
The girls have brought the gym's night manager into the Combat Arts room for their 'special' kind of fun…
I think this is the perfect... how do you say... playground!
ah damn, Tatianna, more Shit! Can you see it, over there on the wall?
Yes, SHIT!

Do you see, Amerikanskiy? Isn't it horrible?

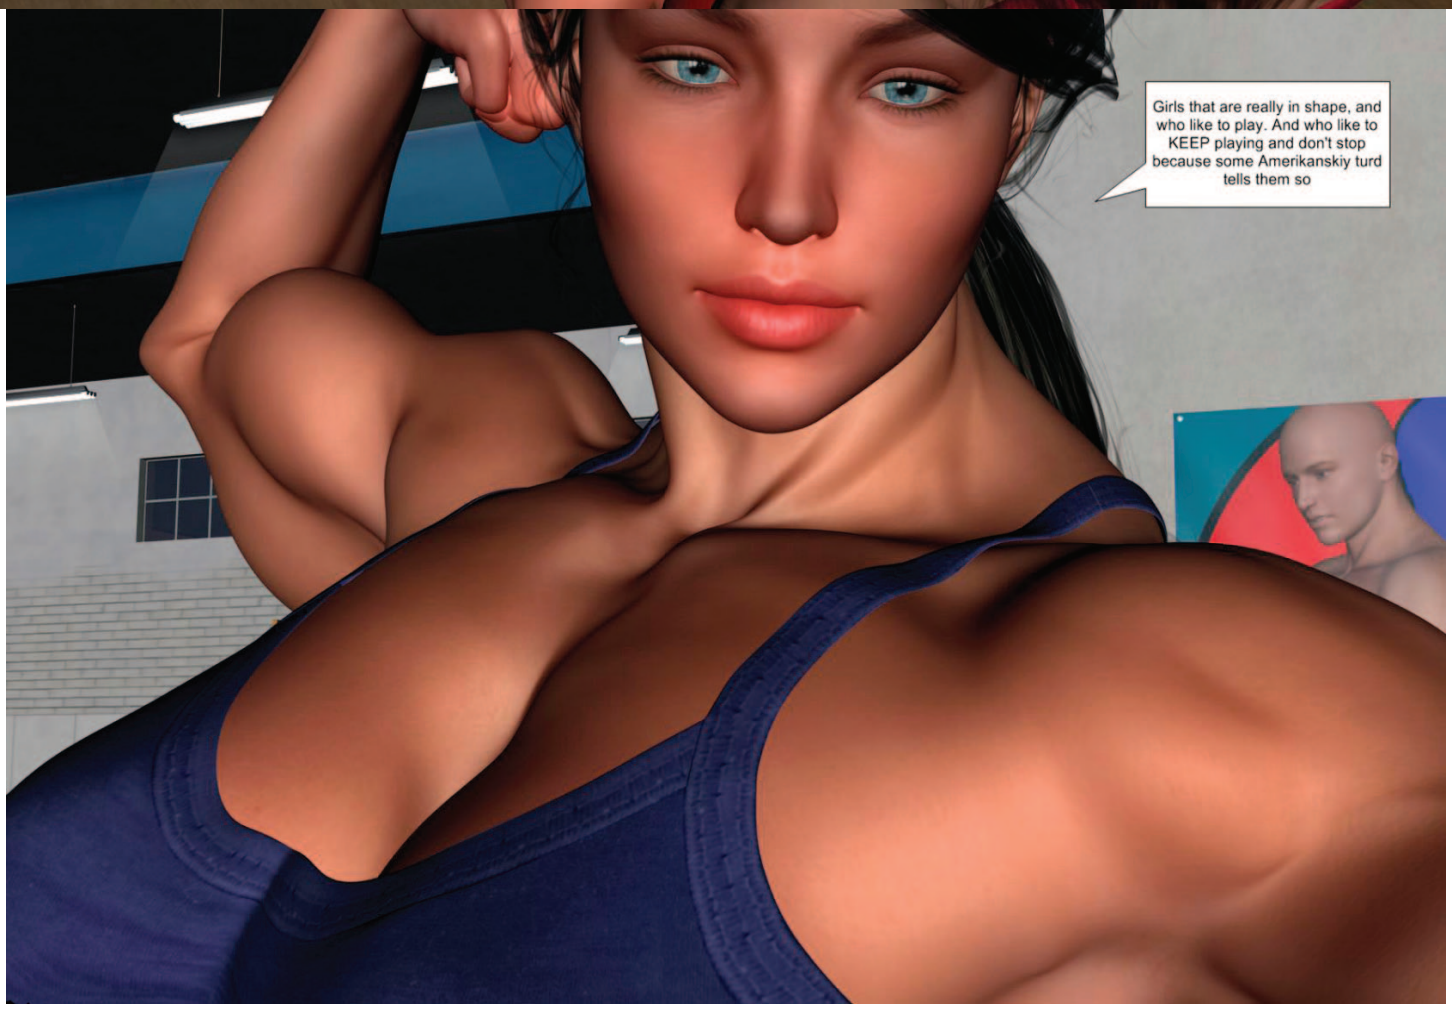

Uhm, I don't know what you mean...

Seriously? You don't see why this is SHIT? Stupid American SHIT?
Eh... no...
Tats, show him?
I show you!
NOW do you see?
Ehm, your friend is much bigger than the girl on the poster?
Exactly!

Do you see any skinny girls like on the poster at all here?
Eh no, you are both... huge girls...
Good Amerikanskiy. Huge is the word. Check this out!

No look! FEEL!
No girls with chicken limbs present here tonight huh...

Only big girls...

Girls that are really in shape, and who like to play. And who like to KEEP playing and don't stop because some Amerikanskiy turd tells them so

So now that we've established that the girl from the poster is not here tonight...
... let's see if at least one of those hunks is present, ok? Let's take off that t-shirt...
GAK!

Hmm, not particularly impressive. Do you even work out?
He go to gym, only to clean. Haha.

Nah, don't think so. Just another skinny guy...
No muscles...skin & bone...
OW!

I wonder if what's down there is small too... Tatianna, can you lift him up a bit? I have to bend down too much...
Much better. Is he heavy, Tats?
Ты что, шутишь? Я могу поднять его весь день. Он карлик?
Haha, she says she could hold you all day and asks if you are a midget. No Tats, not a midget. Just another little Amerikanskiy.

Right now, however, he's almost as tall as me, isn't he?
