca let out a stupified groan as the puny little woman was easily engulfed by her vast, throbbing cave. She shifted on her megalithic ass and leaned over the immense rondure of her wobbling bust. I could only see her eyes, but that was enough to communicate everything I needed to know. “Lee…” the huge, horny amazon whimpered. I couldn’t rip my gaze away from the intensity of her glassy, aroused stare. “I am tired to fight you…” Bianca winced as a sinister wave of muscular contraction rocked her puffed-up cunt. “Fill me, Lee… UNNNGH…”

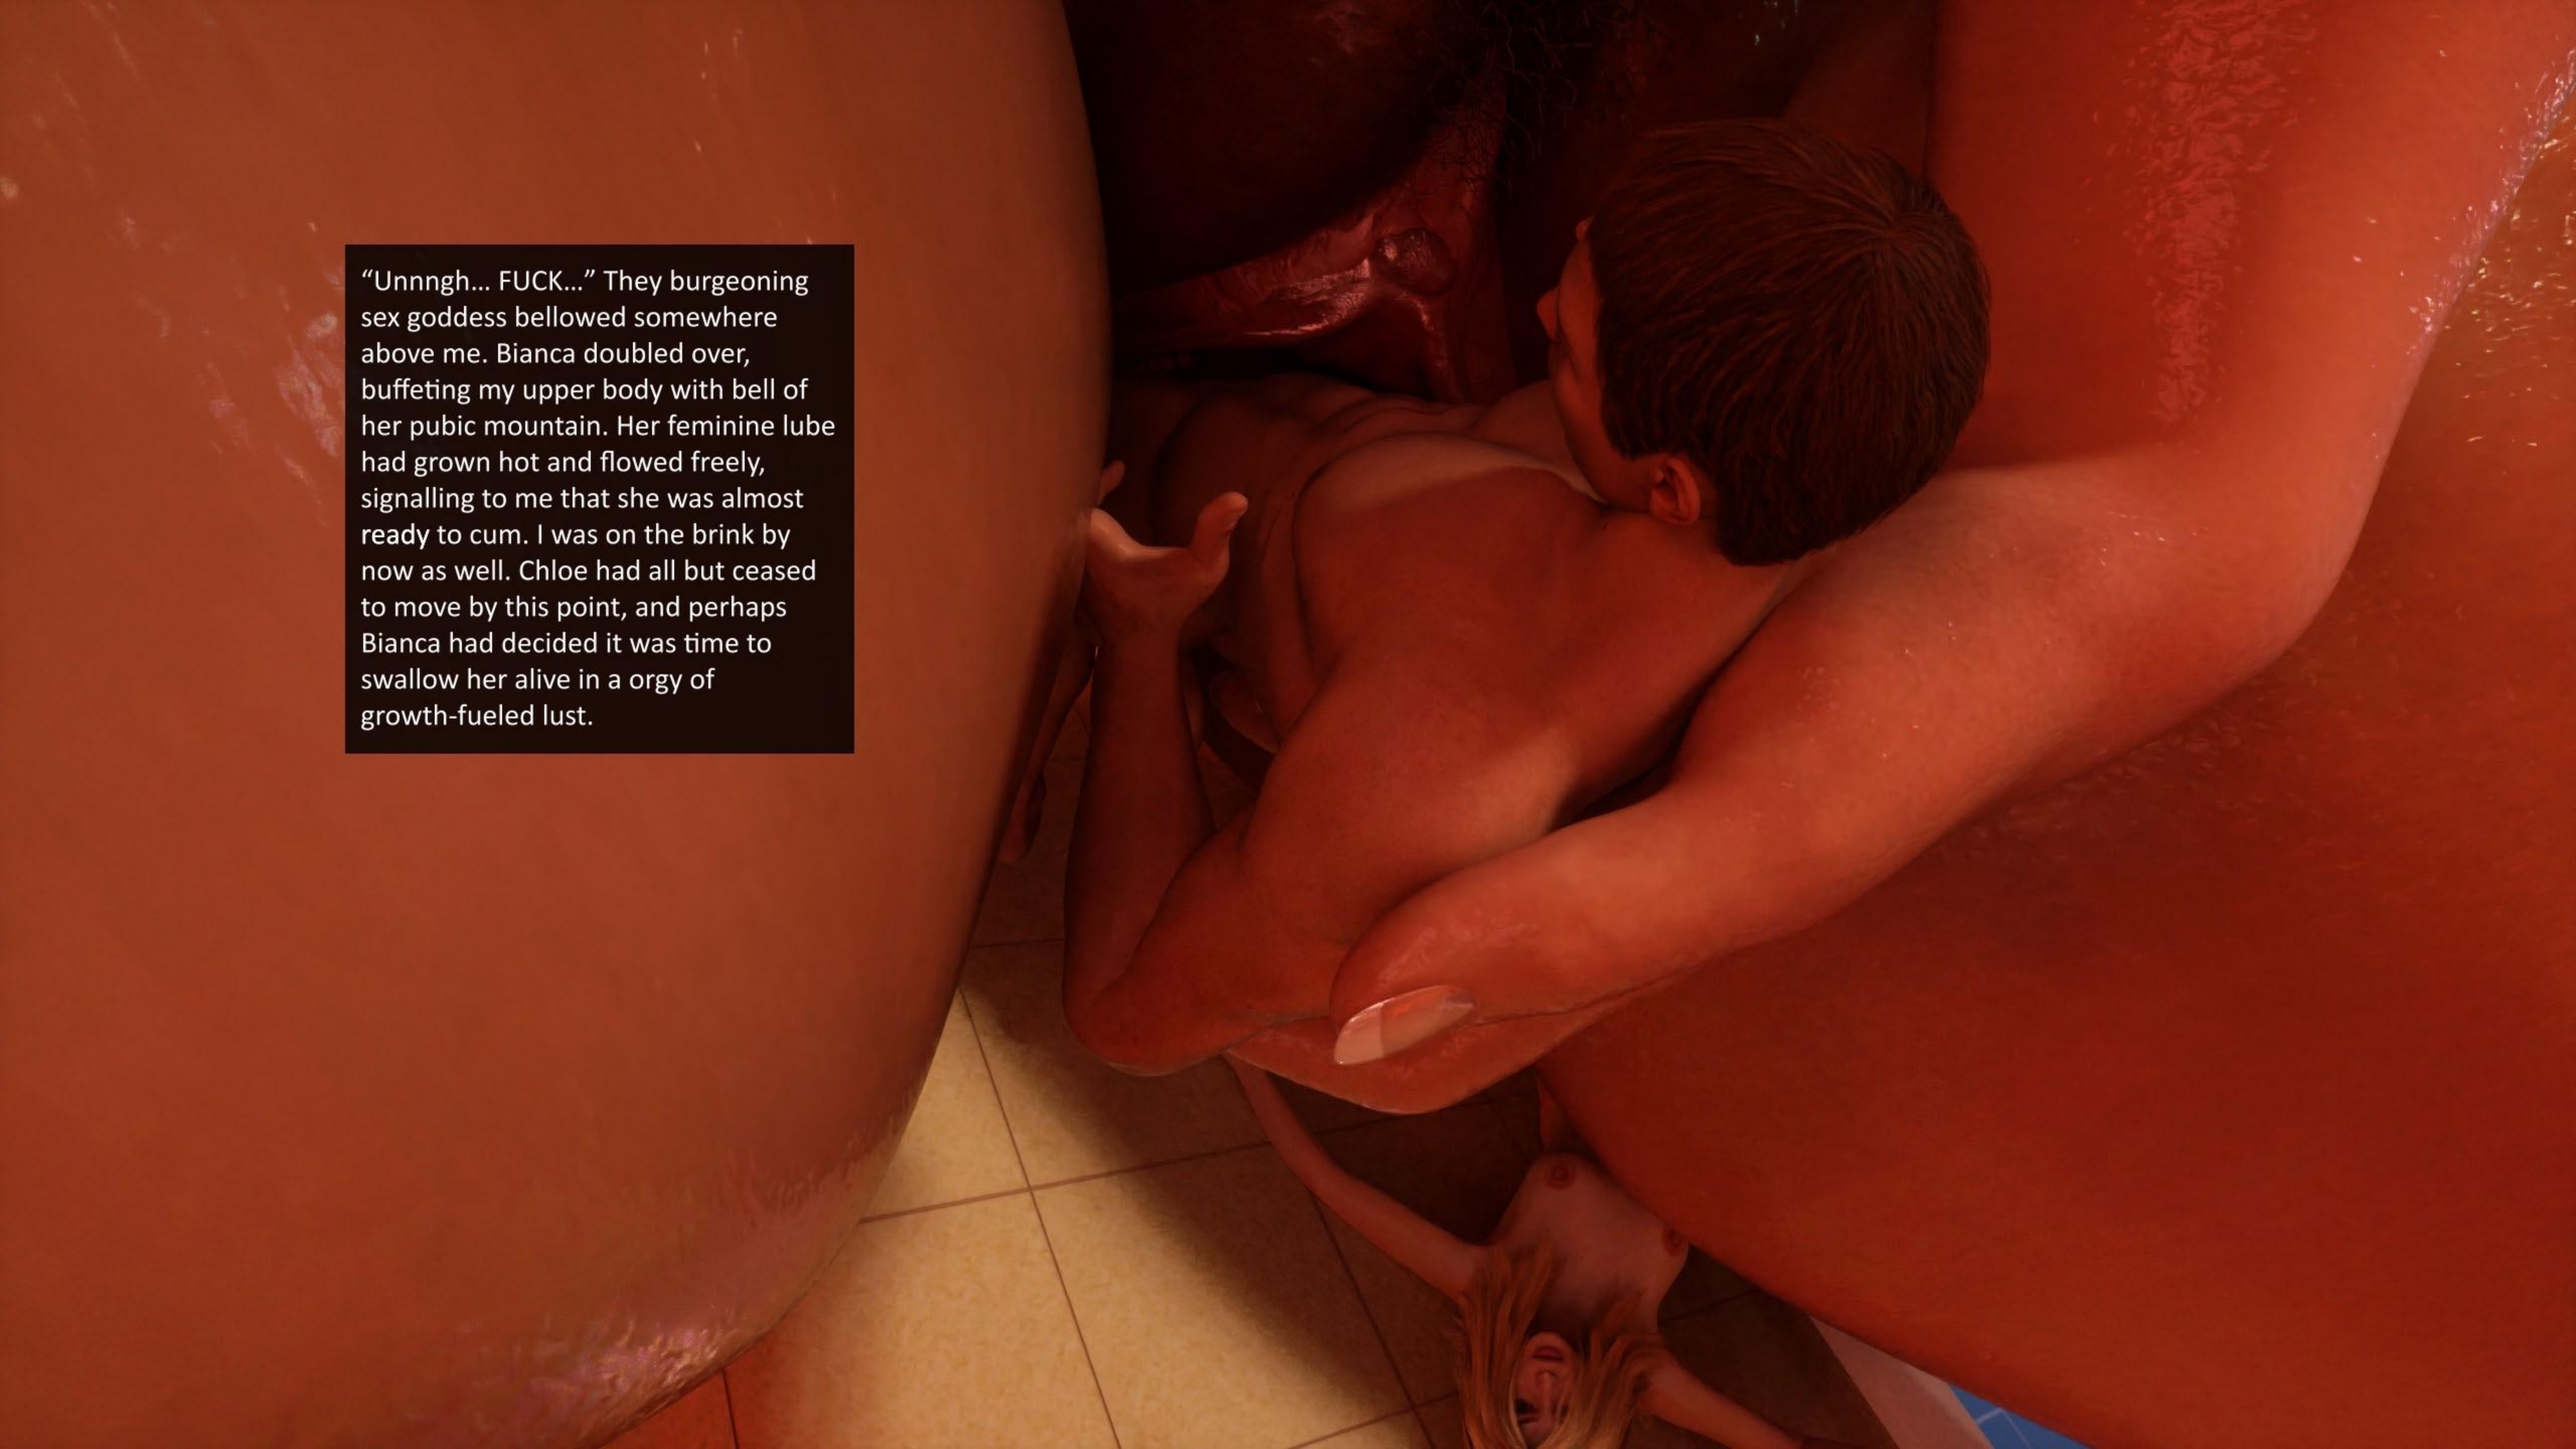

My entire world rumbled as Bianca squirmed in elation at the height of her own conquest. “Fill me with your CUM… OOooohhh…” My humongous, naked captor commanded with a roar. With a heated, primal grunt, Bianca punctuated her demand, pumping Chloe’s helpless body in and out of her giant, muscular cunt. Chloe flinched and began squirming in abject panic once more. Bianca let out a savage snarl and shoved the pathetic little woman in again.

Bianca growled in arousal, repositioning herself to lift her massive bulk a little higher off the ground. With a grunt of satisfaction she shifted to a more ideal position, amidst the clamoring protests of the women still trapped beneath her impressive girth. The huge, horny latina picked up right where she left off, slowly and menacingly pumping Chloe in and out of her gigantic, yawning pussy as it noisily slobbered cum over all of us.

I clutched at Chloe's flailing limbs as she was steamrolled through Bianca's love folds. Over and over she was thrust mercilessly into Bianca's steamy fuck monster as she gradually worked herself into a frenzy. I tried to engage my core, to maintain some body rigidity. Whether this was born out of a desire to help Chloe, or just a natural reaction to my own panic, I could hardly tell.

It quickly became apparent that I had little control over what was happening. In fact, I realized with a defeated moan that I had absolutely no control. I let my body go limp and surrendered myself to feverish pace of Bianca's colossal, meaty hand. Her gargantuan cunt hood had swollen up in response to the tactile stimulation and by this time Chloe was disappearing completely between thrusts.

“Unnngh… FUCK…” They burgeoning sex goddess bellowed somewhere above me. Bianca doubled over, buffeting my upper body with bell of her pubic mountain. Her feminine lube had grown hot and flowed freely, signalling to me that she was almost ready to cum. I was on the brink by now as well. Chloe had all but ceased to move by this point, and perhaps Bianca had decided it was time to swallow her alive in a orgy of growth-fueled lust.

“Oh, Lee… Fucking fill me… FILL ME!” Bianca seethed through, tipping her head back as she convulsed in waves of pleasure. She thrust me punishingly into her, keeping me pinned up against her massive, vascular pussy lips while she lifted and mashed poor Chloe up against the underside of her gigantic clit. I felt my huge prostate swell up phenomenally. My gourd-like testicles twitched in anticipation. Bianca felt it as well and she growled in delight as her own orgasm overtook her.

Panting like an animal in heat, the huge, horny amazon shifted her titanic upper body suddenly, without warning. I was pressed ungracefully into the right side of Bianca's immense, quivering fuck folds. I cried out in strangled surprise as my gigantic lover grasped desperately for something else to escalate her frenzied pursuit of sexual gratification.

Completely overtaken with savage, primal instinct, Bianca growled like a giant monster in an old B-movie. She fought back her impending orgasm, delaying her passion for long enough to find another victim, and by the way she was moving I guessed it was the partier trapped beneath her enormous right thigh. The great, lumbering woman grunted at the inconvenience of her own gargantuan bulk as roughly wrapped her sausage fingers around the helpless woman beneath her.

For my part, I could longer fight my own sexual arousal. I groaned hugely as my tortured manhood began pumping hot wads of cum into Chloe's little pussy. Each mind-bending wave spurted a good cup or so of thick, gooey cream into the much smaller woman, instantly filling her small inner space past its capacity to hold my spunk. I tipped my head back in agony and nearly passed out at the spectacle happening high above me.

I moaned in weak protest as I witnessed Bianca pluck one of her diminutive captives, another cute brunette. The giant, horny latina wasted no time, pressing her helpless victim sensually against her fat, lovely lips. The brunette screeched in terror at her rough handling, but Bianca moaned wildly, drowning out the protests as she reached her own impressive climax. The beautiful brunette's cries were cut short as the giantess massive tongue came writhing up to meet her puny, unprotected face and upper body.

“UUUNNGGHH… Uhhhnnn… Mmmpphh…” Bianca moaned, abandoning all sense of her own dignity as she plunged the brunette into her mouth, stuffing her into that slick, warm darkness. My gigantic captor continued her primal, sexual vocalizations like a pig at a trough, sending cascading waves of sound and reverberation through the entire pool hall. Meanwhile, the woman’s tiny legs thrashed about wildly, and I gritted my teeth as thick, sticky cum continued to surge out of my massively-endowed prick.

I gasped in overstimulation and disbelief as Bianca tipped her head back. Bianca's gorgeous, brown eyes went wide, and I guess maybe she didn't even fully realize what she was about to do in the heat of her enormous passion. I felt her mammoth cunt lips surge and churn all around me, pulling Chloe further into her sex. A wave of hot, fragrant cum engulfed me from that great, heaving love tunnel, and I heard a sickening crunch as Bianca's muscular vagina began to close shut like a vise.

“HHhhmmm… Uhhmmpph….
HHUUMMMMPHH…” Bianca whined hysterically as she orgasmed. Overwhelmed by the stimulation her gargantuan cunt was receiving, and revelling in the sadistic pleasure of crushing a woman to death and swallowing her whole was clearly driving the sex-crazed goddess over the brink of insanity. Bianca pressed her empty hand up against the ceiling of the pool hall, causing the roof timbers to groan and bits of plaster paint chips to rain down. I was scrambling violently to escape her grasp as my cock sputtered, nearing the end of my explosive ejaculation.

Bianca was just getting started however. With a deafening, heated sigh, my giantess lover relaxed her throat, causing her gorge to swell mightily. With terrifying ease, her tiny, helpless captive slid down into the back of Bianca's throat. In moments, only her feet emerged, fully restrained but still thrashing uselessly.

With a sickening gulp Bianca forced her captive, still wriggling and fully conscious into the muscular, dark tunnel of her esophagus. The huge, horny latina's legs wobbled beneath her as she fought to ride out the plateau of her earth-shaking passion. She mashed my face greedily around her huge, throbbing clit as her gargantuan cunt muscles wrapped and churned the twisted remains of what used to be Chloe into oblivion, absorbing both women into her burgeoning girth simultaneously.

What truly terrified me though, was not that Bianca had devoured two women alive and whole- I had already witnessed her do this, to my horror. What caused my heart to flutter and my eyes to bulge was the knowledge of what would happen to Bianca as she got what she was truly after… The secret to her growth, her ascension into goddesshood…

“Mmmpphh… Lee…” Bianca gulped, finally finding her voice. “You FILL me with your CUM…”
Like a dump truck lurching into gear, I heard a low groan as many tons of flesh and bone bega grinding against tiles and plaster. She was GROWING again…

Explosions of agonizing pleasure wracked my mind as Bianca continued to thrust my softening manhood inside of her. She screamed in pleasure as she eagerly mashed my face against her clit.

I succumbed entirely to the horny goddess' demonstration of raw sexual power. Utterly spent, I slumped exhausted into the writhing mass of hot wet cunt that surrounded me, slowly spreading and engulfing my face, my softening cock… my whole body and existence…

Bianca trembled, breathing in short irregular bursts that sounded a bit like laughter. Clearly the sensation of her gargantuan body slowly filling and overtaking the space aroused her to no end.

Bianca plunged me mercilessly into her beefy, plush cunt curtains and held me there, showing signs of exhaustion herself. Finally free of the tortuous overstimulation of having my cock worked over began to abate. And STILL the titanic woman grew...

I could hear the widespread destruction of the flooring below as Bianca’s colossal bulk slowly sank into a crater of its own making. The remaining women below me writhed and moaned in sympathetic ecstasy.

“Huungghh… OOOoooohhh… Meu deus, Lee…” Bianca moaned passionately as her mammoth pussy walls began to slacken around me. Her voice was already noticeably deeper as her huge vocal chords packed on even more length and mass.

Finally, I sensed Bianca’s last wave of sexual pleasure subside and I could no longer hear the sound of her growing, titanic body grinding into the floor. I thought for sure she would be satisfied at last, at least for the moment. I looked up into my gigantic lover's face and my mouth went dry. A fire of heated arousal burned in Bianca’s eyes as she glared imperiously down at my semi-erect cock. “NO…” she barked, sensing my desire to rest. The burgeoning goddess gave out a grunt of consternation and simply ordered. “More… Urrngh… Fuck me MORE!”

Bianca leaned back her enormous body and roughly dropped me to the ground. I yelped as I fell several feet and struck the tiled floor hard enough to feel it splinter and break beneath my own weight. I coughed as I inhaled a breath full of plaster dust, but was otherwise unharmed. Had I grown along with Bianca? God she was huge now… Her pussy hung down savagely from the bell of her gorgeous, gleaming pudendum. Drooling thin, shiny trails of warm cum, it seemed eager to devour even more victims.

Bianca stretched her magnificent body backward. She glowered haughtily far above and quickly moved her huge hand to her gigantic cunt. With sinister slowness she massaged her giant, noisy beef curtains, fingering herself in the blissful afterburn of her earth-shattering orgasm. I sat up to rise, to yell at Bianca, or to escape… I don't know. But before I could do anything. I was immediately accosted by the tiny, naked blond as she crawled out from beneath Bianca's incredible bulk, seemingly unharmed.

Abandoning all sense of self-preservation, the beautiful naked girl crept forward, eyes fixating on the bulging end of my enormous prick. She eagerly wrapped her lips around softball-sized tip, apparently ignoring the fresh image of her friend Chloe being eaten alive by a vagina twice her size for doing just the same thing. Under the the hood of Bianca's humongous, slobbering cunt, the diminutive woman began to work her tongue maddenly over my giant manhood.

“Hmmhmm… oh YES, my dear…” Bianca giggled in arousal as she masturbated, keeping her slitted eyes fixated amorously on the action going on between her magnificently thick thighs. Responding to the tantalizing attention that I was receiving, my cock bulged outwards again, like a firehose filling up with pressure. As the cute little blond suckled at my massive knob, the other girl- a bikini-clad brunette with straight hair pushed up against my muscly thigh and began planting delicate kisses on that erogenous skin. I groaned in protest, but I think either nobody heard me or nobody cared.

I felt dizzy, and found there was a ringing sensation in my ears that muted the sounds around me. The temperature in the pool had skyrocketed. After all, Bianca was now a big girl in a little room, and her body was radiating so much heat and moisture I could almost see the halo of light refracting around her statuesque curves. My head swam with hormones and for a second, a guiltless wave of satisfaction passed over my mind. I found myself reaching out to grasp my little lover's beautiful blond curls. The music playing over the speakers was lost over the crescendo of the ringing noise in my ears. My heart began pounding with excitement, and I felt like I was moving through a sexy, wet dream.

I tilted my head back and sighed deeply as the little naked blond serviced my huge, swollen meat. I blinked rapidly, trying to stay focused on escaping, but I found it hard to feel anything but intoxicating, incapacitating pleasure. I glanced up idly to spy Bianca watching me with curious intensity, almost like she was concentrating while her enormous fingers played upon her giant, yawning cunt lips. She grinned slyly, almost mockingly as I gaped up at her billboard face. It was becoming harder and harder for me to resist her goddess-like sexual powers, and she knew it.

“Ooohhh yesss… Love me… Love your goddess… Hmmm…” Bianca whined dramatically. The gorgeous, naked amazon leaned back and spread her legs a little wider. “Service me…” She ordered. Bianca closed her eyes and her lips trembled as she conducted her insane fantasy. A corner of her beautiful mouth twisted up in a joyous sneer as she seemed to sense the bikini-clad brunette’s attention shift away from me.

The little woman fearlessly rose to her feet and eagerly approached Bianca's gloriously swollen womanhood. The great hooded beast of a pussy puckered noisily while conspicuous globs of fragrant, feminine nectar oozed to the tiled floor. Bianca sensed the pathetic sex slave's closeness and obligingly spread her puffy cunt lips with her immense fingers.

The doll-sized girl proceeded to do exactly what Bianca had commanded. She gingerly placed her hands upon the giantess' massive clit and pressed her forearms into the upper region of Bianca's fat, juicy labia. The huge, horny latina howled in delight as her fantasy continued to blossom in all its depraved glory. Slowly, sensually, the brunette began massaging that magnificent fuck cave, stoking a slow and passionate fire in Bianca's loins.

“Ooohhh… MMmmmm…” Bianca groaned, biting her enormous, plush lips as she squirmed under the mounting pressure of her own arousal. “Unnggh… You s-see, Lee?” The gargantuan naked beauty teased, struggling with her words as she rode waves of sensual bliss. “I can have them… Ooohhhh… Yessss… I can do what I want.” Bianca stretched out her immense leg causing waves of pool water to splash over the sides.

“I want her to pleasure… to pleasure m-me, OOOooohhh… Meu deus…” Bianca moaned through her own sex-crazed monologue, making it hard to tell if she was actually trying to convince me or just role-playing further into her fantasy. She gently pressed the brunette into her monstrously engorged pussy lips, eliciting a soft, plaintive moan from her tiny captive. “MMMmmm… I think she wants to pleasure me too… Haha… UUUnnnnghh…” Bianca raved, seemingly losing touch with reality.

The attention my humongous penis was receiving was maddening, and I suddenly realized I was on the verge of blowing another white hot load of growth-fueling jizz. Perhaps sensing this as well, Bianca reached down with her massive, meaty hand, casting a shadow over me and the cute blond chick as she continued to blow my huge veiny member for all she was worth.

Bianca possessively snatched up my little lover and continued her insane proselytization. “I can do whatever… Uuuhhhh…” she groaned happily at her own mounting arousal. “Mmmm… w-whatever I want, Lee…” The gorgeous, naked amazon lifted her tiny captive effortlessly. The girl sighed and groped at my huge, swollen manhood as she was plucked away. “I f-forgive you to not understand… Unnnghh…” The giantess grunted as her colossal pussy surged in an involuntary spasm.

Bianca raised the little woman past her sweaty gargantuan breasts, up to her massive face. The tiny blond beauty squirmed slightly, perhaps in fear. Bianca paused, holding the woman still, bathing her in hot, humid breath. Somehow that closeness seemed to calm her little captive, and Bianca used her other hand to gently brush a stray lock of beautiful blond hair out of the woman's face.

Moving slowly, clearly relishing her complete domination of this utterly puny human being in her possession, Bianca gently folded the blond into her hands with surprising affection and intimacy. “I can… Huh, uhhh... “ Bianca panted shamelessly right into her face. “I can crush you right now… Or I can swallow you, my little love…” The horny titaness murmured as her gigantic cunt twitched in excitement. The blond woman didn’t seem to react at all. She was also breathing rapidly, and leaning eagerly towards her enormous captor. “Uuunngh… Fuuuck…” Bianca moaned lustfully. “I want to… Hmmm… I want to taste your little pussy…”

Without waiting for a reply, my mountain of a lover transferred her tiny captive to her right hand, inverting her puny little body and propping her up against her gargantuan left breast. Bianca gingerly wrapped her giant lips around the girl's insignificant leg, effortlessly engulfing her up to the mid-thigh. Bianca's free hand went south and massaged her hungry, drooling pussy as I braced for the inevitable end of yet another woman, swallowed whole in the satisfaction of the horny goddess' unrelenting sexual hunger.

However, true to her word, Bianca proceeded to relax her immense jaw muscles, sending a wave of hormone-laced breath downwards. Her massive tongue slithered south, up the blond woman's exposed inner thigh. The huge, hory latina moaned loudly through her captive's entire body as she tasted the pussy of her living toy. "Aaahhh… Hmmm… Aaahhaahh…" Bianca's lusty moans deteriorated into a haughty self-satisfied giggle.

Bianca slitted her huge amorous eyes, stifling her laughter. She drew her giant tongue back into her mouth and gulped- a hair-raising reminder of what had just happened to another one of Chloe's expendable friends. The heavily aroused latina's jaw sagged again and she flared her nostrils, intrigued at the taste of the brunette's tiny, wet snatch. With an enormous sigh of satisfaction, Bianca dipped her head and plowed her tongue back into the puny woman's crotch, eagerly exploring every erogenous nook and cranny.

I rose to my feet in a haze. I was utterly fixated on what was happening to Bianca, both before me and high above me. She seemed to be distracted for the moment, enthusiastically directing her growth-infused orgy fantasy. The huge, horny giantess was moaning at a tremendous volume and had slammed her eyes shut as she focused on the stimulation her gargantuan cunt was receiving. It would have been the perfect time to escape. Somewhere in the back of my mind, the impulse to leave was going off like an air raid siren, but…

But what…?
I focused my eyes on the beautiful little brunette in front of me. My vision swam under a mind-wracking swirl of hormones and partial oxygen deprivation as the room filled with Bianca's godly sexual aura. The tiny woman's ass stretched tight against the white designer material of her bikini bottom, appearing so inviting and pleasurable to my senses. I couldn't think straight. I wanted to make love to that sweet piece of ass on the one hand. On the other hand, something terrible and dark, perhaps a side-effect of my growth-enhanced body wanted me to dominate it, to destroy…

I spread my legs wide, hunkering low as I awkwardly positioned my bulging cock between the brunette's legs. She was so engrossed in her fondling and massaging of Bianca's gigantic cunt lips that I don't think she realized I was there. With a quick, powerful gesture I ripped her bikini bottom off, grunting in arousal as I tossed it aside. The brunette gasped and bent her knees. She pitched forward, simultaneously brushing her face up against Bianca's monstrously oversized clit and bumping into my giant, fleshy rod with her firm little ass.

Bianca must have sensed the commotion below, and with a groan of approval she spread her legs a little wider to accommodate my larger, muscular form. She was still chowing down on the blond woman's pussy with greedy abandon, giggling pleasurably between heated, primal moans. Like a kid with a toy, the enormous burgeoning amazon grabbed me with her powerful, meaty hand.

I growled in surprise as I was plucked effortlessly backwards into the huge, sweaty fist. Bianca groaned in consternation, almost like she didn't know what to do with me now that she was holding me aloft between her titanic, naked thighs. I felt a chill run up my spine as I sensed my gigantic lover seize upon an inspiration, and suddenly I was pitched forward and began rushing back towards that fridge-sized vagina.

With perfect, brutal accuracy Bianca plunged me dick first into the brunette. I gasped in shock at the stimulation as I heard a terrifying sound of wet skin on wet skin. Pleasure exploded through my rock hard prick, and the pretty brunette gasped as my glans, roughly the size of a softball plowed mercilessly into her tight little pussy.

I could only imagine what the scene might look like to some stunned onlooker. Surely they'd be unable to believe their eyes as they watched Bianca pleasure herself with three people at once. The enormous woman tried to satisfy every desire, every craving that she had at once, and no matter how extravagent her attempts to satisfy herself were, she always found them lacking.

With deliberate slowness, Bianca raised my lover and me steadily up bast her huge beefy gut and colossal, heaving breasts. The tiny blond chick that Bianca was blowing looked like she'd just run a marathon, breasts dangling comically upside down with her whole body drenched in sweat and saliva. My own little lover wriggled pathetically as the upward force of Bianca's motion pushed my giant cock up further into her, filling her puny vagina entirely with mostly just the head of my massive, swollen prick.

Bianca plucked the blond chick out of her mouth with a wet smack and fixed her gorgeous brown eyes on mine. A look of sneering triumph crossed her immense, board face as I continued to rise, hauling up my little brown-haired beauty by the cunt. “You see, Lee?” Bianca thundered excitedly. “I can do whatever I wish… Haha…” The gigantic sex-crazed Latina laughed mockingly. “YOU can have whatever you want, my little Lee…”

Hot, humid breath washed over me in a gale as Bianca snickered straight into my face with deliberate boorishness. She continued her insane speech in a heated, aroused whisper, “You will FUCK her Lee… You will FUCK me…” I couldn’t even bring myself to cry out as Bianca’s immense, muscular tongue slithered out and swept luridly across the brunette’s face. The tiny woman opened her mouth as if to scream in terror, but her jaw simply hung open dumbly, just as mine was doing. I guess Bianca had just become so huge, so loud, and so confidently domineering that she had effectively taken over speaking for all of us.

My world went dark as the giant, horny slut plunged the both of us into the dark, yawning cavern of Bianca's mouth. My face was buried in an instant in that monstrous, vascular tongue. A rough, disorienting sensation of back-and-forth motion rocked my helpless lover and me as Bianca began sucking hungrily on our upper bodies, licking as she went. Pleasurable moans thundered through us as the giantess worked us over passionately. My giant, engorged dick pressed greedily up against the little brunette's belly from the inside, and I felt sure like I might blow my load right then and there.

Trapped in the darkness of Bianca's cavernous mouth, I focused all my energy on holding back my orgasm. If I came now… Well, there was no room in the brunette's pussy for a gallon of hot spunk, so for all I knew it might just come blasting up through her ribcage, destroying her internal organs like a giant, veiny firehose. Through sheer force of will, I was able to back away from the edge, to my great relief. Bianca seemed to sense this, and she quickly plucked the two of us out from her velvety hot mouth. I gasped in a much-needed breath of air as the horny amazon glowered conspiratorially at me through slitty eyes.

Bianca lowered me south, back to the awesome triangle of hot, erogenous flesh between her gargantuan thighs and massive, protrusive cunt mound. Determined to get her way, Bianca huffed down between the valley of her immense cleavage, “You save yourself for me, my lush, beautiful man…” Bianca’s tone was cold with a soft edge of totally self-confident playfulness. “You must really love me… Haha…” She teased as she plunged her two captives headfirst into her magnificently swollen womanhood.

“Unngh…” The enormous, horny amazon grunted as our heads made contact with her immense beef curtains. “My man wants to fuck only me and fill me with his cum… Haha… Uuughhh…” Bianca groaned in inconvenience as she fumbled at her colossal pussy lips. Her own attempts at spready herself open to receive us were proving ineffective which seemed to piss off the voluptuous, naked goddess. A low, rumbling growl boomed from her giant throat as she shifted around in perplexity. Bianca’s own incredible girth- everything from her massive swooping breasts to her comically inflated ass and thighs were preventing her from seeing what she was doing.

Bianca shoved us awkwardly into herself, and I got the sense we weren't quite going down the right path through her many humongous labial folds. My partner and I were pressed roughly into the yielding walls of Bianca's inner labia, and I suddenly squirmed in involuntary panic as a many confusing sensations of movement, force, and luscious wet friction surrounded us.

As the mammoth woman shifted awkwardly in a crater of her own making, she seemed to lose a bit of her focus, a bit of her cool. I don't know how it happened, or how it worked, but it seemed as though for a moment her spell of sexual enthrallment was broken. My adrenaline kicked back in, and I began thrashing, adding to Bianca's difficulty as she roughly mashed our heads about her giant, sopping fuck cave. My dick softened slightly, allowing the cute little brunette I was inside of to wriggle more freely as well. I realized in a spiteful epiphany that I was GLAD Bianca couldn't swallow us both with her gargantuan cunt. I didn't want to help her grow… I wanted to STOP her, if that was possible…

Suddenly we were ripped out of Bianca's gigantic pussy with a wet smack. I yelped in pain as Bianca squeezed into my ribcage. Her huge hand trembled and I looked up in dismay to realize that she was glaring straight at us, as angry as I'd ever seen her. "ENOUGH!" She yelled deafeningly. Everyone froze as the huge, horny latina leaned backwards, parting her legs and tipping up her pelvis. Bianca grinned wickedly as her humongous cunt yawned open widely, causing shiny, drooling strands of cum to be exposed deep within her immense womanly depths. "You cannot escape Lee…" The giantess sneered, panting dramatically in anticipation. "You will fuck me NOW…" She commanded, adding, "And this time…"

“You will FILL me…”
Bianca whined blissfully as she slid us into herself with terrifying ease, “Oooohhh, Ooooohoohoo…” Her gargantuan cunt lips pressed in from all sides, forming a tight seal around our bodies, and my mind went into full panic as I felt myself sucked downward and inward.

Darkness surrounded me as I sputtered in the gigantic latina's fragrant lubricant. Bianca's great yawning fuck cave was roomier than I thought, but breathing was still a struggle. Giant curtains of hot, muscly cunt flesh engulfed us once more, and this time I knew for sure we had entered this giant woman's enormous vaginal canal proper.

Bianca mashed her two captives wickedly into herself, savoring the sensation of devouring two humans with her huge, unbridled pussy. “Oohhh, Lee…” She moaned in sexual elation. “Fuck me… FILL me, Oooohhh…” The horny giantess voice dropped to a low growl. “Just fucking make LOVE to me, my sweet, luscious man… Uuurrrgh…”

Bianca grunted and writhed in consternation. I felt her enormous, muscular cunt lips wrap around my upper body, seeking to swallow me and engulf me entirely. I almost got the sense that Bianca's powerful, trembling fingers were maybe the only thing that was holding us up near the mouth of the cave as she clumsily rammed us about her sprawling inner labia.

I was roughly jostled as Bianca shifted position again. Being buried in hot, quivering cunt lips the size of a couch was disorienting, but I could sense with a sort of extracorporeal proprioception that Bianca was kicking out her legs and bringing blondie back up to her huge, gorgeous face.

And just like that, Bianca, the sex-hungry goddess, my own giantess lover, was feasting upon another buffet of helpless fuck slaves. She practically purred with delight as she shoved the puny blond woman back into her mouth, licking her tiny feet.

As Bianca thrusted us in an out of her like a dildo, I caught glimpses of her doing the same to the blonde... sucking on her like she was giving a blowjob, but with a full-grown woman in place of a cock. From the way Bianca suckled on her, it was hard to tell if Bianca's hunger or lust was more powerful in that moment.

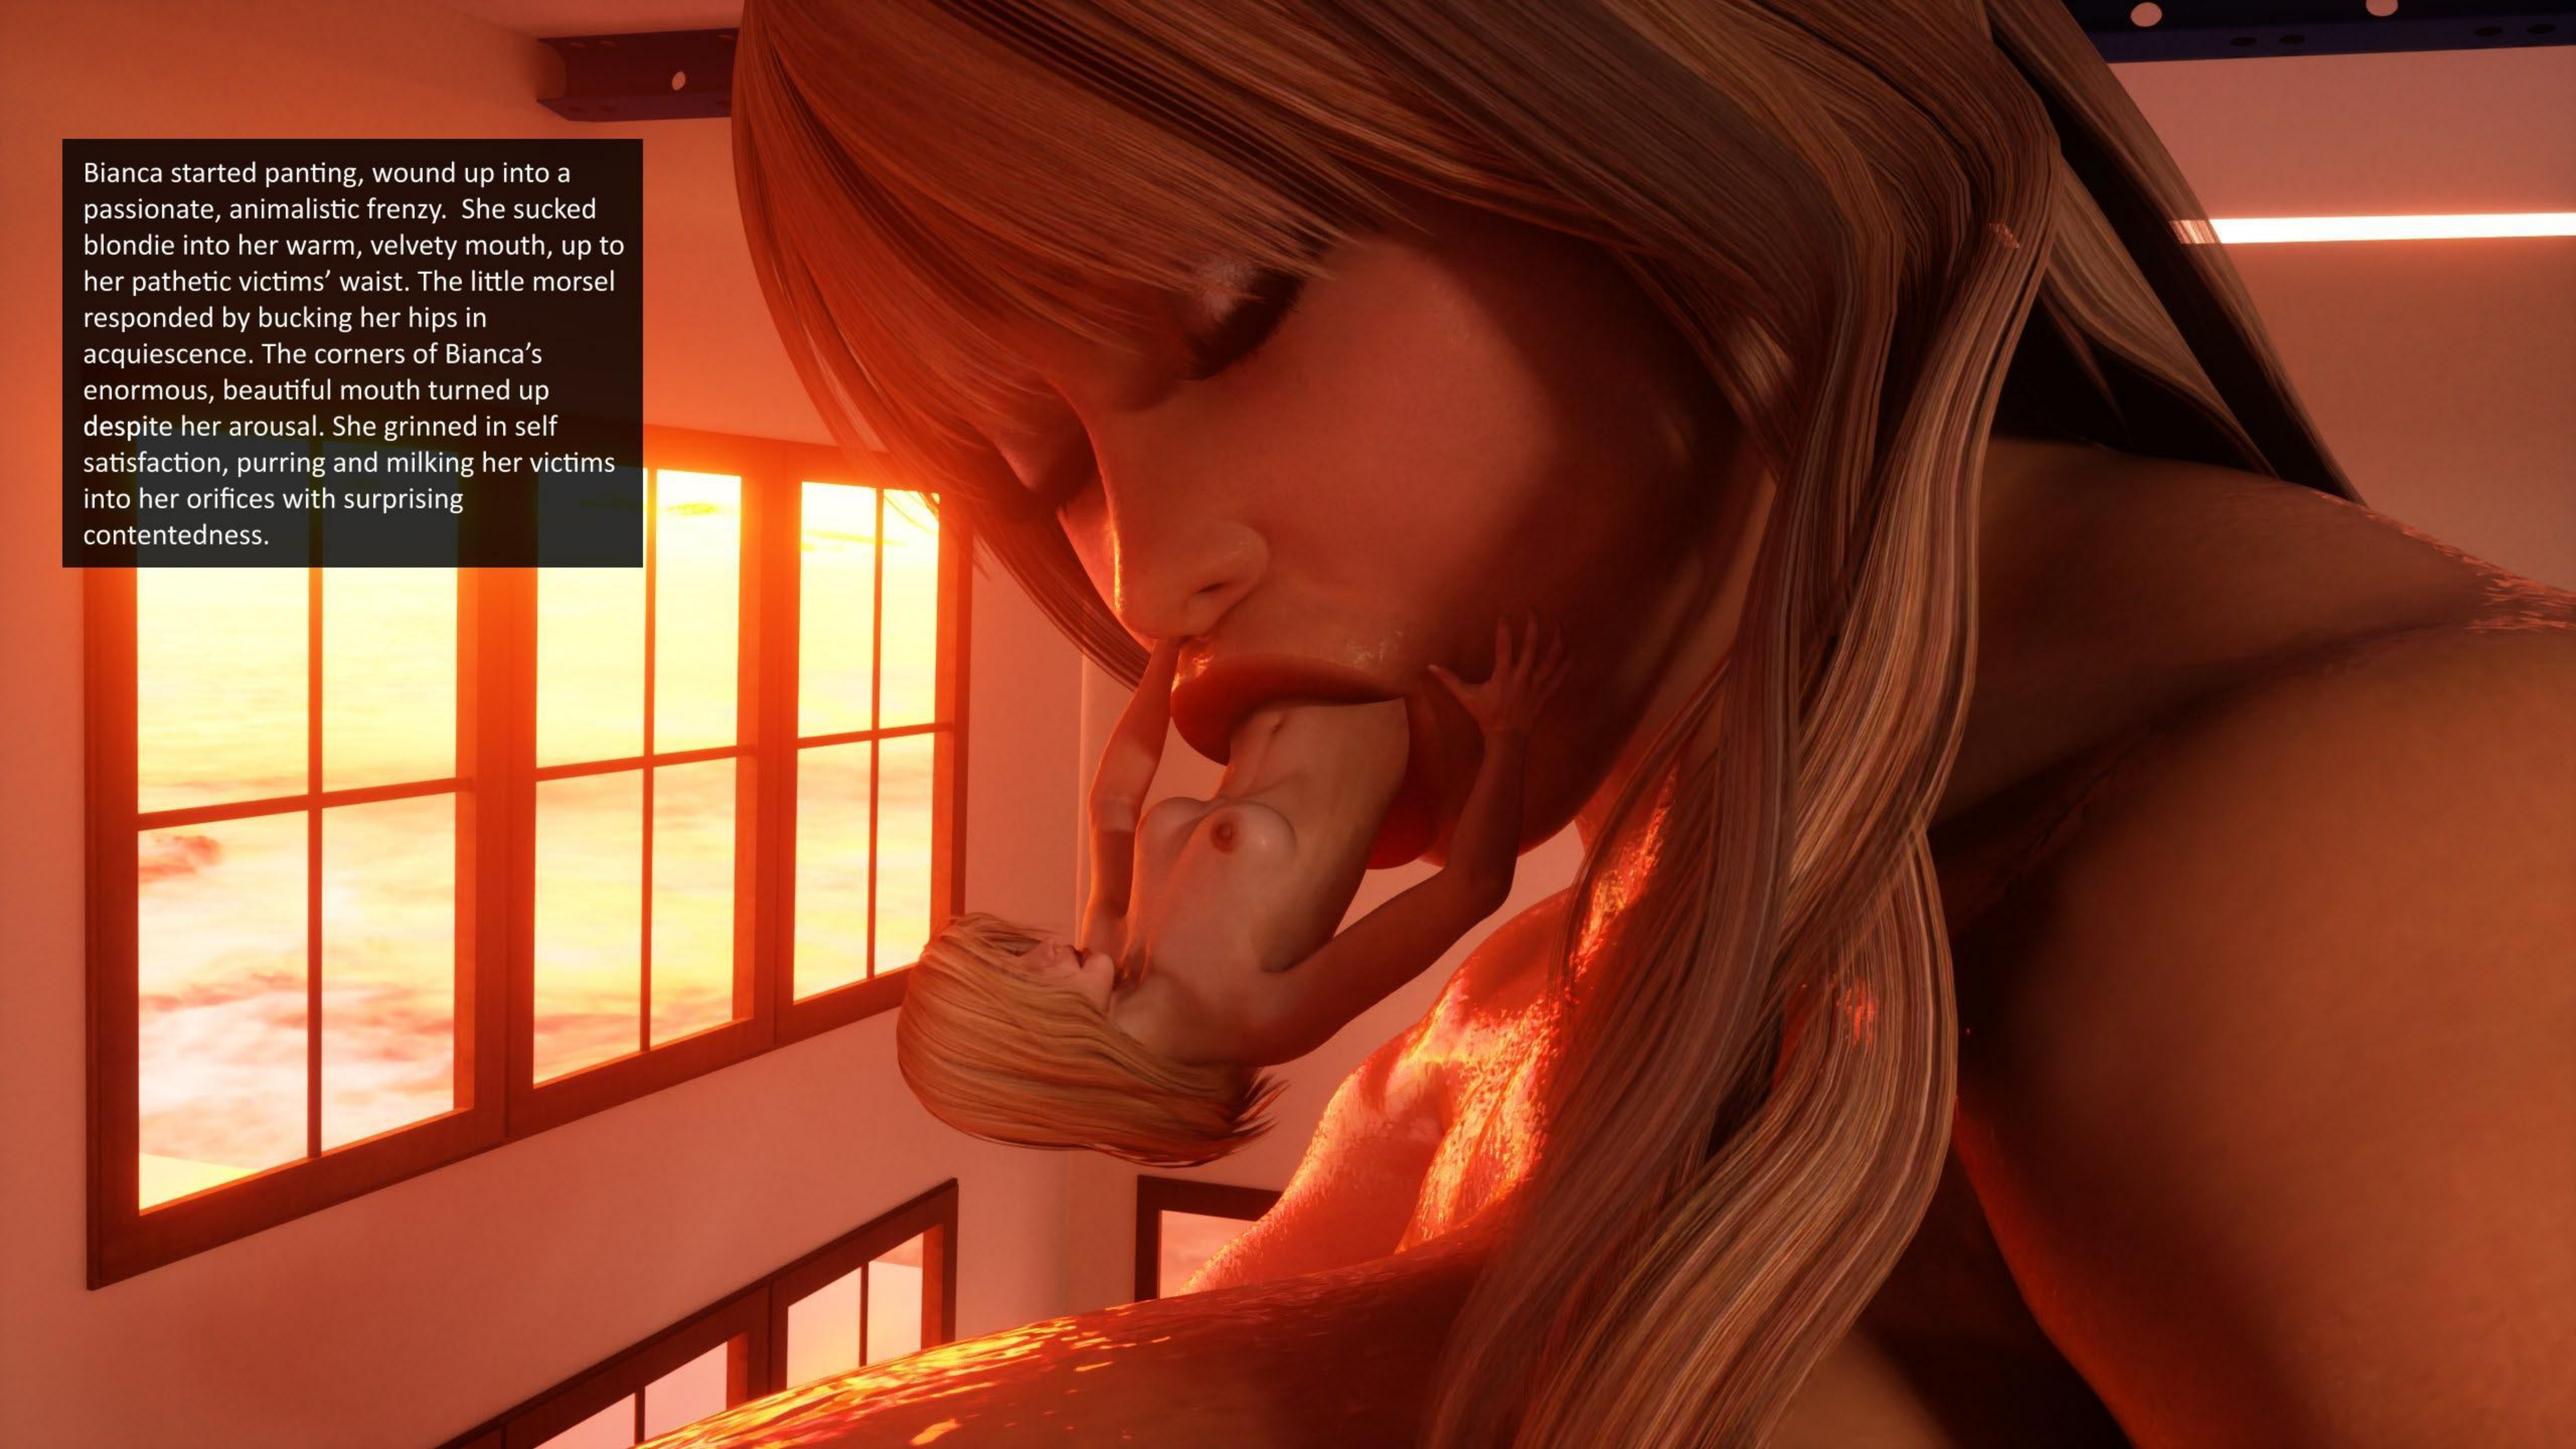

“Uuunngh…. MMmmmpph…” Bianca groaned salaciously, causing glass panes to rattle in the windows of the pool. She snaked her huge, sinewy tongue out past her lovely fat lips and loaded the blond woman’s lower body with thick, odorous saliva.

Bianca’s helpless captive writhed in agonizing delight at the attention her thighs and cunt were receiving, apparently oblivious to the dangers of having sex with a giantess of Bianca’s considerable size and appetite. The colossal, horny woman dumped blondie unceremoniously onto her mammoth left tit. The gigantic, jiggling mammary easily balanced and supported her insignificant weight, causing nothing but a little indent in the hot, sweaty flesh. With her tongue curving deftly around, Bianca eagerly suckled at the blonde’s exposed cunt.

Even as Bianca licked the blonde's pussy, she couldn't help but suck her deeper into her mouth. Her hunger was so pervasive, so overriding that it rivaled even her endless lust.

With a primal moan of satisfaction, Bianca leaned back. She spread her huge, sausage-like fingers on the ruined tile behind her, balancing herself with a grunt. Properly positioned, the gargantuan, horny woman proceeded to pummel two people into her cunt with full abandon. The tiny brunette and I were smeared tantalizingly over every wrinkle and crevice of Bianca's lucious fuck folds.The temperature in the room quickly skyrocketed as I found myself once again a pawn in this woman's insane sexual game.

All of a sudden, the gigantic, wobbling fuck cave surged around me. It felt like I was being sucked headfirst into Bianca's writhing, muscular vaginal barrel. In fact, I realized her love tunnel was actually pushing OUT… Bianca's insatiable pussy had a mind of its own and all it wanted was to engulf me with its warm, wet darkness. Somewhere above, I heard an earth-rattling moan and the giant fingers that held me slipped, having grown sticky with fragrant womanly lubricant.

Bianca started panting, wound up into a passionate, animalistic frenzy. She sucked blondie into her warm, velvety mouth, up to her pathetic victims' waist. The little morsel responded by bucking her hips in acquiescence. The corners of Bianca's enormous, beautiful mouth turned up despite her arousal. She grinned in self satisfaction, purring and milking her victims into her orifices with surprising contentedness.

I was struggling violently to escape Bianca's powerful cunt. My dick was still mostly buried in the little brunette's tight pussy, and once again I had grown rock hard in response to the heightened sexuality of the situation. I was able to make a little headway, but Bianca seemed to sense my efforts.

She moaned in elation at my efforts, seemingly pleased by me taking the initiative to pleasure her, despite my intentions. The gigantic, horny latina pressed her massive palm up against our thrashing legs, pinning me hopelessly up under the hood of her immense fuck cave. I wasn't going anywhere.

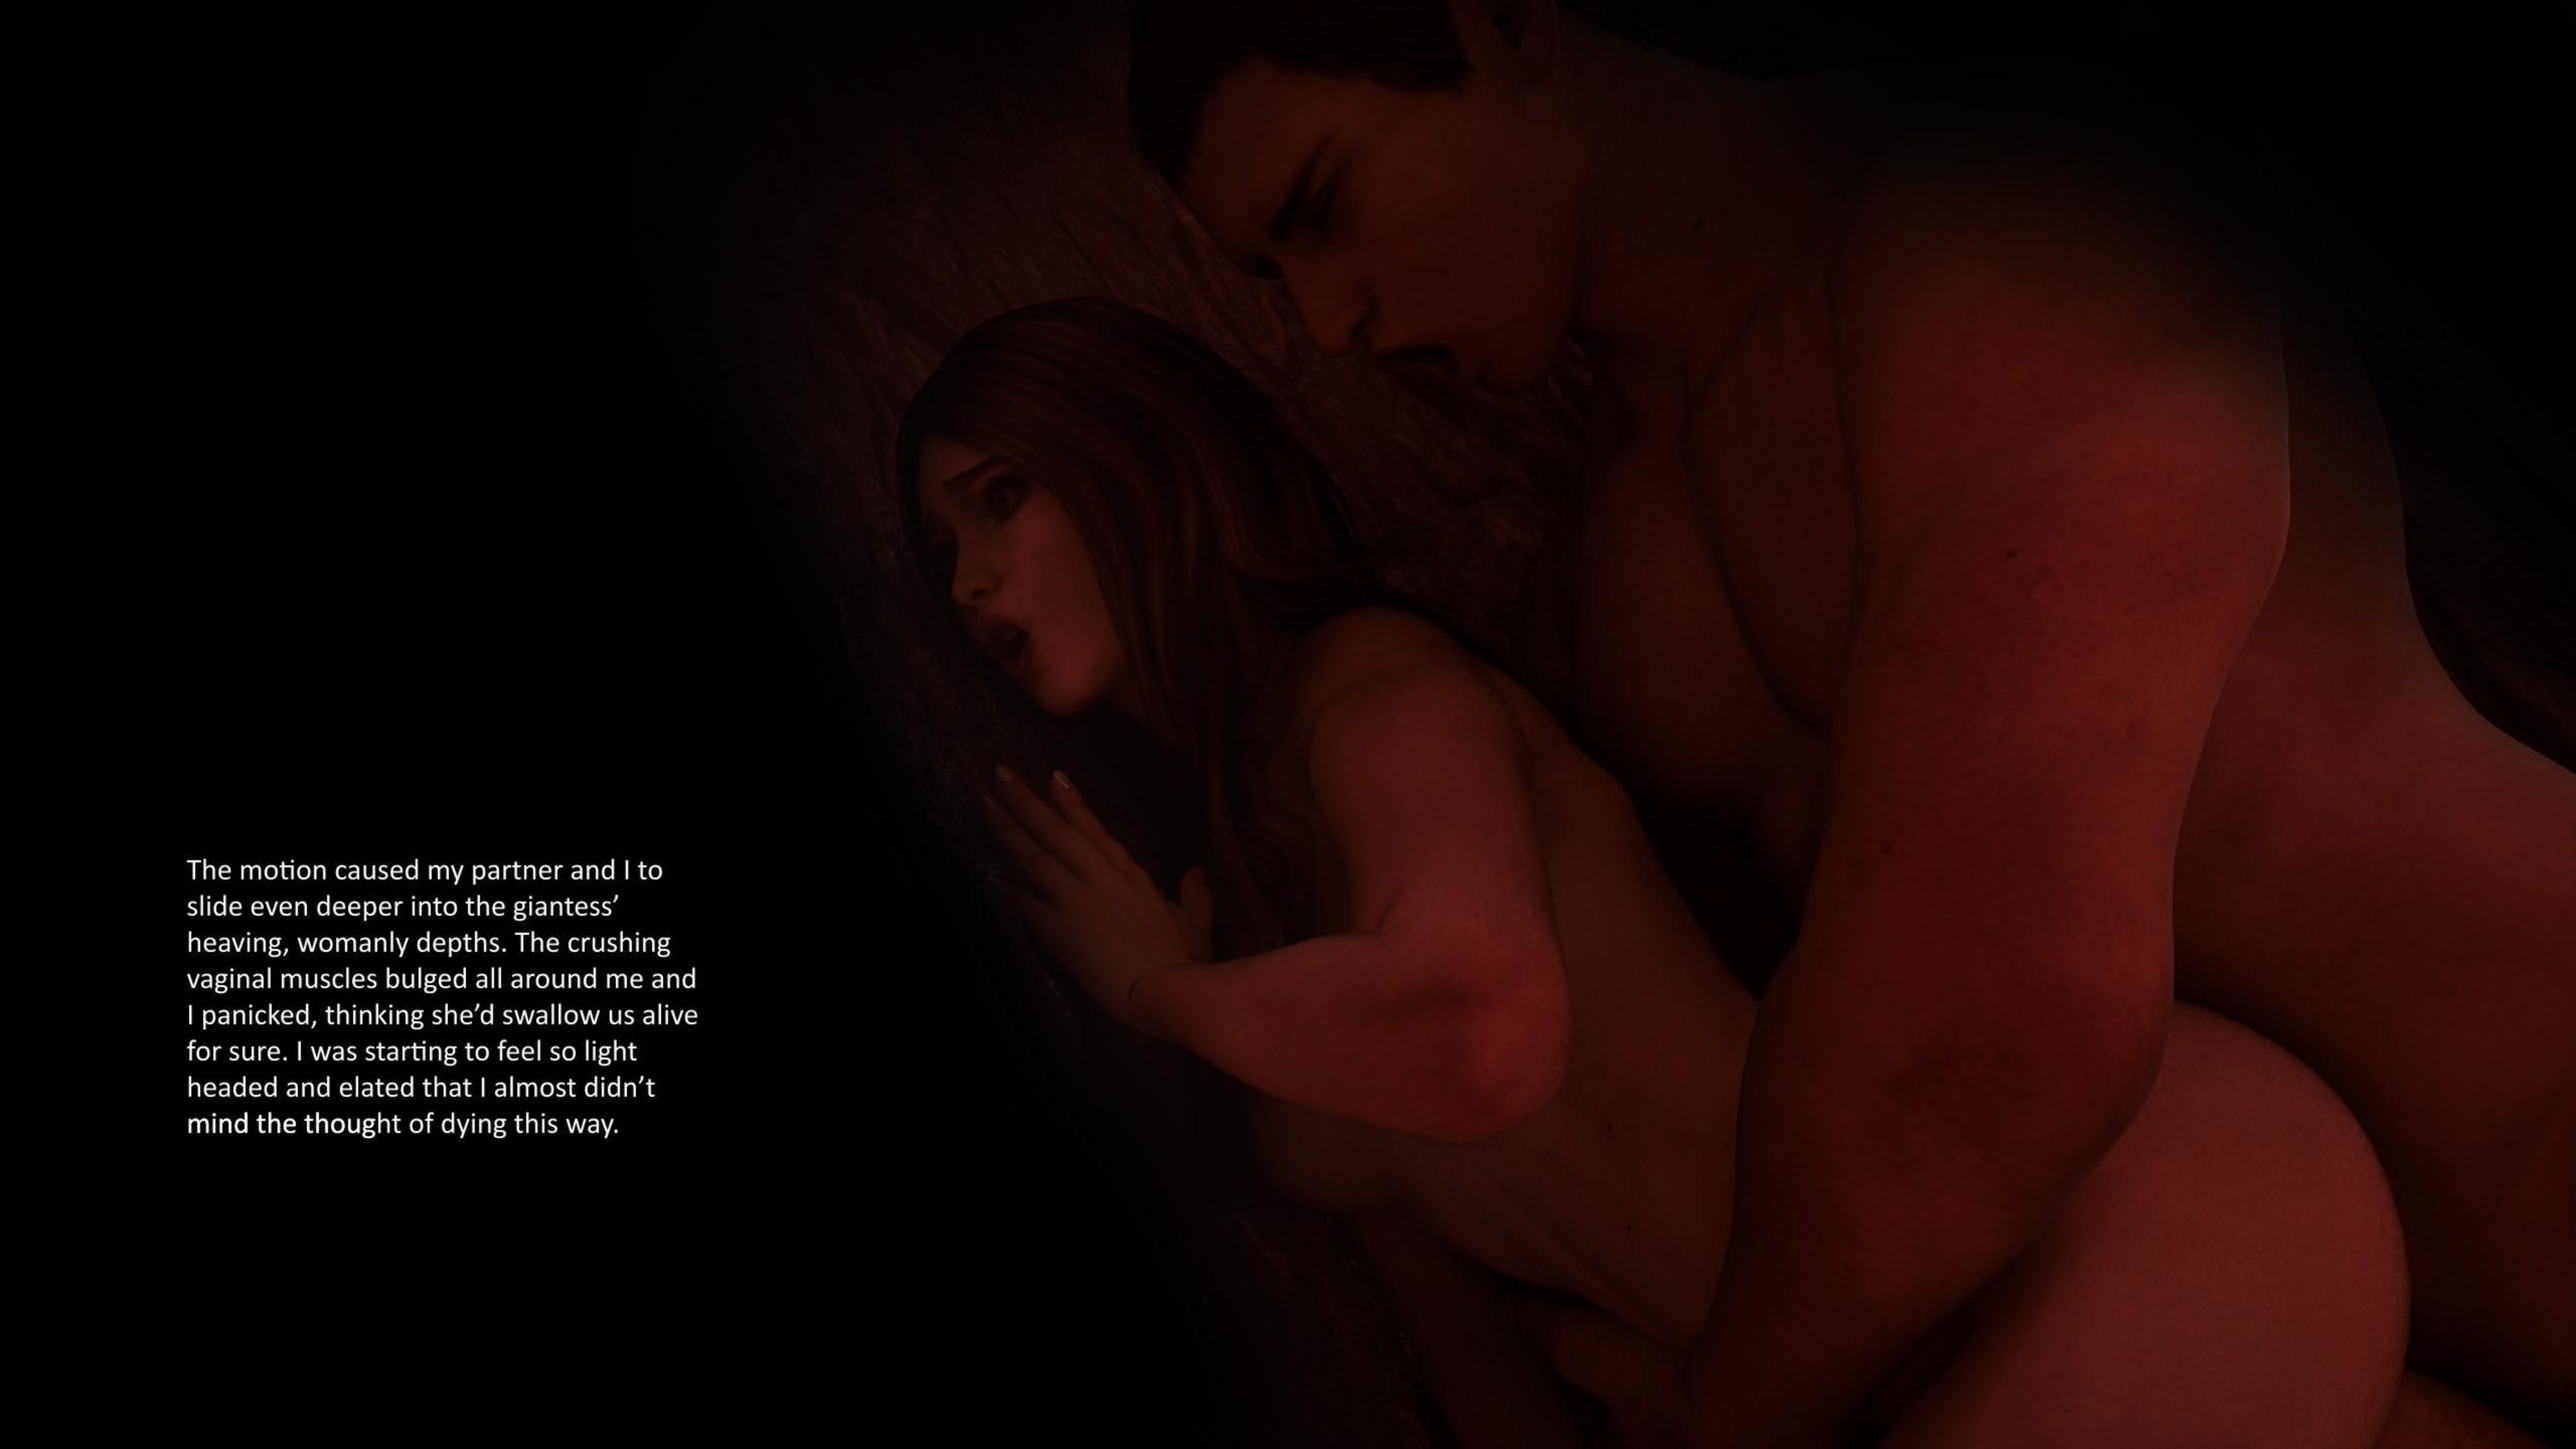

I paused my efforts at escape, trembling quietly while the vast mountain of a woman quaked with blissful, orgasmic convulsions all around me. Trying to conserve the little air I had to breathe in this confined space might have very well been key to my short term survival, so I decided enough was enough. I grimaced unseen within Bianca's cavernous vaginal barrel and softly resigned myself to her designs. Bianca gets what she wants, I realized… No point in suffocating over it.

As I gradually fell still, once again, Bianca seemed to take note of my plight. Something seemed to change in the energy she was giving off. The gorgeous, burgeoning goddess closed her eyes and gave a tremendous sigh. Despite her unyielding horniness, she took her time, enjoying the surrender of her favorite captive.

This shift in demeanor quickly spread to my little brunette partner. She too ceased her terrified struggle, and in a moment she was pressing into my body, kissing me passionately and squeezing my gigantic cock between her slender thighs. I groaned in arousal, as endorphins flooded my brain in response to her attention.

I wondered if Bianca was even aware of what was happening inside of her at that moment. Were her senses delicate enough to tell what we were doing inside of her dripping-wet pussy? Or was the ecstasy so overwhelming for her that the sensations blended together, with one mini-orgasm blending into another? I had no way of knowing, but either way it must have been absolutely overwhelming for her.

The motion caused my partner and I to slide even deeper into the giantess' heaving, womanly depths. The crushing vaginal muscles bulged all around me and I panicked, thinking she'd swallow us alive for sure. I was starting to feel so light headed and elated that I almost didn't mind the thought of dying this way.

Bianca tipped her head back ponderously. With a deep, satisfied exhale, she lowered her immense weight to the ground, letting her upper body crash down into the mess of tiles and plaster with about as much grace as you'd expect. She flexed her goliath buttocks, spreading her sequoia-like thighs apart.

However, it was not to be. Bianca whimpered and purred, gently writhing on her backside. Perhaps it was the totality of her conquest, the raw assurance of her power that was de-escalating the rawness of her orgy. Or maybe it was just that Bianca wanted to try something different.

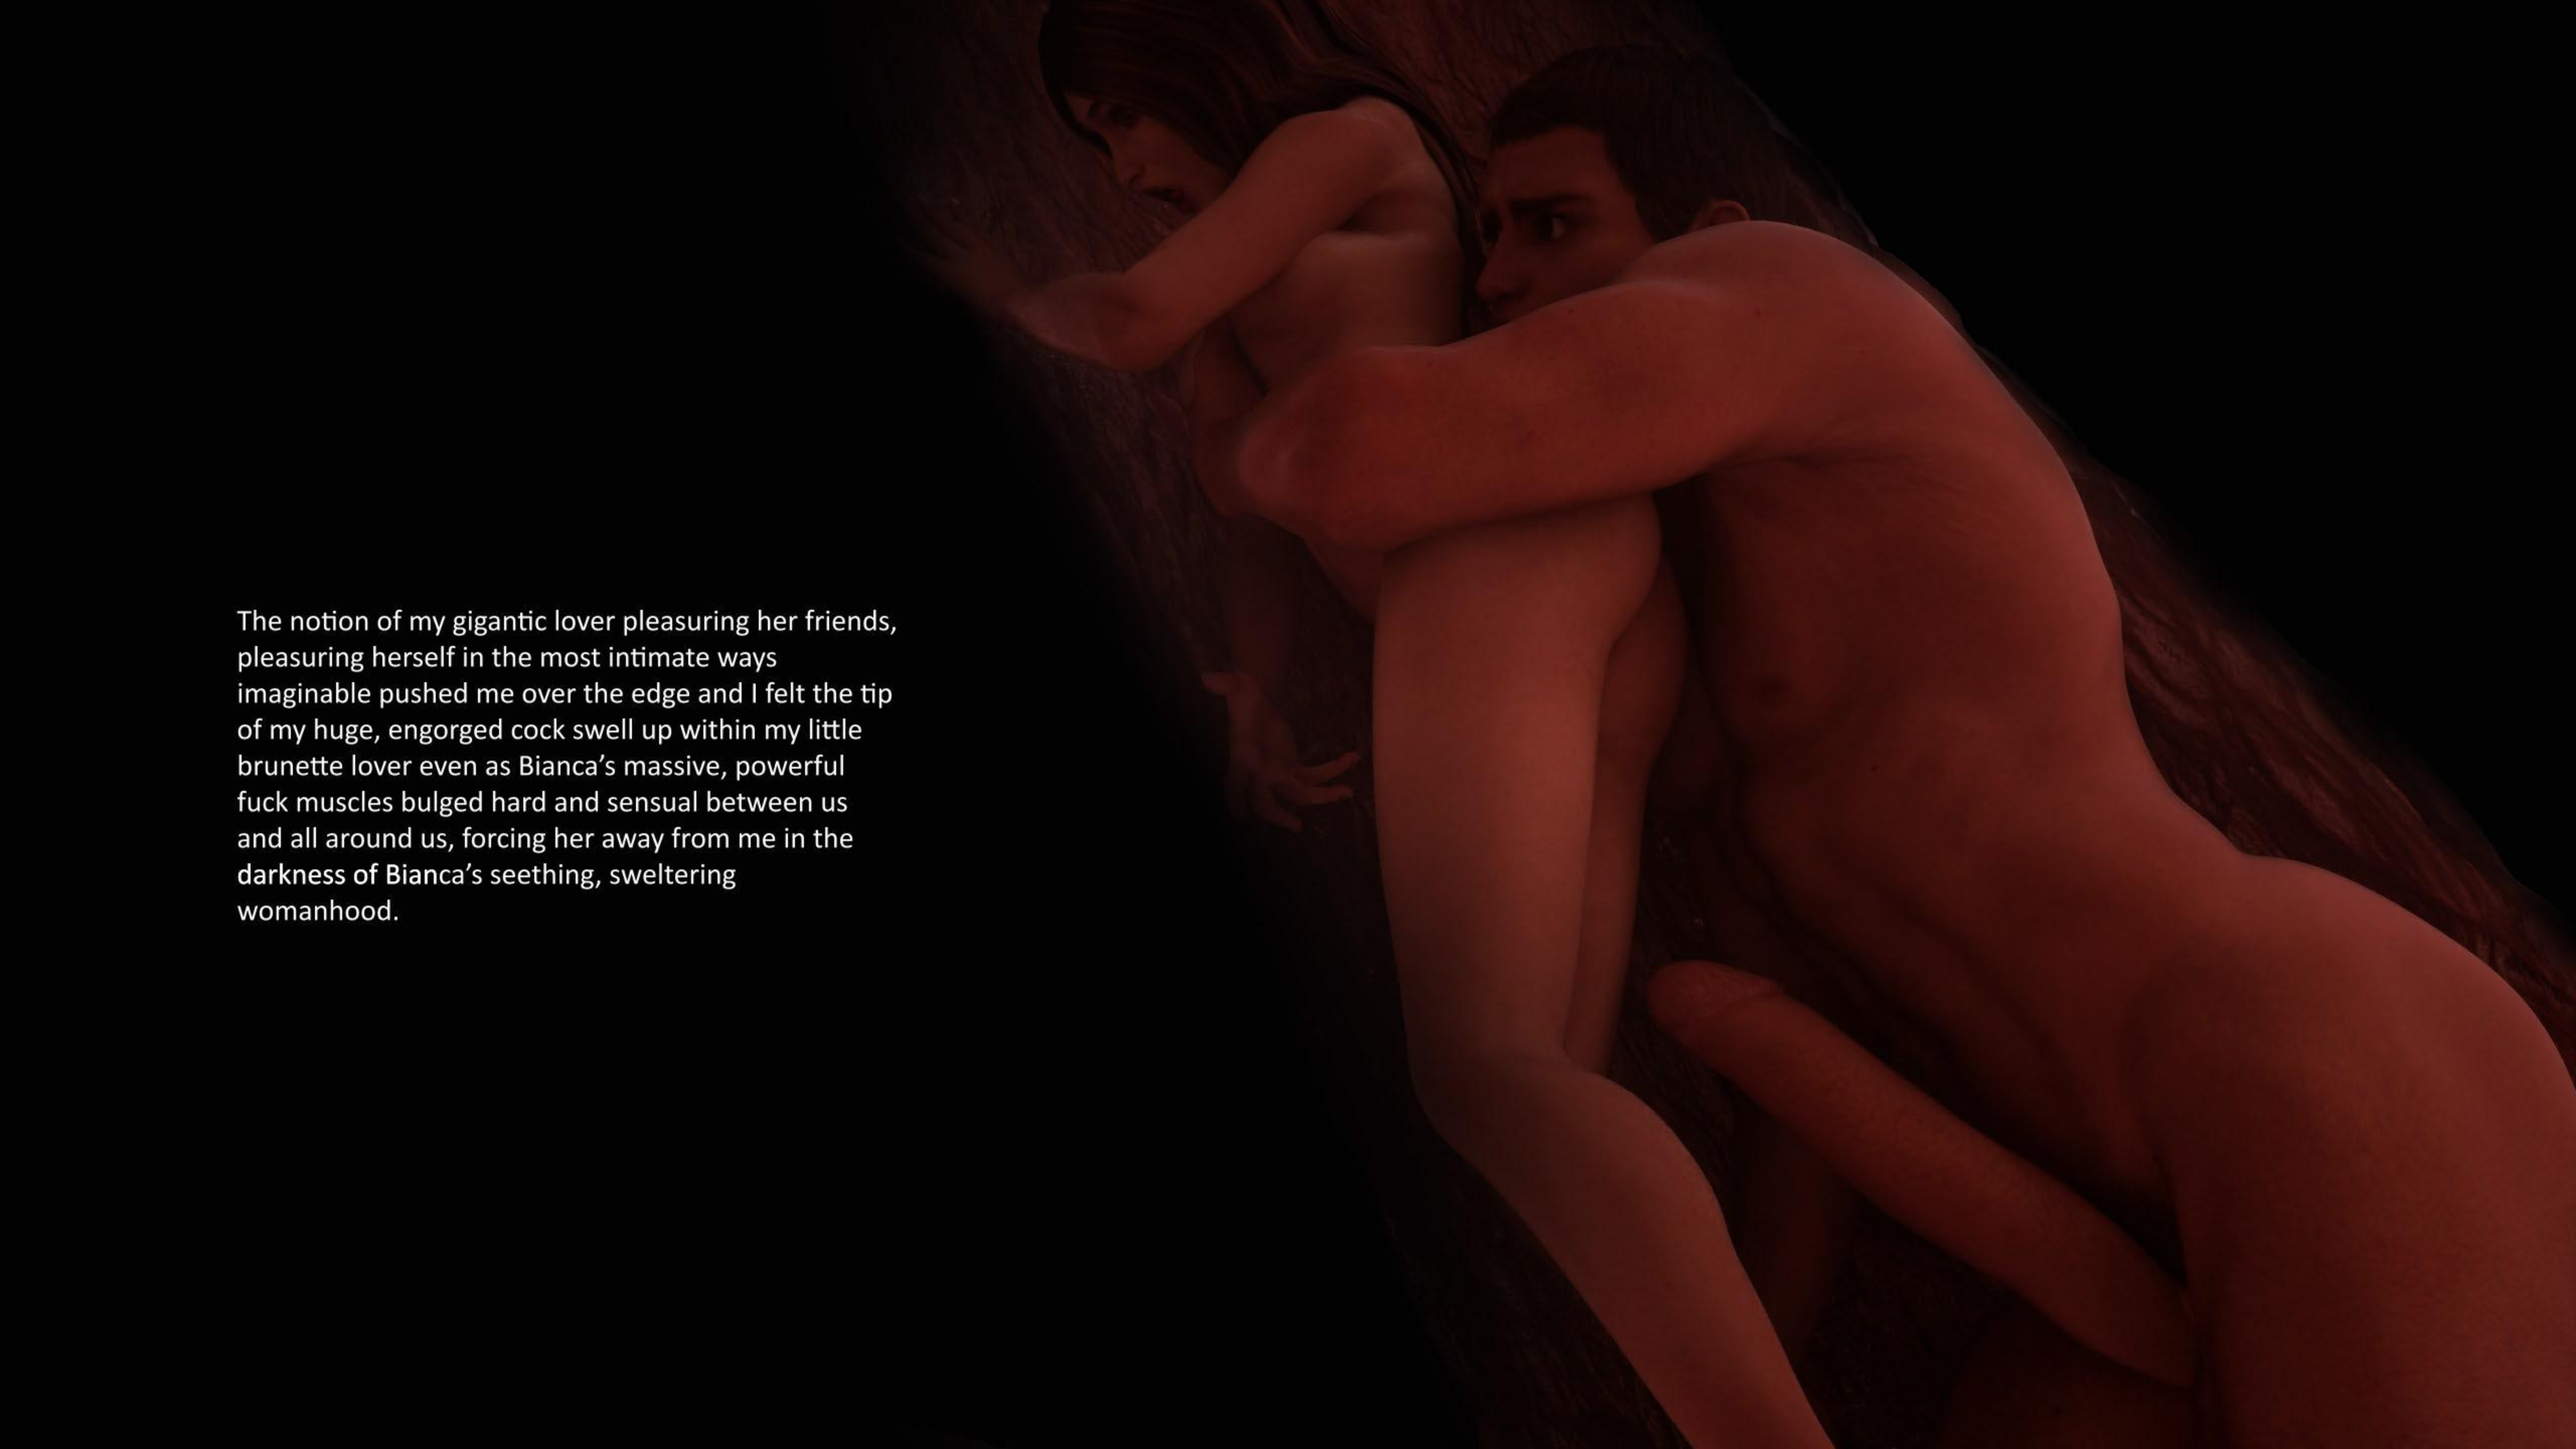

In any case, I was surprised and relieved to discover that instead of crushing us, Bianca's titanic vaginal barrel was actually supporting us. Deep, powerful bands of muscle as big as I was surrounded and engulfed me, squeezing into the space between my partner and me. For her part, the little brunette writhed and bucked like she was cumming, totally lost in the pleasurable depths of Bianca's pussy. I felt light headed and bizarrely pleasant. I relaxed into the rhythm of Bianca's gargantuan beating heart as it blended in with the muffled cries of my humongous lover as she moaned through a mouthful of woman.

The moans continued, blissful and almost whimsical as Bianca worked her tongue and cunt muscles in perfect sexual concert.

I surprised myself as I cried out in manic passion. I suddenly realized that I was on the brink of exploding as the colossal meaty walls swelled and grew hard around me.

I imagined all four of us orgasming simultaneously, lost in the throes of Bianca's esorcelling, godlike sexual passion. "Huuhhh… MMmmm… Hmmmpphh…" The huge, horny amazon moaned lustily as she ravenously worked blondie's cunt with her enormous tongue.

The notion of my gigantic lover pleasuring her friends, pleasuring herself in the most intimate ways imaginable pushed me over the edge and I felt the tip of my huge, engorged cock swell up within my little brunette lover even as Bianca's massive, powerful fuck muscles bulged hard and sensual between us and all around us, forcing her away from me in the darkness of Bianca's seething, sweltering womanhood.

As Bianca thrusted us in and out of her pussy, I could occasionally hear the screams of the blonde. They started low, but soon reached a fever pitch. Bianca must have been close to sucking her down entirely... and it was only a matter of time until the insatiable giantess slurped her down.

I heard the faint cry of our diminutive blond companion as she orgasmed, I imagined, thrashing madly in the ecstasy that Bianca's huge sinewy tongue was providing. I could almost feel her panicked thrashing as she was pushed over the edge of sanity with all the sexual gratification Bianca's cavernous mouth could provide.

The gigantic, horny woman clenched her titanic vaginal muscles in a powerful surge, forcing my partner down and way from me. My immense, swollen prick popped out of her little pussy just in time, as my massively oversized prostate began pumping up thick gobs of jizz by the pint. Now that I was sure I wasn’t going to hurt her, I abandoned myself completely to my orgasm, thrashing and growling in sweet agony as my firehose dick blasted a plume of spunk deep into the giantess’ sex.

“HHMMMMM…. UUnnnnghh… OOOooommphhh…” Bianca moaned low and long, riding out her passionate sexual frenzy. She seemed to sense me blowing my load, and the knowledge of what it would do to her seemed to elevate her own climax to an even higher plateau. She bucked and rocked her pelvis like an animal in heat, blasting my insignificant body with all the strength and heat of her titanic cunt.

I heard a wild rush of fluid and suddenly there was cum in my nostrils, my mouth, and all around me. Bianca's immense vaginal barrel closed entirely, sealing me in with a sickening squelching noise. Panic seized my brain as my gigantic lover's pussy was no longer soft and yielding, but had become totally rigid and constrictive. I was being grabbed in a fist-like embrace and actively pulled up, back towards the light of Bianca's colossal beef curtains. I felt her fingers fumble awkwardly around my legs as she attempted to grab my dildo-sized body to keep it from being completely crushed by her gargantuan fuck cave.

Bianca writhed and squirmed, bucking her hips and mashing me brutally with the powerful muscles of her greedy fat cunt. My heart sank as I realized what was happening. Bianca had gotten what she wanted from me. Even as my orgasm abated to a slow spurt, I sensed the huge, horny latina absorb my growth fuel. Her heart fluttered as she eagerly clenched and unclenched her awesome cunt muscles in quick succession, using them to utterly pulverize the poor little brunette. With nothing but her humongous pussy, Bianca ground my erstwhile companion to a bloody pulp, mixing her with gallons of jizz. She simply devoured it all in pursuit of her own goddesshood, moaning and giggling like a giant, horny monster.

I groaned in spent dejection as Bianca thrashed around in a humongous fit of ecstasy. Her horned up vocalizations penetrated all the way through my hot fleshy prison and filled me with dread.

“UUunnnggh… Hahah… Oooohhh…” Bianca seethed, every muscle in her gargantuan body bulging dramatically as she packed on sexy feminine mass by the ton.

My huge semi-stiff prick was painfully overstimulated, but I had essentially spilled the last of my growth-fueling splooge into the chasm of womanly darkness surrounding me. Still Bianca's immense, muscular vaginal walls surged all around me, hungrily kneading and wringing me for every last drop.

“Haha… Huhhh… G-goddess…” Bianca panted like an animal in heat. “I am GODDESS, my Lee…” The colossal, burgeoning latina murmured half-coherent nothings to herself as gasped and rumbled like a force of nature.

Still she climaxed, and STILL she grew. “I am GODDESS BIANCA!” My titanic lover bellowed. I could her the crackle and pop of glass panes blowing out. Bianca was quickly overwhelming the dwindling pool, and the air pressure was rapidly increasing.

I was running out of air just and starting to see stars, just as Bianca's enormous, writhing fuck cave finally began to loosen up its insane grip. That, or she had simply outgrown me by this point. I could still feel her muscular, womanly flesh expanding quickly in every dimension.

Bianca cried out in a baritone gasp, and a tremendous crash followed immediately. I guessed she had begun to smash through the puny walls of her tiny cage as she attempted savagely to keep her humongous orgasm going.

More destruction followed in quick succession as the gigantic, horny woman's feet head and arms came into contact with the walls and simply kept going. Ceramic tiles were ground to dust beneath a hundred tons of Bianca's gorgeous, amazonian ass.

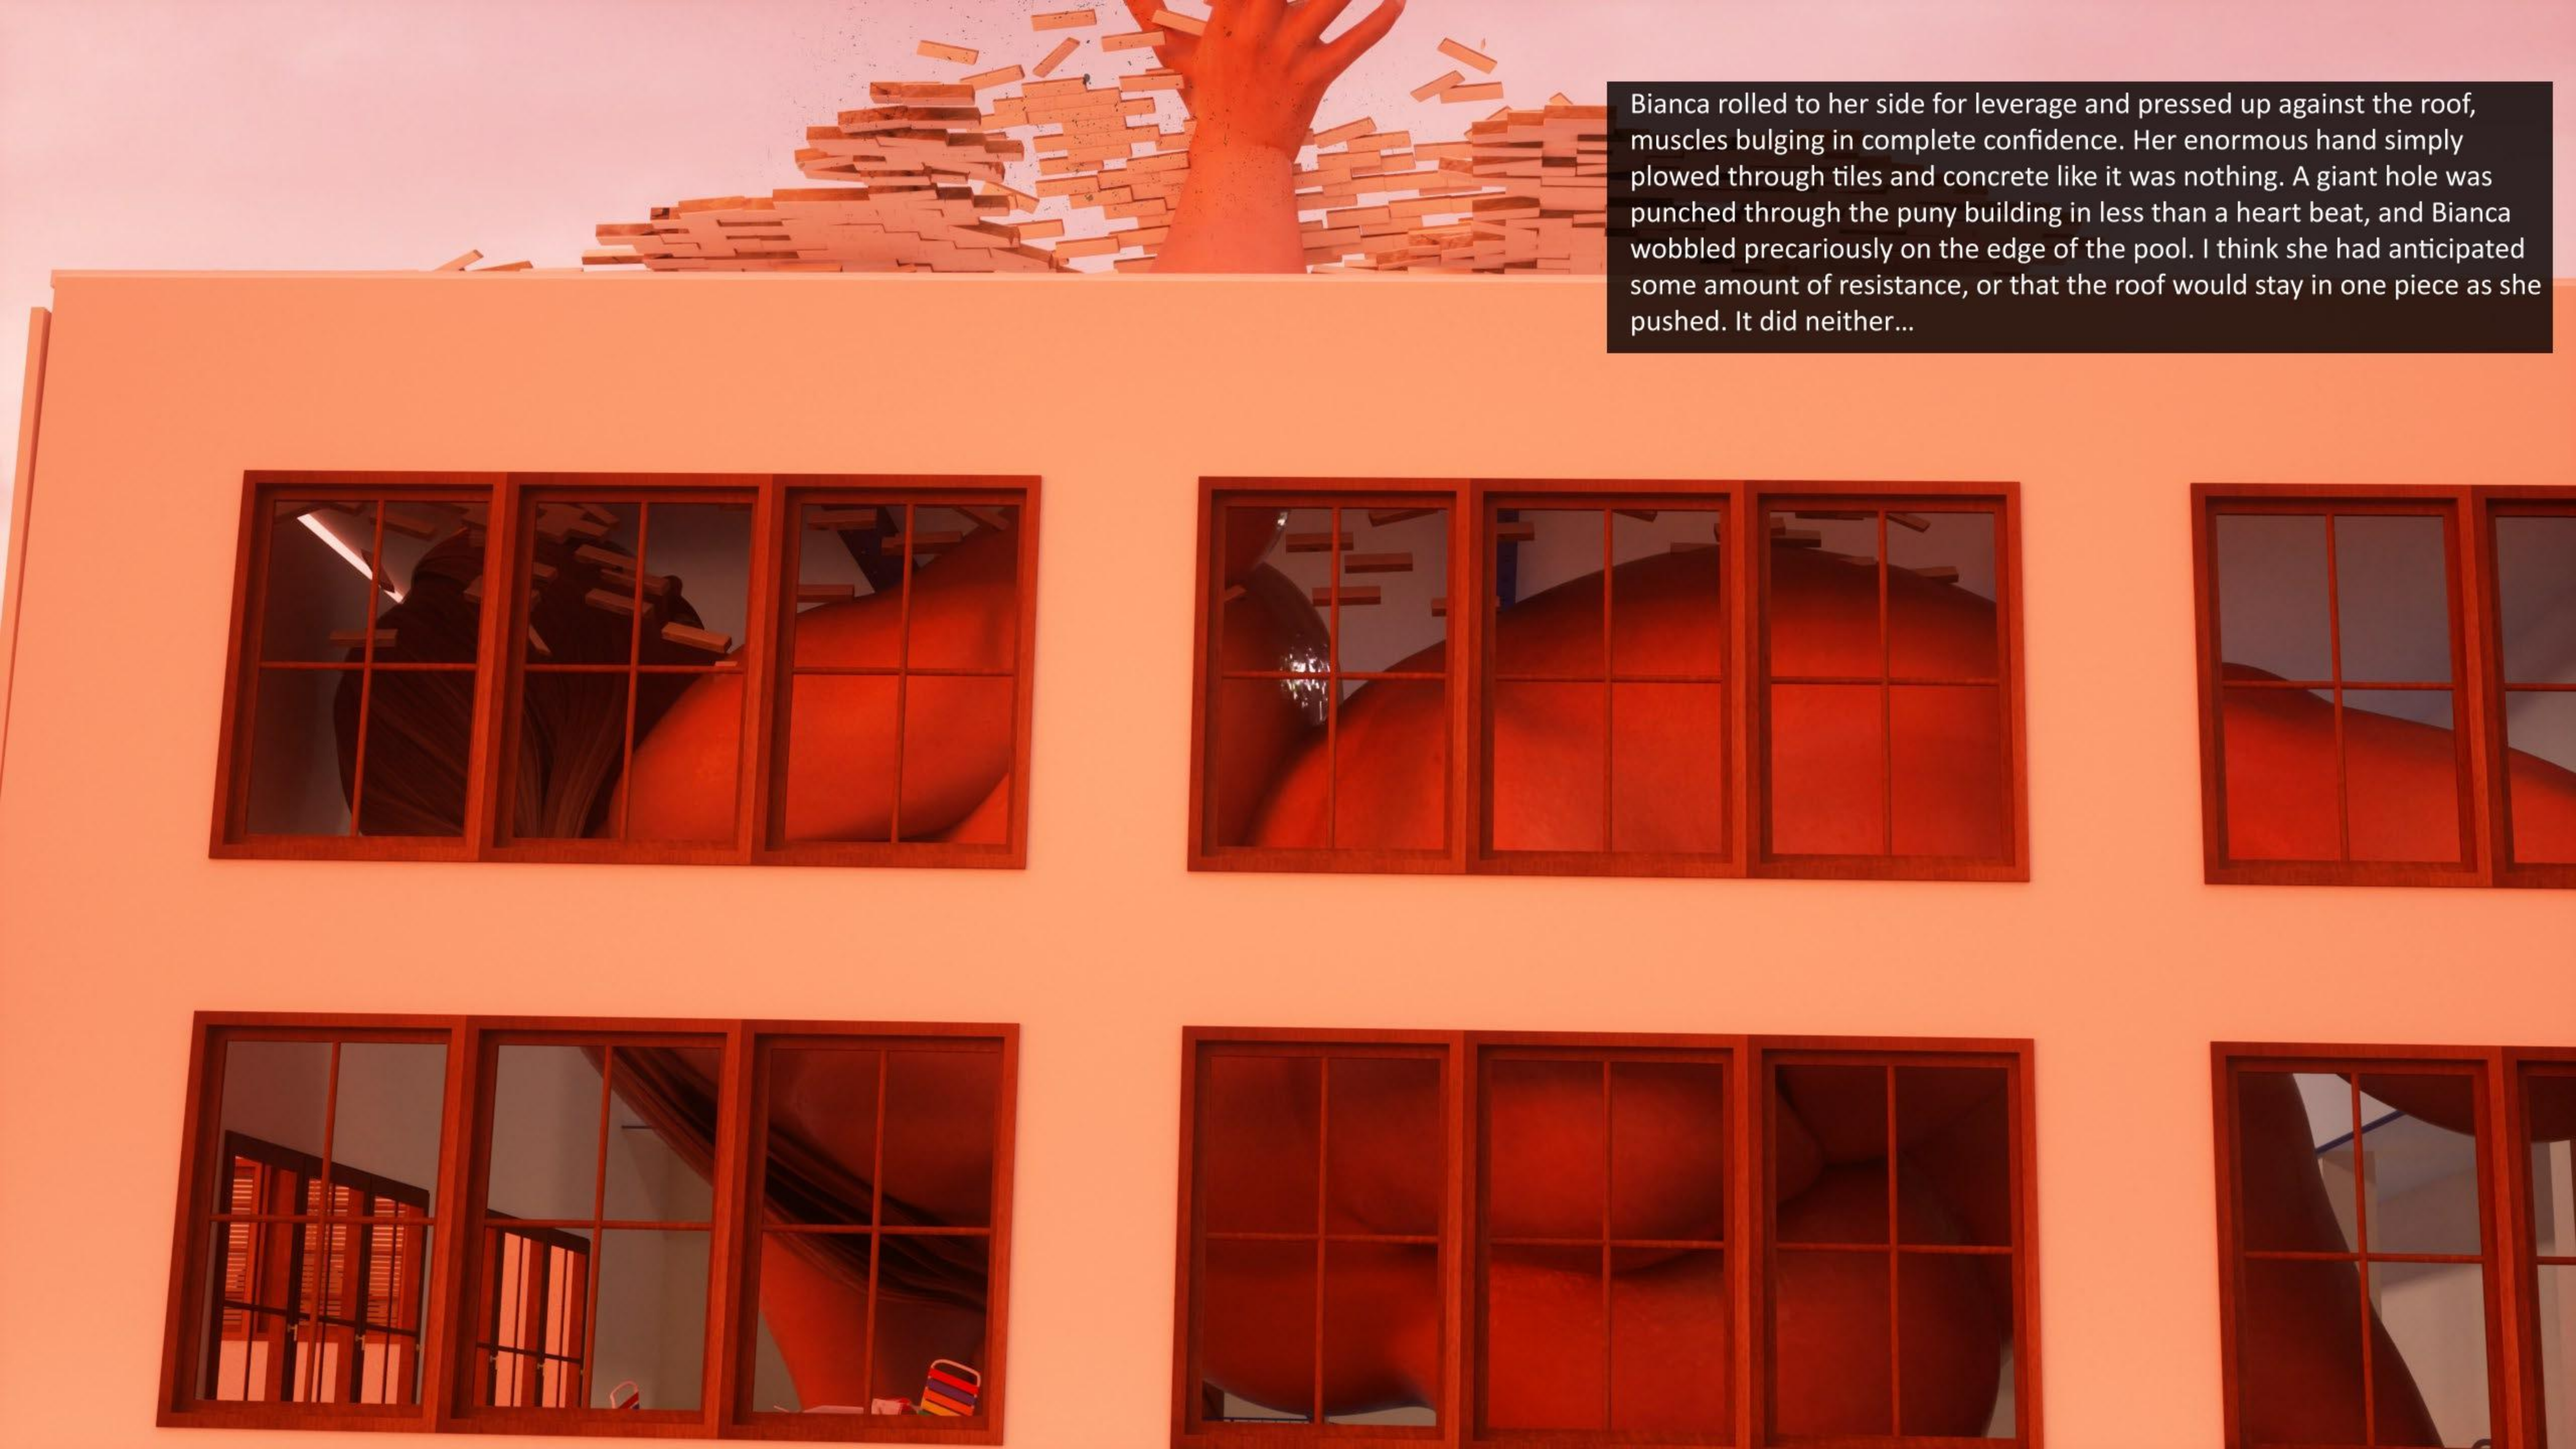

“Huh… Huh… Haha…” Still panting from sexual exhilaration, Bianca’s demeanor seemed to de-escalate from the heights of her orgasm. “Hah… Uh oh, Lee…” The building-sized woman teased, grinning from ear to ear. “You make me GROW again…” Finally able to form a complete sentence, Bianca seemed eminently pleased with herself. Her gigantic beef curtains finally slackened around my thighs, and in the proceeding stillness she rested. I could tell with some relief that Bianca had stopped growing… for the moment…

“Ooohhh, my Lee…” Bianca murmured, idly stirring up her giant, swollen cunt, using my body like a favorite dildo. “I think you grow TOO…” A rumble of possessive satisfaction issued from her colossal vocal cords. I could only thrash my legs in reply as my plight for oxygen became existential.

“MMmmuuunngh…” Bianca groaned with bulging eyes as she extracted my newly enhanced body from her great, hungry fuck cave. She took her time, allowing me to hear every sound of her wetness. At the same time, the massive woman contracted her vaginal muscles and cunt lips around my swollen form on the way out, gently kissing me with her sex in a gesture that was equal parts affection and entrapment. Finally freed, I inhaled deep gulps of air, trying to regain my composure after being used as a sex toy.

Bianca sat up just the smallest amount for her enormous, voluptuous body. Even now her head was brushing against the maybe 20 foot ceiling of the building. “Oh, meu deus…” Bianca tsked. “You are bad boy Lee… I cannot fit outside the door anymore, I think…” The huge, sweaty giantess giggled despite herself.

“Hang on, little man…” Bianca commanded, shifting awkwardly in the confines of her newly shrunken prison. I was unceremoniously plunged upside down into the chlorinated water of the pool, and once again panicking for a lack of air. Bianca chuckled imperiously at my total lack of control. “Haha… I will make us a NEW door, okay Lee?” I heard each of her words clear as a bell as her tremendous, low-frequency voice easily penetrated through the water.

Bianca rolled to her side for leverage and pressed up against the roof, muscles bulging in complete confidence. Her enormous hand simply plowed through tiles and concrete like it was nothing. A giant hole was punched through the puny building in less than a heart beat, and Bianca wobbled precariously on the edge of the pool. I think she had anticipated some amount of resistance, or that the roof would stay in one piece as she pushed. It did neither…

I was lifted out of the water to be greeted by raining debris of sheetrock and plaster dust, as well as a column of sunlight and a rush of fresh air. Bianca bellowed contemptuously as she dragged her gigantic, thick arm up and down, raking huge tears in the roof and causing further destruction with terrifying ease.

Bianca’s insane, self-assured laughter crescendoed as she engaged her vast and powerful field of gleaming abdominal muscles. She sat up through much of the roof, closing her eyes to protect herself from the eruption of large debris and shrapnel. At the same time she pushed out her thick, gorgeous legs, straightening them clear through the opposite wall which exploded with glass. The obnoxious 90’s pop playlist came to a screeching halt as the stereo system was obliterated.

Bianca rose to her full height, all 60 or more feet of her body naked and glorious for all the world to see. She continue her maniacal bout of laughter, advertising to the pathetic city at her feet that she had fully ascended into her status as a goddess. One who destroyed buildings, devoured people, and grew in a never-ending sex orgy with me, her tiny lover.

The cool air played delightfully on her huge, erect nipples, and Bianca quietened to survey the destruction at her feet. Panicked shouts of people came drifting up from below, people who would soon know the full lust that was Biana's right as a goddess. A siren wailed in the distance, and Bianca sighed happily in anticipation of what was to come. Holding me at breast level the gigantic, horny woman purred blissfully in my direction. "Oh Lee… My dear lover…" She gently caressed my exposed thigh as she held me upside down in deliberate indignity. "We are now going to do some amazing things…" Bianca murmured, a low growl forming in her throat. "We are going to PLAY…"
